**SUMMARY**

This summary may not contain all of the information that may be important to you. You should read this entire prospectus supplement and the accompanying prospectus, as well as the documents incorporated in the accompanying prospectus, before making an investment decision.

**The Cleveland Electric Illuminating Company**

We are a wholly owned electric utility operating subsidiary of FirstEnergy Corp., or FirstEnergy. We conduct business in northeastern Ohio, providing regulated electric distribution services. We also provide generation services to those customers electing to retain us as their power supplier. Until December 31, 2008, we purchased power for delivery and resale from a full requirements power sale agreement with our affiliate FirstEnergy Solutions Corp., at a fixed price that was reflected in rates approved by the Public Utilities Commission of Ohio, or PUCO. Since January 1, 2009 we have obtained power to service our provider of last resort obligations through PUCO-approved competitive bidding processes. For a discussion of Ohio power supply procurement issues, see Regulatory Matters Ohio in our Annual Report on Form 10-K for the year ended December 31, 2008 and Quarterly Reports on Form 10-Q for the quarters ended March 31, 2009 and June 30, 2009.

**Summary of the Offering**

Issuer	The Cleveland Electric Illuminating Company
Securities Offered	We are offering \$300,000,000 aggregate principal amount of our First Mortgage Bonds, 5.50% Series due 2024.
Maturity	The Bonds will mature on August 15, 2024.
Interest	Interest on the Bonds will accrue at the per annum rate of 5.50%.
Interest Payment Dates	Interest on the Bonds will be payable semi-annually in arrears on each February 15 and August 15 beginning on February 15, 2010, and at maturity.
Optional Redemption	The Bonds will be redeemable, in whole or in part, at our option, at any time at a make-whole redemption price as described under Description of the Bonds and the First Mortgage Optional Redemption herein.
Ranking; Security	The Bonds will be secured by the lien of, and will rank equally with all our other first mortgage bonds outstanding under, our Mortgage and Deed of Trust, dated July 1, 1940, to Guaranty Trust Company of New York, as trustee, under which JPMorgan Chase Bank, N.A. is successor trustee, or the First Mortgage Trustee, as previously amended and supplemented by eighty-nine supplemental indentures, or the First Mortgage, and as to be further supplemented by a ninetieth supplemental indenture to be dated as of August 1, 2009, or the Ninetieth Supplemental Indenture.

The First Mortgage is a valid and direct lien, subject only to certain permitted liens and other encumbrances, on substantially all our property and franchises subject to certain exceptions. See Description of the Bonds and the First Mortgage Security for the First Mortgage Bonds in this prospectus supplement.

Sinking Fund There is no sinking fund for the Bonds.

Additional Issuances As of June 30, 2009, we could issue additional first mortgage bonds under the First Mortgage in an aggregate principal amount equal to approximately \$841.4 million, including approximately \$640.2 million on the basis of refundable bonds and approximately \$201.2 million on the basis of bondable property.

Limitation on Liens under our Senior Note Indenture The issuance of first mortgage bonds by us is subject to a provision of our senior note indenture generally limiting our incurrence of additional secured debt, subject to certain exceptions that would permit, among other things, our issuance of secured debt (including first mortgage bonds) (i) supporting pollution control notes or similar obligations, or (ii) as an extension, renewal or replacement of previously issued secured debt outstanding as of December 12, 2003. In addition this provision would permit us to incur additional secured debt (including first mortgage bonds) not otherwise permitted by a specified exception of up to the greater of 15% of our Net Tangible Assets and 15% of our Capitalization (as defined in the senior note indenture), or \$175.1 million as of June 30, 2009. See Description of Senior Unsecured Debt Securities Certain Covenants Limitation on Liens in the accompanying prospectus. In compliance with this limitation, \$150 million of the Bonds will be issued as a replacement of a like amount of our 7.43% Series D Secured Notes due 2009 that have been outstanding since 1997 and \$150 million of the Bonds will be issued against the above-referenced Net Tangible Asset/Capitalization exception. For a discussion of the application of the proceeds of this offering see Use of Proceeds.

Risk Factors You should carefully consider, in addition to matters set forth elsewhere in this prospectus supplement and the accompanying prospectus, each of the factors described in the section of this prospectus supplement entitled Risk Factors beginning on page S-5 and in the documents incorporated by reference in this prospectus supplement and the accompanying prospectus before purchasing any Bonds.

Form and Denomination	The Bonds will be represented by one or more global certificates, or a Global Certificate, deposited with, or on behalf of, The Depository Trust Company, or DTC, or its nominee. (See Description of the Bonds and the First Mortgage Book-Entry in this prospectus supplement.) The Bonds will be issuable in fully registered form only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.
Use of Proceeds	We expect to use the net proceeds received from the issuance of the Bonds to replace \$150 million of our outstanding 7.43% Series D Secured Notes due 2009, to repay a portion of our short-term borrowings and, to the extent available, for general corporate purposes, all as described under Use of Proceeds in this prospectus supplement.
Ratings	The Bonds are expected to be assigned ratings of Baa1 by Moody's Investors Service, Inc., or Moody's, and BBB+ by Standard & Poor's Ratings Service, a division of the McGraw Hill Companies, Inc., or S&P. A rating reflects only the view of a rating agency, and it is not a recommendation to buy, sell or hold the Bonds. Any rating can be revised upward or downward or withdrawn at any time by a rating agency if such rating agency decides that circumstances warrant that change.
First Mortgage Trustee and Paying Agent	JPMorgan Chase Bank, N.A., as successor Trustee.
Listing	The Bonds will not be listed on any national securities exchange.

## RISK FACTORS

You should consider, in evaluating us, our business and whether to participate in this offering, the following risk factors in addition to the other information presented in this prospectus supplement, the accompanying prospectus and the documents incorporated by reference into this prospectus supplement or the accompanying prospectus to which we refer you for more detailed information on our business, industry, and financial and corporate structure. Any of the following risks, as well as other risks and uncertainties, could harm the value of the Bonds directly or our business and financial results and thus indirectly cause the value of the Bonds to decline, which in turn could cause you to lose all or part of your investment. The risks below are not the only ones facing us or the Bonds. Additional risks not currently known to us or that we currently deem immaterial also may impair our business and cause the value or trading price of the Bonds to decline.

### Risks Related To Our Business And Industry

For a discussion of these risks please see the risks disclosed and discussed in the sections entitled "Risk Factors", "Executive Summary" and "Management's Narrative Analysis of Results of Operations" contained in our Annual Report on Form 10-K for the year ended December 31, 2008 and our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2009 and June 30, 2009, as applicable.

### Risks Related To This Offering

*If an active trading market does not develop for the Bonds, you may be unable to sell the Bonds or to sell them at a price you deem sufficient.*

The Bonds will be new securities for which there is no established trading market. We do not intend to apply for listing of the Bonds on any national securities exchange or to arrange for the Bonds to be quoted on any automated system. We provide no assurance as to:

the  
liquidity  
of any  
trading  
market  
that may  
develop  
for the  
Bonds;

the  
ability of  
holders  
to sell  
their  
Bonds;  
or

the price  
at which  
holders  
would be

able to  
sell their  
Bonds.

Even if a trading market develops, the Bonds may trade at higher or lower prices than their principal amount or purchase price, depending on many factors, including:

prevailing  
interest  
rates;

the  
number of  
holders of  
Bonds;

the  
interest of  
securities  
dealers in  
making a  
market for  
the Bonds;  
and

our  
operating  
results.

If a market for the Bonds does not develop, purchasers may be unable to resell the Bonds for an extended period of time. Consequently, a holder of Bonds may not be able to liquidate its investment readily, and the Bonds may not be readily accepted as collateral for loans. In addition, market-making activities will be subject to restrictions of the Securities Act of 1933, as amended, or the Securities Act, and the Securities Exchange Act of 1934, as amended, or the Exchange Act.

## REGULATORY APPROVAL

On August 12, 2009, the PUCO entered its order authorizing the offering of the Bonds. While the PUCO order became effective immediately upon entry, Ohio law provides for a 30-day period following entry of the order during which parties may apply for a rehearing of the order. In uncontested proceedings, leave for a non-party to file an application for rehearing will be granted only if the PUCO determines that the specific limited circumstances exist. The PUCO is not required to grant leave to file an application for a rehearing or to grant any application for rehearing. If such leave to file were granted and if such an application were to be filed, we believe that an adverse action by the PUCO would be unlikely. Nonetheless, should an application for such a rehearing be filed, and that application not be denied by the PUCO prior to the consummation of this offering, we will likely be unable to conduct and close the offering of the Bonds as contemplated. Since there were no other parties to the original proceeding which resulted in the PUCO's August 12, 2009 order, we do not anticipate any applications for a rehearing.

### **USE OF PROCEEDS**

We estimate that the net proceeds to us from the sale of the Bonds will be approximately \$295.6 million, after giving effect to estimated underwriting discounts and commissions and estimated expenses.

At closing, we will deposit or otherwise set aside a portion of the net proceeds for the replacement of \$150 million aggregate principal amount of our 7.43% Series D Secured Notes due 2009, which were originally issued in 1997 and will be paid at their maturity on November 1, 2009 with such funds.

The remaining net proceeds will be used to repay a portion of our short-term borrowings and, to the extent available, for other general corporate purposes. At June 30, 2009, we had short-term borrowings of approximately \$293.6 million with a weighted average interest rate of approximately 0.87% per annum.

**Security for the First Mortgage Bonds**

The Bonds and all of our first mortgage bonds of other series currently outstanding and hereafter issued under the First Mortgage are secured equally and ratably (except as to any sinking or analogous fund established for the first mortgage bonds of any particular series) by a valid and direct first lien subject only to certain permitted liens and other encumbrances, on substantially all the property owned and franchises held by us, except the following:

cash,  
receivables  
and contracts  
not pledged  
or required to  
be pledged  
under the  
First  
Mortgage  
and leases in  
which we are  
the lessor;

securities not  
specifically  
pledged or  
required to  
be pledged  
under the  
First  
Mortgage;

property held  
for  
consumption  
in operation  
or in advance  
of use for  
fixed capital  
purposes or  
for resale or  
lease to  
customers;

electric  
energy and  
other  
materials or  
products  
produced or  
purchased by  
us for sale,  
distribution

or use in the  
ordinary  
conduct of  
our business;  
and

all the  
property of  
any other  
corporation  
which may  
now or  
hereafter be  
wholly or  
substantially  
wholly  
owned by us.  
(Clauses  
preceding  
Article I.)

All property acquired by us after June 30, 1940, other than the property excepted from the lien of the First Mortgage, becomes subject to the lien thereof upon acquisition. (Article I and granting and other clauses preceding Article I.) Under certain conditions, the First Mortgage permits us to acquire property subject to a lien prior to the lien of the First Mortgage. (Article IV.)

We have not made any appraisal of the value of our properties subject to the lien of the First Mortgage. The value of the properties in the event of liquidation will depend on market and economic conditions, the availability of buyers and other factors. In the event of liquidation, if the proceeds were not sufficient to repay amounts under all of the first mortgage bonds then outstanding, including the Bonds, then holders of the first mortgage bonds, to the extent not repaid from the proceeds of the sale of the collateral, would only have an unsecured claim against our remaining assets. As of June 30, 2009, we had total senior secured indebtedness of approximately \$750.0 million and total unsecured long-term debt and other long-term obligations of approximately \$973.1 million.

Property subject to the lien of the First Mortgage will be released from the lien upon the sale or transfer of such property if we deposit the fair value of the property with the First Mortgage Trustee and meet certain other conditions specified in the First Mortgage. (Article VII.) Moneys received by the First Mortgage Trustee for the release of property will, under certain circumstances, be applied to redeem outstanding first mortgage bonds, be applied to satisfy our other obligations or be paid over to us from time to time based upon property additions or refundable first mortgage bonds. (Article VIII.)

The First Mortgage was modified in 1999 by the Eighty-first Supplemental Indenture with the consent of the holders of first mortgage bonds then outstanding (a) to exclude nuclear fuel from the lien of the First Mortgage to the extent not excluded therefrom by its existing provisions and (b) to revise the definition of property additions which can constitute bondable property to include facilities outside the State of Ohio even though they are not physically connected with our property in the State of Ohio and to clarify its general scope.

### **Issuance of Additional First Mortgage Bonds**

In addition to the principal amount of first mortgage bonds outstanding at June 30, 2009, additional first mortgage bonds may be issued under Article III of the First Mortgage, ranking equally and ratably with such outstanding first mortgage bonds and the Bonds and without limit as to amount, on the basis of:

70% of  
bondable  
property  
(as  
described  
under  
Security  
for the  
First  
Mortgage  
Bonds ) not  
previously  
used as the  
basis for  
issuance of  
first  
mortgage  
bonds or  
applied for  
some other  
purpose  
under the  
First  
Mortgage;

S-10

the deposit of cash (which may be subsequently withdrawn on the basis of bondable property or refundable first mortgage bonds); and

substitution for refundable first mortgage bonds.

First mortgage bonds become refundable first mortgage bonds when they are paid upon maturity, redemption or purchase out of money deposited with the First Mortgage Trustee for such payment or when money for such payment is irrevocably deposited with the First Mortgage Trustee. (Articles I, III and VIII.)

In general, all property subject to the lien of the First Mortgage which is used or useful in our electric business including property not located in the State of Ohio whether or not physically connected with our property in the State of Ohio, which is not subject to an unfunded prior lien and as to which we have good title and corporate power to own and operate, is bondable property and as such is available as a basis for the issuance of first mortgage bonds. (Article I.) With certain exceptions, property which we lease from others is not bondable property. (Articles I and III.)

Also, with certain exceptions, in order to issue additional first mortgage bonds based on bondable property, our net earnings available for interest and property retirement appropriations for any 12 consecutive months within the 15 calendar months immediately preceding the month in which application for authentication and delivery of such additional first mortgage bonds is made must be at least twice the annual interest charges on all first mortgage bonds outstanding and on the issue applied for. (Article III.) Effective from and after the time when none of the first mortgage bonds of any series established or created prior to the execution in 2008 of the Eighty-ninth Supplemental Indenture shall remain outstanding, the Indenture will be amended so that net earnings available for interest and property retirement appropriations may be calculated based on any 12 consecutive months within the 18 calendar months immediately preceding the month in which (i) an application for authentication and delivery of additional first mortgage bonds is made, (ii) the first acquisition of property subject to a lien or liens which will on acquisition be an unfunded prior lien or prior liens occurs, (iii) the additional prior lien bonds are to be issued, and (iv) our consolidation with, or our merger into, any other corporation, or sale by us of any of our property as an entirety or substantially as an entirety is made. (Eighty-ninth Supplemental Indenture, Article IV.)

As of June 30, 2009, we were able to issue approximately \$841.4 million additional first mortgage bonds under the First Mortgage, including approximately \$640.2 million on the basis of refundable bonds and approximately \$201.2 million on the basis of bondable property. The issuance of first mortgage bonds by us is subject to a provision of our senior note indenture generally limiting our incurrence of additional secured debt, subject to certain exceptions that would permit, among other things, our issuance of secured debt (including first mortgage bonds) (i) supporting pollution control notes or similar obligations, or (ii) as an extension, renewal or replacement of previously issued secured debt, outstanding as of December 12, 2003. In addition, we could incur under this provision additional

secured debt (including first mortgage bonds) not otherwise permitted by a specified exception of up to the greater of 15% of our Net Tangible Assets and 15% of our Capitalization, or \$175.1 million as of June 30, 2009. See Description of Senior Unsecured Debt Securities Certain Covenants Limitation on Liens in the accompanying prospectus. In compliance with this limitation, \$150 million of the Bonds will be issued as a replacement of a like amount of our 7.43% Series D Secured Notes due 2009 that have been outstanding since 1997 see Use of Proceeds in this prospectus supplement and \$150 million of the Bonds will be issued against the above-referenced Net Tangible Asset/Capitalization exception.

### **Optional Redemption**

The Bonds will be redeemable, in whole or in part, at our option, at any time at a redemption price equal to the greater of:

100% of the principal amount of such Bonds being redeemed; and

the sum of the present values of the Remaining Scheduled Payments (as defined below) discounted to the date of redemption on a semi-annual basis (assuming a 360-day year

consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 30 basis points, plus in the case of each of the above clauses, accrued and unpaid interest, if any, to the date of redemption.

**Business Day** means, any day, other than a Saturday or Sunday, which is not a day on which the corporate trust office of the First Mortgage Trustee or banking institutions or trust companies in The City of New York, New York are generally authorized or required by law, regulation or executive order to remain closed.

**Comparable Treasury Issue** means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term ( **Remaining Life** ) of the Bonds to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Bonds.

**Comparable Treasury Price** means with respect to any redemption date, (1) the average of three Reference Treasury Dealer Quotations for such redemption date after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Independent Investment Banker obtains fewer than three such Reference Treasury Dealer Quotations, the average of all such quotations.

**Independent Investment Banker** means one of the Reference Treasury Dealers appointed by us or, if such firm is unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing selected by us.

**Reference Treasury Dealer** means (1) each of Goldman, Sachs & Co. and UBS Securities LLC and their respective successors, provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer in the United States (a **Primary Treasury Dealer** ), we shall substitute therefor another Primary Treasury Dealer; and (2) any other Primary Treasury Dealer selected by the Independent Investment Banker after consultation with us.

**Reference Treasury Dealer Quotations** means, with respect to each Reference Treasury Dealer and any redemption date, the average as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker at 5:00 p.m. New York City time, on the third Business Day preceding such redemption date.

**Remaining Scheduled Payments** means, with respect to the Bonds to be redeemed, the remaining scheduled payments of principal and interest on the Bonds of such series that would be due after the related redemption date but for such redemption. If such redemption date is not an interest payment date with respect to such Bonds, the amount of the next succeeding scheduled interest payment on those Bonds will be reduced (for the purpose of this calculation) by the amount of interest accrued on such Bonds to such redemption date.

**Treasury Rate** means, with respect to any redemption date,

The Treasury Rate shall be calculated on the third Business Day preceding the redemption date.

Holders of Bonds to be redeemed will receive notice thereof by first-class mail at least 30 and not more than 60 days prior to the date fixed for redemption. If fewer than all of the Bonds are to be redeemed, the First Mortgage Trustee will select, not more than 60 days prior to the redemption date, the particular portions thereof for redemption from the outstanding Bonds, subject to the provisions of the Ninetieth Supplemental Indenture, by such method as the Trustee deems fair and appropriate. Any notice of redemption of the Bonds may be conditional on us depositing funds with the First Mortgage Trustee, or irrevocably directing the First Mortgage Trustee to apply moneys held by it, sufficient to pay the redemption price thereof, and if such funds are not so deposited or such direction is not given, such notice shall be of no effect.

In the event less than all of the Bonds at the time outstanding are called for redemption, we shall not be required (a) to register any transfer or make any exchange of any such Bonds for a period of fifteen (15) days next preceding the mailing of the notice of redemption of any such Bonds, (b) to register any transfer or make any exchange of any such Bonds so called for redemption in its entirety or (c) to register any transfer or make any exchange of any portion of any such Bonds which has been called for redemption.

#### **Events of Default; Remedies**

##### *Events of Default*

Events of default under the First Mortgage include our failure:

to pay the  
principal  
of or  
premium,  
if any, on  
any first  
mortgage  
bond when  
due;

to pay any  
interest on  
or sinking  
fund  
obligation  
of any first  
mortgage  
bond  
within 30  
days after  
it is due;

to pay the  
principal  
of or  
interest on  
any prior  
lien bonds  
within any  
allowable  
period;

of  
\$100,000  
within 30  
days after  
it is  
rendered;  
or

to perform  
any other  
covenant  
in the First  
Mortgage  
within 60  
days after  
notice to  
us from

the First  
Mortgage  
Trustee or  
the holders  
of not less  
than 15%  
in  
principal  
amount of  
the first  
mortgage  
bonds.

Events of default also include certain events of bankruptcy, insolvency, reorganization, assignment or receivership relating to us. (Article IX.)

*Notices of Default*

We are required to furnish periodically to the First Mortgage Trustee a certificate as to the absence of any default or as to compliance with the terms of the First Mortgage, and such a certificate is also required in connection with the issuance of any additional first mortgage bonds and in certain other circumstances. (Article III.) The First Mortgage provides that the First Mortgage Trustee, within 90 days after notice of defaults under the First Mortgage (60 days with respect to events of default described in the last bullet point above), is required to give notice of such defaults to all holders of first mortgage bonds, but, except in the case of a default resulting from the failure to make any payment of principal of or interest on the first mortgage bonds or in the payment of any sinking or purchase fund installments, the First Mortgage Trustee may withhold such notice if it determines in good faith that it is in the best interests of the holders of the first mortgage bonds to do so. (Article XIII.)

*Remedies in Event of Default*

Upon the occurrence of any event of default, the First Mortgage Trustee or the holders of not less than 25% in principal amount of the first mortgage bonds may declare the principal amount of all first mortgage bonds due, and, if we cure all defaults before a sale of the mortgaged property, the holders of a majority in principal amount of the first mortgage bonds may waive the default. If any event of default occurs, the First Mortgage Trustee also may:

take possession of and operate the mortgaged property for the purpose of paying the principal of and interest on the first mortgage bonds;

sell at public auction all of the mortgaged property, or such parts thereof as the holders of a majority in principal amount of the first mortgage bonds may request or, in the absence of such request, as the First Mortgage Trustee may determine;

bring suit to enforce payment of the principal of and premium, if

any, and  
interest on  
the first  
mortgage  
bonds, to  
foreclose the  
First  
Mortgage or  
for the  
appointment  
of a receiver  
of the  
mortgaged  
property in  
its discretion  
or at the  
request of  
not less than  
a majority of  
the holders  
of the first  
mortgage  
bonds; and

pursue any  
other  
remedy.  
(Article IX.)

*Exercise of Remedies*

No holder of first mortgage bonds may institute any action, suit or proceeding for any remedy under the First Mortgage unless he has previously given the First Mortgage Trustee written notice of a default by us, and in addition:

the holders  
of not less  
than 25% in  
principal  
amount of  
the first  
mortgage  
bonds have  
requested  
the First  
Mortgage  
Trustee and  
afforded it a  
reasonable  
opportunity  
to exercise  
its powers

under the  
First  
Mortgage or  
to institute  
such action,  
suit or  
proceeding  
in its own  
name;

such holder  
has offered  
to the First  
Mortgage  
Trustee  
security and  
indemnity  
satisfactory  
to it against  
the costs,  
expenses  
and  
liabilities to  
be incurred  
by it; and

the First  
Mortgage  
Trustee has  
refused or  
neglected to  
comply  
with such  
request  
within a  
reasonable  
time.

The holders of a majority in outstanding principal amount of the first mortgage bonds, upon furnishing the First Mortgage Trustee with security and indemnification satisfactory to it, may require the First Mortgage Trustee to pursue any available remedy, and any holder of the first mortgage bonds has the absolute and unconditional right to enforce the payment of the principal of and interest on his first mortgage bonds. (Article IX.)

#### **Modification of the First Mortgage and the First Mortgage Bonds**

Certain modifications which do not in any manner impair any of the rights of the holders of any series of first mortgage bonds then outstanding or of the First Mortgage Trustee may be made without the vote of the holders of the first mortgage bonds by supplemental indenture entered into between us and the First Mortgage Trustee. (Article XIV.)

Modifications of the First Mortgage or any supplemental indenture, and of our rights and obligations and of holders of all series of first mortgage bonds outstanding, may be made with our consent by the vote of the holders of at least 60%

in principal amount of the outstanding first mortgage bonds entitled to vote at a meeting of the holders of the first mortgage bonds or, if one or more, but less than all, of the series of first mortgage bonds outstanding under the First Mortgage are affected by such modification, by the vote of the holders of at least 60% in principal amount of the outstanding first mortgage bonds entitled to vote by each series so affected; but no such modification may be made which will affect the terms of payment of the principal of or premium, if any, or interest on any first mortgage bond issued under the First Mortgage or to change the voting percentage described above to less than 60% with respect to any first mortgage bonds outstanding

S-14

---

when such modification becomes effective. First mortgage bonds owned or held by or for the account or benefit of us or our affiliate (as defined in the First Mortgage) are not entitled to vote. (Article XV.)

### **Defeasance and Discharge**

The First Mortgage provides that we will be discharged from any and all obligations under the First Mortgage if we pay the principal, interest and premium, if any, due on all first mortgage bonds outstanding in accordance with the terms stipulated in each such first mortgage bond and if we have performed all other obligations under the First Mortgage. In the event of such discharge, we have agreed to continue to indemnify the First Mortgage Trustee from any liability arising out of the First Mortgage. (Article XVI.)

### **Transfer and Exchange**

A holder may transfer or exchange Bonds in accordance with the First Mortgage. The First Mortgage Trustee may require a holder, among other things, to furnish appropriate endorsements and transfer documents and we may require a holder to pay any taxes and fees required by law or permitted by the First Mortgage. See Book-Entry .

The registered holder of a Bond will be treated as the owner of it for all purposes.

### **Concerning the First Mortgage Trustee**

JPMorgan Chase Bank, N.A. is the First Mortgage Trustee. The First Mortgage Trustee may resign by giving written notice of its resignation as provided in the First Mortgage. The resignation will take effect on the date specified in such notice, unless previously a successor trustee shall have been appointed in accordance with the First Mortgage. The holders of a majority of the then outstanding principal amount of the first mortgage bonds may remove the First Mortgage Trustee at any time. Any successor trustee must be a bank or trust company in good standing organized and doing business under the laws of the United States or of any State and having its principal office in the Borough of Manhattan, The City of New York, New York, and have a combined capital and surplus of at least \$5,000,000. Effective with the Eighty-ninth Supplemental Indenture, the First Mortgage Trustee, or any successor thereto, will no longer be required to have its principal office in the Borough of Manhattan, The City of New York, New York, but will be required instead to have its principal office in the United States.

The First Mortgage contains certain limitations on the rights of the First Mortgage Trustee, should it become our creditor within four months prior to a default or thereafter, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The First Mortgage Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest, it must eliminate such conflict within 90 days or resign.

The holders of a majority in principal amount of the then outstanding first mortgage bonds will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the First Mortgage Trustee, subject to certain exceptions. The First Mortgage provides that in case an event of default shall occur (which shall not be cured), the First Mortgage Trustee is required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the First Mortgage Trustee is under no obligation to exercise any of its rights or powers under the First Mortgage at the request of any holder of first mortgage bonds unless such holder shall have offered to the First Mortgage Trustee security and indemnity satisfactory to it against any cost, liability or expense.

### **No Personal Liability of Incorporators, Stockholders, Officers or Directors**

The First Mortgage provides that no recourse for the payment of the principal of or interest on any of the first mortgage bonds or for any claim based thereon or otherwise in respect thereof shall be had against any of our

incorporators, stockholders, officers or directors or of any successor

S-15

---

thereof. Each holder, by accepting the Bonds, waives and releases all such liability and such waiver and release are part of the consideration for issuance of the Bonds.

### **Book-Entry**

The Bonds will be represented by one or more global certificates which will be issued in fully registered form, without coupons. The Bonds will be deposited with, or on behalf of, DTC and registered in the name of Cede & Co., as DTC's nominee in the form of a Global Certificate or will remain in the custody of the First Mortgage Trustee pursuant to a FAST Balance Certificate Agreement between DTC and the First Mortgage Trustee. Upon the issuance of the Global Certificate, DTC or its nominee will credit, on its internal system, the principal amount of the individual beneficial interests represented by such Global Certificate to the accounts of persons who have accounts with such depository. Ownership of beneficial interests in a Global Certificate will be limited to persons who have accounts with DTC, or direct participants, or persons who hold interests through direct participants. Ownership of beneficial interests in a Global Certificate will be shown on, and the transfer of that ownership will be effected only through, records maintained by DTC or its nominee (with respect to interests of direct participants) and the records of direct participants (with respect to interests of persons other than direct participants).

So long as DTC, or its nominee, is the registered owner or holder of a Global Certificate, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Bonds represented by such Global Certificate for all purposes under the First Mortgage and the Bonds. No beneficial owner of an interest in a Global Certificate will be able to transfer the interest except in accordance with DTC's applicable procedures, in addition to those provided for under the indenture.

Payments of the principal of, and interest on, a Global Certificate will be made to DTC or its nominee, as the case may be, as the registered owner thereof. Neither we, the First Mortgage Trustee nor any paying agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Certificate or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. DTC or its nominee, upon receipt of any payment of principal or interest in respect of a Global Certificate, will credit direct participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Certificate as shown on the records of DTC or its nominee. We also expect that payments by direct participants to owners of beneficial interests in such Global Certificate held through such direct participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such direct participants and neither we, the First Mortgage Trustee nor any paying agent will have any responsibility therefor.

Transfers between direct participants in DTC will be effected in the ordinary way in accordance with DTC rules. If a holder requires physical delivery of a certificated Bond for any reason, including to sell Bonds to persons in jurisdictions which require such delivery of such Bonds or to pledge such Bonds, such holder must transfer its interest in a Global Certificate in accordance with DTC's applicable procedures, or the procedures set forth in the indenture.

DTC will take any action permitted to be taken by a holder of Bonds (including the presentation of Bonds for exchange as described below) only at the direction of one or more direct participants to whose account the DTC interests in a Global Certificate is credited and only in respect of such portion of the aggregate principal amount of the Bonds as to which such direct participant or direct participants has or have given such direction. However, if there is an event of default under the Bonds, DTC will exchange a Global Certificate for certificated Bonds, which it will distribute to its direct participants.

DTC has advised us that it is a limited purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code and a clearing agency registered

pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through

S-16

---

electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates. Direct participants include securities brokers and dealers, banks, trust companies and clearing corporations and may include certain other organizations. Indirect access to the DTC system is available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a direct participant, either directly or indirectly, or indirect participants. The rules applicable to DTC and its participants are on file with the SEC.

Although DTC is expected to follow the foregoing procedures in order to facilitate transfers of interests in the Bonds represented by a Global Certificate among its direct participants, it is under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. Neither we nor the First Mortgage Trustee will have any responsibility for the performance by DTC or its direct participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Subject to the procedures of DTC, a Global Certificate shall be exchangeable for Bonds registered in the names of persons other than DTC or its nominee only if (i) DTC notifies us that it is unwilling or unable to continue as a depository for such Global Certificate and no successor depository shall have been appointed by us, or if at any time DTC ceases to be a clearing agency registered under the Exchange Act at a time when DTC is required to be so registered to act as such depository and no successor depository shall have been appointed by us, in each case within 90 days after we receive such notice or become aware of such cessation, (ii) in our sole discretion determine that such Global Certificate shall be so exchangeable, or (iii) there shall have occurred an event of default with respect to the Bonds. Any Global Certificate that is exchangeable pursuant to the preceding sentence shall be exchangeable for Bonds registered in such names as DTC shall direct.

All payments of principal and interest will be made by us in immediately available funds.

Secondary trading in long-term bonds and notes of corporate issuers is generally settled in clearing-house or next-day funds. In contrast, beneficial interests in the Bonds that are not certificated Bonds will trade in DTC's Same-Day Funds Settlement System until maturity. Therefore, the secondary market trading activity in such interests will settle in immediately available funds. No assurance can be given as to the effect, if any, of settlement in immediately available funds on trading activity in the Bonds.

The information under this caption **Book-Entry** concerning DTC and DTC's book-entry system has been obtained from sources that we believe to be reliable, but we do not take any responsibility for the accuracy thereof. We have provided the foregoing descriptions of the operations and procedures of DTC solely as a matter of convenience. The operations and procedures are solely within the control of DTC and are subject to change by DTC from time to time. You are urged to contact DTC or direct participants directly to discuss these matters.

**UNDERWRITING**

Goldman, Sachs & Co., KeyBanc Capital Markets Inc. and UBS Securities LLC are acting as joint book-running managers of this offering and representatives of the underwriters named below. Under the terms and subject to the conditions contained in an underwriting agreement dated the date hereof, the underwriters named below have severally agreed to purchase, and we have agreed to sell to them, the principal amount of Bonds set forth opposite each of their names below.

<b>Underwriters</b>	<b>Principal Amount</b>
Goldman, Sachs & Co.	\$ 90,000,000
KeyBanc Capital Markets Inc.	90,000,000
UBS Securities LLC	90,000,000
Blaylock Robert Van, LLC	10,000,000
Daiwa Securities America Inc.	10,000,000
Fifth Third Securities, Inc.	10,000,000
<b>Total</b>	<b>\$ 300,000,000</b>

The underwriting agreement provides that the obligations of the several underwriters to pay for and accept delivery of the Bonds offered hereby are subject to the approval of certain legal matters by their counsel and to certain other conditions. The underwriters are obligated to take and pay for all of the Bonds offered hereby if any Bonds are taken.

The underwriters initially propose to offer part of the Bonds directly to the public at the public offering price set forth on the cover page of this prospectus supplement and part to certain dealers at the public offering prices less a concession not in excess of 0.45% of the principal amount of the Bonds. Any underwriter may allow, and any dealer may re-allow, a concession not in excess of 0.25% of the principal amount of the Bonds to other underwriters or to certain dealers. After the initial offering of the Bonds, the offering price and other selling terms of the Bonds may from time to time be varied by the underwriters. The offering of the Bonds by the underwriters is subject to receipt and acceptance and subject to the underwriters right to reject any order in whole or in part.

Prior to this offering, there has been no public market for the Bonds. The underwriters have advised us that they presently intend to make a market for the Bonds. The underwriters are not obligated to make a market in the Bonds, however, and may cease market-making activities at any time. We cannot give any assurance as to the liquidity of any trading market for the Bonds.

We have agreed to indemnify the several underwriters against certain liabilities, including liabilities under the Securities Act.

In connection with the offering of the Bonds, the underwriters may purchase and sell Bonds in the open market and may engage in transactions that stabilize, maintain or otherwise affect the price of the Bonds. Specifically, the underwriters may over-allot in connection with the offering, creating a short position in the Bonds for their own account. In addition, to cover over-allotments or to stabilize the price of the Bonds, the underwriters may bid for, and purchase, the Bonds in the open market. Finally, the underwriting syndicate may reclaim selling concessions allowed to an underwriter or a dealer for distributing the Bonds in the offering if the syndicate repurchases previously distributed Bonds in transactions to cover syndicate short positions, in stabilization transactions or otherwise.

The underwriters also may impose a penalty bid. This occurs when a particular underwriter repays to the underwriters a portion of the underwriting discount received by it because the representatives have repurchased Bonds sold by or for the account of such underwriter in stabilizing or short covering transactions.

Any of these activities, as well as other purchases by the underwriters for their own accounts, may stabilize or maintain the market price of the Bonds above independent market levels. The underwriters are not required to engage in these activities and may end any of these activities at any time.

We estimate that we will incur offering expenses of approximately \$567,000.

## European Economic Area

In relation to each Member State of the European Economic Area which has implemented the EU Prospectus Directive, as defined below (each, a Relevant Member State ), the underwriters have represented and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the Relevant Implementation Date ) the Bonds will not be offered to the public in that Relevant Member State prior to the publication of a prospectus in relation to the Bonds which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive, except that, with effect from and including the Relevant Implementation Date, an offer of Bonds may be made to the public in that Relevant Member State at any time:

to legal entities which are authorized or regulated to operate in the financial markets or, if not so authorized or regulated, whose corporate purpose is solely to invest in securities;

### **INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The financial statements incorporated in this prospectus supplement and the accompanying prospectus by reference to our Annual Report on Form 10-K for the year ended December 31, 2008, have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

With respect to our unaudited financial information for the three-month periods ended March 31, 2009 and 2008 and for the three-month and six-month periods ended June 30, 2009 and 2008, incorporated by reference in this prospectus supplement, PricewaterhouseCoopers LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate reports dated May 7, 2009 and August 3, 2009, respectively incorporated by reference herein states that they did not audit and they do not express an opinion on that unaudited financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied.

PricewaterhouseCoopers LLP is not subject to the liability provisions of Section 11 of the Securities Act for their reports on the unaudited financial information because those reports are not a report or a part of the registration statement prepared or certified by PricewaterhouseCoopers LLP within the meaning of Sections 7 and 11 of the Securities Act.

## THE COMPANY

We are one of eight wholly-owned electric utility operating subsidiaries of FirstEnergy Corp., or FirstEnergy. We were organized under the laws of the State of Ohio in 1892 and own property and do business as an electric public utility in that state. We engage primarily in the distribution and sale of electric energy to communities in a 1,700 square mile area of northeastern Ohio. The area we serve has a population of approximately 1.9 million.

Our principal executive offices are located at 76 South Main Street, Akron, Ohio 44308-1890. Our telephone number is (800) 736-3402.

## RISK FACTORS

Investing in our securities involves risks. Before purchasing any securities we offer, you should carefully consider the risk factors that are incorporated by reference herein from the section captioned Risk Factors in our Annual Report on Form 10-K for the year ended December 31, 2007 and our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2008 and, June 30, 2008, together with all of the other information included in this prospectus and any prospectus supplement and any other information that we have incorporated by reference, including annual, quarterly and other reports filed with the SEC subsequent to the date hereof. Any of these risks, as well as other risks and uncertainties, could harm our financial condition, results of operations or cash flows. See also Cautionary Note Regarding Forward-Looking Statements in this prospectus.

## USE OF PROCEEDS

We intend to use the net proceeds we receive from issuance of these debt securities for general corporate purposes, unless otherwise specified in the prospectus supplement relating to a specific issue of debt securities. General corporate purposes may include, but are not limited to, financing and operating activities, capital expenditures, acquisitions, maintenance of our assets and refinancing our existing indebtedness.

## RATIO OF EARNINGS TO FIXED CHARGES

The following table contains our consolidated ratio of earnings to fixed charges for the periods indicated. You should read these ratios in connection with our consolidated financial statements, including the notes to those statements, incorporated by reference in this prospectus.

	Year Ended December 31,					Six Months Ended June 30,	
	2003	2004	2005	2006	2007	2007	2008
Consolidated Ratio of Earnings to Fixed Charges	2.53	3.00	3.14	3.64	3.61	3.20	3.93

For purposes of the calculation of our consolidated ratio of earnings to fixed charges, earnings have been computed by adding to Income before extraordinary items total interest and other charges, before reduction for amounts capitalized, provision for income taxes and the estimated interest element of rentals charged to income, and fixed charges include interest on long-term debt, other interest expense, subsidiaries preferred stock dividend requirements and the estimated interest element of rentals charged to income.

## DESCRIPTION OF SENIOR UNSECURED DEBT SECURITIES

The senior unsecured debt securities that we may offer from time to time by this prospectus, and which we refer to in this section as "debt securities", will be our senior unsecured debt securities and will rank equally with all of our other unsecured and unsubordinated debt. The debt securities will be issued under an indenture, dated as of December 1, 2003, between us and The Bank of New York Mellon Trust Company, N.A. The indenture gives us broad authority to set the particular terms of each series of debt securities, including the right to modify certain of the terms contained in the indenture. The particular terms of a series of debt securities and the extent, if any, to which such particular terms modify the terms of the indenture or otherwise vary from the terms

and provisions set forth below will be described in the prospectus supplement relating to those debt securities.

The indenture contains the full text of the matters described in this section. Because this section is a summary, it does not describe every aspect of the debt securities or the indenture. This summary is subject to and qualified in its entirety by reference to all the provisions of the indenture, including definitions of terms used in the indenture. You should read the indenture incorporated by reference as an exhibit to the registration statement of which this prospectus is a part. Whenever we refer to particular sections or defined terms of the indenture in this prospectus or in a prospectus supplement, these sections or defined terms are incorporated by reference herein or in the prospectus supplement. This summary also is subject to and qualified by reference to the description of the particular terms of the debt securities described in the applicable prospectus supplement or supplements.

If applicable, the prospectus supplement relating to an issue of debt securities will describe any special United States federal income tax considerations relevant to those debt securities.

There is no requirement under the indenture that future issues of our debt securities be issued under the indenture. We will be free to use other indentures or documentation, containing provisions different from those included in the indenture or applicable to one or more issues of debt securities, in connection with future issues of other debt securities. The provisions of any such other indentures or documentation will be described in the applicable prospectus supplement.

## General

The indenture does not limit the aggregate principal amount of debt securities that we may issue under the indenture. The indenture provides that the debt securities may be issued in one or more series. The debt securities may be issued at various times and may have differing maturity dates and may bear interest at differing rates. We need not issue all debt securities of one series at the same time and, unless otherwise provided, we may reopen a series, without the consent of the holders of the debt securities of that series, for issuances of additional debt securities of that series.

Prior to the issuance of each series of debt securities, the terms of the particular securities will be specified in a supplemental indenture, a board resolution or one or more officers' certificates authorized pursuant to a board resolution. We refer you to the applicable prospectus supplement for a description of the following terms of the particular series of debt securities offered thereby:

title of the  
debt  
securities;

the  
aggregate  
principal

securities  
that would  
obligate us  
to purchase  
or redeem  
the debt  
securities;

if less than  
100%, of

and if so,

any changes  
or additions  
to the events  
of default  
under the  
indenture or

changes or  
additions to  
our  
covenants  
under the  
indenture;

any  
collateral  
security,  
assurance or  
guarantee  
for the debt  
securities;  
and

any other  
specific  
terms  
applicable  
to the debt  
securities.

Unless we otherwise indicate in the applicable prospectus supplement, the debt securities will be denominated in United States currency in minimum denominations of \$1,000 and multiples of \$1,000.

Unless we otherwise indicate in the applicable prospectus supplement, there are no provisions in the indenture or the debt securities that require us to redeem, or permit the holders to cause a redemption of, the debt securities or that otherwise protect the holders in the event that we incur substantial additional indebtedness, whether or not in connection with a change in control of our company.

If applicable, the prospectus supplement relating to an issue of debt securities will describe any special United States federal income tax considerations relevant to those debt securities.

### **Payment and Paying Agents**

Unless otherwise indicated in a prospectus supplement, we will pay interest on our debt securities on each interest payment date by wire transfer to an account at a banking institution in the United States that is designated in writing to the trustee by the person entitled to that payment or by check mailed to the person in whose name the debt security is registered as of the close of business on the regular record date relating to the interest payment date, except that interest payable at stated maturity, upon redemption or otherwise, will be paid to the person to whom principal is paid. However, if we default in paying interest on a debt security, we may pay defaulted interest to the registered owner of the debt security as of the close of business on a special record date selected by the trustee, which will be between 10 and 15 days before the date we propose for payment of the defaulted interest, or in any other lawful manner of payment that is consistent with the requirements of any securities exchange on which the debt securities may be listed for trading, if the trustee finds it practicable.

### **Redemption**

We will set forth any terms for the redemption of debt securities in a prospectus supplement. Unless we indicate differently in a prospectus supplement, and except with respect to debt securities redeemable at the option of the registered holder, debt securities will be redeemable upon notice by mail between 30 and 60 days prior to the

redemption date. If less than all of the debt securities of any series or any tranche of a series are to be redeemed, the trustee will select the debt securities to be redeemed and will choose the method of random selection it deems fair and appropriate.

Debt securities will cease to bear interest on the redemption date. We will pay the redemption price and any accrued and unpaid interest to the redemption date once you surrender the debt security for redemption. If only part of a debt security is redeemed, the trustee will deliver to you a new debt security of the same series for the remaining portion without charge.

We may make any redemption conditional upon the receipt by the paying agent, on or prior to the date fixed for redemption, of money sufficient to pay the redemption price. In this circumstance, if the paying agent has not received the money by the date fixed for redemption, we will not be required to redeem the debt securities.

## **Registration, Transfer and Exchange**

The debt securities will be issued without interest coupons unless otherwise indicated in the applicable prospectus supplement. Debt securities of any series will be exchangeable for other debt securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor, unless otherwise indicated in the applicable prospectus supplement.

Unless we otherwise indicate in the applicable prospectus supplement, debt securities may be presented for registration of transfer, duly endorsed or accompanied by a duly executed written instrument of transfer, at the office or agency maintained for this purpose, without service charge except for reimbursement of taxes and other governmental charges as described in the indenture.

In the event of any redemption of debt securities of any series, the trustee will not be required to exchange or register a transfer of any debt securities of the series selected, called or being called for redemption except the unredeemed portion of any debt security being redeemed in part.

## **Certain Covenants**

### ***Limitation on Liens***

The indenture provides that, so long as any debt securities are outstanding, we may not issue, assume, guarantee or permit to exist any Debt (as defined below) that is secured by any mortgage, security interest, pledge or lien ( Lien ) of or upon any of our Operating Property (as defined below), whether owned at the date of the indenture or subsequently acquired, without effectively securing such debt securities (together with, if we so determine, any of our other indebtedness ranking equally with such debt securities) equally and ratably with that Debt (but only so long as that Debt is so secured).

The foregoing restriction will not apply to:

- (1) Liens on any Operating Property existing at the time of its acquisition (which Liens may also extend to subsequent repairs, alterations and improvements to that Operating Property);
- (2) Liens on operating property of a corporation existing at the time such corporation is merged into or consolidated with, or at the time the corporation sells,

leases or otherwise disposes of its properties (or those of a division) as or substantially as an entirety to, us;

- (3) Liens on Operating Property to secure the costs of acquisition, construction, development or substantial repair, alteration or improvement of property or to secure Debt incurred to provide funds for any of those purposes or for reimbursement of funds previously expended for any of those purposes, provided the Liens are created or assumed contemporaneously with, or within 18 months after, the acquisition or the completion of substantial repair or alteration, construction, development or substantial improvement;
- (4) Liens in favor of any state or any department, agency or instrumentality or political subdivision of any state, or for the benefit of holders of securities issued by any such entity (or providers of credit

enhancement with respect to those securities), to secure any Debt (including, without limitation, our obligations with respect to industrial development, pollution control or similar revenue bonds) incurred for the purpose of financing or refinancing all or any part of the purchase price or the cost of substantially repairing or altering, constructing, developing or substantially improving property which at the time of such purchase, repair, alteration, construction, development or improvement was owned or operated by us;

- (5) Liens securing Debt outstanding as of the date of issuance of the debt securities as the first series of debt securities issued under the indenture;
- (6) Liens securing Debt which matures less than 12 months from its issuance or incurrence and is not extendible at our option;

- (7) Liens on Operating Property which is the subject of a lease agreement designating us as lessee and all of our right, title and interest in such Operating Property and such lease agreement, whether or not such lease agreement is intended as security;
  
- (8) Liens for taxes and similar levies, deposits to secure performance or obligations under certain specified circumstances and laws, mechanics and other similar Liens arising in the ordinary course of business, Liens created by or resulting from legal proceedings being contested in good faith, and certain other similar Liens arising in the ordinary course of business;

(9) Liens related to moneys held in trust by the trustee for the benefit of the holders of the debt securities; or

(10) any extension, renewal or replacement (or successive extensions, renewals or replacements), in whole or in part, of any Lien referred to in clauses (1) through (9), provided, however, that the principal amount of Debt secured thereby and not otherwise authorized by clauses (1) through (9), must not exceed the principal amount of Debt, plus any premium or fee payable in connection with the extension, renewal or replacement, so secured at the time of the extension, renewal or replacement.

However, the foregoing restriction will not apply to our issuance, assumption or guarantee of Debt secured by a Lien which would otherwise be subject to the foregoing restriction up to an aggregate amount which, together with all of

our other secured Debt then outstanding (not including secured Debt permitted under any of the foregoing exceptions) and the Value (as defined below) of Sale and Lease-Back Transactions (as defined below) existing at that time (other than Sale and Lease-Back Transactions the proceeds of which have been applied to the retirement of certain indebtedness, Sale and Lease-Back Transactions in which the property involved would have been permitted to be subjected to a Lien under any of the foregoing exceptions in clauses (1) to (10) and Sale and Lease-Back Transactions that are permitted by the first sentence of *Limitation on Sale and Lease-Back Transactions* below), does not exceed the greater of 15% of our Net Tangible Assets and 15% of Capitalization (as those terms are defined below), in each case, determined in accordance with generally accepted accounting principles ( GAAP ) and as of a date not more than 60 days prior to such issuance, assumption or guarantee of debt. As of June 30, 2008, our Net Tangible Assets were \$1.5 billion and our Capitalization was \$3.1 billion.

***Limitation on Sale and Lease-Back Transactions***

The indenture provides that so long as any debt securities are outstanding, we may not enter into or permit to exist, any Sale and Lease-Back Transaction with respect to any Operating Property (except for transactions involving leases for a term, including renewals, of not more than 48 months), if the purchasers' commitment is obtained more than 18 months after the later of the completion of the acquisition, construction or development of that Operating Property or the placing in operation of that Operating Property or of that Operating Property as constructed or developed or substantially repaired, altered or improved.

This restriction will not apply if:

The term **Capitalization**, as used above, means the total of all the following items appearing on, or included in, our consolidated balance sheet: (i) liabilities for indebtedness maturing more than 12 months from the date of determination; and (ii) common stock, preferred stock, premium on capital stock, capital surplus, capital in excess of par value, and retained earnings (however the foregoing may be designated), less, to the extent not otherwise deducted, the cost of shares of our capital stock held in our treasury.

The term **Debt**, as used above, means any outstanding debt for money borrowed evidenced by notes, debentures, bonds, or other securities.

The term **Net Tangible Assets**, as used above, means the amount shown as total assets on our consolidated balance sheet, less the following: (i) intangible assets including, but without limitation, such items as goodwill, trademarks, trade names, patents, and unamortized debt discount and expense and other regulatory assets carried as an asset on our consolidated balance sheet; (ii) current liabilities; and (iii) appropriate adjustments, if any, related to minority interests. Such amounts shall be determined in accordance with generally accepted accounting principles and practices applicable to the type of business in which we are engaged and may be determined as a date not more than sixty (60) days prior to the happening of the event for which such determination is being made.

The term **Operating Property**, as used above, means (i) any interest in real property owned by us and (ii) any asset owned by us that is depreciable in accordance with GAAP.

The term **Sale and Lease-Back Transaction**, as used above, means any arrangement with any person providing for the leasing to us of any Operating Property (except for leases for a term, including any renewals, of not more than 48 months), which Operating Property has been or is to be sold or transferred by us to such person; provided, however, Sale and Lease-Back Transaction does not include any arrangement first entered into prior to the date of the indenture and involving the exchange of any Operating Property for any property subject to an arrangement first entered into prior to the date of the indenture.

The term **Value**, as used above, means, with respect to a Sale and Lease-Back Transaction, as of any particular time, the amount equal to the greater of (i) the net proceeds to us from the sale or transfer of the property leased pursuant to the Sale and Lease-Back Transaction or (ii) the net book value of the property leased, as determined by us in

accordance with GAAP, in either case multiplied by a fraction, the numerator of which will be equal to the number of full years of the term of the lease that is part of the Sale and Lease-Back Transaction remaining at the time of determination and the denominator of which will be equal to the number of full years of the term of the lease, without regard, in any case, to any renewal or extension options contained in the lease.

**Consolidation, Merger, Conveyance, Sale or Transfer**

We have agreed not to consolidate with or merge into any other entity or convey, sell or otherwise transfer our properties and assets substantially as an entirety to any entity unless:

the successor  
is an entity  
organized and  
existing  
under the  
laws of the  
United States  
of America or  
any State of  
the United  
States or the  
District of  
Columbia;

the successor  
expressly  
assumes by a  
supplemental  
indenture the  
due and  
punctual  
payment of  
the principal  
of, and  
premium, if  
any, and  
interest, if  
any, on all the  
outstanding  
debt  
securities  
under the  
indenture and  
the  
performance  
of every  
covenant of  
the indenture  
that we would  
otherwise

have to  
perform or  
observe; and

immediately  
after giving  
effect to the  
transactions,  
no event of  
default with  
respect to any  
series of debt  
securities and  
no event  
which after  
notice or  
lapse of time  
or both would  
become an  
event of  
default with  
respect to any  
series of debt  
securities  
shall have  
occurred and  
be  
continuing.

**Modification of the Indenture**

Under the indenture or any supplemental indenture, the rights of the holders of debt securities may be changed with the consent of the holders representing a majority in principal amount of the outstanding debt securities of all series affected by the change, voting as one class, provided that the following changes may not be made without the consent of the holders of each outstanding debt security affected thereby:

change the  
fixed date  
upon which  
the principal  
of or the  
interest on  
any debt  
security is  
due and  
payable, or  
reduce the  
principal  
amount  
thereof or the  
rate of  
interest  
thereon or  
change the  
method of  
calculating  
such rate of  
interest or  
reduce any  
premium  
payable upon  
the  
redemption  
thereof, or  
reduce the  
amount of  
the principal  
of an original  
issue  
discount  
security that  
would be  
payable upon  
a declaration  
of  
acceleration  
of the  
maturity  
thereof, or

change the  
currency in  
which, any  
debt security  
or any  
premium, if  
any, or the  
interest  
thereon is  
payable, or  
impair the  
right to  
institute suit  
for the  
enforcement  
of any  
payment on  
or after the  
date such  
payment is  
due or, in the  
case of  
redemption,  
on or after  
the date fixed  
for such  
redemption;

reduce the  
stated  
percentage of  
debt  
securities,  
the consent  
of the  
holders of  
which is  
required for  
any  
modification  
of the  
applicable  
indenture or  
for waiver by  
the holders  
of certain of  
their rights;  
or

modify  
certain

provisions of  
the  
indenture.

An original issue discount security means any security authenticated and delivered under the indenture which provides for an amount less than the principal amount thereof to be due and payable upon the declaration of acceleration of the maturity thereof.

The indenture also permits us and the trustee to amend the indenture without the consent of the holders of any debt securities for any of the following purposes:

to evidence  
the  
assumption  
by any  
permitted  
successor of  
our  
covenants in  
the  
indenture  
and in the  
debt  
securities;

to add to the  
covenants  
with which  
we must  
comply or to  
surrender  
any of our  
rights or  
powers  
under the  
indenture;

to add  
additional  
events of  
default;

to change,  
eliminate, or  
add any  
provision to  
the  
indenture;  
provided,  
however, if  
the change,

elimination,  
or addition  
will  
adversely  
affect the  
interests of  
the holders  
of debt  
securities of  
any series,  
other than  
any series  
the terms of  
which  
permit such  
change,  
elimination  
or addition,  
in any  
material  
respect,  
such  
change,  
elimination,  
or addition  
will become  
effective  
with respect  
to such  
series only:

- (1) when the  
consent of  
the holders  
of debt  
securities of  
such series  
has been  
obtained in  
accordance  
with the  
indenture;  
or
- (2) when no  
debt  
securities of  
such series  
remain  
outstanding  
under the

indenture;

to provide  
collateral  
security for all  
of the debt  
securities;

to establish the  
form or terms  
of debt  
securities of  
any other series  
as permitted by  
the indenture;

to provide for  
the  
authentication  
and delivery of  
bearer  
securities and  
coupons  
attached  
thereto and for  
the registration,  
exchange and  
replacement  
thereof and for  
the giving of  
notice to, and  
the solicitation  
of the vote or  
consent of the  
holders of the  
debt securities;

to evidence and  
provide for the  
acceptance of  
appointment of  
a successor  
trustee;

to provide for  
the procedures  
required for use  
of a  
noncertificated  
system of  
registration for

the debt  
securities of all  
or any series;

to change any  
place where  
debt securities  
may be  
surrendered for  
registration of  
transfer or  
exchange, and  
notices to us  
may be served;  
or

to cure any ambiguity or inconsistency or to make any other provisions with respect to matters and questions arising under the indenture; provided that such action shall not adversely affect the interests of the holders of debt securities of any series in any material respect.

**Events of Default**

An event of default with respect to any series of debt securities is defined in the indenture as being any one of the following:

failure to pay interest on the debt securities of that series for 30 days after payment is due, provided, however, if applicable to that series, that a valid extension of the interest payment period by us as contemplated in the indenture will not constitute a failure to pay

interest;

failure to pay principal of or any premium on the debt securities of that series when due, whether at stated maturity or upon earlier acceleration or redemption;

failure to perform or breach of any covenant or warranty in the indenture for 90 days after we are given written notice from the trustee or the trustee receives written notice from the registered owners of at least 33% in principal amount of the debt securities of that series; however, the trustee or the trustee and the holders of such principal amount of debt securities of that series can agree to an extension of the 90-day period and such an agreement to extend will automatically be deemed to

occur if we are  
diligently  
pursuing action  
to correct the  
default;

certain events  
of bankruptcy,  
insolvency,  
reorganization,  
receivership or  
liquidation  
relating to us;  
and

any other event  
of default  
included in the  
supplemental  
indenture,  
board  
resolution or  
officer's  
certificate for  
that series of  
debt securities.

An event of default regarding a particular series of debt securities will not necessarily constitute an event of default for any other series of debt securities.

We will be required to file annually with the trustee an officer's certificate as to the absence of default in performance of certain covenants in the indenture. The indenture provides that the trustee may withhold notice to the holders of the debt securities of any default, except in the case of default in the payment of principal of, or premium, if any, or interest, if any, on the debt securities or in the payment of any sinking fund installment with respect to the debt securities, if the trustee in good faith determines that it is in the interest of the holders of the debt securities to do so.

The indenture provides that, if an event of default with respect to the debt securities of any series occurs and continues, either the trustee or the holders of 33% or more in aggregate principal amount of the debt securities of that series may declare the principal amount of all the debt securities to be due and payable immediately. However, if the event of default is applicable to all outstanding debt securities under the indenture, or if related to certain events of bankruptcy, insolvency, reorganization, arrangement, adjustment, composition or other similar events, only the trustee or holders of at least 33% in principal amount of all outstanding debt securities of all series, voting as one class, and not the holders of any one series, may make such a declaration of acceleration.

At any time after a declaration of acceleration with respect to the debt securities of any series has been made and before a judgment or decree for payment of the money due has been obtained, the event of default giving rise to such declaration of acceleration will be considered waived, and such declaration and its consequences will be considered rescinded and annulled, if:

we have  
paid or

deposited  
with the  
trustee a  
sum  
sufficient  
to pay:

- (1) all  
overdue  
interest, if  
any, on all  
debt  
securities  
of that  
series,
  
- (2) the  
principal  
of and  
premium,  
if any, on  
any debt  
securities  
of that  
series  
which  
have  
otherwise  
become  
due and  
interest, if  
any, that  
is  
currently  
due,  
including  
interest on  
overdue  
interest, if  
any, and

(3) all  
amounts  
due to the  
trustee  
under the  
indenture;  
and

any other  
event of  
default with  
respect to the  
debt  
securities of  
that series  
other than  
the  
nonpayment  
of principal  
of the  
securities of  
such series  
which shall  
have become  
due solely by  
such  
declaration  
of  
acceleration,  
has been  
cured or  
waived as  
provided in  
the  
indenture.

There is no automatic acceleration, even in the event of our bankruptcy, insolvency or reorganization.

Subject to the provisions of the indenture relating to the duties of the trustee, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request or direction of any of the holders of the debt securities, unless the holders shall have offered to the trustee reasonable indemnity, against costs, expenses and liabilities which might be incurred by it in compliance with the request or direction.

Subject to the provision for indemnification, the holders of a majority in principal amount of the debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee with respect to the debt securities of that series. However, if the event of default relates to more than one series of debt securities, only the holders of a majority in aggregate principal amount of all affected series will have the right to give this direction. However, the trustee shall have the right to decline to follow any direction if the trustee shall determine that the action so directed conflicts with any law or the provisions of the indenture or if the trustee shall determine that the action would be prejudicial to holders not taking part in the direction.

**Satisfaction and Discharge**

We will be discharged from our obligations on the debt securities of any series, or any portion of the principal amount of the debt securities of any series, if we:

- (1) irrevocably deposit with the trustee sufficient cash or eligible obligations (or a combination of both) to pay any principal, or portion of principal, interest, premium and other sums when due on the debt securities at their maturity, stated maturity date, or redemption; and
- (2) deliver to the trustee:
  - (a) a company order stating that the money and eligible obligations deposited in accordance with the indenture shall be held in trust and certain opinions of

counsel and  
of an  
independent  
public  
accountant;

- (b) if such  
deposit shall  
have been  
made prior to  
the maturity  
of the debt  
securities of  
the series, an  
officer's  
certificate  
stating our  
intention that,  
upon delivery  
of the officer's  
certificate,  
our  
indebtedness  
in respect of  
those debt  
securities, or  
the portions  
thereof, will  
have been  
satisfied and  
discharged as  
contemplated  
in the  
indenture; and
  
- (c) an opinion of  
counsel to the  
effect that, as  
a result of a  
change in law  
or a ruling of  
the United  
States Internal  
Revenue  
Service, the  
holders of the  
debt securities  
of the series,  
or portions  
thereof, will  
not recognize

income, gain  
or loss for  
United States  
federal  
income tax  
purposes as a  
result of the  
satisfaction  
and discharge  
of our  
indebtedness  
and will be  
subject to  
United States  
federal  
income tax on  
the same  
amounts, at  
the same  
times and in  
the same  
manner as if  
we had not so  
satisfied and  
discharged  
our  
indebtedness.

For this purpose, eligible obligations include direct obligations of, or obligations unconditionally guaranteed by, the United States entitled to the benefit of the full faith and credit thereof and certificates, depositary receipts or other instruments which evidence a direct ownership interest in such obligations or in any specific interest or principal payments due in respect thereof and which do not contain provisions permitting their redemption or other prepayment at the option of the issuer thereof.

In the event that all of the conditions set forth above have been satisfied for any series of debt securities, or portions thereof, except that, for any reason, we have not delivered the officer's certificate and opinion described in clauses (b) and (c) above, the holders of those debt securities

will no longer be entitled to the benefits of certain of our covenants under the indenture, including the covenant described above in Limitation on Liens. Our indebtedness in respect of those debt securities, however, will not be deemed to have been satisfied and discharged prior to maturity, and the holders of those debt securities may continue to look to us for payment of the indebtedness represented thereby.

The indenture will be deemed satisfied and discharged when no debt securities remain outstanding and when we have paid all other sums payable by us under the indenture. All moneys we pay to the trustee or any paying agent on debt securities which remain unclaimed at the end of two years after payments have become due will be paid to us or upon our order. Thereafter, the holder of those debt securities may look only to us for payment and not the trustee or any paying agent.

### **Resignation or Removal of Trustee**

The trustee may resign at any time by giving written notice to us specifying the day upon which the resignation is to take effect. The resignation will take effect immediately upon the later of the appointment of a successor trustee and the specified day.

The trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the trustee and us and signed by the holders, or their attorneys-in-fact, representing a majority in principal amount of the then outstanding debt securities. In addition, under certain circumstances, we may remove the trustee upon notice to the holder of each debt security outstanding and the trustee, and appointment of a successor trustee.

### **Concerning the Trustee**

The Bank of New York Mellon Trust Company, N.A. is the successor trustee under the indenture. We and our affiliates maintain other banking relationships in the ordinary course of business with the trustee and its affiliates.

### **Governing Law**

The indenture and the debt securities are governed by and construed in accordance with the laws of the State of New York, except to the extent that the law of any other jurisdiction shall be mandatorily applicable.

## **DESCRIPTION OF SENIOR SECURED DEBT SECURITIES**

The senior secured debt securities that we may offer from time to time by this prospectus may be issued as first mortgage bonds under our Mortgage and Deed of Trust dated July 1, 1940, as amended and supplemented, or the mortgage indenture, to JPMorgan Chase Bank, N.A., as trustee, or the mortgage trustee. Alternatively, we may issue senior secured debt securities as senior secured notes under a separate indenture with a trustee where the trustee holds first mortgage bonds issued under our mortgage indenture that are pledged as security for the benefit of holders of the senior secured notes. The particular terms of any series of our first mortgage bonds or senior secured notes and the material provisions of our mortgage indenture and, as applicable, any senior secured note indenture will be described in the applicable prospectus supplement.

## **PLAN OF DISTRIBUTION**

We may sell securities to one or more underwriters or dealers for public offering and sale by them, or we may sell the securities to investors directly or through agents. The prospectus supplement relating to the securities being offered will set forth the terms of the offering and the method of distribution and will identify any firms acting as underwriters, dealers or agents in connection with the offering, including:

the name or  
names of any  
underwriters;

the purchase  
price of the  
securities and  
the proceeds to  
us from the  
sale;

any  
underwriting  
discounts and  
other items  
constituting  
underwriters  
compensation;

any public  
offering price;

any discounts  
or concessions  
allowed or  
reallowed or  
paid to dealers;  
and

any securities  
exchange or  
market on  
which the  
securities may  
be listed.

Only those underwriters identified in the prospectus supplement are deemed to be underwriters in connection with the securities offered in the prospectus supplement.

We may distribute the securities from time to time in one or more transactions at a fixed price or prices, which may be changed, or at prices determined as the prospectus supplement specifies. We may sell securities through forward contracts or similar arrangements. In connection with the sale of securities, underwriters, dealers or agents may be deemed to have received compensation from us in the form of underwriting discounts or commissions and also may receive commissions from securities purchasers for whom they may act as agent. Underwriters may sell the securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions from the purchasers for whom they may act as agent.

We may sell the securities directly or through agents we designate from time to time. Any agent involved in the offer or sale of the securities covered by this prospectus will be named in a prospectus supplement relating to such securities. Commissions payable by us to agents will be set forth in a prospectus supplement relating to the securities being offered. Unless otherwise indicated in a prospectus supplement, any such agents will be acting on a best-efforts basis for the period of their appointment.

Some of the underwriters, dealers or agents and some of their affiliates who participate in the securities distribution may engage in other transactions with, and perform other services for, us and our subsidiaries or affiliates in the

ordinary course of business.

Any underwriting or other compensation which we pay to underwriters or agents in connection with the securities offering, and any discounts, concessions or commissions which underwriters allow to dealers, will be set forth in the applicable prospectus supplement. Underwriters, dealers and agents participating in the securities distribution may be deemed to be underwriters, and any discounts and commissions they receive and any profit they realize on the resale of the securities may be deemed to be underwriting discounts and commissions under the Securities Act.

Underwriters, and their controlling persons, and agents may be entitled, under agreements we enter into with them, to indemnification against certain civil liabilities, including liabilities under the Securities Act.

### **LEGAL MATTERS**

Unless otherwise indicated in the applicable prospectus supplement, the validity of the securities offered under this prospectus will be passed upon for us by Wendy E. Stark, Esq., Associate General Counsel of our parent corporation, FirstEnergy, and Akin Gump Strauss Hauer & Feld LLP, New York, New York. As of August 31, 2008, Ms. Stark owned approximately 6,186.857 shares of common stock of FirstEnergy and 3,618.72 shares of unvested restricted stock units. Additional legal matters may be passed on for us, or any underwriters, dealers or agents, by counsel we will name in the applicable prospectus supplement.

### **INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The financial statements incorporated in this prospectus by reference to our Annual Report on Form 10-K for the year ended December 31, 2007, have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

With respect to our unaudited financial information for the three-month periods ended March 31, 2008 and 2007 and for the three-month and six-month periods ended June 30, 2008 and 2007, incorporated by reference in this prospectus, PricewaterhouseCoopers LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate reports dated May 7, 2008 and August 7, 2008 for the quarter ended March 31, 2008 and for the quarter and six-month periods ended June 30, 2008, respectively, incorporated by reference herein states that they did not audit and they do not express an opinion on that unaudited financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. PricewaterhouseCoopers LLP is not subject to the liability provisions of Section 11 of the Securities Act for their reports on the unaudited financial information because those reports are not a report or a part of the registration statement prepared or certified by PricewaterhouseCoopers LLP within the meaning of Sections 7 and 11 of the Securities Act.
