On October 22, 2009, Navios Maritime Holdings Inc. (Navios Holdings) issued a press release announcing the pricing of \$400 million aggregate principal amount of 8⁷/₈% first priority ship mortgage notes due 2017 (the Secured Notes). A copy of the press release is furnished as Exhibit 99.1 to this Report and is incorporated herein by reference.

Subsequently, on November 2, 2009, Navios Holdings announced the completion of the sale of the Secured Notes. A copy of the press release is furnished as Exhibit 99.2 to this Report and is incorporated herein by reference. Interest on the Secured Notes will be payable each year on May 1 and November 1, commencing on May 1, 2010. At any time before November 1, 2012, Navios Holdings may redeem up to 35% of the aggregate principal amount of the Secured Notes with the net proceeds of a public equity offering at 108.875% of the principal amount of the Secured Notes, plus accrued and unpaid interest, if any, so long as at least 65% of the originally issued aggregate principal amount of the Secured Notes remains outstanding after such redemption. In addition, Navios Holdings has the option to redeem the Secured Notes in whole or in part, at any time (1) before November 1, 2013, at a redemption price equal to 100% of the principal amount plus a make whole price which is based on a formula calculated using a discount rate equal to the applicable treasury rate plus 50 basis points, and (2) on or after November 1, 2013, at a fixed price of 104.438%, which price declines ratably until it reaches par in 2015. Furthermore, upon occurrence of certain change of control events, the holders of the Secured Notes may require Navios Holdings to repurchase some or all of the Secured Notes at 101% of their face amount.

The Secured Notes are the senior obligations of Navios Holdings and rank equal in right of payment to all of its existing and future senior indebtedness and senior in right of payment to all of its existing and future subordinated indebtedness. Each of Navios Holdings' direct and indirect subsidiaries that guarantee its existing 92% senior notes due 2014 guarantee the Secured Notes. The guarantees of the Navios Holdings' subsidiaries that own mortgaged vessels are senior secured guarantees and the guarantees of our subsidiaries that do not own mortgaged vessels are senior unsecured guarantees. The Secured Notes are secured by first priority ship mortgages on 15 drybulk vessels (including two newbuilding vessels expected to be delivered by the second quarter of 2010 to be purchased with the proceeds placed in escrow upon completion of the offering of the Secured Notes) owned by certain subsidiary guarantors. Additional terms and conditions of the Secured Notes are contained in the Indenture which is attached hereto as Exhibit 99.3 and is incorporated herein by reference.

In addition, Navios Holdings has entered into a Registration Rights Agreement, dated as of November 2, 2009, with the parties identified therein, which agreement is attached hereto as Exhibit 99.4, and is incorporated herein by reference. Under the Registration Rights Agreement, Navios Holdings has agreed that if by November 9, 2010 (Outside Date), the Secured notes may not be sold without restriction under Rule 144 of the Securities Act of 1933, as amended, Navios Holdings will use its commercially reasonable efforts to: file a registration statement not later than 20 business days after the Outside Date enabling the holders of the Secured Notes to exchange the privately placed Secured Notes for publicly registered notes with identical terms; have such registration statement declared effective not later than 120 days after the Outside Date; complete the exchange offer no later than 150 days after the Outside Date; and file a shelf registration statement for the resale of the Secured Notes if Navios Holdings cannot effect an exchange offer within the time periods listed above and in other circumstances.
