EXPLANATORY STATEMENT UNDER SECTION 173(2) OF THE COMPANIES ACT, 1956

- 1. An Extraordinary General Meeting of the Members of ICICI Bank Limited is being convened for the purpose of considering and, if thought fit, approving, with or without modifications, arrangement in the proposed Scheme of Amalgamation, as annexed hereto (hereinafter referred to as “the Scheme”) of The Bank of Rajasthan Limited with ICICI Bank Limited.
- 2. In this Statement, The Bank of Rajasthan Limited is referred to as the Transferor Bank, and ICICI Bank Limited is referred to as the Transferee Bank.
- 3. The Scheme has been approved by the Board of Directors of the Transferor Bank and the Transferee Bank at their respective Meetings held on May 23, 2010.
- 4. Background of the Transferor Bank and the Transferee Bank:
 - a) The Transferor Bank was incorporated on May 7, 1943 as a Company as defined under the Companies Act, 1956 and has its Registered Office at Raj Bank Bhawan, Clock Tower, Udaipur 313 001, Rajasthan. The Transferor Bank has a network of 463 branches and 111 automated teller machines (ATMs) as of March 31, 2009.
 - b) The primary object of the Transferor Bank is banking business as set out in its Memorandum of Association.
 - c) The Transferee Bank was incorporated on January 5, 1994 under the Companies Act, 1956 and has its Registered Office at Landmark, Race Course Circle, Vadodara 390 007, Gujarat. The Transferee Bank, as of May 21, 2010,

has a network of 2,000 branches and extension counters and has over 5,300 automated teller machines (ATMs).

- d) The primary object of the Transferee Bank is banking business as set out in its Memorandum of Association.
 - e) The authorised, issued, subscribed and paid-up share capital of the Transferor Bank and the Transferee Bank as at March 31, 2010 are as set out in Clause 3 of the Scheme.
5. The amalgamation of the Transferor Bank with the Transferee Bank will be effected in accordance with the provisions of the Scheme formulated pursuant to Section 44A of the Banking Regulation Act, 1949 (hereinafter referred to as the 'said Act') and Reserve Bank of India's guidelines for merger/amalgamation of private sector banks dated May 11, 2005, (hereinafter referred to as 'RBI Guidelines') and in accordance with the applicable provisions of the Companies Act, 1956, and the Memorandum and Articles of Association of the Transferor Bank and the Transferee Bank and other applicable provisions of laws for the time being in force. In terms of Section 44A of the said Act and the RBI Guidelines, a Resolution is required to be passed by a majority in number representing two-thirds in value of the Members of the Transferor Bank and the Transferee Bank, present either in person or by proxy at the respective general meetings of the Members of the Transferee Bank and the Transferor Bank. As both the Transferor Bank and Transferee Bank are banking companies duly licensed under the provisions of the said Act, the amalgamation of the Transferor Bank with the Transferee Bank is exclusively governed by the provisions of Section 44A of the said Act and the RBI Guidelines which constitute a composite and complete code governing amalgamation of banking companies and the provisions of the scheme of amalgamation and the matters incidental and ancillary thereto, and as such the said amalgamation would require only the sanction of the Scheme by Reserve Bank of India (hereinafter referred to as 'RBI') for the Scheme coming into effect, and accordingly the provisions of the Companies Act, 1956 relating to amalgamation and matters incidental or ancillary thereto are not applicable. The Scheme does not require the approval of any High Court(s)/Company Courts/the National Company Law Tribunal under the provisions of the Companies Act, 1956.

6. In the opinion of the Board of Directors of the Transferee Bank, the following are the main benefits that are expected to accrue to the Transferee Bank from the proposed Scheme:
- a) The Transferee Bank has articulated a customer centric strategy which places branches as the focal points of relationship management, sales and service in geographical micro markets. The Transferor Bank has deep penetration in the State of Rajasthan where it has 294 branches with a market share of 9.3% in total deposits of scheduled commercial banks. An amalgamation with the Transferor Bank will place the Transferee Bank among the top three banks in Rajasthan in terms of total deposits and significantly enhance the Transferee Bank's presence and customer proposition in Rajasthan.
 - b) Increase in branch network: As a result of the amalgamation, the branch network of the Transferee Bank would increase by 463 branches providing increased geographic coverage and supporting increase in the Transferee Bank's retail deposit base. This will enhance the competitive advantage of the Transferee Bank and is necessary in light of the fact that the competitive landscape in the Indian banking sector may become intense with the licensing of new private sector banks and liberalisation of branch licensing policy for foreign banks. The proposed amalgamation would significantly enhance the Transferee Bank's presence in the key centres of Delhi, Mumbai and Kolkata. Further, the Transferor Bank's branches outside Rajasthan are well spread with strong presence in large deposit centers thus enhancing the Transferee Bank's retail deposit raising capacity.
 - c) Support to financial inclusion targets: The Transferor Bank has around 40% of its branches in rural and semi-urban areas which would support the Transferee Bank's financial inclusion initiative especially in Rajasthan.
 - d) Significant reduction in time to market: Setting up branches organically takes significant time and effort in terms of execution and scale up of business. The proposed amalgamation would reduce the time to market for the Transferee Bank.
 - e) Optimal utilisation of branch network: The Transferee Bank would be able to significantly scale up existing business levels at the branches of the Transferor Bank to optimally utilise the branch network.

Further, there is no likelihood that any creditor of the Transferor Bank or of the Transferee Bank would lose or be prejudiced as a result of the Scheme being passed since no sacrifice or waiver is at all called for from them nor are their rights sought to be modified in any manner. The Transferee Bank has a strong capital and liquidity position and the Scheme would support further growth in its deposit base. It would be able to meet all its liabilities as they arise in the course of the business. Hence the Scheme is in no way expected to adversely affect the interests of any class of creditors or to have any adverse effect on the business or operations of the Transferee Bank, but is in fact expected to substantially enhance the comfort available to the creditors of the Transferor Bank, and have a positive impact on the funding profile of the Transferee Bank.

7. Salient features of the Scheme and valuation:

- a) The Scheme envisages that upon coming into effect of the Scheme (being the date of receipt of the RBI approval for the Scheme, hereinafter referred to as the "Effective Date"), all the properties, assets, estates, rights, title, interests, licenses and authorities acquired by the Transferor Bank shall, subject to such modalities for vesting as stated in the Scheme, without any further act, deed or instrument, stand transferred to or be deemed to be transferred to the Transferee Bank in the manner set out in the Scheme and furthermore, that all the liabilities, borrowings, debts and/or obligations of the Transferor Bank shall, without any further act, deed or instrument, vest or be deemed to vest or be taken over by the Transferee Bank without the necessity of obtaining the consent

of any third party or the person who is a party to or concerned with any contract or arrangement by virtue of which such liabilities, borrowings, debts and obligations have arisen in order to give effect to the provisions of the Scheme.

- b) On and from the Effective Date and subject to the provisions of the Scheme, all contracts, deeds, tenancies, leases, licenses or other assurances, agreements, arrangements and other instruments of whatsoever nature to which the Transferor Bank is a party to or benefit of which the Transferor Bank may be eligible and which are subsisting or having effect immediately before the Effective Date, shall be in full force and effect against or in favour of the Transferee Bank as the case may be and all or any of the rights, privileges, obligations and liabilities of the Transferor Bank shall be transferred to and vest in the Transferee Bank and may be enforced as fully and effectually as if, instead of the Transferor Bank, the Transferee Bank had been a party, beneficiary or obligee thereto.
- c) Upon coming into effect of the Scheme all suits, actions and proceedings of whatsoever nature by or against the Transferor Bank pending and/or arising on or before the Effective Date shall be transferred in the name of the Transferee Bank and be continued and be enforced by or against the Transferee Bank as fully and effectually as if the same had been filed by, pending and/or arising against the Transferee Bank.

- d) Simultaneous with the coming into effect of the Scheme, and subject to the provisions of Part IV of the Scheme, without any further application, act, instrument or deed, equity shares of Rs. 10/- (Rupees ten only) each, credited as fully paid up, in the ratio of twenty five (25) equity shares of the face value of Rs. 10/- (Rupees ten only) each in the Transferee Bank for every One Hundred and Eighteen (118) equity shares of the face value of Rs. 10/- (Rupees ten only) each held in the Transferor Bank shall stand automatically issued and allotted to the equity shareholders of the Transferor Bank whose names are recorded in the Register of Members of Transferor Bank (the “Members”) as of the Effective Date. The requisite action and formalities for dispatch of share certificates and the crediting of dematerialised shares of the Transferee Bank pursuant to the issuance and allotment as per the Clause 9 of the Scheme, shall be completed within 5 (five) days of the afore-mentioned deemed allotment.

The above ratio in which the equity shares of the Transferee Bank are to be allotted to the Members of the Transferor Bank by the Transferee Bank is hereinafter referred to as the “Swap Ratio”.

The Swap Ratio has been approved separately and independently by the Boards of Directors of both the Transferor Bank and Transferee Bank. The same has been approved as being a fair exchange ratio after considering the independent valuation made by Haribhakti & Co., a well reputed firm of Chartered Accountants, who were appointed as the independent valuer for this purpose.

The equity share exchange ratio has been arrived at by the independent valuer on the basis of a relative valuation of the equity shares of both the Transferor Bank and the Transferee Bank by applying commonly used and accepted valuation methodologies, namely, net asset value methodology, market price methodology, comparable companies and profit earning capacity value methodology, as applicable, and after taking into account various qualitative factors relevant to both the Transferor Bank and the Transferee Bank including their business dynamics and growth potential.

- e) The share certificates in relation to the equity shares held by the said Members in the Transferor Bank shall be deemed to have been automatically cancelled and be of no effect on and from the Record Date, without any further act, deed or instrument. The form of issuance of shares of the Transferee Bank to the shareholders of the Transferor Bank, i.e. either in the form of share certificates or in dematerialised form, shall be determined by the form in which the shares of the Transferor Bank are held by the respective Members of Transferor Bank on the Effective Date.
- f) The Transferee Bank shall be entitled to declare and pay dividend, whether interim and/or final, to its Members in respect of the financial year/accounting period prior to the Effective Date. The Transferor Bank shall not declare any dividend in accordance with Clause 15 of the Scheme. The terms of the Scheme shall not be deemed to confer any right on the Members of the Transferor Bank or of the Transferee Bank to demand or to claim any dividend, which shall be entirely at the discretion of the Board of Directors of the Transferee Bank and subject, wherever necessary, to the approval of the shareholders of the Transferee Bank.
- g) Upon the coming into effect of the Scheme, the equity shares of the Transferee Bank to be issued and allotted to the said Members as provided in the Scheme shall rank pari passu in all respect with the equity shares of the Transferee Bank including entitlement of dividend, if any, that may be declared by the Transferee Bank.
- h) This Scheme shall become operative from the Effective Date, i.e. the date on which the Scheme is sanctioned by RBI or such other date as may be specified by RBI by an order in writing passed in this behalf under the provisions of Section 44A of the said Act.

- i) All the employees of the Transferor Bank in service on the Effective Date shall become the employees of the Transferee Bank on the Effective Date without any break or interruption in service and on terms and conditions as to remuneration, emoluments or perquisites, which are not less favourable than those subsisting with reference to the Transferor Bank as on the Effective Date.
 - j) The Scheme is specifically conditional upon and subject to several matters set forth in Clause 21 of the Scheme.
 - k) Upon the Scheme coming into effect, and subject to further directions as RBI may pass, the Transferor Bank shall be dissolved without being wound up.
 - l) All costs, charges and expenses, including any taxes and duties, of the Transferor Bank and the Transferee Bank incurred by each of them in relation to or in connection with the Scheme and incidental to the completion of the amalgamation of the Transferor Bank with the Transferee Bank in pursuance of the Scheme (other than due diligence expenses of the Transferee Bank), shall, in the event of effectiveness of the Scheme, be borne and paid by the Transferee Bank.
8. Any Member of the Transferor Bank or the Transferee Bank, as the case may be, who has voted against the Scheme at the Meeting of the Transferor Bank or the Transferee Bank, as the case may be, or has given notice in writing at or prior to the Meeting of the Transferor Bank or the Transferee Bank, as the case may be, or to the presiding officer of the Meeting of the Transferor Bank or the Transferee Bank, as the case may be, that he dissents from the

Scheme, shall be entitled, in the event of the Scheme being sanctioned by RBI, to claim from the Transferor Bank or the Transferee Bank, as the case may be, their value as determined by RBI when sanctioning the Scheme and such Member shall, in consideration thereof, compulsorily tender the shares held by him, in the Transferor Bank or the Transferee Bank, as the case may be, to the Transferor Bank or the Transferee Bank, for cancellation thereof and to that extent the share capital of the Transferor Bank or the Transferee Bank, as the case may be shall stand reduced or be deemed to have been reduced, by such number of shares held and tendered by such Member, on the date immediately preceding the Effective Date. The determination by RBI as to value of the shares to be paid to the dissenting Member shall be final for all purposes.

9. The Scheme is conditional upon and subject to necessary sanctions and approvals as set out in inter alia Clauses 20 and 21 of the Scheme. The Scheme provides that in the event of any approval(s) not being obtained, the same shall stand revoked and will have no effect and in that event the Transferor Bank and the Transferee Bank shall bear their own costs or as may be mutually agreed amongst them.

The aforesaid being only the salient features of the Scheme, the Members are requested to read the entire text of the Scheme to get better acquainted with the provisions thereof, as stated above.

Miscellaneous

10. In order to give effect to the Scheme under the provisions of law, both the Transferor Bank and the Transferee Bank are required to obtain the consent and approval of their Members to the proposed Scheme, with or without modifications, under the provisions of Section 44A of the said Act. 14. The paid-up equity share capital of the Transferee Bank as on March 31, 2010 is 1114,956,917 equity shares of Rs. 10/- each amounting to Rs. 11,149.60 million, including shares forfeited and call in arrears and which is, after the amalgamation, on account of the amalgamation and as per the Scheme, expected to increase by approximately 34.10 million equity shares of Rs. 10/- (Rupees ten only) each, subject to the terms of the Scheme in this behalf. The shareholding pattern of the Transferee Bank, pre-amalgamation and post amalgamation, will not undergo any material, significant or substantial change as the expected increase in equity share capital is equivalent to about approximately 3% of the Transferee Bank's existing issued equity share capital, and will augment the public shareholding category of the Transferee Bank. As the implementation of the Scheme would involve the issue of new equity shares of the Transferee Bank, for the purpose of abundant caution, it is also proposed to pass the Resolution for creation, issue and allotment of equity shares in order to give effect to the Scheme.
