Item 1.01. Entry into a Material Definitive Agreement.

Proposed Transaction with etrials Worldwide Inc.

On May 30, 2009, etrials Worldwide, Inc. (“etrials”), Merge Healthcare Incorporated (the “Registrant”) and Merge Acquisition Corp., a newly formed wholly-owned subsidiary of Registrant (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) pursuant to which Merger Sub will commence a tender offer (the “Offer”) to acquire all of the outstanding shares of common stock of etrials (the “Shares”) in exchange for: (i) \$0.80 in cash, without interest (the “Cash Consideration”), and (ii) 0.3448 newly issued shares of Registrant’s common stock, par value \$0.01 per share, for each share of etrials common stock (collectively, the “Offer Price”). Following the consummation of the Offer, Merger Sub will merge with and into etrials (the “Merger”), and all Shares not acquired in the Offer (other than Shares held by the etrials’ holders who have properly exercised their dissenters’ rights under Section 262 of the Delaware General Corporation Law) will be converted into the right to receive the greater of (i) the Offer Price and (ii) the highest price per Share paid to any holder of etrials common stock pursuant to the Offer, in the same form of consideration paid (the “Merger Consideration”). The Merger Agreement contains customary representations, warranties and covenants by the parties. etrials has also agreed not to solicit or initiate discussions with third parties regarding other proposals to acquire etrials and to certain restrictions on its ability to respond to such proposals. The Merger Agreement also includes customary termination provisions for etrials and Registrant and provides that, in connection with the termination of the Merger Agreement under specified circumstances, etrials will be required to pay Registrant a termination fee of \$500,000, plus reimburse Registrant for reasonable out of pocket expenses up to \$250,000.

Registrant agreed that Merger Sub would commence the Offer as promptly as practicable. The Offer will remain open for 20 business days, subject to extensions in certain instances. The obligation to accept for payment and pay for the Shares tendered in the Offer is subject to customary conditions, including, among other things: (i) the tender of a majority of the total number of outstanding Shares, on a fully diluted basis, (ii) Registrant must file a Form S-4 registering the common stock to be issued in the Offer, and such registration statement must go effective, (iii) the absence of any law prohibiting, restraining or enjoining the Offer, (iv) the absence of any material adverse effects on etrials, (v) the accuracy of the representations of etrials, and (vi) compliance with covenants by etrials.

In the Merger Agreement, etrials granted to Registrant and Merger Sub an irrevocable option (the “Top-Up Option”) to purchase, at a per Share price equal to the greater of (i) \$1.70 and (ii) an amount equal to the highest price per Share paid pursuant to the Offer, up to that number of newly issued Shares that, when added to the number of Shares, directly or indirectly, owned by Registrant and Merger Sub constitutes one Share more than 90% of the Shares outstanding, on a fully diluted basis. The Top-Up Option is exercisable only after Registrant and Merger Sub own at least 80% of the outstanding Shares and prior to the fifth business day after the expiration date of the Offer or any subsequent offering period, and is not exercisable if the number of Shares that would need to be issued (taken together with the number of Shares outstanding, on a fully diluted basis) exceeds the number of authorized but unissued Shares.

In addition, certain stockholders of etrials have agreed to enter into tender and support agreements pursuant to which such stockholders have committed to accept the Offer and to tender all Shares beneficially owned by them, which represents, in the aggregate, approximately 33% of etrials’ outstanding Shares.
