Q: HOW DOES THE BOARD OF DIRECTORS RECOMMEND THAT I VOTE ON THESE PROPOSALS?

Q: WHO IS ENTITLED TO VOTE AT THE MEETING?

A: Only common stockholders of record as of the close of business on March 27, 2006, the record date, are entitled to vote at the meeting.

Q: WHAT STOCKHOLDER APPROVALS ARE REQUIRED TO APPROVE THE PROPOSALS?

A: Directors will be elected by a plurality of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting, and ratification of the appointment of our independent registered public accounting firm will require the affirmative vote of the holders of a majority of the votes cast at the annual meeting.

Q: WHAT DO I DO IF I WANT TO CHANGE MY VOTE?

A: Send a later-dated, signed proxy card to our Secretary prior to the date of the annual meeting or attend the annual meeting in person and vote. You also may revoke your proxy by sending a notice of revocation to our Secretary at our address which is provided above.

Q: IF MY BROKER HOLDS MY SHARES IN "STREET NAME," WILL MY BROKER VOTE MY SHARES?

A: If you do not provide your broker with instructions on how to vote your street name shares, your broker will be able to vote them on the election of directors and the ratification of the appointment of our independent registered public accounting firm. Stockholders are urged to use telephone or Internet voting if their broker has provided them with the opportunity to do so. See your voting instruction form for instructions. 3

in person. We will pay the solicitation costs, and will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding proxy materials to beneficial owners.

4

OUR ANNUAL MEETING

We are furnishing this proxy statement to our stockholders as part of the solicitation of proxies by our board of directors for use at our annual meeting.

DATE, TIME AND PLACE OF THE ANNUAL MEETING

We will hold our annual meeting on Thursday, May 25, 2006, at 9:30 a.m., local time, at the New York Marriott Marquis, 1535 Broadway, New York, New York 10036.

PURPOSE OF THE ANNUAL MEETING

At the annual meeting, we are asking holders of record of our common stock to consider and vote on the following proposals:

- o election of two directors for a term of three years each;
- o ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year; and
- o any matters as may properly come before our annual meeting or any adjournment or postponement thereof.

STOCKHOLDER RECORD DATE

Only holders of record of our common stock at the close of business on March 27, 2006, the record date, are entitled to notice of and to vote at the annual meeting. On the record date, approximately 123,701,657 shares of our common stock were issued and outstanding and held by approximately 1,728 holders of record.

VOTING RIGHTS

Our stockholders are entitled to one vote per share of common stock held as of the record date for the annual meeting.

QUORUM; EFFECT OF ABSTENTION AND BROKER "NON-VOTES"

A quorum will be present at the annual meeting if a majority of the votes entitled to be cast are present, in person or by proxy. Since there were 123,701,657 eligible votes as of the record date, we will need at least

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

61,850,829 votes present in person or by proxy at the annual meeting for a quorum to exist. If a quorum is not present at the annual meeting, we expect that the annual meeting will be adjourned to solicit additional proxies. Holders of record of our common stock on the record date are entitled to one vote per share.

Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. An abstention will not count "for"

5

or "against" the election of directors or the ratification of Deloitte & Touche LLP as our independent registered public accounting firm.

A broker "non-vote" occurs when a broker nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner. Under New York Stock Exchange rules, brokers that hold shares of our common stock in street name for customers that are the beneficial owners of those shares may not give a proxy to vote those shares on certain matters without specific instructions from those customers. Broker "non-votes" will be treated as present and entitled to vote for purposes of determining the presence of a quorum. If a stockholder owns shares through a broker and attends the annual meeting, the stockholder should bring a letter from that stockholder's broker identifying that stockholder as the beneficial owner of the shares and acknowledging that you will vote your shares.

Broker non-votes will not count "for" or "against" the election of directors and the ratification of Deloitte & Touche LLP as our independent registered public accounting firm.

VOTES REQUIRED TO APPROVE THE PROPOSALS

Directors will be elected by a plurality of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. Ratification of the appointment of our independent registered public accounting firm will require the affirmative vote of the holders of a majority of the votes cast at the annual meeting.

VOTING OF PROXIES

All shares represented by properly executed proxies received in time for the annual meeting will be voted at the annual meeting in the manner specified by the stockholders giving those proxies. Properly executed proxies that do not contain voting instructions will be voted for the election of directors and for the ratification of Deloitte & Touche LLP as our independent registered public accounting firm.

The individuals named as proxies by a stockholder may vote for one or more adjournments of the annual meeting, including adjournments to permit further solicitations of proxies.

We do not expect that any matter other than the proposals described above will be brought before the annual meeting. If, however, other matters are properly presented at the annual meeting, the individuals named as proxies will vote in accordance with the recommendation of our board of directors.

REVOCABILITY OF PROXIES

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

Submitting a proxy on the enclosed form will not preclude you from voting in person at the annual meeting. You may revoke a proxy at any time before it is voted by filing with us a duly executed revocation of proxy, by submitting a duly executed proxy to us with a later date or by appearing at the annual meeting and voting in person. You may revoke a proxy by any of

6

these methods, regardless of the method used to deliver your previous proxy. Attendance at the annual meeting without voting will not itself revoke a proxy.

SOLICITATION OF PROXIES

We will pay the expenses incurred in connection with the printing and mailing of this proxy statement. In addition to solicitation by mail, the directors, officers and our employees, who will not be specially compensated, may solicit proxies from our stockholders by telephone, facsimile, telegram or other electronic means or in person. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of shares held of record by these persons, and we will reimburse them for their reasonable out-of-pocket expenses. We will bear the total cost of soliciting proxies.

We will mail or send an electronic copy of this proxy statement to each holder of record of our common stock on the record date.

Stockholders have the option to vote over the internet or by telephone. Please be aware that if you vote over the internet, you may incur costs such as telephone and access charges for which you will be responsible.

In accordance with a notice sent to eligible stockholders who share a single address, we are sending only one proxy statement to that address unless we received instructions to the contrary from any stockholder at that address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, if a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement, he or she may request it orally or in writing by contacting us at Annaly Mortgage Management, Inc., 1211 Avenue of the Americas, Suite 2902, New York, New York 10036, Attention: Investor Relations, by emailing us at investor@annaly.com, or by calling us at 212-696-0100, and we will promptly deliver to the stockholder the requested annual report or proxy statement. If a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she may contact us in the same manner. If you are an eligible stockholder of record receiving multiple copies of our annual report and proxy statement, you can request householding by contacting us in the same manner. If you own your shares through a bank, broker or other nominee, you can request householding by contacting the nominee.

POSTPONEMENT OR ADJOURNMENT OF MEETING

If a quorum is not present or represented, our bylaws permit a majority of stockholders entitled to vote at the annual meeting, present in person or represented by proxy, to postpone or adjourn the meeting, without notice other than an announcement.

ANNUAL MEETING ADMISSION PROCEDURES

You should be prepared to present valid government-issued photo identification for admittance at the annual meeting. In addition, if you are a

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

record holder of common stock, your name is subject to verification against the list of our record holders on the record date prior to

being admitted to the annual meeting. If you are not a record holder but hold shares in street name, that is, with a broker, dealer, bank or other financial institution that serves as your nominee, you should be prepared to provide proof of beneficial ownership on the record date, or similar evidence of ownership. If you do not provide valid government-issued photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting.

VOTING

You will only be entitled to vote at the meeting if you were a holder of record of our common stock at the close of business on the record date, March 27, 2006. There were 123,701,657 shares of common stock outstanding on the record date, and each stockholder will be entitled to one vote at the meeting for each share registered in the stockholder's name on the record date. Holders of common stock are not entitled to cumulate their votes on any matter to be considered at the meeting. The presence at the meeting, in person or by proxy, of the holders of a majority of the total number of shares of common stock outstanding on the record date constitutes a quorum for the transaction of business at the meeting.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the annual meeting in accordance with the directions given. Regarding the election of directors to serve until the 2009 annual meeting of stockholders, in voting by proxy, you may vote in favor of all the nominees, withhold your vote as to all the nominees or withhold your vote as to specific nominees. With respect to the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year, you may vote in favor of the proposal or against the proposal, or you may abstain from voting. You should specify your choices on the enclosed form of proxy.

If you do not provide specific instructions on all the matters to be acted upon, the shares represented by a signed proxy will be voted FOR the election of all nominees and FOR the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year.

Directors will be elected by a plurality of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. Ratification of the appointment of our independent registered public accounting firm will require the affirmative vote of the holders of a majority of the votes cast.

CORPORATE GOVERNANCE, DIRECTOR INDEPENDENCE, BOARD MEETINGS AND COMMITTEES

CORPORATE GOVERNANCE

We believe that we have implemented effective corporate governance policies and observe good corporate governance procedures and practices. We have adopted a number of written policies, including corporate governance guidelines, code of business conduct and ethics, and charters for our audit committee, compensation committee and nominating/corporate governance committee.

11

INDEPENDENCE OF OUR DIRECTORS

New York Stock Exchange rules require that at least a majority of our directors be independent of our company and management. The rules also require that our board of directors affirmatively determine that there are no material relationships between a director and us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us)

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

before such director can be deemed independent. We have adopted independence standards consistent with New York Stock Exchange rules. Our board of directors has reviewed both direct and indirect transactions and relationships that each of our directors had or maintained with us, our management and employees. As a result of this review, our board of directors, based upon the fact that none of our non-employee directors have any relationships with us other than as directors and holders of our common stock, affirmatively determined that four of our directors are independent directors under New York Stock Exchange rules. Our independent directors are Kevin P. Brady, Jonathan D. Green, Donnell A. Segalas and E. Wayne Nordberg. Michael A.J. Farrell and Wellington J. Denahan-Norris are not considered independent because they are employees of the company, and John A. Lambiase is not considered independent because we employ his son.

BOARD COMMITTEES AND CHARTERS

CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a Code of Business Conduct and Ethics, which sets forth the basic principles and guidelines for resolving various legal and ethical questions that may arise in the workplace and in the conduct of our business. This code is applicable to all employees, officers and directors of the company.

CORPORATE GOVERNANCE GUIDELINES

We have adopted Corporate Governance Guidelines which, in conjunction with the charters and key practices of our board committees, provide the framework for the governance of our company.

OTHER CHARTERS

Our compensation committee, audit committee and nominating/corporate governance committee have also adopted written charters which govern their conduct.

WHERE YOU CAN FIND THESE DOCUMENTS

Our Code of Business Conduct and Ethics, Corporate Governance Principles, Compensation Committee Charter, Audit Committee Charter and Nominating/Corporate Governance Committee Charter are available on our website (www.annaly.com). We will provide copies of these documents free of charge to any stockholder who sends a written request to Investor Relations, Annaly Mortgage Management, Inc., 1211 Avenue of the Americas, Suite 2902, New York, New York 10036.

COMPENSATION COMMITTEE

We have a standing compensation committee. The members of our compensation committee are Jonathan D. Green and Donnell A. Segalas, each of whom is an independent director within the meaning of the rules of the New York Stock Exchange. The compensation committee administers our Long-Term Stock Incentive Plan, or Incentive Plan, and recommends changes to that Plan to our board of directors when appropriate. The compensation committee also administers our Executive Performance Plan. The compensation committee also approves compensation for our officers. For additional information on the compensation committee, please see "Report of the Compensation Committee" below.

AUDIT COMMITTEE

We have a standing audit committee. The members of our audit committee

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

are Kevin P. Brady, Jonathan D. Green, and E. Wayne Nordberg. Each member of our audit committee is an independent director within the meaning of the rules of the New York Stock Exchange, and Mr. Brady has been designated as our audit committee's financial expert. The audit committee recommends to our board of directors the engagement or discharge of independent public accountants, reviews the plan and results of the auditing engagement with our Chief Financial Officer and our independent public accountants, and reviews with our Chief Financial Officer the scope and nature of our internal auditing system. The activities of the audit committee are described in greater detail below under the caption "Report of the Audit Committee."

NOMINATING/CORPORATE GOVERNANCE COMMITTEE

We have a standing nominating/corporate governance committee. The members of our nominating/corporate governance committee are E. Wayne Nordberg, Kevin P. Brady, and Donnell A. Segalas. Each of the members of our nominating/corporate governance committee meets the independence requirements of the New York Stock Exchange. The nominating/corporate governance committee recommends to the board of directors persons to be nominated as directors or to be elected to fill vacancies on the board of directors. The nominating/corporate governance committee will consider nominees recommended by our stockholders. These recommendations should be submitted in writing to our Secretary.

Our nominating/corporate governance committee currently considers the following factors in making its recommendations to the board of directors: background, skills, expertise, accessibility and availability to serve effectively on the board of directors. Our nominating/corporate governance committee also conducts inquiries into the background and qualifications of potential candidates.

Our nominating/corporate governance committee uses a variety of methods for identifying and evaluating nominees for director. Our nominating/corporate governance committee regularly assesses the appropriate size of the board of directors, and whether any vacancies on the board of directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, our nominating/corporate governance committee considers various potential candidates for director. Candidates may come to the attention of our nominating/corporate governance committee through current members of our board of directors,

13

professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of our nominating/corporate governance committee, and may be considered at any point during the year. As described above, our nominating/corporate governance committee considers properly submitted stockholder nominations for candidates for the board of directors. Following verification of the stockholder status of persons proposing candidates, recommendations are aggregated and considered by our nominating/corporate governance committee at a regularly scheduled meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to our nominating/corporate governance committee. Our nominating/corporate governance committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. In evaluating such nominations, our nominating/corporate governance committee seeks to achieve a balance of knowledge, experience and capability on the board of directors.

In addition, our board of directors has established a bonus incentive compensation plan for our executive officers. This program permits our board of directors, in its discretion, to award cash bonuses annually to our executive officers. Each employment agreement also provides for the subject officer to receive, in the event that we terminate the officer's employment without "cause" (as defined in the agreement), or if the officer resigns for "good reason" (as defined in the agreement), an amount, 50% payable immediately and 50% payable in monthly installments over the succeeding three months, equal to three times the greater of the officer's combined maximum base salary and actual bonus compensation for the preceding fiscal year or the average for the three preceding years of the officer's combined actual base salary and bonus compensation. In the event that any payments, distributions, or benefits provided or to be provided to the officer under the employment agreement or otherwise are determined to be subject to the excise tax imposed by Section 4999 of Code on payments related to a change in control (or parachute payments), each employment agreement provides that such parachute payments will be reduced to an amount that will avoid imposition of such excise taxes. However, the parachute payments will not be reduced if it is determined that the officer would have a greater net after-tax benefit after paying the applicable excise taxes on the unreduced parachute payments. If the parachute payments are not reduced under the terms of the employment agreements, Section 280G of the Code may limit our ability to deduct such payments for Federal income tax purposes. Each employment agreement also contains a "non-compete" provision prohibiting the officer from managing, controlling, participating in or operating a competing REIT for a period of one year following termination of employment following our termination of the officer without cause or resignation of the subject officer for "good reason." In addition, all outstanding options and other awards granted to an officer under our Incentive Plan immediately vest upon his or her termination without cause or termination for "good reason." "Good reason" under the employment agreements includes certain events resulting in a change of control of us. "Change of Control" includes a merger or consolidation of us, a sale of all or substantially all of our assets, changes in the identity of a majority of the members of our board of directors (other than due to the death, disability or age of a director) or acquisitions of more than 9.8% of the combined voting power of our capital stock, subject to certain limitations. Each agreement requires that the officer act in accordance with provisions of Maryland law relating to corporate opportunities.

SET FORTH BELOW IS THE REPORT OF OUR COMPENSATION COMMITTEE, A GRAPH DEPICTING OUR PERFORMANCE AND THE REPORT OF THE AUDIT COMMITTEE WITH RESPECT TO OUR AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2005. THE INFORMATION CONTAINED IN THESE THREE SECTIONS OF THIS PROXY SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL" OR TO BE "FILED" WITH THE SECURITIES AND EXCHANGE COMMISSION, NOR SHALL SUCH INFORMATION BE INCORPORATED BY REFERENCE INTO ANY FUTURE FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, EXCEPT TO THE EXTENT THAT WE SPECIFICALLY INCORPORATES BY REFERENCE IN SUCH FILING.

REPORT OF THE COMPENSATION COMMITTEE

The compensation structure for our executive officers and directors has been developed with consideration for the following objectives:

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

INCENTIVES FOR MANAGEMENT TO MAXIMIZE PERFORMANCE. We have designed our compensation policy in an effort to provide the proper incentives to management to maximize our performance in order to serve the best interests of our stockholders. We have sought to achieve this objective through the granting of stock options under the Incentive Plan, the award of compensation pursuant to our bonus incentive compensation program, and employment agreements with our executive officers where compensation is dependent upon our book value.

To date, our executive officers, pursuant to the Incentive Plan, have been granted options to purchase, in the aggregate, 2,842,301 shares of common stock with exercise prices ranging from \$4.00 to \$17.97. These options vest in equal installments over four, five or ten year periods from the date of grant.

Our board of directors also has adopted a bonus incentive compensation program for executive officers. This program permits the compensation committee, in its discretion, to award bonuses to our officers and employees based upon individual performance, our overall performance, or such other factors as the compensation committee determines to be appropriate. Bonuses may be paid in the form of cash, stock options or other forms of compensation as determined appropriate by the compensation committee. In 2005, bonuses were awarded in the form of cash and were paid in January 2006.

Pursuant to employment agreements entered into between us and our executive officers, base compensation and bonus for the officers is calculated as a percentage of our book value. Any bonus paid, however, is subject to the discretion of the compensation committee. This arrangement was established based upon our view that successful performance by our management would result in our ability to raise additional capital.

LONG-TERM COMMITMENT OF MANAGEMENT. The committee believes that the long-term commitment of its current management team is a crucial factor in our future performance. This team includes Mr. Farrell and Ms. Denahan-Norris, who have worked together at FIDAC since March 1995, Mr. Fortescue, who has worked with us since our incorporation in November 1996 and our commencement of operations in February 1997, and Ms. Fagan, who has worked with us since April 1997. In an effort to ensure the long-term commitment of its management team, we, with the approval of our board of directors, entered into employment agreements with Mr.

25

Farrell, Ms. Denahan-Norris, Ms. Fagan and Mr. Fortescue. Each of these agreements provides for a term through June 4, 2006 with automatic one-year extensions unless we or the officer provides written notice to the contrary.

Consistent with the foregoing, we have structured our executive compensation policies with the goal of promoting the long-term commitment of management. In addition, as indicated above, over 99% of the stock options granted by us since inception have been options with vesting periods of three, four and five years.

COMPARABILITY WITH COMPETITORS' COMPENSATION STRUCTURES. In assisting us to develop guidelines for our compensation structure, including the bonus incentive program, we engaged a compensation consultant in 2003 to examine the compensation structures of other publicly held mortgage REITs and other publicly held companies in the financial services industry. We continue to believe our management compensation structure is consistent, generally, with the management compensation structure of comparable companies. We intend to continue to monitor whether our compensation structure is consistent with the compensation structure of its competitors.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

CEO COMPENSATION. Mr. Farrell's total compensation for 2005 was established pursuant to his employment agreement which is described under the caption "Employment Agreements, Termination of Employment and Change-Of-Control Arrangements." Mr. Farrell's compensation was established using substantially the same criteria used to determine compensation levels for our other executive officers who are discussed in this report. Mr. Farrell's salary was set at \$2,430,000. For 2005, we determined to pay Mr. Farrell a bonus of \$2,214,000 (which was paid in January 2006). Mr. Farrell's compensation for 2005 was related to our progress over the last year in achieving strong financial results relative to other competitors and in a difficult operating environment, as well as his continuing commitment for us to be a leader in integrity and corporate governance.

DEDUCTIBILITY OF EXECUTIVE OFFICER COMPENSATION. Section 162(m) of the Internal Revenue Code denies a tax deduction for compensation in excess of \$1 million paid to our Chief Executive Officer and our four other most highly compensated officers, unless the compensation is paid under a program that has satisfied stockholder approval requirements and the compensation is "performance-based." Currently, the employment agreements of these officers do not contain performance-based criteria and the compensation program has not been approved by our stockholders. As a result, portions of the compensation we pay is subject to the \$1 million deduction limitation because it is not considered performance-based within the meaning of Section 162(m).

During 2005, the compensation committee spent significant portions of its meetings to determine whether we should take steps to permit us to deduct compensation in excess of \$1 million. As noted above, the compensation committee has traditionally believed that it is in the best interests of us and our stockholders that the overall compensation of our officers be calculated as a percentage of book value. Nevertheless, in view of the non-deductibility of a portion of the compensation we pay, the compensation committee is reviewing its policies to determine whether we should in the future add performance-based criteria to executive

26

compensation. Adding performance-based criteria will require amending the existing employment agreements of the applicable employees.

COMPENSATION OF NON-EMPLOYEE DIRECTORS. We granted to each of our non-employee directors during 2005 options to purchase 1,250 shares vesting immediately and options to purchase 15,000 shares vesting over five years.

REPORT OF THE AUDIT COMMITTEE

Since our inception, we have had an audit committee composed entirely of non-employee directors. The members of the audit committee meet the independence and experience requirements of the New York Stock Exchange. The board of directors has determined that Mr. Brady is the audit committee financial expert and is an independent director within the meaning of the applicable rules of the Securities and Exchange Commission and the New York Stock Exchange. In 2005, the Committee met four times. The audit committee has adopted a written charter outlining the practices it follows. A full text of our audit committee charter is available for viewing at our website at www.annaly.com. Any changes in the charter or key practices will be reflected on our website.

During the year 2005, at each of its meetings, the audit committee met with the Chief Financial Officer and our independent registered public accounting firm. The audit committee's agenda is established by the audit committee's chairman. The audit committee engaged Deloitte & Touche LLP as our independent registered public accounting firm and reviewed with our financial manager and the independent registered public accounting firm, overall audit scope and plans, the results of external audit examination, evaluations by the independent registered public accounting firm of our internal controls and the quality of our financial reporting.

The audit committee has reviewed and discussed the audited financial statements with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of the audit committee asked for and received management's representations that our audited financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America, and have expressed to both management and registered public accounting firm their general preference for conservative policies when a range of accounting options is available.

In its meetings with representatives of the independent registered public accounting firm, the audit committee asks them to address, and discusses their responses to several questions that the audit committee believes are particularly relevant to its oversight. These questions include:

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

- o Are there any significant accounting judgments made by management in preparing the financial statements that would have been made differently had the registered public accounting firm themselves prepared and been responsible for the financial statements?
- o Based on the registered public accounting firm's experience, and their knowledge of us, do our financial statements fairly present to investors, with clarity and completeness, our financial position and performance for the reporting period in accordance with generally accepted accounting principles, and SEC disclosure requirements?
- o Based on the registered public accounting firm's experience, and their knowledge of us, have we implemented internal controls that are appropriate?

29

The audit committee believes that, by thus focusing its discussions with the independent registered public accounting firm, it can promote a meaningful dialogue that provides a basis for its oversight judgments.

The audit committee also discussed with the independent registered public accounting firm other matters required to be discussed by the registered public accounting firm with the audit committee under the standards of Public Company Accounting Oversight Board (United States) (required communication with the audit committee). The audit committee received and discussed with the registered public accounting firm their annual written report on their independence from us and our management, which is made under Independence Standards Board Standard No. 1 (independence discussions with audit committees), and considered with the registered public accounting firm whether the provision of non-audit services is compatible with the registered public accounting firm's independence.

In performing all of these functions, the audit committee acts only in an oversight capacity and, necessarily, in its oversight role, the audit committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm, who, in their report, express an opinion on the conformity of our annual financial statements to generally accepted accounting principles and on the effectiveness of our internal controls over financial reporting as of year end.

In reliance on these reviews and discussions, and the report of the independent registered public accounting firm, the audit committee has recommended to our board of directors, and our board of directors has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

The foregoing report has been furnished by the current members of the audit committee:

PROPOSAL II

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The accounting firm of Deloitte & Touche LLP and its affiliated entities, or D&T, has served as our independent registered public accounting firm since

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

our formation in November 1996. During this time, it has performed accounting and auditing services for us. We expect that representatives of D&T will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of D&T is not ratified, our audit committee will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR 2006.

30

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

In addition to performing the audits of our financial statements and management's assessment of the effectiveness of the internal control over financial reporting, D&T provided audit-related services for us during 2005 and 2004. The aggregate fees billed for 2005 and 2004 for each of the following categories of services are set forth below:

AUDIT FEES: The aggregate fees billed by D&T for audits and reviews of our 2005 financial statements were \$387,800. The aggregate fees anticipated for the audit of the Company's internal control over financial reporting were \$135,000. The aggregate fees billed by D&T for audit and reviews of our 2004 financial statements were \$337,100. The aggregate fees billed by D&T for the audit of the Company's internal control over financial reporting were \$175,000.

AUDIT-RELATED FEES: The aggregate fees billed by D&T for audit-related services during 2005 were \$160,000. The aggregate fees billed by D&T for audit related services during 2004 were \$233,200. The audit-related services in 2004 and 2003 principally included due diligence and accounting consultation relating to our public offerings.

TAX FEES: D&T did not perform tax services for us during 2005 or 2004.

ALL OTHER FEES: D&T did not perform any other kinds of services for us during 2005 and 2004, and we did not pay D&T any additional fees.

The audit committee has also adopted policies and procedures for pre-approving all non-audit work performed by D&T after January 1, 2003. Specifically, the audit committee pre-approved the use of D&T for the following categories of non-audit services: merger and acquisition due diligence and audit services; tax services; internal control reviews; employee benefit plan audits; and reviews and procedures that we request D&T to undertake to provide assurances on matters not required by laws or regulations. In each case, the audit committee also set a specific annual limit on the amount of such services which we would obtain from D&T, and required management to report the specific engagements to the audit committee on a quarterly basis, and also obtain specific pre-approval from the audit committee for any engagement over five percent of the total amount of revenues estimated to be paid by us to D&T during the then current fiscal year. Our audit committee approved the hiring of D&T to provide all of the services detailed above prior to D&T's engagement.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

We believe that, during the fiscal year ended December 31, 2005, all filing requirements under Section 16(a) of the Securities Exchange Act of 1934,

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A
