The meeting will be held at the Company's offices, 111 Monument Circle, Suite 4800, Indianapolis, Indiana 46204. This Proxy Statement and accompanying form of proxy have been mailed to stockholders on or about August 30, 2002.

GENERAL INFORMATION

Who can vote at the Annual Meeting?

Only stockholders of record as of August 20, 2002, are entitled to notice of, and to vote at, the Annual Meeting. The holders of the Company's Common Stock and the holders of the Company's Series C Preferred Stock will vote together as a class on the matters to be considered. Each share of the Company's Common Stock is entitled to one vote and each share of Series C Preferred Stock is entitled to 20 votes on the matters to be voted on at the Annual Meeting.

How do I vote by proxy?

The enclosed proxy is designed to permit each stockholder of record of the Company's Common Stock at the close of business on August 20, 2002, to vote at the Annual Meeting. All properly executed proxies delivered pursuant to this solicitation will be voted at the meeting in accordance with the instructions of the stockholders given in the proxies. In the absence of such instructions, the shares of the Company's Common Stock represented by proxy will be voted FOR the election of the seven nominees for director and FOR the ratification of the appointment of the independent auditors. The named proxies will vote the proxy in their discretion on other matters that may properly come before the meeting. A proxy may be revoked any time before the meeting by delivering to the Company's Secretary a written notice of revocation or a later-dated proxy. A stockholder of record also may revoke a proxy by voting in person at the meeting.

What will the stockholders vote on at the Annual Meeting?

The only items of business will be the election of directors and the ratification of the appointment of the independent auditors.

Will there be any other items of business to vote on?

Management is not aware of any other matters to be presented at the meeting and has not received notice from any stockholders requesting that other matters be considered.

What constitutes a quorum?

A majority of the outstanding shares of the Company entitled to vote at the meeting, present or represented by proxy, constitutes a quorum for the Annual Meeting. As of August 20, 2002, the record date, 36,007,855 shares of the

Edgar Filing: OBSIDIAN ENTERPRISES INC - Form DEF 14A

Company's Common Stock, and 4,425,274 shares of the Company's Series C Preferred Stock (having 20 votes per share), were issued and outstanding.

How many votes are required for the election of directors?

The nominees for election as directors of the Company named in the Proxy Statement will be elected by a plurality of the votes cast. Abstentions are counted for purposes of determining the presence or absence of a quorum but are not considered votes cast. Brokerage firms generally have authority to vote customers' shares held in street name for the election of directors and on other matters that are considered "routine." Shares held by brokers in street name and for which the brokers do not have discretion to vote are called "broker non-votes." Broker non-votes are counted to determine if a quorum is present but are not considered votes cast. Broker non-votes will not affect the determination of whether a nominee has received a plurality of the votes cast.

COMPENSATION COMMITTEE

REPORT OF THE COMPENSATION COMMITTEE

October 31, 2001

Compensation Policies and Determination of Compensation Subsequent to the Reorganization

In connection with the change of control and reorganization of the Company that occurred on June 21, 2001 (the "Reorganization"), Timothy S. Durham became Chief Executive Officer and Chairman of the Board of the Company. Mr. Durham replaced M.E. Williams, who resigned as Chief Executive officer on that date. The other executive officers of the Company also were replaced in the Reorganization. In addition, Mr. Durham and the other new executive officers acquired in the Reorganization beneficial ownership of more than a majority of the voting power of the Company's capital stock. Given the Reorganization, his beneficial ownership interest and the Company's financial concerns, Mr. Durham recommended to the Compensation Committee that he and the other new executive officers receive only nominal salaries for the 2001 fiscal year and that no bonuses or other incentive compensation packages be approved for fiscal 2001. The Compensation Committee adopted Mr. Durham's recommendations. As a consequence, Mr. Durham's total compensation for the more than four months that he served during the 2001 fiscal year was only \$27,404 and none of the other new executive officers received compensation in an amount requiring the compensation to be reported in the Summary Compensation Table.

Compensation Policies and Determination of Compensation Prior to the Reorganization

As mentioned above, M.E. Williams, the Company's former Chief Executive Officer, served in that capacity until June 21, 2001. Mr. Williams' compensation for the 2001 fiscal year was based on the compensation policies in place prior to the Reorganization. Those prior compensation policies were focused on integrating annual base compensation with bonuses based upon a variety of factors that could include the Company's operating performance and an individual's initiative and performance. In measuring operating performance, the Compensation Committee could consider, among other things, the Company's attainment of gross margin, operating profit and growth targets, limits on corporate general and administrative expenses, net income and earnings per share targets and debt to capital ratio levels. The Compensation Committee did not apply a formula that assigned specific weights to any such factors.

Edgar Filing: OBSIDIAN ENTERPRISES INC - Form DEF 14A

Prior to the Reorganization, the compensation of the Company's executive officers generally consisted of base salary, annual cash bonuses and long-term incentive compensation in the form of stock options. In determining salaries for the executive officers for fiscal 2001, the Compensation Committee took into account the individual experience and performance of its executive officers. In determining whether to make stock option grants for the executive officers, the Board evaluated a number of criteria, including the recipient's level of cash compensation, years of service and position with the Company. Based on these policies and considerations, Mr. Williams received for the nearly eight months he served as Chief Executive Officer during fiscal 2001 the amount of \$110,000 as salary and the amount \$12,824 as a bonus. Mr. Williams was not granted any stock options during fiscal 2001.

PERFORMANCE GRAPH

The Securities and Exchange Commission requires the Company to include in this Proxy Statement a line graph comparing the Company's cumulative five-year total stockholder returns on Common Stock with market and industry returns over the past five years. The following chart compares the yearly percentage change in the cumulative total shareholder return on the common stock from October 31, 1997 through October 31, 2001, with the cumulative total return on the Nasdaq Stock Market and issuers with similar market capitalizations. The Company does not believe it is feasible to provide a comparison against a group of peer companies on an industry or line-of-business basis, as there is an insufficient number of similar publicly traded companies with businesses comparable to the Company's business. The comparison assumes \$100 was invested immediately prior to such period in common stock and in each of the foregoing indices and assumes reinvestment of dividends. Dates on the following chart represent the last day of the indicated fiscal year. The Company paid no dividends during the period.

[Obsidian Enterprises, Inc. Letterhead]

[Cover Letter Accompanying 2001 Annual Report on Form 10-K]

August 30, 2002

Dear Obsidian Enterprises Shareholder,

Fiscal 2001 was a monumental year in the history of Obsidian Enterprises, Inc.

On June 21, 2001, Danzer completed a share exchange with Obsidian Capital Partners, L.P. ("Partners") for Partners' stock in two operating entities, Champion Trailer, Inc., a Dallas, Texas based manufacturer of top line racing transporters, and US Rubber Reclaiming, Inc., of Vicksburg, Mississippi, the sole North American producer of reclaimed butyl rubber. Additionally, several affiliated parties of Partners exchanged their stock in Pyramid Coach, Inc. for Danzer Corporation stock. Pyramid Coach of Nashville, Tennessee, operates and leases celebrity tour coaches to corporate clients and rock, pop and country musicians, such as the Gold Channel, Janet Jackson, Bob Dylan, Chicago, Alan Jackson, Reba McIntire, Sara Evans, Brad Paisley and hundreds of other entertainers.

Then in July 2001, Partners completed the acquisition of the assets of United Expressline, Inc., a trailer manufacturer with operations in Bristol, Indiana and White Pigeon, Michigan. Partners then exchanged its shares in United for additional Danzer Corporation stock, resulting in Partners and its affiliates owning a majority of the issued and outstanding voting shares of Danzer Corporation.

Also in 2001, the shareholders approved a name change from Danzer Corporation to Obsidian Enterprises, Inc. We completed fiscal 2001 with five operating entities (including Danzer Industries). These entities had combined gross revenues on a pro forma basis for the ten-month period ended October 31, 2001 exceeding \$53 million.

The details for the 2001 fiscal year are shown in the Form 10-K that we filed with the Securities and Exchange Commission, which is attached.

In addition to the change of our official headquarters to Indianapolis, Indiana and the continued service of our senior management team, we have added Barry S. Baer as our EVP/Chief Financial Officer to ensure we meet the rapidly evolving fiscal reporting requirements. The entire Obsidian Enterprises team is dedicated to profitably growing your company and enhancing shareholder value.

To achieve this goal, we have put in place a number of management tools to monitor individual operating entity progress and fully utilize the assets available to us. We are also in the process of refinancing our companies to put them on a stronger long-term financial footing.

Edgar Filing: OBSIDIAN ENTERPRISES INC - Form DEF 14A

We are excited about the prospects for the continuing growth of all of our operating subsidiaries. While continuing to focus on the growth and profitability of these Companies, we will also focus on new acquisitions that are compatible with our existing operations and on identifying acquisitions in new industries.

We look forward to our collective future and are hopeful we will see you at our Shareholder Meeting in Indianapolis, Indiana on September 27, 2002.

Sincerely,

Obsidian Enterprises, Inc.
