### **Item 3. Source and Amount of Funds or Other Consideration**

On April 23, 2010, the United States Bankruptcy Court in the Southern District of New York approved the Issuer's Third Amended and Restated Plan of Reorganization (the Plan of Reorganization) and the Issuer emerged from bankruptcy on April 30, 2010. AI International Chemicals S.À.R.L. (AIIC) and its affiliates acquired 53,000,168 ordinary shares in connection with the Issuer's exit from bankruptcy proceedings, including shares purchased in an offering by the Issuer of rights to purchase ordinary shares pursuant to the Plan of Reorganization and shares acquired from other holders; and acquired 3,270,500 ordinary shares through open market purchases.

On December 13, 2010, AIIC entered into a postpaid share forward agreement (the Forward Contract) with Bank of America, N.A. (BofA) with an effective date of December 14, 2010. If AIIC elects to settle the Forward Contract through physical settlement, BofA will be obligated to deliver to AIIC 34,172,698 ordinary shares against payment by AIIC of the price of \$28 per ordinary share. Any such physical settlement is subject to the condition that AIIC has made all filings required under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the HSR Act) and the waiting period under the HSR Act has expired or been terminated. The waiting period under the HSR Act expired at 11:59 pm on December 31, 2010.

During the term of the Forward Contract, AIIC is required to make monthly payments to BofA relating to the notional value of the Forward Contract (net of cash collateral posted by AIIC as of the commencement of the Forward Contract) and will receive a payment from BofA in an amount equal to any cash dividends paid on the reference number of ordinary shares at the settlement of the Forward Contract. The terms of the Forward Contract are more fully described in Item 6 hereof. If AIIC elects to physically settle the Forward Contract, the source of funds for this purchase is expected to be capital contributions from AIIC's sole member and/or loans from one or more financial institutions. AIIC may fund some or all of the amount that would be due upon physical settlement of the Forward Contract with proceeds of a loan under a \$500 million margin loan facility that may be secured by some of the ordinary shares held by AIIC.

### **Item 4. Purpose of Transaction**

AIIC acquired the ordinary shares it holds directly as an investment in the regular course of AIIC's business. Pursuant to the terms of the Nomination Agreement (described in Item 6, below), AIIC has the right to nominate a member to the Issuer's supervisory board. AIIC has nominated Stephen F. Cooper to serve as a member of the Issuer's supervisory board.

AIIC has entered into the Forward Contract as an investment in the regular course of AIIC's business. AIIC currently intends to elect physical settlement under the Forward Contract on or before its expiration on January 31, 2011, subject to market conditions, the trading prices of ordinary shares, alternative investment opportunities, the availability of funds, and the outlook for the petrochemicals industry and the Issuer. If AIIC elects physical settlement of the Forward Contract, it will have the right to nominate an additional member to the Company's supervisory board as a result of its increased ownership following the settlement of the Forward Contract. AIIC would expect to exercise that right.

The Reporting Persons intend to re-examine their investment from time to time and, depending on prevailing market conditions, other investment opportunities, liquidity requirements or other investment considerations the Reporting Persons deem material, the Reporting Persons may from time to time acquire additional ordinary shares in the open market, block trades, negotiated transactions, or otherwise. The Reporting Persons may also dispose of all or a portion of the Issuer's securities, in open market or privately negotiated transactions, and/or

enter into derivative transactions with institutional counterparties with respect to the Issuer's ordinary shares, in each case, subject to limitations under applicable law.

The Reporting Persons have not yet determined which, if any, of the above courses of action they may ultimately take. The Reporting Persons' future actions with regard to the Issuer are dependent on their evaluation of the factors listed above, circumstances affecting the Issuer in the future, including prospects of the Issuer, general market and economic conditions and other factors deemed relevant. The Reporting Persons reserve the right to determine in the future whether to change the purpose or purposes described above or whether to adopt plans or proposals of the type specified above or otherwise.

Except as set forth above, the Reporting Persons have no plans or proposals with respect to the Issuer.

**Item 5. Interest in Securities of the Issuer**

(a)-(b) The responses of each of the Reporting Persons with respect to Rows 11, 12 and 13 of the cover pages of this Schedule 13D that relate to the aggregate number and percentage of ordinary shares (including but not limited to footnotes to such information) are incorporated herein by reference.

( Altep ) and Access Industries, Inc. may be deemed to share investment and voting power over the ordinary shares beneficially owned by AIIC, AI Chemical Holdings LLC, AI SMS L.P., AI SMS GP Limited, Access Industries, LLC, Access Industries Management, LLC and Mr. Blavatnik. Each of AI Chemical Holdings LLC, AI SMS L.P., AI SMS GP Limited, Access Industries, LLC, Access Industries Management, LLC, Altep, Access Industries, Inc. and Len Blavatnik, and each of their affiliated entities and the officers, partners, members and managers thereof, other than AIIC, disclaims beneficial ownership of the shares held by AIIC.

Altep holds 334,010 ordinary shares directly. Each of Access Industries, Inc. and Len Blavatnik may be deemed to beneficially own the 334,010 ordinary shares held directly by Altep. Access Industries, Inc. is the general partner of Altep and, as a result, may be deemed to have voting and investment control over the shares owned

directly by Altep. Mr. Blavatnik controls Access Industries, Inc. and, as a result, may be deemed to share voting and investment power over the 334,010 ordinary shares held by Altep. **Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**  
***Forward Contract***

On December 13, 2010, AIIC entered into the Forward Contract with BofA with respect to 34,172,698 ordinary shares. The effective date of the Forward Contract was December 14, 2010. During the term of the Forward Contract, AIIC is required to make monthly payments, calculated based on one-month LIBOR plus a spread, to BofA relating to the notional value of the Forward Contract (net of cash collateral posted by AIIC as of the commencement of the Forward Contract) and will receive a payment from BofA in an amount equal to any cash dividends paid on the reference number of ordinary shares at the settlement of the Forward Contract. AIIC pledged to BofA collateral consisting of cash and ordinary shares currently owned by AIIC to support its obligations under the Forward Contract.

The price specified in the Forward Contract is equal to \$28. Under the Forward Contract, BofA will also charge certain commissions and fees and the cost of financing the holdings of hedge shares by BofA over the term of the Forward Contract described below. The number of shares held by BofA as a hedge with respect to the Forward Contract cannot exceed 15% of the outstanding shares of the Issuer. The Forward Contract allows AIIC to elect either to physically settle the Forward Contract, i.e., to take delivery of the underlying ordinary shares, or to cash settle the transaction, i.e., to receive or pay the change in the value of the underlying ordinary shares on a specified date or at an earlier date elected by AIIC. If physical settlement is elected, BofA will be obligated to deliver to AIIC 34,172,698 ordinary shares against payment by AIIC of \$28 per ordinary share. Any such physical settlement is subject to the condition that AIIC has made all filings required under the HSR Act, and the waiting period under the HSR Act has expired or been terminated. The waiting period under the HSR Act expired at 11:59 pm on December 31, 2010.

In the case of cash settlement, if the price of the ordinary shares has increased over \$28 per ordinary share, BofA will pay AIIC the amount of the increase; and if the price of the ordinary shares has decreased from \$28 per ordinary share, AIIC will pay BofA the amount of the decrease. If cash settlement occurs, an objective current market price will be used to determine the amount to be paid or delivered.

Any ordinary shares that BofA may own or acquire as a hedge to its exposure under the Forward Contract will be held for the sole benefit of BofA and will not be held on behalf of the Reporting Persons. Any such ordinary shares will not be pledged to AIIC or any Reporting Person to secure the performance of BofA under the Forward Contract, and the Reporting Persons do not and will not have any direct claim on any ordinary shares held by BofA as a hedge in the case of a default or bankruptcy of BofA. AIIC does not and will not have any rights to any ordinary shares held by BofA as a hedge unless and until those ordinary shares are delivered to AIIC. The Reporting

Persons do not and will not have a right to direct the voting or disposition of any such ordinary shares, and BofA will not accept any instruction as to the voting or disposition of such ordinary shares from any of the Reporting Persons. BofA does not and will not have any rights to direct or affect the acquisition, holding, voting or disposition of any ordinary shares held by the Reporting Persons.

The preceding summary of the Forward Contract is not intended to be complete and is qualified in its entirety by reference to the full text of the Forward Contract, a copy of which is attached as Exhibit 99.2 hereto, and which is incorporated by reference herein.

#### ***Nomination Agreement***

On April 30, 2010, AIIC entered into a nomination agreement (the *Nomination Agreement*) with the Issuer. Pursuant to the *Nomination Agreement*, AIIC had the right to nominate one member to the initial supervisory board of the Issuer. AIIC also had the right to approve any appointees to the Issuer's supervisory board by the Issuer's Chief Financial Officer and Chief Legal Officer during the period from the date of the *Nomination Agreement* through the date the Issuer's shares were listed on the New York Stock Exchange.

Subsequent to the initial nomination to the Issuer's supervisory board described above, at any time that AIIC and its affiliates together hold 5% or more but less than 12% of the outstanding stock of the Issuer, the Issuer shall use its reasonable best efforts to ensure that a nominee of AIIC is appointed to the supervisory board in accordance with the terms of the Issuer's Articles of Association. Similarly, subsequent to the initial nomination to the Issuer's supervisory board described above, at any time that AIIC and its affiliates together hold 12% or more but less than 18% of the outstanding stock of the Issuer, the Issuer shall use its reasonable best efforts to ensure that at least two nominees of AIIC are appointed to the supervisory board in accordance with the terms of the Issuer's Articles of Association and if AIIC and its affiliates together hold 18% or more of the outstanding stock of the Issuer, the Issuer shall use its reasonable best efforts to ensure that at least three nominees of AIIC are appointed to the supervisory board in accordance with the terms of the Issuer's Articles of Association.

If, pursuant to the *Nomination Agreement*, AIIC becomes entitled to nominate three members to the Issuer's supervisory board, then so long as AIIC remains entitled to nominate three members to the supervisory board, at least one member of the Issuer's supervisory board nominated by AIIC will be entitled to serve on each committee of the supervisory board (to the extent not prohibited by law or by any then applicable stock exchange rules or listing requirements).

The *Nomination Agreement* will terminate as of the date that AIIC, together with its affiliates, holds directly or indirectly less than 5% of the outstanding stock of the Issuer, but shall terminate no earlier than April 30, 2011.

#### ***Registration Rights Agreement***

On April 30, 2010, an affiliate of AIIC entered into a registration rights agreement (the *Registration Rights Agreement*) with the Issuer and two other holders of the Issuer's outstanding securities, Leveragesource (Delaware), LLC and Ares Corporate Opportunities Fund III, L.P. (collectively, the *Holder*).

Pursuant to the *Registration Rights Agreement*, the Issuer agreed to file an initial shelf registration statement (the *Initial Registration Statement*) with the SEC by the 30th day after the Issuer's registration statement on Form 10 was declared effective by the SEC; provided, that if the Issuer's registration statement on Form 10 was declared effective by the SEC on a date that is more than 90 days after the effective date of the Plan of Reorganization, the Issuer agreed to file such *Initial Registration Statement* by no later than 10 days after the Issuer's registration statement on Form 10 was declared effective by the SEC. The *Initial Registration Statement* relates to the offer and sale of the Issuer's securities to the public by the *Holder* from time to time, on a delayed or continuous basis, but not involving an underwritten offering. Pursuant to the *Registration Rights Agreement*, the Issuer has agreed to use its reasonable best efforts to (a) cause the *Initial Registration Statement* to be declared effective by the SEC, (b) keep such *Initial Registration Statement* continuously effective, subject to certain exceptions and (c) not suspend the use of the prospectus included in the *Initial Registration Statement* in order to permit such prospectus to be usable by the *Holder* until the earlier of (i) two years from the date of effectiveness of such *Initial Registration Statement*, (ii) the Issuer's filing of a short-form or automatic shelf registration statement covering all of the Issuer's securities issued to the *Holder* and such registration statement having been declared effective by the SEC or (iii)

there being no more of the Issuer's outstanding securities issued to the Holders.

Following the later of 90 days after the effective date of the Plan of Reorganization and the date this Registration Statement is declared effective, but (i) at any time prior to the first anniversary of the effective date of the Plan of Reorganization, the holders of a majority of the securities then held by the Holders and (ii) at any time on or after the first anniversary of the effective date of the Plan of Reorganization, any Holder may make a specified number of requests for registration on Form S-1 or similar long-form registration statement of the securities under the Securities Act of 1933, as amended (the "Securities Act"); provided, however that the Issuer may satisfy such a request by amending or supplementing the Initial Registration Statement to provide for an underwritten offering on behalf of the Holders that made such request. Additionally, after the first anniversary of the effective date of the Plan of Reorganization, the Holders may request registration on Form S-3, or other similar short-form registration statement, if available, of the Holders' securities. Further, upon the Issuer becoming a Well-Known Seasoned Issuer, as defined in the Securities Act, the Issuer will give written notice to the Holders of the basis for that status and register the sale of the Holders' securities under an automatic shelf registration statement promptly thereafter.

Whenever the Issuer proposes to register any securities, or proposes to offer any of its ordinary shares to the public, the Issuer must give prompt written notice to all Holders and include the Holders' securities in the public offering for which the Issuer receives written requests within the time prescribed by the Registration Rights Agreement from the Holders for inclusion therein. However, in the case of an underwritten offering, the Issuer may exclude the Holders' securities requested for inclusion therein if the managing underwriter for such offering advises the Issuer that inclusion of such securities would materially and adversely affect such offering because such securities are not of the same type, class or series as the securities to be offered and sold therein.

To the best of each Reporting Person's knowledge, except as described above in this Item 6, there are at present no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 above and between any such persons and any person with respect to any securities of the Issuer.
