SCHEDULE 13D

Introduction

On September 15, 2008, a Schedule 13D (the September 15th Schedule 13D) was filed jointly by Telefónica, S.A., a corporation organized under the laws of the Kingdom of Spain (Telefónica), and Telefónica Internacional, S.A.U., a wholly-owned subsidiary of Telefónica (Telefónica Internacional), with respect to a share purchase agreement between Telefónica Internacional and AllianceBernstein L.P. for the acquisition of a total 178,721,782 ordinary shares, U.S.\$0.04 par value per share (the Shares), and 2,512,000 ordinary shares underlying 125,600 American Depositary Shares issued by Citibank N.A. (the ADSs), of China Netcom Group Corporation (Hong Kong) Limited, a telecommunications company organized under the laws of Hong Kong (China Netcom). At closing on September 9, 2008, Telefónica Internacional paid the equivalent of HK\$4,237,245,823 (approximately 368.0 million) as the aggregate purchase price for the Shares and ADSs.

On September 22, 2008, an Amendment No. 1 amending and supplementing the statement on the September 15th Schedule 13D was filed jointly by Telefónica and Telefónica Internacional with respect to the completion of the acquisition by Telefónica Internacional of an additional 148,015,436 ordinary shares, U.S.\$0.04 par value per share (the Additional Shares), of China Netcom from Shanghai Alliance Investment Ltd., Information and Network Centre of the State Administration of Radio Film and Television, P.R.C., Chinese Academy of Sciences Holdings Co., Ltd., and China Railway Communications Center. At closing on September 23, 2008, Telefónica Internacional paid the equivalent of HK\$3,460,304,862.8 (approximately 312.9 million) as the aggregate purchase price for the Additional Shares.

As a result of the acquisition of the Shares, the ADSs and the Additional Shares, Telefónica Internacional was the beneficial owner of a total of 663,220,523 ordinary shares of China Netcom, corresponding to approximately 9.90% of its share capital (the China Netcom Interest), which also included:

- (a) 196,882,473 ordinary shares acquired from CNC Fund, L.P. in June 2005; and
- (b) 137,088,832 ordinary shares acquired through open market purchases of (i) 132,794,816 ordinary shares from July to September 2005, (ii) 2,092,016 ordinary shares in December 2006, and (iii) 2,202,000 ordinary shares in December 2007.

On September 4, 2008, Telefónica Internacional entered into an additional share purchase agreement with AllianceBernstein L.P. for the acquisition of a second tranche (the Second Tranche Acquisition) in respect of 182,336,159 ordinary shares (the Second Tranche Shares) and 2,512,000 ordinary shares underlying 125,600 American Depositary Shares (the Second Tranche ADSs) of China Netcom, subject to adjustment at closing. (See Item 6 *Second Tranche Acquisition*, and Exhibit 1 to this Schedule 13D.) The Second Tranche Shares and Second Tranche ADSs were issued upon:

- (a) The successful completion of the scheme of arrangement of China Netcom (the Scheme) through which China Netcom was to be merged into China Unicom Limited (subsequently renamed China Unicom (Hong Kong) Limited, in both instances, China Unicom), a telecommunications company organized under the laws of Hong Kong;
- (b) The completion of the merger of China Netcom into China Unicom (the Merger), which became effective on October 15, 2008, as a result of which the China Netcom Interest was exchanged for a total 1,000,136,542 ordinary shares of the enlarged entity

resulting from the Merger (New China Unicom), representing approximately a 4.21% interest in the share capital of New China Unicom; and

- (c) The cancellation of all the ordinary shares, including the ordinary shares underlying the American Depositary Shares, of China Netcom in issue as of October 14, 2008, which was completed on October 15, 2008.

Upon completion of the Second Tranche Acquisition, Telefónica International's pro-forma shareholding in New China Unicom following the successful completion of the Scheme will stand at approximately 5.38% of the share capital of New China Unicom. Closing for the Second Tranche Acquisition is expected to take place on or about October 28, 2008.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

§ *Second Tranche Acquisition.*

The following summary of certain material provisions of the share purchase agreement with respect to the Second Tranche Acquisition does not purport to be a full and complete description of such documents and is entirely qualified by reference to the full text of such documents attached as Exhibit 1 to this Schedule 13D.

On September 4, 2008, Telefónica Internacional and AllianceBernstein L.P., for itself and on behalf of its affiliates, entered into a share purchase agreement for the sale and purchase of 182,336,159 ordinary shares of China Netcom and the 2,512,000 ordinary shares underlying 125,600 American Depositary Shares of China Netcom, subject to adjustment at closing. The maximum number of ordinary shares of China Netcom Telefónica Internacional agreed to ultimately purchase is 203,152,256 (the Second Tranche Total Shares). The Second Tranche Total Shares are subject to the underlying entitlement to the ordinary shares and American Depositary Shares of China Unicom to be issued to AllianceBernstein L.P. and its affiliates pursuant to and in connection with the share exchange proposal (the Share Proposal) and the Scheme, including the withdrawal of the listing of China Netcom's ordinary shares on the Hong Kong Stock Exchange and the delisting of China Netcom's American Depositary Shares from the New York Stock Exchange, jointly announced by China Netcom and China Unicom on June 2, 2008.

The aggregate purchase price payable for the Second Tranche Total Shares shall be an average of the closing prices of the ordinary shares of China Netcom as quoted on the Hong Kong Stock Exchange for each of the 30 consecutive trading days immediately prior to the completion of the Scheme and the Share Proposal, subject to a minimum purchase price of HK\$22.21 and a maximum purchase price of HK\$24.55 per share. The purchase price is also subject to adjustment at closing for any monetary distributions paid to or declared by China Netcom and received or to be received by or on behalf of the sellers on or after September 4, 2008. The closing is conditional on, among other things, the completion of the Share Proposal and the Scheme (the Closing Condition). Unless otherwise agreed, the closing date for each transaction is the date five (5) business days after the date on which the Closing Condition was satisfied, which date is October 15, 2008, and in any event no later than December 15, 2008 or such later date as the parties may agree (the Long Stop Date).

Each party has the right to terminate the share purchase agreement for the Second Tranche Acquisition if the Closing Condition is not satisfied by the Long Stop Date. Each of the parties made customary warranties in connection with such sale and purchase. Each of AllianceBernstein L.P. and its affiliates also undertook to Telefónica Internacional that, until the Long Stop Date or the date the share purchase agreement is terminated, whichever is earlier, it shall not dispose of or enter into any agreement or arrangement to dispose of or permit the disposal of any of the applicable shares.

§ *Letter of Undertaking.*

The following summary of certain material provisions of the Letter of Undertaking (as defined below) does not purport to be a full and complete description of such document and is entirely qualified by reference to the full text of such document attached as Exhibit 2 to this Schedule 13D.

On June 1, 2008, Telefónica Internacional entered into a letter of undertaking with China Unicom in connection with China Netcom's proposed merger into China Unicom pursuant to the Scheme (the Letter of Undertaking). A copy of the Letter of Undertaking is included as Exhibit 2 to this Schedule

Table of Contents

13D, and the description of the undertakings contained herein is qualified in its entirety by reference to Exhibit 2 to this Schedule 13D, which is incorporated herein by reference.

Pursuant to the Letter of Undertaking, Telefónica Internacional has undertaken that it shall not, among other things, (a) other than pursuant to the Scheme, sell, transfer, charge, encumber, grant any option over or otherwise dispose of any interest in (i) any ordinary shares of China Netcom beneficially owned by Telefónica Internacional as of the date of such Letter of Undertaking or (ii) any other shares or securities in China Netcom issued or unconditionally allotted to it or otherwise acquired by it (such shares referred to in clauses (i) and (ii), collectively, the Undertaking Shares); (b) accept, or procure the acceptance of, any other offer in respect of the Undertaking Shares; (c) vote in favor of any resolution which might result in any condition of the Scheme not being fulfilled; (d) other than pursuant to the Scheme, enter into any agreement or arrangement or permit any agreement or arrangement to be entered into or authorize or incur any obligation (i) to do any of the acts referred to in (a), (b) and (c) above or (ii) which, in relation to the Undertaking Shares, would or might restrict or impede it voting in favor of the Scheme; (e) sell or otherwise dispose of any shares or other securities of China Unicom or any interest therein (including any derivatives referenced to such securities) or (f) requisition or join in requisitioning any general or class meeting of China Netcom without the prior consent of China Unicom.

Telefónica Internacional has also undertaken that it shall not directly or indirectly solicit or encourage any person other than China Unicom to make any offer for any shares or other securities of China Netcom or take any action which is or may be prejudicial to the successful outcome of the Scheme or which would or may have the effect of preventing any of the conditions of the Scheme from being fulfilled. Telefónica Internacional has further undertaken to exercise all voting rights attaching to the Undertaking Shares to vote in favor of all resolutions to approve the Scheme and any related matters necessary to implement the Scheme proposed at any general or class meeting of China Netcom (the EGM) and court convened meeting (the Court Meeting) to be convened and held in connection with the Scheme, or at any adjournment of any such meeting.

The Letter of Undertaking shall lapse if, among other things, (a) China Unicom announces, with the consent of the Securities and Futures Commission of Hong Kong and before the Scheme Document is posted, that it does not intend to proceed with the Scheme; (b) the Scheme is not approved at the EGM or the Court Meeting by November 30, 2008; (c) the Scheme lapses or is withdrawn in accordance with its terms; or (d) there is a higher competing offer for China Netcom. In addition, the Letter of Undertaking would lapse if (i) since the date of the Letter of Undertaking, there has been a material adverse change in the business, financial or trading position of China Unicom or (ii) the independent financial adviser appointed by the independent board committee of China Network does not render an opinion that certain proposals set forth in China Network's and China Unicom's joint announcement dated June 2, 2008 are fair and reasonable.
