PROXY STATEMENT

MAILING DATE
APRIL 27, 2006

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of REX Stores Corporation, a Delaware corporation (the 'Company'), for use for the purposes set forth herein at its Annual Meeting of Shareholders to be held on June 1, 2006 and any adjournments thereof. All properly executed proxies will be voted as directed by the shareholder on the proxy card. If no direction is given, proxies will be voted in accordance with the Board of Directors' recommendations and, in the discretion of the proxy holders, in the transaction of such other business as may properly come before the Annual Meeting and any adjournments thereof. Any proxy may be revoked by a shareholder by delivering written notice of revocation to the Company or in person at the Annual Meeting at any time prior to the voting thereof.

The Company has one class of stock outstanding, namely Common Stock, \$.01 par value, of which there were 10,220,429 shares outstanding as of April 20, 2006. Only holders of Common Stock whose names appeared of record on the books of the Company at the close of business on April 20, 2006 are entitled to notice of and to vote at the Annual Meeting. Each shareholder is entitled to one vote per share.

A majority of the outstanding shares of Common Stock will constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Directors are

Edgar Filing: REX STORES CORP - Form DEF 14A

elected by a plurality of the votes cast by the holders of Common Stock at a meeting at which a quorum is present. Abstentions and broker non-votes will not be counted toward a nominee's achievement of a plurality and thus will have no effect. A broker non-vote occurs when a broker submits a proxy with respect to shares held in a fiduciary capacity (or 'street name') that indicates the broker does not have discretionary authority to vote the shares on a particular matter. Brokers normally have discretion to vote shares held in street name on 'routine' matters, such as election of directors, but not on non-routine matters such as approval of stock plans.

FISCAL YEAR

All references in this Proxy Statement to a particular fiscal year are to the Company's fiscal year ended January 31. For example, 'fiscal 2005' means the period February 1, 2005 to January 31, 2006.

ELECTION OF DIRECTORS

Seven directors are to be elected at the Annual Meeting to hold office until the next Annual Meeting of Shareholders and until their successors are elected and qualified. Unless otherwise directed, it is the intention of the persons named in the accompanying proxy to vote each proxy for the election of the nominees listed below. All nominees are presently directors of the Company.

If at the time of the Annual Meeting any nominee is unable or declines to serve, the proxy holders will vote for the election of such substitute nominee as the Board of Directors may recommend. The Company and the Board of Directors have no reason to believe that any substitute nominee will be required.

Set forth below is certain information with respect to the nominees for director.

2

which HCP acquired in October 2003. From 1992 to 1997, Mr. Elcan was a founder and investor in Behavioral Healthcare Corporation (now Ardent Health Services LLC), a healthcare company that owns and operates psychiatric and acute care hospitals.

DAVID S. HARRIS, 46, has been a director since 2004. Mr. Harris serves as a Managing Director of Tri-Artisan Partners, LLC, a private merchant banking firm engaged in investment banking and principal investment activities. From May 2001 to December 2001, Mr. Harris served as a Managing Director in the investment banking division of ABN Amro Securities LLC (ABN). The investment banking operations of ING were acquired by ABN in May 2001. From 1986 to 1997 Mr. Harris served in various capacities as a member of the investment banking group of Furman Selz LLC. Furman Selz was acquired by ING in 1997. Mr. Harris is also a director of Steiner Leisure Limited.

BOARD OF DIRECTORS

The Board of Directors consists of seven directors. The Board has determined that four of the seven directors, Robert Davidoff, Lee Fisher, Charles A. Elcan and David S. Harris, are independent within the meaning of Section 303A.02 of the New York Stock Exchange ('NYSE') Listed Company Manual.

To be considered independent, the Board must determine that the director has no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, including commercial, industrial, banking, consulting, legal, accounting, charitable and family relationships, among others. The Board has

Edgar Filing: REX STORES CORP - Form DEF 14A

established the following guidelines, consistent with Section 303A.02 of the NYSE listing standards, to assist it in determining independence of directors.

A director who is an employee, or whose immediate family member is an executive officer, of the Company is not independent until three years after the end of such employment relationship.

A director who receives, or whose immediate family member receives, more than \$100,000 during any 12-month period in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 during any 12-month period in such compensation. (Compensation received by an immediate family member for service as a non-executive employee need not be considered in determining independence under this test.)

A director who is a partner or employee, or whose immediate family member is a partner, or an employee participating in the audit, assurance or tax compliance (but not tax planning) practice, of the Company's internal or external auditor, or a director or immediate family member who was within the last three years a partner or employee of such a firm and personally worked on the Company's audit, is not independent.

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the Company's present executives serve on that company's compensation committee is not 'independent' until three years after the end of such service or the employment relationship.

3

A director who is an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, the Company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not 'independent' until three years after falling below such threshold.

Messrs. Davidoff, Fisher and Harris have no relationships with the Company other than being a director. Mr. Elcan has only an indirect, immaterial relationship with the Company. Elcan & Associates, Inc., a firm owned by Mr. Elcan's brother, provides real estate brokerage services to the Company and has acted as a finder in connection with the Company's investments in synthetic fuel limited partnerships and facilities. Because Mr. Elcan has no financial interest or involvement in Elcan & Associates, nor any involvement in the Company's business activities with Elcan & Associates, and the amount of the Company's annual payments to Elcan & Associates falls within the Company's director independence guidelines, the Board has determined that the relationship is not a material relationship affecting Mr. Elcan's independence.

The Board of Directors held two meetings and took action by unanimous written consent four times during the fiscal year ended January 31, 2006. The average attendance by incumbent directors at Board and Board Committee meetings was 97%.

Edgar Filing: REX STORES CORP - Form DEF 14A

Directors are invited and encouraged to attend the Company's annual meeting of shareholders. All directors attended the 2005 Annual Meeting.

The non-management directors meet at regularly scheduled executive sessions without management. The presiding director for each such executive session is rotated among the chairs of the independent Board committees.

BOARD COMMITTEES

The Board of Directors has four standing committees: the Audit Committee, the Compensation Committee, the Nominating/Corporate Governance Committee and the Executive Committee.

Audit Committee. The Audit Committee assists Board oversight of the integrity of the financial statements of the Company, the Company's compliance with legal and regulatory requirements, the independent accountants' qualifications and independence, and the performance of the Company's internal audit function and independent accountants. The Audit Committee is directly responsible for the appointment, retention and oversight of the work of the Company's independent accountants. The Audit Committee acts pursuant to a written charter. The members of the Audit Committee are Messrs. Harris (Chairman), Davidoff, Fisher and Elcan. All members of the Audit Committee are independent within the meaning of applicable NYSE listing standards and rules of the Securities and Exchange Commission ('SEC'). The Board has determined that Mr. Harris and Mr. Davidoff are each an audit committee financial expert as defined by applicable SEC rules and that all members of the Audit Committee are financially literate within the meaning of NYSE listing standards. The Audit Committee met ten times and took action by unanimous written consent once during fiscal 2005.

Compensation Committee. The Compensation Committee has direct responsibility to review and approve CEO compensation, makes recommendations to the Board with respect to non-CEO compensation and compensation plans, and administers the Company's stock option plans. The Compensation Committee acts pursuant to a written charter. The members of the Compensation Committee are Messrs. Davidoff (Chairman), Fisher, Elcan and Harris. All members of the

4

Compensation Committee are independent within the meaning of applicable NYSE listing standards. The Compensation Committee met three times and took action by unanimous written consent once during fiscal 2005.

Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee identifies individuals qualified to become Board members consistent with criteria approved by the Board, recommends for the Board's selection a slate of director nominees for election to the Board at the annual meeting of shareholders, develops and recommends to the Board the Corporate Governance Guidelines applicable to the Company, and oversees the evaluation of the Board and management. The Nominating/Corporate Governance Committee acts pursuant to a written charter. The members of the Nominating/Corporate Governance Committee are Messrs. Fisher (Chairman), Davidoff, Elcan and Harris. All members of the Nominating/Corporate Governance Committee are independent within the meaning of applicable NYSE listing standards. The

Edgar Filing: REX STORES CORP - Form DEF 14A

Nominating/Corporate Governance Committee took action by unanimous written consent once during fiscal 2005.

The Board seeks director candidates who possess the background, skills and expertise to make a significant contribution to the Board, the Company and shareholders. In identifying and evaluating director candidates, the Nominating/Corporate Governance Committee may consider a number of attributes, including experience, skills, judgment, accountability and integrity, financial literacy, time, industry knowledge, networking/contacts, leadership, independence from management and other factors it deems relevant. The Nominating/Corporate Governance Committee reviews the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current directors and specific needs of the Company and the Board. The Nominating/Corporate Governance Committee may solicit advice from the CEO and other members of the Board.

The Nominating/Corporate Governance Committee will consider director candidates recommended by the Company's shareholders. Shareholders must submit the name of a proposed shareholder candidate to the Nominating/Corporate Governance Committee at the Company's corporate offices by the date specified under 'Shareholder Proposals.'

Executive Committee. The Executive Committee is empowered to exercise all of the powers and authority of the Board of Directors between meetings of the Board, other than the power to fill vacancies on the Board or on any Board committee and the power to declare dividends. The members of the Executive Committee are Messrs. Rose and Tomchin. The Executive Committee met informally throughout the year and took formal action by unanimous written consent seven times during fiscal 2005.

(footnote continued from previous page)

Under the 1999 Omnibus Plan, the Company may grant to officers and key employees awards in the form of nonqualified stock options, stock appreciation rights, restricted stock, other stock-based awards and cash incentive awards. The 1999 Omnibus Plan also allows for yearly grants of nonqualified stock options to directors who are not employees of the Company. The exercise price of each option must be at least 100% of the fair market value of the Common Stock on the date of grant. A maximum of 4,500,000 shares are authorized for issuance under the 1999 Omnibus Plan, of which 2,024,337 shares remain available for issuance.

The 1998 Nonqualified Executive Stock Options and the 2001 Nonqualified Executive Stock Options are individual compensation arrangements. On October 14, 1998, nonqualified stock options for 1,462,500 shares were granted to Messrs. Rose and Tomchin at an exercise price of \$4.42 per share, which represented the market price on the date of grant, in connection with their entering into three year employment agreements. These options are fully exercisable and 906,417 remain outstanding. On April 17, 2001, nonqualified stock options for 1,462,500 shares were granted to Messrs. Rose and Tomchin at an exercise price of \$8.01 per share, which represented the market price on the date of grant, in connection with their entering into new three year employment agreements. These options are fully exercisable and outstanding.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and approves Chief Executive Officer (CEO) compensation, makes recommendations to the Board with respect to non-CEO compensation and compensatory plans, and administers the Company's 1995 and 1999 Omnibus Stock Incentive Plans.

EXECUTIVE COMPENSATION POLICIES

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive pay and the creation of shareholder value, while at the same time motivating and retaining key employees. To achieve this goal, the Company's executive compensation policies integrate base salary with annual bonuses based upon corporate and individual performance.

Base salary for the CEO is intended to be set at a level below or competitive with the base salaries paid to CEOs of similarly-sized companies within the industry and the peer group. An annual bonus is intended to comprise a substantial portion of the CEO's annual cash compensation and is based upon corporate financial performance. For fiscal 2005, to reflect tax savings and income realized from the Company's investment in synthetic fuel entities, the Committee established the amount of the Company's after-tax earnings as a percentage of net sales (the 'After-Tax Earnings Percentage') as the performance measure for determining the CEO's bonus.

Salaries and bonuses for executive officers, other than the CEO, are

Edgar Filing: REX STORES CORP - Form DEF 14A

reviewed by the Committee on an annual basis, subject to the terms of any existing employment agreements. These salaries are intended to be comparable to executives of similarly-sized companies within the industry and the peer group. Annual bonuses are intended to supplement salaries and are generally based upon the Company's earnings as a percentage of net sales.

Long-term incentive awards were historically made in the form of annual grants of stock options pursuant to the Omnibus Plans. Stock appreciation rights, restricted stock and other stock-based awards

11

may also be granted under the Plans. The Committee did not grant stock options to employees during fiscal 2005 and does not intend to grant stock options to employees during fiscal 2006.

CEO COMPENSATION

Stuart A. Rose, the Chairman and Chief Executive Officer of the Company, received a base salary of \$154,500 in fiscal 2005 pursuant to the terms of his employment agreement.

Mr. Rose earned a cash bonus of \$1,154,360 for fiscal 2005, compared to his fiscal 2004 cash bonus of \$821,689. This increase was based on the fiscal 2005 After-Tax Earnings Percentage of 6.996% (compared to the fiscal 2004 After-Tax Earnings Percentage of 4.978%). In determining Mr. Rose's cash bonus, the Committee utilized a measure of a \$165,000 cash bonus for each After-Tax Earnings Percentage point.

INTERNAL REVENUE CODE SECTION 162(M)

Section 162(m) of the Internal Revenue Code generally disallows a federal income tax deduction to a public company for compensation paid in excess of \$1 million in any taxable year to the corporation's chief executive officer or any of its other named executive officers in the proxy statement. Depending upon the number of options exercised by an executive officer in a particular year and the value of the underlying shares at that time, exercise of the 1998 or 2001 nonqualified executive stock options or the nonqualified options granted under the 1999 Omnibus Plan could result in the individual's annual compensation exceeding the \$1 million deduction limitation. For fiscal 2005, Mr. Rose's compensation exceeded the \$1 million deduction limitation.
