Item 1.01 Entry into a Material Definitive Agreement

On October 13, 2011, Baldwin Technology Company, Inc. (the Company) and certain of its subsidiaries entered into Amendment No. 11 to the Credit Agreement (Amendment No. 11) with Bank of America, N.A. as a Lender and as Administrative Agent, and certain other lenders (the Lenders). Among other things, Amendment No. 11 (i) extended the maturity date of the revolving Credit Agreement from November 21, 2011 to July 2, 2012, (ii) adjusted the interest payment provisions pursuant to which euro and U.S. dollar borrowings bear interest at LIBOR plus 7.50%, and (iii) increased the incremental interest rate for the deferred interest to be paid at maturity. As part of the consideration for Amendment No. 11, the Company will (a) pay the Lenders a potential fee of \$1.1 million as follows: \$200,000 upon signing of Amendment No. 11, and scheduled weekly installments ranging from \$200,000 to \$50,000 beginning February 10, 2012 through April 20, 2012 unless the Credit Agreement is fully refinanced prior to the payment due dates, in which case any remaining payments will be waived, (b) grant to the Lenders ten year Warrants to purchase an aggregate of 434,200 shares of Class A Common Stock of the Company at an exercise price of \$0.01 per share, with a put provision exercisable after two (2) years that enables the holder to request a cash settlement equal to the then fair market value of the Warrants in an amount not to exceed \$1.50 per share for each share issuable upon the exercise of the Warrants (the October 2011 Warrants); and (c) if the Credit Agreement is not refinanced prior to certain scheduled dates, the Company may be required to grant to the Lenders additional ten year Warrants in four monthly installments beginning March 1, 2012 and on the first day of each month through June 1, 2012, to purchase an aggregate of 1,592,067 shares of Class A Common Stock of the Company (equal to an amount not to exceed twenty percent of the issued and outstanding shares of Class A Common Stock of the Company on September 27, 2010) each at an exercise price of \$0.01 per share, and each with a put provision exercisable after two (2) years that enables the holder to request a cash settlement equal to the then fair market value of the Warrants in an amount not to exceed \$1.50 per share for each share issuable upon the exercise of the Warrants.

The Credit Agreement, as amended by Amendment No 11, continues to require that the Company satisfy certain minimum EBITDA, Minimum Currency Adjusted Net Sales, Capital Expenditures, and Minimum Liquidity tests. The Company anticipates that it will be in compliance with these covenants for the remainder of the term of the Credit Agreement. However, the Company's ability to meet its debt obligations (including compliance with applicable financial covenants) is dependent upon the Company's future performance and its cash flows from operations, both of which are subject to prevailing economic conditions and financial, business, and other known and unknown risks and uncertainties, certain of which are beyond the Company's control.

A copy of Amendment No. 11 and the form of the October 2011 Warrants are filed as exhibits to this Current Report on Form 8-K.
