**Item 1.01 Entry into a Material Definitive Agreement.**

On January 3, 2010, ADVENTRX Pharmaceuticals, Inc. (the Company ) entered into an engagement letter agreement with Rodman & Renshaw, LLC (the Placement Agent ) pursuant to which the Placement Agent agreed to serve as exclusive placement agent for the Company on a reasonable best efforts basis in connection with a proposed offering by the Company of its securities.

On January 4, 2010, the Company entered into a securities purchase agreement with certain investors, pursuant to which the Company agreed to sell an aggregate of 19,000 shares of its 3.73344597664961% Series E Convertible Preferred Stock ( convertible preferred stock ) and warrants to purchase up to an aggregate of 12,462,285 shares of its common stock ( warrants ). The convertible preferred stock and the warrants were offered in units, with each unit consisting of one share of convertible preferred stock and a warrant to purchase up to approximately 655.91 shares of common stock. Each unit will be sold at a negotiated price of \$1,000. An aggregate of 62,311,426 shares of the Company s common stock are issuable upon conversion of the convertible preferred stock and exercise of the warrants.

Subject to certain ownership limitations, the convertible preferred stock will be convertible at the option of the holder at any time into shares of the Company s common stock at an effective conversion price of \$0.38115 per share, and will accrue a 3.73344597664961% dividend until January 7, 2015. In the event the convertible preferred stock is converted at any time prior to January 7, 2015, the Company will pay the holder of the converted convertible preferred stock an amount equal to the total dividend that would accrue on such convertible preferred stock, \$186.67 per \$1,000 stated value of convertible preferred stock converted, less dividends paid with respect to such converted convertible preferred stock before the relevant conversion date. The conversion price of the convertible preferred stock will be subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions. The convertible preferred stock will be subject to automatic conversion into shares of common stock upon the occurrence of a change in control of the Company and the Company may become obligated to redeem the convertible preferred stock upon the occurrence of certain triggering events, including the material breach of certain contractual obligations to the holders of the convertible preferred stock, the occurrence of a change in control of the Company, the occurrence of certain insolvency events relating to the Company or the failure of the Company s common stock to continue to be listed or quoted for trading on one or more specified United States securities exchanges.

Subject to certain ownership limitations, the warrants will exercisable at any time after their date of issuance and on or before the 30-month anniversary of their initial exercise date at an exercise price of \$0.3499 per share of common stock, which was the closing price of the Company s common stock on December 31, 2009. The exercise price of the warrants and, in some cases, the number of shares issuable upon exercise, are subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions.

The securities purchase agreement and the certificate of designation authorizing the convertible preferred stock include certain agreements and covenants for the benefit of the holders of the convertible preferred stock, including restrictions on the Company s ability to amend its certificate of incorporation and bylaws, pay cash dividends or distributions with respect to its common stock or other junior securities, repurchase shares of its common stock or other junior securities, issue additional equity securities for a period of 90 days after January 7, 2010 and incur indebtedness, and a requirement to use its reasonable best efforts to maintain the listing of its common stock on one or more specified United States securities exchanges.

The convertible preferred stock, the warrants and the shares of common stock underlying the convertible preferred stock and the warrants are being offered and will be issued and sold pursuant to the Company s effective shelf registration statement(s) on Form S-3 and the related prospectus supplement, dated January 3, 2010 and filed with the Securities and Exchange Commission on January 4, 2010 pursuant to Rule 424(b) under the Securities Act of 1933, as amended. The net proceeds to the Company from the offering, after deducting the placement agent s fees and the Company s estimated offering expenses, but before deducting the Company s dividend and related payment obligations, and excluding the proceeds, if any, from the exercise of the warrants issued in the offering, are expected to be approximately \$17.6 million. The transaction is expected to close on January 7, 2010, subject to satisfaction of customary closing conditions. At the closing, 18.67%, or \$3,546,774, of the gross proceeds will be placed in an escrow account, which amount will be released to make dividend payments and any make-whole payments payable to

the holders of the convertible preferred stock.

---

A copy of the opinion of counsel to the Company relating to the legality of the issuance and sale of the shares of convertible preferred stock and warrants comprising the units and shares of common stock issuable upon conversion of the convertible preferred stock and exercise of the warrants is attached as Exhibit 5.1 hereto.

Pursuant to the terms of an engagement letter agreement with the Placement Agent, assuming the sale of all of the units in the offering, the Company will pay the Placement Agent a fee equal to approximately \$1,330,000 (7.0% of the gross proceeds from the sale of the securities). In addition, the Company will issue to the Placement Agent warrants to purchase up to that number of shares of common stock equal to 5.0% of the number of shares of common stock underlying the convertible preferred stock sold in the offering. Assuming the sale of all of the units in the offering, the compensation warrants to the placement agent will be exercisable for up to 2,492,457 shares of the Company's common stock at an exercise price of \$0.4765 per share. The other terms of the Placement Agent's warrants will be substantially the same as the terms of the warrants issued to the investors in the offering, except that they will include certain restrictions on transfer in accordance with FINRA regulations.
