PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS JUNE 27, 2006

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board of Directors" or "Board") of Atlas Air Worldwide Holdings, Inc., a Delaware corporation ("AAWW"), for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Tuesday, June 27, 2006, at the Omni Berkshire Hotel, 21 East 52nd Street, New York, New York, 10022 at 2:00 p.m., local time, and at any adjournments or postponements of the Annual Meeting. It is expected that this Proxy Statement and the accompanying proxy will first be mailed or delivered to stockholders beginning on or about May 25, 2006. Proxies may be solicited in person, by telephone or by mail, and the costs of such solicitation will be borne by AAWW.

AAWW is a holding company with two principal wholly owned operating subsidiaries—Atlas Air, Inc. ("Atlas") and Polar Air Cargo, Inc. ("Polar"). AAWW was incorporated in Delaware in 2000. AAWW adopted its holding company structure in February 2001, whereby AAWW became the parent holding company of Atlas, which was incorporated in Delaware in 1992. Late in November 2001, AAWW expanded its product line by acquiring Polar.

Except as otherwise noted herein, references in this Proxy Statement to "the Company," "we," "our" and "us" refer to AAWW, Atlas and Polar, along with AAWW's other subsidiaries.

We emerged from bankruptcy on July 27, 2004 pursuant to a Final Modified Second Amended Joint Plan of Reorganization of the Debtors dated July 14, 2004 (the "Plan of Reorganization"), confirmed by the United States Bankruptcy Court for the Southern District of Florida (the "Bankruptcy Court"). On July 27, 2004, all then outstanding shares of AAWW's common stock ("Old Common Stock") were cancelled and extinguished in accordance with the Plan of Reorganization, including equity securities, securities exercisable or convertible into equity securities, debt securities and other instruments or documents evidencing or creating any indebtedness or obligation of or ownership interest in us. Holders of Old Common Stock received no distributions or other consideration. Under our Plan of Reorganization, holders of certain allowed unsecured claims against us received substantial distributions of shares of AAWW's Common Stock, par value \$.01 per share ("Common Stock"). The Plan of Reorganization allocates a total of 17,202,666 shares of our Common Stock, and as of May 1, 2006, 16,185,033 shares, or 94.08%, have been distributed to holders of allowed general unsecured claims against us, with 1,017,633 shares being reserved for future issuance.

ABOUT THE ANNUAL MEETING

At our Annual Meeting, the holders of shares of our Common Stock will act upon the matters outlined in the notice of meeting on the cover page of this Proxy Statement, in addition to transacting such other business, if any, as may properly come before the meeting or any adjournments thereof. The shares represented by your proxy will be voted as indicated on your properly executed proxy. If no directions are given on the proxy, the shares represented by your proxy will be voted:

- FOR the election of director nominees named herein, to serve until the 2007 Annual Meeting or until their successors are elected and qualified (Proposal No.1), unless you specifically withhold authority to vote for one or more of the director nominees.
- FOR approving AAWW's 2006 Annual Incentive Plan for Senior Executives (the "2006 Annual Incentive Plan") in conformance with Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") (Proposal No. 2), unless you designate otherwise.

In addition, if any other matters are properly submitted to a vote of stockholders at the Annual Meeting, the accompanying form of proxy gives the proxy holders the discretionary authority to vote your shares in accordance with their best judgment on that matter. Unless you specify otherwise, it is expected that your shares will be voted on those matters as recommended by our Board of Directors, or if no recommendation is given, in the proxy holders' own discretion.

Record Date and Voting Securities

All of our stockholders of record at the close of business on May 1, 2006 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. As of the Record Date, there were 19,963,046 shares of Common Stock issued and outstanding. Each outstanding share of Common Stock will be entitled to one vote on each matter considered at the Annual Meeting. Stockholders are not entitled to cumulate their votes in the election of directors of AAWW (each, a "Director"). "Additional Information - Limited Voting by Foreign Owners" at the end of this Proxy Statement contains a description of certain restrictions on voting by stockholders who are not "U.S. citizens," as defined by applicable laws and regulations.

Quorum, Abstentions and Broker Non-votes

A majority of the outstanding shares of Common Stock as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the number of shares of Common Stock present, in person and by proxy, at the Annual Meeting does not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares of Common Stock that are voted "FOR," "AGAINST," or "ABSTAIN" are treated as being present at the Annual Meeting for purposes of establishing a quorum. A properly executed proxy marked "ABSTAIN" with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to a particular matter to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on that matter and will not be counted in determining the number of shares necessary for approval. However, if the broker or nominee does not receive voting instructions from you, your broker or nominee will be permitted to vote your shares for the election of directors. To the extent there are shares represented by such "broker non-votes," they will be counted in determining whether there is a quorum present at the Annual Meeting.

Vote Required

Proposal 1: Election of Directors. Each nominee must receive a plurality of the votes cast at the Annual Meeting in order to be elected as a director. This means the director nominee with the most votes for a particular slot is elected for that slot.

Proposal 2: Approval of AAWW's 2006 Annual Incentive Plan in conformance with Section 162(m) of the Code. The affirmative vote of a majority of the shares represented at the Annual Meeting, either in person or by proxy and entitled to vote on this proposal, is required to approve the 2006 Annual Incentive Plan.

Shares Registered in the Name of a Broker

Brokerage firms and banks holding shares in street name for customers are required to vote such shares in the manner directed by their customers. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote and are also invited to attend the meeting. Your broker, bank or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the record holder giving you the right to vote these shares.

Revocability of Proxies

If you hold your shares registered in your name, you may revoke your proxy at any time before its use by delivering to the Secretary of AAWW a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

If your shares are held in street name and you wish to revoke your proxy and vote at the Annual Meeting, you must contact your broker, bank or other nominee and follow the requirements set by your broker, bank or nominee. We cannot guarantee you that you will be able to revoke your proxy or attend and vote at the Annual Meeting.

Proxy Solicitation

This proxy solicitation is being made by our Board, and the cost of soliciting proxies will be borne by us. We expect to reimburse brokerage firms, banks, custodians and other persons representing beneficial owners of shares of Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation material to such beneficial owners. Proxies may be solicited by certain of our directors, officers and other employees, without additional compensation, in person or by telephone, e-mail or facsimile. We have retained Morrow & Co., Inc., 470 West Avenue, Stamford, Connecticut 06902, to assist in the solicitation of proxies and will pay that firm a fee estimated not to exceed \$5,000, plus out-of-pocket expenses.

Proxy Tabulation

Proxies and ballots will be received and tabulated by an independent entity that is not affiliated with us. The inspectors of election will also be independent of us. Comments on written proxy cards will be provided to the Secretary of AAWW without disclosing the vote unless the vote is necessary to understand the comment.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of May 4, 2006, information regarding beneficial ownership of our Common Stock by:

- Each stockholder who is known by us to beneficially own 5% or greater of the Common Stock;

The information is not necessarily indicative of beneficial ownership for any other purpose. Under these rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and any shares as to which the individual or entity has the right to acquire beneficial ownership within 60 days of May 4, 2006, through the exercise of any stock option or other right. Certain Relationships and Related Party Transactions

Our Board includes James S. Gilmore III, an outside Director of AAWW, who is a partner at the law firm of Kelley Drye & Warren LLP, outside counsel to us, and Robert F. Agnew, also an outside Director of AAWW, who is an executive officer of Morten Beyer & Agnew, a consulting firm with which we transacted business in 2005. We paid legal fees to the firm of Kelley Drye & Warren LLP of \$4.5 million for the year ended December 31, 2005, and fees and expenses to Morten Beyer & Agnew of \$0.2 million for the year ended December 31, 2005. At December 31, 2005, we had a payable balance to Kelley Drye & Warren LLP of \$0.2 million, which was included in accrued liabilities on our consolidated balance sheets. Neither Mr. Gilmore nor Mr. Agnew served on our Audit and Governance Committee (now known as the Audit Committee) during 2005.

We dry leased three owned aircraft as of December 31, 2005 to a company in which we own a minority investment. The investment is accounted for under the equity method. The leases have terms that mature at various dates through July 2007 and contain options for renewal by the lessee. The leases provide for payment of rent and a provision for maintenance costs associated with the aircraft. Total rental income for these aircraft was \$44.8 million for the year ended December 31, 2005. Sublease income for the leased aircraft included as a reduction to lease expense was \$0.3 million for the year ended December 31, 2005.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") requires certain of our executive officers, as well as our directors and persons who own more than ten percent (10%) of a registered class of AAWW's equity securities, to file reports of ownership and changes in ownership with the SEC. Based solely on our review of the copies of such forms received by us or written representations from reporting persons, we believe that during the last fiscal year all executive officers and directors complied with their filing requirements under Section 16(a) for all reportable transactions during the year.

Prior to joining the ATA, Ms. Hallett served as senior government relations advisor with Collier, Shannon, Rill & Scott from 1993 to 1995.

Frederick McCorkle, age 61, has been a member of our Board and Compensation Committee since July 28, 2004 and the Chairman of our Nominating and Governance Committee since its establishment on March 23, 2006. General McCorkle retired from the United States Marine Corps in October 2001 after serving since 1967. He last served as Deputy Commandant for Aviation, Headquarters, Marine Corps, Washington, D.C. General McCorkle is currently a Senior Advisor and a member of the board of directors of GKN Aerospace Services. He is also a member of the board of directors of Lord Corporation and Rolls-Royce North America. In addition to his board memberships, General McCorkle serves as a Senior Strategic Advisor for Optical Air Data Systems and the Purdy Corporation. General McCorkle is a graduate of East Tennessee State University and holds a master's degree in Administration from Pepperdine University.

CORPORATE GOVERNANCE, BOARD AND COMMITTEE MATTERS

Our Board held ten in person meetings in 2005. It also held 14 telephonic meetings in 2005, including meetings held principally to discuss monthly financial results. Each Director attended at least 75% of the meetings of the Board and committees of the Board on which such Director serves. Pursuant to Board policy, Directors are expected to attend Board and committee meetings, as well as our annual meeting of stockholders. All of the Directors who were serving at the time of our 2005 annual meeting of stockholders attended the 2005 annual meeting. All of our Board members nominated for re-election are currently expected to attend the Annual Meeting.

In addition to Board and committee meetings, our outside Directors met in executive sessions without management present at various times in 2005. These meetings were chaired by Eugene I. Davis, Chairman of the

Board, Duncan H. Cocroft, Chairman of the Audit Committee (formerly known as the Audit and Governance Committee), or Keith E. Butler, Chairman of the Compensation Committee, as applicable.

Compensation of Outside Directors

As of the date of this Proxy Statement, each of our outside Directors is paid \$50,000 in cash compensation annually, which is payable quarterly in advance, and also receives the following additional cash compensation and has received the following stock compensation, as applicable:

- Each member of the Audit Committee, \$15,000 annually;
- Each member of the Compensation Committee, \$5,000 annually; and
- Each member of the Nominating and Governance Committee, \$5,000 annually.

Chairman Position

Grants of Restricted Common Stock

At and effective as of August 24, 2004, each of our outside Directors at such time received a grant of 5,000 shares of Common Stock, which shares vest in equal increments over three years. At and effective as of November 4, 2004, each of our outside Directors at such time received a grant of 15,000 shares of Common Stock, which shares vest in equal increments over three years. Mr. Kerber, who became a member of our Board on December 21, 2004, received a grant, at and effective March 17, 2005, of 15,000 shares of Common Stock, which shares vest in equal increments over three years. Pursuant to the related restricted share agreements and our 2004 Long Term Incentive and Share Award Plan (the "2004 LTIP"), any shares not yet vested are forfeited upon a termination of a director's service as a member of the Board, subject to certain limitations and exceptions. Each of our outside Directors has all of the rights of a stockholder with respect to the Common Stock described above prior to forfeiture, if any, of such shares, including the right to vote such shares and, to the extent declared, the right to receive dividends on such shares.

Board Committees

Our Board maintains three standing committees, an Audit Committee, Compensation Committee and Nominating and Governance Committee. Prior to March 23, 2006, the Board had maintained an Audit and Governance Committee, Compensation Committee and Nominating Committee. On March 23, 2006, the Board revamped its committee structure by creating a Nominating and Governance Committee to replace the Nominating Committee and by renaming our Audit and Governance Committee the Audit Committee. The main corporate governance functions previously performed by the Audit and Governance Committee have been assumed by the newly-formed Nominating and Governance Committee.

Audit Committee Report

The Audit Committee of the Board of Directors consists of three outside Directors, Mr. Cocroft (Chairman), and Messrs. Davis and Kerber, each of whom is an independent director within the meaning of the applicable rules and regulations of the SEC and the NASDAQ Stock Market, Inc. ("NASDAQ") (see also "Director Independence" below). The Board has determined that Mr. Cocroft, the Chairman of the Audit Committee, is an "audit committee financial expert" as defined under applicable SEC rules. The Audit Committee's primary function, as set forth in its written charter, is to assist the Board in overseeing:

- the integrity of our financial reports and other financial information provided to the public;
- our system of controls;
- our legal, regulatory and ethical compliance; and
- the auditing process.

The Audit Committee is also responsible for appointing and approving in advance all audit and permitted non-audit services and monitoring our Code of Ethics (see also "Code of Ethics" below) and our related party transactions. The Audit Committee held eight in person meetings and seven telephonic meetings in 2005.

During 2005, the Audit and Governance Committee was also responsible for overseeing our Corporate Governance Principles and performing or overseeing an annual review of the Chief Executive Officer, the Board and its committees. As of March 23, 2006, such responsibilities have become assumed by our Nominating and Governance Committee. The revised Audit Committee charter, removing such corporate governance functions previously performed by the Audit and Governance Committee, is available on our website at <http://www.atlasair.com> and is also attached as Appendix A to this Proxy Statement.

Management is responsible for our financial statements and financial reporting process, including our systems of internal controls. Our independent registered public accounting firm, Ernst & Young LLP ("E&Y"), is responsible for performing an independent audit of AAWW's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report relating to their audit. In the 2005 period, the Audit Committee held meetings with E&Y in private without members of management present.

In this context, the Audit Committee (1) reviewed and discussed AAWW's audited consolidated financial statements with management and E&Y; (2) discussed with E&Y the matters required to be discussed under Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications); and (3) received the written disclosures and the letter from E&Y regarding their independence required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). The Audit Committee has also discussed with E&Y the firm's independence from AAWW and its management.

Based upon such reviews and discussions, the Audit Committee recommended, and the Board of Directors approved, that AAWW's audited consolidated financial statements be included in the annual report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the SEC. The Audit Committee also selected E&Y as the independent registered public accounting firm for fiscal year ending December 31, 2006. It is expected that representatives of E&Y will be present at the Annual Meeting to respond to appropriate questions of stockholders and will have the opportunity to make a statement if they desire to do so.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services and other services. The Audit Committee may delegate pre-approval authority to its Chairman, who then reports any decisions to the Audit Committee at the next scheduled meeting. The Audit Committee will meet with management and the independent auditor to review and approve the proposed overall plan and scope of the audit for the current year.

Compensation Committee*Committee Responsibility*

The Compensation Committee of the Board of Directors consists of four outside Directors, Mr. Butler (Chairman) and Messrs. Davis, Kerber and McCorkle, each of whom is an independent director within the meaning of applicable NASDAQ rules.

The Compensation Committee is responsible for reviewing, evaluating and establishing compensation policies for our officers. Each year, the Compensation Committee reviews and approves the total compensation of the Chief Executive Officer and certain other executive officers. The Compensation Committee also monitors the general compensation practices for all of our employees. The Compensation Committee held seven in person meetings and six telephonic meetings in 2005. The current Compensation Committee charter, which was amended in February 2006, is available on our website at <http://www.atlasair.com> and is also attached as Appendix B to this Proxy Statement.

Report of the Compensation Committee*Compensation Philosophy*

The Compensation Committee believes in a philosophy of performance-based compensation, placing a larger proportion of executive officers' compensation [at-risk] as responsibilities and position increase. The fundamental objectives of AAWW's executive compensation policies are to:

- Enhance stockholder value;
- Provide a performance-oriented environment that motivates executive officers to achieve collectively a high level of earnings in the business environment in which we operate;

Edgar Filing: ATLAS AIR WORLDWIDE HOLDINGS INC - Form DEF 14A

- Reward strong individual performance by also linking incentive-based compensation to the performance of each executive officer's annual individual objectives;
- Emphasize performance-based programs versus guaranteed perquisites and fringe benefits; and
- Enhance AAWW's ability to attract and retain top quality management.

AAWW approaches this objective through three key components:

- Base salary;
- Performance-based annual incentive compensation, which may be paid in cash, or a combination of cash and shares of stock; and
- Periodic grants of long-term equity-based compensation, such as stock options and/or restricted stock.

In making compensation decisions with respect to each of these components, the Compensation Committee takes measure of the competitive market for executives by looking at compensation levels provided by comparable companies. Our targeted peer group companies include a list of 16 comparables, of which 56% are involved in transportation or logistics, an additional 25% of which are airlines, and the remaining 19% provide outsourced transportation services.

In fulfilling its responsibilities, the Compensation Committee has the authority to conduct any and all investigations it deems necessary or appropriate, to retain counsel and other consultants, to contact directly the human resources department and other employees and advisors and require them to provide any and all information and advice it deems necessary or appropriate.

The Compensation Committee has retained an independent compensation consultant to assist it in the development and evaluation of compensation policies and determinations of compensation awards. Additionally, the Compensation Committee regularly meets with outside advisors in executive session without management present.

AAWW's policies with respect to each of the three key components identified above, as well as other elements of compensation, are outlined below, followed by a discussion of the specific factors considered in determining key elements of fiscal year 2005 executive compensation. The "Summary Compensation Table" in this Proxy Statement details the salaries and other compensation and long-term compensation awards paid to the Named Executive Officers for 2005.

Compensation Elements

1. Base Salary

Philosophy

Base salary is designed to compensate executives for their responsibility, experience, sustained performance and contribution to AAWW's performance. Minimum base salaries for the executive officers named in the "Summary Compensation Table" below are set by written agreements with those officers. The amounts of any increases over these agreed-upon minimums are determined by the Compensation Committee based on a number of factors, including:

- Nature and responsibilities of the position and, to the extent available, salary norms for persons in comparable positions at comparable companies;
- Expertise of the individual;
- Market competitiveness for the executive's position; and
- Recommendations of the Chief Executive Officer (except in the case of his own compensation).

2005 Actions

In 2005, base salaries were adjusted as consideration for the elimination of car allowances, or as otherwise required by employment agreements. As a result, Mr. Erickson's base salary was increased by \$14,400, Mr. Lane's by \$12,500, Mr. Dietrich's by \$12,000 and Mr. Bradley's by \$12,000.

2. Annual Incentives

Philosophy

In support of the Compensation Committee's belief that a significant portion of an executive's compensation should be performance based, and in large measure relate to the overall performance of AAWW, the

Compensation Committee applies a five-step process administering AAWW's annual incentive plan. The first three steps generally occur during the first quarter of the year, and the last two at the conclusion of the year.

First, the Compensation Committee sets annual Company financial performance goals for purposes of the annual incentive plan, based in part on Company financial goals established by the Board. A performance threshold must be achieved for any annual incentive to be payable. The goal is established at a level determined by the Compensation Committee considering many factors, including the business climate and the Compensation Committee's assessment of AAWW's business plan.

Second, the Compensation Committee calibrates bonus levels above the threshold, taking into account various factors, including management's assessment of the probability of achieving higher levels of financial performance within the fiscal year.

Third, the Compensation Committee sets individual performance goals. Failure to achieve any of these goals allows the Compensation Committee, in its discretion, to reduce the incentive amount determined by AAWW performance and the executive's target opportunity.

Fourth, upon completion of year end results, the Compensation Committee reviews AAWW's actual financial performance against the established goals.

Finally, the Compensation Committee reviews each Named Executive Officer's performance against the goals established for that executive. The Compensation Committee retains the discretion to award bonuses outside the annual incentive plan process where outstanding performance justifies such awards, recognizing that such awards will not satisfy the exclusion from the Code Section 162(m) limitation, discussed under "Million Dollar Cap on Deductibility," below.

2005 Actions

At the beginning of 2005, AAWW adopted Annual Incentive Plans (collectively, the "Annual Incentive Plan") for its officers. The 2005 Annual Incentive Plan for Senior Executives, which covers officers at the Senior Vice President level and above (the "2005 Annual Incentive Plan"), was subsequently approved by AAWW's stockholders.

During the first quarter of 2005, the Compensation Committee established a corporate financial performance goal based on pre-tax profits, which had to be met or exceeded before any payment of the 2005 annual incentive could be made. The Compensation Committee also established individual objectives for each of the officers, failure to meet any of which had the potential to reduce the award otherwise payable as a result of satisfying the corporate financial goal.

Our pre-tax profits exceeded even the maximum incentive under the Annual Incentive Plan, thus allowing the payment of the 2005 annual incentive to be made without being subject to the limitations of Code Section 162(m). Upon review of the individual performance measures established for each Named Executive Officer, the Compensation Committee determined that the overall performance of each such Named Executive Officer, and the outstanding Company performance, supported awarding each of the officers the maximum bonus generated by the achievement of the corporate financial target.

The Compensation Committee did not award any discretionary bonuses outside the Annual Incentive Plan to any Named Executive Officers.

3. Long-term Incentives

Philosophy

The Compensation Committee believes that a significant portion of an executive's total compensation should be equity based, as this provides the best linkage between the executive's compensation and the return to stockholders. In furtherance of this philosophy, the Board adopted Stock Ownership Guidelines (the "Guidelines") for all officer level executives, including the Chief Executive Officer, Executive Vice Presidents, Senior Vice Presidents and Vice Presidents. The Guidelines encourage executives to accumulate and retain over a

three-to-five year period a percentage of the shares they have been awarded. The recommended amount of retained shares

increases under the Guidelines with the level of the executive's position. For example, the Chief Executive Officer is expected to own shares with a value equal to the lesser of four times his annual base salary or 50,000 shares.

2005 Actions

Since the Company's emergence from bankruptcy in 2004, grants of equity have been determined in large measure by the Plan of Reorganization. Pursuant to the Plan of Reorganization, 10% of AAWW's 22,772,559 shares to be issued pursuant to the Plan of Reorganization (the "10% Management Share Pool") were to be allocated to management under a long-term management incentive plan. The Plan of Reorganization provided that one-half of the 10% Management Share Pool be allocated to approximately 66 key management employees, and that one-half of this particular allocation be in the form of stock options and the other one-half in the form of restricted stock. This grant was made as of August 11, 2004, and totaled approximately 1.0 million shares.

The Plan of Reorganization further required 30% of the 10% Management Share Pool be awarded within six months of the Company's emergence from bankruptcy. For the purpose of this allocation, the eligible pool of employees was expanded by the Compensation Committee to approximately 115 employees. This grant was briefly delayed, but was made as of March 22, 2005, with an appropriate adjustment to the vesting provisions to neutralize the impact of the delayed grant. The grant consisted of approximately 0.4 million shares, almost exclusively in the form of stock options. In addition, a portion of this pool was utilized for the approximately 0.2 million shares of restricted stock granted to members of the Board as authorized under the 10% Management Share Pool, which are reflected in the "Beneficial Ownership Table" above. No further equity grants were made to executive officers during 2005, other than Mr. Barna, who joined us in April 2005, and such grant is reflected in the "Summary Compensation Table" below. Having allocated shares as compensation for management and members of the Board as described above, there remains approximately three percent to be allocated in future years.

4. Executive Benefits

Philosophy

The Compensation Committee believes that other than standard benefits, such as health insurance, uniform severance benefits commensurate with position, medical insurance, annual physical and 401(k) plan participation, perquisites should be limited to unusual circumstances.

2005 Actions

Upon the Company's emergence from bankruptcy, there were a number of employment agreements in place for executives, including and going beyond the ranks of the named executives. All the contracts had been approved by the Bankruptcy Court. Each provided certain non-cash perquisites in addition to cash compensation and fixed bonus targets that were not tied to specific Company performance. In 2005, the Compensation Committee, with each executive's consent, eliminated most of the employment agreements and revised others, reducing all but Mr. Erickson's severance commitment and discontinuing policies that allowed certain of the perquisites, including certain travel subsidies, mortgage subsidies and automobile allowances.

2005 Chief Executive Officer Compensation

Mr. Erickson's total compensation is comprised of the same elements as other executive officers. In accordance with his employment agreement, dated March 8, 2004, Mr. Erickson's annual base salary for the first quarter of 2005 was \$510,000. Effective April 1, 2005, it was increased to \$524,400, in consideration of the elimination of an automobile allowance. Mr. Erickson also received a one-time cash payment of \$20,000 in consideration of the elimination of a tax gross-up he was previously provided in connection with his automobile allowance. Based on strong Company pre-tax performance, Mr. Erickson earned the maximum incentive amount under the 2005 Annual Incentive Plan, \$524,000.

As part of the equity grant mandated by the Bankruptcy Court, Mr. Erickson received 52,000 stock options in 2005, to vest in equal installments over three years.

Other compensation paid to Mr. Erickson in 2005 consisted of AAWW's matching contributions under AAWW's 401(k) plan available to all employees.

On January 29, 2006, AAWW and Mr. Erickson entered into a Retirement and General Release Agreement (the "Retirement Agreement"), establishing Mr. Erickson's retirement effective no later than six months from January 29, 2005 (the "Retirement Date"). In recognition of his contribution and leadership through bankruptcy, emergence from bankruptcy, and our most successful year, Mr. Erickson will receive retirement payments based on his base annual salary for a period of 18 months, commencing six months after the Retirement Date, and a lump sum payment of \$524,400 payable on the Retirement Date. Additionally, AAWW will provide Mr. Erickson with his continued medical, dental and vision coverage during the 24 month period following the Retirement Date, provided that such benefits will not be continued if Mr. Erickson obtains comparable coverage in connection with subsequent employment. Mr. Erickson was to be reimbursed for his attorney's fees, up to a maximum of \$30,000, incurred in connection with his retirement and negotiation of the Retirement Agreement, among other things.

Mr. Erickson may also be eligible to receive a success fee with respect to certain corporate transactions which may be initiated during his tenure as Chief Executive Officer and which are consummated within one year of the Retirement Date; *provided, however*, that no more than two transactions may qualify for such payment, and those transactions shall be as agreed upon in advance between Mr. Erickson and our Board.

On the Retirement Date, 58,733 restricted shares of Common Stock granted to Mr. Erickson, which have not previously vested and are scheduled to vest on July 27, 2006, will be immediately vested. Further, on such date, 42,233 options (at an exercise price of \$16.70) which have not previously vested and would otherwise not vest until July 27, 2006 will be immediately vested. Additionally, 17,333 options (at an exercise price of \$27.50) which have not previously vested and would otherwise not vest until January 23, 2007 will be immediately vested. These options and all previously vested options may be exercised up to the later of 90 days after the Retirement Date and December 31, 2006. Also, Mr. Erickson will be entitled to receive a bonus for 2006 equal to 50% of his base salary, without regard to whether he remains employed through the payment date, which shall be payable on the same date that bonuses for other executives are paid under the 2006 Annual Incentive Plan, but in any event not later than March 14, 2007.

Million Dollar Cap on Deductibility

Section 162(m) of the Code limits the U.S. federal income tax deductibility of certain annual compensation payments in excess of \$1 million to a company's chief executive officer or to any of its four other most highly compensated executive officers. Compensation which can be characterized as "performance based" can generally be excluded from this cap. It is the objective of the Compensation Committee to administer compensation plans in compliance with the provisions of Section 162(m) where feasible (including the 2006 Annual Incentive Plan) and where consistent with our compensation philosophy as stated above, in order to maximize AAWW's ability to deduct compensation paid to its executive officers. Because the restricted stock granted on emergence from bankruptcy, part of which vested during 2005, cannot be considered performance based and therefore will be subject to the \$1 million deductibility cap, the application of the cap will limit the deductibility of a portion of the compensation paid to certain executive officers in 2005. Notwithstanding the above, the Compensation Committee retains the discretion to award bonuses for outstanding performance which do not satisfy the technical requirements to be considered "performance based" and would not therefore be excluded from the \$1 million deductibility cap.

Compensation Committee Interlocks and Insider Participation

No member of our Compensation Committee serves as a member of the board of directors or compensation committee of any entity that has one or more our executive officers serving as members of our Board or our Compensation Committee.

Nominating and Governance Committee

General

The Nominating and Governance Committee was formed on March 23, 2006 and replaced our Nominating Committee, which had been established on September 19, 2005. Our Nominating and Governance Committee consists of Mr. McCorkle (Chairman) and Messrs. Agnew, Butler, Davis and Gilmore, each of whom is an independent director within the meaning of applicable NASDAQ rules. The principal functions of the Nominating and Governance Committee are to:

- identify and approve individuals qualified to serve as members of our Board;
- select director nominees for the next annual meeting of stockholders;
- review at least annually the independence of our Board members;
- oversee our Corporate Governance Principles; and
- perform or oversee an annual review of the Chief Executive Officer, the Board and its committees.

The predecessor Nominating Committee, which was established following the annual meeting of stockholders in 2005, did not meet in 2005. The Nominating and Governance Committee has held three in person meetings and three telephonic meetings from its inception to the date of this Proxy Statement.

Director Qualifications

Our Nominating and Governance Committee is responsible for reviewing and developing the Board's criteria for evaluating and selecting new directors based on our needs from time to time. Pursuant to the skills and characteristics as described in the Nominating and Governance Committee charter, members of the Board should possess core competencies in accounting, finance and disclosure, business judgment, management, crisis response, industry knowledge, international markets, leadership and strategy and vision. The Nominating and Governance Committee will also consider, in addition to whether such individuals have the aforementioned skills and characteristics, whether such individuals are independent, as defined in applicable rules and regulations of the SEC and NASDAQ. While our Common Stock currently trades on the Pink Sheets, we are following the NASDAQ independence rules as best practices. The Board will nominate new directors only from candidates identified, screened and approved by the Nominating and Governance Committee. The Board will take into account the nature of and time involved in a director's service on other boards in evaluating the suitability of individual directors and making its recommendation to AAWW's stockholders. Service on boards of other organizations must be consistent with our conflict of interest policies applicable to directors and other legal requirements. The Nominating and Governance Committee identifies new director candidates from a variety of sources.

Evaluation of Stockholder Nominees

Our Nominating and Governance Committee will consider stockholder recommendations for candidates to serve on the Board, provided that such recommendations are made in accordance with the procedures required under our By-laws and as described in this Proxy Statement under "Advance Notice Procedures" below. The Nominating and Governance Committee has also recently adopted a policy on security holder recommendations of director nominees (the "Stockholder Nominating Policy"), which is subject to a periodic review by the Nominating and Governance Committee. Among other things, the Stockholder Nominating Policy provides that a stockholder recommendation notice must include the stockholder's name, address and the number of shares beneficially owned, as well as the period of time such shares have been held, and should be submitted to: Attention: Secretary, Atlas Air Worldwide Holdings, Inc., 2000 Westchester Avenue, Purchase, New York 10577. A copy of our current Stockholder Nominating Policy is available on our website at <http://www.atlasair.com>. In evaluating such nominees, the Board and the Nominating and Governance Committee seek to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth above under "Director Qualifications." One of the individuals nominated by our Board for election at the Annual Meeting, Timothy J. Bernlohr, was recommended by one of our stockholders.

Corporate Governance Principles

We have adopted Corporate Governance Principles, believing that sound corporate governance practices provide an important framework to assist the Board in fulfilling its responsibilities. The business and affairs of AAWW are managed under the direction of our Board, which has responsibility for establishing broad corporate policies, setting strategic direction and overseeing management. An informed, independent and involved Board is essential for ensuring our integrity, transparency and long-term strength, and maximizing stockholder value. The Corporate Governance Principles address such topics as codes of conduct, director nominations and qualifications, Board committees, director compensation, conflicts and waivers of compliance, powers and responsibilities of the Board, Board independence, serving on other boards and committees, meetings, director access to officers and employees, stockholder communications with the Board, annual Board evaluations, financial statements and disclosure matters, delegation of power and oversight and independent advisors. A copy of our Corporate Governance Principles is available on our website at <http://www.atlasair.com>.

Code of Ethics Applicable to the Chief Executive Officer, Senior Financial Officers and Members of the Board of Directors

We have a long standing commitment to conduct our business in accordance with the highest ethical principles. We have adopted a code of conduct that applies to all of our employees (discussed below), along with a Code of Ethics applicable to our Chief Executive Officer, Senior Financial Officers, and members of the Board of Directors (the "Code of Ethics"). The Code of Ethics is monitored by our Audit Committee, and includes certain provisions regarding disclosure of violations and waivers of, and amendments to, the Code of Ethics by covered parties. The Code of Ethics was filed as Exhibit 14.1 to AAWW's Current Report on Form 8-K dated June 23, 2005. Any person who wishes to obtain a copy of our Code of Ethics may do so by writing to Atlas Air Worldwide Holdings, Inc., Attn: Secretary, 2000 Westchester Avenue, Purchase, NY 10577. A copy of the Code of Ethics is available on our website at <http://www.atlasair.com>.

Code of Conduct and Employee Handbook

We have adopted a Code of Conduct and Employee Handbook, which includes a code of conduct for conducting business that sets forth the policies and business practices that apply to all of our employees and Directors. The Code of Conduct and Employee Handbook addresses such topics as compliance with laws, moral and ethical conduct, equal employment opportunity, promoting a work environment free from harassment or discrimination and the protection of intellectual property and proprietary information, among other things.

Director Independence

Our Nominating and Governance Committee charter contains categorical standards adopted by the Nominating and Governance Committee to determine director independence within the meaning of the Marketplace Rules of NASDAQ. A copy of our Nominating and Governance Committee charter is available on our website at <http://www.atlasair.com>.

Pursuant to the Nominating and Governance Committee charter, our Nominating and Governance Committee undertook its annual review of Director independence in May 2006. During this review, the

Nominating and Governance Committee considered such categorical standards, including whether there were any transactions or relationships between each Director (and our Director nominees) or any member of his or her immediate family and the Company, among other things. The Nominating and Governance Committee, as further required by NASDAQ rules, which we have elected to follow, made a subjective determination as to each outside Director, as well as our three Director nominees, that no relationship exists which, in the opinion of the Board, would interfere with such individual's exercise of independent judgment in carrying out his or her responsibilities as a Director. As part such determination, the Nominating and Governance Committee, among other things, examined whether there were any transactions or relationships between an organization of which a Director or Director nominee is a partner, stockholder or officer and the Company. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that a Director is independent.

As a result of this review, the Nominating and Governance Committee affirmatively determined that the following Directors nominated for election at the Annual Meeting are independent directors: Messrs. Agnew,

Bernlohr, Butler, Davis, Gilmore and McCorkle and Ms. Hallett. Mr. Erickson is not an independent Director because he is employed by us. Mr. Flynn will not be an independent Director because he will be employed by us.

Executive Sessions

The outside members of the Board, as well as its respective committees, meet in executive session (with no management directors or management present) on a regular basis and upon the request of one or more outside directors, and at least two times a year. The sessions are generally scheduled and chaired by the Chairman of the Board or by the respective committee chairman, as applicable. The executive sessions include whatever topics the outside directors deem appropriate.

Communications with the Board

Stockholders and other interested parties who wish to communicate with the Board may do so by writing to our Chairman, c/o Atlas Air Worldwide Holdings, Inc., 2000 Westchester Avenue, Purchase, New York 10577. All communications received by Board members from third parties that relate to matters within the scope of the Board's responsibilities will be forwarded to the Chairman of the Board. All communications received by Board members from third parties that relate to matters within the responsibility of one of the Board committees will be forwarded to the Chairman of the appropriate committee, as well as to the Chairman of the Board. All communications received by Board members from third parties that relate to ordinary business matters that are not within the scope of the Board's responsibilities are forwarded to AAWW's General Counsel.

Employment and Other Agreements

Jeffrey H. Erickson. Mr. Erickson's employment agreement, which was amended and restated effective April, 2005, was initially entered into on September 1, 2002 and amended as of March 8, 2004 (the "Employment Agreement"), with an initial term of four years with automatic one-year renewals unless written notice was given by either party at least three months prior to such renewal. Under the terms of the March 2004 amendment to the Employment Agreement, Mr. Erickson was eligible to receive (i) an annual incentive bonus at a target of 50% of his base salary based on our financial and Mr. Erickson's individual performance for each calendar year during

his employment, (ii) an annual automobile allowance on a tax grossed-up basis for either a company automobile or a purchased automobile, in either case valued at up to \$40,000, (iii) commuting benefits, (iv) options to purchase 37,500 shares of AAWW Common Stock at an exercise price of \$2.85 per share, vesting ratably over the four year employment period, (v) other customary benefits available to AAWW's management employees and (vi) in the event of termination of the agreement by Atlas for reasons other than Cause (as defined in the Employment Agreement) or by Mr. Erickson for Good Reason (as defined in Employment Agreement), his then-base salary for a period of 18 months. The agreement also contained customary non-competition provisions.

Effective April 1, 2005, Mr. Erickson's Employment Agreement was amended and restated to provide that (i) in lieu of a four-year term, the employment period would run until termination by either party upon notice as described above or in accordance with other terms of the agreement, (ii) Mr. Erickson's base salary was increased to \$524,400, in consideration for the elimination of the automobile allowance described above, (iii) Mr. Erickson would be eligible to participate in AAWW's Annual Incentive Plan, an employee benefit plan to be developed by the Compensation Committee upon substantially the same terms and in lieu of the annual incentive bonus described above, (iv) the automobile allowance referred to in (ii) above was eliminated and in lieu of the tax gross-up related to such automobile allowance, Mr. Erickson will receive a one-time cash payment of \$20,000 and (v) the commuting benefits described above were discontinued. Mr. Erickson's stock options, which were granted in 2003, had previously been cancelled as a result of our emergence from bankruptcy and the cancellation of our Old Common Stock.

As noted in the "Report of the Compensation Committee" above, Mr. Erickson's Employment Agreement was terminated pursuant to a Retirement and General Release Agreement (the "Retirement Agreement") dated January 29, 2006, subject to the survival of certain provisions of the Employment Agreement. Mr. Erickson's retirement will become effective no later than six months from the date of the Retirement Agreement (the "Retirement Date"). Under the terms of the Retirement Agreement and in lieu of certain benefits Mr. Erickson would receive under the Employment Agreement, Mr. Erickson will have the right to receive retirement payments based on his base annual salary for a period of 18 months, commencing six months after the Retirement Date and a lump sum payment of \$524,400 payable on the Retirement Date. Additionally, we will provide Mr. Erickson with his continued medical, dental and vision coverage during the 24 month period following the Retirement Date, provided that such benefits will not be continued if Mr. Erickson obtains comparable coverage in connection with subsequent employment. Mr. Erickson will be reimbursed for his attorney's fees, up to a maximum of \$30,000 incurred in connection with his retirement and negotiation of the Retirement Agreement, among other things. Mr. Erickson may also be eligible to receive a success fee with respect to future transactions which may be initiated during his tenure as Chief Executive Officer and which are consummated within one year of the Retirement Date; *provided, however*, that no more than two transactions may qualify for such payment, and those transactions shall be as agreed upon in advance between Mr. Erickson and the Board.

On the Retirement Date, 58,733 restricted shares of Common Stock granted to Mr. Erickson, which have not previously vested and are scheduled to vest on July 27, 2006, will be immediately vested. Further, on such date, 42,233 options (at an exercise price of \$16.70) which have not previously vested and would otherwise not vest until July 27, 2006 will be immediately vested. Additionally, 17,333 options (at an exercise price of \$27.50) which have not previously vested and would otherwise not vest until January 23, 2007 will be immediately vested. These options and all previously vested options may be exercised up to the later of 90 days after the Retirement Date and December 31, 2006. Also, Mr. Erickson will be entitled to receive a bonus for 2006 equal to 50% of his base salary, without regard to whether he remains employed through the payment date, which shall be payable on the same date that bonuses for other executives are paid under the 2006 Annual Incentive Plan, but in any event not later than March 14, 2007.

Ronald A. Lane. Mr. Lane's employment agreement was entered into effective May 1, 2003. It was amended as of January 24, 2004 and April 20, 2004, respectively. His base salary as of the original agreement date was \$300,000 and it provided that the salary would be reviewed from time to time, with a guarantee that the salary would be at least \$350,000 as of May 1, 2005. The agreement had an initial term extending until May 1, 2008, with automatic one-year renewals unless written notice was given by either party at least three months prior to such renewal. Under the amended agreement, Mr. Lane is eligible to receive (i) an annual incentive bonus at a target of 50% of his base salary based on our financial and Mr. Lane's individual performance for each calendar year during his employment, (ii) an automobile allowance of \$700 per month, (iii) other customary benefits available

to our management employees and (iv) in the event of termination of the agreement by Atlas for reasons other than Cause (as defined in the agreement) or by Mr. Lane for Good Reason (as defined in the agreement), a lump sum payment equal to 18 months of his then-base salary.

John W. Dietrich. Mr. Dietrich's employment agreement, which was amended effective April 1, 2005, had been entered into on March 19, 2003 and amended as of August 1, 2003 and January 29, 2004, respectively, with an initial term of three years with automatic one-year renewals unless written notice was given by us at least three months prior to such renewal or by Mr. Dietrich prior to such renewal. Mr. Dietrich's initial title was Vice President of Legal and Acting General Counsel of Atlas and AAWW. He was subsequently named (x) Vice President of Legal and General Counsel of AAWW, Atlas and Polar on March 19, 2003 and (y) Senior Vice President, General Counsel and Chief Human Resources Officer of AAWW, Atlas and Polar on May 15, 2003. Under the agreement, Mr. Dietrich was eligible to receive (i) an annual incentive bonus at a target of 50% of his base salary based on our financial and Mr. Dietrich's individual performance for each calendar year during his employment, (ii) an automobile allowance on a tax grossed-up basis for either a company automobile or a leased automobile, valued at an amount similar to that of other AAWW officers, (iii) other customary benefits available to our management employees and (iv) in the event of termination of the agreement by Atlas for reasons other than Cause (as defined in the agreement) or by Mr. Dietrich for Good Reason (as defined in the agreement), a lump sum payment equal to 18 months of his then-base salary.

Effective April 1, 2005, Mr. Dietrich's employment agreement was amended and restated to provide that (i) in lieu of a three-year term, the employment period would run from March 19, 2003 until termination by either party upon notice as described above or in accordance with other terms of the agreement, (ii) Mr. Dietrich's base salary was increased to \$292,000, in consideration for the elimination of the automobile allowance described above, (iii) Mr. Dietrich would be eligible to participate in the Annual Incentive Plan, upon substantially the same terms and in lieu of the annual incentive bonus described above, (iv) the automobile allowance referred to in (ii) above was eliminated and in lieu of the tax gross-up related to such automobile allowance, Mr. Dietrich will receive a one-time cash payment of \$19,000, and (v) the lump sum payable in the event of termination of the agreement by Atlas for reasons other than Cause (as defined in the agreement) or by Mr. Dietrich for Good Reason (as defined in the agreement) was reduced to 12 months of his then-base salary and in consideration of such reduction, Mr. Dietrich will receive a one-time cash payment of \$119,000.

Michael L. Barna. Effective April 11, 2005, we entered into a term sheet with Mr. Barna governing the terms of his employment, which term sheet does not contain a fixed term of employment. His base salary is \$300,000, subject to annual review, and he is entitled to receive (i) an annual incentive bonus at a target of 50% of his base salary based on our financial and Mr. Barna's individual performance for each fiscal year during his employment, which we agreed not to pro rate for fiscal year 2005, (ii) other customary benefits available to our management employees and (iii) in the event of termination of Mr. Barna by Atlas for reasons other than Cause (as defined in the term sheet) or pursuant to a Change of Control (as defined in the agreement), a payment equal to 12 months of his then-base salary paid in accordance with our normal payroll schedule.

William C. Bradley. Effective April 1, 2005, we entered into a letter agreement with Mr. Bradley, which terminated and replaced his previous employment agreement with Atlas entered into on July 8, 2002. The letter agreement does not specify a fixed term of employment. The letter agreement provides that Mr. Bradley is entitled to the benefits generally provided to Vice Presidents under our Benefit Program for Vice Presidents, which includes the right to receive severance payments in the event of Mr. Bradley's termination without Cause (as defined in that agreement) in an amount equal to nine months of his then-base salary, payable on our regular payroll schedule, and participation in AAWW's standard health benefit, 401(k) and vacation programs. In addition, under the letter agreement, Mr. Bradley's base salary was increased to \$252,000, in consideration of the elimination of his automobile allowance, and he is entitled to receive (i) a one-time cash payment of \$19,000 in consideration of the elimination of the tax gross-up provided to him in connection with his automobile allowance, (ii) a one-time cash payment of \$150,000 in consideration of the reduction in his severance eligibility from eighteen months to 9 months and (iii) a severance payment payable in the event he chooses to terminate his employment for Good Reason (as defined in the letter agreement) in an amount equal to 9 months of his then-base salary, payable on our regular payroll schedule.

PROPOSAL 2

**APPROVAL OF
ATLAS AIR WORLDWIDE HOLDINGS, INC.
2006 ANNUAL INCENTIVE PLAN FOR SENIOR EXECUTIVES
IN CONFORMANCE WITH
SECTION 162(m) OF THE INTERNAL REVENUE CODE**

General

We are asking stockholders to approve the 2006 Annual Incentive Plan. The 2005 Annual Incentive Plan, which was approved by stockholders at last year's annual meeting, expired on December 31, 2005 in accordance with its terms, and no further awards will be made under the 2005 Annual Incentive Plan. The 2006 Annual Incentive Plan replaces the 2005 Annual Incentive Plan and provides, among other things, for the payment of incentive awards primarily in the form of cash and contains provisions that protect the Company's ability to take a tax deduction for performance-based awards made under the 2006 Annual Incentive Plan, or under the Company's 2004 LTIP, in conformance with Section 162(m) of the Code and related regulations, in case certain executive officers who are awardees individually have more than \$1 million of compensation in any one year.

Section 162(m) of the Code limits the deductibility of certain compensation in excess of \$1 million per year paid to "covered employees," defined as the Company's Chief Executive Officer and its other four most highly-compensated executive officers. In accordance with Section 162(m) of the Code, if the 2006 Annual Incentive Plan is not approved, no awards would be made to the individuals listed in the preceding sentence. The 2006 Annual Incentive Plan is intended to address the limitation on deductibility by providing for compensation that qualifies as "performance-based compensation," which is not subject to the limitation.

Compensation paid under the 2006 Annual Incentive Plan, or under the 2004 LTIP as authorized by the 2006 Annual Incentive Plan, will qualify as "performance-based compensation" within the meaning of Section 162(m) if:

- it is payable on account of the attainment of the pre-established, objective performance goals and subject to the limitations on award amounts as set forth within the 2006 Annual Incentive Plan;
- the Compensation Committee of the Board, which is comprised solely of non-employee directors, approves the maximum individual awards at or near the beginning of each performance period;
- the 2006 Annual Incentive Plan, which sets forth the material terms of the compensation and the various performance goals, is disclosed to and approved by stockholders before payment; and
- the Compensation Committee certifies that the performance goals have been satisfied before payment.

The Board believes that you should approve the new 2006 Annual Incentive Plan because it encourages eligible participants to increase their efforts to help make us more successful and to remain in our employ by providing them the opportunity to earn incentive payments upon the achievement of established performance goals.

Summary of the 2006 Annual Incentive Plan

The following paragraphs provide a summary of the principal features of the 2006 Annual Incentive Plan. This summary does not purport to be complete and is subject to, and qualified in its entirety by, the provisions of the 2006 Annual Incentive Plan, which is set forth in [Appendix C](#) to this Proxy Statement.

Eligibility

The 2006 Annual Incentive Plan's participants include the Chief Executive Officer, President, Executive Vice Presidents and Senior Vice Presidents of the Company (currently five persons). All eligible employees will be eligible to participate in the 2006 Annual Incentive Plan if they are employed as eligible employees as of the first day of the plan year. An individual who becomes an eligible employee during a plan year will participate immediately, but only with respect to base salary earned on and after the date he or she first becomes an eligible employee, except as the Compensation Committee may determine in its sole discretion to allow exceptions (e.g., the consideration of base salary on an annualized basis).

Administration

The 2006 Annual Incentive Plan will be administered by the Compensation Committee.

Determination of Awards

For each plan year, each participant will be entitled to receive a cash payment under the 2006 Annual Incentive Plan based upon the Company's achievement of its financial goal. The Company meeting its financial goal is a prerequisite to any payment being made under the 2006 Annual Incentive Plan. The financial goal shall be established each year by the Compensation Committee and shall relate to one or more of the following performance measures:

- a) Net earnings, net income or profits (before or after taxes);
- b) Earnings per share (basic or diluted);
- c) Net sales or revenue growth;
- d) Net operating profit;
- e) Return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue);
- f) Cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);
- g) Earnings before or after taxes, interest, depreciation, amortization and/or rent;
- h) Gross or operating margins;
- i) Productivity ratios;
- j) Share price (including, but not limited to, growth measures and total shareholder return);
- k) Expense targets;
- l) Margins;
- m) Operating efficiency;
- n) Market share;
- o) Working capital targets; and
- p) Cost reduction targets.

The Compensation Committee may, in its sole discretion, reduce the award otherwise payable to a participant as a result of the Company's achievement of the established financial goal to reflect the participant's individual performance, which will be measured against pre-determined objectives approved by the Compensation Committee, or to reflect other performance goals established by the Compensation Committee.

Participants other than the Chief Executive Officer have a maximum bonus opportunity of 100% of annual base salary earned in the plan year. For the Chief Executive Officer the maximum bonus opportunity is 160% of base

annual salary earned in the plan year.

The 2006 Annual Incentive Plan also allows awards of performance based restricted stock or stock options to be made under the 2004 LTIP, which was created pursuant to the Plan of Reorganization and confirmed by the Bankruptcy Court upon our emergence from bankruptcy. The maximum number of shares of restricted stock, which may be awarded to an employee in any single year under the 2004 LTIP as performance shares contemplated by the 2006 Annual Incentive Plan is 50,000. The maximum number of stock options which may be awarded to an employee in any single year under the 2004 LTIP as a performance based award contemplated by the 2006 Annual Incentive Plan is 100,000.

Payment of Awards

Any award payable in respect of a plan year will be paid by the Company within two weeks following the completion of the year-end audit by our independent accountants for the applicable plan year. All amounts payable for an award under the 2006 Annual Incentive Plan will be paid in cash or the Company's stock as determined by our Compensation Committee, but the Company's stock may be used, if at all, only for the portion of an award that exceeds fifty percent (50%) of a participant's base salary.

Amendment and Termination

The Compensation Committee has the right to amend or terminate the 2006 Annual Incentive Plan. In addition, in any plan year for which the Board determines in good faith that exigent circumstances exist which could have a material adverse impact on us if awards were paid, the Board will have the authority, in its absolute and sole discretion, to determine that (i) no awards will be paid for that plan year; (ii) awards for that plan year will be reduced; (iii) payment of awards for that plan year will be deferred for possible payment at a future date; or (iv) other adjustments will be made to the awards otherwise payable for that plan year.

New Plan Benefits

The actual amount of compensation to be paid to participants under the 2006 Annual Incentive Plan is not determinable in advance because, among other things, specific performance criteria and targets will be selected each year by the Compensation Committee, and it is substantially uncertain what levels of performance will be realized against such criteria and targets. Awards paid in prior years were made either pursuant to the 2005 Annual Incentive Plan or pursuant to a bonus and incentive plan that was cancelled under the Plan of Reorganization and are not necessarily indicative of awards that the Company may make in the future. Any award so paid to our senior executives over the last three years is reflected in the "Bonus" column of the Summary Compensation Table appearing above.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE 2006 ANNUAL INCENTIVE PLAN IN CONFORMANCE WITH SECTION 162(m) OF THE CODE.

COMPARATIVE PERFORMANCE GRAPH

The following graph compares the performance of our Common Stock to the Standard & Poor's 500 Stock Index and the AMEX Airlines Index for the period beginning July 28, 2004, the date of our emergence from bankruptcy, and ending on March 31, 2006. The comparison assumes \$100 invested in each of our Common Stock, the Standard & Poor's 500 Stock Index and the AMEX Airline Index and reinvestment of all dividends.

ADDITIONAL INFORMATION

Separate Voting Materials

Some banks, brokers and other record holders have begun the practice of "householding" proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure would reduce the volume of duplicate information stockholders receive and would also reduce a company's printing and mailing costs. We will promptly deliver an additional copy of either document to any stockholder who writes or calls us at the following address or phone number: the Secretary, Atlas Air Worldwide Holdings, Inc., 2000 Westchester Avenue, Purchase, New York, 10577, (914) 701-8000.

List of Stockholders

At the Annual Meeting and for 10 days prior to the meeting, the names of stockholders entitled to vote at the Annual Meeting will be available for inspection at for any purpose germane to the meeting, between the hours of 9 a.m. and 5 p.m., at our principal executive offices at 2000 Westchester Avenue Purchase, New York 10577, by contacting the Secretary of AAWW.

Limited Voting by Foreign Owners

To comply with restrictions imposed by federal aviation law on foreign ownership of U.S. airlines, our Certificate of Incorporation and By-laws restrict foreign ownership of shares of our Common Stock. The restrictions

imposed by federal aviation law (49 U.S.C. §41102) currently include a requirement that no more than 25% of our voting stock be owned or controlled, directly or indirectly, by persons who are not "Citizens of the United States." There is a separate requirement that we be under the actual control of Citizens of the United States.

Pursuant to our By-laws, there is a separate stock record, designated the "Foreign Stock Record" for the registration of Voting Stock that is Beneficially Owned by aliens. "Voting Stock" means all outstanding shares of our capital stock that we may issue from time to time which, by their terms, may vote. "Beneficially Owned" refers to owners of our securities who, directly or indirectly, have or share voting power and/or investment power.

At no time will ownership of our shares of Common Stock representing more than the Maximum Percentage be registered in the Foreign Stock Record. "Maximum Percentage" refers to the maximum percentage of voting power of Voting Stock which may be voted by, or at the direction of, aliens without violating applicable statutory, regulatory or interpretative restrictions or adversely affecting our, Atlas's or Polar's operating certificates or authorities. If we find that the combined voting power of Voting Stock then registered in the Foreign Stock Record exceeds the Maximum Percentage, the registration of such shares will be removed from the Foreign Stock Record sufficient to reduce the combined voting power of the shares so registered to an amount not in excess of the Maximum Percentage.

The enclosed proxy card contains a certification that by signing the proxy card the stockholder certifies that such stockholder is a "Citizen of the United States" as defined by 49 U.S.C. §40102(a)(15) or that the shares represented by the proxy card have been registered on our Foreign Stock Record.

We will promptly deliver a copy of our By-laws to any stockholder who writes or calls us at the following address or phone number: Attention: the Secretary, Atlas Air Worldwide Holdings, Inc., 2000 Westchester Avenue, Purchase, New York, 10577, (914) 701-8000.

Extent of Incorporation by Reference of Certain Materials

The Audit Committee Report, the Compensation Committee Report on Executive Compensation and the Comparative Performance Graph included in this Proxy Statement do not constitute soliciting materials and should not be deemed filed or incorporated by reference into any other filing made by us under or subject to Regulation 14A or 14C (other than Item 7 to Regulation 14A), or to the liabilities of Section 18 of the Exchange Act, except to the extent we specifically incorporate such report or performance graph by reference therein.

OTHER MATTERS

As of the date of this Proxy Statement, we know of no business that will be presented for consideration at the Annual Meeting other than the election of directors and the approval of the 2006 Annual Incentive Plan, as referred to above. If any other matter is properly brought before the Annual Meeting for action by stockholders, all proxies (in the enclosed form) returned to us will be voted in accordance with the recommendation of the Board of Directors or, in the absence of such a recommendation, in accordance with the judgment of the proxy holder.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY AND THAT YOUR SHARES BE REPRESENTED. STOCKHOLDERS ARE URGED TO FILL IN, SIGN AND PROMPTLY RETURN THE ACCOMPANYING FORM OF PROXY IN THE ENCLOSED ENVELOPE.
