2. Securities Act exemption applicable.

On June 18, 2009, (the Petition Date), the Applicant filed a petition for reorganization under Chapter 11 of the United States Bankruptcy Code (the Bankruptcy Code) in the U.S. Bankruptcy Court for the District of Delaware (the Bankruptcy Case). The Applicant proposes to issue, as part of the Joint Second Amended Chapter 11 Plan of Reorganization for MIG, Inc. (the Plan as the same may be further modified), Senior Secured Cash/PIK Notes due 2016 (the Notes) to Holders of Allowed Class 5 Claims in an aggregate principal amount equal to the amount of Allowed Preferred Shareholder Claims less the aggregate amount of Excess Cash (not including any Withheld Excess Cash), in addition to cash and other consideration to be received by such holders. The Notes will be issued under an indenture to be entered into between the Applicant and The Bank of New York Mellon, as trustee (the Trustee), a form of which is attached as Exhibit 99.T3C (as supplemented and amended from time to time, the Indenture). The Notes will be secured obligations of the Applicant and will rank senior to all other obligations of the Applicant. Capitalized terms not otherwise defined herein have the meaning ascribed to them in the Plan or the Indenture.

The Notes will mature six years from the issue date and will bear Cash Interest at a rate per annum of 9%, provided, however, that the Applicant shall pay the Cash Interest Rate plus two percent (2%) on overdue installments of Cash Interest (without regard to any applicable grace periods) and/or principal due and payable (without regard to any applicable grace periods) to the extent lawful. All interest, whether Cash Interest or PIK Interest, is payable semi-annually beginning six months after the issue date, provided (i) the following percentage interest (the PIK Interest Rate) is payable in PIK Notes, with terms identical (but for the issue date) to those of the original Notes: Years 1-3, 6.5%; Year 4, 8.5%; and Years 5-6, 11%. Additional PIK Notes may be issued for up to 3% of the Cash Interest payable at an Interest Payment Date, provided that (A) Additional PIK Notes may not be issued if (i) Additional PIK Notes were issued on each of the last two preceding Interest Payment Dates and (ii) Additional PIK Notes were issued on any three Interest Payment Dates during the life of the Notes, and (B) at any time on which Additional PIK Notes are outstanding, the PIK Interest Rate shall be increased by 2%.

On each Interest Payment Date, the Company is obligated to redeem Notes in an amount equal to all Collateral Monies in the Note Payments Account as of the applicable redemption date, less (i) interest payable on such Interest Payment Date, (ii) certain amounts reserved for the payment of the Trustee, Collateral Agent and other administrative agents under the Indenture, (iii) a reserve for the Company's annual operating budget, (iv) amounts sufficient to pay Cash Interest at the next Interest Payment Date, and (v) amounts reserved for certain permitted equity distributions.

The Notes will be secured by: (i) all of the assets of the Applicant, and (ii) pledges in favor of the Collateral Agent in the following: (A) all of the equity interests in the Applicant held by CaucusCom Ventures L.P., a British Virgin Islands limited partnership (the CaucusCom Pledge); (B) all of the limited liability company interests in ITC Cellular LLC, a Delaware limited liability company, held by the Applicant (the Company Pledge); and (C) certain rights of ITC arising out of its ownership of certain limited liability company interests in International Telcell Cellular, LLC, a Delaware limited liability company (the ITC Pledge). The equity interests pledged pursuant to the CaucusCom Pledge and the Company Pledge will be held in escrow pursuant to the Collateral Documents in a form satisfactory to the Debtor and the Committee.

The Indenture imposes certain limitations on the ability of the Company to incur additional Indebtedness or Liens, make payments in respect of certain Indebtedness, enter into transactions with Affiliates, merge or consolidate with any other person or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its assets.

Certain actions by the Company must be approved by certain managers (the Noteholder Managers) appointed to the board of managers of the Company (the Board). As of the Issue Date, there will be two Noteholder Managers appointed as provided under the Plan. Holders of a majority of the face amount of Notes outstanding, who are not a Disregarded Noteholder, may remove and replace

Table of Contents

the Noteholder Managers with any manager reasonably acceptable to the Company.

The Applicant believes that the issuance of the Notes is exempt from the registration requirements of the Securities Act of 1933 (the Securities Act) pursuant to Section 1145(a)(1) of the Bankruptcy Code. Generally, Section 1145(a)(1) of the Bankruptcy Code exempts the issuance of securities from the registration requirements of the Securities Act and equivalent state securities and blue sky laws if the following conditions are satisfied: (i) the securities are issued by a debtor, an affiliate participating in a joint plan of reorganization with the debtor, or a successor of the debtor under a plan of reorganization; (ii) the recipients of the securities hold a claim against, an interest in, or a claim for an administrative expense against, the debtor; and (iii) the securities are issued entirely in exchange for the recipient’s claim against or interest in the debtor, or are issued principally in such exchange and partly for cash or property. The Applicant believes that the issuance of the Notes as contemplated by the Plan will satisfy the aforementioned requirements of the Bankruptcy Code and that, therefore, the Notes are exempt from registration under the Securities Act. No sales of the securities are expected to be made by the applicant or by or through an underwriter

Under the Indenture, the Applicant is required to furnish the Trustee annually a statement by certain officers of the Applicant to the effect that, to the best of their knowledge, the Applicant is not in default in the fulfillment of any of its obligations under the Indenture, or, if there has been a default in the fulfillment of any such obligation, specifying each such default.

The Indenture provides that the Trustee shall, within 90 days after the occurrence of a default with respect to the Notes, give the holders of the Notes notice of such default known to it (the term default to mean the events specified above without grace periods); provided that, except in the case of a default in the payment of principal of (or premium, if any) or interest, if any, on any of the Notes, or in the event of a failure by the Applicant to comply with the provisions in the Indenture relating to merger, sale or consolidation of Magticom, the Trustee shall be protected in withholding such notice if and so long as the Board of Directors, the executive or other duly authorized committee thereof and/or the Trust Officers in good faith determines the withholding of such notice is in the interest of the holders of the Notes.

The holders of a majority in principal amount of the Notes outstanding have the right, subject to certain limitations, to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to such series or exercising any trust or power conferred on the Trustee, and to waive certain defaults. The Indenture provides that in case an Event of Default shall occur and be continuing, the Trustee shall exercise such of its rights and powers under the Indenture, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any of the holders of Notes, unless they shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request.

(b) Authentication and Delivery: Application of Proceeds

The Notes shall be executed by or on behalf of the Applicant by its Chief Executive Officer, the President, the Chief Financial Officer, the Chief Operating Officer, the Treasurer, any Assistant Treasurer, the Controller, the Secretary or any one of its Vice Presidents. The signatures of any of these officers may be manual or facsimile. If an Officer whose signature is on a Note no longer holds that office at the time such Note is authenticated, such Note shall be valid nevertheless. A Note shall not be valid until authenticated by the Trustee. The manual signature of the Trustee shall be conclusive evidence that a Note has been authenticated in accordance with the terms of the Indenture. The Trustee, upon an order from the Company in the form of an Officer's Certificate, shall authenticate the Notes to be issued under the Plan for original issue of an aggregate principal amount as specified therein. The Notes shall be issuable only in denominations of \$1,000 and integral multiples thereof.

The Initial Note shall be issued initially in the form of one or more Global Notes in registered form and deposited with the Trustee. Each Global Note shall be authenticated and delivered in temporary or permanent form and (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the outstanding Notes to be represented by one or more Global Notes, (ii) shall be registered in the name of the Depository or its nominee, and (iii) shall bear a legend substantially to the following effect: This Note may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository, unless and until this Note is exchanged in whole or in part for Notes in definitive form and such other legend as may be required by the Depository.

There will be no proceeds (and therefore no application of such proceeds) from the issuance of the Notes because the Notes will be issued, as part of an exchange, as provided in the Plan.

(c) Release and Substitution of Property Subject to the Lien of the Indenture

The Notes will be secured by: (i) all of the assets of the Applicant and (ii) pledges in favor of the Collateral Agent in the following: (A) all of the equity interests in the Applicant held by CaucusCom Ventures L.P. a British Virgin Islands limited partnership (the CaucusCom Pledge); (B) all of the limited liability company interests in ITC Cellular LLC, a Delaware limited liability company, held by the Applicant (the Company Pledge); and (C) certain rights of ITC arising out of its ownership in certain limited liability company interests in International TelCell Cellular, LLC, a Delaware limited liability company (the ITC Pledge). The equity interests pledged pursuant to the CaucusCom Pledge and the Company Pledge will be held in escrow pursuant to the Collateral Documents in a form satisfactory to the Debtor and the Committee.

Subject to the provisions of the Collateral Documents and the Indenture, the Trustee may, in its sole discretion and without the consent of the Noteholders, direct the Collateral Agent to take all actions it deems necessary or appropriate in order to (i) enforce any of its rights or any of the rights of the Holders under the Collateral Documents and (ii) collect and receive any and all amount payable in respect of the Note Collateral in respect of the obligations of the Company under the Indenture and under the Collateral Documents.

Where any provision of the Indenture or the Collateral Documents requires that additional property or assets be added to the Note Collateral, the Company shall cause a valid and enforceable and perfected first priority Lien on or in such property or assets to vest in the Collateral Agent and deliver to the Trustee and the Collateral Agent the following documents: (a) a request from the Company that such property or assets be added to the Note Collateral; (b) an Officer's Certificate to the effect that the Note Collateral being added is in the form, consists of the assets and is in the amount required by the Indenture; (c) additional Collateral Documents as may be required; (d) such financing statements or other filings or recording instruments necessary to perfect the Collateral Agent's Lien in the Note Collateral; (e) appropriate opinions of counsel; and (f) an Officer's Certificate that all conditions precedent as provided in the Indenture have been satisfied.

Table of Contents

The Collateral Agent shall release Note Collateral from the security interests created by the Collateral Documents in accordance with the following limitations: (i) so long as no Default or Event of Default shall have occurred and be continuing and the transaction would not violate the Indenture, the Company may sell or dispose of inventory or collect accounts receivable or sell or otherwise dispose of equipment in the ordinary course, provided that such Note Collateral is replaced by property of substantially equivalent or greater value which becomes subject to the Note Lien of the Collateral Documents; (ii) any asset included in the Note Collateral may be released at any time in accordance with the provisions of the Collateral Documents, upon the Company's request and subject to an Officer's Certificate certifying that all conditions precedent have been met and that both Noteholder Managers have approved the sale or disposition of the any asset included in the Note Collateral; and (iii) as necessary to bind a successor-in-interest.

The Liens on, and pledges of, all Note Collateral will be terminated and released, and upon the request of the Company pursuant to an Officer's Certificate certifying that (x) all conditions precedent under the Indenture have been met and (y) that both Noteholder Managers approve, the Company will be entitled to releases of all assets included in the Note Collateral from the Note Liens under the Collateral Documents, without the consent of the Collateral Agent, the Trustee or any Holder, upon any of the following: (1) payment in full of the principal of and accrued and unpaid interest on the Notes and all other Obligations under the Indenture and the Collateral Documents that are due and payable at or prior to the time such principal and accrued and unpaid interest are paid; (b) a satisfaction and discharge of the Indenture in accordance with its terms; (iii) the occurrence of a Legal Defeasance or a Covenant Defeasance; or (iv) the written consent of Holders of at least 75% in aggregate principal amount of the outstanding Notes, voting as a single class.

(d) Satisfaction and Discharge

The Indenture provides that the Applicant shall be discharged from its obligations under the Notes (with certain exceptions) at any time prior to the stated maturity or redemption thereof when (i) the Applicant has deposited with the Trustee, in trust, sufficient funds to pay the principal of (and premium, if any) and interest, if any, to stated maturity (or to redemption date) on, the Notes, (ii) the Applicant has paid all other sums payable with respect to the Notes and (iii) certain other conditions are met. Upon such discharge, the holders of the Notes shall no longer be entitled to the benefits of the Indenture, except for certain rights, including registration of transfer and exchange of the Notes, and shall look only to such deposited funds. Upon satisfaction and discharge of the Notes, any Liens on, and pledges of, all of the Note Collateral for the Notes (other than amounts in the trust fund as described below) will be terminated and released.

In the event of a satisfaction and discharge of the Notes constituting a Legal Defeasance, the following provisions of the indenture and the Collateral Documents shall survive until otherwise terminated or discharged under the Indenture: (i) the rights of Holders of outstanding Notes to receive solely from the trust fund established by the Company with the Trustee upon the irrevocable deposit therewith for the benefit of the Holders of U.S. Government Obligations or U.S. Legal Tender in such amounts as is necessary for payment of the outstanding principal and interest on the Notes; (ii) certain obligations of the Company and the Trustee under the Indenture and the attendant rights, powers, trusts, duties and immunities of the Trustee and the Company's obligations in connection therewith; and (iii) the provisions of the Indenture relating to satisfaction and discharge until all obligations of the Company under the Indenture have been satisfied.

(e) Evidence Required to be Furnished by the Applicant to the Trustee as to Compliance with the Conditions and Covenants Contained in the Indenture

The Applicant shall deliver to the Trustee, within 90 days after the end of each fiscal year, a written statement signed by specified officers of the Applicant stating that a review of the activities of the Applicant during the preceding fiscal year has been made under the supervision of the signing officers, and further stating, as to each such officer, that to the best of his or her knowledge the Applicant is not in
