FOR IMMEDIATE RELEASE

New York, New York, August 13, 2012, Carl Icahn today issued the following statement concerning Forest Labs:

Broadridge Financial Solutions, Inc. mistakenly distributed the GOLD voting instruction form solicited by the Icahn Participants in connection with the Forest Laboratories, Inc. annual meeting of stockholders containing a typographical error. The GOLD voting instruction form incorrectly states that the recommendations on voting proposals 2, 3, 4 and 5 are being made by the “Board of Directors” when in fact they are being made by the Icahn Participants. The GOLD voting instruction form is not intended to reflect the recommendations of the Board of Directors. The recommendation with respect to proposal 1 (election of directors) is correct. Shares voted on the Gold voting instruction form will count as voted but shareholders because of this typographical error may wish to change their vote. If they wish to change their vote, they can do so by voting via the internet at www.proxyvote.com or by phone toll-free at 800-454-8683 at any time up until 11:59 p.m. (EST) on August 14, 2012. If you have any questions on how to vote please contact Edward McCarthy of D.F. King at 212-493-6952.
