**RELEASE**

**PORTUGAL TELECOM ESTABLISHES AN AGREEMENT  
WITH RTP FOR THE PAYMENT OF AN OUTSTANDING RECEIVABLE DUE BY RTP**

**Lisbon, Portugal, November 20, 2003** Portugal Telecom, SGPS, S.A. ( PT ) (NYSE: PT; Euronext: PTCO.IN) and PT Comunicações, S.A. ( PTC ) announce that they have signed today an agreement with Rádio e Televisão de Portugal, SGPS, S.A. ( RTP ) relating to the payment by the latter of an outstanding receivable balance due to PTC.

This agreement is related to outstanding invoices from services rendered by PTC to RTP up to December 31, 2002, plus interest. As a result of the negotiations, RTP will pay, up to 31 December 2003, a total amount of Euro 83 million. The agreement will have no impact on PT results.

The agreement also establishes the definition of a new monthly settlement mechanism related to accounts receivable and payable balances resulting from, respectively, invoices issued by PTC and other PT Group companies to RTP and from invoices issued by RTP to PT Group companies. The mechanism will substitute the current settlement proceedings, allowing PT to obtain a significant improvement in the management of its receivable balances from services provided to RTP.

PTC and RTP also agreed to revoke all previous agreements relating to the settlement of the balances due by RTP to PTC.
