Primus Guaranty, Ltd.

We are a Bermuda company that was incorporated in 1998 and are a holding company that currently conducts business through two operating subsidiaries, Primus Asset Management and Primus Financial Products. Primus Asset Management is an investment manager to affiliated companies and third-party entities. Primus Financial Products, LLC is a credit derivative product company (CDPC).

Primus Asset Management, a Delaware corporation, acts as manager of the credit swap and cash investment portfolios of its affiliate, Primus Financial. Additionally Primus Asset Management manages collateralized loan obligations (CLOs), collateralized swap obligations (CSOs), investment fund vehicles and separately managed accounts on behalf of third parties. The CLOs issue securities backed by a diversified pool of primarily below investment grade rated senior secured loans of corporations. The CSOs issue securities backed by one or more credit swaps sold against a diversified pool of investment grade corporate or sovereign Reference Entities (as defined below). Primus Asset Management receives fees for its investment management services. In general, such management fees are calculated based on a percentage of assets under management, subject to applicable contractual terms. Primus Asset Management also has entered into a Services Agreement with its affiliates, whereby it provides management, consulting and information technology services, among others, to its affiliates. As of March 31, 2010, Primus Asset Management managed Primus Financial's credit swap portfolio of \$16.4 billion in notional amount and together with CypressTree managed assets of approximately \$3.5 billion in CLOs, CSOs, investment fund vehicles and separately managed accounts.

Primus Financial is a Delaware limited liability company that, as a CDPC, was established to sell credit protection in the form of credit swaps primarily to global financial institutions and major credit swap dealers, referred to as counterparties, against primarily investment grade credit obligations of corporate and sovereign issuers. In exchange for a fixed quarterly premium, Primus Financial agreed, upon the occurrence of a defined credit event (e.g., bankruptcy, failure to pay or restructuring) affecting a designated issuer, referred to as a Reference Entity, to pay to its counterparty an amount determined through industry-sponsored auctions equivalent to the notional amount of the credit swap less the auction-determined recovery price of the underlying debt obligation. Primus Financial may elect to acquire the underlying security in the related auction or in the market and seek to sell such obligation at a later date. Our registered office is located at Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda. The telephone number is 441-296-0519. The offices of Primus Asset Management and Primus Financial are located at 360 Madison Avenue, New York, New York 10017, and their telephone number is 212-697-2227.

PLAN OF DISTRIBUTION

The common shares covered by this prospectus will be sold, if at all, by the individuals named above or by their donees, pledgees, transferees or others on their behalf, and not by us. The common shares may be sold from time to time as follows:

- on the New York Stock Exchange, in the over-the-counter market, on an inter-dealer quotation system or on another national securities exchange (any of which may involve crosses and block transactions);
- to purchasers directly;
- in ordinary brokerage transactions in which the broker solicits purchasers;
- through underwriters, dealers and agents who may receive compensation in the form of underwriting discounts, concessions or commissions from a seller and/or the purchasers of the common shares for whom they may act as agent;
- through the writing of put or call options on the common shares;
- through the granting of a security interest in any common share as collateral for any loan or obligation, including such grants to brokers or dealers who may from time to time effect distributions of the common shares or other interests in the common shares;
- through purchases by a broker or dealer as principal and resale by such broker or dealer for its own account pursuant to this prospectus;
- through block trades in which the broker or dealer so engaged will attempt to sell the common shares as agent or as riskless principal but may position and resell a portion of the block as principal to facilitate the transaction;
- through exchange distributions in accordance with the rules of the applicable exchange;
- in any combination of one or more of these methods; or
- in any other lawful manner.

These sales may be made at prices related to the then current market price or otherwise at prices and on terms then prevailing, or in privately negotiated transactions. In effecting sales, a broker or dealer engaged by an individual using this prospectus to sell common shares may arrange for other brokers or dealers to participate in the sale. In addition, any common shares covered by this prospectus which qualify for sale pursuant to Section 4(1) of the Securities Act of 1933, as amended (the Securities Act), or Rule 144 or 701(g) under the Securities Act, may be sold thereunder rather than by this prospectus.

In connection with distributions of the common shares or otherwise, persons using this prospectus to sell common shares may enter into hedging transactions with broker-dealers. In connection with hedging a transaction, a broker-dealer may engage in short sales of common shares registered hereunder in the course of hedging the positions it assumes with the seller. The seller may also sell common shares short and deliver the common shares to close out the short positions. The seller may also enter into an option or other transaction with a broker-dealer which requires the delivery to the broker-dealer of common shares we have registered, which the broker-dealer may resell by this prospectus.

A seller may pay a broker-dealer or an agent compensation in the form of commissions, discounts or concessions. The broker-dealer and any other participating broker-dealer may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales and any such commission, discount or concession may be deemed to be underwriting discounts or commissions under the Securities Act.

We may be required to file a supplemented prospectus in connection with any activities involving a seller which may be deemed to be an underwriting. In that case, a supplement to this prospectus would contain (1) information as to whether an underwriter selected by a seller, or any other broker-dealer, is acting as principal or agent for the seller, (2) the compensation to be received by an underwriter selected by a seller or any broker-dealer, for acting as principal or agent for a seller and (3) the compensation to be received by any other broker-dealer, in the event the compensation of such other broker-dealers is in excess of usual and customary commissions. Any broker or dealer participating in any distribution of the common shares may be required to deliver a copy of this prospectus, including any prospectus supplement, to any individual who purchases any common shares from or through such a broker-dealer.

We have advised the people identified in this prospectus as potential sellers of common shares that during any period when they may be engaged in a distribution of the common shares offered by this prospectus, they are required to comply with Regulation M promulgated under the Exchange Act. With certain exceptions, Regulation M precludes any seller, any affiliated purchaser and any broker-dealer or other individual who participates in such a distribution from bidding for or purchasing, or attempting to induce any individual to bid for or purchase any security, that is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of these factors may affect the marketability of our common shares.

The people identified in this prospectus as potential sellers of common shares offer to sell all, some or none of the common shares covered by this prospectus. Because it is possible that a significant number of common shares could be sold simultaneously by means of this prospectus, such sales, or the possibility thereof, may have an adverse effect on the market price of our common shares.

VALIDITY OF COMMON SHARES

The validity of the common shares which may be offered hereunder has been passed upon by Conyers Dill & Pearman Limited, Hamilton, Bermuda.

Item 8. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities: The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
