See item 9 on Page 2

- (b) Percent of class:

See item 11 on Page 2

See item 11 on Page 3

² Ownership is calculated on the basis of the currently exercisable portion of a warrant issued by Rio Vista Energy Partners L.P. (the Issuer) to TCW Energy Funds X Holdings, L.P. (Holdings). ING Life Insurance and Annuity Company (ING) holds a 6.81556% equity interest in Holdings.

TCW Asset Management Company (TAMCO) serves as discretionary investment manager to ING with regard to its investment in Holdings pursuant to the Investment Management and Custody Agreement between ING, TAMCO and Trust Company of the West, dated March 18, 2004. If the warrant were exercised, ING and TAMCO would have shared power to vote (or direct the vote) and dispose of (or direct the disposition of) common units of the Issuer. TAMCO has advised ING that the warrant provides that Holdings may, until a demand loan (Demand Loan) advanced by a member company of The TCW Group, Inc. business unit is repaid in full, purchase common units in the Issuer in an amount determined by dividing the outstanding principal amount then owed on the Demand Loan by an exercise price equal to the lower of: (A) \$13.33 per common unit and (B) 90% multiplied by the average of the closing prices for a common unit for the 20 trading days immediately preceding the date of Holdings election to exercise. In addition pursuant to the term of the warrant, Holdings has the right to exercise the warrant to effectively convert debt owed by the Issuer under a senior credit facility (Credit Facility), net of the Demand Loan, but including accrued interest and expenses on the remaining principal amount, into additional common units of the Issuer at a price equal to 90% of the 20-day average trading price of such common units preceding the election to convert. TAMCO has advised ING that, as of February 28, 2009 Holdings and the Issuer agreed to certain modifications involving the Demand Loan and the Credit Facility. According to TAMCO, these modifications include, among other provisions, a limitation on Holdings right to exercise its warrant with respect to either the Demand Loan or the amounts due under the Credit Facility. In particular, Holdings has agreed that it will not (except as to the right to immediately exercise the warrant to acquire up to 400,000 common units) exercise any right to acquire common units under the terms of the warrant except upon prior written notice to the Issuer of not less than sixty-two days. Solely as a result of this modification (and not as the

result of any purchases or sales of common units or rights to common units), ING's indirect beneficial ownership interest (through Holdings) in the common units of the Issuer (as calculated pursuant to Rule 13d-3) has been reduced to 0.97%, as reported herein.
