Dear Shareholder:

This is an exciting time for your Company. In 2010, we strengthened FirstEnergy's financial and operating position, achieved significant growth in our competitive subsidiary, and laid the groundwork for the successful completion of a merger that will be the foundation for our future growth.

Today, we are a premier regional energy provider that is stronger, more flexible, and better-equipped to meet the challenges that lie ahead. We will continue to operate the Company with a focus on our core businesses and a commitment to operational excellence, financial discipline, and retail sales growth—the same approach that has helped us deliver solid results, even during the current soft economy.

Financial highlights in 2010 include generating nearly \$3.1 billion in cash from operations, and increasing liquidity by more than \$400 million. We also reduced debt by more than \$500 million.

And, through our merger with Allegheny Energy, we have increased your Company's utility customer base by 35 percent and our generating resources by 70 percent.

Our strong financial performance once again earned our Company recognition from *Public Utilities Fortnightly* magazine. In 2010, the publication recognized FirstEnergy as one of the perennial leaders in their annual survey and ranked FirstEnergy thirteenth in its list of the nation's 40 Best Energy Companies.

**Based on the fact that our Directors and management team have provided outstanding leadership in support of our ongoing success, I ask that you vote in favor of our Director nominees (Item 1) and also support our management proposals (Items 2-5) as further described in our proxy statement.**

I appreciate your support of FirstEnergy and our leadership team. If you would like to discuss this matter, or any other issue regarding our Annual Meeting, please feel free to contact our Vice President and Corporate Secretary Rhonda Ferguson, at 330-384-5620.

Sincerely,

/s/ Anthony J. Alexander
