#### Audit Committee

The Board of Directors has an Audit Committee. Its purposes are to (i) assist the Board in its oversight of (a) the integrity of the Company's financial statements, (b) the Company's compliance with legal and regulatory requirements, (c) the independent auditors' qualifications and independence, and (d) the performance of the independent auditors and the Company's internal audit function; and (ii) prepare an Audit Committee report as required by the Securities and Exchange Commission ("SEC") for inclusion in the Company's annual proxy statement. The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements and for the effectiveness of internal control over financial reporting. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements, reviews of the Company's quarterly financial statements prior to the filing of each Quarterly Report on Form 10-Q, annually auditing management's assessment of the effectiveness of internal control over financial reporting (commencing the fiscal year ending December 31, 2004) and other procedures. The Audit Committee consists of three members, Messrs. Dittrick, Rosen and West. Mr. Dittrick is the Chairman of the Audit Committee.

The Board has determined that each of Mr. Dittrick and Dr. West is an "audit committee financial expert," as defined by SEC Regulation S-K. The Board reached this conclusion based on each such director's relevant experience, as described above under "Directors."

#### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership of, and transactions in, our equity securities with the SEC. Such directors, executive officers and 10% stockholders are also required to furnish us with copies of all Section 16(a) reports they file.

Based solely on a review of the Forms 3, 4 and 5, and any amendments thereto, furnished to us, and on written representations from certain reporting persons, we believe that there has been only one late filing under Section 16(a) by our directors, executive officers and 10% stockholders in the year ended December 31, 2003; this is a Form 4 for one transaction that was not filed on a timely basis by Douglas H. Dittrick.

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Edgar Filing: VORNADO OPERATING CO - Form 10-K/A

The Company has a Compensation Committee, consisting of Dr. West and Mr. Rosen. There are no interlocking relationships involving the Company's Board which require disclosure under the executive compensation rules of the SEC.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board is responsible for establishing the terms of the compensation of the executive officers and the granting of awards under the Company's Omnibus Stock Plan. None of the Company's executive officers received compensation from or on behalf of the Company in 2003.

The factors and criteria which the Compensation Committee utilizes in establishing the compensation of the Company's executive officers include an evaluation of the Company's overall financial and business performance, the officer's overall leadership, management, and contributions to the Company's acquisitions or investments. The Compensation Committee also considers the compensation provided in the prior year and estimates of compensation to be provided by similar companies in the current year. The primary objective of the Compensation Committee in establishing the terms of the executive officers' compensation is to provide strong financial incentives for the executive officers to maximize stockholder value. The Compensation Committee believes that the best way to accomplish this objective is to grant substantial awards on a fixed share basis without adjusting the number of shares granted to offset changes in the Company's stock price.

Section 162(m) of the Internal Revenue Code, which was adopted in 1993, provides that, in general, publicly traded companies may not deduct, in any taxable year, compensation in excess of \$1,000,000 paid to the company's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year which is not "performance based," as defined in Section 162(m). Options granted under the Omnibus Stock Plan to date satisfy the performance-based requirements under the final regulations issued with respect to Section 162(m).

### ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

#### VORNADO AGREEMENT

The Company and Vornado Realty Trust ("Vornado") have entered into an agreement (the "Vornado Agreement") pursuant to which, among other things, (a) Vornado will under certain circumstances offer the Company an opportunity to become the lessee of certain real property owned now or in the future by Vornado (under mutually satisfactory lease terms) and (b) the Company will not make any real estate investment or other REIT-Qualified Investment, as defined below, unless it first offers Vornado the opportunity to make such investment and Vornado has rejected that opportunity.

More specifically, the Vornado Agreement requires, subject to certain terms, that Vornado provide the Company with an opportunity (a "Tenant Opportunity") to become the lessee of any real property owned now or in the future by Vornado if Vornado determines in its sole discretion that, consistent with Vornado's status as a real estate investment trust ("REIT"), it is required to enter into a "master" lease arrangement with respect to such property and that the Company is qualified to act as lessee thereof. In general, a master lease arrangement is an arrangement pursuant to which an entire property or project (or a group of related properties or projects) is leased to a single lessee. Under the Vornado Agreement, the Company and Vornado will negotiate with each other on an exclusive basis for 30 days regarding the terms and conditions of the lease in respect of each Tenant Opportunity. If a mutually satisfactory agreement cannot be reached within the 30-day period, Vornado may for a period of one year thereafter enter into a binding agreement with respect to such Tenant Opportunity with any third party on terms no more favorable to the third party than the terms last offered to the Company. If Vornado does not enter into a binding agreement with respect to such Tenant Opportunity within such one-year period, Vornado must again offer the Tenant Opportunity to the Company in accordance with the procedures specified above prior to offering such Tenant Opportunity to any other party.

In addition, the Vornado Agreement prohibits the Company from making (i) any investment in real estate (including the provision of services related to real estate, real estate mortgages, real estate derivatives or entities that invest in the foregoing) or (ii) any other REIT-Qualified Investment, unless it has provided written notice to Vornado of the material terms and conditions of the investment opportunity and Vornado has determined not to pursue such investment either by providing written notice to the Company rejecting the opportunity within ten days from the date of receipt of notice of the opportunity or by allowing such ten-day period to lapse. As used herein, "REIT-Qualified Investment" means an investment from which at least 95% of the gross income would qualify under the 95% gross income test set forth in Section 856(c)(2) of the Internal Revenue Code of 1986, as amended (the "Code") (or could be structured to so qualify), and the ownership of which would not cause Vornado to violate the asset limitations set forth in Section 856(c)(4) of the Code (or could be structured not to cause Vornado to violate the Section 856(c)(4) limitations); provided, however, that "REIT-Qualified Investment" does not include an investment in government securities, cash or cash items (as defined for purposes of Section 856(c)(4) of the Code), money market funds, certificates of deposit, commercial paper having a maturity of not more than 90 days, bankers' acceptances or the property transferred to the Company by

## Edgar Filing: VORNADO OPERATING CO - Form 10-K/A

Vornado. The Vornado Agreement also requires the Company to assist Vornado in structuring and consummating any such investment which Vornado elects to pursue, on terms determined by Vornado. In addition, the Company has agreed to notify Vornado of, and make available to Vornado, investment opportunities developed by the Company or of which the Company becomes aware but is unable or unwilling to pursue.

Under the Vornado Agreement, Vornado provides the Company with certain administrative, corporate, accounting, financial, insurance, legal, tax, data processing, human resources and operational services. Also, Vornado makes available to the Company, at Vornado's offices, space for the Company's principal corporate office. For these services, the Company compensates Vornado in an amount determined in good faith by Vornado as the amount an unaffiliated third party would charge the Company for comparable services and reimburses Vornado for certain costs incurred and paid to third parties on behalf of the Company. For such services, the Company paid \$330,000 for the year ended December 31, 2003.

Vornado and the Company each have the right to terminate the Vornado Agreement if the other party is in material default of the Vornado Agreement or upon 90 days written notice to the other party at any time after December 31, 2003. In addition, Vornado has the right to terminate the Vornado Agreement upon a change in control of the Company.

8

The Company's charter specifies that one of its corporate purposes is to perform under the Vornado Agreement and, for so long as the Vornado Agreement remains in effect, prohibits the Company from making any real estate investment or other REIT-Qualified Investment without first offering the opportunity to Vornado in the manner specified in the Vornado Agreement.

### THE COMPANY'S MANAGEMENT

Messrs. Roth, Fascitelli, West and Wight are directors of the Company and trustees of Vornado. Mr. Roth is the Chairman of the Board and Chief Executive Officer of the Company and of Vornado. Mr. Fascitelli is the President of the Company and of Vornado. Certain other members of the Company's senior management hold corresponding positions with Vornado.

### VORNADO OPERATING L.P.

The Company holds its assets and conducts its business through Company L.P. The Company is the sole general partner of and as of April 16, 2004, owned a 90.1% partnership interest in Company L.P. All references to the Company refer to Vornado Operating Company and its subsidiaries including Company L.P.

The remaining 9.9% partnership interest in Company L.P., or 447,017 Units, is owned by Interstate. Interstate's partners are Steven Roth (Chairman of the Board and Chief Executive Officer of Vornado and the Company), David Mandelbaum (a trustee of Vornado) and Russell B. Wight, Jr. (a trustee of Vornado and a director of the Company). Interstate has the right to have its limited partnership interest in Company L.P. redeemed by Company L.P. either for (a) cash in an amount equal to the fair market value, at the time of redemption, of 447,017 shares of Common Stock or (b) 447,017 shares of Common Stock, in each case as selected by the Company and subject to customary anti-dilution adjustments. As of April 16, 2004, Interstate and its partners owned approximately 11.1% of the common shares of beneficial interest of Vornado and approximately 7.9% of the Company's Common Stock.

## Edgar Filing: VORNADO OPERATING CO - Form 10-K/A

### REVOLVING CREDIT AGREEMENT

The Company has a \$75,000,000 unsecured Revolving Credit Agreement with Vornado which expires on December 31, 2004. Borrowings under this facility bear interest at LIBOR plus 3% (4.12% at December 31, 2003). The Company pays Vornado a commitment fee equal to 1% per annum on the average daily unused portion of the facility pursuant thereto; for the year ended December 31, 2003, the Company recorded commitment fees of \$505,000. Amounts may be borrowed under the Revolving Credit Agreement, repaid and reborrowed from time to time on a revolving basis (so long as the principal amount outstanding at any time does not exceed \$75,000,000). Principal payments are not required under the Revolving Credit Agreement during its term. The Revolving Credit Agreement prohibits the Company from incurring indebtedness to third parties (other than certain purchase money debt and certain other exceptions) and prohibits the Company from paying any dividends. Debt under the Revolving Credit Agreement is fully recourse against the Company. At December 31, 2003, \$25,394,000 was outstanding under the Revolving Credit Agreement (the largest amount outstanding during 2003). See "Note 2. Ability to Continue as a Going Concern" to the Company's consolidated financial statements in this Annual Report on Form 10-K as to the Company's ability to continue as a going concern and discharge this liability in the normal course of business.

### AMERICOLD LOGISTICS

On March 11, 1999, the Company and Crescent Operating, Inc. ("COPI") formed the Vornado Crescent Logistics Operating Partnership (which does business under the name "AmeriCold Logistics") to purchase all of the non-real estate assets of the Vornado REIT/Crescent REIT Partnership (the "Landlord") in which Vornado has a 60% interest and Crescent Real Estate Equities Company ("Crescent") has a 40% interest. The Company and COPI have 60% and 40% interests in AmeriCold Logistics, respectively.

On March 11, 1999, AmeriCold Logistics entered into leases with the Landlord covering 87 of the warehouses used in this business. The leases, as amended, generally have 15-year terms with two five-year renewal options and provide for the payment of fixed base rent and percentage rent based on revenue from customers. AmeriCold Logistics is required to pay for all costs arising from the operation, maintenance and repair of the properties, including all real estate taxes and assessments, utility charges, permit fees and insurance premiums, as well as property capital expenditures in excess of \$9,500,000 annually. AmeriCold Logistics has the right to defer the payment of 15% of annual fixed base rent and all percentage rent until December 31, 2005 to the extent that available cash, as defined in the leases, is insufficient to pay such rent. Pursuant thereto, AmeriCold Logistics' deferred rent liability at December 31, 2003 was \$82,394,000 (the largest amount outstanding during 2003). The fixed base rent for each of the two five-year renewal options is equal, generally, to the greater of the fair market rent and the fixed base rent for the immediately preceding lease year plus 5%. On March 2, 2004, AmeriCold Logistics and the Landlord extended the deferred rent period to December 31, 2005 from December 31, 2004.

On December 31, 2002, Vornado and Crescent formed a joint venture (the "Quarry Company") in which Vornado holds a 44% interest and Crescent holds a 56% interest. The Quarry Company acquired AmeriCold Logistics' Carthage, Missouri and Kansas City, Kansas limestone quarries. AmeriCold Logistics entered into a management agreement with the Quarry Company to manage and operate the quarries. The agreement was for one year and automatically renews for additional one-year periods unless terminated by either party. During the year ended December 31,

2003, AmeriCold Logistics received a management fee of \$214,000 from the Quarry Company for management services provided.

On March 28, 2003, AmeriCold Logistics sold, without recourse, accounts receivable of \$6,640,000 to the Quarry Company for \$6,500,000 in cash. In the three months ended March 31, 2004, AmeriCold Logistics sold, without recourse, accounts receivable of \$10,200,000 to the Quarry Company for \$10,000,000 in cash. In each case, AmeriCold Logistics also agreed to act as agent to collect the accounts receivable. Although the terms and conditions of the receivables sales were not negotiated at arm's length, the Company believes that the terms and conditions were fair to AmeriCold Logistics.

Vornado is the day-to-day liaison to the management of AmeriCold Logistics. AmeriCold Logistics pays Vornado an annual fee of \$487,000, which is based on the temperature controlled logistics operating assets acquired by AmeriCold Logistics on March 11, 1999. The fee increases by an amount equal to 1% of the cost of new acquisitions, including transaction costs. At December 31, 2003, AmeriCold Logistics owed Vornado \$2,340,000 for this fee (the largest amount outstanding during 2003). AmeriCold Logistics provided financial statement preparation, tax and similar services to the Landlord for a fee of \$276,000 in 2003.
