Item 1.01 Entry Into a Material Agreement.

On July 14, 2011, BioMed Realty, L.P. (the Operating Partnership), the operating partnership subsidiary of BioMed Realty Trust, Inc. (the Company), entered into an unsecured credit agreement with KeyBank National Association, as administrative agent, and certain other lenders.

The unsecured credit agreement provides for available borrowings under a revolving line of credit of \$750 million and a maturity date of July 13, 2015. Subject to the administrative agent's reasonable discretion, the Operating Partnership may increase the amount of the revolving credit commitments to \$1.25 billion upon satisfying certain conditions. In addition, the Operating Partnership, at its sole discretion, may extend the maturity date of the revolving line of credit to July 13, 2016 after satisfying certain conditions and paying an extension fee. The revolving line of credit bears interest at a floating rate equal to, at the Operating Partnership's option, either (1) reserve adjusted LIBOR plus a spread which ranges from 100 to 205 basis points, depending on the Company's credit ratings, or (2) the highest of (a) the prime rate then in effect plus a spread which ranges from 0 to 125 basis points, (b) the federal funds rate then in effect plus a spread which ranges from 50 to 175 basis points or (c) one month LIBOR plus a spread which ranges from 100 to 205 basis points, in each case, depending on the Company's credit ratings.

The unsecured credit agreement includes certain restrictions and covenants which require compliance with financial covenants relating to the minimum amounts of net worth, fixed charge coverage, unsecured debt service coverage, overall leverage and unsecured leverage ratios, the maximum amount of secured indebtedness and certain investment limitations. The unsecured credit agreement specifies a number of events of default (some of which are subject to applicable cure periods), including, among others, the failure to make payments when due, noncompliance with covenants and defaults under other agreements or instruments of indebtedness. Upon the occurrence of an event of default, the lenders may terminate the revolving line of credit and declare all amounts outstanding to be immediately due and payable.

The foregoing description of the revolving line of credit does not purport to be complete and is qualified in its entirety by reference to the complete text of the unsecured credit agreement, which is filed as an exhibit to this report and incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On July 14, 2011, in connection with the execution of the Operating Partnership's new \$750 million revolving line of credit, the parties to the second amended and restated unsecured credit agreement governing the Operating Partnership's previous \$720 million revolving line of credit terminated the previous credit agreement and the commitments thereunder. Additional terms of the previous credit agreement and the amendments thereto are described in the Company's Current Reports on Form 8-K filed with the Securities and Exchange Commission on August 7, 2007, November 30, 2009 and December 7, 2009, which descriptions are incorporated herein by reference.
