PROXY STATEMENT

**Annual Meeting of Shareholders
August 11, 2009**

SOLICITATION OF PROXIES

The accompanying proxy is solicited by the Board of Directors of Monro Muffler Brake, Inc., a New York corporation (the Company or Monro), for use at the Annual Meeting of Shareholders (the Annual Meeting) to be held at the Radisson Hotel Rochester Riverside, 120 East Main Street, Rochester, N.Y. 14604, on Tuesday, August 11, 2009, commencing at 10 a.m., or at any adjournment or postponement thereof.

A shareholder who executes a proxy may revoke it at any time before it is voted. Attendance at the meeting shall not have the effect of revoking a proxy unless the shareholder so attending shall, in writing, so notify the secretary of the meeting at any time prior to the voting of the proxy. A proxy which is properly signed and not revoked will be voted for the nominees for election as directors listed herein, for the ratification of the proposal regarding reevaluating the selection of independent public accountants as proposed herein and for the re-approval of the Monro Muffler Brake, Inc. Management Incentive Compensation Plan, unless contrary instructions are given, and such proxy may be voted by the persons named in the proxy in their discretion upon such other business as may be properly brought before the meeting.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies by telephone or otherwise. The Company will reimburse brokers or other persons holding shares in their names or in the names of their nominees for their charges and expenses in forwarding proxies and proxy material to the beneficial owners of such shares. It is anticipated that the mailing of this Proxy Statement will commence on or about July 10, 2009.

VOTING SECURITIES

Only shareholders of record at the close of business on Tuesday, June 23, 2009, the record date, will be entitled to vote. At May 29, 2009, the Company had outstanding 19,436,867 shares of Common Stock, par value \$.01 per share (Common Stock). Each share of Common Stock is entitled to one vote on each matter as may properly be brought before the meeting.

The voting rights of holders of Common Stock are subject to the voting rights of the holders of 32,500 shares outstanding of the Company's Class C Convertible Preferred Stock, par value \$1.50 per share (Class C Preferred Stock). The vote of the holders of at least 60% of the shares of Class C Preferred Stock at the time outstanding, voting as a separate class, or, alternatively, the written consent of the holders of all outstanding shares of Class C Preferred Stock, is needed to effect or validate any action approved by a vote of the holders of shares of Common Stock. Therefore, such preferred shareholders have an effective veto over all matters put to a vote of common shareholders,

and such veto power could be used, among other things, to block the election of directors, the proposal regarding selection of independent public accountants, the re-approval of the Monro Muffler Brake, Inc. Management Incentive Compensation Plan, or any other matter that the holders of the Common Stock might otherwise approve at the Annual Meeting. It is expected that the holders of the Class C Preferred Stock will approve, by unanimous written consent, all matters currently proposed to be put to a vote of common shareholders at the Annual Meeting.

With regard to the election of directors, votes may be cast in favor of or withheld from each nominee. A director nominee must receive a majority of the votes cast at the meeting to be elected. Votes cast include votes that are withheld from any nominee. Abstentions may be specified on proposals other than the election of directors, which proposals require a majority of the votes cast at the meeting for approval. Abstentions will be counted as present for purposes of determining the existence of a quorum but are not

Table of Contents

deemed cast at the meeting and, thus, have no effect on the determination of a majority. With respect to shares of Common Stock held in street name, where no vote is indicated on a matter because the nominee or broker lacks authority to vote such shares without specific instructions from the beneficial owner, and the nominee or broker has received no such instructions (a broker non-vote), such shares are not counted as present for the purpose of determining the existence of a quorum unless such shares can be voted on another matter and are not counted as votes cast with respect to any matter for which a broker non-vote exists.

ELECTION OF DIRECTORS

The Board of Directors of the Company is divided into two classes having terms which expire at the Annual Meeting (Class 2) and at the 2010 annual meeting of shareholders (Class 1). Four Class 2 directors are proposed for re-election at the Annual Meeting.

Current Nominees

It is proposed to elect at the Annual Meeting four persons to Class 2 of the Board of Directors to serve (subject to the Company's by-laws) until the election and qualification of their successors at the 2011 annual meeting of shareholders. If any such person should be unwilling or unable to serve as a director of the Company (which is not anticipated), the persons named in the proxy will vote the proxy for substitute nominees selected by the Board of Directors unless the number of directors to be elected has been reduced to the number of nominees willing and able to serve.

Stock Ownership Guidelines

On November 30, 2006, the Board of Directors adopted the Monroe Muffler Brake, Inc. Stock Ownership Guidelines. The purpose of the guidelines was to further engage certain senior executives and the members of the Board in the long-term success of the Company.

The guidelines require each affected executive to maintain ownership of Monroe's Common Stock in an amount equal to a multiple of such executive's annual base salary. Specifically, Mr. Gross, as Monroe's Chief Executive Officer and Mr. Van Heel, as Monroe's President, are each required under the guidelines to maintain ownership of an amount of stock equal in value to two and one-quarter (2.25) times their respective annual base salaries. In addition, each of the three next most highly-compensated employees of the Company, Ms. D'Amico and Messrs. Tomarchio and Hoornbeck, is required to maintain ownership of an amount of Monroe Common Stock equal in value to one and one-half (1.5) times his or her respective annual base salary. Each affected executive is required to achieve his or her required ownership level within four years of the commencement date of his or her employment or promotion, or, in the case of the executives identified above, except for Mr. Van Heel who was promoted in March 2008, within four years of the adoption of the guidelines by the Board. As of the date of this proxy statement, Messrs. Gross and Hoornbeck and Ms. D'Amico are in full compliance with the ownership levels required by the guidelines. Under the guidelines, Mr. Tomarchio has until November 30, 2010 to achieve his required ownership level and Mr. Van Heel has until March 30, 2012 to achieve his required ownership level.

In addition, the guidelines require that each non-employee director maintain an ownership level in Monroe's Common Stock in an amount equal to three times the annual cash retainer (currently \$20,000). Each affected director is required to achieve his/her required ownership level within four years of his/her joining the Board. As of the date of this proxy statement, all of the Company's non-employee directors are in full compliance with the ownership levels required by the guidelines.

Meetings of the Board of Directors and Committees

The Board of Directors held four meetings during fiscal 2009⁽¹⁾. During the fiscal year, each director attended at least 75% of the aggregate number of all meetings of the Board of Directors and committees on which he or she served. All attended last year's Annual Meeting.

At least annually, the Board of Directors reviews the Company's management succession plans and executive resources. Additionally, non-management directors regularly meet in executive sessions, including at times, without Mr. Glickman, who is not considered an independent director. Mr. Solomon presides over these executive sessions.

The Board of Directors has determined that a majority of Board members is independent as defined by the listing standards of the Nasdaq Stock Market, Inc. (NASDAQ).

The Board of Directors has created four standing committees: a three-member Governance Committee, a three-member Audit Committee, a three-member Compensation Committee and a four-member Nominating Committee.

The Governance Committee has and may exercise, between meetings of the Board of Directors, all the power and authority of the full Board of Directors, subject to certain exceptions. During fiscal 2009, the Governance Committee did not meet. Its members are Donald Glickman, Robert G. Gross and Peter J. Solomon.

The Audit Committee has the power and authority to select and engage independent auditors for the Company and reviews with the auditors and with the Company's management all matters relating to the

annual audit of the Company. The Audit Committee operates under a formal charter approved by the Board, a copy of which can be found on the Investor Information-Corporate Governance Section of the Company's website at www.monro.com. The Audit Committee held ten meetings in fiscal 2009. It consists of three members: Richard A. Berenson, Chairman, Frederick M. Danziger and Lionel B. Spiro, each of whom is an independent director.

The Compensation Committee has the power and authority to review and approve the remuneration arrangements for executive officers and employees of the Company and to select participants, approve awards under, interpret and administer the employee benefit plans of the Company. It operates under a formal charter approved by the Board, a copy of which can be found in the Investor Information-Corporate Governance Section of the Company's website at www.monro.com. The Compensation Committee held two meetings in fiscal 2009. It consists of three members: Frederick M. Danziger, Chairman, Francis R. Strawbridge and Elizabeth A. Wolszon, each of whom is an independent director.

The Nominating Committee was formed by the Board in fiscal 2007 and operates under a formal charter adopted by the Board, a copy of which is available on the Company's website. During fiscal year 2009, the Nominating Committee held one meeting. The Nominating Committee consists of four members: Francis R. Strawbridge, Chairman, Richard A. Berenson, Lionel B. Spiro and Elizabeth A. Wolszon.

The Nominating Committee is responsible for identifying, screening and recommending candidates for membership on the Board pursuant to written guidelines approved by the Board. In assessing potential new directors, these directors consider individuals from various disciplines and diverse backgrounds. The selection of qualified directors is complex and crucial to Monroe's long-term success. Board candidates are considered based upon various criteria, such as their broad-based business skills and experiences, a global business perspective, concern for the long-term interests of the shareholders, and personal integrity and judgment. In addition, directors must have time available to devote to Board activities and to enhance their knowledge of Monroe and the automotive service industry.

The Nominating Committee will consider recommendations from shareholders of potential candidates for the Board of Directors. Pursuant to the Company's Certificate of Incorporation, a shareholder wishing to recommend a potential candidate must submit the recommendation in writing, addressed to the Secretary, Monroe Muffler Brake, Inc., 200 Holleder Parkway, Rochester, NY 14615, Attention: Nominating Committee, so that the Secretary receives the recommendation not less than 120 days (nor more than 180 days) prior to the meeting. Each recommendation must set forth the information required by the Certificate of Incorporation for shareholders submitting a nomination. Additional information and a copy of the Certificate of Incorporation may be obtained by submitting a written request to the Secretary of the Company.

Each year, prior to the annual meeting of shareholders, the Nominating Committee recommends the Board's nominees to serve as Monroe's directors for the next two years. The Board is soliciting proxies to elect these individuals. All candidates nominated by the Board of Directors for election at the 2009 Annual Meeting of Shareholders, except for Mr. Gross, have been determined to be independent directors.

Communications with Directors

Shareholders wishing to communicate with the non-management directors may send a letter to the Secretary, Monroe Muffler Brake, Inc., 200 Holleder Parkway, Rochester, NY 14615, Attention: Non-Management Directors. All correspondence sent to that address will be delivered to the appropriate directors on a quarterly basis, unless the Secretary determines by individual case that it should be sent more promptly. Any concerns relating to accounting, internal controls, auditing or officer conduct will be sent promptly to the Chair of the Audit Committee. All correspondence to non-management directors will be acknowledged by the Secretary and may also be forwarded within Monroe to the subject matter expert for investigation. Alternatively, communication with non-management

directors may occur as outlined in Monro's Corporate Code of Ethics which is posted on its website at www.monro.com.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are Frederick M. Danziger, Francis R. Strawbridge and Elizabeth A. Wolszon.

None of such persons is a current or former employee or officer of the Company or any of its subsidiaries. During fiscal 2009, no member of the Compensation Committee was an executive officer of another entity on whose compensation committee or board of directors any executive officer of the Company served.

Robert G. Gross, the Company's Chairman and Chief Executive Officer, does not participate in the Compensation Committee's determination of his compensation.

COMPENSATION DISCUSSION AND ANALYSIS

The following compensation discussion and analysis summarizes the Company's philosophy and objectives regarding the compensation of its executives, including how the Company determines elements and amounts of executive compensation. The following discussion and analysis should be read in conjunction with the tabular disclosures regarding the compensation of Named Executive Officers in fiscal 2009 and the report of the Compensation Committee of the Board of Directors (the Committee), which immediately follow below. For purposes of this analysis, the executive officers named in the Summary Compensation Table below, including the Chief Executive Officer, are referred to as the Named Executive Officers.

Compensation Philosophy and Objectives

The Company's executive compensation program is overseen and administered by the Committee, which is comprised entirely of independent directors as determined in accordance with various NASDAQ and Internal Revenue Code rules. The Committee operates under a written charter adopted by the Committee and ratified by the Board of Directors (the Board). A copy of the charter is available at www.monro.com.

Monro's compensation program is intended to meet three principal objectives: (1) attract, reward and retain officers and other key employees; (2) motivate these individuals to achieve short-term and long-term corporate goals and enhance shareholder value; and (3) support Monro's core values and culture, by promoting internal equity and external competitiveness. To meet these objectives, Monro has adopted the following overriding policies:

Pay compensation that is competitive with the practices of other leading automotive and retail companies; and

Pay for performance by:

setting challenging performance goals for our officers and providing short-term incentive through a bonus plan that is based upon achievement of these goals; and

providing long-term, significant incentives in the form of stock incentives, in order to retain those individuals with the leadership abilities necessary for increasing long-term shareholder value while aligning the interests of our officers with those of our shareholders.

The above policies guide the Committee in assessing the proper allocation between long-term compensation, current cash compensation and short-term bonus compensation. Other considerations include Monro's business objectives, its fiduciary and corporate responsibilities (including internal equity considerations and affordability), competitive

practices and trends, and regulatory requirements.

The program rewards the executive officers for attaining established goals that require the dedication of their time, efforts, skills and business experience to the success of the Company. The compensation program is designed to reward both annual and long-term performance. Annual performance is rewarded through salary and annual bonus. Long-term performance is rewarded through stock incentives, the value of

Table of Contents

which is measured in the performance of the Company's stock price. In addition, the Named Executive Officers receive other benefits, certain of which are available to all other salaried employees of the Company.

Oversight of the Executive Compensation Program

The Committee administers the Company's executive compensation program on behalf of the Board and its shareholders. The Committee has not retained a compensation consultant to review its policies and procedures with respect to executive compensation.

In determining the appropriate compensation packages for the Company's executives, the Committee reviews, on an annual basis, spreadsheets which summarize each executive's past and present compensation, including equity and non-equity based compensation. In addition, the Company's Chairman and Chief Executive Officer annually reviews the performance of each of the executives (other than the Chief Executive Officer, whose performance is reviewed annually by the Committee). The conclusions reached and recommendations made based on these reviews for base salary levels and annual bonus amounts are presented to the Committee in May each year. The Committee relies to a large extent on the Chief Executive Officer's evaluations of each executive's performance. However, it is the Committee which makes all final compensation decisions regarding the Company's executives.

The Company does not have a pre-established policy for the allocation between annual executive compensation and long-term incentive-based executive compensation. Instead, the Committee uses a flexible approach so that it may reward recent performance and create incentives for long-term enhancements in shareholder value. However, the Committee does seek to have a substantial portion of each executive's compensation be incentive-based, with the most senior executives having the highest portion dedicated to incentive-based compensation.

Elements of Executive Compensation

The principal elements of the Company's executive compensation program are:

- base salary;
- an annual cash-based incentive opportunity;
- long-term equity incentive awards;
- retirement and other benefits; and
- perquisites and other personal benefits.

Base Salary

The Company provides Named Executive Officers and other employees with a base salary to compensate them for services rendered during the fiscal year. For executives, the amount of base salary is meant to reflect the primary responsibilities of his/her position and is set at a level that the Committee believes will enable the Company to attract and retain talent. Increases to the base salaries of executives are not preset, and take into account the individual's performance, responsibilities of the position, experience and the methods used to achieve results, as well as external market practices.

The Committee generally targets executive base salaries to be at levels comparable to those paid to executives holding similar positions at other automotive service companies of comparable size. However, variations to the target may

occur as dictated by the experience and skill level of the individual in question and market factors. The Committee considers a number of criteria in establishing and adjusting the base salary of a particular executive officer, including, among other things, recent hiring experience, individual performance, individual experience and longer term potential.

Annual salary planning begins with a percentage guideline for increases, based upon the Company's annual budget, which is adjusted upward or downward for individual performance based on recommendations from the Chief Executive Officer. The guidelines are set after considering competitive market data, affordability and current salary levels, as appropriate. The performance of each executive officer is

Table of Contents

evaluated annually following the close of the fiscal year so that each executive's performance can be assessed within the context of the Company's performance against its financial and strategic goals for the year. Individual performance is evaluated based on the specific responsibilities and accountabilities of the executive, the value of the services provided, the executive's management skills and experience, and the individual's contribution to the performance and profitability of the Company. Base salary adjustments for officers, other than the Named Executive Officers, during fiscal 2009, averaged approximately 4.2%.

Salaries for executive officers are reviewed annually or when there is a particular change, such as a promotion. The Committee typically approves the base salary increases in May, which are effective retroactive to April of that same year. In May 2008, the Committee increased base salaries for the Named Executive Officers, retroactive to April 1, 2008. The salaries the Company paid to the Named Executive Officers during fiscal 2009 are shown in the Summary Compensation Table.

For fiscal 2009, base salary increases for all executives generally ranged from 2.5 to 6.3 percent and were established after considering job performance, internal pay alignment and equity, and marketplace competitiveness. Mr. Van Heel's base pay was increased by 23.2% in April 2008 in connection with additional responsibilities related to his promotion, effective March 31, 2008, to President.

Annual Incentive Bonus

The Committee has the authority to award annual incentive bonuses to the Company's officers. Each May, the Committee establishes targets for annual incentives in the form of performance-based cash bonuses to compensate executive officers, as well as other management employees. Each Named Executive Officer, other than the Chief Executive Officer, receives his or her annual incentive bonus pursuant to the Company's Executive Bonus Plan. The Company's Chief Executive Officer primarily receives his annual incentive bonus pursuant to a separate, shareholder approved, Management Incentive Compensation Plan, designed to comply with the requirements of the Internal Revenue Code Section 162(m). This plan was approved by shareholders in August 2002, and the Company is seeking re-approval by shareholders at the 2009 Annual Meeting of Shareholders. However, the Committee may also award a discretionary bonus to the Chief Executive Officer under the Executive Bonus Plan, although it has never done so.

Annual incentive bonuses are intended to compensate officers for the Company's achievement of stated corporate financial goals. The structure of the Executive Bonus and Management Incentive Compensation Plans for each year, including the incentive formula, the performance measures, and the corporate targets, are established and approved during the first quarter of the year to which the bonus relates.

The actual amount of each executive's bonus under the Executive Bonus Plan is determined based on the Committee's review of the Company's level of achievement of the stated corporate financial goals, as well as the Chief Executive Officer's recommendations. The actual amount of the Chief Executive Officer's bonus under the Management Incentive Compensation Plan is based solely on the Company's achievement of a desired level of pre-tax income established in the first quarter of the fiscal year. All bonus awards made under the Plans are subject to the Committee's approval. In addition, the Committee has the sole authority to determine whether the corporate goals have been achieved by the Company and, if so, the applicable bonus award percentages to be paid. The Committee may use its discretion to include or exclude extraordinary or unusual items in determining the level of achievement of corporate financial goals.

In fiscal 2009, the Committee established company-wide performance measures based upon the Company's achievements of pre-tax earnings targets that are based upon the Board-approved annual budget, thus linking compensation to the Company's overall performance. The Committee establishes performance targets after carefully reviewing the state of the business, as expressed in the Company's annual budget and business plan, and determining what measures are most likely, in present circumstances, to drive results and lead to sustainable growth.

The Company's practice is to pay cash awards based upon the achievement of its annual financial performance goals. The Committee carefully considers any exceptions. Absent extraordinary circumstances, there are no payouts for below threshold performance.

Table of Contents

For fiscal 2010, should the Company fall short of pre-tax income targets, the Committee may also assess management's performance compared to primary public company competitors over the prior three years to determine outstanding performance and award discretionary bonuses. Outstanding performance will be determined by, but not limited to, comparable store sales performance and EBITDA margin, and may take into account the impact of acquisitions, accounting changes or unusual one time charges. The Compensation Committee may award a discretionary bonus to an individual up to the target bonus. This discretionary feature was also a part of the fiscal 2009 bonus plan, but was not applied as the Company attained pre-tax earnings targets.

Each Named Executive Officer is eligible for an annual incentive bonus up to a specified percentage of such executive's base salary. Target amounts payable under the Executive Bonus and Management Incentive Plans are proportionate to each officer's accountability for the Company's business plans and currently range from 20% to 90% of the officer's base salary. However, the Committee has the discretionary authority to increase or decrease the target amounts annually.

Under the Plans for fiscal 2009, the Committee targeted bonus amounts to be paid at (a) 20% of base salary for each of the Company's Vice Presidents, (b) 25% of base salary for each of the Company's Senior Vice Presidents, (c) 35% of base salary for the President and each of the Company's Executive Vice Presidents, and (d) 90% of base salary for the Company's Chief Executive Officer. Historically, the Committee has fixed the maximum payout for any officer's annual incentive bonus at 250% of the participant's targeted bonus. However, the Chief Executive Officer's maximum payout is currently set at 167% of his targeted bonus. Payouts between the targeted amount and the maximum amount are based upon attainment of pre-established financial goals at varying levels, approved at the beginning of each fiscal year by the Committee.

Long-Term Compensation

The long-term incentive compensation that the Committee generally employs is the granting of stock option awards to eligible employees, including, but not limited to, all executives. The purpose of granting such awards is to provide equity compensation that provides value to these employees when value is also created for the shareholders. Specifically, this form of equity compensation provides the employee with value only if the price of the Company stock, when the option is exercised, exceeds the option's exercise price. For Company executives, the amount of long-term incentive compensation is intended to motivate executives to make stronger business decisions, improve financial performance, focus on both short-term and long-term objectives and encourage behavior that protects and enhances the long-term interests of the Company's shareholders. The Committee believes that stock option awards are a significant portion of the total compensation package for executives and are an important retention tool.

The Committee determines grant levels of stock option awards based on individual performance, job positions within the Company, potential and level of responsibility. It also considers history of past grants, length of time in current position and any change in responsibility, as well as the financial statement expense associated with the options. Stock option awards for a fiscal year are typically approved and granted in May of the following fiscal year in order to coincide with the timing of annual reviews and compensation determinations. However, newly appointed and promoted executives or management personnel may receive an additional stock option grant at other times during the year. The options are awarded under the Company's employee stock option plans, which require that the option exercise price be based on the closing market price of the Company's common stock on the date the option is granted. The eventual value received by an executive depends on the overall performance of the Company's stock. An executive may receive no value if the Common Stock underlying an option does not increase in value above the option's strike price.

The Committee considered the following factors in establishing the 2009 stock option grants for the Named Executive Officers: recommendation by the Chief Executive Officer, the recipient's level within the Company's overall

workforce, prior equity compensation awards, the value of the stock option award as a percentage of the recipient's total compensation and the expense associated with the awards.

The Company requires its Named Executive Officers to achieve and maintain a certain minimum level of ownership of the Company's Common Stock. These requirements are described in detail under "Stock Ownership Guidelines" in this Proxy Statement.

Retirement Benefits under the 401(k) Plan, Executive Perquisites and Generally Available Benefit Programs

The Company also provides the Named Executive Officers with perquisites and other personal benefits that the Committee believes are reasonable and consistent with the Company's overall executive compensation program, the Committee's executive compensation philosophy, as well as the Committee's objective to better enable the Company to attract and retain the most talented and dedicated executives possible. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the Named Executive Officers.

The Company sponsors, for all employees, a profit sharing plan with a 401(k) feature, which is intended to qualify under Section 401(a) of the Code. The Company will match 50% of the first 4% of pay that is contributed to the 401(k) plan. Participants are 100% vested in their own contributions at all times. Matching contributions vest 25% after two years of service, 50% after three years of service, 75% after four years of service and 100% after five years of service. In addition, any employee whose plan benefit is limited by Internal Revenue Code limitations (including each of our Named Executive Officers), may participate in the Deferred Compensation Program. The purpose of the Deferred Compensation Plan is to provide affected employees with the opportunity to receive a retirement benefit that bears a comparable ratio to compensation as is provided to employees whose retirement benefit is not limited by the Internal Revenue Code.

The Deferred Compensation Plan provides the opportunity for eligible employees, including the Named Executive Officers, to defer the receipt of certain compensation, including base salary and short-term incentives. Under the plan, the Company matches base salary deferral amounts for salary over the Internal Revenue Service compensation limit (applicable to qualified employee 401(k) plans) using the same matching formula as under the Company qualified 401(k) Profit Sharing Plan. No amounts credited under this plan are funded, and the right of a participant or beneficiary to receive a distribution is an unsecured claim against the general assets of the Company. The Nonqualified Deferred Compensation Plan is part of the Company's competitive total compensation and benefits package that helps it attract and retain key talent. The costs of the Nonqualified Deferred Compensation Plan are included in the "Nonqualified Deferred Compensation Table".

The Company's other benefit plans primarily include medical and other health care benefits, group life insurance, disability and an employee stock purchase plan which allows eligible employees to utilize a percentage of their base salary to purchase Company stock. Certain Named Executives are also covered under a noncontributory retirement plan (the "Pension Plan"). As of September 30, 1999, the Pension Plan was frozen, such that participants ceased to accrue benefits and there were no new participants in the plan. Costs associated with the Pension Plan are included in the "Pension Benefits" table which follow.

Each Named Executive Officer is provided with the use of a company-owned vehicle or a car allowance, as well as participation in the plans and programs described above.

The Committee may, in its discretion, revise, amend or add to an executive officer's perquisites and benefits as, when and if it deems advisable or appropriate. The Committee believes, based upon publicly available information, that the benefits described above are typical for senior executives at comparable companies.

Attributed costs of the perquisites and personal benefits described above for the Named Executive Officers for fiscal year 2009 are included in the column entitled "All Other Compensation" of the "Summary Compensation Table" appearing below.

Other Matters

Employment Agreements

The Company has entered into employment agreements with each of Messrs. Robert G. Gross, John W. Van Heel, and Joseph Tomarchio Jr., and Ms. Catherine D Amico. Each of these employment agreements was reviewed and approved by the Committee. In addition, the Board of Directors reviewed and approved the Company's employment agreement with Mr. Gross. The Committee believes that these employment agreements are an important part of the overall executive compensation program and serve as a recruitment and retention device.

The agreement for each executive generally addresses: role and responsibilities; rights to compensation and benefits during active employment; resignation by the employee with or without Good Reason as defined in the agreement; termination in the event of death, disability or retirement; and termination for Cause and termination without Cause, as defined in the agreement. Further, the agreement stipulates that the executive may not compete with the Company or solicit its employees for prescribed periods following termination of employment or disclose confidential information.

Each contract also contains termination and related pay provisions in the event of a change in control. In all cases, for the change in control provision to apply, there must be both (1) a change in control, as well as (2) a termination by the Company without cause or a resignation by the executive for reasons defined in the agreement, including a material diminution of his or her duties. A change in control is generally deemed to occur (i) when a person or group who was not an affiliate as of the date the Company entered into the agreement (a Non-Affiliate) acquires beneficial ownership of 50% or more of the Company's Common Stock; (ii) upon the sale of the Company substantially as an entirety to a Non-Affiliate; or (iii) when there occurs a merger, consolidation or other reorganization of the Company with a Non-Affiliate, in which the Company is not the surviving entity. Each agreement contains a provision for the payment of what is commonly referred to as an excise tax gross-up with respect to payments received by an executive upon a change in control. In May 2009, the Committee adopted a policy that the Company will not enter into any future employment agreement that includes such excise tax gross-up provisions.

In addition to the contract provisions described above, and in connection with the five year renewal of his contract effective October 1, 2007, Mr. Gross was awarded a Special Bonus of \$750,000, payable in five annual equal installments of \$150,000, beginning October 1, 2007.

Further, upon a termination of the agreement, Mr. Gross is generally prohibited for five years from the date of such termination from directly or indirectly competing with the Company or, for a one-year period from the date of such termination, soliciting its employees. In exchange for this, Mr. Gross receives a non-compete payment of \$750,000, payable in five equal installments of \$150,000, beginning on October 1, 2012 and continuing through October 1, 2016. In a situation of termination by the Company without Cause or for Good Reason, non-compete payments begin six months after termination and continue on the anniversary date of such termination until paid in full.

Mr. Gross's contract expires on September 30, 2012. Ms. D Amico's and Messrs. Tomarchio's and Van Heel's contracts all expire on December 31, 2010.

The provisions described above and other material provisions of the Company's employment agreements with Messrs. Gross, Van Heel and Tomarchio and Ms. D Amico are discussed in the Summary Compensation Table, the Grants of Plan-Based Awards Table, and in the Potential Payments Upon Termination or Change in Control sections of this Proxy Statement.

At this time, the Committee has not determined that it is necessary to enter into employment agreements with any other executives. However, Vice President-level employees and above, including Zone Managers, are entitled to between one and six months' base salary, depending on an individual's length of service, as severance pay should they be terminated by the Company for reasons other than cause or poor performance.

Resale Restriction Agreement

In the fourth quarter of fiscal 2006, prior to the Company's fiscal year 2007 adoption of Statement of Financial Accounting Standard No. 123R (SFAS 123R), the Board of Directors approved the accelerated vesting of all unvested stock options previously awarded to employees. In connection with this acceleration, the Company's executive officers and certain senior level managers have agreed that they will hold the shares related to the accelerated vesting at least through the original vesting date of the corresponding options. Except for the accelerated vesting, all other material terms and conditions of the previously granted awards remain unchanged.

Impact of Accounting and Tax Treatment of Compensation

The accounting and tax treatment of compensation generally has not been a significant factor in determining the amounts of compensation for our executive officers. However, the Committee and management have considered the accounting and tax impact of various program designs to balance the potential cost to the Company with the benefit/value to the executive.

Section 162(m) of the Internal Revenue Code limits to \$1,000,000 the annual tax deduction for compensation paid to a Company employee, unless paid pursuant to a performance-based shareholder approved plan. With regard to Section 162(m), it is the Committee's intention to maximize deductibility of executive compensation while retaining some discretion needed to compensate executives in a manner commensurate with performance and the competitive demand for executive talent. The Committee intends that the total direct compensation payable to the Named Executive Officers (base salary, short-term incentive and long-term incentive) be deductible by Monro and much of the other compensation, such as the supplemental retirement plan, be paid at a time when not subject to the limitations of Section 162(m). The Management Incentive Compensation Plan, approved by the Company's shareholders in August 2002, is designed to allow for the grant of annual incentive awards to certain executive officers of Monro that meet the qualified performance-based compensation requirements of Section 162(m) of the Code and the Regulations so as to preserve the deductibility of compensation payments to executive officers. At the Annual Meeting, the shareholders are being requested to re-approve the terms of the Management Incentive Compensation Plan, as required under Section 162(m) in order to preserve the deductibility of any annual payments to a participating Company executive in excess of \$1 million.

Beginning on March 26, 2006, the Company began accounting for stock-based compensation paid to its executives in accordance with the requirements of SFAS 123R.

Policy Concerning Additional Tax on Nonqualified Deferred Compensation Plan Benefits

Monro's compensation and benefit plans and arrangements have been designed and administered with the objective of not triggering the additional tax under Section 409A of the Internal Revenue Code.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee oversees the Company's executive compensation program on behalf of the Board. In fulfilling its oversight responsibilities, the Compensation Committee reviewed and discussed with Company management the Compensation Discussion and Analysis set forth in this Proxy Statement. Based on such review and discussion, the Compensation Committee recommended to the Board of Directors the inclusion of the Compensation and Discussion Analysis in this Proxy Statement and its incorporation by reference into the Company's 2009 Annual Report on Form 10-K.

(1) The salaries for Messrs. Gross, Tomarchio and Van Heel represent the salaries actually earned by them in fiscal 2008 and 2007. For fiscal 2008, Mr. Gross's annual salary was increased from \$698,250 to \$840,000 effective October 1, 2007 in connection with the five-year renewal of his employment contract. In fiscal 2007, Mr. Tomarchio's annual salary was increased from \$318,000 to \$343,000 on October 9, 2006 in connection with

his promotion to Executive Vice President – Store Operations. Mr. Van Heel’s annual salary was increased on October 9, 2006 from \$150,000 to \$175,000 in connection with his promotion to Executive Vice President and Chief Administrative Officer.

- (2) For Mr. Gross, in fiscal 2009 and 2008, this amount represents the payment associated with the \$750,000 special retention bonus (the “Special Bonus”) awarded to him in connection with the renewal of his employment agreement in October 2007. The Special Bonus is payable to him in five equal installments of \$150,000, beginning on October 1, 2007. Should Mr. Gross be terminated for cause or resigns without good reason, as defined in his employment agreement, he shall be required to repay a portion of the last received annual installment of the Special Bonus, pro rata to the date of termination. For fiscal 2007, the amount represents the 2007 expense associated with the \$1,000,000 special retention bonus awarded to him in connection with the renewal of his employment agreement in fiscal 2003, which was paid to Mr. Gross in fiscal 2006.
- (3) Amounts do not reflect compensation actually received by the Named Executive Officer. Instead, the amounts shown are the compensation costs recognized by the Company for option awards as determined pursuant to SFAS 123R. The assumptions used in calculating compensation costs are described in footnote 1 in the Company’s financial statements in the Form 10-K for the year ended March 28, 2009, as filed with the SEC. These compensation costs reflect costs associated with option awards granted in fiscal 2009, 2008 and 2007. There was no expense in fiscal 2009, 2008 and 2007 associated with options granted prior to fiscal 2007 because, in the fourth quarter of fiscal 2006, the Board of Directors approved the accelerated vesting of all unvested stock options previously awarded to employees. See the Grants of Plan-Based Awards table for further information on options granted in fiscal 2009.
- (4) This column represents the amounts earned by the Named Executive Officer in fiscal 2009, 2008 and 2007 pursuant to the Company’s annual incentive bonus plans. Additional information regarding the potential threshold, target and maximum payouts underlying the *Non-Equity Incentive Plan Compensation* column is included in the Grants of Plan-Based Awards table.
- (5) The Company did not pay above-market or preferential earnings to Named Executive Officers on deferred compensation in 2009, 2008 or 2007. Additionally, since the Company’s Pension Plan was frozen as of September 30, 1999, there was no change in pension value for any participants.

The Company does not provide any tax gross-ups on these perquisites.

Table of Contents**2009 OPTIONS EXERCISES**

The following table shows all stock options exercised and value realized upon exercise by the Named Executive Officers during fiscal 2009:

Name	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise⁽¹⁾ (\$)
Robert G. Gross	656,250	10,633,000
John W. Van Heel		
Joseph Tomarchio Jr.		
Catherine D. Amico	33,000	340,000
Christopher R. Hoornbeck	2,363	24,500

(1) The value realized equals the difference between the option exercise price and the fair market value of Monroe's common stock on the date of exercise, multiplied by the number of shares for which the option was exercised.

Pension Plan

The Company sponsors a noncontributory retirement plan (the Pension Plan) which is intended to qualify under Section 401(a) of the Code, as amended (the Code). As of September 30, 1999, participants ceased to accrue benefits under the Pension Plan and no employees will become plan participants after this date. Compensation and services after this date are not taken into consideration in determining benefits under the Pension Plan. Prior to September 30, 1999, each employee who attained age 21 became a participant on the April 1 or October 1 following the date the employee completed one year of service. Benefit payments generally begin upon retirement at age 65 or age 60 with 20 years of service.

Benefits under the Pension Plan are 100% vested in each participant upon completion of five years of service, attainment of age 65 or the termination of the Pension Plan. Lump sum distributions are available at termination or retirement only for accrued benefits of \$5,000 or less.

The following table shows the estimated annual benefits payable to participants under the Pension Plan upon retirement at age 65. The table does not show the reduction for Social Security benefits (see formula below).

PENSION PLAN TABLE

Average Compensation	Number of Years of Service				
	5	10	15	20	25
(Prior to September 30, 1999)					
\$100,000	\$ 22,500	\$ 45,000	\$ 45,000	\$ 45,000	\$ 45,000
80,000	18,000	36,000	36,000	36,000	36,000

For the purpose of determining amounts payable under the Pension Plan for each of the Named Executive Officers, compensation includes the average of ten years (i) base salary (including the amount of any reductions in the executive's otherwise payable compensation attributable to any cafeteria plan) plus (ii) cash bonuses. Compensation does not include stock options or the Company's contributions to the Profit Sharing Plan shown in the Summary Compensation table. Compensation is limited to \$100,000 for determining amounts payable under the Pension Plan.

(1) Actuarial assumptions used in calculating the present value of accumulated benefits are described in footnote 12 of the Company's financial statements in the Form 10-K for the year ended March 28, 2009, as filed with the SEC.

The basic benefit under the Pension Plan is a straight life annuity. Subject to certain limits required by law, benefits are payable monthly in an amount equal to (i) 45% of a participant's average monthly earnings for the highest ten consecutive years prior to September 30, 1999, less (ii) 45% of the monthly primary Social Security benefit payable to the participant at retirement. The amount of the benefit is also reduced for short service participants and participants terminating employment prior to retirement.

Due to the fact that the Pension Plan was frozen as of September 30, 1999, the amount of the benefit will be multiplied by a fraction (not greater than one), the numerator of which is the participant's total number of years of service as of September 30, 1999, and the denominator of which is the number of years of service the participant would have accumulated if he had continued his employment until the earlier of (i) age 65 or (ii) the date after age 60 but before age 65 on which the participant had at least 20 years of vesting service under the Pension Plan.

In connection with the purchase of Kimmel Automotive, Inc. (KAI) in April 2002, the Company also sponsors a non-contributory retirement plan covering certain employees of KAI. Participants ceased to accrue benefits under this plan prior to April 2002. No Named Executive Officers are covered under this plan. This plan merged with the Pension Plan during fiscal year 2005.

Profit Sharing Plan

The Company sponsors a profit sharing plan with a 401(k) feature (the Profit Sharing Plan). The Profit Sharing Plan is intended to qualify under Section 401(a) of the Code.

Each employee who has attained age 21 becomes a participant as of the first day of the month following completion of three months of service. Participants may elect to reduce their compensation by up to the lesser of 30% of their annual compensation or the statutorily prescribed annual limit (\$15,500 in calendar 2008) and to have the amount of the

reduction contributed to their account in the Profit Sharing Plan. One of the investment options available to participants is the Company's Common Stock.

The Company may make discretionary matching contributions to the matching accounts of those employees who are contributing to the Profit Sharing Plan. Through the first quarter of fiscal 2009, matching contributions were made quarterly. Beginning with the second quarter of fiscal 2009, matching contributions were made annually. A discretionary Company profit sharing contribution may also be made on an annual basis.

Deferred Compensation Plan

The Company has adopted the Monro Muffler Brake, Inc. Deferred Compensation Plan (the Plan) to provide an opportunity for additional tax-deferred savings to a select group of management or highly compensated employees. The Plan is an unfunded arrangement and the participants or their beneficiaries have an unsecured claim against the general assets of the Company to the extent of their Plan benefits.

Table of Contents

Currently, only those employees who are highly compensated employees, as that term is defined under Section 414(q) of the Code, have been designated as eligible to participate in the Plan. Under the terms of the Plan, the Compensation Committee has the ability to establish additional eligibility requirements for participation in the Plan, but has not done so thus far.

The Plan permits participants to defer all or any portion of the compensation that would otherwise be payable to them for the calendar year. In addition, the Company will credit to the participants' accounts such amounts as would have been contributed to the Monro Muffler Brake, Inc. Profit Sharing Plan but for the limitations that are imposed under the Code based upon the participants' status as highly compensated employees. The Company may also make such additional discretionary allocations as are determined by the Compensation Committee.

No amounts credited under the Plan are funded and the Company maintains accounts to reflect the amounts owed to each participant. At least annually, the accounts are credited with earnings or losses calculated on the basis of an interest rate or other formula as determined from time to time by the Compensation Committee. The current annual earnings rate is 5%.

Benefits are payable at a participant's election in a single cash sum or in monthly installments for a period not to exceed 10 years at the date designated by the participant upon his or her initial enrollment in the Plan, but in no event later than the date the participant attains age 65. Payments are made earlier in the event a participant dies or incurs an unanticipated emergency.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The following is a summary setting forth potential payments payable to the Named Executive Officers upon termination of employment or a change in control of the Company under their current employment arrangements and our other compensation programs. Specifically, compensation payable to each Named Executive Officer upon voluntary termination, involuntary termination without cause, retirement, termination following a change in control, and in the event of death or disability of the executive is discussed below. The amounts shown in the tables below

assume that such termination was effective as of March 28, 2009, and, therefore, includes amounts earned through such time and are estimates of the amounts which would be paid out to the executives (or their beneficiaries) upon their termination. Due to the number of factors that affect the nature and amount of any benefits provided upon the events discussed below, any actual amounts paid or distributed may be different. Factors that could affect these amounts include the timing during the year of any such event, the price of the Company's Common Stock and the executive's age. These benefits are in addition to benefits available generally to salaried employees upon termination, such as earned but unpaid salary through the date of termination, amounts accrued and vested under the Company's Pension, Profit Sharing and Deferred Compensation Plans, as applicable, and accrued vacation pay.

Table of Contents**Payments Made Upon Any Termination**

Regardless of the manner in which a Named Executive Officer's employment terminates, the executive is entitled to receive amounts earned during his or her term of employment. Such amounts include:

earned but unpaid salary through date of termination;

non-equity incentive compensation earned and payable prior to the date of termination;

option grants received which have already vested and are exercisable prior to the date of termination (subject to the terms of the applicable option agreement);

unused vacation pay; and

amounts accrued and vested under the Company's 401(k), Pension and Deferred Compensation Plans.

Payments Made Upon Involuntary Termination Without Cause

As a result of their employment agreements (in the case of Messrs. Gross, Van Heel and Tomarchio and Ms. D'Amico) and severance arrangements (in the case of Mr. Hoornbeck) entered into by the Company with the Named Executive Officers, in the event that a Named Executive Officer's employment is involuntarily terminated without cause, the executive would receive, in addition to the items identified under the heading "Payments Made Upon Any Termination" above:

in the case of Mr. Gross, base salary through the remainder of the term of his employment agreement, payment of the non-equity incentive compensation (i) for the prior fiscal year, to the extent not yet paid; (ii) for the then-current fiscal year, to the extent paid and *pro rata*, to the date of the executive's termination; payment of any remaining unpaid non-compete payments and any remaining unpaid "Special Bonus" payments through the remainder of the term of his agreement;

in the case of Mr. Van Heel, Ms. D'Amico and Mr. Tomarchio, 12 months of base salary continuation and payment of the non-equity incentive compensation (i) for the prior fiscal year, to the extent not yet paid; and (ii) for the then-current fiscal year, to the extent paid and *pro rata*, to the date of the executive's termination;

in the case of Mr. Hoornbeck, six months of base salary continuation; and

in the case of Ms. D'Amico and Messrs. Gross, Van Heel and Tomarchio, all then outstanding unvested options will immediately and automatically vest and be exercisable for ninety (90) days.

in the case of Mr. Gross, payment of any remaining unpaid **Special Bonus** payments through the remainder of the term of his agreement.

TABLE OF PAYMENTS UPON DEATH

The following table includes the intrinsic value (that is, the value based upon the price of the Company's Common Stock, and in the case of options, minus the exercise price) of equity awards that would be exercisable or vested if the Named Executive Officer had died on March 28, 2009.

For these purposes, permanent disability generally means total disability, resulting in the executive being unable to perform his or her job as determined by the Company's life and disability insurance provider.

Payments Made Upon a Change in Control

As discussed in detail in the Compensation Discussion and Analysis section above, the employment agreements that the Company entered into with each of Messrs. Gross, Van Heel and Tomarchio and Ms. D Amico contain change in control provisions. Also, Mr. Hoornbeck would receive certain compensation payments if he were terminated without cause following a change in control. The benefits, in addition to the items listed under the heading "Payments Made Upon Any Termination" above, include:

in the case of Ms. D Amico and Messrs. Van Heel and Tomarchio, 12 months base salary continuation;

in the case of Mr. Gross, base salary through the remainder of the term of his employment agreement; payment of the non-equity incentive compensation (i) for the prior fiscal year, to the extent not yet paid; (ii) for the then-current fiscal year, to the extent paid and *pro rata*, to the date of the executive's termination; payment of any remaining unpaid non-compete payments and any remaining unpaid Special Bonus payments through the remainder of the term of his agreement;

in the case of Mr. Hoornbeck, six months of base salary continuation;

all then-outstanding unvested options will immediately and automatically vest and be exercisable, in the case of Ms. D Amico and Messrs. Gross, Van Heel and Tomarchio, for ninety (90) days following such termination and in the case of Mr. Hoornbeck, for thirty (30) days following such termination; and

in the case of Ms. D Amico and Messrs. Gross, Van Heel and Tomarchio, an amount equal to (i) any excise tax imposed on payments or benefits provided to the executive upon his or her termination following a change in control, if such payments and benefits are considered an excess parachute payment under Section 4999 of the Code; and (ii) an additional cash payment such that the executive would be in the same after-tax economic position as though the payments and benefits, described in (i), above, were not considered an excess parachute payment. If a change in control had occurred at the end of fiscal 2009, there would have been no tax reimbursements under the current employment agreements for the aforementioned Named Officers.

Table of Contents

On May 20, 2009, the Compensation Committee of the Board of Directors adopted a policy that the Company will not enter into any future employment agreements that include excise tax gross-up provisions with respect to payments contingent upon a change in control.

(PJSC), pursuant to which PJSC provides strategic and financial advice relating to financing, capital structure, mergers and acquisitions and offensive/defensive positioning to the Company, for a fee of \$300,000 per year (plus reimbursement of out-of-pocket expenses). Pursuant to such agreement, the Company has agreed to indemnify PJSC against certain liabilities. In addition, PJSC, from time to time, provides additional investment banking services to the Company for customary fees. No additional fees were paid in fiscal 2007, 2008 and 2009. Peter J. Solomon, Board member of the Company, is Chairman of PJSC. Of the fees paid by the Company to PJSC, approximately half were paid to Donald Glickman, a director of the Company, by PJSC for consulting services.

The Company leases six stores from lessors in which Joseph Tomarchio, Jr. has beneficial ownership interests. In fiscal 2009, the Company expensed \$616,000 as rent for these stores. Mr. Tomarchio is an officer of the Company.

Aside from the six leases assumed as part of the Mr. Tire acquisition in March 2004, the Company has not entered into any affiliate leases, other than renewals or modifications of existing leases, since May 1989, and as a matter of policy, will not do so.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company's directors and executive officers, and persons who beneficially own more than ten percent of the Company's Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock. Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during fiscal 2009, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten-percent beneficial owners were complied with, except that Peter J. Solomon reported the sale of 51,995 shares held in trusts for Mr. Solomon's children on a Form 4 that was filed late; Christopher R. Hoornbeck and Craig L. Hoyle each reported a grant of 5,000 options on Forms 4 that were filed late; Frederick M. Danziger reported a gift of 4,520 shares on a Form 4 that was filed late; Francis R. Strawbridge reported the purchase of 140 shares on a Form 4 that was filed late; and Richard A. Berenson reported the purchase of 1,000 shares on a Form 4 that was filed late.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the Committee) is composed of three non-employee directors and operates under a written charter adopted by the Board of Directors. Each member of the Committee is an independent director as defined by rules of the Securities and Exchange Commission (the SEC) and NASDAQ. In addition, the Board of Directors has determined that Richard A. Berenson is an audit committee financial expert as defined by SEC rules, and is independent from management.

In fiscal 2009, the Audit Committee, as a matter of routine, reviewed its charter and practices. The Committee determined that its charter and practices are consistent with listing standards of NASDAQ.

Management is responsible for the Company's internal controls and the financial reporting process. The external auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board. The Committee's responsibility is to monitor and oversee these processes.

In this context, the Committee has met and held discussions with management and the external auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the external auditors. The Committee discussed with the external auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

The Company's external auditors also provided to the Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the external auditor's communications with the Committee concerning independence, and the Committee discussed with the external auditors that firm's independence.

Based on the Committee's discussion with management and the external auditors and the Committee's review of the representation of management and the report of the external auditors to the Committee, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 28, 2009, for filing with the SEC. The Committee has also approved, subject to shareholder ratification, the decision to reevaluate the selection of PricewaterhouseCoopers as the Company's external auditors for fiscal 2010.

Table of Contents**APPROVAL OF INDEPENDENT ACCOUNTANTS**

Shareholder ratification of the Company's independent public accountants is not required by the Company's Amended and Restated By-laws or otherwise. The Audit Committee may direct the appointment of different independent accountants at any time during the fiscal year if it determines that such a change would be in the best interests of the Company and its shareholders. However, as good corporate practice, the Audit Committee is requesting that the shareholders approve its proposal to reevaluate the selection of independent public accountants to audit the books and accounts for fiscal 2010.

PricewaterhouseCoopers LLP (PWC) has been engaged as the Company's independent accountants since 1984. A representative of PWC will be present at the Annual Meeting to respond to questions and will have an opportunity to make a statement if he or she desires to do so.

In addition to retaining PWC to audit the Company's consolidated financial statements for fiscal 2009, the Company retained PWC and other consulting firms to provide advisory, auditing, and consulting services in fiscal 2009. The Company understands the need for PWC to maintain objectivity and independence in its audit of its financial statements. To minimize relationships that could appear to impair the objectivity of PWC, the Audit Committee has restricted the non-audit services that PWC may provide primarily to tax services, merger and acquisition due diligence services and audit services. They also determined that the Company would obtain non-audit services from PWC only when the services offered by PWC are at least as effective or economical than services available from other service providers, and, to the extent possible, only after competitive bidding.

The Audit Committee has also adopted policies and procedures for pre-approving all non-audit work performed by PWC after May 5, 2003. Specifically, the Committee has pre-approved the use of PWC for the following categories of non-audit service: merger and acquisition due diligence and audit services; tax services; internal control reviews; and reviews and procedures that the Company requests PWC to undertake to provide assurances on matters not required by laws or regulations. In each case, the Committee requires management to report the specific engagements to the Committee on a regular basis, and also obtain specific pre-approval on any engagement over \$25,000.

Aggregate fees billed to the Company for services rendered by PWC for fiscal 2009 and 2008 were:

	2009	2008
Audit Fees, including quarterly reviews	\$ 532,000	\$ 558,000
Audit Related Fees	9,100	39,800
Tax Fees	151,600	19,600
All Other Fees		
Total Fees	\$ 692,700	\$ 617,400

In the table above, in accordance with SEC definitions and rules, "audit fees" are fees the Company paid to PWC for professional services for the audit of the Company's consolidated financial statements included in Form 10-K and review of financial statements included in Form 10-Qs, for the Sarbanes-Oxley Section 404 internal control audit or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are comprised of assurance and related services that are traditionally performed by the

external auditor; tax fees are fees related to preparation of the Company's tax returns, as well as fees for tax compliance, tax advice, and tax planning; and all other fees are fees billed by PWC to the Company for any services not included in the first three categories including services such as benefit plan services and merger and acquisition due diligence.

The Audit Committee has considered whether the non-audit services provided by PWC are compatible with PWC maintaining its independence and has determined that they are compatible.

The Board of Directors recommends the shareholders vote FOR ratification of the proposal regarding reevaluating the selection of independent public accountants of the Company for the fiscal year ending March 27, 2010.

RE-APPROVAL OF COMPANY S MANAGEMENT INCENTIVE COMPENSATION PLAN

You are being asked to re-approve the material terms of the Monro Muffler Brake, Inc. Management Incentive Compensation Plan (the Plan). A complete copy of the Plan is annexed as Exhibit 1 to this Proxy Statement. This re-approval is required under Internal Revenue Service regulations in order to preserve the Company s federal income tax deduction when incentive awards are made under the Plan to participating executive officers. Re-approval requires the favorable vote of a majority of the votes cast at the Annual Meeting (in person or by proxy) by the holders of the shares entitled to vote thereon. These terms, which were approved by shareholders when the Plan was first implemented in 2002, remain unchanged; and re-approval does not represent an enhancement to executive compensation. **YOUR BOARD RECOMMENDS THAT YOU VOTE FOR THIS PROPOSAL.**

PURPOSE OF THE PROPOSAL

The success of the Company depends, in large measure, on its ability to recruit and retain key executives with outstanding ability and experience. The Board of Directors also believes there is a need to motivate executives with compensation conditioned upon achievement of the Company s financial goals. To accomplish these objectives, in 2002 the Board of Directors adopted and the shareholders approved the Plan. The Plan was intended to allow for the grant of annual incentive awards to certain executive officers of the Company which met the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

The Shareholders approved the Plan in 2002 in order to comply with the provisions of Section 162(m) of the Code. The provisions of Section 162(m) require that the material terms of the Plan be disclosed to, and re-approved by, shareholders no less often than approximately every five years in order for the Company to continue to obtain a deduction for awards paid under the Plan to any executive officer of the Company whose compensation for the year is in excess of \$1 million. Due to an oversight, the Company failed to seek shareholder re-approval of the terms of the Plan, in 2007 and 2008. However, during 2007 and 2008 the Company did not pay any performance-based incentive awards under the Plan because the Company did not achieve the financial goals set by the Compensation Committee of the Board of Directors. Accordingly, the Shareholders are being requested to again approve the terms of the Plan. If re-approved, and unless the material terms of the Plan are subsequently changed, the Plan will meet the shareholder approval requirements of Section 162(m) until the Company s Annual Meeting in 2014.

MATERIAL TERMS OF THE PLAN

ADMINISTRATION

The Plan was effective as of June 1, 2002 and is administered by the Compensation Committee of the Board of Directors or any other duly established committee or subcommittee appointed by the Board to administer incentive awards under the Plan, consisting solely of two or more outside directors, as defined under Section 162(m) of the Code (the Committee).

ELIGIBILITY

Only executive officers of the Company who are also insiders of the Company under Section 16 of the Exchange Act (Executive Officers) are eligible to participate in the Plan. The Committee designates the Executive Officers eligible to receive incentive awards under the Plan.

DESCRIPTION OF AWARDS UNDER THE PLAN

Under the Plan, the Committee may award to Executive Officers annual incentive awards. Within 90 days after the beginning of each fiscal year (the *Determination Date*), the Committee selects the Executive Officers who will participate in the Plan during that year and adopts in writing, with respect to each such Executive Officer, a target (*Target*) equal to a desired level for such fiscal year of income before provision for taxes (the *Financial Goal*). The Committee also decides on a base amount (*Base Amount*),

Table of Contents

based upon the Financial Goal, representing a minimum amount which, if not exceeded, would result in no amounts being payable to the Executive Officer, and a base salary percentage, representing the percentage of the Executive Officer's base salary which shall be payable as an incentive award in the event that 100% or more of the Executive Officer's Target is achieved. Finally, the Committee determines on each Determination Date for each participating Executive Officer a mathematical formula or matrix which indicates the extent to which incentive awards will be made if the Base Amount is exceeded, including if the Target is attained or exceeded.

As soon as practicable after the close of each fiscal year in which any Executive Officer is participating in the Plan, the Committee determines with respect to each Executive Officer whether and the extent to which the applicable Base Amount is exceeded, including the extent to which, if any, the Target was attained or exceeded. Payment of incentive awards are made in such form and at such time or times as designated by the Committee.

Since the Plan's initial approval by the Shareholders in 2002, the Committee has only selected Robert G. Gross, Chief Executive Officer, to participate in the Plan. However, in future years, the Committee may select additional Executive Officers to be participants in the Plan.

TERMINATION OF EMPLOYMENT

In the event a participant shall die or become disabled, the Committee may provide for the partial or full payment of any incentive award for the year of termination and any incentive award from any prior year which has not yet been paid. If a participant shall terminate employment for any other reason, he or she will not be eligible to receive payment for any such award.

NONTRANSFERABILITY

Incentive awards are not transferable other than by will or by the laws of descent and distribution.

LIMITATIONS WITH RESPECT TO AWARDS

In no event shall any individual participating Executive Officer receive an incentive award in excess of \$2,000,000 for any fiscal year.

DEFERRAL OF AWARDS

The Committee may permit or require that a participant defer receipt of payment of cash that would otherwise be due to the participant under an incentive award.

AMENDMENT

The Committee may amend the Plan at any time, although, shareholder approval of such amendment will be obtained if required by applicable law.

DURATION OF THE PLAN

The Plan will remain in effect until terminated by the Board of Directors.

MR. GROSS' S FISCAL 2009 BONUS

In May 2008, under the terms of the Plan, the Committee set a Target for Mr. Gross of \$36,046,000 for Fiscal 2009 (the Fiscal 2009 Bonus Criteria). In May 2009, the Committee met to review the Company's financial performance during Fiscal 2009 and determined that, based upon the Fiscal 2009 Bonus Criteria, Mr. Gross was entitled to an incentive cash payment of \$972,659 (the Fiscal 2009 Bonus). Because the Company did not obtain Shareholder re-approval of the terms of the Plan in 2007 and 2008, and because, with the payment of the Fiscal 2009 Bonus, Mr. Gross's 2009 compensation would be in excess of \$1 million, the Company is currently unable to take a federal income tax deduction, worth an estimated \$370,000, for the Fiscal 2009 Bonus. However, if (i) the Shareholders re-approve the material terms of the Plan prior to the payment of the Fiscal 2009 Bonus; and (ii) Mr. Gross agrees to forgo the Fiscal 2009 Bonus if the Shareholders fail to re-approve the Plan at the August 2009 Annual Meeting, the Company will be permitted to deduct the Fiscal 2009 Bonus. In May 2009, Mr. Gross agreed in writing to forgo the Fiscal 2009 Bonus in its entirety if the Shareholders fail to re-approve the Plan.

The Board of Directors recommends the Shareholders vote FOR re-approval of the Management Incentive Compensation Plan.

SHAREHOLDER PROPOSALS

The Company's Certificate of Incorporation provides that shareholders who do not present a proposal for inclusion in the proxy statement, but who still intend to submit the proposal at the 2010 annual meeting, and shareholders who intend to submit nominations for directors at the meeting, are required to deliver or mail the proposal or nomination to the Secretary of the Company, Monro Muffler Brake, Inc., 200 Holleder Parkway, Rochester, New York 14615, so that the Secretary receives the proposal or nomination not less than 120 days nor more than 180 days prior to the meeting, except that if less than 50 days notice or prior public disclosure of the meeting date is given or made to shareholders, the Secretary must receive such proposal or nomination not later than the close of business on the tenth day following the day on which notice of the meeting was mailed or such public disclosure was made, whichever first occurs. Article 5. Incentive Awards

5.1. Grant of Incentive Awards. Subject to the terms of the Plan, the Committee may designate Executive Officers of the Company to receive Incentive Awards under the Plan.

5.2. Determination of Target, Base Amount, and Base Salary Percentage. Within ninety (90) days of the commencement of the Plan Year (the Determination Date), the Committee shall select the Participants for the Plan Year and adopt in writing, with respect to each Participant, each of the following:

(a) a Target which shall be equal to a desired level for such Plan Year of income before provision for taxes (the Financial Goal), in each case determined in accordance with generally accepted accounting principles (subject to modifications approved by the Committee) consistently applied for the Company on a consolidated basis; provided, however, that, with respect to Participants who are employees of any of the Company's divisions, the Financial Goals may be based on divisional rather than consolidated results, or a combination of the two;

(b) a Base Amount, with respect to each Target, based upon the Financial Goal, representing a minimum amount which, if not exceeded, would result in no amounts being payable to the Participant hereunder; and

(c) a Base Salary Percentage, representing the percentage of the Participant's base salary (as of the Determination Date) which shall be payable as an Incentive Award in the event that 100% or more of the Participant's Target is achieved.

The Committee shall also determine on each Determination Date for each Participant a mathematical formula or matrix which shall indicate the extent to which Incentive Awards will be made if the Base Amount is exceeded, including if the Target is attained or exceeded, and the Committee may also determine on any Determination Date alternative formulas or matrices to account for potential or anticipated significant transactions or events during such Plan Year.

5.3. Determination of Incentive Awards. As soon as practicable after the close of each Plan Year in which any Participant is participating in the Plan, the Committee shall determine with respect to each Participant whether and the extent to which the applicable Base Amount is exceeded, including the extent to which, if any, the Target was attained or exceeded. Each Participant's Incentive Award, if any, for such Plan Year shall be determined in accordance with the mathematical formula or matrix determined pursuant to Section 5.2, as reduced in the sole discretion of the Committee, and subject to the limitations set forth in Section 5.7 hereof. The Committee shall certify in writing to the Board of Directors the amounts of such Incentive Awards and whether each material term of the Plan relating to such Incentive Awards has been satisfied. In no event may a Participant's bonus be increased as a result of a reduction of any other Participant's bonus. In reducing a Participant's Incentive Award, the Committee may consider any such factors it determines applicable.

5.4. Payment of Incentive Awards. Payment of Incentive Awards shall be made in such form and at such time or times as designated by the Committee.

5.5. Partial Awards. In the event a Participant ceases employment because of death or disability prior to the date which the Committee determines Incentive Awards under the Plan for any Plan Year, the Committee may, but need not, provide for the partial or full payment of an Incentive Award for the year of termination and any Incentive Award from any prior Plan Year which has not yet been paid out. Unless otherwise specified by the Committee, Participants who terminate employment for reasons other than death or disability prior to the date the Committee determines the Incentive Awards under the Plan will not be eligible to receive an Incentive Award for the year of termination or any

payout of any Incentive Awards from a prior Plan Year which has not yet been paid out.

5.6. Nontransferability. Except as otherwise provided by the Committee, Incentive Awards may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided by the Committee, a

Participant's rights under the Plan shall be exercisable during the Participant's lifetime only by the Participant or the Participant's legal representative.

5.7. Limitations with Respect to Awards. In no event shall any individual Covered Employee receive an Incentive Award in excess of \$2,000,000 for any Plan Year.

Article 6. Beneficiary Designation

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, or if the designated beneficiary dies prior to the payment of any Incentive Award, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

Article 7. Deferrals

The Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash that would otherwise be due to such Participant by virtue of the satisfaction of any requirements or goals with respect to Incentive Awards. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals consistent with preserving the deductibility of Incentive Awards under Section 162(m) of the Code.

Article 8. Rights of Executive Officers

8.1. Employment. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

8.2. Participation. No Executive Officer shall have the right to be selected to receive an Incentive Award under this Plan, or, having been so selected, to be selected to receive a future Incentive Award.

Article 9. Amendment, Modification, and Termination

9.1. Amendment, Modification, and Termination. Subject to the terms of the Plan, the Committee may at any time and from time to time, alter, amend, suspend or terminate the Plan in whole or in part; provided, however, unless the Committee specifically provides otherwise, any revision or amendment that would cause the Plan to fail to comply with any requirement of applicable law, regulation, or rule, if such amendment were not approved by the Company's shareholders, shall not be effective unless and until such approval of shareholders of the Company is obtained.

9.2. Awards Previously Granted. Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Incentive Award previously granted under the Plan, without the written consent of the Participant holding such Incentive Award.

Article 10. Withholding

The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes, domestic or foreign, required by law or

regulation to be withheld with respect to any taxable event arising as a result of this Plan.

Article 11. Indemnification

Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle or defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Article 12. Successors

All obligations of the Company under the Plan with respect to Incentive Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 13. Legal Construction

13.1. Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

13.2. Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included and had been replaced by a provision that is legal and valid and that comes closest to expressing the intention of such illegal or invalid provision. If any provision of this Plan would cause any Incentive Award not to constitute performance-based compensation under Section 162(m)(4)(C) of the Code, the Committee shall have discretion to sever that provision from this Plan and, thereupon, such provision shall not be deemed to be a part of this Plan.

13.3. Requirements of Law. The granting of Incentive Awards under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

13.4. Governing Law. To the extent not preempted by federal law, the Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of New York.
