PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 4, 2010

GENERAL

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors of Atlantic American Corporation (the "Company") for use at the 2010 Annual Meeting of Shareholders (the "Meeting") to be held at the time and place, and for the purposes, specified in the accompanying Notice of Annual Meeting of Shareholders, and at any postponements or adjournments thereof. When the enclosed proxy is properly executed and returned, or you vote your proxy through the Internet as provided for on the enclosed proxy card, the shares which it represents will be voted at the Meeting in accordance with the instructions thereon. In the absence of any such instructions, the shares represented thereby will be voted in favor of the election of all of the nominees for director listed under the caption "Election of Directors" and for the ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm for 2010. Management does not know of any other business to be brought before the Meeting not described herein, but it is intended that as to any such other business properly brought before the Meeting, a vote will be cast pursuant to any proxy granted in accordance with the judgment of the proxies appointed thereunder. This proxy statement and the accompanying form of proxy are first being given or sent to shareholders of the Company, and made available on the Internet, on or about April 1, 2010.

If you are a shareholder whose shares are held in "street name," (i.e., in the name of a broker, bank or other record holder), you must either direct the record holder of your shares how to vote your shares or obtain a proxy, executed in your favor, from the record holder to be able to vote at the Meeting.

We encourage shareholders who hold shares in street name to provide instructions to that record holder on how to vote your shares. Providing voting instructions ensures that your shares will be voted at the Meeting. If shares are held through a brokerage account, the brokerage firm, under certain circumstances, may vote the shares without instructions. On certain "routine" matters, such as the ratification of the appointment of auditors, brokerage firms have authority to vote their customers' shares if the customers do not provide voting instructions. When a brokerage firm votes its customers' shares on a routine matter without receiving voting instructions, these shares are counted both for establishing a quorum to conduct business at the meeting and in determining the number of shares voted for or against the routine matter. The proposal to ratify the appointment of BDO Seidman, LLP as our independent registered public accounting firm for the 2010 fiscal year is considered a routine matter.

On "non-routine" matters, if the brokerage firm has not received voting instructions from the shareholder, the brokerage firm cannot vote the shares on that proposal, which is considered a "broker non-vote." Broker non-votes will be counted for purposes of establishing a quorum to conduct business at the Meeting but not for determining the number of shares voted for or against the non-routine matter. The proposal relating to the election of the directors is considered a non-routine matter.

Any shareholder who executes and delivers a proxy, or votes a proxy through the Internet, may revoke it at any time prior to its use by: (i) giving written notice of such revocation to the Acting Secretary of the Company at 4370 Peachtree Road, N.E., Atlanta, Georgia 30319-3000; (ii) executing and delivering a proxy bearing a later date to the Acting Secretary of the Company at 4370 Peachtree Road, N.E., Atlanta, Georgia 30319-3000; (iii) voting, or re-voting, as the case may be, a proxy over the Internet at a later date; or (iv) attending the Meeting and voting in person.

Only holders of record of issued and outstanding shares of \$1.00 par value per share common stock of the Company ("Common Stock") as of March 15, 2010 (the "Record Date") will be entitled to notice of, and to vote at, the Meeting. On the Record Date, there were 22,288,710 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote for up to ten (10) nominees for director, and one vote on each other matter to be acted upon.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON MAY 4, 2010.

The proxy statement is available at www.atlam.com.

ANNUAL REPORT

A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2009 is being provided with this proxy statement.

EXPENSES OF SOLICITATION

The costs of soliciting proxies will be borne by the Company. Officers, directors and employees of the Company may solicit proxies by telephone, personal interview or otherwise, but will not receive any additional compensation for so doing. No contract or arrangement exists for engaging specially-paid employees or solicitors in connection with the solicitation of proxies for the Meeting. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries holding shares for a beneficial owner to send proxies and proxy materials to their principals, and the Company will reimburse them for their expenses in so doing.

VOTE REQUIRED

A majority of the outstanding shares of Common Stock must be present in person or by proxy at the Meeting in order to have the quorum necessary to transact business. Abstentions and broker non-votes will be counted as present in determining whether the quorum requirement is satisfied. A non-vote occurs when a broker, bank or other record holder holding shares for a beneficial owner votes on one proposal pursuant to discretionary authority or instructions from the beneficial owner, but does not vote on another proposal because the nominee has not received instruction from the beneficial owner and does not have discretionary authority to vote with respect to such other proposal.

Directors are elected by the affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and actually voting at the Meeting. In order for shareholders to approve each other matter to be voted on at the Meeting, the votes cast favoring the proposal must exceed the votes cast opposing the proposal. Abstentions and non-votes will not count as votes for or against any director or proposal, as the case may be, as to which there is an abstention or non-vote.

1. ELECTION OF DIRECTORS

One of the purposes of the Meeting is to elect ten directors to serve until the next annual meeting of shareholders and until their successors have been elected and qualified, or until their earlier resignation or removal. In the event any of the nominees should be unavailable to serve as a director, which contingency is not presently anticipated, proxies may be voted for the election of such other persons as may be designated by the present Board of Directors, or the Board of Directors may reduce the number of Director nominees.

All of the nominees for election to the Board of Directors are currently Directors of the Company. There are no arrangements or understandings between any nominee and any other person pursuant to which such nominee was selected as a nominee or is to be elected as a Director.

The following sets forth certain information with respect to the ten nominees for Director to be elected at the Meeting:

Board Leadership Structure and Risk Oversight

The Company is a controlled company and has historically experienced limited turnover in its senior management and directors. The Company has generally operated using a board leadership structure, under which our President and Chief Executive Officer (CEO) also serves as the Chairman of the Board of Directors. We believe that the Company, like many U.S. companies, is well-served by this leadership structure. Having one person serve as both CEO and Chairman of the Board demonstrates for our employees, agents, suppliers, customers and other shareholders that our Company is under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations. Having a single leader for both the Company and the Board of Directors eliminates the potential for confusion or duplication of efforts, and provides clear direction and leadership for our Company. We believe that having one person serve as CEO and Chairman of the Board is best for our Company and our shareholders at this time.

The Board has not formally designated a lead independent director and believes that as a result thereof, executive sessions of the Board, which are attended solely by independent directors, result in an open and free flow of discussion of any and all matters that any director may believe relevant to the Company and/or its management.

The Company believes that its leadership structure appropriately allows all directors to provide effective oversight of its risk management function. While the Board maintains oversight responsibility for the management of the Company's risks, it has delegated oversight responsibility for certain areas of potential exposure to its committees. The Audit Committee oversees the accounting and financial reporting processes of the Company, as well as legal and compliance matters and risk management. The Audit Committee charter provides that the Audit Committee is responsible for overseeing the internal controls of the Company along with its adherence with compliance and regulatory requirements. On at least a quarterly basis, the Company's Director of Internal Audit provides a comprehensive report to the Audit Committee regarding the Company's key risks, including operational, financial and other risks. While the Audit Committee has primary responsibility for overseeing risk management, our entire Board of Directors is actively involved in overseeing this function for the Company. The full Board also engages in periodic discussion with the CEO, Chief Financial Officer (CFO), executive management of each of the Company's operating subsidiaries and other corporate officers as the Board may deem appropriate or desirable. In addition to the roles performed by the Audit Committee, the Stock Option and Compensation Committee considers, evaluates and oversees the risks that may arise through our compensation programs and engages directly with all Board members, as and if necessary.

The Company believes that its leadership structure promotes effective Board oversight of risk management because the Board directly, and through its various committees, is regularly provided by management with the information necessary to appropriately monitor, evaluate and assess the Company's overall risk management.

Committees of The Board of Directors

As a result of the level of beneficial ownership of our Common Stock by J. Mack Robinson, one of our director nominees and currently Chairman Emeritus, and his affiliates, the Company meets the definition of a controlled

company as defined pursuant to Rule 5615(c)(1) of NASDAQ Rules. Accordingly, the Company is exempt from certain requirements of the NASDAQ Rules, including the requirement that a majority of its Board of Directors be independent, as defined in such rules, the requirement that director nominees be selected, or recommended for the board's selection, by either a majority of the independent directors or a nominating committee comprised solely of independent directors, and certain requirements relating to the determination of executive officer compensation. Notwithstanding this, however, the Board of Directors has determined that the following individuals are independent pursuant to the NASDAQ Rules for purposes of serving as a member of the Board of Directors: Edward E. Elson, Harold K. Fischer, D. Raymond Riddle and Dom H. Wyant.

The Board of Directors of the Company has three standing committees: the Executive Committee, the Stock Option and Compensation Committee and the Audit Committee.

The Executive Committee is composed of Messrs. Robinson, Howell and Hudgins, and Dr. Whaley. The Executive Committee's function is to act in the place and stead of the Board of Directors to the extent permitted by law on matters which require Board action between meetings of the Board of Directors. The Executive Committee of the Company did not meet or act by written consent during 2009.

The Stock Option and Compensation Committee is composed of Messrs. Elson, Riddle and Dr. Whaley, Chairman, each of whom, with the exception of Dr. Whaley, is independent pursuant to the NASDAQ Rules. The Stock Option and Compensation Committee's function is to establish the number of stock options to be granted to officers and key employees and the annual salaries and bonus amounts payable to officers of the Company. The Stock Option and Compensation Committee met one time during 2009. Due to its status as a controlled company, and the related historically low turnover among Board and Committee members, as well as among the Company's executive officers, the Board has not foreseen a need to adopt a charter to govern the Stock Option and Compensation Committee's functions.

The Audit Committee is composed of Messrs. Elson, Riddle and Wyant. Certain information regarding the functions performed by the Audit Committee and its membership during 2009 is set forth in the following Report of the Audit Committee. The Board of Directors has determined that all of the members of the Audit Committee are independent for purposes of being an Audit Committee member, and financially literate, as such terms are defined in the NASDAQ Rules and the rules of the Securities and Exchange Commission. In addition, the Board of Directors has determined that two of the members of the Audit Committee, Messrs. Elson and Riddle, each is an audit committee financial expert as defined by the Securities and Exchange Commission in Item 407(d) of Regulation S-K. In making such determination, the Board took into consideration, among other things, the express provision in Item 407(d) of Regulation S-K that the determination that a person is an audit committee financial expert shall not impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Audit Committee, nor shall it affect the duties and obligations of other Audit Committee members or the Board of Directors. The Audit Committee has a written charter which sets out its authority and responsibilities, a copy of which is available on the Company's website, www.atlam.com. The Audit Committee met or acted by written consent four times during 2009.

Due to its status as a controlled company, and the related historically small turnover of its members, the Board has not foreseen the need to establish a separate nominating committee or adopt a charter to govern the nomination process. The Board of Directors has generally addressed the need to retain members and fill vacancies after discussion among current members, or the members of the Executive Committee, if necessary in lieu of the full Board, and the Company's management. The Board of Directors does not have any specific qualifications that are required to be met by director candidates and does not have a formal process for identifying and evaluating director candidates. Additionally, the Board of Directors does not have a formal policy with respect to the consideration of any director candidates recommended by shareholders and has determined that it is appropriate not to have such a formal policy at this time. The Board of Directors, however, will give due consideration to director candidates recommended by shareholders. Any shareholder that wishes to nominate a director candidate should submit complete information as to the identity and qualifications of the director candidate to the Board of Directors at the address and in the manner set forth below for communication with the Board.

Executive sessions of the independent members of the Board of Directors are held as needed and determined by those Directors at the conclusion of each of their regular meetings; but no less than annually at the first regular Board meeting in each calendar year.

The Board of Directors met or acted by written consent four times in 2009. Each of the Directors named above attended at least 75% of the meetings of the Board and its committees of which he or she was a member during 2009. The Company does not have a formal policy regarding Director attendance at its annual meetings, but attendance by the Directors is encouraged and expected. At the Company's 2009 annual meeting of shareholders, eight of the Company's directors were in attendance.

Shareholders may communicate with members of the Board of Directors by mail addressed to the full Board of Directors, a specific member of the Board of Directors or a particular committee of the Board of Directors, at Atlantic American Corporation, 4370 Peachtree Road, N.E., Atlanta, Georgia 30319.

Report of the Audit Committee

The Audit Committee (the Committee) oversees the Company's (i) financial reports and other financial information; (ii) systems of internal controls regarding finance, accounting, legal compliance and ethics; and (iii) auditing, accounting and financial reporting processes. The Company's management has the primary responsibility for the financial statements and the reporting processes, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed with management the audited financial statements of the Company as of and for the year ended December 31, 2009, including a discussion of the accounting principles, the reasonableness of significant accounting judgments and estimates, and the clarity of disclosures in the financial statements.

The Company's independent registered public accounting firm is responsible for performing an audit of the Company's financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion thereon. During 2009, the Committee reviewed with the independent auditors for the 2009 fiscal year their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States, including the items set out in Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, promulgated by the Auditing Standards Board of the American Institute of Certified Public Accountants and rule 2-07 of Regulation S-X. In addition, the Committee has discussed with the Company's independent auditors for the 2009 fiscal year the auditors' independence from management and the Company, including the matters in the written disclosures received as required by Independence Standards Board Standard No.1, and considered the compatibility of nonaudit services provided to the Company by BDO Seidman, LLP, with the maintenance of the auditors' independence.

The Committee discussed with the Company's independent auditors for the 2009 fiscal year the overall scope and plans for the 2009 audit. The Committee met with such independent auditors, with and without management present, to discuss, among other things, the results of their audit, their considerations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing its functions, the Committee acts only in an oversight capacity. In its oversight role, the Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the Company's annual financial statements as to their conformity with generally accepted accounting principles.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the Securities and Exchange Commission.

2. RATIFICATION OF THE APPOINTMENT OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee is required by law and applicable NASDAQ Rules to be directly responsible for the appointment, compensation and retention of the Company's independent registered public accounting firm. The Audit Committee has appointed BDO Seidman, LLP ("BDO") as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010. While shareholder ratification of the selection of BDO as the Company's independent registered public accounting firm is not required by the Company's By-laws or otherwise, the Board of Directors is submitting the selection of BDO to the shareholders for ratification. If the shareholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

A representative from BDO is expected to be present at the Meeting and will have the opportunity to make any statement if such representative desires to do so, and, if present, will be available to respond to appropriate questions. Amounts paid to the Company's principal accountant by category were as follows:

Audit Fees

The Company has paid or expects to pay BDO approximately \$320,000, in the aggregate, for professional services it rendered for the audit of the Company's consolidated financial statements and audits of subsidiary company statutory reports for the fiscal year ended December 31, 2009 and the reviews of the interim financial statements included in our Quarterly Reports on Form 10-Q filed during the fiscal year ended December 31, 2009. The Company also paid \$38,000 to BDO during the fiscal year ended December 31, 2009 for professional services related to its audit of the Company's internal control over financial reporting, prior to the most recent extension, at which time the Company requested BDO to cease such related audit. The Company paid BDO \$321,500, in the aggregate, for professional services it rendered for the audit of the Company's consolidated financial statements and audits of subsidiary company statutory reports for the fiscal year ended December 31, 2008 and the reviews of the interim financial statements included in the Company's quarterly reports on Form 10-Q filed during the fiscal year ended December 31, 2008.

Audit Related Fees

During the fiscal year ended December 31, 2009, the Company engaged BDO to audit the December 31, 2008 financial statements of The Atlantic American 401(k) Retirement Plan (the "Plan"). Audit-related fees paid to BDO for the Plan audit were \$27,000. The Company also paid BDO \$2,855 and \$9,100 for the fiscal years ended December 31, 2009 and 2008, respectively, for professional services it rendered in connection with the reviews of their work papers by regulatory and other auditors in 2009 and a review of the SEC's comment letters and the Company's related responses during 2008.

Tax Fees

There were no tax fees paid to the Company's principal accountant in either 2009 or 2008.

All Other Fees

BDO did not provide any other category of products or services to the Company during the fiscal years ended December 31, 2009 or 2008 and, accordingly, no other fees were paid thereto in either 2009 or 2008.

The Audit Committee considers whether the provision of non-audit services by the Company's independent registered public accounting firm is compatible with maintaining auditor independence. All audit and non-audit services to be performed by the Company's independent registered public accounting firm must be, and for 2009 and 2008 were, approved in advance by the Audit Committee. Pursuant to the Audit Committee's Audit and Non-Audit Services Pre-Approval Policy (the "Policy") and as permitted by Securities and Exchange Commission rules, the Audit Committee may delegate pre-approval authority to any of its members, provided that any service approved in this manner is reported to the full Audit Committee at its next meeting.

The Policy provides for a general pre-approval of certain specifically enumerated services that are to be provided within specified fee levels. With respect to requests to provide specifically enumerated services not specifically pre-approved pursuant to such general grant, such requests must be submitted to the Audit Committee by both the

independent registered public accounting firm and the Chief Financial Officer, and must include a joint statement as to whether, in their view, the request is consistent with Securities and Exchange Commission rules on auditor independence. Such requests must also be specific as to the nature of the proposed service, the proposed fee and any other details the Audit Committee may request.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Under various leases, the most recent one dated November 1, 2007 and amended March 31, 2008, the Company leases space for its principal offices, as well as the principal offices of certain of its subsidiaries, in an office building located at 4370 Peachtree Road, N.E., Atlanta, Georgia, from Delta Life Insurance Company, a corporation of which Mr. Robinson, the Company's Chairman Emeritus, owns 54% of the stock, with the remainder being owned by Mrs. Robinson directly and as trustee for her children. Under the terms of the lease, the Company occupies approximately 49,586 square feet of office space as well as covered parking garage facilities at an annual rent of approximately \$0.5 million, plus a pro rata share of all real estate taxes, general maintenance and service expenses and insurance costs with respect to the office building and other facilities. The terms of the lease are believed by management of the Company to be comparable to terms that could be obtained by the Company from unrelated parties for comparable rental property. In 2009 and 2008, the Company paid \$0.8 million and \$0.9 million, respectively, to Delta Life Insurance Company under the terms of these leases.

Effective December 31, 1995, an aggregate of \$13.4 million in principal of demand notes previously issued by the Company were canceled in exchange for the issuance by the Company of an aggregate of 134,000 shares of a new series of preferred stock (the "Series B Preferred Stock"), which had a stated value of \$100 per share and accrued dividends at 9% per year. All shares of Series B Preferred Stock were owned directly or indirectly by affiliates of Mr. Robinson, Mrs. Robinson or Mr. Howell. On October 28, 2008, the Company redeemed all of the issued and outstanding shares of Series B Preferred Stock at the stated value of \$100 per share, for an aggregate payment of \$13.4 million. In connection therewith, the Company also paid approximately \$1.7 million in dividends to the holders of the Series B Preferred Stock in satisfaction of a portion of the accrued but unpaid dividends on the Series B Preferred Stock through the date of redemption. The holders of the Series B Preferred Stock agreed to discharge the Company from any obligation to pay the remaining \$13.8 million of accrued but unpaid dividends on the Series B Preferred Stock and to release the Company from any further obligations thereunder.

Effective September 30, 2006, the Company issued and sold 70,000 shares of its Series D preferred stock, par value \$1.00 per share (the "Series D Preferred Stock") to an affiliate of Mr. and Mrs. Robinson. Effective September 30, 2008, that affiliate transferred all of its Series D Preferred Stock to Delta Life Insurance Company, a corporation controlled by the Robinsons. The outstanding shares of Series D Preferred Stock have a stated value of \$100 per share; accrue annual dividends at a rate of \$7.25 per share (payable in cash or shares of the Company's common stock at the option of the board of directors of the Company) and are cumulative; in certain circumstances may be convertible into an aggregate of approximately 1,754,000 shares of Common Stock, subject to certain adjustments and provided that such adjustments do not result in the Company issuing more than approximately 2,703,000 shares of common stock without obtaining prior shareholder approval; and are redeemable solely at the Company's option. The Series D Preferred Stock is not currently convertible. During 2009, the Company paid \$0.5 million in Series D Preferred Stock dividends. During 2008, the Company issued 417,107 shares of Common Stock in lieu of Series D Preferred Stock dividend payments valued at approximately \$0.5 million. As of December 31, 2009, the Company had accrued but unpaid dividends on the Series D Preferred Stock of \$22,556.

In accordance with the terms of the Stock Purchase Agreement dated December 26, 2007 relating to the sale by the Company of Georgia Casualty and Association Casualty, both wholly owned subsidiaries of the Company, to Columbia Mutual Insurance Company, certain investments held by Georgia Casualty and Association Casualty were required to be disposed of prior to the completion of such sale. On March 11, 2008, the Company acquired 166,354 shares of Gray Television, Inc. ("Gray") Class A common stock, 56,000 shares of Gray common stock, 11,177 shares of Triple Crown Media, Inc. ("Triple Crown") common stock, and 1,180 shares of Triple Crown Series A preferred stock held by such subsidiaries for an aggregate purchase price of approximately \$2.0 million. Each of Mr. Robinson, Mr. Howell and Mrs. Robinson are directors of Gray.

Management of the Company knows of no matters other than those stated above which are to be brought before the Meeting. However, if any such other matters should be presented for consideration and voting, it is the intention of the persons named in the proxies to vote thereon in accordance with their best judgment.

SHAREHOLDER PROPOSALS

Shareholder proposals to be presented at the next annual meeting of shareholders must be received by the Company no later than December 3, 2010, in order to be considered for inclusion in the proxy statement for the 2011 annual meeting of shareholders. Any such proposal should be addressed to the Company's President and mailed to 4370 Peachtree Road, N.E., Atlanta, Georgia 30319-3000. A shareholder not seeking to have his proposal included in the Company's proxy statement, but seeking to have the proposal considered at the Company's 2011 annual meeting of shareholders, should notify the Company in the manner set forth above of his proposal no later than February 16, 2011.
