**Item 2. Acquisition or Disposition of Assets.**

On September 15, 2003, Callaway Golf Company (the Company), completed the acquisition of substantially all of the assets of TFGC Estate Inc. (f/k/a The Top-Flite Golf Company, f/k/a Spalding Sports Worldwide, Inc., the Seller) and thereafter completed the valuation and settlement of certain additional assets related to Seller's international operations (the Acquisition). The Acquisition was consummated pursuant to the terms of the Asset Purchase Agreement between the Seller and the Company, dated as of June 30, 2003, as amended (the Asset Purchase Agreement). The purchase price was initially determined through arms-length negotiation between the parties and was subject to certain contingencies, including the approval of the Acquisition by the U.S. Bankruptcy Court. In connection with the approval process, the court approved the Company as the stalking horse bidder, permitting other qualified bidders to submit higher and better bids for the subject assets than the Company's bid. The court-ordered auction was conducted on September 3, 2003. The Company made the prevailing bid which was approved by the bankruptcy court on September 4, 2003.

Pursuant to the court-approved bid, the Company agreed to acquire the Seller's assets for approximately \$174.3 million (approximately \$169.3 million cash and the assumption of approximately \$5.0 million of debt) and the assumption of certain operating obligations. The cash portion of the purchase price was subject to adjustments for the amount of working capital delivered at closing. The Seller delivered working capital (primarily inventory and accounts receivable), fixed assets (primarily plant and manufacturing equipment), and all of Seller's golf patents, trademarks and intellectual property. Based on the actual amount of inventory and accounts receivable delivered, and certain other adjustments, the cash portion of the purchase price was adjusted downward by approximately \$10.1 million. Accordingly, the adjusted cash portion of the purchase price was approximately \$159.2 million. The purchase price is subject to further adjustment based upon the Company's confirmation of the value of working capital acquired in connection with the Acquisition.

The Company paid the cash purchase price for the Acquisition out of cash on hand. The Company intends to continue the U.S. and foreign operation of the acquired golf business, including the use of acquired assets in the manufacture of golf balls and golf clubs and the commercialization of existing Top-Flite, Strata and Ben Hogan brands, patents and trademarks.
