Conflicts of Interest

Except as set forth in this Item 3 or in the Information Statement of Merrimac that is attached to this Statement as Annex I and incorporated herein by reference (the Information Statement) or as otherwise incorporated by reference herein, as of the date hereof, there are no material agreements, arrangements or understandings or any actual or potential conflicts of interest between Merrimac or its affiliates and (i) Merrimac s executive officers, directors or affiliates or (ii) Parent, Purchaser or their respective executive officers, directors or affiliates. The Information Statement is being furnished to Merrimac s stockholders pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Rule 14f-1 promulgated under the Exchange Act, in connection with Purchaser s right to designate persons to the Board of Directors of Merrimac (the Merrimac Board) other than at a meeting of the stockholders of Merrimac.

In the case of each plan or agreement discussed below to which the terms change-in-control or change-of-control apply, the consummation of the Offer would constitute a change-in-control or change-of-control, as applicable.

(a) The Subject Company, its Executive Officers, Directors or Affiliates

Arrangements with Current Executive Officers, Directors and Affiliates of Merrimac

Merrimac s executive officers, the members of the Merrimac Board and affiliates of Merrimac may be deemed to have interests in the transactions contemplated by the Merger Agreement that may be different from or in addition to those of Merrimac stockholders generally. These interests may create potential conflicts of interest. The Merrimac Board was aware of these interests and considered them, among other matters, in reaching its decision to approve the Merger Agreement and the transactions contemplated by the Merger Agreement.

Cash Consideration Payable Pursuant to Offer

If Merrimac s executive officers, directors and affiliates tender the Shares that they own for purchase pursuant to the Offer, they will receive the same cash consideration per Share on the same terms and conditions as the other stockholders of Merrimac. As of December 22, 2009, Merrimac s executive officers, directors and affiliates beneficially owned in the aggregate 1,126,012 Shares (excluding stock options and unvested restricted stock awards with respect to the Shares). If the executive officers, directors and affiliates were to tender all 1,126,012 Shares beneficially owned by them for purchase pursuant to the Offer and those Shares were accepted for purchase and purchased by Purchaser, the executive officers, directors and affiliates would receive an aggregate of approximately $18,016,192 in cash. Each of E.I. DuPont de Nemours and Company (through its subsidiary, DuPont Chemical and Energy Operations, Inc.), an affiliate of the Company which has designated Timothy McCann as its designee to the Merrimac Board, Mason N. Carter, the Company s Chairman, President and Chief Executive Officer, Edward H. Cohen, a director of the Company, Ludwig G. Kuttner, a director of the Company, along with certain of Mr. Kuttner s affiliates, Fernando L. Fernandez, a director of the Company, Harold J. Raveché, a director of the Company, Arthur A. Oliner, a director of the Company, and Joel H. Goldberg, a director of the Company (collectively, the Signing Stockholders), who collectively own approximately 37% of the outstanding Shares, have entered into separate Tender and Voting Agreements (the Tender Agreements) with Parent, Purchaser and the Company dated as of the date of the Merger Agreement pursuant to which the Signing Stockholders have agreed to tender into the Offer all Shares owned by them and not to withdraw any such Shares previously tendered except as provided for in the Tender Agreements. The Tender Agreements, a form of which is filed as Exhibit (e)(2) hereto and is incorporated herein by reference, are described in more detail in Item 4, under the heading Intent to Tender .

Merrimac Stock Options and Restricted Stock Awards

The terms of Merrimac s equity incentive plans provide that when Purchaser accepts Shares for payment in the Offer, each of the outstanding and unexercised options to purchase Shares, that were not previously vested, shall vest in full and become fully exercisable. The Merger Agreement also provides that immediately following to the Effective Time, options to purchase Shares, including stock options held by Merrimac s executive officers and

directors, will be cancelled and the holders of such options will be eligible to receive a lump sum cash payment equal to $16.00 less the exercise price per Share for the option multiplied by the number of Shares issuable under the option. As of December 22, 2009, Merrimac s executive officers and directors held vested options to purchase an aggregate of 159,123 Shares, with exercise prices ranging from $5.15 to $17.00 per Share and a weighted average exercise price of $9.28 per Share, and unvested options to purchase an aggregate of 154,177 Shares, with exercise prices ranging from $5.15 to $10.40 per Share and a weighted average exercise price of $7.99 per Share. In the event a stock option has an exercise price per Share equal to or greater than $16.00, the option will be cancelled, without any consideration being payable in respect thereof.

The terms of Merrimac s equity incentive plans further provide that when Purchaser accepts Shares for payment in the Offer, each unvested restricted stock award (Restricted Stock Award) with respect to the Shares that was not previously vested, including Restricted Stock Awards held by Merrimac s directors, will vest and such Shares will have the right to receive the Offer Price at the Effective Time. As of December 22, 2009, Merrimac s executive officers and directors held an aggregate of 18,000 unvested Restricted Stock Awards with respect to 18,000 Shares.

In connection with the approval by the Merrimac Board of the Merger Agreement, the Offer and the Merger on December 23, 2009, the Compensation Committee of the Merrimac Board (composed solely of independent directors in accordance with the requirements of Rule 14d-10(d)(2) under the Exchange Act and the instructions thereto) approved, in accordance with the non-exclusive safe harbor provisions contained in Rule 14d-10 under the Exchange Act, among other things, each of foregoing arrangements as an employment compensation, severance or other employee benefit arrangement within the meaning of Rule 14d-10(d)(2) under the Exchange Act.

The acceleration of vesting and cancellation of Merrimac stock options, the acceleration of vesting of Restricted Stock Awards and the related cash payments to the holders of such options and Restricted Stock Awards are in addition to any benefits following a change-in-control or change-of-control under any of the agreements or arrangements described below.

Employment Agreement with Mason N. Carter

The Company has an Employment Agreement, dated April 11, 2006 (the Employment Agreement), with Mason N. Carter, the Chairman, President and Chief Executive Officer of the Company, which provides that Mr. Carter s annual base salary is $332,000. The initial term of the Employment Agreement ends on December 31, 2010, and will be renewable for successive 12-month periods unless terminated pursuant to the terms of the Employment Agreement. In addition, Mr. Carter will be eligible to participate in the Company s medical benefits, life insurance, 401(k) and similar programs generally available to employees. Mr. Carter will also be eligible to

participate in the Company s stock purchase, stock option, and long term incentive plans, and to receive bonuses, in the sole discretion of the Compensation Committee of the Merrimac Board. The Company will maintain a $500,000 term life insurance policy for Mr. Carter s beneficiaries.

Under the Employment Agreement, Mr. Carter will be entitled to receive a Special Retirement Benefit of $75,000 per year if the Company achieves pre-tax earnings of $9 million in the aggregate over the three fiscal years prior to his retirement at or over age 65 (the Performance Target). In addition, Mr. Carter would receive the Special Retirement Benefit if the Company terminates him without cause, if he resigns for good reason, or his employment is terminated as a result of a disability, and in any such case the Company has also achieved the Performance Target. During the term and for a period of three years following such retirement or termination (Restrictive Period), and for as long as Mr. Carter is receiving the Special Retirement Benefit, Mr. Carter is bound to a confidentiality, non-competition and non-solicitation agreement with us. However, if after the Restrictive Period, Mr. Carter gives written notice to the Company of his forfeiture of the Special Retirement Benefit, Mr. Carter would be released from the non-competition and non-solicitation agreement.

In addition, the Employment Agreement provides various payments and benefits upon Mr. Carter s termination of employment with the Company due to his death or disability (as defined in the Employment Agreement), Mr. Carter s termination of employment by the Company with or without cause (as defined in the Employment Agreement) and termination of employment by Mr. Carter for good reason (as defined in the Employment Agreement). If Mr. Carter s employment is terminated within 12 months following a change in control (as defined in the Employment Agreement), Mr. Carter will receive, payments and benefits that are in lieu of those payments and benefits available to Mr. Carter upon termination of employment in the absence of a change in control.

If Mr. Carter s employment terminates due to his death, the Company will provide to Mr. Carter s estate all salary and benefits accrued by Mr. Carter but unpaid as of the date of his death.

If Mr. Carter s employment terminates due to his disability, the Company will provide to Mr. Carter all salary and benefits accrued by Mr. Carter but unpaid as of the date of termination. The Company will pay Mr. Carter his Special Retirement Benefit to the extent that the conditions for payment of such benefit have been met. Mr. Carter has a disability for purposes of the Employment Agreement if, as a result of physical or mental illness or injury, Mr. Carter is unable to perform the essential duties of his position for a period of 90 consecutive work days or for a period of 120 non-consecutive work days in a 12-month period, or poses a direct threat to his own safety and health or that of others and there is no reasonable accommodation that can be provided by the Company that would allow Mr. Carter to perform the essential functions of his position as determined under applicable law.

If the Company terminates Mr. Carter s employment for cause , the Company will provide to Mr. Carter all salary and benefits accrued by Mr. Carter but unpaid as of the date of termination. For purposes of the Employment Agreement, cause means Mr. Carter s: (i) willful failure to perform his normal and customary duties for an extended period for any reason, other than due to disability; (ii) gross negligence or willful misconduct, including, without limitation, fraud, embezzlement or intentional misrepresentation; (iii) commission of, or indictment or conviction for, a felony; (iv) willful engagement in competitive activities against the Company, including, without limitation, purposely aiding a competitor; (v) misappropriation of a material opportunity of the Company; or (vi) violation of any material provision of the Employment Agreement, and in each case Mr. Carter has failed to cure such act (if curable as determined by the Merrimac Board) within ten days after receipt of written notice from the Company of such act or, if reasonable under the circumstances, such additional period of time during which Mr. Carter is using his best efforts to so cure, not to exceed 30 days in the aggregate.

If Mr. Carter terminates his employment for good reason or the Company terminates Mr. Carter s employment without cause, the Company will provide Mr. Carter with the following payments and benefits (i) his then applicable base

salary beginning six months plus one day after the date of termination until the later of (A) the end of the term of the Employment Agreement plus six months and one day and (B) the date which is 12 months after the date of termination plus six months and one day, (ii) continued group medical coverage, under the Company s group medical plan in effect from time to time, on the same terms as provided to the Company s other executives until the later of (A) the end of the term of the Employment Agreement plus six months and one day and (B) the date which is 12 months after the date of termination plus six months and one day, (iii) if applicable, the

Special Retirement Benefit, (iv) in the case of an automobile owned or leased by Mr. Carter, the car allowance provided under the Employment Agreement, payable beginning six months plus one day after the date of termination until the earlier of (A) 12 months after the date of termination plus six months and one day and (B) the end of the term of the Employment Agreement plus six months and one day, or, in the case of an automobile owned or leased by the Company, use of such automobile from the date of termination until the earlier of (A) 12 months after the date of termination and (B) the end of the then current term, (v) the option to assume any remaining lease payments of the automobile provided under the Employment Agreement, assuming the leased automobile is one of the Company s automobiles, or to purchase such automobile in accordance with the terms of its lease, (vi) a payment in lieu of any bonus (the In-Lieu Bonus) in an amount equal to the average of Mr. Carter s annual bonuses, if any, for the two fiscal years ended immediately prior to the termination, which payment shall be made in respect of each period of 12 months remaining during the term of the Employment Agreement, and a pro-rated amount shall be paid in respect of any period of less than 12 months, payable at the time that other annual bonuses are paid to our other executives (or if no annual bonus is paid during a particular year, in December of the applicable year) and in accordance with Section 409A of the Internal Revenue Code of 1986, as amended (the Code), and (vii) notwithstanding the terms of any of our option plans, all unvested stock options to purchase shares of the our common stock granted by the Company and held by Mr. Carter as of the date of termination (the Executive Options) under any of the Company s option plans shall immediately vest and be exercisable in accordance with their terms and, notwithstanding the terms of any of our incentive plans, all restricted stock awarded under any incentive plans held by Mr. Carter (Executive Restricted Stock) shall be vested and free of restrictions. For purposes of the Employment Agreement, good reason means a material diminution of Mr. Carter s duties and responsibilities or a substantial reduction in Mr. Carter s compensation and benefits.

If, within 12 months of a change in control , Mr. Carter terminates his employment for good reason or the Company terminates Mr. Carter s employment without cause, in lieu of the payments and benefits described above, the Company will provide Mr. Carter with the following payments and benefits: (i) the greater of (x) three times his then applicable base salary and (y) the base salary from the date of termination to the end of the term of the Employment Agreement, payable over a 12-month period beginning six months plus one day after the date of termination, (ii) continued group medical coverage, under our group medical plan in effect from time to time, on the same terms as provided to our other executives until the later of (A) the third anniversary of the date of termination and (B) the end of the term of the Employment Agreement, (iii) if applicable, the Special Retirement Benefit, (iv) in the case of an automobile owned or leased by Mr. Carter, the car allowance provided under the agreement, payable beginning six months plus one day after the date of termination until the later of (A) the third anniversary of the date of termination plus six months and one day and (B) the end of the term of the Employment Agreement plus six months and one day, or, in the case of an automobile owned or leased by the Company, use of such automobile from the date of termination until the later of (A) the third anniversary of the date of termination and (B) the end of the term of the Employment Agreement, (v) the option to assume any remaining lease payments of the automobile provided under the Employment Agreement or to purchase such automobile in accordance with the terms of its lease, and (vi) three times the In-Lieu Bonus, payable over a 12-month period beginning six months plus one day after the date of termination. In the event of a change in control, all Executive Options shall immediately vest and be exercisable in accordance with their terms and the Executive Stock shall be vested and free of restrictions. In the event that these payment or benefits give rise to the excise tax payable by Mr. Carter under Section 4999 of the Code, the Company will reduce the amount of such payments by the minimum amount necessary to avoid payment of the excise tax.

Under the Employment Agreement, the term change in control means (i) the Company is merged or consolidated with, or, in any transaction or series of transactions, all or substantially all of the Company s business or assets shall be sold or otherwise acquired by, another corporation or entity and, as a result thereof, the Company s stockholders immediately prior thereto shall not have at least 50% or more of the combined voting power of the surviving, resulting or transferee corporation or entity; (ii) any person (as that term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended from time to time) who is not an affiliate of the Company or a 5% or more holder,

in each case as of the date of this the Employment Agreement, is or becomes the beneficial owner (as that term is used in Section 13(d) of said Act and the applicable rules and regulations thereof) of the Shares entitled to cast more than 25% of the votes at the time entitled to be cast generally for the election of directors; or (iii) more than 50% of the members of the Merrimac Board shall not be Continuing Directors.

Continuing Directors means the Company s directors (A) who were members of the Merrimac Board on January 1, 2006 or (B) who subsequently became the Company s directors and who were elected or designated to be candidates for election as nominees of the Merrimac Board, or whose election or nomination for election by the Company s stockholders was otherwise approved, by a vote of a majority of the Continuing Directors then on the Merrimac Board).

The summary of Mr. Carter s employment agreement contained herein is qualified by reference to his employment agreement, which is filed herewith as Exhibit (e)(3) and is incorporated herein by reference.

Mason N. Carter Bonus

On December 10, 2009, the Merrimac Board approved a cash bonus for Mr. Carter (which is in addition to any amounts Mr. Carter would receive under the Employment Agreement upon the termination of his employment under certain circumstances following a change in control) in the event the Company s then on- going process of investigating strategic alternatives resulted in the sale of the Company or a similar transaction. Mr. Carter s bonus is based on a percentage of the sale price of the Company, as follows:

If the purchase price for the Company is more than $9.00 per fully diluted share but less than $12.00 per fully diluted share, a bonus equal to 1% of the total purchase paid for the Company or its shares.

If the purchase price for the Company is $12.00 or more per fully diluted share but less than $15.00 per fully diluted share, a bonus pro-rated on a linear basis of 1% to 2% of the total purchase price for the Company or its shares.

If the purchase price for the Company is $15.00 or more per fully diluted share, a bonus equal to 2% of the total purchase price paid for the Company or its shares.

Assuming the completion of the transactions contemplated by the Merger Agreement, Mr. Carter will be paid $1,037,326 in cash based upon the Offer Price of $16.00 per Share.

Amended and Restated Severance Plan

On March 29, 2006, the Compensation Committee of the Merrimac Board adopted the Severance Plan, which replaces the previous plan adopted in September 2003, for key executives designated from time to time by the Compensation Committee, including the NEO s, with the exception of Mr. Carter. On December 13, 2007, the Merrimac Board amended the Severance Plan to provide that any determinations to be made by the Compensation Committee pursuant to the Severance Plan will instead be made by the Merrimac Board on the recommendation of the Compensation Committee. The Severance Plan provides, among other things, that if an executive is terminated by the Company without cause and other than on account of the executive s death or disability, or if the executive resigns for good reason (as such terms are defined in the Severance Plan) within 12 months following a change in control (as defined therein), the Company, or a successor of the Company, is obligated to pay to the executive one or two times (as recommended by the Compensation Committee and approved by the Merrimac Board) his annual base salary (as defined in the Severance Plan) and to continue to provide health insurance benefits for 24 months (to the extent not covered by any new employer). However, to the extent that any payments made under the Severance Plan would otherwise be subject to the excise tax imposed under the Golden Parachute Payment provisions of Section 4999 of the Code, the Company will reduce the amount of such payments by the minimum amount necessary to avoid being subject to such excise tax.

For purposes of the Severance Plan, an executive s annual base salary is the executive s regular basic annual compensation prior to any reduction under a salary reduction agreement pursuant to Section 401(k) or Section 125 of the Code, and will not include (without limitation) cost of living allowances, fees, retainers, reimbursements, bonuses, incentive awards, prizes or similar payments. The executive has a disability for purposes of the Severance Plan if, as result of physical or mental illness or injury, the executive is unable to perform the essential duties of his or her position for a period of 90 consecutive days or for a period of 120 non-consecutive days in any 12-month period, or poses a direct threat to the safety and health of the executive or others and there is no reasonable accommodation that the Company can make that would allow the executive to perform the essential functions of the executive s position as determined by applicable law.

Table of Contents

All payments under the Severance Plan will be payable at such times as recommended by the Compensation Committee and approved by the Merrimac Board provided that all such payments are made prior to the later of (1) March 15 of the calendar year following the year in which the termination occurs and (2) two and one-half months after the end of the Company s year end in which such termination occurred. All payments will be made so as to comply with Section 409A of the Code. In connection with any payment under the Severance Plan, the Compensation Committee may recommend and the Merrimac Board may require that the executive enter into non-competition/non-solicitation and confidentiality agreements as it deems appropriate. If an executive has entered into an agreement with the Company, which agreement covers the subject matter of the Severance Plan, such agreement will govern so that the executive will not be entitled to payments under both the agreement and the Severance Plan.

For purposes of the Severance Plan, change in control shall mean and be deemed to have occurred if: (i) the Company has merged or consolidated with, or, in any transaction or series of transactions, all or substantially all of the Company s business or assets shall be sold or otherwise acquired by, another corporation or entity and, as a result thereof, the Company s stockholders immediately prior thereto shall not have at least 50% or more of the combined voting power of the surviving, resulting or transferee corporation or entity, (ii) any person (as that term is used in Sections 13(d) and 14(d) of the Exchange Act) who is not an affiliate of the Company or a 5% or more holder, in each case as of January 1, 2006, is or becomes the beneficial owner (as that term is used in Section 13(d) of the Exchange Act) of the Shares entitled to cast more than 25% of the votes at the time entitled to be cast generally for the election of directors, or (iii) more than 50% of the members of the Merrimac Board shall not be continuing directors. Under the Severance Plan, continuing directors are our directors (i) who were members of the Merrimac Board on January 1, 2006, or (ii) who subsequently became our directors and who were elected or designated to be candidates for election as nominees of the Merrimac Board, or whose election or nomination for election by the Company s stockholders was otherwise approved, by a vote of a majority of the continuing directors then on the Merrimac Board.

Under the Severance Plan, cause means the executive s (1) willful failure to perform his or her normal and customary duties for an extended period of time for any reason, other than disability, (ii) gross negligence or willful misconduct, including but not limited to fraud, embezzlement or intentional misrepresentation, (iii) commission of, or indictment or conviction for, a felony, (iv) misappropriation of a material opportunity of the Company, (v) willfully engaging in competitive activities against the Company or purposely aiding a competitor of the Company, or (vi) violation of any fiduciary duty owed to the Company or any subsidiaries or any material provision of any agreement the executive has with the Company or any subsidiary and, in each case, the executive has failed to cure the violation (if curable as determined by the Company) within ten days after receipt of written notice from the Company of such violation or, if reasonable under the circumstances, such additional period of time during which the executive is using his best efforts to so cure, not to exceed 30 days in the aggregate.

In addition, the Severance Plan defines good reason to mean the occurrence (without the executive s prior express written consent) of any one of the following acts, or failures to act: (i) a material diminution of the duties and responsibilities of the executive, (ii) a substantial reduction in compensation or benefits of the executive, (iii) any failure by the Company to comply with any of the provisions of the Severance Plan, other than an isolated, insubstantial and inadvertent failure not occurring in bad faith and which is remedied by Company promptly after receipt of notice thereof given by the executive, (iv) any purported termination of the executive s employment which is not pursuant to a notice of termination under the Severance Plan (citing specific provisions of the Severance Plan relied upon in the termination and detain the facts and circumstances claimed to provide a basis thereof), or (v) the relocation of our principal executive offices where the executive works at a location more than 25 miles from its location on the date of the adoption of the Severance Plan or the Company requiring the executive to be based anywhere other than the Company s principal executive offices.

The Merrimac Board may amend or terminate the Severance Plan in whole or in part at any time upon notice to all of the participating executives; provided, however, that, subsequent to a change in control or during the period of 180 days prior to a change in control, no such amendment which could adversely affect the rights of any executive nor any termination shall become effective until the expiration of one year following the change in control.

The summary of the Severance Plan contained herein is qualified by reference to the Severance Plan, which is filed herewith as Exhibit (e)(4) and the amendment thereto is filed herewith as Exhibit (e)(5), each of which is incorporated herein by reference.

Indemnification of Officers and Directors

Section 102 of the DGCL allows a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware law or obtained an improper personal benefit. Article Seventh of Merrimac s Certificate of Incorporation provides that no director shall be personally liable for any monetary damages for any breach of fiduciary duty as a director, except to the extent that the DGCL prohibits the elimination or limitation of liability of directors for breach of fiduciary duty.

Section 145 of the DGCL provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against amounts paid and expenses incurred in connection with an action or proceeding to which he is or is threatened to be made a party by reason of such position, if such person shall have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal proceeding, if such person had no reasonable cause to believe his conduct was unlawful; provided that, in the case of actions brought by or in the right of the corporation, indemnification is limited to expenses and no indemnification shall be made with respect to any matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the adjudicating court or the Delaware Court of Chancery determines that such indemnification is proper under the circumstances.

In addition, Merrimac maintains insurance on behalf of its directors and officers insuring them against liability asserted against them in their capacities as directors or officers or arising out of such status.

The Merger Agreement provides that for a period of six years after completion of the Merger, Parent shall (and Parent shall cause the surviving corporation to) indemnify and hold harmless each current and former officer and director of the Company or its subsidiaries (collectively, the Indemnified Parties), from and against all claims, losses, liabilities, damages, judgments, inquiries, fines and fees, costs and expenses, including actual attorneys fees and disbursements incurred in connection with any proceeding, whether civil, criminal, administrative or investigative, arising out of or pertaining to the fact that the Indemnified Party is or was an officer, director or fiduciary of the Company or its subsidiaries at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent that the Company would be permitted under applicable law and required under the Company s Certificate of Incorporation or Bylaws (or, as relevant, those of the applicable subsidiary) as at the date of the Merger Agreement.

In addition, the Merger Agreement provides that except as may be required by applicable law, for a period of six years from the Effective Time, all rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time and rights to advancement of expenses relating thereto now existing in favor of any Indemnified Party as provided in the Company s Certificate of Incorporation or Bylaws (or, as relevant, those of the applicable subsidiary) or in any indemnification agreement between such Indemnified Party and the Company or its subsidiaries shall survive the Merger and continue in full force and effect, and for a period of six years from the Effective Time, shall not be amended, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such Indemnified Party.

The Merger Agreement also provides prior to the Effective Time, Parent shall obtain one or more prepaid tail insurance policies for the persons who, as of the date hereof, are covered by the Company s and its subsidiaries

existing directors and officers insurance policies (D&O Insurance), with a claims period of at least six years from the Effective Time with terms and conditions (including scope and coverage amounts) that are, taken as a whole, at least as favorable as the Company s and its subsidiaries existing D&O Insurance, for claims arising from facts or events that occurred at or prior to the Effective Time, covering without limitation the transactions contemplated by the Merger Agreement. However, the aggregate premium for such tail insurance policies that

Parent shall be required to expend shall not exceed 300% of the annual D&O Insurance premium for the Company s and its subsidiaries 2009 fiscal year.

The Merger Agreement

The summary of the Merger Agreement and the descriptions of the terms and conditions of the Offer and related procedures and withdrawal rights contained in the Offer, which is being filed as an exhibit to the Schedule TO, are incorporated in this Statement by reference. Such summary and description are qualified in their entirety by reference to the Merger Agreement, which has been filed as Exhibit (e)(1) to this Statement and is incorporated herein by reference.

The Merger Agreement governs the contractual rights between the Company, Parent and Purchaser in relation to the Offer and the Merger. The Merger Agreement has been filed as an exhibit to this Statement to provide you with information regarding the terms of the Merger Agreement and is not intended to modify or supplement any factual disclosures about the Company or Parent in the Company s or Parent s public reports filed with the SEC. In particular, the Merger Agreement and this summary of terms are not intended to be, and should not be relied upon as, disclosures regarding any facts or circumstances relating to the Company or Parent. The representations and warranties have been negotiated with the principal purpose of establishing the circumstances in which Purchaser may have the right not to consummate the Offer, or a party may have the right to terminate the Merger Agreement, if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise, and allocate risk between the parties, rather than establish matters as facts. The representations and warranties may also be subject to a contractual standard of materiality different from those generally applicable to stockholders.

Confidentiality Agreement

In connection with the process leading to the execution of the Merger Agreement, the Company and Parent entered into a Confidentiality Agreement dated as of September 10, 2009 (the Confidentiality Agreement). Pursuant to the Confidentiality Agreement, as a condition to being furnished confidential information by the Company, Parent agreed, among other things, to not (i) for a period of twelve months, solicit for employment any member of the Company s senior management and (ii) for a period of eighteen months from the date of the agreement, not seek to effect or participate in any acquisition of Shares, any business combination involving the Company, any recapitalization or restructuring of the Company or any solicitation of proxies or consents to vote any voting securities of the Company, join any group with respect to any of the Company s securities, seek to control or influence the Merrimac Board or the Company s executive officers, or enter into any arrangements with respect to the foregoing.

Exclusivity Agreement

In connection with the process leading to the execution of the Merger Agreement, the Company and Parent entered into a Letter Agreement, dated as of December 10, 2009 (the Exclusivity Agreement). Pursuant to the Exclusivity Agreement, the Company granted Parent the exclusive right to negotiate a definitive written agreement to acquire the Company from the date of the Exclusivity Agreement through the earliest of (i) 5:00 p.m. Eastern Standard Time on December 23, 2009, (ii) the time the Company received written notice from Parent that it was terminating negotiations with the Company and (iii) the date of execution of a definitive written agreement with respect to Parent s proposed acquisition of the Company (the Negotiation Period). During the Negotiation Period, the Company was not permitted to solicit or engage in discussions regarding third party proposals to acquire the Company.

Representation on the Merrimac Board

The Merger Agreement provides that after Purchaser accepts for payment any Shares tendered, and not properly withdrawn pursuant to the Offer (the Acceptance Date), Parent will be entitled to designate such number of directors, rounded up to the next whole number, on the Merrimac Board equal to the product of (i) the total

---

number of directors on the Merrimac Board (giving effect to the directors designated by Parent and including directors continuing to serve as directors of the Company) multiplied by (ii) the percentage that the aggregate number of Shares beneficially owned by Parent, Purchaser or any of their affiliates bears to the aggregate number of Shares then outstanding (the Board Percentage). Under the terms of the Merger Agreement, The Company will promptly take, at the Company s expense, any lawful action necessary to effect any such election. The Merrimac Board, following the Acceptance Date and subject to any limitations imposed by NYSE AMEX Rules, will also cause (x) each committee of the Merrimac Board, (y) if requested by Parent, the board of directors of each of the Company s subsidiaries and (z) if requested by Parent, each committee of such board of directors of each of the Company s subsidiaries to include persons designated by Parent constituting the Board Percentage of each such committee or board as Parent s designees constitute on the Merrimac Board. After the Acceptance Date and prior to the Effective Time, the Merrimac Board will always have at least two directors (the Independent Directors) who were directors of the Company on the date of the Merger Agreement and who are neither officers of the Company nor designees, affiliates or associates of Parent. In addition, any time directors designated by Parent are elected or appointed to the Merrimac Board and prior to the Effective Time, the affirmative vote of a majority of the Independent Directors shall be required to (i) authorize any contract between the Company and any of its subsidiaries, on the one hand, and Parent, Purchaser and any of their affiliates (other than the Company and any of its subsidiaries), on the other hand, (ii) amend or terminate the Merger Agreement on behalf of the Company, (iii) use or waive any of the Company s rights or remedies under the Merger Agreement, (iv) extend the time for performance of Parent s or Purchaser s obligations under the Merger Agreement or (v) take any other action by the Company in connection with the Merger Agreement or the transactions contemplated hereby required to be taken by the Merrimac Board.

The foregoing summary concerning representation on the Merrimac Board does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which has been filed as Exhibit (e)(1) hereto and is incorporated herein by reference.

Item 4. *The Solicitation or Recommendation.*

resolved to make the Recommendation to the stockholders of the Company and directing that, to the extent required by the DGCL, the Merger Agreement be submitted for adoption by the stockholders of the Company at a meeting of the Company s stockholders; and

elected that the Offer and the Merger, to the extent of the Merrimac Board s power and authority and to the extent permitted by law, not be subject to any moratorium, control share acquisition, business combination, fa price or other form of anti-takeover laws.

A letter to Merrimac s stockholders communicating the Merrimac Board s recommendation and the press release announcing the Offer are attached hereto as Exhibits (a)(3) and (a)(4), respectively.

Reasons for the Recommendation that Merrimac Stockholders Accept the Offer

Background

The following chronology summarizes the key meetings and events that led to the signing of the Merger Agreement. During this period, representatives of the Company held many conversations, both by telephone and in person, about possible strategic alternatives. The chronology below covers only the key events leading up to the Merger Agreement and does not purport to catalogue every conversation among representatives of the Company or between representatives of the Company and other parties.

In the course of evaluating the direction of the Company s business, the Merrimac Board periodically considers various strategic options to maximize shareholder value through profitable revenue growth and efficiency gains, as well as through possible acquisitions of other businesses, commercial alliance arrangements and strategic combinations with other companies. During the relevant time periods discussed below, the Merrimac Board had only one employee director Mr. Carter, the Company s Chairman, President and Chief Executive Officer.

At a meeting of the Merrimac Board on June 26, 2008 at which the Company s strategic direction was discussed, the independent directors of Merrimac (constituting all directors other than Mr. Carter) determined to instruct Mr. Carter to explore the Company s strategic alternatives, including a sale, merger, joint venture or investment.

At a meeting of the Merrimac Board on September 17, 2008, the Merrimac Board concluded that the sense of the Merrimac Board was to proceed with an approach to focus the Company s business efforts on military and space applications and reduce its business efforts on speculative commercial investments in an effort and to enhance profitability to better position the Company for a possible strategic transaction.

From September 2008 through mid-2009, the Company s management focused its business efforts on military and space applications and reduced its business efforts in speculative commercial applications in an effort to enhance the profitability of the Company.

From May 2009 through August 2009, Mr. Carter, as part of his exploration of strategic alternatives, initiated contact with six large potential strategic acquirors, each of which had business interests in the space or defense fields and also focused on RF/microwave technology with regard to a potential transaction with the Company. Between May 20, 2009 and September 10, 2009, the Company entered into separate confidentiality agreements with five of the six potential strategic acquirors which provided, among other things, that the parties may disclose confidential and proprietary information in evaluating a strategic transaction.

On August 25, 2009, the Merrimac Board held a telephonic meeting and discussed, among other things, pursuing a transaction for the Company to be acquired by one of the potential strategic acquirors contacted by Mr. Carter. At this meeting, the Merrimac Board authorized Mr. Carter to continue his discussions with the group of large potential strategic acquirors he had contacted. Mr. Carter focused on contacting potential strategic acquirors, as potential financial acquirors were not expected to be competitive relative to potential strategic acquirors.

On September 3, 2009, Mr. Carter contacted David Bender, President of Parent s Aerospace and Electronics Group regarding the Company s intention to pursue a strategic combination or sale transaction. At Mr. Bender s suggestion, Mr. Carter then contacted Curtis Robb, Parent s Vice President of Business Development, to discuss the Company s intention to pursue a strategic combination or sale transaction.

Table of Contents

On September 10, 2009, the Company and Parent executed the Confidentiality Agreement.

On September 23, 2009, representatives of Parent held a meeting with Mr. Carter and several of the Company s other executive officers at the Company s offices in West Caldwell, New Jersey to discuss the Company s business.

During September 2009 and October 2009, Mr. Carter continued to engage in discussions with the four other potential strategic acquirors that had executed confidentiality agreements with the Company.

On October 8, 2009, representatives of Parent met with Mr. Carter and several other of the Company s executive officers at the Company s offices in West Caldwell, New Jersey to further discuss the Company s business, operations, financial results and prospects.

On October 13, 2009, representatives of Parent met with Mr. Carter and several other of the Company s executive officers at the Company s offices in Costa Rica to discuss the Company s Costa Rican operations, personnel and prospects.

On October 23, 2009, the Company opened an electronic data room wherein the five potential strategic acquirors that had executed confidentiality agreements could review extensive documentation pertaining to the Company and its subsidiaries.

On November 4, 2009, Mr. Carter met with Eric Fast, the Chief Executive Officer of Parent, in New York City to discuss Parent s possible acquisition of the Company and the potential strong alignment of cultures and business philosophies of the Company and Parent.

On November 10, 2009, the Merrimac Board met telephonically during which meeting Mr. Carter provided an update to the Merrimac Board on the potential strategic acquirors due diligence review and his continuing discussions with them.

On November 24, 2009, representatives from Parent met with several of the Company s senior financial personnel at the Company s offices in West Caldwell, New Jersey to discuss the Company s internal controls and procedures and accounting.

In late November, 2009, Mr. Carter engaged in discussions with each of Parent and one of the potential strategic acquirors, which we refer to as Party A, to discuss the timing of the presentation of their bids to the Company. The three other potential strategic acquirors who executed confidentiality agreements declined to further participate in the Company s process.

On December 4, 2009, the Company sent a process letter to each of Parent and Party A instructing them as to certain procedures to follow in pursuing a possible acquisition of the Company. In such letter, the Company provided that an offer for the acquisition of 100% of the Shares be submitted to the Company no later than Tuesday, December 8, 2009 with a view toward a definitive merger agreement being executed no later than December 23, 2009.

On December 8, 2009, Parent submitted an offer to the Company to purchase all of the outstanding Shares for a cash price of $14.50 per share. Parent s offer was not subject to any financing or contingencies, other than Parent and the Company reaching mutual agreement on the terms and conditions of a merger agreement that would be subject to the customary closing conditions to a tender offer and merger. Parent s offer indicated that it did not see any reason why a definitive merger agreement could not be negotiated and executed by December 23, 2009. Parent s offer was also conditioned on the Company entering into the Exclusivity Agreement (described in Item 3 of this Statement) with Parent, which would end on December 23, 2009.

Also on December 8, 2009, Party A submitted an indication of interest to acquire all of the outstanding Shares assuming an enterprise value for the Company in the range of $53 million $58 million, which did not include a definitive per Share offer price. Party A s indication of interest was conditioned on the completion of its due diligence review.

On December 9, 2009, Mr. Carter spoke telephonically with Mr. Robb and informed Mr. Robb that Parent s offer was not competitive.

On December 9, 2009, Mr. Carter spoke on more than one occasion with a representative of Party A in an attempt to clarify Party A s indication of interest. During such conversations, a representative of Party A informed

Mr. Carter that he should assume that Party A s indication of interest was at the top end of its previously submitted range. Such representative also informed Mr. Carter that Party A would be unable to make a more firm offer or negotiate and execute a definitive merger agreement by December 23, 2009.

On December 10, 2009, in a telephone conversation between Mr. Carter and Mr. Robb, Mr. Robb informed Mr. Carter that Parent would increase its offer to $16.00 per Share, which Mr. Robb stated was Parent s best and final offer.

On December 10, 2009, the Merrimac Board held a meeting. At such meeting the Merrimac Board approved the payment of a bonus to Mr. Carter (without Mr. Carter participating in the discussion or approval) in the event of a sale of the Company, which is described in Item 3 of this Statement. At such meeting, the Merrimac Board then discussed Parent s revised offer and Party A s indication of interest. After an extensive discussion of Parent s revised offer and Party A s indication of interest, the Merrimac Board authorized Mr. Carter and Katten Muchin Rosenman LLP, the Company s outside legal counsel, to negotiate a definitive merger agreement with Parent based on the terms set forth in its revised offer and authorized entering into the Exclusivity Agreement.

Subsequent to the Merrimac Board meeting on December 10, 2009 and before the Company entered into the Exclusivity Agreement, Mr. Carter informed a representative of Party A of the Merrimac Board s decision not to move forward with Party A. Later on December 10, 2009, Mr. Carter and such representative again spoke by phone, during which conversation such representative did not increase or make more firm Party A s indication of interest. On the early evening of December 10, 2009, the Company and Parent executed the Exclusivity Agreement.

On December 15, 2009, the Merrimac Board retained America s to provide a financial analysis and opinion with respect to the fairness of Parent s offer.

On December 15, 2009, K&L Gates LLP, counsel to Parent, delivered a draft of a definitive merger agreement and a draft form of tender and voting agreement to Katten Muchin Rosenman LLP.

From December 15, 2009 through December 23, 2009, Katten Muchin Rosenman LLP and K&L Gates LLP negotiated the terms of a definitive merger agreement and the related ancillary documents.

On the morning of December 23, 2009, the Merrimac Board met telephonically with representatives of America s and Katten Muchin Rosenman LLP participating. Katten Muchin Rosenman LLP reviewed with the Merrimac Board its fiduciary duties when considering the offer from Parent. A representative of America s presented its analysis of the Offer Price from Parent and delivered its oral opinion, which opinion was subsequently confirmed by delivery of a written opinion, dated December 23, 2009, to the effect that, as of the date and based upon and subject to the factors, assumptions, limitations and other considerations described in the written opinion, the merger consideration to be received by holders of Shares pursuant to the Merger Agreement with Parent was fair, from a financial point of view, to such holders. Katten Muchin Rosenman LLP then reviewed with the Merrimac Board the terms of the Merger Agreement with Parent. At that time Mr. Carter recused himself from the meeting due to the bonus payment he would receive in the event of the sale of the Company. After an extensive discussion of the terms of the Merger Agreement, by unanimous vote of all directors then present at the meeting (excluding Mr. Carter) and, following such vote, the unanimous vote of all directors present at the meeting, including Mr. Carter, the Merrimac Board (i) determined that the terms of the Offer, the Merger and the other transactions contemplated by the Merger Agreement with Parent are fair to and in the best interests of the Company and its stockholders, and declared the Merger Agreement with Parent advisable; (ii) approved the execution, delivery and performance of the Merger Agreement with Parent and the consummation of the transactions contemplated thereby, including the Tender Agreements, the Offer and the Merger; (iii) recommended that the stockholders of the Company accept the Offer, tender their Shares to Purchaser pursuant to the Offer and, if applicable, approve and adopt the Merger Agreement and the Merger (the Recommendation); (iv) rendered the restrictions on business combinations contained in Section 203 of the DGCL inapplicable to the

Tender Agreements, the Offer, the Merger Agreement and the other transactions contemplated thereby, including the Merger; (v) approved an amendment to the Company s Rights Agreement rendering it inapplicable to the Tender Agreements, the Offer, the Merger Agreement and the other transactions contemplated thereby, including the Merger; (vi) resolved to make the Recommendation to the stockholders of the Company and directing that, to the extent required by the DGCL, the Merger Agreement be submitted for adoption by the stockholders of the Company at a

meeting of the Company s stockholders; and (vii) elected that the Offer and the Merger, to the extent of the Merrimac Board s power and authority and to the extent permitted by law, not be subject to any moratorium, control share acquisition, business combination, fair price or other form of anti-takeover laws.

On the afternoon of December 23, 2009, the Company and Parent and their respective legal advisors finalized the Merger Agreement, the disclosure schedules thereto and the other ancillary documents, and the definitive Merger Agreement and the related ancillary documents, including the Tender Agreements, were executed by Parent, Purchaser, the Company and the other parties thereto. After the closing of the U.S. financial markets on December 23, 2009, the Company and Parent issued a joint press release announcing the execution of the Merger Agreement.

Reasons for the Transaction and Recommendation of the Merrimac Board

After evaluating the factors referred to below, consulting with its legal counsel and reviewing the financial analysis and related opinion from America s, the Merrimac Board, at a meeting duly called and held, by unanimous vote of all directors, with Mr. Carter recusing himself from such vote, present at the meeting and, following such vote, the unanimous vote of all directors present at the meeting, including Mr. Carter, unanimously declared the Offer, the Merger and the other transactions contemplated by the Merger Agreement advisable and fair to and in the best interests of Merrimac and its stockholders and unanimously approved the Merger Agreement and the transactions contemplated thereby, including the Offer and the Merger.

THE MERRIMAC BOARD UNANIMOUSLY RECOMMENDS THAT MERRIMAC S STOCKHOLDERS TENDER THEIR SHARES TO PURCHASER IN THE OFFER.

Factors Considered by the Merrimac Board

In connection with reaching the recommendation described above, the Merrimac Board concluded that the Offer is fair to, and in the best interest of, the stockholders of Merrimac. In reaching this determination and conclusion, the Merrimac Board considered a number of factors, including the following:

1. *Strategic Alternatives to Sale Transaction.* Throughout the process that the Merrimac Board conducted to evaluate strategic alternatives available to the Company, the Merrimac Board considered possible alternatives to the proposed transaction with Parent, including continuing to execute on its strategic plan as an independent company. The Merrimac Board concluded (after taking into account the current and historical financial condition, results of operations, competitive position, business prospects, opportunities and strategic objectives of the Company, including the potential risks involved in achieving those prospects and objectives) that the Offer Price is greater than the long-term value inherent in the Company as a stand-alone entity.

2. *Solicitation of Other Parties Prior to the Execution of the Merger Agreement.* The Merrimac Board considered that the Company s Chief Executive Officer had discussions with numerous third parties in connection with the Merrimac Board s strategic review process, and determined that Parent s offer was the most attractive offer for the Company s stockholders resulting from that process.

3. *America s Financial Analysis and Opinion.* The Merrimac Board took into account the financial analysis of America s and its opinion dated December 23, 2009 (the full text of which is filed herewith as Exhibit (e)(7) and included in Annex II hereto and incorporated by reference herein) to the effect that, as of the date of the opinion and based on and subject to the matters stated therein, the Offer Price was fair, from a financial point of view, to holders of Shares (other than Parent and its affiliates). The financial analysis and opinion of America s are described below in the section Opinion of America s.

4. *Transaction Financial Terms/Relation to Certain Market Prices*. The Merrimac Board considered the relationship of the Offer Price to the historical market prices of the Shares. The Offer Price of $16.00 per Share represents a premium of approximately 79% over the closing price per Share on December 16, 2009, the day before the Company filed a Form 8-K with the SEC disclosing its on-going process of investigating strategic alternatives and a potential bonus payment to be made to Mr. Carter in the event of a sale of the Company, and a premium of approximately 40% over the closing price per Share on December 22, 2009, the

final trading day before the Merrimac Board approved the Merger Agreement. In addition, the Offer Price represents a premium of approximately 70% over the average closing price of the Shares for the 20 trading days prior to December 23, 2009.

5. *Costs Associated with Remaining a Public Company*. The Merrimac Board considered that the significant costs associated with being a publicly traded company were as a percentage of its revenues disproportionately large when compared to those of many of its competitors.

6. *Timing and Certainty of Completion*. The Merrimac Board considered the anticipated timing and degree of certainty of consummation of the Offer, including the structure of the transaction as a tender offer for all Shares. This transaction structure may enable the Company s stockholders to receive the Offer Price and obtain the benefits of the transaction more promptly than might be the case in other transaction structures.

7. *Limited Conditions to Consummation*. The Merrimac Board considered the fact that the obligation of Parent to consummate the Offer is subject to a limited number of conditions, with no financing condition. Moreover, Parent and Purchaser have represented that they have the financial resources to consummate the Offer and the Merger.

8. *Ability to Respond to Certain Unsolicited Takeover Proposals*. The Merrimac Board considered the Company s ability under certain circumstances to engage in negotiations or discussions with, and to provide information to, any third party that, after the date of the Merger Agreement, were to make a bona fide competing acquisition proposal.

9. *Ability to Terminate the Merger Agreement to Accept a Superior Proposal*. The Merrimac Board considered the Company s ability, following possible receipt of a competing acquisition proposal after the date of the Merger Agreement (but prior to the acceptance of the Shares in the Offer) that is more favorable from a financial point of view to the Company s stockholders, to change its recommendation with respect to the Offer and the Merger and terminate the Merger Agreement if certain conditions are satisfied, including that the competing proposal is bona fide, that the Company has complied with applicable provisions of the Merger Agreement, that (after consulting with the Company s outside counsel and a financial advisor) the Board determines in good faith that the proposal is more favorable to the Company s stockholders from a financial point of view and is reasonably likely to be completed on the terms proposed on a timely basis and that the failure to pursue the proposal would be inconsistent with the Merrimac Board s fiduciary duties to the stockholders of the Company, notwithstanding that the Company would be required to pay Parent a termination fee and expenses of $3,000,000 in the aggregate.

10. *Form of the Consideration; Taxable Transaction*. The Merrimac Board considered the form of consideration to be paid to holders of Shares in the Offer and the Merger, and the certainty of value of such cash consideration compared to stock, particularly in the recent volatile markets although, depending on the number of Shares tendered, there may not be sufficient Shares available for Parent to reach the short form merger threshold. The Merrimac Board was aware that the consideration received by holders of Shares in the Offer and Merger would be taxable to some holders for federal income tax purposes.

11. *Possible Short Form Merger*. The Merrimac Board took into account that the Merger Agreement grants Purchaser the right, if the Offer is consummated, to potentially purchase enough authorized but unissued Shares through the Top-Up Option (as defined in Item 8 of this Statement) to effect a short form merger to acquire the remaining equity of the Company pursuant to Section 253 of the DGCL, without additional approval of the Merrimac Board. Such may only be exercised if it would permit Purchaser to exercise a short-form merger. The Merrimac Board noted that because of the Minimum Condition (as defined in the Merger Agreement), the Offer cannot succeed unless a majority of the Shares are tendered.

12. *Appraisal Rights*. The Merrimac Board considered the fact that stockholders who do not tender their Shares under the circumstances described in the Offer and who have not voted in favor of the merger will have the right to demand appraisal of the fair value of their Shares under the DGCL.

13. *Negotiations with Parent*. The Merrimac Board considered the discussions with Parent, including their respective advisors, and the judgment of Mr. Carter and the Merrimac Board that the Offer Price was the highest price that Parent would be willing to pay.

In addition to the reasons set forth above, the Merrimac Board considered the following potentially negative reasons not to consummate the Offer and the Merger:

1. *Discouraging Other Prospective Buyers*. The Merrimac Board considered that entering into a definitive agreement with Parent, and that certain provisions of the Merger Agreement, such as the non-solicitation and termination fee provisions, may have the effect of discouraging other prospective buyers from pursuing a more advantageous business combination with the Company.

2. *Transaction Costs*. The Merrimac Board considered the significant costs involved in connection with entering into the Merger Agreement and completing the Offer and the Merger and the related disruptions to the operation of the Company s business, including the risk that the operations of the Company would be disrupted by employee concerns or departures, or changes to or termination of the Company s relationships with its customers, suppliers and/or distributors, following announcement of the Offer and the Merger.

3. *Interim Restrictions on Business*. The Merrimac Board considered that, pursuant to the Merger Agreement, the Company is required to obtain Parent s consent before it can take a variety of actions during the period of time between the signing of the Merger Agreement and the Effective Time.

4. *Effect of Failure to Complete Transactions*. The Merrimac Board considered the potential adverse effect on the Company s business, stock price and ability to attract and retain key management personnel if the Offer and the Merger were announced but not consummated.

5. *Failure to Remain an Independent Public Company*. The Merrimac Board considered the opportunities for growth and the potential for increased stockholder value if Merrimac were to remain an independent company with publicly traded equity securities and the fact that Merrimac s stockholders will not participate in any potential future appreciation of Merrimac s value.

6. *Interests of Management*. The Merrimac Board considered the fact that some of the Company s executives may have interests in the Offer and the Merger that are different from, or in addition to, those of the Company s stockholders, as a result of agreements and arrangements referred to in Item 3 of this Statement.

The Board concluded, however, that many of these risks could be managed or mitigated by the Company or were unlikely to have a material effect on the Company, the Offer or the Merger and that, overall, the risks, uncertainties, restrictions and potentially negative reasons not to consummate the Offer and the Merger were outweighed by the potential benefits of the Offer and the Merger.

The Merrimac Board did not assign relative weights to the foregoing reasons or determine that any factor was of particular importance. Rather, the members of the Board viewed their position and recommendation as being based on the totality of the information presented to and considered by them. Individual members of the Merrimac Board may have given different weight to different factors.

The foregoing discussion of reasons considered by the Merrimac Board is not meant to be exhaustive but includes the material reasons considered by the Merrimac Board in approving the Merger Agreement and the transactions contemplated by the Merger Agreement and in recommending that stockholders accept the Offer, tender their Shares and approve the Merger Agreement and the Merger.

Opinion of America s

The Merrimac Board retained America s to evaluate the fairness, from a financial point of view, to the holders of the common stock of the Company, of the $16.00 cash consideration to be received by such holders, other than Parent, Purchaser and their respective affiliates, pursuant to the terms and subject to the conditions set forth in the Merger Agreement.

In connection with providing the opinion to the Merrimac Board in connection with the transactions contemplated by the Merger Agreement (the Transaction) America s received a fee from the Company for

such services pursuant to the terms of the engagement letter with the Company, dated as of December 15, 2009. America s has not provided any other services to the Company in connection with the Transaction and has not received any other fees from the Company except for the services as described above.

On December 23, 2009, at a meeting of the Merrimac Board held to evaluate the cash consideration and Transaction, America s rendered to the Merrimac Board an oral opinion, which opinion was confirmed by delivery of a written opinion dated December 23, 2009, to the effect that, as of that date and based on and subject to the matters described in its opinion, the $16.00 per share cash consideration to be received by holders of the common stock of the Company (other than Parent, Purchaser and their respective affiliates) was fair, from a financial point of view, to such holders.

The full text of America s written opinion, which describes, among other things, the procedures followed, assumptions made, matters considered and limitations on the scope of review undertaken, is attached as Annex II. America s opinion expressed herein was provided to the Merrimac Board for its information in connection with its evaluation of the $16.00 per share cash consideration from a financial point of view, does not address any other aspect of the Transaction and is not intended to be and does not constitute a recommendation to any shareholder as to whether such shareholder should tender shares in the Transaction or how such shareholder should vote or act on any matters relating to the Transaction. Holders of the Shares are encouraged to read this opinion carefully in its entirety. The summary of America s opinion below is qualified in its entirety by reference to the full text of the opinion.

In arriving at its opinion, America s:

reviewed a draft of the Merger Agreement dated December 23, 2009 (the Draft Agreement);

reviewed certain publicly available information, including SEC filings, for the Company and certain other relevant financial and operating data furnished to America s by the Company s management;

reviewed certain internal financial analyses, historical financials, financial forecasts, reports and other information concerning the Company, prepared by the management of the Company and conducted a discounted cash flow analysis of the Company;

held discussions with certain members of the management of the Company concerning the historical and current business operations, financial condition and prospects of the Company and such other matters America s deemed relevant;

analyzed certain financial, stock market and other publicly available information relating to the businesses of other companies whose operations America s considered relevant in evaluating those of the Company and considered, to the extent publicly available, the financial terms of certain other transactions which America s considered relevant in evaluating the Transaction;

reviewed the financial terms of the Transaction as described in the Draft Agreement in relation to; among other things, the historical and projected earnings and other operating data of the Company; and the capitalization and financial condition of the Company; and

reviewed and considered such other information, financial studies, analyses and investigations and such other factors that America s deemed relevant for the purposes of this opinion.

In conducting the review and arriving at America s opinion, America s has, with the Merrimac Board s consent, assumed and relied, without independent investigation or verification, upon the accuracy and completeness of all

financial and other information provided to America s by the Company in any form, written or oral, or which is otherwise publicly available. America s has not undertaken or assumed any responsibility for the accuracy, completeness or reasonableness of, or independently verified, such information. In addition, America s has not conducted nor has America s assumed any obligation to conduct any physical inspection of the properties or facilities of the Company. America s has further relied upon the assurance of management of the Company that they are unaware of any facts that would make the information provided to America s incomplete or misleading in any material respect. America s has, with the Merrimac Board s consent, assumed that the financial forecasts which America s examined were reasonably prepared by the management of the Company on bases reflecting the best

currently available estimates and good faith judgments of such managements as to the future performance of the Company. America s has assumed that the final form of the Merger Agreement will be substantially similar to the last Draft Agreement, without material alteration or waiver thereof. America s has relied, at the Merrimac Board s direction, without independent verification, upon the assessment of the management of the Company as to the products and product candidates of the Company and the risks associated with such products and product candidates.

America s has not made or obtained any independent evaluations, valuations or appraisals of the assets or liabilities of the Company, nor has America s been furnished with such materials. America s has not made any review of or sought or obtained advice of legal counsel regarding legal matters relating to the Company, and America s understands that the Company has relied and will rely only on the advice of legal counsel to the Company as to such matters. America s services to the Company in connection with the Transaction have been comprised solely of rendering an opinion as to the fairness, from a financial point of view, to the holders of Company Common Stock of the $16.00 per share cash consideration to be paid to such holders. America s opinion is necessarily based upon economic and market conditions and other circumstances as they exist and can be evaluated by America s on the date hereof. It should be understood that although subsequent developments may affect America s opinion, except as agreed to with the Company, America s does not have or undertake any obligation to update, revise or reaffirm its opinion.

For purposes of rendering the opinion America s has assumed, in all respects material to the analysis, that the representations and warranties of each party contained in the Draft Agreement are true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Merger Agreement and that all conditions to the consummation of the Transaction will be satisfied without waiver thereof. America s has also assumed that all governmental, regulatory and other consents and approvals contemplated by the Draft Agreement will be obtained and that in the course of obtaining any of those consents no restrictions will be imposed or waivers made that would have an adverse effect on the contemplated benefits of the Transaction.

America s expresses no view as to and America s opinion does not address any terms or other aspects or implications of the Transaction (other than the cash consideration to the extent expressly specified herein) or any aspects or implications of any other agreement, arrangement or understanding to be entered into in connection with, or otherwise contemplated by, the Transaction. America s also expresses no view as to, and America s opinion does not address, the fairness (financial or otherwise) of the amount or nature or any other aspect of any compensation to any officers, directors or employees of any parties to the Transaction. America s has not been requested, and America s did not, solicit third party indications of interest in the possible acquisition of all or a part of the Company, nor was America s requested to consider, and America s opinion does not in any manner address and should not be construed to address, the Company s underlying business decision to effect the Transaction or the relative merits of the Transaction or alternative business strategies that may be available to the Company.

The following is a summary of the material financial analyses reviewed with the Merrimac Board on December 23, 2009 in connection with America s opinion. **America s did not attribute any particular weight to any analysis, methodology or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor; accordingly, America s analyses must be considered as a whole. Considering any portion of such analyses and of the factors considered, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying the conclusions expressed herein.** In all such analysis, America s relied on the Company s unaffected stock price at it s December 16, 2009 closing which is the closing price prior to the Company s public announcement in an 8-K filing that on December 10, 2009, the Merrimac Board approved a bonus for Mason N. Carter, the Chairman, President and Chief Executive Officer of the Company, in the event that the on-going process of investigating strategic alternatives for the company results in a sale of the Company or similar transaction.

Stock Value Premium Analysis

America s reviewed publicly available information for selected completed merger or acquisition transactions to determine the premiums paid in the transactions over recent trading prices of the target companies prior to announcement of the transaction. America s selected these transactions by applying the following criteria:

- transactions announced after January 1, 2008;
- merger and acquisition transactions below $500 million in enterprise value;
- public technology company target;
- change in control;
- North American transactions.

America s performed its analysis on sixty-five transactions that satisfied the criteria. This analysis indicated implied per share equity value reference ranges for the Company of approximately $12.11 to $12.86 per Share, as compared to the $16.00 per Share cash consideration.

Comparable Public Companies Analysis

America s reviewed financial and stock market information of the Company and the following six selected publicly traded companies with similar products, similar operating and financial characteristics and servicing similar markets:

- CPI International, Inc.
- Applied Signal Technology, Inc.
- Anaren Inc.
- Herley Industries Inc.
- Spectrum Control Inc.
- Micronetics Inc.

America s reviewed, among other things, enterprise values of the selected companies, calculated as fully diluted equity value based on closing stock prices on December 21, 2009, plus debt, minority interest and preferred stock, less cash and equivalents, as a multiple of latest 12 months, calendar year 2009 estimated and calendar year 2010 estimated revenue and earnings before interest, taxes, depreciation and amortization, referred to as EBITDA. America s then applied a selected range for latest 12 months, calendar year 2009 estimated and calendar year 2010 estimated revenue multiples of 1.0x to 1.1x and estimated EBITDA multiples of 6.0x to 7.3x derived from the selected companies to corresponding data of the Company. Estimated financial data of the selected companies were based on publicly available research analysts estimates. Estimated financial data of the Company were based on estimates of the Company s management. This analysis indicated an implied per share equity value reference range for the Company of approximately $11.86 to $17.03 per Share, as compared to the $16.00 per Share cash consideration.

Although the selected companies were used for comparison purposes, none of those companies is directly comparable to the Company. Accordingly, an analysis of the results of such a comparison is not purely mathematical, but instead involves complex considerations and judgments concerning differences in historical and projected financial and operating characteristics of the selected companies and other factors that could affect the public trading value of the selected companies or the Company.

Selected Precedent Transactions Analysis

America s reviewed the transaction values of the following 5 transactions involving similar businesses with disclosed financial metrics. Due to global asset valuation adjustments over the course of 2008, America s only used 2008-2009 precedents:

Acquiror	Target
Microsemi Corp.	Endwave Defense Systems, Inc.
Teledyne Technologies Inc.	Filtronic Defence Ltd.
Comtech Telecommunications Corp.	Radyne Corp.
Anaren Inc.	M.S. Kennedy Corporation
TriQuint Semiconductor, Inc.	WJ Communications Inc.

America s reviewed, among other things, transaction values in the selected transactions, calculated as the purchase prices paid for the target companies, as a multiple of latest 12 months revenue and EBITDA. America s then applied latest 12 months revenue and EBITDA multiples of 1.3x and 8.6x, respectively, derived from the selected transactions to the Company s EBITDA for the latest 12 months ended October 3, 2009. Financial data of the selected transactions were based on publicly available information at the time of announcement of the relevant transaction. Financial data of the Company were based on publicly available information. This analysis indicated an implied per share equity value reference range for the Company of approximately $13.55 to $18.05 per Share, as compared to the $16.00 per Share cash consideration.

Although the selected transactions were used for comparison purposes, none of those transactions is directly comparable to the merger and none of the companies in those transactions is directly comparable to the Company. Accordingly, an analysis of the results of such a comparison is not purely mathematical, but instead involves complex considerations and judgments concerning differences in historical financial and operating characteristics of the companies involved and other factors that could affect the acquisition value of such companies or the Company.

Discounted Cash Flow Analysis

America s performed a discounted cash flow analysis to calculate the estimated present value of the standalone, free cash flows that the Company could generate during the Company s fiscal years 2010 through 2014 based on management s forecast. Estimated terminal values for the Company were calculated by applying terminal value multiples of 5.5x to 6.5x to the Company s fiscal year 2014 estimated EBITDA. The cash flows and terminal values were then discounted to present value using discount rates ranging from 18% to 26%. This analysis indicated implied per share equity value reference ranges for the Company of approximately $14.70 to $16.57 per Share, as compared to the $16.00 per Share cash consideration.

Intent to Tender

In connection with the Merger Agreement, the Signing Stockholders each entered into separate Tender Agreements, dated as of December 23, 2009, with Parent, Purchaser and the Company. The following summary of certain provisions of the Tender Agreements are qualified in their entirety by reference to the Tender Agreements themselves, which are incorporated herein by reference. We have filed a copy of the form of Tender Agreement as Exhibit (e)(2) hereto. Stockholders and other interested parties should read the Tender Agreement for a more complete description of the provisions summarized below.

The Tender Agreements require each Signing Stockholder to, among other things, (i) tender or cause to be tendered in the Offer all Shares beneficially owned or subsequently acquired, (ii) not withdraw the Shares tendered by it, him or her in the Offer prior to the termination of the Offer, the termination of the Merger Agreement or any adjustment to the terms and conditions of the Merger Agreement (other than an adjustment following which the terms of the Offer are no less favorable to the Signing Stockholders and the consideration for Shares tendered in the Offer is the highest consideration paid to any stockholder for Shares tendered in the Offer) (such adjustment, an Adverse Amendment) and (iii) vote in favor of adoption and approval of the Merger Agreement and the

transactions contemplated by the Merger Agreement, and against any proposal opposing to or in competition with the consummation of the Merger or the transactions contemplated by the Merger Agreement.

The Tender Agreements will terminate upon the earlier of (i) the effective time of the Merger, (ii) the termination or expiration of the Offer without Purchaser purchasing all of the Shares tendered pursuant to the Offer in accordance with its terms, (iii) the termination of the Merger Agreement in accordance with its terms, and (iv) an Adverse Amendment.

To the best knowledge of the Company, as of the date of this Statement, each of the Signing Stockholders and each other executive officer of the Company who owns Shares presently intends to tender in the Offer all Shares that they own of record or beneficially, other than Shares, if any, that they may have the right to purchase by exercising stock options, Shares, if any, that if tendered would cause them to incur liability under the short-swing profits provisions of the Securities Exchange Act of 1934, as amended, or Shares, if any, which are restricted Shares.

Item 5. ***Persons/Assets, Retained, Employed, Compensated or Used.***

The Merrimac Board retained America s to provide financial analysis and an opinion regarding the consideration offered by Parent for the Shares. Pursuant to an engagement letter with America s, dated as of December 15, 2009, the Company agreed to pay America s $250,000 upon its delivery of an opinion to the Merrimac Board regarding the fairness to the Company s stockholders, from a financial point of view, of the consideration to be paid for the Shares in the Offer and the Merger. In addition, the Company agreed to indemnify America s against certain liabilities arising out of its engagement, subject to certain limitations. The Company also agreed to reimburse America s for reasonable expenses incurred in connection with its engagement, including reasonable legal fees.

The above summary of the relationship between Merrimac and America s is not intended to be complete and exhaustive and such summary is qualified in its entirety by reference to the Opinion of America s Growth Capital, LLC attached as Annex II to this Statement and incorporated herein by reference.

Except as described above, neither Merrimac nor any other person acting on its behalf currently intends to employ, retain or compensate any other person to make solicitations or recommendations to Merrimac s stockholders on its behalf in connection with the Offer or the other transactions contemplated by the Merger Agreement.

Item 6. ***Interest in Securities of the Subject Company.***

Item 7. ***Purposes of the Transaction and Plans or Proposals.***

Except as set forth in this Statement, Merrimac is not undertaking or engaged in any negotiations in response to the Offer that relate to:

a tender offer or other acquisition of Merrimac s securities by Merrimac, any of its subsidiaries or any other person;

an extraordinary transaction, such as a merger, reorganization or liquidation, involving Merrimac or any of its subsidiaries;

a purchase, sale or transfer of a material amount of assets of Merrimac or any of its subsidiaries; or

a material change in the present dividend rate or policy, or indebtedness or capitalization of Merrimac.

Except as set forth in this Statement, there are no transactions, board resolutions, agreements in principle or signed contracts entered into in response to the Offer that relate to one or more of the matters referred to in this Item 7.

Item 8. ***Additional Information.***

Information Statement

The Information Statement attached as Annex I hereto is being furnished in connection with the possible designation by Purchaser, pursuant to the Merger Agreement, of certain persons to be appointed to the Merrimac Board, other than at a meeting of Merrimac s stockholders as described in Item 3 above and in the Information Statement, and is incorporated herein by reference.

Top-Up Option

Pursuant to the Merger Agreement and subject to the terms and conditions thereof and applicable law, the Company has granted to Purchaser an option (the Top-Up Option) to purchase a number of Shares (not to exceed 19.9% of the Company s then outstanding Shares), that, when added to the number of Shares owned by Purchaser immediately prior to such exercise, shall constitute at least one Share more than 90% of the number of Shares outstanding after such exercise. The Top-Up Option may be exercised once during the 20 business day period following the consummation of the Offer. The per Share exercise price of the Top-Up Option is equal to the Offer Price. The Top-Up Option is intended to expedite the timing of the completion of the Merger by effecting the Merger pursuant to Delaware s short form merger statute. Following the Offer and, if necessary, the exercise of the Top-Up Option, if Purchaser does not own at least 90% of the Shares, a vote of the stockholders of Merrimac will be required to consummate the Merger. In such case, the approval of the Merger at a meeting of the stockholders of Merrimac would be assured because of Purchaser s ownership of at least a majority of the Shares following completion of the Offer.

Vote Required to Approve the Merger and DGCL Section 253

The Merrimac Board has approved the Offer, the Merger and the Merger Agreement in accordance with the DGCL. Under Section 253 of the DGCL, if Purchaser acquires, pursuant to the Offer or otherwise, including the issuance by the Company of Shares upon the exercise by Purchaser of the Top-Up Option, at least 90% of the outstanding Shares, Purchaser will be able to effect a short-form merger under the DGCL, which means that Purchaser may effect the Merger without any further action by or vote of the Company s stockholders. If Purchaser acquires, pursuant to the Offer or otherwise, less than 90% of the outstanding Shares, the affirmative vote of the holders of a majority of the

outstanding Shares will be required under the DGCL to effect the Merger. In such case, the approval of the Merger at a meeting of the stockholders of Merrimac would be assured because of Purchaser s ownership of at least a majority of the Shares following completion of the Offer.

State Takeover Laws

Merrimac is incorporated under the laws of the State of Delaware and subject to Section 203 of the DGCL. In general, Section 203 prevents an interested stockholder from engaging in a business combination with a Delaware corporation for a period of three years following the time such person became an interested stockholder, unless, among other exceptions, the business combination is approved by the board of directors of such corporation in a prescribed manner prior to such time such person becomes an interested stockholder or the interested stockholder acquires at least 85% of such corporation s outstanding voting stock in the transaction in which it became an interested stockholder. A business combination includes, among other things, a merger or consolidation involving the corporation and the interested stockholder and the sale of more than 10% of the assets of the corporation. In general, an interested stockholder is any entity or person beneficially owning 15% or more of a corporation s outstanding voting stock and any entity or person controlling or controlled by or under common control with such entity or person.

In accordance with the provisions of Section 203, the Merrimac Board has approved the Merger Agreement and the transactions contemplated thereby and has taken all appropriate action so that the restrictions on business combinations set forth in Section 203, with respect to Merrimac, will not be applicable to Purchaser by virtue of such actions.

Regulatory Approvals

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the related rules and regulations that have been issued by the Federal Trade Commission (the FTC), certain acquisition transactions may not be consummated until specified information and documentary material has been furnished for review by the FTC and the Antitrust Division of the Department of Justice and specified waiting period requirements have been satisfied. Parent and the Company have determined that these requirements do not apply to Parent s and Purchaser s acquisition of the Shares in the Offer.

The Company is not aware of any other filings, approvals or other actions by or with any governmental authority or administrative or regulatory agency that would be required for Purchaser s acquisition or ownership of the Shares.

The Rights Agreement

Concurrent with the execution of the Merger Agreement, the Company and American Stock Transfer & Trust Company, LLC, as Rights Agent (the Rights Agent), executed the tenth amendment (the Amendment) to the Company s Rights Agreement (the Rights Agreement), dated as of March 9, 1999, as amended as of June 9, 1999, April 7, 2000, October 26, 2000, February 21, 2001, February 28, 2002, September 18, 2002, December 13, 2004, March 14, 2007 and March 19, 2009, which provides that none of (i) approval, execution, delivery and/or adoption of the Merger Agreement, (ii) the acceptance for payment or purchase by Purchaser of Shares pursuant to the Offer, (iii) the exercise of the Top-Up Option, (iv) the consummation of any other transactions contemplated by the Merger Agreement, including, but not limited to, the Offer and the Merger or (v) the announcement of any of the Merger Agreement, the Offer, the Merger or any other transactions contemplated by the Merger Agreement, will result in the rights becoming exercisable or in Parent or its affiliates and associates being deemed an Acquiring Person or any of the foregoing events resulting in a Shares Acquisition Date or Distribution Date under the Rights Agreement. The Rights Agreement terminated in accordance with its terms on December 31, 2009.

The foregoing summary of the Amendment does not qualify by reference to the Amendment, which is filed herewith as Exhibit (e)(6) and is incorporated herein by reference.

Appraisal Rights

No appraisal rights are available to holders of Shares in connection with the Offer. However, if the Merger is consummated, holders of Shares who have not tendered their Shares in the Offer and have not voted in favor of the Merger (if a vote of stockholders is taken) will have certain rights under the DGCL to dissent and demand appraisal of, and to receive payment in cash of the fair value of their Shares. If the Merger occurs, holders of Shares will be

told how to demand appraisal of their Shares. Holders of Shares who perfect those rights by complying with the procedures set forth in Section 262 of the DGCL will have the fair value of their Shares (exclusive of any element of value arising from the accomplishment of expectation of the Merger) determined by the Delaware Court of Chancery and will be entitled to receive a cash payment equal to such fair value from the surviving corporation in the Merger. In addition such dissenting holders of Shares would be entitled to receive payment of a fair rate of interest from the date of consummation of the Merger on the amount determined to be the fair value of their Shares (the Dissenting Shares). If any holder of Shares who demands appraisal under Section 262 of the DGCL fails to perfect, or effectively withdraws or loses her, his or its rights to appraisal as provided in the DGCL, the Shares of such stockholder will be converted into the right to receive the price per Share paid in the Merger in accordance with the Merger Agreement. A stockholder may withdraw a demand for appraisal by delivering to the Company a written withdrawal of the demand for appraisal by the date set forth in the appraisal notice to be delivered to the holders of the Shares as provided in the DGCL.

In determining the fair value of the Dissenting Shares, the court is required to take into account all relevant factors. Accordingly, the determination could be based upon considerations other than, or in addition to, the market value of the Shares, including, among other things, asset values and earning capacity. In Weinberger v. UOP, Inc., the Delaware Supreme Court stated that proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court should be considered in an appraisal proceeding. The *Weinberger* Court also noted that, under Section 262, fair value is to be determined exclusive of any element of value arising from the accomplishment or expectation of the Merger. In *Cede & Co. v. Technicolor, Inc.*, however, the Delaware Supreme Court stated that, in the context of a two-step cash merger, to the extent that value has been added following a change in majority control before cash-out, it is still value attributable to the going concern, to be included in the appraisal process. As a consequence, the fair value determined in any appraisal proceeding could be more or less than the consideration to be paid in the Offer and the Merger.

Parent may cause the surviving corporation in the Merger to argue in an appraisal proceeding that, for purposes of such proceeding, the fair value of each Dissenting Share is less than the price paid in the Offer and the Merger. In this regard, holders of Shares should be aware that opinions of investment banking firms as to the fairness from a financial point of view of the consideration payable in a merger are not opinions as to fair value under Section 262 of the DGCL.

The foregoing summary is not intended to be complete and is qualified in its entirety by reference to Section 262 of the DGCL.

INFORMATION STATEMENT PURSUANT TO SECTION 14(f) OF THE SECURITIES EXCHANGE ACT OF 1934 AND RULE 14f-1 THEREUNDER

This Information Statement is being mailed on or about January 5, 2010 to holders of record of common stock, par value $.01 per share (the Shares), of Merrimac Industries, Inc., a Delaware corporation (Merrimac or the Company), as a part of the Solicitation/Recommendation Statement on Schedule 14D-9 (the Schedule 14D-9) of Merrimac with respect to the tender offer (the Offer) by Crane Merger Co., a Delaware corporation (Purchaser), and wholly-owned subsidiary of Crane Co., a Delaware corporation (Parent), for all of the issued and outstanding Shares. Unless the context indicates otherwise, in this Information Statement, we use the terms us, we and our to refer to Merrimac. You are receiving this Information Statement in connection with the possible election of persons designated by Parent to at least a majority of the seats on the Board of Directors of Merrimac (the Merrimac Board). This designation is to be made pursuant to an Agreement and Plan of Merger, dated as of December 23, 2009, as such may be amended from time to time (the Merger Agreement), by and among Parent, Purchaser and Merrimac.

Pursuant to the Merger Agreement, Purchaser commenced a cash tender offer on January 5, 2010, to purchase all of the issued and outstanding Shares at a purchase price per Share of $16.00 net to the holder thereof in cash, without interest thereon, subject to any required withholding of taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated January 5, 2010 (as amended or supplemented from time to time, the Offer to Purchase) and the related Letter of Transmittal (the Offer reflected by such Offer to Purchase and Letter of Transmittal, together with any amendments or supplements thereto, collectively constitute the Offer). Unless extended in accordance with the terms and conditions of the Merger Agreement, the Offer is scheduled to expire at 12:00 A.M., New York time, on February 2, 2010, at which time if all conditions to the Offer have been satisfied or waived, Purchaser will purchase all Shares validly tendered pursuant to the Offer and not properly withdrawn. Copies of the Offer to Purchase and the accompanying Letter of Transmittal have been mailed with the Schedule 14D-9 to stockholders of Merrimac and are filed as exhibits to the Schedule 14D-9 filed by Merrimac with the Securities and Exchange Commission (the SEC) on January 5, 2010.

The Merger Agreement provides that upon the acceptance for payment of, and payment by Purchaser for, Shares pursuant to the Offer representing at least a majority of Shares outstanding on a fully diluted basis, and as long as Purchaser directly or indirectly beneficially owns not less than a majority of the issued and outstanding Shares, Parent shall be entitled to designate such number of members of the Merrimac Board as will give Parent, subject to compliance with applicable law, representation on the Merrimac Board equal to that number of directors, rounded up to the next whole number, that is the product of (i) the total number of directors on the Merrimac Board (giving effect to the directors designated by Parent and including directors continuing to serve as directors of the Company) multiplied by (ii) the percentage that the aggregate number of Shares beneficially owned by Parent, Purchaser or any of their affiliates bears to the aggregate number of Shares then outstanding. As a result, Purchaser will have the ability to designate a majority of the Merrimac Board following consummation of the Offer.

This Information Statement is required by Section 14(f) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Rule 14f-1 thereunder in connection with the appointment of Purchaser s designees to the Merrimac Board. You are urged to read this Information Statement carefully. You are not, however, required to take

any action. The Audit Committee oversees on behalf of the Merrimac Board (i) our accounting and financial reporting processes and (ii) the audits of our financial statements.

We met and held discussions with management and J.H. Cohn LLP, our independent registered public accounting firm for fiscal 2008. Management represented to us that our consolidated financial statements for the fiscal year ended January 3, 2009 were prepared in accordance with accounting principles generally accepted in the United States. We reviewed and discussed the consolidated financial statements with both management and J.H. Cohn LLP. We also discussed with J. H. Cohn LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

We discussed with J.H. Cohn LLP the overall scope and plans for the audit. We met with J.H. Cohn LLP, with and without management, to discuss the results of their examination, their evaluation of our internal controls, and the overall quality of our financial reporting.

We discussed with J.H. Cohn LLP their independence from management and us, and received J.H. Cohn LLP s written disclosures and letter required by the Public Company Accounting Oversight Board regarding the independent registered public accounting firm s communications with the Audit Committee concerning independence.

Based on the foregoing, we recommended that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended January 3, 2009, for filing with the SEC.

(1) The fair value of each of the options and purchase plan subscription rights granted in 2009, 2008 and 2007 was estimated on the date of grant using the Black-Scholes option valuation model. For the years ended January 2, 2010, January 3, 2009 and December 29, 2007, the Company used the Simplified Method to estimate the expected term of the expected life of stock option grants as defined by Securities and Exchange Commission Staff Accounting Bulletin No. 107 and 110 for each award granted. Expected volatility for the years ended January 2, 2010, January 3, 2009 and December 29, 2007, is based on historical volatility levels of the Company s common stock. The risk-free interest rate for the years ended January 2, 2010, January 3, 2009 and December 29, 2007 is based on the implied yield currently available on U.S. Treasury zero coupon issues with the remaining

term equal to the expected term of the option granted.

The following weighted average assumptions were utilized:

	2009	2008	2007
Expected option life (years)	6.0	6.0	5.7
Expected volatility	63.71%	37.59%	32.89%

Compensation of President and Chief Executive Officer

Employment Agreement with Mason N. Carter

The Company has an Employment Agreement, dated April 11, 2006 (the Employment Agreement), with Mason N. Carter, the Chairman, President and Chief Executive Officer of the Company, which provides that Mr. Carter s annual base salary is $332,000. The initial term of the Employment Agreement ends on December 31, 2010, and will be renewable for successive 12-month periods unless terminated pursuant to the terms of the Employment Agreement. In addition, Mr. Carter will be eligible to participate in the Company s medical benefits, life insurance, 401(k) and similar programs generally available to employees. Mr. Carter will also be eligible to participate in the Company s stock purchase, stock option, and long term incentive plans, and to receive bonuses, in the sole discretion of the Compensation Committee of the Merrimac Board. The Company will maintain a $500,000 term life insurance policy for Mr. Carter s beneficiaries.

Under the Employment Agreement, Mr. Carter will be entitled to receive a Special Retirement Benefit of $75,000 per year if the Company achieves pre-tax earnings of $9 million in the aggregate over the three fiscal years prior to his retirement at or over age 65 (the Performance Target). In addition, Mr. Carter would receive the Special Retirement Benefit if the Company terminates him without cause, if he resigns for good reason, or his employment is terminated as a result of a disability, and in any such case the Company has also achieved the Performance Target. During the term and for a period of three years following such retirement or termination (Restrictive Period), and for as long as Mr. Carter is receiving the Special Retirement Benefit, Mr. Carter is bound to a confidentiality, non-competition and non-solicitation agreement with us. However, if after the Restrictive Period, Mr. Carter gives written notice to the Company of his forfeiture of the Special Retirement Benefit, Mr. Carter would be released from the non-competition and non-solicitation agreement.

In addition, the Employment Agreement provides various payments and benefits upon Mr. Carter s termination of employment with the Company due to his death or disability (as defined in the Employment Agreement), Mr. Carter s termination of employment by the Company with or without cause (as defined in the Employment Agreement) and termination of employment by Mr. Carter for good reason (as defined in the Employment Agreement). If Mr. Carter s employment is terminated within 12 months following a change in control (as defined in the Employment Agreement), Mr. Carter will receive, payments and benefits that are in lieu of those payments and benefits available to Mr. Carter upon termination of employment in the absence of a change in control.

If Mr. Carter s employment terminates due to his death, the Company will provide to Mr. Carter s estate all salary and benefits accrued by Mr. Carter but unpaid as of the date of his death.

If Mr. Carter s employment terminates due to his disability, the Company will provide to Mr. Carter all salary and benefits accrued by Mr. Carter but unpaid as of the date of termination. The Company will pay Mr. Carter his Special Retirement Benefit to the extent that the conditions for payment of such benefit have been met. Mr. Carter has a disability for purposes of the Employment Agreement if, as a result of physical or mental illness or injury, Mr. Carter is unable to perform the essential duties of his position for a period of 90 consecutive work days or for a period of 120 non-consecutive work days in a 12-month period, or poses a direct threat to his own safety and health or that of others and there is no reasonable accommodation that can be provided by the Company that would allow Mr. Carter to perform the essential functions of his position as determined under applicable law.

If the Company terminates Mr. Carter s employment for cause , the Company will provide to Mr. Carter all salary and benefits accrued by Mr. Carter but unpaid as of the date of termination. For purposes of the Employment Agreement, cause means Mr. Carter s: (i) willful failure to perform his normal and customary duties for an extended period for any reason, other than due to disability; (ii) gross negligence or willful misconduct, including, without limitation, fraud, embezzlement or intentional misrepresentation; (iii) commission of, or indictment or conviction for, a felony; (iv) willful engagement in competitive activities against the Company, including, without limitation, purposely aiding a competitor; (v) misappropriation of a material opportunity of the Company; or (vi) violation of any material provision of the Employment Agreement, and in each case Mr. Carter has failed to cure such act (if curable as determined by the Merrimac Board) within ten days after receipt of written notice from the Company of such act or, if reasonable under the circumstances, such additional period of time during which Mr. Carter is using his best efforts to so cure, not to exceed 30 days in the aggregate.

If Mr. Carter terminates his employment for good reason or the Company terminates Mr. Carter s employment without cause, the Company will provide Mr. Carter with the following payments and benefits (i) his then applicable base salary beginning six months plus one day after the date of termination until the later of (A) the end of the term of the Employment Agreement plus six months and one day and (B) the date which is 12 months after the date of termination plus six months and one day, (ii) continued group medical coverage, under the Company s group medical plan in effect from time to time, on the same terms as provided to the Company s other executives until the later of (A) the end of the term of the Employment Agreement plus six months and one day and (B) the date which is 12 months after the date of termination plus six months and one day, (iii) if applicable, the Special Retirement Benefit, (iv) in the case of an automobile owned or leased by Mr. Carter, the car allowance provided under the Employment Agreement, payable beginning six months plus one day after the date of termination until the earlier of (A) 12 months after the date of termination plus six months and one day and (B) the end of the term of the Employment Agreement plus six months and one day, or, in the case of an automobile owned or leased by the Company, use of such automobile from the date of termination until the earlier of (A) 12 months after the date of termination and (B) the end of the then current term, (v) the option to assume any remaining lease payments of the automobile provided under the Employment Agreement, assuming the leased automobile is one of the Company s automobiles, or to purchase such automobile in accordance with the terms of its lease, (vi) a payment in lieu of any bonus (the In-Lieu Bonus) in an amount equal to the average of Mr. Carter s annual bonuses, if any, for the two fiscal years ended immediately prior to the termination, which payment shall be made in respect of each period of 12 months remaining during the term of the Employment Agreement, and a pro-rated amount shall be paid in respect of any period of less than 12 months, payable at the time that other annual bonuses are paid to our other executives (or if no annual bonus is paid during a particular year, in December of the applicable year) and in accordance with Section 409A of the Internal Revenue Code of 1986, as amended (the Code), and (vii) notwithstanding the terms of any of our option plans, all unvested stock options to purchase shares of the our common stock granted by the Company and held by Mr. Carter as of the date of termination (the Executive Options) under any of the Company s option plans shall immediately vest and be exercisable in accordance with their terms and, notwithstanding the terms of any of our incentive plans, all restricted stock awarded under any incentive plans held by Mr. Carter Executive Restricted Stock) shall be vested and free of restrictions. For purposes of the Employment Agreement, good reason means a material diminution of Mr. Carter s duties and responsibilities or a substantial reduction in Mr. Carter s compensation and benefits.

If, within 12 months of a change in control , Mr. Carter terminates his employment for good reason or the Company terminates Mr. Carter s employment without cause, in lieu of the payments and benefits described above, the Company will provide Mr. Carter with the following payments and benefits: (i) the greater of (x) three times his

then applicable base salary and (y) the base salary from the date of termination to the end of the term of the Employment Agreement, payable over a 12-month period beginning six months plus one day after the date of termination, (ii) continued group medical coverage, under our group medical plan in effect from time to time, on the same terms as provided to our other executives until the later of (A) the third anniversary of the date of termination and (B) the end of the term of the Employment Agreement, (iii) if applicable, the Special Retirement Benefit, (iv) in the case of an automobile owned or leased by Mr. Carter, the car allowance provided under the agreement, payable beginning six months plus one day after the date of termination until the later of (A) the third anniversary of the date of termination plus six months and one day and (B) the end of the term of the Employment Agreement plus six months and one day, or, in the case of an automobile owned or leased by the Company, use of such automobile from the date of termination until the later of (A) the third anniversary of the date of termination and (B) the end of the term of the Employment Agreement, (v) the option to assume any remaining lease payments of the automobile provided under the Employment Agreement or to purchase such automobile in accordance with the terms of its lease, and (vi) three times the In-Lieu Bonus, payable over a 12-month period beginning six months plus one day after the date of termination. In the event of a change in control, all Executive Options shall immediately vest and be exercisable in accordance with their terms and the Executive Stock shall be vested and free of restrictions. In the event that these payment or benefits give rise to the excise tax payable by Mr. Carter under Section 4999 of the Code, the Company will reduce the amount of such payments by the minimum amount necessary to avoid payment of the excise tax.

Under the Employment Agreement, the term change in control means (i) the Company is merged or consolidated with, or, in any transaction or series of transactions, all or substantially all of the Company s business or assets shall be sold or otherwise acquired by, another corporation or entity and, as a result thereof, the Company s stockholders immediately prior thereto shall not have at least 50% or more of the combined voting power of the surviving, resulting or transferee corporation or entity; (ii) any person (as that term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended from time to time) who is not an affiliate of the Company or a 5% or more holder, in each case as of the date of this the Employment Agreement, is or becomes the beneficial owner (as that term is used in Section 13(d) of said Act and the applicable rules and regulations thereof) of the Shares entitled to cast more than 25% of the votes at the time entitled to be cast generally for the election of directors; or (iii) more than 50% of the members of the Merrimac Board shall not be Continuing Directors. Continuing Directors means the Company s directors (A) who were members of the Merrimac Board on January 1, 2006 or (B) who subsequently became the Company s directors and who were elected or designated to be candidates for election as nominees of the Merrimac Board, or whose election or nomination for election by the Company s stockholders was otherwise approved, by a vote of a majority of the Continuing Directors then on the Merrimac Board).

No other Named Executive Officer has an employment agreement with us. Please refer to Potential Payments Upon Termination or Change-In-Control for such payments that may be made to our other Named Executive Officers.

Potential Payments Upon Termination or Change-In-Control

Mason N. Carter Bonus

On December 10, 2009, the Merrimac Board approved a cash bonus for Mr. Carter (which is in addition to any amounts Mr. Carter would receive under the Employment Agreement upon the termination of his employment under certain circumstances following a change in control) in the event the Company s then on-going process of investigating strategic alternatives resulted in the sale of the Company or a similar transaction. Mr. Carter s bonus is based on a percentage of the sale price of the Company, as follows:

If the purchase price for the Company is more than $9.00 per fully diluted share but less than $12.00 per fully diluted share, a bonus equal to 1% of the total purchase paid for the Company or its shares.

If the purchase price for the Company is $12.00 or more per fully diluted share but less than $15.00 per fully diluted share, a bonus pro-rated on a linear basis of 1% to 2% of the total purchase price for the Company or its shares.

If the purchase price for the Company is $15.00 or more per fully diluted share, a bonus equal to 2% of the total purchase price paid for the Company or its shares.

Amended and Restated Severance Plan

On March 29, 2006, the Compensation Committee of the Merrimac Board adopted the Amended and Restated Severance Plan, as amended (the Severance Plan), which replaces the previous plan adopted in September 2003, for key executives designated from time to time by the Compensation Committee, including the Named Executive Officers, with the exception of Mr. Carter. On December 13, 2007, the Merrimac Board amended the Severance Plan to provide that any determinations to be made by the Compensation Committee pursuant to the Severance Plan will instead be made by the Merrimac Board on the recommendation of the Compensation Committee. The Severance Plan provides, among other things, that if an executive is terminated by the Company without cause and other than on account of the executive s death or disability, or if the executive resigns for good reason (as such terms are defined in the Severance Plan) within 12 months following a change in control (as defined therein), the Company, or a successor of the Company, is obligated to pay to the executive one or two times (as recommended by the Compensation Committee and approved by the Merrimac Board) his annual base salary (as defined in the Severance Plan) and to continue to provide health insurance benefits for 24 months (to the extent not covered by any new employer). However, to the extent that any payments made under the Severance Plan would otherwise be subject to the excise tax imposed under the Golden Parachute Payment provisions of Section 4999 of the Code, the Company will reduce the amount of such payments by the minimum amount necessary to avoid being subject to such excise tax.

For purposes of the Severance Plan, an executive s annual base salary is the executive s regular basic annual compensation prior to any reduction under a salary reduction agreement pursuant to Section 401(k) or Section 125 of the Code, and will not include (without limitation) cost of living allowances, fees, retainers, reimbursements, bonuses, incentive awards, prizes or similar payments. The executive has a disability for purposes of the Severance Plan if, as result of physical or mental illness or injury, the executive is unable to perform the essential duties of his or her position for a period of 90 consecutive days or for a period of 120 non-consecutive days in any 12-month period, or poses a direct threat to the safety and health of the executive or others and there is no reasonable accommodation that the Company can make that would allow the executive to perform the essential functions of the executive s position as determined by applicable law.

All payments under the Severance Plan will be payable at such times as recommended by the Compensation Committee and approved by the Merrimac Board provided that all such payments are made prior to the later of (1) March 15 of the calendar year following the year in which the termination occurs and (2) two and one-half months after the end of the Company s year end in which such termination occurred. All payments will be made so as to comply with Section 409A of the Code. In connection with any payment under the Severance Plan, the Compensation Committee may recommend and the Merrimac Board may require that the executive enter into non-competition/non-solicitation and confidentiality agreements as it deems appropriate. If an executive has entered into an agreement with the Company, which agreement covers the subject matter of the Severance Plan, such agreement will govern so that the executive will not be entitled to payments under both the agreement and the Severance Plan.

For purposes of the Severance Plan, change in control shall mean and be deemed to have occurred if: (i) the Company has merged or consolidated with, or, in any transaction or series of transactions, all or substantially all of the Company s business or assets shall be sold or otherwise acquired by, another corporation or entity and, as a result thereof, the Company s stockholders immediately prior thereto shall not have at least 50% or more of the combined voting power of the surviving, resulting or transferee corporation or entity, (ii) any person (as that term is used in Sections 13(d) and 14(d) of the Exchange Act) who is not an affiliate of the Company or a 5% or more holder, in each case as of January 1, 2006, is or becomes the beneficial owner (as that term is used in Section 13(d) of the Exchange Act) of the Shares entitled to cast more than 25% of the votes at the time entitled to be cast generally for the election of directors, or (iii) more than 50% of the members of the Merrimac Board shall not be continuing directors. Under the Severance Plan, continuing directors are our directors (i) who were members of the Merrimac Board on January 1,

2006, or (ii) who subsequently became our directors and who were elected or designated to be candidates for election as nominees of the Merrimac Board, or whose election or nomination for election by the Company s stockholders was otherwise approved, by a vote of a majority of the continuing directors then on the Merrimac Board.

Under the Severance Plan, cause means the executive s (1) willful failure to perform his or her normal and customary duties for an extended period of time for any reason, other than disability, (ii) gross negligence or willful misconduct, including but not limited to fraud, embezzlement or intentional misrepresentation, (iii) commission of, or indictment or conviction for, a felony, (iv) misappropriation of a material opportunity of the Company, (v) willfully engaging in competitive activities against the Company or purposely aiding a competitor of the Company, or (vi) violation of any fiduciary duty owed to the Company or any subsidiaries or any material provision of any agreement the executive has with the Company or any subsidiary and, in each case, the executive has failed to cure the violation (if curable as determined by the Company) within ten days after receipt of written notice from the Company of such violation or, if reasonable under the circumstances, such additional period of time during which the executive is using his best efforts to so cure, not to exceed 30 days in the aggregate.

In addition, the Severance Plan defines good reason to mean the occurrence (without the executive s prior express written consent) of any one of the following acts, or failures to act: (i) a material diminution of the duties and responsibilities of the executive, (ii) a substantial reduction in compensation or benefits of the executive, (iii) any failure by the Company to comply with any of the provisions of the Severance Plan, other than an isolated, insubstantial and inadvertent failure not occurring in bad faith and which is remedied by Company promptly after receipt of notice thereof given by the executive, (iv) any purported termination of the executive s employment which is not pursuant to a notice of termination under the Severance Plan (citing specific provisions of the Severance Plan relied upon in the termination and detain the facts and circumstances claimed to provide a basis thereof), or (v) the relocation of our principal executive offices where the executive works at a location more than 25 miles from its location on the date of the adoption of the Severance Plan or the Company requiring the executive to be based anywhere other than the Company s principal executive offices.

The Merrimac Board may amend or terminate the Severance Plan in whole or in part at any time upon notice to all of the participating executives; provided, however, that, subsequent to a change in control or during the period of 180 days prior to a change in control, no such amendment which could adversely affect the rights of any executive nor any termination shall become effective until the expiration of one year following the change in control.

The summary of the Severance Plan contained herein is qualified by reference to the Severance Plan, which is filed as Exhibit (e)(4) to the Schedule 14D-9 and the amendment thereto is filed as Exhibit (e)(5) to the Schedule 14D-9, each of which is incorporated herein by reference.

Director Compensation Table

Each director who is not an employee of ours receives a monthly director s fee of $1,500, plus an additional $500 for each meeting of the Board and of any Committees of the Board attended. In addition, the Chair of the Audit Committee receives an annual fee of $2,500 for his services in such capacity. The directors are also reimbursed for reasonable travel expenses incurred in attending Board and Committee meetings.

In addition, pursuant to the 2006 Stock Option Plan, each non-employee director is granted an option to purchase 2,500 shares of the Common Stock of the Company on the date of each Annual Meeting of Stockholders. Such options have a three-year vesting period. Each such grant has an exercise price equal to the fair market value on the date of such grant and will expire on the tenth anniversary of the date of the grant. On June 24, 2009, non-qualified stock options to purchase an aggregate of 17,500 shares were issued to seven directors at an exercise price of $7.82 per share. Also on June 24, 2009, pursuant to the 2006 Non-Employee Directors Stock Plan, six directors each received a grant of 1,500 shares of restricted stock at a fair market value of $7.82 per share. One third of such restricted stock vests on the anniversary of the grant date over a three-year period.
