Each Annual Meeting is being held to consider and vote on the following matters, as indicated below and described more fully herein:

Matter to be voted upon by Shareholders of each Fund:

- (1) To elect two Directors to serve as Class II Directors for three-year terms, which expire at the annual meeting of shareholders to be held in 2010, and until their successors are duly elected and qualify; and
- (2) To transact such other business as may properly come before the meeting(s) or any adjournment thereof.

AIG SunAmerica Asset Management Corp. (AIG SunAmerica) serves as the investment adviser and administrator to each Fund.

The principal business office and address of AIG SunAmerica is Harborside Financial Center, 3200 Plaza 5, Jersey City, New Jersey 07311. AIG SunAmerica was organized as a Delaware corporation in 1982. It is an indirect, wholly-owned subsidiary of American Interna-

tional Group, Inc. (AIG). AIG is a holding company which through its subsidiaries is engaged in a broad range of insurance and insurance-related activities and financial services in the United States and abroad.

VOTING INFORMATION

Shareholders of record of a respective Fund at the close of business on March 14, 2007 (the Record Date) are entitled to notice of, and to vote at, the Annual Meeting. The number of Shares of each Fund that were issued and outstanding as of the Record Date is set forth in Exhibit A to this Proxy Statement.

Quorum. A quorum for the transaction of business at the Annual Meeting is constituted with respect to a Fund by the presence in person or by proxy of holders of one third of the Shares of the Fund entitled to vote at the Annual Meeting. For purposes of determining the presence of a quorum at the Annual Meeting, abstentions and broker non-votes (that is, Shares held in street name for which the broker indicates that instructions have not been received from the beneficial owners or other persons entitled to vote, and the broker does not have discretionary voting authority) will be counted as Shares present for purposes of determining whether a quorum is present.

Required Vote. The vote of a plurality of all of the votes cast at the Annual Meeting at which a quorum is present is necessary for the election of a director. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. Brokers who hold Shares in street name for the beneficial owners or other persons entitled to vote have discretionary authority to vote on routine proposals, such as the election of directors, when they have not received instructions from the beneficial owners of those Shares. Proxies from brokers indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote Shares on the proposal will be voted **FOR** the proposal.

In the event that a quorum is not present at the Annual Meeting for a Fund, or if a quorum is present at the Annual Meeting but sufficient votes to approve a proposal for a Fund are not received, the persons named as proxy holders may propose one or more adjournments of the Annual Meeting for the affected Fund to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of those Shares represented at the Annual Meeting, whether in person or by proxy. In such a case, the persons named as proxy holders will vote those proxies which they are entitled to vote in favor of the proposal **FOR** the adjournment as to that proposal, and will vote those proxies required to be voted against the proposal **AGAINST** the adjournment as to that proposal.

The individuals named as proxy holders on the enclosed proxy card will vote in accordance with your direction as indicated thereon, if your proxy card is received properly executed by you or by your duly appointed agent or attorney-in-fact. **With respect to each Fund, if you give no voting instructions, your Shares will be voted FOR the nominees named herein for the respective Board and, in the proxy holder's discretion with respect to any other business that may properly arise at the Annual Meeting.**

Any person giving a proxy has the power to revoke it at any time prior to its exercise by executing a superseding proxy or by submitting a written notice of revocation to the Fund's Secretary (the Secretary) at AIG SunAmerica Asset Management Corp., Harborside Financial Center, 3200 Plaza 5, Jersey City, New Jersey 07311. To be effective, such revocation must be received by the Secretary prior to the Annual Meeting and must indicate your name and account number. In addition, although mere attendance at the Annual Meeting will not revoke a proxy, a Shareholder present at the Annual Meeting may withdraw his or her proxy by voting in person.

Each Fund will furnish, without charge, a copy of each Fund's annual report for the fiscal year ended December 31, 2006 to a Shareholder upon request. To request a copy, please write the Fund c/o AIG SunAmerica at Harborside Financial Center, 3200 Plaza 5, Jersey City, New Jersey 07311, or call the Fund at 1-800-858-8850.

PROPOSAL 1: ELECTION OF CLASS II DIRECTORS

Each Fund's Articles of Incorporation provide that the Board will be divided into three classes, as determined by the Board, each of which will serve for three years, with one class being elected each year. Each year the term of office of one class expires. Directors who are deemed interested persons (as that term is defined in Section 2(a)(19) of the 1940 Act) of a respective Fund or AIG SunAmerica, are referred to in this Proxy Statement as Interested Directors. Directors who are not interested persons as described above are referred to in this Proxy Statement as Independent Directors.

Dr. Judith L. Craven and Mr. William J. Shea were elected by the initial Shareholder as Directors of each respective Fund. Dr. Craven and Mr. Shea were elected as Class II Directors for each Fund to serve until the 2007 Annual Meeting and until their respective successors are duly elected and qualify.

The Board of each Fund, including the Independent Directors, upon the recommendation of each Board's Nominating and Compensation Committee, which is composed solely of Independent Directors, has nominated Dr. Craven and Mr. Shea to serve as Class II Directors for three-year terms to expire at the annual meeting of Shareholders to be held in 2010, and until their successors are duly elected and qualify. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement.

It is the intention of the persons named as proxy holders on the enclosed proxy card to vote **FOR** the election of Dr. Craven and Mr. Shea to serve as Class II Directors. The Board of each Fund knows of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the Board may recommend.

The names of each Fund's nominees for election as Class II Directors and the other Directors of the Funds, their ages and principal occupations during the past five years, are provided in the tables below. Unless otherwise noted, the address of each Director is care of AIG SunAmerica, Harborside Financial Center, 3200 Plaza 5, Jersey City, New Jersey 07311.

Committees of the Board

Current Committees and Members

The Board of each Fund has established four committees, i.e., Audit, Nominating and Compensation, Ethics and Governance. Each committee is composed entirely of Independent Directors.

Audit Committee

Each Fund's Board has established an Audit Committee, which is charged with selecting, overseeing and setting the compensation of the Fund's independent registered public accounting firm. The Audit Committee is responsible for pre-approving all audit and non-audit services performed by the independent public accounting firm for each Fund and for pre-approving certain non-audit services performed by the independent registered public accounting firm for AIG SunAmerica and certain control persons of AIG SunAmerica. The Audit Committee is also responsible for reviewing with the independent registered public accounting firm the audit plan and results of the audit along with other matters. The members of each Fund's Audit Committee are Messrs. Burum, Devin, Eisenstat, Gutman and Shea and Dr. Craven, each of whom is an independent trustee. Mr. Shea serves Chairman of the Audit Committee and is the Audit Committee Financial Expert, as such term is defined in Section 407 of the Sarbanes-Oxley Act of 2002.

In fulfilling its duties, each Fund's Audit Committee has: (a) reviewed and discussed the Fund's audited financial statements with management; (b) discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61; (c) received certain written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 and discussed the independent registered public accounting firm's independence with them; and (d) based upon its review of the above, recommended to the Board that the Fund's audited financial statements be included in each Fund's annual report to Shareholders for the fiscal year.

The Board of each Fund has adopted an Audit Committee Charter. A copy of the Audit Committee Charter is attached as Exhibit B.

Nominating and Compensation Committee

Each Fund's Board has established a Nominating and Compensation Committee, which is responsible for, among other things, interviewing, evaluating and recommending candidates for board membership and reviewing the compensation of the Board and its committee members. The members of the Nominating and Compensation Committee are Messrs. Gutman and Devin.

Each Nominating and Compensation Committee will consider nominees recommended by Shareholders. In order to recommend a nominee, a Shareholder should send a letter to the chairperson of each Fund's Nominating and Compensation Committee, Mr. Stephen J. **INFORMATION CONCERNING THE FUNDS' INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

Each Fund's financial statements for its last-completed fiscal year were audited by PricewaterhouseCoopers LLP (PWC), an independent registered public accounting firm. In addition, PWC prepares each Fund's federal and state annual income tax returns and provides

certain non-audit services. Each Fund's Audit Committee has considered whether the provision of those non-audit services is compatible with maintaining PWC's independence. Each Audit Committee has selected PWC as the Fund's independent registered public accounting firm and such selection has been ratified by each Fund's Board. PWC has served as the independent registered public accounting firm to each Fund for the fiscal years ended December 31, 2005 and December 31, 2006. PWC has informed each Fund that it has no material direct or indirect financial interest in the Fund.

Representatives of PWC are not expected to be present at the Annual Meeting, but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their presence.

Audit Fees

The aggregate fees billed by PWC for professional services rendered to FGF and FGI for the audit of each Fund's annual financial statements for the fiscal year ended December 31, 2006 were \$23,819 and \$23,819, respectively. For the fiscal year ended December 31, 2005, such audit fees were \$35,625 and \$29,550, respectively. Fees included in the audit fees category are those associated with the annual audits of financial statements and services that are normally provided in connection with statutory and regulatory filings, including the Funds' initial registration statements.

Audit-Related Fees

There were no audit-related fees billed by PWC for services rendered to FGF and FGI that were reasonably related to the performance of the audits of the financial statements, but not reported as audit fees, for the fiscal year ended December 31, 2006 or for the fiscal year ended December 31, 2005.

With respect to Rule 2-01(c)(7)(i)(C) of Regulation S-X, there were no audit-related fees that were approved by the Audit Committee pursuant to the *de minimis* exception for the Funds' fiscal year ended December 31, 2006 on behalf of (i) the Funds' investment adviser and any entity controlling, controlled by, or under common control with the investment adviser (Adviser Affiliates) that provides ongoing services to the Funds, or (ii) the Funds themselves. There were no audit-related fees required to be approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X (services provided by PWC to Service Affiliates that require pre-approval of the Funds' Audit Committees) during the fiscal years indicated above.

Tax Fees

The aggregate tax fees billed by PWC for services rendered to FGF and FGI for the fiscal year ended December 31, 2006 were \$12,495 and \$12,495, respectively. For the fiscal year ended December 31, 2005, such aggregate tax fees were \$7,325 and \$6,025, respectively. Fees included in the tax fees category comprise all services performed by professional staff in the independent registered public accounting firm's tax division except those services related to the audits. This

category comprises fees for review of tax compliance, tax return preparation and excise tax calculations.

With respect to Rule 2-01(c)(7)(i)(C) of Regulation S-X, there were no tax fees that were approved by the Audit Committee pursuant to the *de minimis* exception for the Funds' fiscal year ended December 31, 2006 on behalf of (i) Adviser Affiliates, or (ii) the Funds themselves. There were no tax fees required to be approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X during the fiscal years indicated above.

All Other Fees

For the Funds' fiscal years ended December 31, 2006, and December 31, 2005, there were no fees billed by PWC for other services provided to any Fund. Fees included in the all other fees category would consist of services related to internal control reviews, strategy and other consulting, financial information systems design and implementation, consulting on other information systems, and other tax services unrelated to the Funds.

There were no fees billed by PWC for the most recent fiscal year for professional services rendered for financial information systems design and implementation services provided to the Funds, AIG SunAmerica and entities that control, are controlled by or are under common control with AIG SunAmerica that provide services to the Funds.

With respect to Rule 2-01(c)(7)(i)(C) of Regulation S-X, there were no fees within this category that were approved by the Audit Committee pursuant to the *de minimis* exception for the Funds' fiscal year ended December 31, 2006 on behalf of (i) Adviser Affiliates, or (ii) the Funds themselves. There were no all other fees required to be approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X during the fiscal years indicated above.

Each Fund's Audit Committee Charter contains pre-approval policies and procedures. Reproduced below is an excerpt from the Audit Committee Charter regarding pre-approval policies and procedures:

The Audit Committee shall carry out the following functions:

2. To approve prior to appointment the engagement of the Independent Auditor to provide other audit services to the Fund or to provide non-audit services to the Fund,⁽²⁾ its investment adviser, subadviser (not including a subadviser whose role is primarily portfolio management and is sub-contracted or overseen by another investment adviser) or any entity controlling, controlled by, or under common control with the investment adviser (control affiliate) that provides ongoing services to the Fund, if the

- (2) The Independent Auditor is prohibited from providing certain non-audit services to the Fund at any point during the audit and professional engagement period. The prohibited non-audit services include:
- (i) bookkeeping or other services related to the accounting records or financial statements of the Fund;
 - (ii) financial information systems design and implementation;
 - (iii) appraisal or valuation services, fairness opinions or contribution-in-kind reports;
 - (iv) actuarial services;
 - (v) internal audit outsourcing services;
 - (vi) management functions or human resources;
 - (vii) broker or dealer, investment adviser or investment banking services;
 - (viii) legal services;
 - (ix) expert services unrelated to the audit; and
 - (x) any other service the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

engagement relates directly to the operations and financial reporting of the Fund.⁽³⁾ The Committee may delegate to one or more of its members (Delegates) authority to pre-approve permissible non-audit services to be provided to the Fund. Any pre-approval determination of a Delegate shall be presented to the full Committee at its next meeting. The Committee may also, to the extent deemed appropriate, adopt policies and procedures for pre-approval of the engagement of the Fund's Independent Auditor to provide any services described in this paragraph 2.

Aggregate Non-Audit Fees

The aggregate non-audit fees billed by PWC for services rendered to the Funds for each of the last two fiscal years are set forth in Exhibit E. No Fund's Audit Committee was required to consider whether the provision of non-audit services that were rendered to the Fund's investment adviser (not including any subadviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X, was compatible with maintaining PWC's independence.

For the fiscal year ended December 31, 2006, PWC did not provide any non-audit services to AIG SunAmerica and Advisor Affiliates that provide services to the Funds.

LEGAL PROCEEDINGS

On February 9, 2006, AIG, the parent company and an affiliated person of AIG SunAmerica, announced that it had consented to the settlement of an injunctive action instituted by the Securities and Exchange Commission (SEC). In its complaint, the SEC alleged that AIG violated Section 17(a) of the Securities Act of 1933, as amended, Sections 10(b), 13(a), 13(b)(2) and 13(b)(5) of the Exchange Act and Rules 10b-5, 12b-20, 13a-1 and 13b2-1 promulgated thereunder, in connection with AIG's accounting and public reporting practices. The conduct described in the complaint did not involve any conduct of AIG or its subsidiaries related to their investment advisory or distribution activities with respect to the assets of the Funds.

AIG, without admitting or denying the allegations in the complaint (except as to jurisdiction), consented to the entry of an injunction against further violations of the statutes referred to above. Absent exemptive relief granted by the SEC, the entry of such an injunction

- (3) Pre-approval by the Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided constitutes not more than 5% of the total amount of revenues paid to the Independent Auditor by the Fund, its investment adviser and control affiliate during the fiscal year in which the services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee or its delegate(s) prior to the completion of the audit for the year in which the services were rendered.

would prohibit AIG and its affiliated persons from, among other things, serving as an investment adviser of any registered investment management company or principal underwriter for any registered open-end investment company pursuant to Section 9(a) of 1940 Act. Certain affiliated persons of AIG, including the Adviser, received a temporary order from the SEC pursuant to Section 9(c) of the 1940 Act with respect to the entry of the injunction, granting exemptive relief from the provisions of Section 9(a) of the 1940 Act. The temporary order permits AIG and its affiliated persons, including AIG's investment management subsidiaries, to continue to serve as investment adviser of the Funds. The Adviser expects that a permanent exemptive order will be granted, although there is no assurance the SEC will issue the order.

Additionally, AIG and its subsidiaries reached a resolution of claims and matters under investigation with the United State Department of Justice (DOJ), the Attorney General of the State of New York (NYAG) and the New York State Department of Insurance (DOI), regarding accounting, financial reporting and insurance brokerage practices of AIG and its subsidiaries, as well as claims relating to the underpayment of certain workers compensation premium taxes and other assessments.

As a result of the settlements with the SEC, the DOJ, the NYAG and the DOI, AIG made payments totaling approximately \$1.64 billion. In addition, as part of its settlements, AIG has agreed to retain for a period of three years an Independent Consultant who will conduct a review that will include the adequacy of AIG's internal controls over financial reporting and the remediation plan that AIG has implemented as a result of its own internal review.

Subject to receipt of permanent relief, the Adviser believes that the settlements are not likely to have a material adverse effect on its ability to perform investment advisory services relating to the Funds.

ADDITIONAL INFORMATION

The solicitation of proxies will be made primarily by mail, but solicitations may also be made by telephone or in person by regular employees of AIG SunAmerica who will not receive any compensation from the Funds. All costs of a Fund's solicitation, including (a) printing and mailing of this Proxy Statement and accompanying material and (b) the reimbursement of brokerage firms and others for their expenses in forwarding solicitation material to the beneficial owners of the Fund's Shares will be borne by such Fund.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, and Section 30(h) of the 1940 Act, as applied to the Fund, require each Fund's Officers, Directors, AIG SunAmerica, affiliates of AIG SunAmerica and persons who beneficially own more than 10% of the Fund's outstanding securities (Reporting Persons), to electronically file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the NYSE. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons that no year-end reports were required for those persons, each Fund believes that during the fiscal year ended December 31, 2006, the Reporting Persons complied with all applicable filing requirements.

AUDIT COMMITTEE CHARTER

Mission

The mission of the Audit Committee (the **Committee**) of the Boards of Directors (each, a **Board**) of SunAmerica Focused Alpha Growth Fund, Inc. and SunAmerica Focused Alpha Large-Cap Fund, Inc. (each, a **Fund**) is to oversee the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, and to oversee the integrity, quality and objectivity of the Fund's financial statements and the independent audit thereof; including, but not limited to, oversight of the qualifications and independence of the Fund's independent registered public accounting firm (the **Independent Auditor**).

The Committee will assist the Board in its oversight of the Fund's compliance with legal and regulatory requirements. The Committee will also report to the Board, if necessary, any relationships between the Independent Auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the Independent Auditor. As part of its mission, the Committee shall be responsible for the preparation of the report of the Audit Committee as required by the U.S. Securities and Exchange Commission (the **SEC**) to be included in the Fund's proxy statement.

The function of the Committee is to provide oversight; it is the responsibility of the Fund and the Fund's investment adviser to maintain appropriate systems for accounting and internal control, and it is the responsibility of the Fund's Independent Auditor to plan and carry out a proper audit.

The Independent Auditor shall report directly to the Committee.

Committee Membership

The Committee shall be composed of at least three members appointed by the Board. The Board may replace members of the Committee for any reason. No member of the Committee shall be an **interested person** of the Fund as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (**1940 Act**). In addition, each member shall have the additional qualifications indicated below. The President and Treasurer of the Fund, although not members of the Committee, will nonetheless be expected to have a significant role in assisting the Committee to discharge its responsibilities, including ensuring adequate access to, and support from, the staff of the Fund's investment adviser, AIG SunAmerica Asset Management Corp.

Qualifications of Committee Members

I. Members of the Committee must be members of the Board and should be free of any relationships that would interfere with the exercise of independent judgment.

II. Each member of the Committee must be financially literate, or become financially literate within a reasonable period of time after his or her appointment to the Committee, as such qualification is interpreted by the Fund's Board in its business judgment. At least one member of the Committee must have accounting or related financial management expertise, as the Fund's Board interprets such qualification in its business judgment. Any member identified as an audit committee financial expert, as defined in item 3 of Form N-CSR, may be deemed to have accounting or related financial management expertise.

III. In conformance with Section 10A(m) and Rule 10A-3 of the Securities Exchange Act of 1934, unless exempted by an order of the SEC, each member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any other committee of the Board, directly or indirectly, accept any consulting, advisory, other compensatory fee from the Fund. Compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with a Fund (provided such compensation is not contingent in any way on continued service).

IV. The Board shall determine annually whether any member of the Committee is an audit committee financial expert as defined in item 3 of Form N-CSR. If the Fund does not have at least one member of the Committee who is an audit committee financial expert the Fund's periodic reports on Form N-CSR shall disclose the reason for not having such an expert.

Duties and Powers

In accordance with its mission, the Committee shall, to the extent it deems appropriate, carry out the following functions:

I. To approve prior to appointment the engagement of auditors to annually audit and provide their opinion on the Fund's financial statements, to recommend to the independent directors the selection, retention or termination of the Fund's Independent Auditor and, in connection therewith, to review and evaluate matters potentially affecting the independence and capabilities of the Independent Auditor. In evaluating the Independent Auditor's qualifications, performance and independence, the Committee must, among other things, obtain and review a report by the Independent Auditor, at least annually, describing the following items:

- (1) all relationships between the Independent Auditor and the Fund, as well as the Fund's investment adviser or any control affiliate of the adviser that provides ongoing services to the Fund;
- (2) any material issues raised by the most recent internal quality-control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and
- (3) the audit firm's internal quality-control procedures;

II. To approve prior to appointment the engagement of the Independent Auditor to provide other audit services to the Fund or to provide non-audit services to the Fund,⁽⁴⁾ its investment adviser, subadviser (not including a subadviser whose role is primarily portfolio management and is sub-contracted or overseen by another investment adviser) or any entity controlling, controlled by, or under common control with the investment adviser (control affiliate) that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund.⁽⁵⁾ The Committee may delegate to one or more of its members (Delegates) authority to pre-approve permissible non-audit services to be provided to the Fund. Any pre-approval determination of a Delegate shall be presented to the full Committee at its next meeting. The Committee may also, to the extent deemed appropriate, adopt policies and procedures for pre-approval of the engagement of the Fund s Independent Auditor to provide any services described in this paragraph 5;

III. To select, recommend and engage a new Independent Auditor, should it prove necessary, subject to ratification by the Board and shareholder approval, if required;

IV. To review and oversee, in advance and in consultation with the Independent Auditor, the staffing of the audit of the Fund s financial statements and obtain from the Independent Auditor a written representation that it has appointed a lead auditor and/or review partner who has not acted in such capacity for the Fund in each of the Fund s previous five fiscal years;

V. To meet with the Fund s Independent Auditor and Fund management, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audit and any special audits, and the fees proposed to be charged in connection with such services, (ii) to discuss the Fund s annual audited financial statements, including the Fund s disclosure under Management Discussion of Fund Performance and the Fund s semi-annual financial statements, (iii) to discuss any matters of concern relating to the Fund s financial statements, including any adjustments to such statements recommended by the Independent Auditor, or other results of said audit(s), including matters required to be discussed by the Statements on Auditing Standards

(4) The Independent Auditor is prohibited from providing certain non-audit services to the Fund at any point during the audit and professional engagement period. The prohibited non-audit services include: (i) bookkeeping or other services related to the accounting records or financial statements of the Fund; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment adviser or investment banking services; (viii) legal services; (ix) expert services unrelated to the audit; and (x) any other service the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

(5) Pre-approval by the Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided constitutes not more than 5% of the total amount of revenues paid to the Independent Auditor by the Fund, its investment adviser and control affiliate during the fiscal year in which the services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee or its delegate(s) prior to the completion of the audit for the year in which the services were rendered.

(SAS) Nos. 61 and 90, and the management's response to such matters, (iv) to consider the Independent Auditor's comments with respect to the Fund's financial policies, procedures and internal accounting controls and management's responses thereto, (v) to review the form of opinion the Independent Auditor proposes to render to the Board and shareholders, and (vi) to review the performance of the Independent Auditor;

VI. To consider any reports of difficulties that may have arisen in the course of the audit, including any limitations on the scope of the audit, and management's response thereto;

VII. To consider the effect upon the Fund of any changes in accounting principles or practices proposed by management or the Independent Auditor;

VIII. To consider, in consultation with the Independent Auditor, (i) material questions of choice with respect to appropriate accounting principles and practices to be used in the preparation of the financial statements of the Fund and the effect upon the Fund of any proposed changes in accounting principles or practices, (ii) all critical accounting policies and practices to be used; (iii) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management of the Fund, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the Independent Auditor; (iv) reasons for major year-to-year variations in financial statements; (v) reports of any significant accounting accruals, reserves, estimates made by management, and provisions for contingent liabilities; and (vi) any other material written communications between the Independent Auditor and management, such as any management letter or schedule of unadjusted differences;

IX. To review the fees charged by the Independent Auditor for audit and permissible non-audit services;

X. To review, in consultation with the Fund's principal executive officer, principal financial officer and Independent Auditor, the Fund's system of internal controls, including (i) any significant deficiencies in the design or operation of internal control over financial reporting or material weaknesses therein; (ii) the security of tangible and intangible Fund assets and the security of computer systems and facilities; and (iii) any fraud, whether or not material, that involves management or other employees who have a significant role in the issuer's internal controls;

XI. To address reports from the Independent Auditor or the Fund's legal counsel of possible violations of law;

(6) SAS Nos. 61 and 90 (amending SAS Nos. 61 and 71) require independent auditors to communicate certain matters related to the conduct of an audit to those who have responsibility for oversight of the financial reporting process, specifically the audit committee. Among the matters to be communicated to the audit committee are: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements. SAS No. 90 clarifies that the auditor must discuss certain information relating to its judgment about the quality, not just the acceptability, of the company's accounting principles with the audit committee and encourages a three-way discussion among the auditor, management and the audit committee.

- XII. To establish rules and procedures necessary for the Committee to fulfill its responsibilities and conduct its business;
- XIII. To evaluate, on an annual basis, the Fund's policies with respect to risk assessment and risk management, including the Fund's major financial risk exposures, and the steps undertaken by the Fund to monitor and control these exposures;
- XIV. To investigate improprieties or suspected improprieties in Fund operations, as they are presented to the Committee or brought to the attention of the Committee;
- XV. To review the Fund's tax compliance and status, including the status of the Fund's position relative to tax audits and significant issues disputed by tax authorities;
- XVI. To discuss, to the extent applicable, any press release containing earnings or financial information or any such information provided to the public or analysts and rating agencies;
- XVII. To set hiring policies for employment by the Fund or AIG SunAmerica Asset Management Corp. of any employees or former employees of the Fund's Independent Auditor to the extent believed appropriate;
- XVIII. To investigate matters brought to its attention within the scope of its duties;
- XIX. To develop, establish and periodically review procedures for: (i) the receipt, retention and treatment of complaints received by the Fund from any source regarding accounting, internal accounting controls, or auditing matters; and (ii) the confidential, anonymous submission by employees of the Fund or its service providers of concerns regarding questionable accounting or auditing matters related to the Fund;
- XX. To assure that all its actions are recorded in minutes of its meetings and maintained with the Fund's records; and
- XXI. To report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate.

Other Powers and Responsibilities

- XXII. The Committee shall meet at least once a year, and may meet at such other time or times as the Committee or Board may determine appropriate or necessary, and is empowered to hold special meetings as circumstances require.
- XXIII. Annually, the Committee shall make a report indicating whether the Committee (i) reviewed and discussed the Fund's audited financial statements with management; (ii) discussed the matters required by SAS Nos. 61 and 90, as modified or supplemented; and (iii) received from the Independent Auditor the letter and written disclosure required by ISB Standard No. 1, and discussed with the Independent Auditor its independence. The Committee's report should also indicate whether the Committee, based on its review and its discussions with

management and the Independent Auditor, recommends to the Board that the audited financial statements be included in the Fund's annual report for the last fiscal year.
