BENEFIT PLANS

The Company maintains a defined benefit pension plan for employees not covered by a collective bargaining agreement who have been employed with the Company for more than six months and who are over the age of twenty-one. The amount of the Company's contribution to this plan with respect to a specified person cannot readily be separated or individually calculated by the actuaries for the plan. For purposes of determining plan benefits, compensation is the regular base pay of the participant plus bonuses, overtime pay and other extra compensation. Effective January 1, 1989, the plan benefit formula was amended. Retirement

5

benefits are equal to the pension accrued to December 31, 1988 plus 1% of average compensation times each year of post-1988 service plus .75% of average compensation in excess of Table II of the 1989 Covered Compensation Table times each year of post-1988 service. Average compensation for post-1988 service is based on the five highest consecutive years' compensation. The approximate annual retirement benefits at age 65 (computed as of January 1, 2001) are \$61,188 to James Sumas; \$68,688 to Robert Sumas; \$71,376 to William Sumas; \$75,240 to John Sumas; and \$406,896 to all executive officers and directors as a group. Due to his age, Perry Sumas cannot participate in this plan.

The Company also maintains a plan which permits salary reduction contributions by participants under Section 401(k) of the Internal Revenue Code.

Edgar Filing: VILLAGE SUPER MARKET INC - Form DEF 14A

Pursuant to this plan, each person not covered by a collective bargaining agreement who has been employed by the Company for more than twelve months and is over the age of twenty-one may direct that a percentage of his or her salary, up to 18%, but not more than \$11,000, be withheld and paid over to the plan trustees for investment. The Company, in turn, will pay to the plan trustees a further sum equal to the lesser of (a) 25% of the amount so directed by the employee to be withheld from the employee's salary and contributed to the plan or (b) 1.5% of the employee's salary. Until the employee has reached his normal retirement age, the employee's contribution may not be withdrawn without incurring a tax penalty.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Securities and Exchange Commission has adopted rules concerning the format for the disclosure of executive compensation. These rules also require proxy statement disclosure of specified information regarding certain relationships of executive officers and members of the Company's board of directors which might bear on decisions concerning the compensation of executive officers of the Company. None of the executive officers or the members of the Company's board of directors has a relationship requiring such disclosure except as set forth below. The Compensation Committee consists of Perry Sumas, who is an executive officer of the Company serving as the President and Chief Executive Officer; James Sumas, who is an executive officer of the Company serving as the Chairman of the Board of Directors, Chief Operating Officer and Treasurer; and George J. Andresakes, who is a former executive officer of the Company, having resigned as General Counsel in 1979. As noted elsewhere in the Proxy Statement under "Certain Transactions", Perry Sumas and James Sumas, through Sumas Realty Company and Sumas Realty Associates, have certain business relationships with the Company.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Company's compensation policies, as applicable to its executive officers, are administered by its Compensation Committee of the Board of Directors (the "Committee"). The Committee members recognize that the Company is, to a significant extent, a family owned business. The Chief Executive Officer and each of the other executive officers named in this proxy statement own substantial amounts of the Company's common stock and thus have a direct and substantial interest in the long-term growth of shareholder's wealth. In light of this ownership, there is less need to directly relate executive compensation to Company performance.

The basic criteria used in making determinations concerning compensation is the level of compensation paid to comparable executives in the industry, in particular to corporate executives at other ShopRite co-op members and at competing regional supermarket chains. The principal factors which have been considered by the Committee in implementing this policy are time devoted to Company affairs, reputation in the industry, record of accomplishment and efforts on the Company's behalf. Increases in the cost of living also have been considered.

The Committee decided to grant performance bonuses to four executives in fiscal 2001 and 2000 based on the efforts of those executives in achieving substantially improved financial performance in those years.

The Committee notes that compensation tables required by the rules of the Securities and Exchange Commission are based upon fiscal year totals, which in the case of the Company are July to July periods of 52

Edgar Filing: VILLAGE SUPER MARKET INC - Form DEF 14A

or 53 weeks. Executive compensation decisions are implemented on a calendar year basis. Thus, minor apparent year to year variations in compensation levels appearing in the tables may not be reflective of actual Committee actions.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of three independent directors and operates under a written charter adopted by the Board of Directors (see Exhibit A). The members of the Committee in fiscal 2001 were John J. McDermott (Chair), George Andresakes and Norman Crystal. The Committee recommends to the Board of Directors, subject to shareholder ratification, the selection of the Company's independent auditors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated

financial statements in accordance with auditing standards generally accepted in the United States and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial

Edgar Filing: VILLAGE SUPER MARKET INC - Form DEF 14A

statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent auditors also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussion with management and the independent auditors and the Audit Committee's review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended July 28, 2001 filed with the Securities and Exchange Commission.

Audit Fees. The aggregate fees billed by KPMG LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended July 28, 2001 and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for that fiscal year were \$72,000.

Financial Information Systems Design and Implementation Fees. None.

All Other Fees. The aggregate fees billed by KPMG LLP for services rendered to the Company, other than the services described above under "Audit Fees", for the fiscal year ended July 28, 2001 were \$64,000. All of these fees relate to tax compliance, tax strategies and three employee benefit plan audits.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the auditors' independence.
