**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON AUGUST 17, 2011**

The Board of Directors of HANMI FINANCIAL CORPORATION is soliciting your proxy for use at the 2011 Annual Meeting of Stockholders to be held at the Wilshire Grand Hotel, located at 930 Wilshire Boulevard, Los Angeles, California, on Wednesday, August 17, 2011, beginning at 10:30 a.m., Pacific Standard Time, and at any adjournments or postponements thereof. This Proxy Statement, the enclosed proxy card (Proxy), and other enclosures are first being mailed to stockholders on or about July 15, 2011.

Questions and Answers about these Proxy Materials and the Annual Meeting

Question: Why did you send me this proxy statement?

We sent you the Proxy Statement and the enclosed proxy card because we are soliciting your vote at our annual meeting of stockholders. Our Board is providing these proxy materials to you in connection with the annual meeting. As a stockholder of record of our common stock, you are invited to attend the annual meeting, and are entitled to and requested to vote on the proposals described in this document. This proxy statement summarizes the information you need to know to cast an informed vote at the meeting. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card by mail. You may also vote by internet or telephone.

We will begin sending this proxy statement, notice of annual meeting, and the enclosed proxy card on or about July 15, 2011 to all stockholders entitled to vote. The record date for those entitled to vote is June 20, 2011.

Along with this proxy statement, we have enclosed a copy of our Annual Report, Form 10-K, and its amendment for the fiscal year ended December 31, 2010.

Question: Who is entitled to vote and how many votes do I have?

All stockholders who were stockholders of record of our common stock at the close of business on June 20, 2011, and only those stockholders, will be entitled to vote at the annual meeting. You have one vote for each share of our common stock you owned at the close of business on the record date.

Question: How many shares are eligible to be voted?

As of June 20, 2011, 151,258,390 shares of our common stock were outstanding. Each outstanding share of our common stock will entitle its holder to one vote on each matter to be voted on at the annual meeting.

What is the difference between holding shares as a record holder and in street name ?

Record Holders	If your shares of common stock are registered directly in your name on our stock records, you are considered the stockholder of record, or the record holder of those shares. As the record holder you have the right to vote your shares in person or by proxy at the annual meeting.
Street Name Holders	If your shares of common stock are held in an account at a brokerage firm, bank, or other similar entity, then you are the beneficial owner of shares held in street name. The entity holding your account is considered the record holder for purposes of voting at the annual meeting. As the beneficial owner you have the right to direct this entity on how to vote the shares held in your account. However, as described below, you may not vote these shares in person at the annual meeting unless you obtain a legal proxy from the entity that holds your shares giving you the right to vote the shares at the meeting.

Table of Contents

Question: What am I being asked to vote on at the annual meeting?

You are being asked to vote on the following matters:

Election of Directors. The seven nominees for director who receive the most votes will be elected. So, if you do not vote for a particular nominee or you indicate withhold authority to vote for a particular nominee on your proxy card, such indication will have no effect on the election of directors and all seven nominees will be elected.

Advisory resolution to approve the named executive officers' compensation (Say-on-Pay). This proposal gives you the opportunity to vote for or against the compensation of the executive officers identified in our Summary Compensation Table in this Proxy Statement, including the Compensation Discussion and Analysis, the executive compensation tables and the related narrative discussion contained herein. Because your vote is advisory, it will not be binding upon the Board and may not be construed as overruling any decision by the Board of Directors. However, the Nominating and Corporate Governance and Compensation Committee may, in its sole discretion, take into account the outcome of the vote when considering future executive compensation arrangements.

Vote on the proposal on the frequency (every 1, 2, or 3 years) of future Say on Pay votes. This proposal gives you the opportunity to vote on the frequency of future Say on Pay votes. Because your vote is advisory, it will not be binding upon the Board and may not be construed as overruling any decision by the Board. However, the Board of Directors may, in its sole discretion, take into account the outcome of the vote when considering the frequency of future Say on Pay votes.

Amendment to the Company's Amended and Restated Certificate of Incorporation to approve the Reverse Stock Split. This proposal gives you the opportunity to approve an amendment to the Company's Amended and Restated Certificate of Incorporation to (i) effect a reverse stock split of our Common Stock by a ratio of not less than one-for-two and not more than one-for-twenty at any time prior to July 31, 2012, with the exact ratio to be set at a whole number within this range as determined by the Board of Directors in its sole discretion and (ii) proportionately reduce the number of authorized shares of our common stock by the Reverse Stock Split ratio determined by the Board of Directors.

Ratification of Selection of Independent Registered Public Accounting Firm. This proposal gives you the opportunity to ratify the Board of Directors' selection of KPMG, LLP (KPMG) as our independent registered public accounting firm. We are submitting the selection of KPMG for your ratification. If the stockholders do not ratify the selection by a majority vote of the present and voting shares, we will reconsider whether to retain KPMG. Even if the selection is ratified, we may, in our discretion, appoint a different independent registered public accounting firm at any time during the year if we determine that such a change would be in our best interest of the Company and in the best interest of our stockholders.

Question: How does our Board of Directors recommend that I vote on the proposals?

For the reasons set forth in more detail later in this Proxy, our Board of Directors unanimously recommends that you vote

FOR all of the seven (7) Director nominees named in this Proxy Statement (Item 1);

FOR the advisory resolution on Say on Pay (Item 2);

FOR the option of **every 1 year** as the frequency with which stockholders are provided a future Say on Pay vote (Item 3);

FOR the approval of the Reverse Stock Split of the Common Stock and the related proportionate reduction in the number of authorized shares of our common stock (Item 4); and

FOR the ratification KPMG LLP as our independent registered public accounting firm for the year ended December 31, 2011 (Item 5).

Table of Contents

Question: What is the required quorum at the annual meeting?

The required quorum for the transaction of business at the annual meeting is a majority of our outstanding shares of common stock. Shares voted on a matter are treated as being present for purposes of establishing a quorum.

Question: What vote is required to approve each the proposal at the annual meeting?

Election of Directors. Directors are elected by a plurality of votes cast. The seven (7) nominees receiving the most votes will be elected as our directors.

Say on Pay resolution. Approval of the Say on Pay vote requires the affirmative vote of a majority of the shares present in person or by proxy at the annual meeting and represented and voting on this item (which shares voting affirmatively also constitute at least a majority of the required quorum).

Vote on the proposal on the frequency of Say on Pay. Our stockholders will have four options to choose from when voting on the advisory vote on the frequency of future advisory votes regarding named executives compensation: **EVERY 1 YEAR** ; **EVERY 2 YEARS** ; **EVERY 3 YEARS** ; or **ABSTAIN**. Under our Bylaws, the option, if any, that receives the vote of a majority of the shares present in person or by proxy at the annual meeting and represented and voting on this item will be the option selected by our stockholders (which shares voting affirmatively also constitute at least a majority of the required quorum).

Amendment to the Company's Amended and Restated Certificate of Incorporation. Approval of the proposal to effect the Reverse Stock Split and related reduction in the number of authorized shares of our common stock requires the approval of a majority of outstanding shares of Common Stock.

Ratification of Selection of Independent Registered Public Accounting Firm. Approval of the proposal to ratify the selection of KPMG LLP as our independent registered public accounting firm requires the approval of a majority of shares represented and voting (which shares voting affirmatively also constitute at least a majority of the required quorum).

Question: What is the effect of broker-nonvotes and abstentions.

Abstentions and broker non-votes will be counted for purposes of determining a quorum. Your broker, however, will not be entitled to vote on the election of Directors, the advisory Say on Pay proposal, or the advisory frequency of Say on Pay proposal without your instruction. Broker non-votes will have no effect on the election of directors, or on the Say-on-Pay proposal, or the frequency of Say on Pay proposal (unless the shares voting affirmatively do not constitute a majority of the required quorum).

Your broker will be authorized to vote your shares on the Reverse Stock Split, and the proposal to ratify our independent registered public accounting firm, even if it does not receive instructions from you. Accordingly, broker non-votes will have no effect on that proposal.

Abstentions will have no effect on the election of directors, but will have the effect of a vote AGAINST the Reverse Stock Split, the ratification of our independent registered public accounting firm, the Say on Pay, and frequency of Say on Pay proposals.

Question: *How can I vote my shares?*

If you hold your common stock in your own name, and not through a broker or another nominee, you may vote your shares of common stock as follows, subject to compliance with the applicable cutoff times and deadlines described below in the [Vote by Telephone](#), [Vote by Internet](#), and [Vote by Proxy](#) paragraphs:

by using the toll-free telephone number listed on the proxy card;

by using the Internet website listed on the proxy card;

by signing, dating and mailing the proxy card in the enclosed postage-paid envelope; or

by attending the annual meeting and voting in person.

Table of Contents

Whichever of these methods you select to transmit your instructions, the proxy holders will vote your common stock in accordance with your instructions. If you give a proxy without specific voting instructions, your proxy will be voted by the proxy holders in favor of our Board's nominees and FOR for the Say on Pay, FOR the ANNUAL choice for frequency on future Say on Pay votes, FOR the Reverse Stock Split and FOR the ratification of our independent registered public accounting firm, and, at the Proxy holders' discretion on such other matters, if any, as may properly come before the annual meeting (including any proposal to adjourn the annual meeting).

Vote by Telephone. If you hold your common stock in your own name and not through your broker or another nominee, you can vote your shares of common stock by telephone by dialing the toll-free telephone number printed on your proxy card. Telephone voting is available 24 hours a day until 11:59 p.m., Pacific time, on August 16, 2011. Easy-to-follow voice prompts allow you to vote your shares of common stock and confirm that your instructions have been properly recorded. If you vote by telephone, you do not need to return your proxy card.

Vote by Internet. If you hold your common stock in your own name and not through your broker or another nominee, you can choose to vote via the Internet. The website for Internet voting is printed on your proxy card. Internet voting is available 24 hours a day until 11:59 p.m., Pacific time, on August 16, 2011. As with telephone voting, you will be given the opportunity to confirm that your instructions have been properly recorded. If you vote via the Internet, you do not need to return your proxy card.

Vote by Mail. You can vote by mail by signing, dating and returning the enclosed proxy card in the enclosed postage-paid envelope. Proxy cards sent by mail must be received by August 16, 2011.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholder.

Question: Can I change or revoke my vote after I return my proxy card?

You may revoke a proxy at any time before the vote is taken at the annual meeting by filing with our Corporate Secretary a properly executed proxy of a later date by mail, telephone or Internet, or by attending the annual meeting and voting in person. Any such filing should be made to the attention of Judith Kim, Corporate Secretary, Hanmi Financial Corporation, 3660 Wilshire Boulevard, Penthouse Suite A, Los Angeles, California 90010. Attendance at the annual meeting will not by itself constitute revocation of a proxy.

Question: How do I vote in person?

If you plan to attend the meeting and vote in person, we will give you a ballot form when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a legal proxy from your broker, bank or other nominee to vote the shares at the annual meeting.

Question: How will proxies be solicited?

In addition to soliciting Proxies by mail, our officers, directors, and employees, without receiving any additional compensation, may solicit Proxies by telephone, fax, in person, or by other means. Arrangements also will be made with brokerage firms and other custodians, nominees, and fiduciaries to forward proxy solicitation materials to the beneficial owners of our common stock held of record by such persons, and we will reimburse such brokerage firms, custodians, nominees, and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith. We have entered into an agreement with D.F. King to solicit on our behalf proxies. We expect to compensate D.F. King approximately \$5,500 for these services that they will provide to us. We will pay all reasonable expenses related to the solicitation of Proxies.

Table of Contents

Question: Will any other matters be considered at the meeting?

We are not aware of any matter to be presented at the annual meeting other than the proposals discussed in this proxy statement. If other matters are properly presented at the annual meeting, then the persons named as proxies will have the authority to vote all properly executed proxies in accordance with the direction of the board of directors, or, if no such direction is given, in accordance with the judgment of the persons holding such proxies on any such matter, including any proposal to adjourn or postpone the meeting.

Question: Are there any rules regarding admission to the annual meeting?

Yes. You are entitled to attend the annual meeting only if you were, or you hold a valid legal proxy naming you to act for, one of our stockholders on the record date. Before we will admit you to the meeting, we must be able to confirm:

Your identity by reviewing a valid form of photo identification, such as a driver's license; and

You were, or are validly acting for, a stockholder of record on the record date by:

verifying your name and stock ownership against our list of registered stockholders, if you are the record holder of your shares;

reviewing other evidence of your stock ownership, such as your most recent brokerage or bank statement, if you hold your shares in street name; or

reviewing a written proxy that shows your name and is signed by the stockholder you are representing, in which case either the stockholder must be a registered stockholder of record or you must have a brokerage or bank statement for that stockholder as described above.

If you do not have a valid form of picture identification and proof that you owned, or are legally authorized to act as proxy for someone who owned, shares of our common stock on June 20, 2011, you will not be admitted to the meeting.

At the entrance to the meeting, we will verify that your name appears in our stock records or will inspect your brokerage or bank statement, as your proof of ownership and any written proxy you present as the representative of a stockholder. We will decide *in our sole discretion* whether the documentation you present for admission to the meeting meets the requirements described above.

Question: Is my vote confidential?

Yes. It is our policy that documents identifying your vote are confidential. The vote of any stockholder will not be disclosed to any third party before the final vote count at the annual meeting except:

To meet legal requirements;

- To assert claims for or defend claims against the Company;
- To allow authorized individuals to count and certify the results of the stockholder vote;
- If a proxy solicitation in opposition to the Board takes place; or
- To respond to stockholders who have written comments on proxy cards or who have requested disclosure.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS****Board of Directors and Nominees**

Our Certificate of Incorporation and Bylaws provide for a Board of Directors consisting of no less than five (5) and no more than eleven (11) directors, the exact number within this range to be determined by our Board of Directors, with the current number fixed at seven (7). Subject to their earlier resignation or retirement, directors elected at the annual meeting will serve until the 2012 annual meeting of stockholders and until their successors are elected and qualified.

Our Board has identified certain minimum qualifications for its directors, including having a demonstrated breadth and depth of management and/or leadership experience, preferably in a senior leadership role, such as chief executive officer, president or partner, in a large or recognized organization or governmental entity. The Board believes that this particular qualification provides our directors with substantial experience relevant to serving as a director of our Company, including in areas such as financial management, risk assessment and management, strategic planning, human resources, management succession planning, business development, community affairs, corporate governance, and business operations. Our Board believes that each of our nominees satisfies our director qualification standards and accordingly nominates I Joon Ahn, John A. Hall, Paul Seon-Hong Kim, Joon Hyung Lee, Joseph K. Rho, William Stolte and Jay S. Yoo (President) for election to our Board of Directors. The nominees receiving the most votes will be elected. The nominees have indicated their willingness to serve. Each proxy will be voted for the election of such nominees unless instructions are given on the proxy to withhold authority to vote for them. In the event a nominee is unable to serve, your proxy will be voted for an alternative nominee as determined by our Board of Directors. All our director nominees have previously been elected by our stockholders.

None of the directors, nominees for directors, or executive officers was selected pursuant to any arrangement or understanding, other than with the directors and executive officers of Hanmi Financial acting within their capacity as such. There are no family relationships among our directors or executive officers. As of the date hereof, no directorships are held (or have been held within the last five years) by any director with a company that has a class of securities registered pursuant to Section 12 of the Exchange Act or subject to the requirements of Section 15(d) of the Exchange Act, or any company registered as an investment company under the Investment Company Act of 1940.

The following tables set forth information with respect to our directors and executive officers as of the record date as well as information concerning the reasons for selecting our director nominees to our Board:

Additionally, our Board considered the instrumental role Mr. Rho played in raising \$120 million capital in 2010. During the fiscal year ended December 31, 2010, the Board of Directors held thirty-eight (38) meetings. Except for Director Joon Hyung Lee, no Director attended fewer than seventy-five (75%) of the aggregate number of meetings of the Board of Directors and the committees on which he served. Mr. Lee attended seventy-three (73%) of the aggregate number of meetings of the Board of Directors and the committees on which he served. Hanmi Financial's policy is to encourage all Directors to attend all Annual and Special Meetings of Stockholders. Hanmi Financial's 2010 Annual Meeting of Stockholders was attended by all Directors.

The Board of Directors has three standing committees: the Audit Committee; the Nominating and Corporate Governance and Compensation Committee; and the Planning Committee. Each committee is governed by a charter, each of which is available through Hanmi Financial's website at www.hanmi.com by clicking on Investor Relations and then Corporate Governance.

Audit Committee

The Audit Committee appoints an independent registered public accounting firm to conduct the annual audit of Hanmi Financial's books and records. The Audit Committee also reviews with such accounting firm the scope and results of the annual audit, the performance by such accounting firm of professional services in addition to those related to the annual audit, and the adequacy of Hanmi Financial's internal controls. The current members of Hanmi Financial's Audit Committee are John A. Hall, Paul Seon-Hong Kim, Joon Hyung Lee, Joseph K. Rho and William Stolte, with Mr. Hall serving as its Chairman. Each member is an outside (or non-employee) Director and meets the independence requirements of the Securities and Exchange Commission (SEC) and NASDAQ. Mr. Hall, Mr. Kim, and Mr. Stolte are audit committee financial experts within the meaning of the current rules of the SEC. The Audit Committee held sixteen (16) meetings during the fiscal year ended December 31, 2010. See *Report of the Audit Committee of the Board of Directors*.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Board of Directors maintains an Audit Committee composed of a minimum of three (3) outside Directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies Rule 4350(d)(2)(A) of NASDAQ, which governs audit committee composition, because all Audit Committee members are independent directors.

The primary responsibility of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility to oversee management's conduct of Hanmi Financial's financial reporting process, including: overseeing the integrity of the financial reports and other financial information provided to governmental or regulatory bodies (such as the SEC), the public, and other users thereof; Hanmi Financial's systems of internal accounting and financial controls; and the annual independent audit of Hanmi Financial's financial statements.

Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for auditing the financial statements and expressing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles.

In fulfilling its oversight responsibilities, the Audit Committee reviewed the 2010 audited financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed in accordance with Statement of Auditing Standards No. 114 (as amended by AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T regarding Communication with Audit Committees. This included a discussion of the auditors' judgments as to the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, the disclosures in the financial statements, and any other matters that are required to be discussed with the Audit Committee under PCAOB standards. In addition, the Audit Committee received from the

Table of Contents

independent auditors written disclosures and the letter required by the applicable requirements of the PCAOB regarding the independent auditors' communication with the Audit Committee concerning independence, and the Audit Committee has discussed with the independent auditors the independent auditors' independence.

In addition, in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations, management assessed the effectiveness of Hanmi Financial's internal control over financial reporting as of December 31, 2010. Management based this assessment on criteria for effective internal control over financial reporting described in *Internal Control-Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Management's assessment included an evaluation of the design of Hanmi Financial's internal control over financial reporting and testing of the operational effectiveness of its internal control over financial reporting. At the conclusion of management's assessment, the Audit Committee reviewed a report submitted by management on the effectiveness of Hanmi Financial's internal control over financial reporting. The Audit Committee discussed with Hanmi Financial's independent auditors the overall scope and plans for their audits. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their audits and their evaluations of Hanmi Financial's internal controls and the overall quality of Hanmi Financial's financial reporting. The Audit Committee also discussed the independence of the independent auditors and concluded that their services provided to Hanmi Financial, including their tax and non-audit related work, was compatible with maintaining their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in Hanmi Financial's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 for filing with the SEC.

Planning Committee

The Planning Committee recommends planning policy, new lines of business, capital and financial plans, and dividend plans to the Board of Directors, and monitors Hanmi Financial's planning activities and Hanmi Financial's performance against its plans and budget. During 2010, the members of the Planning Committee were William Stolte, I Joon Ahn, Paul Seon-Hong Kim, Joseph K. Rho, and Jay S. Yoo, with Mr. Stolte serving as its Chairman. The Planning Committee held nineteen (19) meetings during the fiscal year ended December 31, 2010.

Nominating and Corporate Governance and Compensation Committee

The Nominating and Corporate Governance and Compensation Committee (NCGC Committee) assists the Board of Directors by: identifying individuals qualified to become Directors; recommends to the Board of Directors the Director nominees for the Board of Directors and Board committees for the next Annual Meeting; develops, recommends, and implements a set of corporate governance principles applicable to Hanmi Financial; and monitors the process to determine the effectiveness of the Board of Directors and its committees.

The NCGC Committee believes that the Board of Directors as a whole should encompass a range of talent, skill, diversity, and expertise enabling it to provide sound guidance with respect to Hanmi Financial's operations and

interests. In addition to considering a candidate's background and accomplishments, candidates are reviewed in the context of the current composition of the Board of Directors and the evolving needs of our business.

The NCGC Committee seeks directors with strong reputations and experience in areas relevant to the strategy and operations of Hanmi Financial's business, particularly industries and growth segments that Hanmi Financial serves, such as the banking and financial services industry, as well as key geographic markets where Hanmi Financial operates. Each of Hanmi Financial's current Directors holds or has held senior executive positions in large, complex organizations and has operating experience that meets this objective. In these positions, they have

Table of Contents

also gained experience in core management skills, such as strategic and financial planning, public company financial reporting, corporate governance, risk management, and leadership development.

The NCGC Committee also believes that each of the current Directors has other key attributes that are important to an effective board: integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and collaborative fashion; diversity or origin, background, experience, and the commitment to devote significant time and energy to service on the Board of Directors.

The NCGC Committee annually reviews the individual skills and characteristics of the Directors, as well as the composition of the Board as a whole. This assessment includes a consideration of independence, diversity, age, skills, expertise, time availability, and industry background in the context of the needs of the Board of Directors and the Company. Although the Company has no policy regarding diversity, the NCGC Committee seeks a broad range of perspectives and considers both the personal characteristics (gender, ethnicity, age) and experience (industry, professional, public service) of Directors and prospective nominees to the Board of Directors. The NCGC welcomes recommendations by stockholders for Director nominees. Recommendations by any stockholder for Director nominees must be submitted in writing to the Chairman of the NCGC Committee at Hanmi Financial's principal executive offices, no later than the last business day of January of the year that Hanmi Financial's next Annual Meeting will be held, to be considered at such Annual Meeting. Stockholders shall include in such recommendation:

The name, age, and address of each proposed Director nominee;

The principal occupation of each proposed nominee;

The number of shares of voting stock of Hanmi Financial owned by each proposed nominee;

The name and address of the nominating stockholder;

The number of shares of voting stock of Hanmi Financial owned by the nominating stockholder; and

A letter from the proposed nominee indicating that such proposed nominee wishes to be considered as a nominee for the Board of Directors and will serve as a Director if elected.

In addition, each recommendation must set forth, in detail, the reasons why the nominating stockholder believes the proposed nominee meets the following general qualifications, which are the same qualifications used by the NCGC Committee in evaluating nominees:

Nominees must possess high personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of Hanmi Financial's stockholders;

Nominees must have an inquisitive and objective perspective, practical wisdom, and mature judgment;

Nominees must possess a broad range of skills, expertise, industry knowledge, and contacts useful to Hanmi Financial's business;

Nominees must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on the Board of Directors for an extended period of time;

Pursuant to the Corporate Governance Guidelines, nominees, once elected, should not serve on the boards of directors of more than two other public companies and, unless granted an exception by Hanmi Financial's

Board of Directors, nominees cannot serve simultaneously as a Director of Hanmi Financial and as a director or officer of any other depository organization other than a subsidiary bank of Hanmi Financial; and

Pursuant to the Corporate Governance Guidelines, nominees are encouraged to own shares of common stock of Hanmi Financial at a level that demonstrates a meaningful commitment to Hanmi Bank and Hanmi Financial, and to better align the nominee's interests with the stockholders of Hanmi Financial.

In identifying and evaluating Director candidates, the NCGC Committee will solicit and receive recommendations, and review qualifications of potential Director candidates. The NCGC Committee also may use search firms to identify Director candidates. To enable the NCGC Committee to effectively evaluate Director candidates, the NCGC Committee also may conduct appropriate inquiries into the backgrounds and qualifications of Director

Table of Contents

candidates, including reference checks. As stated above, the NCGC Committee will consider Director candidates recommended by stockholders utilizing the same criteria as candidates identified by the NCGC Committee.

Additionally, the NCGC Committee is responsible for determining the compensation of all of Hanmi Financial's executive officers, including Hanmi Financial's Chief Executive Officer, as well as administering Hanmi Financial's compensation plans. The NCGC Committee has the authority to delegate such decisions to subcommittees of the NCGC Committee. The NCGC Committee also is authorized to retain outside consultants to assist it in determining executive officer compensation.

The members of the NCGC Committee are Joon Hyung Lee, I Joon Ahn, John A. Hall, Paul Seon-Hong Kim, and Joseph K. Rho, with Mr. Lee serving as its Chairman. The NCGC Committee held seventeen (17) meetings during 2010. See *The NCGC Committee Report*.

Leadership Structure

The Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board of Directors. The Board of Directors has determined that having an independent director serve as Chairman of the Board is in the best interest of the Company's stockholders at this time. This structure ensures a greater role for the independent Directors in the oversight of the Company and active participation of the independent Directors in setting agendas and establishing Board priorities and procedures. Further, this structure permits the Chief Executive Officer to focus on the management of the Company's day-to-day operations.

Risk Oversight

The Company has a risk management program overseen by Jean Lim, the Chief Risk Officer of Hanmi Bank, who reports directly to the Bank's Chief Executive Officer. Material risks are identified and prioritized by management, and each prioritized task is referred to a Board committee or the full Board of Directors for oversight. For example, strategic risks are referred to the full Board of Directors while financial risks are referred to the Audit Committee. The Board of Directors regularly reviews information regarding the Company's credit, liquidity, and operations, as well as the risks associated with each, and annually reviews the Company's risk management program as a whole. Also, the NCGC Committee periodically reviews the most important risks to the Company to ensure that compensation programs do not encourage excessive risk-taking. The NCGC Committee believes the compensation program does not encourage excessive risk-taking.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Exchange Act, Hanmi Financial's Directors, executive officers, and any persons holding ten percent (10%) or more of Hanmi Financial's common stock are required to report their ownership of common stock and any changes in that ownership to the SEC and to furnish Hanmi Financial with copies of such reports. Specific due dates for these reports have been established, and Hanmi Financial is required to report in this Annual Report of Form 10-K/A any failure to file on a timely basis by such persons. Based solely upon a review of copies of reports filed with the SEC during the fiscal year ended December 31, 2010, Hanmi Financial believes that all persons, subject to the reporting requirements of Section 16(a), filed all required reports on a timely basis.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This Compensation Discussion and Analysis (CD&A) describes our compensation philosophy, methodologies and our current practices with respect to the remuneration programs for the individuals listed in the Summary Compensation Table on page (the Named Executive Officers). The compensation programs of our Named Executive Officers are established, evaluated and maintained by the NCGC Committee. The NCGC

Table of Contents

Committee is comprised entirely of outside Directors that satisfy the NASDAQ listing requirements and relevant Internal Revenue Code and SEC regulations on independence.

Compensation Philosophy and Objectives

The compensation programs provided to our Named Executive Officers are designed to attract and retain high caliber banking executives, and to appropriately reward them for their achievement of business objectives that further the success Hanmi Financial, without inducing them to take excessive risk. Another objective is to encourage on-going and continued performance by offering long-term incentives, such as stock options, that align executive and shareholders' interest. In the end, the overriding goal is to maximize shareholder value.

Methodology for Establishing Compensation

To assist the NCGC Committee in its administration of the compensation programs for the Named Executive Officers, the Human Resources Department gathers data from competing financial institutions. The compensation data is obtained from both proxy statements of publicly traded banks and from salary survey data provided by the California Department of Financial Institutions. In addition to the market data gathered by the Human Resources Department, the NCGC Committee also reviews and considers the recommendations of the Chief Executive Officer (the CEO).

In establishing the target compensation levels and pay mix for the Named Executive Officers, the NCGC Committee periodically reviews publicly disclosed compensation data of California banks with total assets ranging between \$1.2 and \$11.5 billion (the Peer Group), including:

	Total Assets (Billions)
Cathay Bancorp	\$ 11.5
Center Financial Corporation	\$ 2.1
CVB Financial Corporation	\$ 6.7
Nara Bancorp Inc.	\$ 3.2
Pacific Mercantile Bancorp	\$ 1.2
PacWest Bancorp	\$ 5.3
Sierra Bancorp	\$ 1.3
Temecula Valley Bancorp Inc.	\$ 1.5
Trico Bancshares	\$ 2.1
Wilshire Bancorp Inc.	\$ 3.4

The Peer Group was selected to include banks comparable in size and those that Hanmi Financial competes with in the market for executive talent, including three banks that are direct competitors in the Los Angeles Korean American community. The survey data was used by the NCGC Committee as a second point of reference in determining the appropriate levels of compensation and pay mix for the Named Executive Officers.

Although the decisions regarding the compensation levels are guided by the information provided from the Peer-Group and survey data, the NCGC Committee also takes into account the prevailing economic environment and our current financial condition. The objective of the NCGC Committee is to establish compensation programs that are motivating but affordable, with the purpose of aligning the interests of our Named Executive Officers with that of our stockholders.

Elements of the Compensation Program

The following describes the various components of the compensation mix that the Company provides to the Named Executive Officers, the objectives of each pay component, and how each component is used to create a total competitive compensation package.

The NCGC Committee provides the Named Executive Officers with a compensation package that includes annual base salary, short-term cash incentive compensation, long-term incentive awards, deferred compensation, executive perquisites, and a broad-based benefits program.

Table of Contents

Annual Base Salary

Annual base salaries are the fixed portion of the Named Executive Officers' cash compensation and are intended to reward the day-to-day aspects of their roles and responsibilities. The Named Executive Officers' annual salaries were set at the time they first joined the bank. The initial salaries were established by taking into account several factors including, but not limited to, the executive's experience, responsibilities, management abilities, and job performance. Hanmi Financial targets base salaries for its Named Executive Officers at market median. The NCGC Committee believes that the fiscal year 2010 base salaries of Hanmi Financial's Named Executive Officers are competitive with companies of similar size. Pay adjustments are generally made annually, after reviewing overall company performance, individual performance and the affordability of the increase. In the past year, there were no salary adjustments. The CEO's annual adjustment to base salary is incorporated in the Employment Agreement. In 2010, the CEO is the only Named Executive Officer who has an Employment Agreement with Hanmi. All other Named Executive Officers are employed at-will.

Short-Term Cash Incentive Compensation

In accordance with Hanmi Financial's compensation philosophy, a significant portion of the compensation of the Named Executive Officers is performance based. For each Named Executive Officer, target bonuses are stated as a percentage of base salary. The annual bonus payable to the CEO is capped at 75% of his base salary. The annual bonuses payable to the other Named Executive Officers are capped at 50% of base salary.

The NCGC Committee reviews performance against pre-established financial and non-financial goals on an annual basis to determine the short-term cash incentive compensation of the Named Executive Officers. In 2010, financial performance was measured by Asset Quality, Liquidity, Capital Adequacy, Earnings and Balance Sheet Deleveraging. These metrics were weighted differently among the various Named Executive Officers. The non-financial goal in 2010 was measured based on the Leadership Capability for each of the Named Executive Officers. No other performance goals were established by the NCGC Committee for determining the short-term cash incentive compensation for the Named Executive Officers. The individual performance of each Named Executive Officer is discussed below.

Long-Term Incentive Awards

Long-term incentive awards, such as stock options and restricted stock, are the third key component of the Named Executive Officers' total compensation. The members of the NCGC Committee believe that employee stock ownership is a significant incentive for the Named Executive Officers to build stockholder wealth, and thereby aligning the interests of employees and stockholders. The members of the NCGC Committee also believe that equity-based compensation complements the short-term cash incentive compensation by forcing executives to recognize the impact their short-term decisions might have on long-term outcomes. This compensation approach limits an executive's ability to reap short-term gains at the expense of Hanmi Financial's long-term success. This is also an important tool in retaining Named Executive Officers, particularly through less rewarding years.

Long-term incentive awards are granted to the Named Executive Officers pursuant to the 2007 Stock Equity Compensation Plan (the "2007 Plan"). The NCGC Committee has not established grant guidelines; rather, the size, timing, and other material terms of the long-term incentive awards for the Named Executive Officers are made at the discretion of the Board of Directors and the NCGC Committee. Factors considered by the NCGC Committee and the Board of Directors include awards to industry peers and each executive's previous grant history. Stock Options and restricted stock grants awarded are included in the Summary Compensation Table.

The NCGC Committee approves all awards under the 2007 Plan and acts as the administrator of the 2007 Plan. Stock options granted under the 2007 Plan generally vest over a five-year period, with 20 percent becoming exercisable (vesting) on each anniversary of the grant date. All stock options are granted with a ten-year exercise term and have an exercise price equal to the fair market value of Hanmi Financial's common stock on the grant date. Restricted stock granted under the 2007 Plan generally vests over a five-year period, with 20 percent becoming unrestricted on each anniversary of the grant date.

Table of Contents

Deferred Compensation

Under Hanmi Financial's Deferred Compensation Plan (DCP), the Named Executive Officers may defer up to 100 percent (100%) of their base salary and up to 100 percent (100%) of their short-term cash incentive compensation. The amounts deferred under the DCP are payable upon termination or retirement under the distribution schedule elected by the participant. Taxes are due upon distribution.

The DCP is intended to comply, both in form and operation, with the requirements of Internal Revenue Code Section 409A and shall be limited, construed, and interpreted in accordance with such intent. To the extent that any payment under the DCP is subject Section 409A, it is intended that it be paid in a manner that shall comply with Section 409A, including the final regulations or any other applicable guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. In 2010, no Named Executive Officers participated in the DCP.

Executive Perquisites

The Named Executive Officers and other senior management employees receive the following benefits in addition to their other compensation: gasoline card; cellular phone allowance; and automobile allowance. Chief Executive Officer, Jay S. Yoo, also received a membership in a business club and golf country club. These additional benefits of the Named Executive Officers are detailed in the Summary Compensation Table.

Broad-Based Benefits Programs

The Named Executive Officers participate in the benefit programs that are available to all full-time employees. These benefits include health, dental, vision, and life insurance, short-term and long-term disability insurance, healthcare reimbursement accounts, paid vacation, and contributions to a 401(k) profit sharing retirement plan.

Severance Arrangements

The CEO's Employment Agreement contains a provision for severance pay of a period of six (6) months in case of his involuntary termination of employment without cause, including following a change in control. The other Named Executive Officers do not have any such severance arrangements.

Compensation Policy Risk Assessment

The NCGC Committee reviews the compensation of the Named Executive Officers, as well as the overall compensation practices for the organization. Any performance incentive programs, awarding of bonus payments, and the budgeting for annual salary adjustments are reviewed and approved by the NCGC Committee before being presented to the full board of directors for ratification. An important aspect of the review is an assessment of whether the programs in any way encourage the Named Executive Officers or any other employee of Hanmi Financial to take unacceptable risk, in the short term and for the long term.

Named Executive Officers' Compensation

The Chief Executive Officer meets with the NCGC Committee to review the Chief Executive Officer's compensation recommendation for the other Named Executive Officers. No adjustments were made in 2010 for any of the Named Executive Officers as a result of the unprecedented decline in the economy and concurrent deterioration in the Company's performance.

Employment Agreement with Chief Executive Officer, Jay S. Yoo

Jay S. Yoo joined Hanmi Financial and Hanmi Bank as President and Chief Executive Officer as of June 23, 2008. His Employment Agreement, as amended by Amendment to Employment Agreement, dated as of February 23, 2011, has a three-year term, which expires on June 23, 2013, and provides for a base salary of \$350,000, which increases by \$10,000 on June 23, 2011 and June 23, 2012, and with a target bonus of up to seventy-five percent (75%) of his annual base salary. The increase in Mr. Yoo's base salary to \$350,000 was made retroactive to June 2010.

Table of Contents

Mr. Yoo's bonus, which is to be paid in cash, is dependent on the attainment of certain financial goals set by the Board of Directors. The financial goals were set in early 2010, and based on the defined goals, no bonus was paid to Mr. Yoo in 2010.

In addition, under Mr. Yoo's Employment Agreement, as amended, he is entitled to the use of a company car, a bank issued cellular telephone, membership in a business club and golf country club, and payment of reasonable business related expenses. The Amendment to his Employment Agreement also provided for the granting of an option to purchase 150,000 shares of Hanmi Financial stock. The terms of the stock options are subject to the terms and conditions set forth in the 2007 Plan. The options vest in equal installments over three years starting one year after the date of the grant. The Amendment to Mr. Yoo's Employment Agreement also provides for the issuance of 60,000 shares of restricted stock. The terms of the restricted stock are subject to the terms and conditions set forth in the 2007 Plan. This restricted stock vests in equal installments over three years starting one year after the issuance date. Because the stock option grant and issuance of restricted stock took place at the time of the Amendment to the Employment Agreement in 2011, these equity grants are not included in Mr. Yoo's compensation for the fiscal year ended December 31, 2010.

Compensation for Chief Financial Officer, Brian Cho

Brian E. Cho, Executive Vice President & Chief Financial Officer joined the organization in December 2007. He does not have an employment agreement and his employment is at-will. Per his employment letter executed November 1, 2007, his annual base salary is \$270,000 and he is eligible to receive incentive cash compensation of up to fifty percent (50%) of his annual base salary. The bonus payable to Mr. Cho is wholly dependent on the bank's performance and his individual performance.

In 2010, he received an annual base salary of \$270,000, as well as an auto allowance of \$700 per month, a cell phone allowance of \$100 per month, a gas card, and other general benefits afforded to all employees. Mr. Cho's bonus, which is to be paid in cash, is dependent on the attainment of certain financial goals set by the Board of Directors. The financial goals were set in early 2010, and based on the defined goals, no bonus was paid to Mr. Cho.

Compensation for Chief Credit Officer, Jung Hak Son

Mr. Jung Hak Son, Senior Vice President and Chief Credit Officer since December 2009, also does not have an employment agreement and his employment is at-will. His annual compensation is \$210,000, and he is eligible to receive incentive cash compensation of up to forty percent (40%) of his base salary.

In 2010, he received an annual base salary of \$210,000, as well as an auto allowance of \$700 per month, a cell phone allowance of \$100 per month, a gas card, and other general benefits afforded to all employees. Mr. Son's bonus, which is to be paid in cash, is dependent on the attainment of certain financial goals set by the Board of Directors. The financial goals were set in early 2010, and based on the defined goals, no bonus was paid to Mr. Son.

Administrative Policies and Practices

To evaluate and administer the compensation programs of the Named Executive Officers, the NCGC Committee meets regularly, at least four times a year. In addition, the NCGC Committee also holds special meetings to discuss extraordinary items. At the end of a meeting, the NCGC Committee may choose to meet in executive session, when necessary. In 2010, the NCGC Committee met 17 times.

Stock Ownership Guidelines

The NCGC Committee has not implemented stock ownership guidelines for the Named Executive Officers; however, the NCGC Committee continues to periodically review best practices and re-evaluate whether stock ownership guidelines are consistent with our compensation philosophy and stockholders' interests.

Tax Deductibility of Executive Officer Compensation

Internal Revenue Code Section 162(m) precludes a public corporation from taking a deduction for compensation in excess of \$1 million for its chief executive officer or any of its three other highest paid executive officers

Table of Contents

(excluding the chief financial officer), unless certain specific and detailed criteria are satisfied. However, performance-based compensation that has been approved by stockholders is excluded from the \$1 million limit. Based on compensation paid for services performed in 2010, the deduction taken for the compensation paid to the Named Executive Officers was not limited by Section 162(m). The NCGC Committee will continue to carefully consider the impact of Section 162(m) in determining the appropriate pay mix and compensation levels for the Named Executive Officers.

NCGC Committee Report

The following Compensation Committee Report should not be deemed filed or incorporated by reference into any other document, including Hanmi Financial's filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report into any such filing by reference.

The NCGC Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 401(b) of Regulation S-K with management and, based on such review and discussions, the NCGC Committee recommended to the Board of Directors of Hanmi Financial that the Compensation Discussion and Analysis be included in this Proxy Statement.

Respectfully submitted by the NCGC Committee
of the Board of Directors,

Joon Hyung Lee (Chairman)

Outstanding Equity Awards at Fiscal Year-End

In 2000, the Company's Board of Directors adopted the Hanmi Financial Year 2000 Stock Option Plan (2000 Stock Option Plan) which was approved by shareholders in May 2000. The purpose of the 2000 Stock Option Plan is to enable the Company to attract, retain and motivate officers, directors, and employees by providing for or increasing their proprietary interests in the Company and, in the case of non-employee directors, to attract such directors and further align their interests with those of the Company's shareholders by providing or increasing their proprietary interests in the Company. The maximum number of shares of the Company's common stock that may be

issued pursuant to options currently outstanding under the 2000 Plan is 726,891 (subject to adjustment to prevent dilution). Options are no longer being issued under the 2000 Stock Option Plan.

In 2007, our Board of Directors adopted the Hanmi Financial Corporation 2007 Plan. A key objective of the 2007 Plan is to provide more flexibility in the types of equity incentives that may be offered to employees, consultants and non-employee directors. The 2007 Plan provides for several different types of equity awards in addition to stock options and restricted stock awards. Stock options granted under the 2007 Plan generally vest over a five-year period, with 20 percent becoming exercisable 12 months following the grant date, and 20 percent thereafter on each anniversary of the grant date. All stock options are granted with a ten-year exercise term and have an exercise price equal to the fair market value of Hanmi Financial's common stock on the date of grant. Restricted stock granted under the 2007 Plan also generally vest over a five-year period, with 20 percent becoming unrestricted 12 months following the grant date, and 20 percent thereafter on each anniversary of the grant date.

The 2007 Plan provides Hanmi Financial flexibility to (i) attract and retain qualified non-employee directors, executives and other key employees and consultants with appropriate equity-based awards, (ii) motivate high levels of performance, (iii) recognize employee contributions to Hanmi Financial's success, and (iv) align the interests of plan participants with those of Hanmi Financial's stockholders. In addition, the Board believes a robust equity compensation program is necessary to provide Hanmi Financial with flexibility in negotiating strategic acquisitions and other business relationships to further expand and grow our business. The maximum number of shares of the Company's common stock that may be issued pursuant to equity grants under the 2007 Plan is 3,000,000. 752,667 shares were previously issued under the 2007 Plan and there were 485,600 outstanding options under the 2007 Plan.

Certain Relationships and Related Transactions

Some of Hanmi Financial's Directors and executive officers and their immediate families, as well as the companies with which they are associated, are customers of, or have had banking transactions with, Hanmi Financial or Hanmi Bank in the ordinary course of Hanmi Financial's business, and Hanmi Financial expects to have banking transactions

with such persons in the future. In management's opinion, all loans and commitments to lend included in such transactions were made in the ordinary course of business, in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness who were not affiliated with Hanmi Financial and, in the opinion of management, did not involve more than a normal risk of repayment or present other unfavorable features. Hanmi Bank has an outstanding home equity loan to Jung Hak Son for \$99,000 at a 3.25% interest rate. Mr. Son obtained this loan in 2007, before he became an executive officer, as a participant in a discount loan program offered to all employees of Hanmi Bank.

Review, Approval or Ratification of Transactions With Related Persons

Hanmi Financial has adopted a Related Person Transaction Policy (Policy). The Policy provides that executive officers, Directors, five-percent (5%) stockholders, and their family members, and entities for which any of those persons serve as officers or partners or in which they have a ten percent (10%) or greater interest, must notify Hanmi Financial's Corporate Secretary before entering into transactions or other arrangements with Hanmi Financial or any of its affiliates (other than loans subject to Regulation O promulgated by the Board of Governors of

Table of Contents

the Federal Reserve System) if the amount exceeds \$25,000. Hanmi Financial's Corporate Secretary will determine whether, under the guidelines in the Policy, the transaction or arrangement should be submitted to the Audit Committee for approval. In determining whether to submit proposed transactions to the Audit Committee for consideration, Hanmi Financial's Corporate Secretary will consider, among other things, the aggregate value of the proposed transaction, the benefits to Hanmi Financial of the proposed transaction, and whether the terms of the proposed transaction are comparable to the terms available to an unrelated third party and employees generally. The Policy also includes provisions for the review and possible ratification of transactions and arrangements that are entered into without prior review under the Policy. During 2010, neither Hanmi Financial nor any of its affiliates entered into any related party transactions that required review, approval, or ratification under the Policy.

Director Independence

The Board of Directors has determined that all of its Directors are independent under the applicable listing standards of The NASDAQ Stock Market, Inc. (NASDAQ), except for Jay S. Yoo, who also serves as the President and Chief Executive Officer of Hanmi Financial.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF ALL SEVEN NOMINEES FOR DIRECTOR.

PROPOSAL NO. 2

NAMED EXECUTIVE OFFICERS' COMPENSATION

As provided by the Dodd-Frank Act and recent SEC rulemaking, we are asking our stockholders to approve an advisory resolution regarding compensation paid to named executives as described in the CD&A, the compensation tables and related disclosures. This item, known as a "Say on Pay" proposal, gives our stockholders the opportunity to express their views on our 2010 compensation decisions and policies for our named executives as discussed in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executives and the philosophy, policies and practices described in this Proxy Statement.

Accordingly, we ask our stockholders to indicate their support for our executive compensation program for our named executives and vote **FOR** the following resolution at the Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby **APPROVED**.

Because your vote is advisory, it will not be binding upon the Board or the Compensation Committee and may not be construed as overruling any decision by the Board or the Compensation Committee. However, the Board and Compensation Committee may, in each of their sole discretion, take into account the outcome of the vote when considering future executive compensation arrangements. Under our By-laws, this proposal will be approved if it receives the affirmative vote of a majority of shares present in person or by proxy and voting at the annual meeting (which shares voting affirmatively also constitute at least a majority of the required quorum).

Stockholders are encouraged to carefully review the Compensation Discussion and Analysis and Compensation for Named Executive Officers sections of this Proxy Statement for a detailed discussion of the Company's executive compensation program for our named executives.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS STOCKHOLDERS VOTE FOR THE ADVISORY RESOLUTION APPROVING THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVES AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL NO. 3

VOTE ON THE FREQUENCY OF FUTURE SAY ON PAY VOTES

In Item 2 above, the Company's stockholders are asked to cast an advisory Say on Pay vote. Pursuant to the Dodd-Frank Act and recent SEC rulemaking, at least once every six years the Company is required to ask stockholders to cast an advisory vote on how often the Company should include in its proxy materials for future stockholder meetings the Say on Pay vote similar to Item 2. Under this Item 3, stockholders may vote to have the Say on Pay vote every 1 year, every 2 years or every 3 years or abstain from voting.

Voting and Effect of Vote

The proxy card provides stockholders with four choices for voting on Item 3: **EVERY 1 YEAR, EVERY 2 YEARS, EVERY 3 YEARS**, or **ABSTAIN**. Under our By-laws, the option, if any, that receives the vote of a majority of shares represented in person or by proxy and voting at the annual meeting will be the frequency for the advisory vote on executive compensation that has been selected by our stockholders (which shares voting for any one proposal also constitute at least a majority of the required quorum).

The Board values the opinions of the Company's stockholders as expressed through their votes on this Item 3. Although the vote is advisory and not binding on the Board, the Board will carefully consider the outcome of this vote when making future decisions regarding the frequency of Say on Pay votes.

Board Recommendation

After careful consideration of the most appropriate frequency for the Say on Pay vote, the Board has determined that an advisory vote on executive compensation that occurs every year is the best alternative for the Company and its stockholders. In formulating its recommendation, the Board considered that an annual Say on Pay vote will allow our stockholders to provide their input on named executives' compensation on the most frequent basis, which the Board believes is the optimum method for utilizing the important Say on Pay communication. If the Say on Pay vote is held less frequently than annually, the compensation being voted upon and the results of the vote may be confusing and less clear to both stockholders and the Board. Further, an annual Say on Pay vote aligns with the Board's annual decision-making on named executives' compensation as described in this proxy statement. Therefore our Board recommends that you vote to hold an advisory vote on executive compensation annually.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE OPTION OF EVERY 1 YEAR AS THE FREQUENCY WITH WHICH STOCKHOLDERS ARE PROVIDED A SAY ON PAY VOTE.

PROPOSAL 4

VOTE ON AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT OF COMMON STOCK

Our Board has adopted resolutions (1) declaring that an amendment to the Company's Amended and Restated Certificate of Incorporation to effect a reverse stock split, as described below, was advisable and (2) directing that a

proposal to approve the Reverse Stock Split be submitted to the holders of our common stock for their approval at this annual meeting.

The form of the proposed amendment to the Company's Amended and Restated Certificate of Incorporation to effect a reverse stock split will be substantially as set forth on Annex A (subject to any changes required by applicable law). If approved by our stockholders, the Reverse Stock Split would permit (but not require) the Board of Directors to effect a reverse stock split of our common stock at any time prior to July 31, 2012 by a ratio of not less than one for two and not more than one-for-twenty, with the exact ratio to be set at a whole number within this range

Table of Contents

as determined by our Board in its sole discretion. We believe that enabling our Board to set the ratio within the stated range will provide us with the flexibility to implement the Reverse Stock Split in a manner designed to maximize the anticipated benefits for our stockholders. In determining a ratio, if any, following the receipt of stockholder approval, our Board may consider, among other things, factors such as:

the historical trading price and trading volume of our common stock;

the number of shares of our common stock outstanding;

the then-prevailing trading price and trading volume of our common stock and the anticipated impact of the Reverse Stock Split on the trading market for our common stock;

the anticipated impact of a particular ratio on our ability to reduce administrative and transactional costs; and prevailing general market and economic conditions.

Our Board reserves the right to elect to abandon the Reverse Stock Split, including any or all proposed reverse stock split ratios, if it determines, in its sole discretion, that the Reverse Stock Split is no longer in the best interests of the Company and its stockholders.

Depending on the ratio for the Reverse Stock Split determined by our Board, no less than two and no more than twenty shares of existing common stock, as determined by the Board of Directors, will be combined into one share of common stock. The number of shares of common stock issued and outstanding will then be rounded-up, depending upon the reverse stock split ratio determined by our Board. The amendment to the Company's Amended and Restated Certificate of Incorporation to effect a reverse stock split, if any, will include only the reverse split ratio determined by our Board to be in the best interests of our stockholders and all of the other proposed amendments at different ratios will be abandoned.

If the Reverse Stock Split is effected, we will also proportionately reduce the number of authorized shares of our common stock in connection with approval of our Reverse Stock Split, as described below in Authorized Shares. Accordingly, we are also proposing to adopt an amendment to the Company's Amended and Restated Certificate of Incorporation to reduce the total number of authorized shares of common stock, depending on the reverse split ratio determined by our Board. If the Board of Directors abandons the Reverse Stock Split, it will also abandon the related proposed reduction in the number of authorized shares of common stock.

To avoid the existence of fractional shares of our common stock, the Company will round up any fractions to the next whole share.

Background and Reasons for the Reverse Stock Split

Our Board is submitting the Reverse Stock Split to our stockholders for approval with the primary intent of increasing the market price of our common stock to make our common stock more attractive to a broader range of institutional and other investors. In addition to increasing the market price of our common stock, the Reverse Stock Split would also reduce certain of our costs, as discussed below. Accordingly, for these and other reasons discussed below, we believe that effecting the Reverse Stock Split is in the Company's and our stockholders' best interests.

We believe that the Reverse Stock Split will make our common stock more attractive to a broader range of institutional and other investors, as we have been advised that the current market price of our common stock may affect its acceptability to certain institutional investors, professional investors and other members of the investing

public. Many brokerage houses and institutional investors have internal policies and practices that either prohibit them from investing in low-priced stocks or tend to discourage individual brokers from recommending low-priced stocks to their customers. In addition, some of those policies and practices may function to make the processing of trades in low-priced stocks economically unattractive to brokers. Moreover, because brokers' commissions on low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, the current average price per share of common stock can result in individual stockholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were substantially higher. We believe that the Reverse Stock Split will make our common stock a more attractive and cost effective investment for many investors, which will enhance the liquidity of the holders of our common stock.

Table of Contents

Reducing the number of outstanding shares of our common stock through the Reverse Stock Split is intended, absent other factors, to increase the per share market price of our common stock. However, other factors, such as our financial results, market conditions and the market perception of our business may adversely affect the market price of our common stock. As a result, there can be no assurance that the Reverse Stock Split, if completed, will result in the intended benefits described above, that the market price of our common stock will increase following the Reverse Stock Split or that the market price of our common stock will not decrease in the future. Additionally, we cannot assure you that the market price per share of our common stock after a Reverse Stock Split will increase in proportion to the reduction in the number of shares of our common stock outstanding before the Reverse Stock Split. Accordingly, the total market capitalization of our common stock after the Reverse Stock Split may be lower than the total market capitalization before the Reverse Stock Split.

In addition to increasing the price of our common stock, we believe that a Reverse Stock Split will provide us and our stockholders with other benefits. Currently, the fees that we pay to list our shares on the NASDAQ Global Select Market are based on the number of shares we have outstanding. Also, the fees that we pay for custody and clearing services, the fees that we pay to the SEC to register securities for issuance and the costs of our proxy solicitations are all based on or related to the number of shares being held, cleared or registered as applicable. Reducing the number of shares that are outstanding and that will be issued in the future may reduce the amount of fees and tax that we pay to these organizations and agencies, as well as other organizations and agencies that levy charges based on the number of shares rather than the value of the shares.

Procedure for Implementing the Reverse Stock Split

The Reverse Stock Split, if approved by our stockholders, would become effective upon the filing (the Effective Time) of a certificate of amendment to the Company s Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware. The exact timing of the filing of the certificate of amendment that will effect the Reverse Stock Split will be determined by our Board based on its evaluation as to when such action will be the most advantageous to the Company and our stockholders. In addition, our Board reserves the right, notwithstanding shareholder approval and without further action by the stockholders, to elect not to proceed with the Reverse Stock Split if, at any time prior to filing the amendment to the Company s Amended and Restated Certificate of Incorporation, our Board, in its sole discretion, determines that it is no longer in our best interest and the best interests of our stockholders to proceed with the Reverse Stock Split. If a certificate of amendment effecting the Reverse Stock Split has not been filed with the Secretary of State of the State of Delaware by the close of business on July 31, 2012, the Board of Directors will abandon the Reverse Stock Split.

Effect of the Reverse Stock Split on Holders of Outstanding Common Stock

Depending on the ratio for the Reverse Stock Split determined by the Board of Directors, a minimum of two and a maximum of twenty shares of existing common stock will be combined into one new share of common stock. The number of shares of common stock issued and outstanding will therefore be rounded-up, depending upon the reverse stock split ratio determined by the Board of Directors. The table below shows, as of June 1, 2011, the

Table of Contents

number of authorized and issued shares of common stock (including Treasury shares) that would result from the listed hypothetical reverse stock split ratios (without giving effect to the treatment of fractional shares):

Reverse Stock Split Ratio	Approximate Number of Authorized and Issued Shares of Common Stock Following the Reverse Stock Split
1-for-2	77,945,445
1-for-3	51,963,630
1-for-4	38,972,723
1-for-5	31,178,178
1-for-6	25,981,815
1-for-7	22,270,128
1-for-8	19,486,362
1-for-9	17,321,210
1-for-10	15,589,089
1-for-11	14,171,900
1-for-12	12,990,908
1-for-13	11,991,607
1-for-14	11,135,064
1-for-15	10,392,726
1-for-16	9,743,181
1-for-17	9,170,053
1-for-18	8,660,605
1-for-19	8,204,784
1-for-20	7,794,545

The actual number of shares issued after giving effect to the Reverse Stock Split, if implemented, will depend on the reverse stock split ratio that is ultimately determined by the Board of Directors.

The Reverse Stock Split will affect all holders of our common stock uniformly and will not affect any shareholder's percentage ownership interest in the Company, except that as described below in Fractional Shares, record holders of common stock otherwise entitled to a fractional share as a result of the Reverse Stock Split will receive a rounded-up share of the Company stock. In addition, the Reverse Stock Split will not affect any shareholder's proportionate voting power (subject to the treatment of fractional shares).

The Reverse Stock Split may result in some stockholders owning odd lots of less than 100 shares of common stock. Odd lot shares may be more difficult to sell, and brokerage commissions and other costs of transactions in odd lots are generally somewhat higher than the costs of transactions in round lots of even multiples of 100 shares.

After the Effective Time, our common stock will have new Committee on Uniform Securities Identification Procedures (CUSIP) numbers, which is a number used to identify our equity securities, and stock certificates with the older CUSIP numbers will need to be exchanged for stock certificates with the new CUSIP numbers by following the procedures described below. After the Effective Time, we will continue to be subject to the periodic reporting and other requirements of the Securities Exchange Act of 1934, as amended. Our common stock will continue to be listed on the NASDAQ Global Select Market under the symbol HAFC, although NASDAQ will add the letter D to the end of the trading symbol for a period of 20 trading days after the Effective Time to indicate that a reverse stock split has occurred.

Beneficial Holders of Common Stock (i.e. stockholders who hold in street name)

Upon the implementation of the Reverse Stock Split, we intend to treat shares held by stockholders through a bank, broker, custodian or other nominee in the same manner as registered stockholders whose shares are registered in their names. Banks, brokers, custodians or other nominees will be instructed to effect the Reverse Stock Split for their beneficial holders holding our common stock in street name. However, these banks, brokers, custodians or other nominees may have different procedures than registered stockholders for processing the Reverse Stock Split and making payment for fractional shares. Stockholders who hold shares of our common stock with a bank, broker, custodian or other nominee and who have any questions in this regard are encouraged to contact their banks, brokers, custodians or other nominees.

Table of Contents

Registered Book-Entry Holders of Common Stock (i.e. stockholders that are registered on the transfer agent's books and records but do not hold stock certificates)

Certain of our registered holders of common stock may hold some or all of their shares electronically in book-entry form with the transfer agent. These stockholders do not have stock certificates evidencing their ownership of the common stock. They are, however, provided with a statement reflecting the number of shares registered in their accounts.

Stockholders who hold shares electronically in book-entry form with the transfer agent will not need to take action (the exchange will be automatic) to receive whole shares of post-Reverse Stock Split common stock or payment in lieu of any fractional share interest, if applicable.

Holders of Certificated Shares of Common Stock

Stockholders holding shares of our common stock in certificated form will be sent a transmittal letter by the transfer agent after the Effective Time. The letter of transmittal will contain instructions on how a shareholder should surrender his, her or its certificate(s) representing shares of our common stock (the Old Certificates) to the transfer agent in exchange for certificates representing the appropriate number of whole shares of post-Reverse Stock Split common stock (the New Certificates). No New Certificates will be issued to a shareholder until such shareholder has surrendered all Old Certificates, together with a properly completed and executed letter of transmittal, to the transfer agent. No shareholder will be required to pay a transfer or other fee to exchange his, her or its Old Certificates. Stockholders will then receive a New Certificate(s) representing the number of whole shares of common stock that they are entitled as a result of the Reverse Stock Split. Until surrendered, we will deem outstanding Old Certificates held by stockholders to be cancelled and only to represent the number of whole shares of post-Reverse Stock Split common stock to which these stockholders are entitled. Any Old Certificates submitted for exchange, whether because of a sale, transfer or other disposition of stock, will automatically be exchanged for New Certificates. If an Old Certificate has a restrictive legend on the back of the Old Certificate(s), the New Certificate will be issued with the same restrictive legends that are on the back of the Old Certificate(s).

STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY STOCK CERTIFICATE(S) UNTIL REQUESTED TO DO SO.

Fractional Shares

We do not currently intend to issue fractional shares in connection with the Reverse Stock Split. Therefore, we do not expect to issue certificates representing fractional shares. Stockholders of record who would otherwise hold fractional shares, because the number of shares of common stock they hold before the Reverse Stock Split is not evenly divisible by the split ratio, will have their corresponding fractions rounded-up to make a whole.

Effect of the Reverse Stock Split on Employee Plans, Options, Restricted Stock Awards and Units, Warrants, and Convertible or Exchangeable Securities

Based upon the reverse stock split ratio determined by the Board of Directors, proportionate adjustments are generally required to be made to the per share exercise price and the number of shares issuable upon the exercise or conversion of all outstanding options, warrants, convertible or exchangeable securities entitling the holders to purchase, exchange for, or convert into, shares of common stock. This would result in approximately the same aggregate price being required to be paid under such options, warrants, convertible or exchangeable securities upon exercise, and approximately the same value of shares of common stock being delivered upon such exercise, exchange or conversion, immediately following the Reverse Stock Split as was the case immediately preceding the Reverse Stock Split. The

number of shares deliverable upon settlement or vesting of restricted stock awards will be similarly adjusted. The number of shares reserved for issuance pursuant to these securities will be rounded-up proportionately based upon the reverse stock split ratio determined by the Board of Directors and no cash payment will be made as a result of such rounding.

Authorized Shares

If and when the Board of Directors elects to effect the Reverse Stock Split, we will also reduce the number of authorized shares of common stock in proportion to the reverse stock split ratio. The reduction in the number of

Table of Contents

authorized shares would be effected by the filing of the certificate of amendment, as discussed above. The table below shows the number to which authorized shares of common stock will be reduced resulting from the listed hypothetical reverse stock split ratios indicated below:

Reverse Stock Split Ratio	Number of Authorized Shares of Common Stock Following the Reverse Stock Split
1-for-2	250,000,000
1-for-3	166,666,667
1-for-4	125,000,000
1-for-5	100,000,000
1-for-6	83,333,334
1-for-7	71,428,572
1-for-8	62,500,000
1-for-9	55,555,556
1-for-10	50,000,000
1-for-11	45,454,546
1-for-12	41,666,667
1-for-13	38,461,539
1-for-14	35,714,286
1-for-15	33,714,286
1-for-16	31,250,000
1-for-17	29,411,765
1-for-18	27,777,778
1-for-19	26,315,790
1-for-20	25,000,000

The actual number of authorized shares after giving effect to the Reverse Stock Split, if implemented, will depend on the reverse stock split ration that is ultimately determined by the Board of Directors.

Accounting Matters

The proposed amendment to the Company's Amended and Restated Certificate of Incorporation will not affect the par value of our common stock per share, which will remain \$0.001 par value per share. As a result, as of the Effective Time, the stated capital attributable to common stock and the additional paid-in capital account on our balance sheet will not change due to the Reverse Stock Split. Reported per share net income or loss will be higher because there will be fewer shares of common stock outstanding.

Certain Federal Income Tax Consequences of the Reverse Stock Split

The following summary describes certain material U.S. federal income tax consequences of the Reverse Stock Split to holders of our common stock.

Unless otherwise specifically indicated herein, this summary addresses the tax consequences only to a beneficial owner of our common stock that is a citizen or individual resident of the United States, a corporation organized in or under the laws of the United States or any state thereof or the District of Columbia or otherwise subject to U.S. federal income taxation on a net income basis in respect of our common stock (a U.S. holder). This summary does not address all of the tax consequences that may be relevant to any particular investor, including tax considerations that arise from

rules of general application to all taxpayers or to certain classes of taxpayers or that are generally assumed to be known by investors. This summary also does not address the tax consequences to (i) persons that may be subject to special treatment under U.S. federal income tax law, such as banks, insurance companies, thrift institutions, regulated investment companies, real estate investment trusts, tax-exempt organizations, U.S. expatriates, persons subject to the alternative minimum tax, traders in securities that elect to mark to market and dealers in securities or currencies, (ii) persons that hold our common stock as part of a position in a straddle or as part of a hedging, conversion or other integrated investment transaction for federal income tax purposes, or (iii) persons that do not hold our common stock as capital assets (generally, property held for investment).

If a partnership (or other entity classified as a partnership for U.S. federal income tax purposes) is the beneficial owner of our common stock, the U.S. federal income tax treatment of a partner in the partnership will generally depend on the status of the partner and the activities of the partnership. Partnerships that hold our common stock, and partners in such partnerships, should consult their own tax advisors regarding the U.S. federal income tax consequences of the Reverse Stock Split.

This summary is based on the provisions of the Internal Revenue Code of 1986, as amended, U.S. Treasury regulations, administrative rulings and judicial authority, all as in effect as of the date of this proxy statement. Subsequent developments in U.S. federal income tax law, including changes in law or differing interpretations, which may be applied retroactively, could have a material effect on the U.S. federal income tax consequences of the Reverse Stock Split.

PLEASE CONSULT YOUR OWN TAX ADVISOR REGARDING THE U.S. FEDERAL, STATE, LOCAL, AND FOREIGN INCOME AND OTHER TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT IN YOUR PARTICULAR CIRCUMSTANCES UNDER THE INTERNAL REVENUE CODE AND THE LAWS OF ANY OTHER TAXING JURISDICTION.

U.S. Holders

The Reverse Stock Split should be treated as a recapitalization for U.S. federal income tax purposes. Therefore, no gain or loss will be recognized upon the Reverse Stock Split. Accordingly, the aggregate tax basis in the common stock received pursuant to the Reverse Stock Split should equal the aggregate tax basis in the common stock surrendered, and the holding period for the common stock received should include the holding period for the common stock surrendered. The Federal income tax consequence of the receipt of an additional share of Common Stock in lieu of a fractional interest is not clear. If the receipt of a portion of an additional share of Common Stock is taxed as a dividend, however, any tax liability associated with such receipt is not expected to be material.

Non-U.S. Holders

The discussion in this section is addressed to a beneficial owner of our common stock who is a foreign corporation or a non-resident alien individual (non-U.S.-holders). Generally, non-U.S. holders will not recognize any gain or loss upon the Reverse Stock Split.

The Federal income tax consequence of the receipt of an additional share of Common Stock in lieu of a fractional interest is not clear. If the receipt of a portion of an additional share of Common Stock is taxed as a dividend, however, any tax liability associated with such receipt is not expected to be material.

No Appraisal Rights

Under Delaware law and our charter documents, holders of our common stock will not be entitled to dissenter's rights or appraisal rights with respect to the Reverse Stock Split.

Vote Required to Approve the Amendment and Recommendation

Under Delaware law and our charter documents, the affirmative vote of holders of a majority of the shares of common stock outstanding as of the Record Date is required to approve the Reverse Stock Split and proportionate reduction in our authorized shares of Common Stock.

PROPOSAL NO. 5.

**RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

We are asking stockholders to ratify the appointment by our Audit Committee of KPMG LLP (KPMG) as our independent registered public accounting firm for the fiscal year ending December 31, 2011. KPMG served as our independent registered public accounting firm for the fiscal year ended December 31, 2010 and has served as our independent registered public accounting firm since 2001. KPMG has advised us that KPMG has no direct or indirect financial interest in us. Representatives of KPMG are expected to be present at the annual meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions. If this proposal is not approved at the annual meeting, our Audit Committee will reconsider this appointment. Under applicable SEC regulations, the selection of the independent auditors is solely the responsibility of the Audit Committee.

The following table sets forth information regarding the aggregate fees billed for professional services rendered by KPMG for the fiscal years ended December 31, 2010 and 2009:

	2010	2009
Audit Fees (1)	\$ 725,356	\$ 758,998
Tax Fees (2)	102,931	54,000
All Other Fees		
	\$ 828,287	\$ 812,998

(1) *Audit Fees represented fees for professional services provided in connection with the integrated audit of our financial statements and review of our quarterly financial statements, audit services provided in connection with other statutory or regulatory filings, and professional services related to consent and comfort letters issued in connection with our filing of registration statements. Audit Fees for 2009 were adjusted for fees billed in 2010 relating to the 2009 audit.*

(2) *Tax Fees included tax compliance, tax advice and tax planning services.*

There were no other fees billed by KPMG for advice or services rendered to us other than as described above.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established Pre-Approval Policies and Procedures for independent auditor services. Any proposed services not pre-approved or exceeding pre-approved cost levels require specific pre-approval by the Audit Committee. The Audit Committee may not delegate to management its responsibilities to pre-approve services performed by the independent auditors.

The Audit Committee may delegate pre-approval authority to one or more of its members. In 2010 and 2009, the Audit Committee Chairman was permitted to approve fees up to \$25,000 with the requirement that any pre-approval decisions be reported to the Audit Committee at its next scheduled meeting. The only non-audit service provided by the independent auditors was the preparation of our income tax return, which was 12.4 percent and 6.6 percent of the aggregate fees billed by KPMG for the fiscal years ended December 31, 2010 and 2009, respectively. The Audit Committee pre-approved this work and the related fees.

Ratification

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of KPMG as the Company's independent registered public accounting firm. However, we are submitting the selection of KPMG to the stockholders for ratification to obtain our stockholders views. If the stockholders fail to ratify the

selection of KPMG, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of our Board of Directors in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee of our Board of Directors determines that such a change would be in our best interests and the best interests of our stockholders.

The affirmative vote of the holders of a majority of shares present in person or represented by proxy and voting at the annual meeting will be required to ratify the selection of KPMG.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR RATIFICATION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.
