PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
to be Held May 22, 2006

This Proxy Statement is furnished to shareholders of Community Bankshares, Inc., a South Carolina corporation (herein, unless the context otherwise requires, together with its subsidiaries, the "Company"), in connection with the solicitation of proxies by the Company's Board of Directors for use at the Annual Meeting of Shareholders to be held at the offices of the Company, 102 Founders Court, Orangeburg, South Carolina at 3:00 p.m. on Monday, May 22, 2006, or any adjournment thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of proxies may be made in person or by mail, telephone or other electronic means by directors, officers and regular employees of the Company. The Company may also ask banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock of the Company held of record by such persons, and the Company will reimburse the reasonable forwarding expenses. The cost of solicitation of proxies will be paid by the Company. This Proxy Statement was first mailed to shareholders on or about April 17, 2006.

The Company's principal executive offices are located at 102 Founders Court, Orangeburg, South Carolina 29115. The Company's telephone number is (803) 535-1060 or (888) 329-1060.

ANNUAL REPORT

The Annual Report on Form 10-K covering the Company's fiscal year ended December 31, 2005, including financial statements, constitutes the Company's Annual Report to Shareholders and is included (without exhibits) with this Proxy Statement. Such Annual Report does not form any part of the material for solicitation of proxies.

VOTING PROCEDURES AND MATTERS RELATING TO PROXIES

Voting

Shareholders who hold their shares of record in their own names can vote their shares by marking the enclosed proxy form, dating it, signing it, and returning it to the Company in the enclosed postage-paid envelope. Shareholders of record can also attend the Annual Meeting and vote in person. Shareholders who hold their shares in street name with a broker or other nominee can direct their vote by submitting voting instructions to the broker or nominee in accordance with the procedure on the voting card provided by the broker or nominee. Shareholders who hold their shares in street name may attend the Annual Meeting, but may not vote in person without a proxy appointment from a

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

shareholder of record.

Revocation of Proxy

Any record shareholder who returns the accompanying proxy may revoke such proxy at any time prior to its exercise (a) by giving written notice to the Company of such revocation, (b) by voting in person at the meeting, or (c) by executing and delivering to the Company a later dated proxy. Attendance at the

Annual Meeting will not in itself constitute revocation of a proxy. Any written notice or proxy revoking a proxy should be sent to Community Bankshares, Inc., P.O. Box 2086, Orangeburg, South Carolina 29116-2086, Attention: William W. Traynham, President. Written notice of revocation or delivery of a later dated proxy will be effective upon receipt thereof by the Company. Shareholders who hold their shares in street name with a broker or other nominee may change or revoke their proxy instructions by submitting new voting instructions to the broker or other nominee.

Quorum, Vote Required and Method of Counting Votes

The Company's only voting security is its no par value Common Stock ("Common Stock"), each share of which entitles the holder thereof to one vote on each matter to come before the Annual Meeting. At the close of business on March 27, 2006, (the "Record Date"), the Company had issued and outstanding 4,425,648 shares of Common Stock, which were held of record by approximately 2,003 persons. Only shareholders of record at the close of business on the Record Date are entitled to notice of and to vote on matters that come before the Annual Meeting. Shares of the Common Stock may be transferred subsequent to the Record Date. However, all votes must be cast in the names of holders of record on the Record Date.

The presence in person or by proxy of the holders of one-third of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. If a share is represented for any purpose at the Annual Meeting by the presence of the registered owner or a person holding a valid proxy for the registered owner, it is deemed to be present for the purposes of establishing a quorum. Therefore, valid proxies which are marked "Abstain" or "Withhold" or as to which no vote is marked, including proxies submitted by brokers that are the record owners of shares (so-called "broker non-votes"), will be included in determining the number of votes present or represented at the Annual Meeting. If a quorum is not present or represented at the meeting, the shareholders entitled to vote, present in person or represented by proxy, have the power to adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present or represented. Directors, officers and regular employees of the Company may solicit proxies for the reconvened meeting in person or by mail, telephone or other electronic means. At any such reconvened meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally noticed.

If a quorum is present at the meeting, directors will be elected by a plurality of the votes cast by shares present and entitled to vote at the meeting. "Plurality" means that if there are more nominees than positions to be filled, the individuals who receive the largest number of votes cast for the positions to be filled will be elected as directors. Votes that are withheld or shares that are not voted in the election of directors will have no effect on the outcome of election of directors. Cumulative voting will not be permitted.

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

If a quorum is present, all other matters which may be considered and acted upon by the holders of Common Stock at the Annual Meeting will be approved if the votes cast in favor of the proposal at the Annual Meeting exceed the votes cast against the proposal.

Actions to be taken by the Proxies

If the shareholder appropriately specifies how the proxy is to be voted, it will be voted in accordance with the shareholder's specifications. If the shareholder does not specify how the proxy is to be voted, the proxy will be voted "FOR" the election of the persons named in this Proxy Statement as the Board of Directors' nominees for election to the Board of Directors. As to any other matter of business which may be brought before the Annual Meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the best judgment of the persons voting the same, but the Board of Directors does not know of any such other business.

SHAREHOLDER PROPOSALS

Any shareholder of the Company who wishes to present a proposal for action at the 2007 Annual Meeting of Shareholders must deliver the proposal to the executive offices of the Company, P.O. Box 2086, Orangeburg, South Carolina 29116-2086, Attention: William W. Traynham, President. Any shareholder who wishes for the Company to include any such proposal in its proxy statement and

2

form of proxy for the 2007 Annual Meeting of Shareholders must deliver the proposal to the executive offices of the Company to Mr. Traynham's attention no later than December 18, 2006. If any shareholder proposal is not received by Mr. Traynham by March 3, 2007, proxies solicited by the Board of Directors of the Company will be voted on the proposal in the discretion of the designated proxy agents. Only proper proposals that are timely received will be included in the Company's proxy statement and proxy.

ELECTION OF DIRECTORS

The Bylaws of the Company provide for a Board of Directors consisting of not less than nine nor more than twenty-four directors divided into three classes each serving three-year staggered terms. The number of directors is currently fixed by the Board at thirteen. Four directors have been nominated for re-election by the shareholders at the 2006 Annual Meeting to serve for three-year terms. All directors serve until their successors are elected and qualified to serve. All of the nominees are presently directors of the Company and have served continuously since first becoming directors.

Should any of the nominees become unable or unwilling to serve upon election, the proxy agents intend to vote for the election, in his or her stead, of such other person or persons as the Board of Directors of the Company may recommend. The Board of Directors has no reason to believe that any of the proposed directors will be unable or unwilling to serve if elected.

Compensation Committee

The Company has a Compensation Committee comprised of Wm. Reynolds Williams, J. M. Guthrie, Charles E. Fienning, J. V. Nicholson and Alvis J. Bynum (chairman). Each member of the Compensation Committee is independent as defined in Section 121A of the American Stock Exchange's listing standards, as modified or supplemented. The Compensation Committee makes recommendations to the Board of Directors concerning the compensation for the senior officers of the Company. The Compensation Committee met twice during 2005.

Governance and Nominating Committee

The Company has a Governance and Nominating committee comprised of Alvis J. Bynum, Martha Rose Carson, Thomas B. Edmunds, Richard L. Havekost, and Samuel F. Reid (chairman). Each member of the Governance and Nominating Committee is independent as defined in Section 121A of the American Stock Exchange's listing standards, as modified or supplemented. The committee operates pursuant to a charter approved by the Board of Directors, a copy of which is available on the Company's website at www.communitybanksharesinc.com. The Governance and Nominating Committee met twice during 2005.

In recommending director candidates, the Committee takes into consideration such factors as it deems appropriate based on the Company's current needs. These factors generally include diversity, age, skills such as understanding of banking and general finance, decision-making ability, inter-personal skills, experience with businesses and other organizations of comparable size, community activities and relationships, commitment to a significant financial investment in the Company, and the interrelationship between the candidate's experience and business background and other Board members' experience and business background, as well as the candidate's ability to devote the required time and effort to serve on the Board.

The Committee will consider for nomination by the Board director candidates recommended by shareholders if the shareholders comply with the following requirements. If a shareholder wishes to recommend a candidate to the Committee for consideration as a Board of Directors' nominee, such shareholder must submit in writing to the Committee the recommended candidate's name, a brief resume setting forth the recommended candidate's business and educational background and qualifications for service, and a notarized consent signed by the recommended candidate stating the recommended candidate's willingness to be nominated and to serve. This information must be delivered to the Chairman of the Committee at the Company's address and must be received no later than January 15 in any year for a potential candidate to be considered as a potential Board of Directors' nominee. The Committee may request further information if it determines a potential candidate may be an appropriate nominee. Director candidates recommended by shareholders that comply with these requirements will receive the same consideration that the Committee's candidates receive.

Director candidates recommended by shareholders will not be considered for recommendation by the Committee as potential Board of Directors' nominees if the shareholder recommendations are received later than January 15 in any year. However, shareholders may nominate director candidates for election at the

annual meeting, but no person who is not already a director may be elected at an annual meeting of shareholders unless that person is nominated in writing at least 30 days prior to the meeting. Such nominations, other than those made by or on behalf of the existing management of the Company, must be made in writing

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

and must be delivered or mailed to the President of the Company, not less than 30 days prior to any meeting of Shareholders called for the election of Directors. Nominations not made in accordance with these requirements may be disregarded by the presiding officer of the meeting, and upon his instructions, the vote tellers shall disregard all votes cast for each such nominee.

Upon receipt of any such communications, the Corporate Secretary will determine the identity of the intended recipient and whether the communication is an appropriate shareholder communication. The Corporate Secretary will send all appropriate shareholder communications to the intended recipient. An "appropriate shareholder communication" is a communication from a person claiming to be a shareholder in the communication the subject of which relates solely to the sender's interest as a shareholder and not to any other personal or business interest.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee for the year ended December 31, 2005 were Wm. Reynolds Williams, J. M. Guthrie, Charles E. Fienning, J. V. Nicholson and Alvis J. Bynum (chairman).

The law firm of Willcox, Buyck & Williams, P.A. in which Wm. Reynolds Williams is a member, provided legal services to the Company in 2005, and is continuing to provide legal services to the Company in 2006.

Board Report on Executive Compensation

The Compensation Committee is required to report to the shareholders the basis for the Committee's actions in determining the compensation for Community Bankshares' executive officers.

The Community Bankshares compensation program is designed to attract, retain, and motivate executive officers who are responsible for carrying out the company's strategic plan. The components of the compensation plans for the executive officers are reviewed and approved annually by the Compensation Committee. Four important variables are used by the committee in managing these compensation programs and making individual compensation decisions. These are:

- o External competitiveness as determined by the use of survey data regarding similar positions in other banking companies,
- o Internal equity as determined by the relative value of each position in executing the company's strategic plan,
- o Financial performance of the company for the year, and
- o Individual performance of each executive officer for the year.

There are three primary forms of compensation for the company's executive officers:

- o Base salary (Initially determined to be externally competitive and internally equitable) - Increases in base salary are determined by the use of formal salary increase guidelines. These guidelines result in salary increase decisions based upon individual performance and the individual's position in the salary range for his or her position. Base salary increase decisions for executive officers are made by the CEO. Base salary for the CEO was specified in his initial employment contract executed January 1, 2005.
- o Senior Management Incentive Plan - Annual cash incentives are directly linked to performance. For CBI executives, 50% of each individual's incentive award is determined by Community Bankshares' financial performance. The other 50% of the award is determined by performance based on individual goals established at the beginning of the year. For Mr. Wolfe 37.5% of his incentive award is determined by Community Bankshares' financial performance, 37.5% by Orangeburg National's financial

performance, and 25% by performance based on individual goals established at the beginning of each year. An individual target award of 25% to 40% of base salary is established for each

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

executive officer and awards can range from 0 to 150% of this target depending on individual performance and financial performance. Incentive awards for executive officers are recommended by the CEO and are approved by the Compensation Committee. The CEO's contract specifies a maximum performance based incentive award which is also subject to review and approval by the Compensation Committee.

- o Long term incentives - From time to time, the company provides stock options to executive officers. Stock option awards provide an incentive that focuses each executive's attention on managing the company from the perspective of a stockholder with an equity stake in the business. The economic value of stock options awarded is directly tied to the future performance of Community Bankshares stock and will provide value to the recipient only when the price of Community Bankshares stock increases over the option price. Stock option awards for executive officers are approved by the Board of Directors. Stock option awards for the CEO are specified in his contract executed at the time of his hiring.

During 2005, base salaries paid were as follows: Mr. Erwin, CEO, \$190,000; Mr. Traynham, President and CFO, \$144,000; Mr. Burke, Chief Credit Officer, \$125,000 (his employment began April 1, so this amount was prorated); Ms. Davies, Chief Information Officer, \$115,211; and Mr. Wolfe, President and CEO of Orangeburg National Bank, \$144,000.

Awards from the Senior Management Incentive Plan paid in 2006 for performance in 2005 were as follows: Mr. Traynham, \$38,000; Mr. Burke, \$18,000 (prorated from employment date of April 1, 2005); Ms. Davies, \$22,000; and Mr. Wolfe, \$40,000. Although the Company's financial performance in 2005 failed to meet the earnings threshold set in the plan, the Compensation Committee and Board of Directors elected to invoke a provision in the plan that allows for exceptions in the case of unusual circumstances. They decided to pay incentives based on the performance of the individuals because they concluded that the negative earnings impact from one subsidiary should not totally negate the important contributions of key officers. Mr. Erwin's incentive award as determined by his performance and the terms of his contract was \$30,000.

Stock option awards made in 2005 were as follows:

- o Mr. Erwin received a grant of 10,000 shares on January 3, 2005 at \$18.00 per share and a grant of 10,000 shares at \$17.00 per share on December 30, 2005. These grants are nonqualified options which immediately vested and expire in five years. They were granted in conformity with his initial employment contract.
- o Mr. Burke received a grant of 8,000 shares on March 28, 2005 at \$17.40 per share. These grants are nonqualified options which immediately vested and expire in five years.

This report summarizes the current Board practice with regard to CEO and executive officer compensation for 2005.

Shareholder Return Performance Graph

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

The Company is required to provide its shareholders with a line graph comparing the Company's cumulative total shareholder return with a performance indicator of the overall stock market and either a published industry index or a Company-determined peer comparison. Shareholder return (measured through increases in stock price and payment of dividends) is often a benchmark used in assessing corporate performance and the reasonableness of compensation paid executive officers.

12

The performance graph below compares the Company's cumulative total return over the most recent five year period with the Russell 2000 Index (reflecting overall stock market performance for small cap stocks) and the SNL Southeast Bank Index (reflecting changes in banking industry stocks in the southeastern U. S.), and a peer group index consisting of all the publicly traded banks and thrifts in South Carolina. Returns are shown on a total return basis, assuming the reinvestment of dividends and a beginning stock index price of \$100 per share. The total five year return was calculated for each of the banks in the peer group taking into consideration changes in stock price, cash dividends, stock dividends and stock splits since December 31, 2000. The individual results were then weighted by the market capitalization of each bank relative to the entire peer group. Values presented for the Company are based on transactions as reported through the American Stock Exchange.

The peer group consists of the following South Carolina publicly traded financial institutions: .

Employment Agreements

The Company has entered into employment agreements with its Chief Executive Officer, Samuel L. Erwin, its President, William W. Traynham, and Michael A. Wolfe, the President and Chief Executive Officer of Orangeburg National Bank, its largest subsidiary. Each agreement was for an initial term of three years and, at the end of the initial term, each agreement automatically renews for an additional year unless notice that it will not renew is given as provided in the agreement. Each agreement provides for a base salary; eligibility for bonuses and participation in incentive compensation plans as determined by the Board; benefits such as club dues, 401(k) plan participation and contribution matching, health and dental insurance, reimbursement of employment related expenses, vacation, and participation in other benefits generally provided to Company employees. In addition, Mr. Erwin's agreement provides for the granting of stock options, an automobile allowance, and life

insurance. Each agreement has terms dealing with payments to the executives upon termination under various circumstances, including upon a change of control of the Company, and terms dealing with noncompetition and confidentiality of Company information.

The foregoing descriptions of the Employment Agreements are merely summaries of such agreements and are qualified in their entirety by reference to the agreements, which are included in the Company's filings with the Securities and Exchange Commission.

The foregoing directors' fees totaled \$312,200 for Community Bankshares Inc. and its subsidiaries in 2005.

1997 Stock Option Plan

The 1997 Stock Option Plan, as amended, reserves a total of 785,600 shares for issuance under the Plan. Options may be granted pursuant to the Plan to persons who are employees of the Company or any subsidiary (including officers and directors who are employees) at the time of grant. At December 31, 2005, the Company and its subsidiaries had 194 employees. Non-employee directors are also permitted to participate in the Plan. Such non-employee directors are only eligible to be granted non-qualified stock options.

All incentive stock options must have an exercise price not less than the fair market value of the Common Stock at the date of grant, as determined by the Board of Directors. Non-qualified options will have such exercise prices as may be determined by the Board of Directors at the time of grant, and such exercise prices may be less than fair market value. The Board of Directors may set other terms for the exercise of the options but may not grant to any one holder more than \$100,000 of incentive stock options (based on the fair market value of the optioned shares on the date of the grant of the option) which first become exercisable in any calendar year. The Board of Directors also selects the employees to receive grants under the plan and determines the number of shares covered by options granted under the plan. No options may be exercised after ten years from the date of grant, options may not be transferred except by will or the laws of descent and distribution, and options may be exercised only while the optionee is an employee of the Company, within three months after the date of termination of employment, or within twelve months of death or disability. The number of shares reserved for issuance under the Plan, the number of shares covered by outstanding options, the exercise price and the exercise date of options will be adjusted in the event of changes in the number of outstanding shares of common stock effected without receipt of consideration by the Company. The Board of Directors may amend, suspend or terminate the Plan, but may not increase (except as discussed above) the maximum number of shares reserved for issuance under the Plan, or materially modify the eligibility requirements under the Plan without shareholder approval or ratification. The plan will terminate on March 16, 2007, and no options will be granted thereunder after that date.

As of March 31, 2006, there were outstanding incentive options to purchase 316,723 shares and nonqualified options to purchase 195,350 shares. The market value of the Common Stock on March 16, 2006 was \$16.00 per share.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The banks have loan and deposit relationships with some of the directors of the Company and some of the directors of the subsidiaries of the Company and with companies with which the directors are associated as well as members of the immediate families of the directors ("Affiliated Persons"). (The term "members of the immediate families" for purposes of this paragraph includes each person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, and brothers and sisters-in-law.) The total loans outstanding to these parties at December 31, 2005, were \$7,071,000. Loans to Affiliated Persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those

prevailing at the time for comparable transactions with other persons, and did

not, at the time they were made involve more than the normal risk of collectibility or present other unfavorable features.

The law firm of Horger, Barnwell & Reid, L.L.P. in which Samuel F. Reid, a director of the Company, is a partner, provided legal services to the Company in 2005, and is continuing to provide legal services to the Company in 2006. The law firm of Willcox, Buyck & Williams, P.A. in which Wm. Reynolds Williams, a director of the Company, is a member also provided legal services to the Company in 2005, and is continuing to provide legal services to the Company in 2006.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

As required by Section 16(a) of the Securities Exchange Act of 1934, the Company's directors, its executive officers and certain individuals are required to report periodically their ownership of the Company's Common Stock and any changes in ownership to the Securities and Exchange Commission. Based on a review of Forms 3, 4 and 5 and written representations made to the Company, it appears that all such reports for these persons were filed in a timely fashion during 2005, except Messrs. Traynham, Wolfe and Erwin were each late in filing one Form 5 with respect to one transaction. It is the Company's practice to assist directors with filing of Section 16(a) reports.

Hunt & Company, LLP.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and permitted non-audit services (including the fees and terms thereof) provided by the independent auditors, subject to possible limited exceptions for non-audit services described in Section 10A of the Securities Exchange Act of 1934, which are approved by the Audit Committee prior to completion of the audit. The Committee may delegate to one or more designated members of the Committee the authority to pre-approve audit and permissible non-audit services, provided such pre-approval decision is presented to the full Committee at its next scheduled meeting.

General pre-approval of certain audit, audit-related and tax services is granted by the Committee at the first quarter Audit Committee meeting. The Committee subsequently reviews fees paid. Specific pre-approval is required for all other services, of which there were none during the year. During 2005, all audit and permitted non-audit services were pre-approved by the Committee.
