ACL SEMICONDUCTORS INC. PROXY STATEMENT

This proxy statement is being furnished to our stockholders beginning on or about September 8, 2011 in connection with the solicitation of proxies by the ACL Semiconductors Inc. Board of Directors to be used at our Annual Meeting of Stockholders (the Annual Meeting) to be held at 4:00 p.m. (Hong Kong Time) on Monday, October 10, 2011 at Foo Lum Fishman's Wharf Restaurant located at 1/F., Tower 1, Enterprise Square, 9 Sheung Yuet Road, Kowloon Bay, Kowloon, Hong Kong, and at all adjournments or postponements of the Annual Meeting for the purposes listed in the preceding Notice of Annual Meeting of Stockholders.

INFORMATION AND Q&A ABOUT THE ANNUAL MEETING

When is the Annual Meeting?

October 10, 2011, 4:00 p.m. (Hong Kong Time).

Where will the Annual Meeting be held?

The annual meeting will be held at Foo Lum Fishman's Wharf Restaurant located at 1/F., Tower 1, Enterprise Square, 9 Sheung Yuet Road, Kowloon Bay, Kowloon, Hong Kong.

What is being considered at the meeting?

At the Meeting, Shareholders will consider and vote on the following proposals:

1. To elect seven incumbent directors to the Board of Directors to serve until the 2012 Annual Meeting of Shareholders or until their successors have been duly elected or appointed and qualified (Proposal 1);
2. To ratify the Board of Directors' appointment of Albert Wong & Co. as Company's auditors for the year 2011 (Proposal 2); and
3. To transact such other business as may properly come before the meeting or any adjournment or postponements thereof.

In addition, our management will report on our progress and respond to your questions.

Who is entitled to vote at the meeting?

You may vote at the Annual Meeting if you owned Common Stock as of the close of business on Record Date which is September 2, 2011. Each share of Common Stock is entitled to one vote.

YOUR BOARD OF DIRECTORS HAS APPROVED THE PROPOSALS SET FORTH HEREIN.

ACCORDINGLY, THE BOARD RECOMMENDS A VOTE FOR THE RE-ELECTION OF THE SEVEN INCUMBENT DIRECTORS, AND FOR THE RATIFICATION OF THE BOARD OF DIRECTORS' REAPPOINTMENT OF COMPANY'S AUDITORS FOR THE YEAR 2011.

How do I vote?

You can vote in two ways:

by attending the Annual Meeting at 4:00 p.m. (Hong Kong Time) on Monday, October 10, 2011 at Foo Lum Fishman's Wharf Restaurant located at 1/F., Tower 1, Enterprise Square, 9 Sheung Yuet Road, Kowloon Bay, Kowloon, Hong Kong, and at any adjournment or postponements thereof

and voting thereat; or

by completing, signing, dating and returning the enclosed Proxy Card.

What if I return my Proxy Card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted **FOR** the re-election of the three candidates as directors, and **FOR** the ratification of the Board of Directors' reappointment of Company's auditors, and **FOR** all other matters described in the attached Notice of Annual Meeting and Proxy Statement.

What does it mean if I receive more than one Proxy Card?

It means you may have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares of Common Stock. We recommend that you contact your broker (if are the beneficial owner of our shares in street name) or our transfer agent (if you are a stockholder of record) to consolidate as many accounts as possible under the same name and address. Our transfer agent is American Stock Transfer & Trust Company, LLC, 59 Maiden Lane New York, 10038, telephone (800) 937-5449.

Will my shares be voted if I do not provide my Proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a Proxy.

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' un-voted shares on certain routine matters. The re-election of Company's Directors is not considered a routine matter. When a brokerage firm votes its customers' un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to ratifying the Board of Directors' reappointment of Albert Wong & Co. as Company's auditors for the year 2011.

How do I vote in person if I hold shares registered in the name of a broker or bank?

If, on Record Date which is September 2, 2011, your shares were not held in your name, but rather were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and a Notice of Proxy Materials was forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares held in your account. Because you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent and bring such proxy to the annual meeting. If you want to attend the Annual Meeting, and/or vote at the Annual Meeting, you must become a registered owner by asking your broker to do one of the following:

Certificate your position, in which case you will receive an actual certificate for your stock (the broker may charge you an additional fee for this service and you would lose some ability to quickly sell your shares because you would have to physically deliver the certificate to do so); or

Move your holdings into a direct registration system or DRS account at the company. DRS is a system that allows investors to hold the securities electronically on the records of the company and to electronically transfer those securities between the company and their broker.

Before requesting a certificate or moving your shares into DRS form, you should contact your broker-dealer to determine the process, timeframes, and fees associated with certificating the securities held in the investor's broker-dealer account.

Edgar Filing: ACL SEMICONDUCTORS INC - Form DEF 14A

Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy in advance of the Annual Meeting to ensure your vote is counted.

Can I change my mind after I return my Proxy?

Yes. You may change your vote at any time before your Proxy is voted at the Annual Meeting. If you are a shareholder of record, you can do this by giving written notice to your respective corporate secretary, by submitting another Proxy with a later date, or by attending the Annual Meeting and voting in person. If you are a shareholder in street or nominee name, you should consult with the bank, broker or other nominee regarding that entity's procedures for revoking your voting instructions.

How many shares are eligible to be voted at the Annual Meeting?

The record date for the Annual Meeting is September 2, 2011. Only shareholders of record at the close of business on [Record Date], will be entitled to vote at the Annual Meeting. At the close of business on that date, there were issued and outstanding 28,925,436 shares of the Company's Common Stock entitled to one vote per share.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a Proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares of Common Stock as of September 2, 2011 must be present in person or by proxy at the meeting. This is referred to as a quorum. On September 2, 2011, there were 28,925,436 shares of Common Stock outstanding and entitled to vote. If a quorum is not present, then either the chairman of the meeting or the shareholders entitled to vote at the meeting may adjourn the meeting until a later time. Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast. Abstentions and broker non-votes (shares held by brokers or nominees as to which they have no discretionary authority to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote thereon) will have no effect on the vote for re-election of directors.

What vote is required to ratify the Board of Directors reappointment of Company's auditors for the year 2011?

Ratification of the Board of Directors reappointment of Albert Wong & Co. as Company's auditors for the year 2011 will require an affirmative vote of the majority of the votes cast in person or by proxy, provided that a quorum is present at the Meeting. Only proxies indicating votes FOR, AGAINST or ABSTAIN on this proposal or providing the designated proxies with the right to vote in their judgment and discretion on this proposal are counted to determine the number of shares present and entitled to vote. Broker non-votes and abstentions will have no effect on the results of the vote on this proposal.

How will voting on any other business be conducted?

Although we do not know of any business to be conducted at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business comes before the Annual Meeting, your signed Proxy Card gives authority to the Proxy holders to vote on those matters at their discretion.

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the Proxy Card and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or other regular employees.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published on a Current Report on Form 8-K within four business days after conclusion of the Annual Meeting.

When are shareholder proposals for the 2012 Annual Meeting due?

Any shareholder proposals for the 2012 annual meeting must be received by us, directed to the attention of the Company's Chief Executive Officer, Chung-Lun Yang, ACL Semiconductors Inc., Room 1701, 17/F., Tower 1, Enterprise Square, 9 Sheung Yuet Road, Kowloon Bay, Kowloon, Hong Kong no later than July 1, 2012. The use of certified mail, return receipt requested, is advised. To be eligible for inclusion, a proposal must comply with our Bylaws, Rule 14a-8 and all other applicable provisions of Regulation 14A under the Securities Exchange Act of 1934.

PROPOSAL 1**RE-ELECTION OF DIRECTORS**

At the Annual Meeting, three individuals will be elected to serve as directors until the next annual meeting or until their successors are duly elected, appointed and qualified. The Company's Board of Directors currently consists of five persons. The three individuals who are nominated for re-election to the Board of Directors are existing directors of the Company. Unless a shareholder WITHHOLDS AUTHORITY, a properly signed and dated Proxy will be voted FOR ALL of the three persons named below to serve as directors, unless the Proxy contains contrary instructions. Management has no reason to believe that any of the nominees will not be a candidate or will be unable to serve as a director. However, in the event any nominee is not a candidate or is unable or unwilling to serve as a director at the time of the re-election, unless the shareholder WITHHOLDS AUTHORITY from voting, the proxies will be voted FOR any nominee who shall be designated by the present Board of Directors to fill such vacancy.

The seven current Directors to be considered for re-election are Chung-Lun Yang, Kun Lin Lee, Kenneth Lap Yin Chan, Man Sing Lai, Ho Man Yeung, Hung Ming Joseph Chu, and Wing Sun Leung.

Our Directors will generally serve one-year terms and shall hold office until the 2012 annual meeting of shareholders and until his successor has been duly elected, appointed and qualified. If all the nominees are elected, the Board of Directors will consist of seven incumbent directors.

Unless Proxy Cards are otherwise marked, the persons named as proxies will vote all proxies received FOR the re-election of each nominee named in this section.

At each annual meeting of shareholders, directors will be elected by the holders of Common Stock to succeed those directors whose terms are expiring. Directors will be elected annually and will serve until successors are duly elected and qualified or until a director's earlier death, resignation or removal. Our bylaws provide that the authorized number of directors may be changed by action of the majority of the Board of Directors or by a vote of the shareholders of our Company. Vacancies in our Board of Directors may be filled by a majority vote of the Board of Directors with such newly appointed director to serve until the next annual meeting of shareholders, unless sooner removed or replaced.

Corporate Governance - Board Leadership Structure

Our Company is led by Chung-Lun Yang, who has served as Chairman of our Board of Directors and Chief Executive Officer since September 2003. We believe that having Mr. Yang act in both these roles is most appropriate for the Company at this time because it provides the Company with consistent and efficient leadership, both with respect to the Company's operations and the leadership of the Board. In particular, having Mr. Yang act in both these roles increases the timeliness and effectiveness of the Board's deliberations, increases the Board's visibility into the day-to-day operations of the Company, and ensures the consistent implementation of the Company's strategies.

Board's Role in Risk Oversight

The Board as a whole has responsibility for risk oversight. The oversight responsibility of the Board is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession, compensation, compliance, and other risks.

Director Independence

As the Over-the-Counter Bulletin Board, on which the Company's shares of Common Stock are quoted, has no independence requirements, the Company has adopted the independence definitions of NASDAQ in determining whether our directors are independent. The discussion below reflects such standards of independence.

Our Board of Directors has determined that none of our directors qualify as independent as the term is used in Item 407 of Regulation S-K as promulgated by the SEC and as that term is defined under NASDAQ Rule 4200(a) (15).

Board Meetings and Committees; Annual Meeting Attendance

Our Board of Directors has not adopted any committees to the Board of Directors. Our Board of Directors had not held any formal meetings during the most recently completed fiscal year. Proceedings of the Board of Directors were conducted by resolutions consented to in writing by all the directors and filed with the minutes of the proceedings of the directors. Such resolutions consented to in writing by the directors entitled to vote on that resolution at a meeting of the directors are, according to the corporate laws of the State of Delaware and our bylaws, as valid and effective as if they had been passed at a meeting of the directors duly called and held.

We currently do not have a policy regarding the attendance of board members at the annual meeting of shareholders.

Audit Committee

Our Audit Committee established on January 20, 2011, acts pursuant to our Audit Committee Charter. A copy of our audit committee charter is available at <http://www.acl-semicon.com>

Man Sing Lai, Ho Man Yeung and Wing Sun Leung currently serve on our audit committee. Messrs. Lai, Yeung and Leung are each independent directors as required by Section 301 of the Sarbanes-Oxley Act of 2002, Rule 10A(3)(b)(1) of the Securities Exchange Act of 1934 and Section 5605 of the NASDAQ Corporate Governance Rules. Mr. Lai serves as the Chairman of our audit committee and qualifies as a audit committee financial expert. Our audit committee, among other things:

selects the independent auditors, considering independence and effectiveness;

receives the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with the independent accountant the

independent accountant's independence;

The audit committee has the sole and direct responsibility for appointing, evaluating and retaining our independent auditors and for overseeing their work.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the board of directors is comprised entirely of independent directors who meet the independence requirements of NASDAQ and the SEC. The Committee operates pursuant to a charter that is available on the Management Team section of our website.

Compensation of Directors and Executive Officers

COMPENSATION DISCUSSION AND ANALYSIS

Summary

Our approach to executive compensation is influenced by our belief in rewarding people for consistently strong execution and performance. We believe that the ability to attract and retain qualified executive officers and other key employees is essential to our long term success.

Our plan to obtain and retain highly skilled employees is to provide market competitive salaries and also incentive awards. Our approach is to link individual employee objectives with overall company strategies and results, and to reward executive officers and significant employees for their individual contributions to those strategies and results. We use compensation and performance data from comparable companies in the electronics distribution industry to establish market competitive compensation and performance standards for our employees. Furthermore, we believe that equity awards serve to align the interests of our executives with those of our stockholders. As such, we intend for equity to become a key component of our compensation program.

Named Executive Officer

The named executive officers for the fiscal year ended December 31, 2010 is Chung-Lun Yang, our Chief Executive Officer. Total compensation for each of Kun Lin Lee, our Chief Financial Officer, Kenneth Lap-Yin Chan, our Chief Operating Officer; and Ming Yan Leung, our Chief Technology Officer is less than \$100,000, and thus their respective compensation are not included in our executive compensation tables or disclosure.

OUR EXECUTIVE COMPENSATION PROGRAM

Overview

The primary elements of our executive compensation program are base salary, incentive cash and stock bonus opportunities and equity incentives typically in the form of stock option grants. Although we provide other types of compensation, these three elements are the principal means by which we provide the Named Executive Officers with compensation opportunities.

The emphasis on the annual bonus opportunity and equity compensation components of the executive compensation program reflect our belief that a large portion of an executive's compensation should be performance-based. This compensation is performance-based because payment is tied to the achievement of corporate performance goals. To the extent that performance goals are not achieved, executives will receive a lesser amount of total compensation. We have entered into employment agreements with four of our Named Executive Officers. Such employment agreements set forth base salaries, bonuses and stock option grants. Such stock option grants are predicated on our achievement of corporate performance goals as set forth in such agreements.

ELEMENTS OF OUR EXECUTIVE COMPENSATION PROGRAM

Base Salary

We pay a base salary to certain of the Named Executive Officers. In general, base salaries for the Named Executive Officers are determined by evaluating the responsibilities of the executive's position, the

Edgar Filing: ACL SEMICONDUCTORS INC - Form DEF 14A

executive's experience and the competitiveness of the marketplace. Base salary adjustments are considered and take into account changes in the executive's responsibilities, the executive's performance and changes in the competitiveness of the marketplace. We believe that the base salaries of the Named Executive Officers are appropriate within the context of the compensation elements provided to the executives and because they are at a level which remains competitive in the marketplace.

Bonuses

The Board of Directors may authorize us to give discretionary bonuses, payable in cash or shares of Common Stock, to the Named Executive Officers and other key employees. Such bonuses are designed to motivate the Named Executive Officers and other employees to achieve specified corporate, business unit and/or individual, strategic, operational and other performance objectives.

Stock Options

Stock options constitute performance-based compensation because they have value to the recipient only if the price of our Common Stock increases. We have not granted any stock options to any of our Named Executive Officers and the grant of stock options to Named Executive Officers is not a material factor in making compensation determinations with respect to our Named Executive Officers. However, we have in the past used stock options as incentives for our other employees. Stock options generally vest over time, with attainment of a corporate goal, or a combination of the two. The grant of stock options is designed to motivate our employees to achieve our short term and long term corporate goals.

Retirement and Deferred Compensation Benefits

We do not have any arrangements with the Named Executive Officers to provide them with retirement and/or deferred compensation benefits.

Perquisites

There were no perquisites provided to the Named Executive Officers.

Post-Termination/Change of Control Compensation

We do not have any arrangements with the Named Executive Officers to provide them with compensation following termination of employment.

Tax Implications of Executive Compensation

Our aggregate deductions for each Named Executive Officer compensation are potentially limited by Section 162(m) of the Internal Revenue Code to the extent the aggregate amount paid to an executive officer exceeds \$1 million, unless it is paid under a predetermined objective performance plan meeting certain requirements, or satisfies one of various other exceptions specified in the Internal Revenue Code. At our 2010 Named Executive Officer compensation levels, we did not believe that Section 162(m) of the Internal Revenue Code would be applicable, and accordingly, we did not consider its impact in determining compensation levels for our Named Executive Officers in 2010.

Hedging Policy

We do not permit the Named Executive Officers to hedge ownership by engaging in short sales or trading in any options contracts involving our securities.

Option Exercises and Stock Vested

No options have been exercised by our Named Executive Officers during the fiscal year ended December 31, 2010.

Pension Benefits

Under the Mandatory Provident Fund (MPF) Scheme Ordinance in Hong Kong, the Company is required to set up or participate in an MPF scheme to which both the Company and employees must make continuous contributions throughout their employment based on 5% of the employees' earnings, subject to maximum and minimum level of income. For those earning less than the minimum level of income, they are not required to contribute but may elect to do so. However, regardless of the employees

Edgar Filing: ACL SEMICONDUCTORS INC - Form DEF 14A

election, their employers must contribute 5% of the employees' income. Contributions in excess of the maximum level of income are voluntary. All contributions to the MPF scheme are fully and immediately vested with the employees' accounts. The contributions must be invested and accumulated until the employees' retirement.

Nonqualified Deferred Compensation

We do not have any defined contribution or other plan that provides for the deferral of compensation on a basis that is not tax-qualified.

Employment Agreements

We have entered into employment agreements with our Mr. Yang, which sets the base salary as set forth in our summary compensation table.

Executive Officer Compensation

The following table sets forth the annual and long-term compensation of our Named Executive Officers for services in all capacities to the Company for the last two fiscal years ended December 31, 2010 and December 31, 2009.
