Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

As previously disclosed, on February 18, 2011, Raymond S. Heyman, Senior Vice President and General Counsel of UniSource Energy Corporation (UniSource Energy) and Tucson Electric Power Company, notified the companies that he would be resigning effective June 30, 2011 to fulfill an assignment for The Church of Jesus Christ of Latter-Day Saints that will require him to relocate to Argentina for a three-year period.

On March 16, 2011, the Compensation Committee of UniSource Energy modified the terms of performance shares awarded to Mr. Heyman in 2009 and 2010 under UniSource Energy's 2006 Omnibus Stock and Incentive Plan to provide that Mr. Heyman may receive a proportionate payout of the awards, if the applicable performance targets are achieved.

The performance share awards were intended to provide Mr. Heyman an opportunity to earn shares of UniSource Energy's common stock based upon UniSource Energy's performance over the three-year period commencing on January 1 of the year in which the awards were granted. By modifying the awards to allow him to receive a proportionate payment, the portion of the outstanding performance shares that will vest at the end of the performance period if the performance targets are achieved, will be determined by multiplying the number of performance shares issued and earned at the conclusion of the performance period by a fraction, the numerator of which is the number of completed months of Mr. Heyman's service during the performance period prior to his termination of service, and the denominator of which is thirty-six (36). Absent this modification, Mr. Heyman would forfeit the performance shares upon his termination of service.

The target awards for 2009 and 2010 for Mr. Heyman are 7,963 shares and 10,920 shares, respectively. The number of shares earned under an award can range from 0% to 150% of the target award.
