**PROXY STATEMENT  
FOR  
ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON MAY 17, 2006**

**Solicitation of Proxies**

This proxy statement is being furnished to stockholders of Great Southern Bancorp, Inc. ("Bancorp") in connection with the solicitation by the Board of Directors of Bancorp of proxies to vote Bancorp's common stock, \$.01 par value per share ("Common Stock"), at the Annual Meeting of Stockholders of Bancorp (the "Annual Meeting") to be held at the Embassy Suites Hotel Northwest Arkansas, 3303 Pinnacle Hills Parkway, Rogers, Arkansas, on May 17, 2006, at 10:30 a.m., local time, and at any and all adjournments or postponements thereof. The Notice of the Annual Meeting, a proxy card and Bancorp's Annual Report to Stockholders for the fiscal year ended December 31, 2005 (the "Annual Report") accompany this proxy statement. Certain of the information in this proxy statement relates to Great Southern Bank ("Great Southern"), a wholly owned subsidiary of Bancorp.

At the Annual Meeting, stockholders of Bancorp are being asked to consider and vote upon (i) the election of two directors of Bancorp and (ii) the ratification of the appointment of BKD, LLP as Bancorp's independent registered public accounting firm for the fiscal year ending December 31, 2006 (the "Independent Auditor Proposal").

Regardless of the number of shares of Common Stock owned, it is important that stockholders be represented by proxy or present in person at the Annual Meeting. Stockholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage paid envelope. Stockholders are urged to indicate their vote in the spaces provided on the proxy card. **Proxies received pursuant to this solicitation will be voted in accordance with the directions given on the proxy card. Where no instructions are indicated, proxies will be voted "FOR" the adoption of the specific proposals presented in this proxy statement.**

A proxy may be revoked by a stockholder at any time prior to its exercise by filing written notice of revocation with the Secretary of Bancorp at the above address, by delivering to Bancorp, at any time before the Annual Meeting, a duly executed proxy card bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself have the effect of revoking a properly executed proxy.

The cost of solicitation of proxies and of the Annual Meeting will be borne by Bancorp. In addition to the solicitation of proxies by mail, proxies may also be solicited personally or by telephone by directors, officers and regular employees of Bancorp or Great Southern not specifically engaged or compensated for that purpose. Bancorp will also, upon request, reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxy materials to beneficial owners of the Common Stock.

The approximate date on which this proxy statement and the accompanying proxy card are first being sent to stockholders of Bancorp is April 12, 2006.

**Voting**

## Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

The Board of Directors of Bancorp has fixed March 8, 2006 as the record date (the "Record Date") for the determination of stockholders entitled to notice of and to vote at the Annual Meeting, and any and all adjournments or postponements thereof. Only stockholders of record as of the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The total number of shares of Common Stock outstanding on the Record Date was 13,724,231. These are the only securities of Bancorp entitled to vote at the Annual Meeting.

Each holder of the Common Stock is entitled to cast one vote for each share of Common Stock held on the Record Date on all matters, except that any stockholder that beneficially owns in excess of 10% of the then outstanding shares of Common Stock (the "Limit") is not entitled to vote shares in excess of the Limit.

In order for any proposals considered at the Annual Meeting to be approved by Bancorp's stockholders, a quorum must be present. The holders of a majority of the shares of the Common Stock entitled to vote, present in person or represented by proxy at the meeting, will constitute a quorum. Abstentions and broker non-votes will be counted for purposes of determining a quorum. Shares in excess of the Limit, however, will not be considered present for purposes of determining a quorum. Directors will be elected by a plurality of the votes cast. Approval of the Independent Auditor Proposal requires the affirmative vote of a majority of the votes cast on the matter.

NEXT PAGE

With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld and broker non-votes will be excluded entirely from the vote and will have no effect on the election of directors. With regard to the Independent Auditor Proposal, stockholders may vote for or against this proposal or abstain from voting on this proposal. In determining the percentage of shares that have been affirmatively voted on the Independent Auditor Proposal, the affirmative votes will be measured against the aggregate votes for and against the proposal plus the abstentions from voting on the proposal. Thus, abstentions will have the same effect as votes against the Independent Auditor Proposal and broker non-votes will have no effect on this proposal.

All shares of Common Stock represented at the Annual Meeting by proxies solicited hereunder will be voted in accordance with the specifications made by the stockholders executing the proxies. If a properly executed and unrevoked proxy solicited hereunder does not specify how the shares represented thereby are to be voted, the shares will be voted **FOR** the election as directors of the persons nominated by the Board of Directors and **FOR** the Independent Auditor Proposal, and in accordance with the discretion of the persons appointed proxy for the shares upon any other matters as may properly come before the Annual Meeting.

### **PROPOSAL I. ELECTION OF DIRECTORS**

The number of directors constituting Bancorp's Board of Directors is currently seven. Bancorp's Board is divided into three classes. The term of office of one class of directors expires each year in rotation so that the class up for election at each annual meeting of stockholders serves for a three-year term. The terms of two of the present directors are expiring at the Annual Meeting.

The directors elected at the Annual Meeting will hold office for a three-year term expiring in 2009 or until their successors are elected and qualified. Bancorp expects that the other directors will continue in office for the remainder of their terms. The nominees for director have indicated that they are willing and able to serve as director if elected and have consented to being named as nominees in this proxy statement. If the nominees should for any reason become unavailable for election, it is intended that the proxies will be voted for the substitute nominees as shall be designated by the present Board of Directors, upon the recommendation of the Nominating Committee, unless the proxies direct otherwise.

Final approval of director nominees is determined by the full Board, based on the recommendation of the Nominating Committee. The Nominating Committee operates under a formal written charter adopted by the Board, a copy of which was attached as Appendix B to Bancorp's definitive proxy statement filed with the SEC on March 31, 2004, under which the Nominating Committee has the following responsibilities:

- (i) recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;
- (ii) recommend candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in Bancorp's charter and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable organizations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to Bancorp's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole;
- (iii) review nominations submitted by stockholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of Bancorp's charter and bylaws. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations;

Pursuant to Bancorp's bylaws, nominations for directors by stockholders must be made in writing and delivered to the Secretary of Bancorp no earlier than 120 days prior to the meeting date and no later than 90 days prior to the meeting date. If, however, less than 100 days' notice of the date of the meeting is given or made to stockholders by public notice or mail, nominations must be received by Bancorp not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed or public announcement of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in Bancorp's bylaws.

#### **Directors' Compensation**

## Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

Directors of Bancorp receive a monthly fee of \$750, which is the only compensation paid to directors by Bancorp, except for stock options which may be granted in the discretion of the Stock Option Committee, subject to ratification by the Board of Directors, under Bancorp's 2003 Stock Option and Incentive Plan. Currently, the directors of Bancorp also comprise the Board of Directors of Great Southern. Directors of Great Southern receive a monthly fee of \$1,750. William V. Turner, Chairman of the Board of Directors of Bancorp and Great Southern, also receives a monthly fee of \$600 for his service as the sole director of Great Southern Financial Corporation, a subsidiary of Great Southern. The directors of Bancorp and its subsidiaries are not paid any fees for committee service and are not reimbursed for their costs of attending board or committee meetings.

### Indebtedness of Management and Transactions with Certain Related Persons

Great Southern, like many financial institutions, has from time to time extended loans to its officers, directors and employees, generally for the financing of their personal residences, at favorable interest rates. Generally, residential loans have been granted at interest rates 1% above Great Southern's cost of funds, subject to annual adjustments. Other than the interest rate, these loans have been made in the ordinary course of business, on substantially the same terms and collateral as those of comparable transactions prevailing at the time, and, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features. All loans by Great Southern to its directors and executive officers are subject to regulations restricting loans and other transactions with affiliated persons of Great Southern. Great Southern may also grant loans to officers, directors and employees, their related interests and their immediate family members in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons which, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features.

**Option Exercises and Fiscal Year-End Values**

The following table sets forth all stock options exercised by the named executive officers during fiscal 2005 and the number and value of unexercised options held by such executive officers at December 31, 2005. Share amounts have been adjusted for Bancorp's two-for-one stock split in the form of a stock dividend declared in May 2004.

- (1) Value realized is calculated based on the difference between the option exercise price and the closing market price of the Common Stock on the date of exercise multiplied by the number of shares to which the exercise relates.
- (2) The value of unexercised options was calculated at a per share price of \$27.61, based on the closing price of the Common Stock as reported on the Nasdaq National Market System on December 31, 2005, less the exercise price per share.

On December 31, 2005, the Board of Directors of Bancorp approved the accelerated vesting of certain outstanding out-of-the-money unvested options to purchase shares of Bancorp's Common Stock held by officers and employees. Options to purchase 183,935 shares which would otherwise have vested from time to time over the next five years became immediately exercisable as a result of this action. The accelerated options include 55,649 options held by the named executive officers. The accelerated options have a weighted average exercise price of \$31.49. The closing market price of the Common Stock on December 30, 2005 was \$27.61. Bancorp also placed a restriction on the sale or other transfer of shares acquired through the exercise of the accelerated options prior to the original vesting date. The decision to accelerate the vesting of these options was made primarily to reduce non-cash compensation expense that would otherwise have been recorded in Bancorp's consolidated income statement in future periods upon the adoption of Financial Accounting Standards Board Statement No. 123R (Share-Based Payment) effective January 1, 2006.

## Employment Agreements

Effective October 1, 2002, William V. Turner and Joseph W. Turner (the "Employees") entered into new employment agreements with Bancorp (the "Employment Agreements"). Each Employment Agreement is for a five-year term and provides for an extension of one year, in addition to the then-remaining term under the agreement, on each October 1<sup>st</sup>, as long as (1) Bancorp has not notified the Employee at least 90 days in advance that the term will not be extended further and (2) the Employee has not received an unsatisfactory performance review by the Board of Directors of Bancorp or Great Southern. The Employment Agreements provide for minimum annual base salaries as determined from time to time by the Compensation Committee of the Board of Directors, subject to reduction only as part of an overall program, implemented prior to a change in control (as defined in the Employment Agreements), applied uniformly and equitably to all members of senior management. The Employment Agreements also provide for participation in benefit plans and the receipt of fringe benefits to the same extent as the other executive officers of Bancorp and Great Southern and equitable participation in any performance-based and discretionary bonuses awarded to the executive officers of Bancorp and Great Southern. In addition, each Employee is entitled to an annual bonus equal to one-half of one percent of Bancorp's pre-tax earnings for the year; for 2006 and 2005, Mr. W. Turner has waived his right to receive this bonus and, as a result, Mr. J. Turner was entitled in 2005, and will be entitled in 2006, to a bonus under this provision equal to three-quarters of one percent of Bancorp's pre-tax earnings for the year. See "Report on Executive Compensation."

Each Employment Agreement provides that if the Employee's employment is involuntarily terminated, then during the remaining term of the agreement he will be entitled to receive (1) on a monthly basis, 1/12th of his annual salary and 1/12th of the average annual amount of cash bonus and cash incentive compensation for the two full fiscal years preceding the date of termination, subject to reduction by the amount of the Employee's earned income during the applicable payout period; (2) substantially the same life and disability insurance coverage and health and dental benefits as he and his dependents and beneficiaries would have received if he had remained employed, subject to reduction to the extent he receives equivalent or better benefits from another employer; and (3) if the involuntary termination occurs within the 12 months preceding, at the time of, or within 24 months after a change in control of Bancorp, a lump sum amount in cash equal to 299% of the Employee's "base amount" (as defined in Section 280G of the Internal Revenue Code).

The term "involuntary termination" is defined as termination of the Employee's employment by Bancorp or Great Southern (other than for cause, or due to death, disability or specified violations of law) without the Employee's consent or by the Employee following a material reduction of or interference with his duties, responsibilities or benefits without his consent. Each Employment Agreement provides that to the

Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

extent the Employee receives any amounts or benefits, whether under the Employment Agreement or otherwise, that will constitute "excess parachute payments" under Section 280G of the Internal Revenue Code and subject him to excise tax under Section 4999 of the Internal Revenue Code, he will be paid an additional amount that will offset the effect of any such excise tax. Based on current compensation levels, if the employment of Mr. W. Turner and Mr. J. Turner had been involuntarily terminated as of December 31, 2005, under circumstances entitling them to severance pay described in items (1) and (3) in the immediately preceding paragraph, they would have been entitled to receive monthly cash payments of approximately \$24,813 and \$38,166, respectively, until October 1, 2010, and lump sum cash payments of approximately \$1,179,973 and \$1,227,197, respectively.

Each Employment Agreement also provides that if the Employee dies while employed under the Employment Agreement, his estate or designated beneficiary will receive (1) the salary the Employee would have earned if he had remained employed through the 180<sup>th</sup> day after the date of his death; (2) the amounts of any benefits or awards which were earned with respect to the fiscal year in which the Employee died and the amount of any bonus or incentive compensation for that fiscal year, pro-rated in accordance with the portion of the fiscal year elapsed prior to his death; and (3) any unpaid deferred amounts described in the next paragraph.

Each Employment Agreement provides that to the extent the Employee's total compensation for any taxable year exceeds the greater of \$1,000,000 or the maximum amount of compensation deductible by the Company under Section 162(m) of the Internal Revenue Code (the greater of these two amounts referred to below as the "maximum allowable amount"), the excess amount must be deferred, with interest (at an annual rate equal to the Federal short-term rate under Section 1274(d)(1) of the Internal Revenue Code, determined as of the last day of the calendar year in which the Employee's compensation is first not deductible under Section 162(m) of the Internal Revenue Code) compounded annually, to a taxable year in which the amount to be paid to the Employee in that year (including deferred amounts and interest) does not exceed the maximum allowable amount.

**Pension Plan**

Great Southern's employees are included in the Pentegra Retirement Fund, a multiple employer comprehensive pension plan. This noncontributory defined benefit retirement plan covers all employees who have met minimum service requirements.

The following table illustrates annual pension benefits payable upon retirement, subject to limits established by federal law, based on various levels of compensation and years of service and assuming payment in the form of a straight-life annuity. Covered compensation includes all regular and overtime pay excluding bonuses and commissions. At December 31, 2005, Messrs. J. Turner, R. Copeland, S. Mitchem and D. Marrs had 13, 5, 14 and 7 years, respectively, of credited service under the pension plan. Mr. W. Turner is no longer accruing additional benefits under the plan and, in 2005, received annual benefit payments of \$110,552 under the pension plan. The benefits under this plan are not subject to Social Security or other offsets.

## Report on Executive Compensation

*The Bancorp Compensation Committee Report on Executive Compensation included herein shall not be incorporated by reference into any filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, both as amended, notwithstanding the incorporation by reference of this proxy statement into any such filings.*

*General.* The Compensation Committee (the "Committee") of Bancorp, which consists solely of independent directors, administers the compensation and benefit programs of Bancorp and its subsidiaries and determines the compensation of senior management. The Committee is responsible for setting and administering the policies which govern annual compensation. During fiscal 2005, the compensation of Great Southern's executive officers was based upon the recommendations of the Committee, consisting of Directors Barclay, Carlson, Steinert and Frazier, whose recommendations were reviewed and approved by the full Board of Directors. The Committee met once during fiscal 2005.

The Committee has focused its evaluation of executive compensation on operating performance and the creation of stockholder value. For fiscal 2005, the Committee evaluated executive compensation with the intent of meeting the following objectives:

- maintain the financial strength, safety and soundness of Bancorp and Great Southern;
- reward and retain key personnel by compensating them at the middle to upper levels of compensation for comparable financial institutions;
- focus management on long term goals through long-term incentives;
- contain fixed costs by de-emphasizing fixed pay while emphasizing variable pay based on performance;

11

NEXT PAGE

- provide fair, reasonable and competitive base salaries;
- provide the opportunity to earn additional compensation if Bancorp's stockholders experience long-term increases in the value of Bancorp stock; and
- emphasize long-term stock ownership of Bancorp stock by executive officers.

In addition to base salary, annual bonus and stock options, the Committee also takes into account the full compensation package afforded by Bancorp to the individual, including pension benefits, supplemental retirement benefits, termination agreements, insurance and other benefits.

*Base Salaries.* The Committee has reviewed the salary arrangements pursuant to employment contracts for the Chairman, Mr. W. Turner, and the President and Chief Executive Officer, Mr. J. Turner. These contracts reflect a base salary level commensurate with the duties and responsibilities of senior executives of a publicly held bank holding company comparable to Bancorp. In establishing the base salaries for Mr. W. Turner and Mr. J. Turner for 2005, the Committee considered the responsibilities of the Chairman and the President and Chief Executive Officer associated with the continued success of Bancorp since becoming a public company in 1989. As suggested by Mr. W. Turner, for 2006, the Committee maintained Mr. W. Turner's base annual salary at \$200,000, and he will, as he did for 2005, waive his right to receive the annual cash bonus provided for in his employment agreement (discussed below under "Bonuses"). Mr. J. Turner's base annual salary was increased from \$215,000 for 2005 to \$220,000 for 2006, and, as noted below under "Bonuses," the annual cash bonus percentage under his employment agreement was increased for 2006 (as it was in 2005). In setting the base salaries of the other executive officers, the Committee takes into account the responsibilities of the position and the experience level of the individual executive and the financial performance of Bancorp. The evaluation of individual performance is an inherently subjective process.

*Bonus.* Under their employment agreements, Mr. W. Turner and Mr. J. Turner are entitled to receive annual cash bonuses equal to one-half of one percent of Bancorp's pre-tax earnings. For 2005, the contractual bonus paid to each of Mr. W. Turner and Mr. J. Turner was \$-0- and \$275,000, respectively. For 2006, as in 2005, Mr. W. Turner has waived his right to receive the contractual bonus and Mr. J. Turner will be entitled to a cash bonus under his employment agreement equal to three-quarters of one percent of Bancorp's pre-tax earnings.

For 2005, each of the executive officers other than Messrs. W. and J. Turner was eligible for a cash bonus under the Annual Incentive Bonus Plan of up to 15% of base annual salary, with one-half of this bonus based on the achievement of targeted growth in earnings per share and one-half of this bonus based on individual performance. The targeted growth in earnings per share for 2005 was not achieved, so this portion of the bonus was not paid to the executive officers. Each executive officer did receive an amount based on his individual performance during 2005. Bonuses paid for 2005 to the named executive officers are set forth in the summary compensation table. For 2006, each executive officer other than Messrs. W. and J. Turner will again be eligible for a cash bonus under the Annual Incentive Bonus Plan of up to 15% of base annual

## Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

salary, with one-half of this possible bonus payable if Bancorp achieves targeted growth in earnings per share and one-half of this possible bonus payable based on individual performance.

*Option Plans.* Stock options are an integral part of the executive compensation program. They are intended to encourage ownership and retention of Bancorp's stock by key employees as well as non-employee members of the Board of Directors. Through stock options, the objective of aligning key employees' long-range interest with those of stockholders may be met by providing key employees with the opportunity to build, through the achievement of corporate goals, a meaningful stake in Bancorp. In fiscal 2003, Bancorp's stockholders approved the 2003 Stock Option and Incentive Plan. Upon approval of the 2003 plan by stockholders, Bancorp's Board of Directors froze the 1997 Stock Option and Incentive Plan, which means that no new grants of awards will be made under that plan, but outstanding awards under the plan were not affected. The Stock Option Committee, consisting of Directors Frazier, Barclay, Carlson and Steinert, considers additional options each year as needed to attract and retain employees. The Stock Option Committee, with the approval of the Board of Directors, awarded the following options to the named executive officers in fiscal 2005: William V. Turner -12,000, Joseph W. Turner - 12,000, Rex A. Copeland - 5,250, Steven G. Mitchem - 5,250 and Douglas W. Marrs - 2,250. Further details about the options granted to the named executive officers in fiscal 2005 can be found under the table "Option Grants During the Fiscal Year ended December 31, 2005."

Due to the rules for determining beneficial ownership, the same securities may be attributed as being beneficially owned by more than one person. The holders may disclaim beneficial ownership of the included shares which are owned by or with family members, trusts or other entities.

(2) Includes 76,508 shares held by Mr. W. Turner's wife, of which Mr. W. Turner disclaims beneficial ownership, 54,250 shares which may be acquired through option exercises and 36,652 shares held by the Turner Family Foundation, a charitable foundation of which Mr. W. Turner, Mr. W. Turner's spouse, Mr. J. Turner and Ms. J. Brown are directors; Mr. W. Turner, Mr. W. Turner's spouse, Mr. J. Turner and Ms. Brown share voting and dispositive powers over the 36,652 shares held by the Turner Family Foundation. Not included in the shares beneficially owned by Mr. W. Turner are the 1,566,024 shares held by the Turner Family Limited Partnership. On September 30, 2004, in a transaction undertaken for estate planning purposes, each of Mr. W. Turner and his spouse transferred all of their respective general partnership units in the partnership to Mr. J. Turner and Ms. Brown in exchange for a portion of the limited partnership units held by Mr. J. Turner and Ms. Brown. Although, as a result of the exchange, Mr. J. Turner and Ms. Brown replaced Mr. W. Turner and his spouse as general partners, each family member's share of the partnership's capital account and profits did not substantially change and their economic interest in the shares of the Common Stock held by the partnership were not significantly affected by the exchange.

(3) For a discussion of Mr. Steinert's ownership, see footnote 5 to the immediately preceding table.

(4) For a discussion of Mr. J. Turner's ownership, see footnote 2 to the immediately preceding table.

(5) For a discussion of Ms. Brown's ownership, see footnote 3 to the immediately preceding table.

(6) Includes 19,676 shares which may be acquired through option exercises.

(7) Includes 20,139 shares which may be acquired through option exercises.

(8) Includes 2,500 shares which may be acquired through option exercises.

(9) Includes 8,443 shares which may be acquired through option exercises.

(10) Includes an aggregate of 162,767 shares which may be acquired through option exercises by all directors and executive officers as a group.

### OTHER MATTERS

The Board of Directors knows of no business that will be presented for consideration at the Annual Meeting other than the proposals discussed in this proxy statement. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the holders of the proxies to vote the shares represented thereby on such matters in accordance with their best judgment.
