### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Under the Wisconsin Business Corporation Law ("WBCL"), our directors and officers are entitled to mandatory indemnification from us against certain liabilities and expenses (a) to the extent such officers or directors are successful in the defense of a proceeding, and (b) in proceedings in which the director or officer is not successful in the defense thereof, unless (in the latter case only) it is determined that the director or officer breached or failed to perform his or her duties to us and such breach or failure constituted: (i) a willful failure to deal fairly with us or our shareholders in connection with a matter in which the director or officer had a material conflict of interest; (ii) a violation of the criminal law unless the director or officer had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe his or her conduct was unlawful; (iii) a transaction from which the director or officer derived an improper personal profit; or (iv) willful misconduct. The WBCL allows a corporation to limit

### Item 9. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

1. To file, during any period in which it offers or sells securities, a post-effective amendment to this Registration Statement;
  - (i) to include any Prospectus required by Section 10(a)(3) of the Act; and
  - (ii) to reflect in the Prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and
  - (iii) to include any additional or changed material information on the plan of distribution;

provided, however, that paragraphs (1)(i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in a periodic report filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into this Registration Statement.

2. For determining liability under the Act, to treat each such post-effective amendment as a new Registration Statement of securities offered, and the offering of the securities at that time to be the initial public offering thereof.
3. To file a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the offering.
4. Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission (referred to herein as the "Commission") such indemnification is against public policy as expressed in such Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful

defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements of filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the County of Milwaukee, State of Wisconsin, on August 15, 2003.

Re: Registration Statement on Form S-8

Ladies and Gentlemen:

We have acted as special Wisconsin securities counsel to Merge Technologies Incorporated, a Wisconsin corporation (the "Company"), in connection with the preparation and filing of the registration statement on Form S-8 (the "Registration Statement"), with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act") and the prospectus contained therein with respect to registering an increase of 750,000 shares (the "Option Shares") to the Amended and Restated 1996 Stock Option Plan for Employees of Merge Technologies, Inc. (the "Plan"). In connection with the registration of the Option Shares, you have requested our opinion with respect to the matters set forth below.

For purposes of this opinion, we have reviewed the Registration Statement. In addition, we have examined the originals or copies certified or otherwise identified to our satisfaction of: (i) the Company's Articles of Incorporation, as amended to date; (ii) the By-laws of the Company, as amended to date; (iii) records of the corporate proceedings of the Company as we deemed necessary or appropriate as a basis for the opinions set forth herein; and (iv) those matters of law as we have deemed necessary or appropriate as a basis for the opinions set forth herein. We have not made any independent review or investigation of the organization, existence, good standing, assets, business or affairs of the Company, or of any other matters. In rendering our opinion, we have assumed without inquiry the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies and the authenticity of the originals of these documents submitted to us as copies.

We have not undertaken any independent investigation to determine facts bearing on this opinion, and no inference as to the best of our knowledge of facts based on an independent investigation should be drawn from this representation. Further, our opinions, as hereinafter expressed, are subject to the following exceptions, limitations and qualifications: (i) the effect of bankruptcy, insolvency, fraudulent conveyance, reorganization,

arrangement, moratorium or other similar laws now or hereafter in effect relating to or affecting the rights and remedies of creditors; and (ii) the effect of general principles of equity whether enforcement is considered in

a proceeding in equity or at law and the discretion of the court before which any proceeding therefore may be brought.

We are admitted to the practice of law only in the State of Wisconsin and, accordingly, we do not purport to be experts on the laws of any other jurisdiction nor do we express an opinion as to the laws of jurisdictions other than the laws of the State of Wisconsin and the Wisconsin Business Corporation Law, as currently in effect.

On the basis of, and in reliance upon, the foregoing, and subject to the qualifications contained herein, we are of the opinion that the Option Shares, when issued pursuant to the Plan, will be validly issued, fully-paid and nonassessable.

We hereby consent to your filing this opinion as an exhibit to the Registration Statement.

This opinion is rendered only to you and is solely for your benefit in connection with the transactions covered hereby. This opinion may not be relied upon by you for any other purpose or furnished, or quoted to, or relied upon by any other person, firm or corporation for any purpose without our prior express written consent.

Respectfully submitted,
