2. Regarding nonresident shareholders, if you wish to exercise your voting rights, please instruct your custodians, nominees or brokers accordingly in advance of the date of the Ordinary General Meeting of Shareholders.

**NOTICE OF CONVOCATION OF THE  
ONE HUNDRED AND FORTY-FIRST (141ST)  
ORDINARY GENERAL MEETING OF SHAREHOLDERS  
OF KOMATSU LTD.**

Securities Code: 6301

June 1, 2010

Dear Shareholders:

Please be advised that the 141st Ordinary General Meeting of Shareholders of Komatsu Ltd. (hereinafter the Company ) will be held in accordance with the particulars indicated in the attachment hereto. Your attendance at the meeting is cordially requested.

**If you are unable to attend the above Meeting in person, it would be very appreciated if you could Exercise voting rights by conventional postal delivery or Exercise voting rights via the Internet. Please check the Reference Materials for the General Meeting of Shareholders (pages 55 to 67) and exercise your voting rights by 5:45 p.m. on Tuesday, June 22, 2010 (Japan Time).**

(Exercising voting rights by conventional postal delivery)

Please indicate for or against for each agenda item shown on the enclosed Card for Exercising Voting Rights, and return it via the conventional postal delivery system. The mail must be delivered to the Company by the above time for exercising voting rights.

(Exercising voting rights via the Internet)

Please carefully access the website (<http://www.evotep.jp/>) designated by the Company, follow the directions on the screen, and indicate for or against for each agenda item. Voting must be performed by the above time for exercising voting rights.

Institutional investors can utilize the electronic platform for exercising voting rights, which is operated by ICJ, Inc. (hereinafter ICJ ).

Sincerely,

Kunio Noji  
President and Representative Director  
Komatsu Ltd.  
3-6, Akasaka 2-chome, Minato-ku, Tokyo

In an effort to enhance the convenience of institutional investors, the Company participates in the electronic voting platform operated by ICJ via ProxyEdge system of Broadridge. For details on the platform, please contact your custodians, nominees or brokers. Voting via Internet other than ICJ platform is only available for registered shareholders in Japan with Japanese language only.

**Details**

**1. Date and Time:** Wednesday, June 23, 2010 at 10:00 a.m. (Japan Time)

**2. Place:** West Hall 1, West Exhibition Hall, Tokyo Big Sight  
11-1, Ariake 3-chome, Koto-ku, Tokyo

**Table of Contents**

**3. Purpose:**

**Items to Be Reported**

- (1) The Business Report and the Consolidated Statutory Report for the 141st fiscal year (April 1, 2009 March 31, 2010), as well as the Accounting Auditors Report and Board of Corporate Auditors Report on the Result of the Audited Consolidated Statutory Report.
- (2) The Non-Consolidated Statutory Report for the 141st fiscal year (April 1, 2009 March 31, 2010).

**Items to Be Resolved**

- Item 1:** Appropriation of Surplus
- Item 2:** Election of Ten (10) Directors
- Item 3:** Election of One (1) Corporate Auditor
- Item 4:** Payment of Bonuses for Directors
- Item 5:** Establishment of the Amount and Features of Remuneration for Directors of the Company in the Form of Stock Acquisition Rights to be Granted as Stock-Based Remuneration
- Item 6:** Giving the Board of Directors the Authority to Issue Stock Acquisition Rights as Stock-Based Remuneration to Employees of the Company and Directors of Major Subsidiaries of the Company

**4. Matters Related to the Exercise of Voting Rights**

- (1) Handling of duplicated voting

If you exercise your voting rights twice, both by mail and via the Internet, the voting via the Internet shall prevail regardless of the arrival date of the mailed vote. In the case of multiple voting via the Internet, the last voting shall prevail.

- (2) Split exercise of voting rights

If you split your exercise of voting rights, you are required to notify the Company the details and the reasons for this in writing.

Notes:

1. In the event that you attend in person, please submit the enclosed Card for Exercising Voting Rights at the reception.
2. Please note that any changes in the matters described in Reference Materials for the General Meeting of Shareholders, Business Report, Non-Consolidated Statutory Report, and Consolidated Statutory Report will be posted on our website on the Internet (<http://www.komatsu.co.jp/>).

*Information in English will be posted on our English website (<http://www.komatsu.com>).*

3. This document, entitled Notice of Convocation of the 141st Ordinary General Meeting of Shareholders of Komatsu Ltd. is also available on our website (<http://www.komatsu.co.jp/>).

*Information in English will be posted on our English website (<http://www.komatsu.com>).*

4. After the General Meeting of Shareholders, we are planning to hold an event New Technology and CSR\* Exhibition , so that please feel free to stop by if you have time.

## ATTACHED DOCUMENTS

**Business Report**

(April 1, 2009 - March 31, 2010)

**1. Current Conditions of the Komatsu****(1) Outline of Operations and Business Results**

During the fiscal year ended March 31, 2010, some economies of the world generated signs of recovery, reflecting positive effects of the economic stimulus packages of their respective governments. In particular, leading other economies, the Chinese economy upturned for full-momentum growth in the first half, supported by the government's massive economic stimulus measures. The positive effects of the Chinese economic growth are reaching to surrounding Asian countries and those with natural resources, helping their economic recovery. However, the pace of economic recovery was dull in developed countries including Japan, North America and Europe, bringing about a challenging overall business environment.

Komatsu Ltd. and its subsidiaries (hereinafter "Komatsu") engaged in production adjustment around the world and achieved an appropriate level of inventories in the first half. Komatsu also reorganized production of businesses of both the Construction, Mining and Utility Equipment and the Industrial Machinery and Others, while realigning sales of construction equipment and forklift trucks in Japan. At the same time, Komatsu worked to substantially cut down fixed costs. To ensure sales and profits, Komatsu reinforced ICT\*-deployed businesses, such as the KOMTRAX (Komatsu Machine Tracking System), strengthened operations in China and mining equipment, in which business was expanding, and worked to strengthen the parts and service business. However, as affected by global demand, which did not come back to the level of the pre-financial meltdown and the Japanese yen's appreciation against major currencies, consolidated net sales for the fiscal year declined 29.2% from the previous fiscal year, to JPY 1,431.5 billion (USD 15,393 million, at USD 1.00=JPY 93.00). With respect to profits, operating income decreased 55.9% to JPY 67.0 billion (USD 721 million). Income before income taxes and equity in earnings of affiliated companies amounted to JPY 64.9 billion (USD 699 million), down 49.5%. Net income attributable to Komatsu Ltd. declined 57.4% to JPY 33.5 billion (USD 361 million). These results were all lower than those of the previous fiscal year.

Information and  
Communication  
Technology

## Consolidated Results for the Fiscal Year

	141st Fiscal Year (April 2009-March 2010)	Changes (141st/140th)
Net sales	JPY 1,431.5 billion	-29.2%
Operating income	JPY 67.0 billion	-55.9%
Income before income taxes and equity in earnings of affiliated companies	JPY 64.9 billion	-49.5%
Net income attributable to Komatsu Ltd.	JPY 33.5 billion	-57.4%

Notes:

1. The Consolidated Statutory Report of the Company is prepared in accordance with

Article 3,  
paragraph 1 of  
the  
Supplementary  
Provisions of  
the Corporate  
Accounting  
Regulations  
(Ordinance of  
the Ministry of  
Justice No. 46  
of 2009) and the  
method of  
preparation  
conforms to the  
accounting  
principles  
generally  
accepted in the  
United States in  
terms of  
terminology and  
format  
(hereinafter U.S.  
GAAP ).

2. Net income attributable to Komatsu Ltd. is equivalent to Net income for the fiscal year ended March 31, 2009 and preceding fiscal years.

**Table of Contents**

Business results by operations are described below.

## Consolidated Sales by Operation

Segment	141st Fiscal Year		Changes (141st/140th)
		1,268.5	
Construction, Mining and Utility Equipment	JPY	billion	-27.3%
		162.9	
Industrial Machinery and Others	JPY	billion	-41.2%
		1,431.5	
Total	JPY	billion	-29.2%

## 1) Construction, Mining and Utility Equipment

In addition to China, with full-scale recovery in demand, in some emerging economies, such as Indonesia, India and Brazil, demand headed for recovery. Meanwhile, demand remained slack in Japan, North America, Europe and other regions, reducing global demand to a level lower than that in the previous fiscal year. While global demand dropped, Komatsu reduced production in order to attain an appropriate level of inventories, including those of distributors and the Japanese yen appreciated against major currencies. Adversely affected by these factors, consolidated net sales of construction, mining and utility equipment declined 27.3% from the previous fiscal year, to JPY 1,268.5 billion (USD 13,641 million).

In response to growing concerns over global warming and the need to reduce CO<sub>2</sub> emissions around the world, Komatsu launched hybrid hydraulic excavators in China during the fiscal year under review, following their launching in Japan two years ago, in order to reduce CO<sub>2</sub> emissions from Komatsu equipment being used by customers. Hybrid models are expected to cut down fuel consumption substantially. In Indonesia, Komatsu embarked on a new joint project with a mining equipment customer and a Komatsu distributor. This project calls for the production of biodiesel fuel from Jatropha\* and other feedstock plants grown on the customer's reclamation areas and the use of biodiesel fuel to power Komatsu dump trucks at the customer's mine.

\* Jatropha is considered to be one of the ideal feedstock plants that produces oil from its inedible seeds and grows even on dry and less fertile soil.

## &lt;Japan&gt;

While public-sector investment was firm, as supported by the effects of a supplementary budget, private-sector capital investment and residential investment remained slack. As a result, overall demand sharply receded from the previous fiscal year, and sales also declined from the previous fiscal year.

During the fiscal year under review, Komatsu concerted efforts to further enhance the efficiency of production and sales operations by closing down its Mooka Plant in Tochigi and transferring production to Ibaraki and other plants and by restructuring its distributors. Meanwhile, by anticipating future market growth for hybrid hydraulic excavators in Japan and overseas, Komatsu expanded the production capacity for electric motors and other key components for hybrid hydraulic excavators at its Shonan Plant in Kanagawa.

## &lt;Americas&gt;

In North America, the operating rate of construction equipment showed signs of bottoming out, but fell short of increasing market demand against the backdrop of uncertainty over prolonged economic recovery. As a result, the business environment remained challenging. In Latin America, market demand upturned for recovery in Brazil and

some other countries from being affected by market deterioration caused by the financial meltdown. However, overall demand in the Americas declined from the previous fiscal year. Sales in the Americas decreased from the previous fiscal year, reflecting Komatsu's proactive efforts to reduce distributors' inventory to an appropriate level, in addition to the sluggish market conditions. In these conditions, Komatsu promoted the reorganization of its production and sales operations in North America, while reinforcing its sales and service operations in Latin America by establishing a new subsidiary in Chile and opening a service support center in Mexico.

**Table of Contents**

<Europe & CIS>

A sharp drop in demand continued during the fiscal year under review, against the backdrop of sluggish economies in Europe and CIS. Komatsu doubled sales promotion and other efforts toward large-scale customers in collaboration with its distributors in Europe, while reinforcing its product support capability for mines in CIS. However, sales declined from the previous fiscal year, reflecting its focused efforts to reduce distributors' inventory to an appropriate level and to narrow down the models of local production in Europe while demand plunged in both regions.

<China>

The Chinese government's economic stimulus measures advanced large-scale infrastructure developments, such as railways and highways and upturned year-on-year monthly demand in June last year and following months, renewing record highs by a big margin after the Chinese New Year in February this year. By capitalizing on this market recovery, Komatsu advanced sales from the previous fiscal year by strengthening production and teaming up with its distributors for aggressive sales efforts. As a result, sales in China increased to account for 19.3% of total sales of the construction, mining and utility equipment business. Furthermore, by anticipating further market expansion, Komatsu (Changzhou) Construction Machinery Corp. is relocating its head office and is building a new plant, while Komatsu (China) Ltd. is building the KC Techno Center. The latter is designed to reinforce its machine demonstration capability for customers and to train service engineers.

<Asia & Oceania>

In Indonesia and India, year-on-year monthly demand upturned for recovery in the second half of the fiscal year under review. Demand remained firm for mining-related equipment in Australia. Against this backdrop, while sales picked up quickly in Asia in and after the third quarter, sales in Asia & Oceania for the full fiscal year declined from the previous fiscal year. Komatsu worked to reinforce operations further by enhancing a global Reman capability in Indonesia and reorganizing its distributors in Thailand.

<Middle East & Africa>

Although commodity prices upturned for an increase from the drastic plunge in 2008, market demand failed short of recovery in the Middle East & Africa, as affected by recessionary economies. Affected also by efforts to reduce distributors' inventories, sales in both regions declined from the previous fiscal year. To prepare for future recovery of demand in new mines and infrastructure development, Komatsu worked to strengthen its product support capability. For example, it opened a new training center in Dakar, Senegal and a new product service support center in Tanzania.

2) Industrial Machinery and Others

As the automobile and many other industries continued the restraint of making capital investment, resulting in a sharp drop in new orders received, consolidated net sales of industrial machinery and others for the fiscal year under review declined 41.2% from the previous fiscal year, to JPY 162.9 billion (USD 1,753 million).

While the business environment remained challenging, Komatsu worked to reorganize production centering on the closure of the Komatsu Plant and production transfer to the Kanazawa Plant, in addition to continuing to cut down fixed costs. In order to further streamline the press business, develop new markets and expand business in China and other emerging economies, Komatsu embarked on the integration of development, as well as sales and service operations of the large press business, into Komatsu Industries Corporation. By anticipating growth of the solar cell market, Komatsu also worked to enhance the product competitiveness of wire saws made by Komatsu NTC Ltd. Komatsu also commenced sales of industrial machinery, such as small and medium-sized presses, equipped with the KOMTRAX as a standard feature. KOMTRAX is a Komatsu-original system that monitors operating conditions of construction equipment. It has been well received on the market.

**Table of Contents****[Performance of the Company on a Non-consolidated Basis]**

In the fiscal year under review, the Company has registered declines in both sales and income on a non-consolidated basis due largely to a drop in sales of construction and mining equipment and the Japanese yen's appreciation, as shown below.

	141st Fiscal Year	Changes (141st/140th)
	457.6	
Net sales	JPY billion	-41.8%
Ordinary loss	JPY 1.1 billion	
Net income	JPY 2.3 billion	-74.5%
Non-Consolidated Sales by Operation		
	141st Fiscal Year	Changes (141st/140th)
Segment	390.1	
Construction, Mining and Utility Equipment	JPY billion	-45.2%
Industrial Machinery and Others	JPY 67.5 billion	-10.7%
	457.6	
Total	JPY billion	-41.8%

**(2) Capital Investment**

Capital investment decreased by JPY 66.3 billion from the previous fiscal year, to JPY 96.1 billion (USD 1,034 million).

## 1) Breakdown by Segment

Segment	Invested Amounts
Construction, Mining and Utility Equipment	JPY 92.9 billion (USD 1,000 million)
Industrial Machinery and Others	JPY 3.2 billion (USD 35 million)
Total	JPY 96.1 billion (USD 1,034 million)

## 2) Main Facilities Completed in the Fiscal Year Under Review

No items to report.

## 3) New Constructions, Expansions and Overhauls of Main Facilities in Progress in the Fiscal Year Under Review

Segment	Main Facilities
Construction, Mining and Utility Equipment	Komatsu Manufacturing Rus, LLC: building a new plant Products: Medium-sized hydraulic excavators Location: Yaroslavl, Russia
	Komatsu (Changzhou) Construction Machinery Corp.: relocating (expanding) the plant Products: Hydraulic excavators, wheel loaders, dump trucks, etc. Location: Changzhou, Jiangsu, China
	Komatsu Castex Ltd.: Expanding manufacturing facilities for key components (iron castings) Products: Cylinder blocks, etc. Location: Himi City, Toyama, Japan

**Table of Contents****(3) Financing**

During the fiscal year under review, the Company issued its sixth unsecured bond worth JPY 10.0 billion and seventh unsecured bond worth JPY 30.0 billion to obtain long-term, stable funds. To appropriate funds to working capital and capital investment, the Company also issued commercial papers and made long-term borrowings. Despite an increase in capital demand from our retail finance business and other areas, production adjustments to attain an appropriate level of inventories resulted in a decrease by JPY 13.4 billion of the balance of interest-bearing debt at the fiscal year-end to JPY 586.3 billion (USD 6,305 million). Net debt-to-equity ratio\* improved 0.02 point to 0.60.

\* Net  
debt-to-equity  
ratio =  
(Interest-bearing  
debt Cash and  
cash equivalents  
Time deposits) /  
Komatsu Ltd.  
shareholders  
equity

**(4) Tasks Ahead**

To improve our profitability, strengthen our financial position, enhance our market position in Greater Asia and so forth, Komatsu worked on the Global Teamwork for 15 mid-range management plan for three years, from April 2007 to the end of March 2010. For the fiscal year ended March 31, 2008, we attained an operating income ratio of 14.8%, virtually achieving the goal of 15%, against the backdrop of good tailwind on the market in addition to our own efforts, such as the development of DANTOTSU products. We sustained a high ratio up through the first half of the following fiscal year.

In the wake of the financial crisis triggered in the United States in September 2008, world economies went into recession, reducing the volume of global demand for construction equipment to half the size of the peak period recorded in April through June, 2008. We also weathered a similarly drastic drop in demand in our other businesses.

In response to this change in our business environment, we quickly promoted structural reforms, such as the reorganization of production on a global scale and consolidation of sales operation, and cut down our inventories and fixed costs. As a result, we have sculpted our corporate structure into a leaner and stronger entity.

Today, market demand for construction and mining equipment has upturned for recovery in China and other emerging countries in Asia and Latin America. We anticipate that economic growth in these emerging countries will drive global demand upward. We are going to turn our rudder sharply for growth again as we capitalize on market recovery by taking advantage of our solid corporate strength built through previous structural reforms. To generate further growth through teamwork among all employees and with distributors and suppliers around the world, we looked ahead and started the new three-year mid-range management plan Global Teamwork for Tomorrow in April this year. In the new mid-range management plan, we have positioned China, Asia, Oceania, Latin America, Africa and some other emerging economies as Strategic Markets. Together with this move, we are going to work on the following activities of importance in order to further refine our accumulated strengths of ICT applications, development of key components, manufacturing technologies, global sales and service networks, and flexible procurement and production. We will generate positive outcomes. We are also continuing our efforts to anchor The KOMATSU Way by encouraging all employees of Komatsu to acquire it through their Kaizen (improvement) activities, while emphasizing the importance of Brand Management designed to build on relationships with customers and promote mutual business growth with them. We are going to materialize these two efforts in the form of human resource development needed for global business expansion.

**Table of Contents****Numerical Targets of the Global Teamwork for Tomorrow**

Items	Targets for Fiscal Year Ending March 31, 2013
Operating income ratio	15% or above
ROE: Return on equity*1	20%
Net debt-to-equity ratio*2	0.4 or below
Excluding debt of finance companies	0.2 or below
Consolidated payout ratio	20 - 40% (stably)

\*1 ROE=Net income attributable to Komatsu Ltd. for the fiscal year/[Komatsu Ltd. shareholders equity at the beginning + Komatsu Ltd. shareholders equity at the end of the fiscal year)/2]

\*2 Net debt-to-equity ratio = (Interest-bearing debt Cash and cash equivalents Time deposits) / Komatsu Ltd. shareholders equity  
[Premises]

Items	Fiscal Year Ending March 31, 2013		
	JPY 2,000.0 billion ± JPY		
Guideline on sales	100.0 billion		
Guidelines on exchange rate	USD 1	EUR 1	RMB 1
	JPY 90	JPY 125	JPY 13.5

**Activities of Importance in the Global Teamwork for Tomorrow**

## (i) Promotion of ICT Applications

We have refined our ICT applications mainly in the domain of construction and mining equipment as represented by KOMTRAX (Komatsu Machine Tracking System) for construction equipment and Autonomous Haulage System for use in large-scale mines. We are continuing our applications of leading-edge ICT to machine management, machine control and construction management to enhance our product competitiveness. We are also going to proactively promote ICT applications to industrial machinery and forklift trucks. Furthermore, we are going to advance our utilization of KOMTRAX-originated

information to improve customers' productivity and our sales and production planning.

(ii) Development of Environment-Friendly Products

To help our customers reduce CO<sub>2</sub> emissions from their equipment, we are going to advance our hybrid and HST (hydrostatic transmission) technologies for construction equipment and forklift trucks and our AC Servo technology for presses in the industrial machinery business. With respect to hybrid hydraulic excavators, in particular, we are going to lead other companies in worldwide marketing. In the domain of mining equipment, we are going to generate steady results in the Biodiesel Fuel Project we have recently started in Indonesia.

Starting in and after 2011, the new emission control regulations which require further reduction of NO<sub>x</sub> (nitrogen oxides) and PM (particulate matters) will be effective in Japan, the United States and Europe. We are going to continue our efforts to develop new regulations-compliant products by integrating leading-edge technologies into our strategic advantage of in-house development and manufacturing capabilities for engines, hydraulic units and control systems and to ensure their smooth market introduction.

(iii) Expansion of Sales and Service Operations in Strategic Markets

In Strategic Markets with high growth potential and in the domain of mining equipment, we are going to make a difference from competitors by not only supplying products featuring excellent QCDS (quality, costs, delivery and safety) but also enhancing operating rates of customers' equipment through quick and responsive delivery of parts and service. To this end, we are going to upgrade our sales and service capabilities by developing and strengthening distributors, expanding service support bases, reinforcing parts and Reman businesses and supporting customers through ICT applications. Also, in the domains of industrial machinery and forklift trucks, we are going to promote more synergy effects with the construction equipment operation and improve sales and service networks in response to an expanding weight on Strategic Markets centering on China.

**Table of Contents**

iv) Promotion of Continuous Kaizen (Improvement) by Strengthening Workplace Capability

While growth of emerging economies offers us a great chance to expand our business, we need to expect new competition with companies of emerging economies in addition to conventional competition. To win this global mega competition, it is important for us to continuously refine our capability and cost competitiveness to meet the changes, as we advance our engagement in activities for growth which are defined in the new mid-range management plan. To this end, it is absolutely necessary for us to demonstrate workplace capability, i.e., the power to continue our Kaizen (improvement) activities. With this workplace capability and effective ICT utilization, we are going to further heighten our operational flexibility of global production, optimize logistics, and reduce our production costs substantially. We are also going to continue efforts to reform and streamline our administrative work. Through these Kaizen (improvement) activities, we are going to further enhance our workplace capability and promote human resource development.

Based on the belief that our corporate value is the total sum given to us by society and all our stakeholders, Komatsu is further strengthening our corporate governance to ensure sound and transparent management, while improving management efficiency. Being committed to promoting thorough compliance, we will also ensure that all employees share The KOMATSU Way. In addition to improving our business performance, we will facilitate the development of both corporate strength and social responsibility in a well balanced manner.

- 7. The Company employs the Executive Officer System.

**Table of Contents**

**(2) Remuneration for Directors and Corporate Auditors**

1) Policy regarding the determination of remuneration

In an effort to maintain an objective and transparent remuneration system, the policy and levels of remuneration for Directors and Corporate Auditors of the Company are deliberated by the Compensation Advisory Committee, which consists of four (4) external members (two (2) Outside Corporate Auditors, one (1) Outside Director and one (1) outside expert) and one (1) internal member. Taking its reports and recommendations into consideration, the remuneration for Directors is determined by the Board of Directors, and the remuneration for Corporate Auditors is determined by discussions by the Corporate Auditors, respectively, within the range previously determined by resolution of the General Meeting of Shareholders.

With regards to remuneration levels, comparison of other key, globally active manufacturers in Japan is made by the Compensation Advisory Committee and is reflected in its reports and recommendations.

The remuneration for Directors is composed of a fixed remuneration (paid monthly) and a performance-based remuneration linked to Komatsu's consolidated performance and stock price fluctuations. The performance-based remuneration is made up of the annual bonus, reflecting business results, and stock options, granted to give Directors the same perspective on earnings as shareholders, both of which have the purpose of motivating them to manage with the aim of enhancing corporate value. The amount of the performance-based remuneration linked to Komatsu's consolidated performance represents roughly 60% of that of total remuneration during periods of favorable performance.

The remuneration for Corporate Auditors only consists of a fixed remuneration (paid monthly) designed to support their independent position with authority to audit the execution of duties by the Directors without getting fettered by the movements of corporate performance of the Company.

Regarding the retirement allowance system for Directors and Corporate Auditors, the system was terminated as of June 2007.

**(For reference) Revision of System of Remuneration for Directors**

Taking the results of deliberations and reports of the Compensation Advisory Committee into consideration, the Company resolved at a meeting of the Board of Directors held on April 27, 2010 to revise the remuneration system for Directors for the purpose of fostering the same perspective on corporate value with the shareholders, and consequently clarifying their incentive to enhance the long-term corporate value of the Company, by linking the remuneration of Directors more closely to the Company's consolidated performance. For details, refer to page 62.

**Table of Contents**

## 2) Remuneration for Directors and Corporate Auditors for the Fiscal Year

Classification	Number of Persons Paid	Amount of Remuneration Paid	Reference
Director (Outside Director included above)	12 (3)	JPY 613 million (JPY 67 million)	Including bonuses and stock options
Corporate Auditor (Outside Corporate Auditor included above)	7 (4)	JPY 109 million (JPY 40 million)	
Total (Outside Director and Outside Corporate Auditor included above)	19 (7)	JPY 723 million (JPY 107 million)	

## Notes:

- As of the end of this fiscal year, there are ten (10) Directors (three (3) of whom are Outside Directors) and five (5) Corporate Auditors (three (3) of whom are Outside Corporate Auditors). However, the above-mentioned Amount of Remuneration Paid, includes two (2) Directors and two (2) Corporate Auditors (one (1) of whom is Outside Corporate Auditor) who have retired as of the close of the 140th Ordinary General Meeting of Shareholders on June 24, 2009.
- It was resolved at the 135th Ordinary General Meeting of Shareholders, held in June 2004, that the maximum amount of remuneration to be paid to Directors in total per month (excluding bonuses and stock options) shall not exceed JPY 60 million (however, not including salaries as employees) and the maximum amount of remuneration to be paid to Corporate Auditors in total per month shall not exceed JPY 10 million. It was also resolved at the 138th Ordinary General Meeting of Shareholders, held in June 2007, that the maximum amount of remuneration concerning stock options as remuneration to Directors shall not exceed JPY 360 million in total per year (however, not including salaries as employees) and the maximum amount of remuneration or other payment to be paid to Outside Directors in total per year shall not exceed JPY 50 million out of those JPY 360 million.
- The above-mentioned Amount of Remuneration Paid to Directors and Corporate Auditors includes the following:
  - Bonuses for Directors (Total amount to be paid, which is planned to be resolved in Item 4 (Payment of Bonuses for Directors) at the 141st Ordinary General Meeting of Shareholders) Ten (10) Directors: JPY 68 million (of which, JPY 7 million is for three (3) Outside Directors)
  - Stock options (amount posted as remuneration in the fiscal year) Ten (10) Directors: JPY 154 million (of which, JPY 21 million is for three (3) Outside Directors)
- The Company does not grant bonuses and stock options to Corporate Auditors.
- The portions of salaries as employees for Directors concurrently serving as employees are not paid.
- Amounts of less than JPY 1 million are rounded to the nearest million yen.

**Table of Contents**

3) Outline of Contents of Limited Liability Agreement

In accordance with the provisions of Article 427, Paragraph 1 of the Corporation Act, the Company has entered into limited liability agreements with Outside Directors and Outside Corporate Auditors to limit liability for damages under Article 423, Paragraph 1 of the same. The minimum liability amount under these agreements shall be equivalent to those amount stipulated in the Corporation Act etc.

**5. Status of Accounting Auditors**

**(1) Name of Accounting Auditors**

KPMG AZSA & Co.

**(2) Amount of Remuneration for Accounting Auditors**

1) Remuneration for the Accounting Auditor of the Company in the Fiscal Year:	JPY 381 million
2) Total amount of money and other financial benefits that the Company and its subsidiaries should pay to the Accounting Auditor:	JPY 764 million

Notes:

1. The amount of remuneration given in the above-mentioned 1) and 2) include the sum of the amount of remuneration for auditing services in accordance with the Corporation Act and the amount of remuneration for auditing work in accordance with the Financial Instruments and Exchange Law, because the two kinds of remunerations are not clearly separated each other in the audit contract concluded between the Company and the Accounting Auditor, and they

cannot be  
recorded  
separately.

2. Among principal subsidiaries of the Company, twenty-seven (27) companies including Komatsu America Corp. are audited by Certified Public Accountants or Audit Corporations other than the Accounting Auditor of the Company.

**(3) Details of Non-Auditing Services**

The Company pays the remuneration to the Accounting Auditor for services principally regarding issuance of bonds other than services defined in Article 2, Paragraph 1 of the Certified Public Accountants Law of Japan.

**(4) Policy on Decision to Discharge or Not to Reappoint Accounting Auditors**

When Accounting Auditors fall under any of the items in Article 340, Paragraph 1 of the Corporation Act, the Board of Corporate Auditors shall discharge the Accounting Auditors based on the consent of all Corporate Auditors. When Accounting Auditors lack qualifications and qualities required as Accounting Auditors of the Company, including cases that fall under disqualification reasons specified in Article 337, Paragraph 3 of the Corporation Act, Directors shall submit to a General Meeting of Shareholders a proposal for discharging or not reappointing the Accounting Auditors after obtaining the consent of the Board of Corporate Auditors or at the request of the Board of Corporate Auditors.

**Table of Contents**

**6. Systems for Ensuring That the Execution of Duties by Directors Complies With Laws and Regulations, and the Company's Articles of Incorporation, and Other Systems for Ensuring the Properness of Operation**

With regards to systems for ensuring that the execution of duties by Directors complies with laws and regulations, and the Company's Articles of Incorporation, and other systems for ensuring the properness of operation, the details of the resolution of the Board of Directors are as follows:

**(1) Basic Policy on Internal Control**

The Company defines its corporate value as the total sum of trust given to us by society and all stakeholders.

To increase this corporate value, the Company recognizes the importance of strengthening corporate governance. The Company strives to maintain transparency and soundness of management by appointing Outside Directors and Outside Corporate Auditors, while limiting the number of the Board members small so that discussions at the Board of Directors are more substantial. The Company also does its utmost to improve the operation of the Board of Directors, aiming at more effective governance by the Board, ample discussions and quick decision making.

**(2) Systems for Retention and Management of Information Related to Directors' Execution of Duties**

The Company shall adequately retain and manage important information related to Directors' execution of duties, including the record of Board meetings and other consensus-based, approved documents, as stipulated by laws and regulations, and the Company's regulations and rules.

**(3) Rules and Other Systems for Risk Management**

While continuing to make efforts to raise its corporate value, the Company recognizes the problems related to compliance, environment, product quality, accidents and information security in particular, and other matters, as major risks for continuous growth and is thus implementing the following countermeasures.

- i) The Company shall establish Risk Management Rules to correctly recognize and manage risks. In accordance with the rules, the Company has appointed personnel in charge of individual risks, further promoting the build-up of a solid foundation for risk management.
- ii) The Company shall establish Risk Management Committee to devise risk management policies of Komatsu, evaluate risk measures in place, and take control of risks when they surface. The Risk Management Committee regularly reports its reviews and activities to the Board of Directors.
- iii) The Company shall establish an emergency headquarters when serious risks surface, and work to minimize damage(s) and implement appropriate measures.

**(4) Systems for Ensuring Efficient Execution of Duties by Directors**

To ensure the efficient execution of duties by Directors, the Company shall implement the following:

- i) The Board of Directors shall meet every month and more often as needed. It shall strive to maintain transparency and soundness of management through the participation of Outside Directors. It shall also establish the Regulations of the Board of Directors and the Standards for Agenda of Board Meetings, thereby clarifying the matters on which the Board of Directors should make decisions.
- ii) Together with the introduction of the Executive Officer System, the Company shall define the separation of duties for Directors, Executive Officers and senior managers, and set up internal rules including the Regulations of Decision-Making Authority, to ensure appropriate and effective execution of duties by Directors, Executive Officers and other senior managers.

**Table of Contents**

- iii) To promote efficient management of the Board of Directors, the Company shall establish a Strategy Review Committee consisting of Senior Executive Officers and senior managers. Based on the reviews of the Committee, Executive Officers and senior managers execute their duties within the authority delegated by the Board of Directors.

**(5) Systems for Ensuring That the Execution of Duties by Directors and Employees Complies With Laws and Regulations, and the Company's Articles of Incorporation**

The Board of Directors makes decisions on important management matters in accordance with laws and regulations and the Regulations of the Board of Directors. Based on the decisions made by the Board of Directors, each Director not only executes his or her own duties but also supervises employees for the execution of their duties, and reports the conditions thereof to the Board of Directors.

The Company shall establish the Compliance Committee as Komatsu to oversee compliance, and the Committee regularly reports its reviews and activities to the Board of Directors. The Company shall also establish a system to ensure Directors and employees thorough compliance to business rules as well as laws and regulations through a variety of measures, including the provision of Komatsu Code of Worldwide Business Conduct, appointment of the Executive Officer in charge of compliance, and establishment of the Compliance Department. Through all of these, we work to supervise, educate and train Directors, Corporate Auditors and employees.

In addition, the Company shall establish the internal reporting system where those who are discretely reporting questionable actions in light of laws and regulations and business rules will not be penalized.

**(6) Systems for Ensuring the Proper Operation of Komatsu Comprising the Company and Its Subsidiaries**

- i) The Company shall establish the Affiliated Company Regulations and relevant rules to contribute to proper and efficient operation of Group management while respecting the independence of the management of affiliated companies. Each affiliated company receives prescribed management and support of the department or division of the Company in charge. It shall also position the Komatsu Code of Worldwide Business Conduct, as the code to be applied by all companies affiliated with Komatsu. Each company in Komatsu shall stipulate various regulations for the proper promotion of duties.
- ii) The Company shall assign and dispatch Directors and Corporate Auditors from the Company to major affiliated companies as needed, in order to strengthen corporate governance on a group-wide basis and monitor their management.
- iii) Important committees of the Company, including the Compliance Committee, Risk Management Committee and Export Control Committee, shall take actions with the entire Group in view, and allow representatives of affiliated companies to take part in their meetings on occasion.
- iv) The Company shall make particularly important affiliated companies regularly report to the Board of Directors of the Company on the status of business, including risks and compliance.
- v) The Internal Audit Department of the Company shall audit each division of the Company, and implement or supervise auditing of major affiliated companies that belong to Komatsu. It shall also monitor and instruct each affiliated company on its internal control and operation built in conformity with the Company. The Internal Audit Department regularly reports the internal control and auditing conditions to the Board of Directors, and also reports to the Board of Corporate Auditors as needed.

**Table of Contents**

**(7) Employees Assisting Corporate Auditors for Execution of Their Duties, When They Ask for Such Employees**

The Company shall set up the Office of Corporate Auditors Staff, which shall assist Corporate Auditors in their duties, and allocate employees who work as assistants to Corporate Auditors either exclusively or concurrently in another position within the Company.

**(8) Matters Regarding the Independence of the Assistants to Corporate Auditors From Directors**

- i) Handling of personnel affairs (employment, appointment and personnel changes) of the employees who belong to the Office of Corporate Auditors Staff shall be premised on approval of the Standing Corporate Auditors.
- ii) The employees who exclusively assist the Office of Corporate Auditors Staff are independent of control and command of the Directors, and their performance shall be rated by the Standing Corporate Auditors.

**(9) Systems for Directors and Employees Reporting to Corporate Auditors; Systems Relating to Other Reports to Corporate Auditors and Ensuring Effective Audits by Corporate Auditors**

- i) In accordance with laws and regulations, Corporate Auditors receive reports by Directors, Executive Officers and other senior managers concerning the conditions of execution of their respective duties.
- ii) In the event that Directors find a serious violation of laws and regulations or other important facts regarding compliance at the Company or affiliated companies of Komatsu, they shall report to the Corporate Auditors immediately.
- iii) The Corporate Auditors shall attend various committees and principle meetings concerning internal control as observers, and also read circulars per management approval sent around to obtain the sanction of executives, which are important decision-making documents of the Company, and essential prior settlement documents.
- iv) Corporate Auditors may appoint legal counsels and other advisors needed for the execution of their duties.

**(10) Basic Policy Pertaining to the Elimination of Antisocial Forces**

It shall be the basic policy of the Company to prohibit Komatsu from having any relation whatsoever with antisocial movements or groups that threaten the order and security of civil society from the perspectives of social justice and corporate social responsibility.

- i) The above policy shall be provided in Komatsu Code of Worldwide Business Conduct and diffused throughout the Company as well as each company in Komatsu.
- ii) The general affairs divisions of the Head Office of the Company as well as the general affairs divisions of its main offices and Group companies will work with police and other specialized external organizations to prevent the involvement of antisocial movements or groups in its management and quell any harmful effects they may bring about in accordance with the basic policy.
- iii) The Company will do its utmost to collect information and receive education training from the above external organizations and use above information communally both within the Company and among related Group divisions.

END

**Table of Contents**

**Notes to Consolidated Statutory Report**

**Basis of Preparation of Consolidated Statutory Report**

**Significant Accounting Policies**

(1) Basis of preparation of Consolidated Statutory Report

The Consolidated Statutory Report of Komatsu is prepared in accordance with Article 3, paragraph 1 of the Supplementary Provisions of the Corporate Accounting Regulations (Ordinance of the Ministry of Justice No. 46 of 2009), and the method of preparation conforms to the accounting principles generally accepted in the United States in terms of terminology and format (hereinafter U.S. GAAP ). However, some description and notes under the mandatory requirements of U.S. GAAP are omitted within the scope of stipulations in the said Paragraph.

(2) Method and basis of valuation of inventories

Inventories are stated at the lower of cost or market. The cost of finished products and work in process is valued by the specific identification method and the cost of raw materials and supplies is stated at periodic average cost. The cost of finished parts is mainly stated using the first-in first-out method.

(3) Method and basis of valuation of investment securities

Komatsu has applied the Financial Accounting Standards Board (FASB) Accounting Standards Codification<sup>TM</sup> (hereinafter Codification ) Topic 320, Investments Debt and Equity Securities.

Available-for-sale securities:

Stated at fair market value based on market prices at the balance sheet date (Unrealized gains and losses are reported, net of applicable income taxes, as a separate component of equity, and the cost of securities sold is determined using the moving-average method).

(4) Depreciation and amortization of fixed assets

Depreciation of property, plant and equipment:

Depreciated principally using the declining-balance method.

Amortization of intangible assets:

Amortized using the straight-line method.

In accordance with Codification Topic 350, Intangibles Goodwill and Other, goodwill and other intangible assets whose useful lives cannot be determined are reviewed for impairment at least annually.

(5) Allowances

Allowance for doubtful receivables:

To cover possible credit losses on accounts receivables or loans, an allowance for doubtful receivables is provided in the amount deemed uncollectible, which is calculated on the basis of historical default rates for normal claims, or on the basis of individual assessments for specific claims on obligors threatened with bankruptcy.

Liability for pension and retirement benefits:

In accordance with Codification Topic 715, Compensation Retirement Benefits, to prepare for the payment of pension and retirement benefits to employees, a provision is made in the amount deemed necessary as of the balance sheet date based on projected benefit obligations and fair value of the plan assets. Komatsu recognized the funded status (i.e., the difference between the fair value of plan assets

**Table of Contents**

and the projected benefit obligations) of its pension plans in the consolidated balance sheet, with a corresponding adjustment to accumulated other comprehensive income (loss), net of tax.

Prior service cost is amortized on a straight-line basis over the average remaining service period of employees at the time of occurrence of such cost.

Regarding net actuarial loss, an excessive amount of the corridor (10% of projected benefit obligations, or fair value of plan assets, whichever is the larger) is amortized on a straight-line basis over the average remaining service period of employees.

(6) Change in accounting policies

Komatsu adopted Codification Topic 805, Business Combinations effective from the fiscal year under review. Topic 805 establishes principles and requirements for how an acquirer recognizes and measures in its financial statements the identifiable assets acquired, the liabilities assumed, any noncontrolling interest in the acquiree and the goodwill acquired in the business combination or a gain from a bargain purchase. Topic 805 also requires disclosure to enable the evaluation of the nature and financial effects of the business combination. The adoption of Topic 805 did not have a material impact on our consolidated results of operations and financial condition.

(7) Adoption of new accounting standards

Starting from the fiscal year under review, Komatsu adopted FASB Statement (SFAS) No. 168, The FASB Accounting Standards Codification™ ( Codification ) and the Hierarchy of Generally Accepted Accounting Principles a replacement of FASB Statement No. 162. SFAS No.168 defines the Codification as the single source of authoritative nongovernmental U.S. generally accepted accounting principles that supersedes FASB Statements issued before the launch of the Codification. In line with this, effective from the fiscal year under review, the Codification shall be adopted in lieu of FASB Statements that have been previously adopted. SFAS No. 168 was succeeded by Codification Topic 105, Hierarchy of Generally Accepted Accounting Principles. The adoption of Topic 105 did not have a material impact on our consolidated results of operations and financial condition.

Komatsu also adopted Codification Topic 810, Consolidation effective from the fiscal year under review. Topic 810 establishes the accounting guidance for noncontrolling interests of a subsidiary and deconsolidation of a subsidiary. The Topic also requires disclosures that clearly identify and distinguish the interests of the parent and the interests of the noncontrolling owners.

(8) Accounting for consumption taxes

Consumption taxes are separately accounted for by excluding them from each transaction amounts.

**Notes to Consolidated Balance Sheet**

(1) Accumulated depreciation for property, plant and equipment: JPY 631,973 million

(2) Accumulated other comprehensive income (loss) consists of foreign currency translation adjustments, net unrealized holding gains (losses) on securities available for sale, pension liability adjustments and net unrealized holding gains (losses) on derivative instruments.

**Table of Contents**

## (3) Assets pledged as collateral:

Cash and cash equivalents	JPY 2 million
Other current assets	JPY 1,887 million
Property, plant and equipment	JPY 4,660 million
Total	JPY 6,549 million

## (4) Guarantee obligations

Guarantee obligations for borrowings made by employees, affiliated companies and others: JPY 88,379 million

**Notes Concerning Per Share Information**

(1) Komatsu Ltd. shareholders' equity per share	JPY	861.51
(2) Basic net income attributable to Komatsu Ltd. per share	JPY	34.67
(3) Diluted net income attributable to Komatsu Ltd. per share	JPY	34.65

**Notes Concerning Financial Instruments**

## Status of financial instruments

The basic financial policy of Komatsu is to secure funds necessary for future business activities and maintain proper liquidity. In accordance with this policy, Komatsu principally uses cash flows from operating activities, and also makes bank borrowings and issues commercial papers, to meet short-term fund demands. In order to flexibly meet medium to long-term fund demands, Komatsu has established an authorized limit of bond issues and an euro medium term note program. With regard to indebtedness for monies borrowed, foreign operations, and foreign currency denominated assets and liabilities, Komatsu is exposed to market risks mainly of fluctuations of foreign exchange rates and interest rates. To reduce these risks occurring in the normal course of business, we utilize, in accordance with Komatsu's policy and handling regulations, various derivatives for the purpose of hedging. Komatsu does not enter into derivative contracts for trading or speculation.

## Matters concerning fair values of financial instruments

Consolidated balance sheet amounts and fair values of financial instruments, and their variances are as follows:

(JPY million)

	Consolidated balance sheet amount*	Fair value*	Variance
(1) Cash and cash equivalents	82,429	82,429	
(2) Time deposits	1,132	1,132	
(3) Trade notes and accounts receivable	447,693	447,693	
(4) Long-term trade receivables	150,972	150,972	
(5) Investment securities, marketable equity securities	47,178	47,178	
(6) Trade notes, bills and accounts payable	(207,024)	(207,024)	
(7) Short-term debt	(123,438)	(123,438)	
(8) Long-term debt, including current portion	(462,941)	(460,916)	2,025
(9) Derivatives, net	4,725	4,725	

\* The figures in parenthesis indicate those posted in liabilities.
