ANNUAL MEETING OF SHAREHOLDERS
April 21, 2004

PROXY STATEMENT
SOLICITATION OF PROXIES

This Proxy Statement and the enclosed Proxy are being furnished to holders of Common Stock, no par value, of Universal Forest Products, Inc. (the "Company"). The Board of Directors is soliciting proxies for use at the Annual Meeting of Shareholders to be held on April 21, 2004, and at any adjournment of that meeting. The Annual Meeting will be held at the Company's corporate headquarters, 2801 East Beltline NE, Grand Rapids, Michigan, at 8:30 a.m. local time. Registration for the meeting begins at 8:00 a.m.

If the enclosed Proxy is properly signed and returned to the Company, the shares represented by the Proxy will be voted at the Annual Meeting and at any adjournment of the meeting. If a shareholder specifies a choice, the Proxy will be voted as specified. If no choice is specified, the shares represented by the Proxy will be voted for the election of all nominees named in the Proxy Statement, and in accordance with the judgment of the persons named as proxies with respect to any other matter which may come before the meeting.

Returning your completed Proxy will not prevent you from voting in person at the Annual Meeting if you wish to do so. In addition, you may revoke your Proxy at any time before it is voted, by written notice to the secretary of the Company prior to the Annual Meeting, or by submission of a later-dated Proxy, or by the withdrawal of your Proxy and voting in person at the Annual Meeting.

The cost of the solicitation of proxies will be paid by the Company. In addition to the use of the mail, proxies may be solicited personally, by telephone, by facsimile, or by electronic mail by regular employees of the Company who will not receive additional compensation for soliciting proxies. The Company does not intend to pay any compensation for the solicitation of proxies,

Edgar Filing: UNIVERSAL FOREST PRODUCTS INC - Form DEF 14A

except that brokers, nominees, custodians, and other fiduciaries will be reimbursed by the Company for their expenses in connection with sending proxy materials to beneficial owners and obtaining their proxies.

VOTING SECURITIES

Holders of record of Common Stock at the close of business on March 1, 2004, will be entitled to vote at the Annual Meeting. As of March 1, 2004, there were 17,876,927 shares of Common Stock outstanding. The presence in person or by Proxy of at least 51% of such shares constitutes a quorum. A shareholder is entitled to one vote for each share of Common Stock registered in the shareholder's name at the close of business on March 1, 2004. Under Michigan law, abstentions are treated as present and entitled to vote and therefore have the effect of a vote against the matter. A broker non-vote on a matter is considered not entitled to vote on that matter and, therefore, is not counted in determining whether a matter requiring approval of a majority of the shares present and entitled to vote has been approved. Votes cast at the meeting or submitted by Proxy will be counted by inspectors of the meeting who will be appointed by the Company. There is no right to cumulative voting on any matter.

1

ELECTION OF DIRECTORS

The Board of Directors consists of eight members and is divided into three classes, as equal in number as possible, with the classes to hold office for staggered terms of three years each. The Board nominated incumbent director Philip M. Novell to a one year term expiring at the 2005 Annual Meeting, in accordance with the Company's retirement policy which states that an outside Director may not serve on the Board for more than twelve years. The Board also nominated incumbent directors William G. Currie and John M. Engler to three year terms expiring at the 2007 Annual Meeting.

The persons named as proxy holders in the accompanying Proxy will vote for the above-named nominees, unless the shareholder directs them differently on the proxy card. If a nominee is not available for election as a director at the time of the Annual Meeting (a situation which is not now anticipated), the Board of Directors may designate a substitute nominee, and the accompanying Proxy will be voted for the substituted nominee.

A vote of the shareholders holding a plurality of the shares present in person or represented by proxy is required to elect directors. Accordingly, the three individuals who receive the greatest number of votes cast at the meeting will be elected as directors.

The Board of Directors recommends a vote FOR the election of each person nominated by the Board.

The following table provides certain biographical information for each person who is nominated for election as a director at the Annual Meeting and for each person who is continuing as an incumbent director.

CORPORATE GOVERNANCE AND BOARD MATTERS

The Board of Directors of Universal Forest Products is committed to sound and effective corporate governance practices. To assist in its governance, the Board has appointed three standing committees: the Audit Committee, the Nominating and Corporate Governance Committee, and the Personnel and

Edgar Filing: UNIVERSAL FOREST PRODUCTS INC - Form DEF 14A

Compensation Committee. The Audit Committee and the Nominating and Corporate Governance Committee have a written charter which is available for review on the Company's website at www.ufpi.com.

CODE OF BUSINESS CONDUCT AND ETHICS AND CODE OF ETHICS FOR SENIOR FINANCIAL OFFICERS

The Company has adopted a Code of Business Conduct and Ethics that applies to the Company's employees, officers, and directors. The Company has also adopted a Code of Ethics for Senior Financial Officers (including the Company's principal executive officer, principal financial officer, and controller). Each Code is posted on the Company's website at www.ufpi.com. Any changes or waivers to either Code for the Company's principal executive officer, principal financial officer, controller, or persons performing similar functions, will be disclosed on the Company's website.

AFFIRMATIVE DETERMINATION REGARDING DIRECTOR INDEPENDENCE AND OTHER MATTERS

The Board of Directors has determined each of the following directors to be an "independent director" as such term is defined in Marketplace Rule 4200(a)(15) of the National Association of Securities Dealers (the "NASD"): Dan M. Dutton, John M. Engler, John W. Garside, Gary F. Goode, Philip M. Novell, and Louis A. Smith. Moreover, there are no family relationships between or among the directors and the Company's executive officers.

The Board of Directors has determined that each member of the three committees of the Board meets the independence requirements applicable to those committees prescribed by the Nasdaq Listing Standards, the Securities and Exchange Commission, and the Internal Revenue Service.

The Nominating and Corporate Governance Committee reviewed the applicable legal standards for Board members and Board committee independence and the criteria applied to determine "audit committee financial expert" status, as well as the answers to annual questionnaires completed by each of the directors. On the basis of this review, the Nominating and Corporate Governance Committee delivered a report to the full Board of Directors, and the Board made its independence and "audit committee financial expert" determinations based upon the Nominating and Corporate Governance Committee's report and each member's review of the information made available to the Nominating and Corporate Governance Committee.

COMMITTEES

The Board of Directors has appointed an Audit Committee. Each member of the Audit Committee is "independent" as that term is defined by Rule 4200(a)(15) of the Nasdaq Listing Standards as well as the applicable rules of the Securities Exchange Commission for audit committee membership. The Board of Directors has determined that Mr. Goode qualifies as the "audit committee financial expert" as defined in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934 (the "Exchange Act"). The full responsibilities of the Audit Committee are set forth in the Audit Committee Charter, which was recently amended in connection with the Committee's annual review and assessment, and a copy of which is attached as Appendix A to this Proxy Statement. In general, the primary purpose of this Committee is to assist the Board in overseeing management's conduct of the Company's financial reporting processes and its system of internal controls regarding finance, accounting, legal compliance, and ethics. During 2003, the Audit Committee held three formal meetings, and four special meetings via telephone conference call.

The Board of Directors has a Personnel and Compensation Committee, consisting entirely of independent directors, as currently defined by the Nasdaq Listing Standards, that is responsible for reviewing and recommending to the

Edgar Filing: UNIVERSAL FOREST PRODUCTS INC - Form DEF 14A

Board of Directors the timing and amount of compensation for key employees, including salaries, bonuses, and other benefits. The Personnel and Compensation Committee is also responsible for administering the Company's stock option and other equity-based incentive plans, recommending retainer and attendance fees for

4

non-employee directors, and reviewing compensation plans and awards as they relate to key employees. During 2003, the Personnel and Compensation Committee held one formal meeting.

The Board of Directors also has a Nominating and Corporate Governance Committee. Each member of the Nominating and Corporate Governance Committee is "independent" as that term is defined by Rule 4200(a)(15) of the Nasdaq Listing Standards. The Nominating and Corporate Governance Committee considers and proposes director nominees for election at the Annual Meeting, selects candidates to fill Board vacancies as they may occur, makes recommendations to the Board regarding Board committee memberships, generally monitors the Company's corporate governance system, and performs any other functions or duties deemed appropriate by the Board. The full responsibilities of the Nominating and Corporate Governance Committee are set forth in the Nominating and Corporate Governance Committee Charter. During 2003, the Nominating and Corporate Governance Committee held one meeting.

The Company's Articles of Incorporation contain certain procedural requirements applicable to shareholder nominations of directors. A shareholder may nominate a person to serve as a director if they provide written notice to the Company not later than thirty days prior to the annual meeting. The notice must include (1) the name and address of the shareholder who intends to make the nomination and of the person or persons nominated, (2) a representation that the shareholder is a current record holder and will continue to hold those shares through the date of the meeting, and intends to appear in person or by proxy at the meeting, (3) a description of all arrangements between the shareholder and each nominee, (4) the information regarding each nominee as would be required to be included in a proxy statement filed under Regulation 14A of the Exchange Act had the nominee been nominated by the Board of Directors, and (5) the consent of each nominee to serve as director. The nominee's written consent to the nomination and sufficient background information on the candidate must be included to enable the Nominating and Corporate Governance Committee to make proper assessments as to his or her qualifications. Nominations must be addressed to the Chairman of the Nominating and Corporate Governance Committee at the Company's headquarters, and must be received no later than the 30th day prior to the Annual Meeting in order to be considered for the next annual election of directors. The Nominating and Corporate Governance Committee may also make its own search for potential candidates that may include candidates identified by a variety of means as deemed appropriate by the Committee.

The Nominating and Corporate Governance Committee has not established specific minimum age, education, years of business experience, or specific types of skills for potential candidates, but, in general, expects qualified candidates will have ample experience and a proven record of business success and leadership. In general, the Committee requires that each member of the Board of Directors will have the highest personal and professional ethics, integrity, and values; and will consistently exercise sound and objective business judgment. In addition, it is anticipated that the Board as a whole will have individuals with significant appropriate senior management and leadership experience, a comfort with technology, a long-term, strategic and global perspective, and the ability to advance constructive debate. It will be important for the Board as a whole to operate in an atmosphere where the chemistry of the individuals is a key element.

Edgar Filing: UNIVERSAL FOREST PRODUCTS INC - Form DEF 14A

Upon receipt of a shareholder proposed candidate, the Chairman of the Nominating and Corporate Governance Committee assesses the Board's needs, primarily whether there is a current or pending vacancy or a possible need to fulfill by adding or replacing a director, and then develops a director profile by comparing the current state of Board characteristics with the desired state and the candidate's qualifications. The profile and the candidate's submitted information are provided to the Chairman of the Board and Chief Executive Officer for discussion. Following this discussion, the profile and the candidate's materials are forwarded to all Nominating and Corporate Governance Committee members, and consideration of the candidate is added as an agenda item for the next Committee meeting.

Similarly, if at any time the Nominating and Corporate Governance Committee or the Board determines there may be a need to add or replace a director, the Nominating and Corporate Governance Committee or the Board develops a Director profile by comparing the current state of Board characteristics with the desired state. If no candidates are apparent from any source, the Committee will determine the appropriate method to conduct a search.

5

The Committee has, to date, not paid any third party fees to assist in identifying and evaluating nominees. The Committee has not received any recommended nominations from any of the Company's shareholders in connection with the Annual Meeting. The nominees that are standing for election as directors at the 2004 Annual Meeting are incumbent directors nominated by the Committee.

COMMUNICATIONS WITH THE BOARD

Generally, shareholders who have questions or concerns regarding the Company should contact the Investor Relations Department at 1-888-BUY-UFPI (1-888-289-8374). However, any shareholder who wishes to address questions regarding the business or affairs of the Company directly with the Board of Directors, or any individual director, should direct his or her questions in writing to the Secretary of the Board at 2801 East Beltline NE, Grand Rapids, MI 49525.

MEETING ATTENDANCE

Each director is expected to make a reasonable effort to attend all meetings of the Board, applicable committee meetings, and the Annual Meeting of Shareholders. All Directors attended the 2003 Annual Meeting. During the Company's last fiscal year, there were four regular meetings of the Board of Directors, and the Board took action by unanimous written consent on nine occasions. Each of the incumbent directors attended 100% of the aggregate number of meetings of the Board of Directors and meetings of committees which they were eligible to attend. During fiscal 2003, the Board met in executive sessions, without the presence of management, on two occasions.

COMPENSATION OF DIRECTORS

Directors who are also employees of the Company receive no annual retainer and are not compensated for attendance at Board or committee meetings. Other than the fees due under the consulting and noncompete agreement that Chairman Secchia has with the Company, he does not receive any additional compensation for serving on the Board. Directors who are not employees of the Company receive a \$10,000.00 annual retainer fee, plus \$500.00 for attendance at each regular and special meeting of the Board of Directors. Each outside Director is granted 100 shares of stock for each Board meeting attended, up to a maximum of 400

Edgar Filing: UNIVERSAL FOREST PRODUCTS INC - Form DEF 14A

shares per year. Also, each outside Director receives a \$500.00 meeting fee for each committee meeting they attend.

Each Director who is not a current or former employee of the Company may participate in the Director Retainer Stock Plan. The Director Retainer Stock Plan, approved by shareholders in April 1994, provides that each Director may elect to receive Company stock, on a deferred basis, in lieu of cash compensation for the Director's retainer and meeting fees.

Directors receive reimbursement of ordinary and necessary expenses to attend meetings. The Chairmen of the Personnel and Compensation, and Nominating and Corporate Governance Committees do not receive additional compensation for serving as a Chairman. The Chairman of the Audit Committee receives an additional \$15,000.00 per year for serving as Chairman.

- (1) The options granted under this plan may be exercised beginning in 2006.
- (2) The exercise price equals or exceeds the fair market value of the Company stock as of the grant date of March 1, 2003.
- (3) Based on the Black-Scholes option valuation model assuming volatility is 28.25%, risk-free rate of return is 4.6%, dividend yield is 0.40%, and time of exercise is 30 days prior to expiration of option. The Black-Scholes option valuation model is an alternative suggested by the Securities and Exchange Commission, and the Company neither endorses this particular model, nor necessarily agrees with this method for valuing options. The actual value of the options, if any, will depend on the market value of the Company's Common Stock subsequent to the date the options become exercisable.

AGGREGATED OPTION EXERCISES IN 2003 AND YEAR-END OPTION VALUES

The following table provides information on the number and value of options exercised in the past year, as well as the number and value of unexercised options held by the Named Executives at December 31, 2003:

EXECUTIVE	SHARES ACQUIRED ON EXERCISE (#)	VALUE REALIZED (\$) (1)	NUMBER OF SECURITIES UNDERLYING UNEXERCISED OPTIONS (#) EXERCISABLE	UNEXERCISABLE	EXERCISE PRICE (\$/SH)
William G. Currie	0	0	0	190,000	
Michael B. Glenn	0	0	6,000	142,000	119
Robert K. Hill	0	0	4,000	38,000	79
C. Scott Greene	0	0	5,000	33,844	98
Matthew J. Missad	0	0	0	28,690	

-
- (1) The value realized upon the exercise of options is equal to the difference between the market value of the shares of Common Stock acquired at the time of exercise and the aggregate exercise price paid by the Named Executives.
 - (2) The value of unexercised options is based on the difference between the closing market price of the Company's stock on December 31, 2003 (\$32.40) and the exercise prices of the options.

The Committee has reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 27, 2003.

The Committee has received and reviewed the written disclosures from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and has discussed with the auditors the auditors' independence.

Based on the reviews and discussions referred to above, the Committee recommends to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 27, 2003.

PERSONNEL AND COMPENSATION COMMITTEE REPORT

The Personnel and Compensation Committee (the "Committee") of the Board of Directors has furnished the following report on executive compensation:

During 2003, the Company maintained its compensation program in accordance with the following Committee goals:

- A. Reasonable and appropriate base salaries, based upon job duties.
- B. Incentive compensation tied to return on investment ("ROI") with appropriate adjustments for achievement of specified Company goals.
- C. Stock options for executives which align interests of the employee with interests of shareholders.

The Committee has determined that the following categories will best motivate Company executives to achieve the Company goals:

BASE SALARIES. Annual base salaries are based on past and present corporate and individual performance. The Committee considers base salary data of

Edgar Filing: UNIVERSAL FOREST PRODUCTS INC - Form DEF 14A

similar-sized corporations and industry competitors to ensure that salaries are competitive in the market place. Salary comparisons with peer group companies are reviewed and analyzed to account for differences in size and business complexity among peer companies.

The Committee has complete discretion in determining base salary amounts (including the grant and amount of any annual discretionary incentive payments or stock option awards), regardless of whether corporate or individual performance goals are achieved. The Committee exercised its complete discretion in setting base salaries for 2003.

Each year the Committee reviews, with the Chief Executive Officer, and approves, with such modifications as it may deem appropriate, an annual salary adjustment target for executives for the ensuing February 1 to January 31, based on current available survey data, cost of living factors, and performance judgments as to the past and expected future contributions of the individual officers.

INCENTIVE COMPENSATION. The Company relies heavily on annual discretionary incentive compensation to attract and retain Company officers and other key employees of outstanding abilities, and to motivate them to

11

perform to the full extent of their abilities. The Company's incentive compensation system in 2003 focused on ROI, and was also subject to additional adjustment, up or down, based upon achievement of certain performance criteria referred to as Key Performance Indicators ("KPI"). For Messrs. Greene and Hill, 2003 bonuses are based on the ROI and KPI of their respective operations. For Messrs. Currie, Glenn, and Missad, incentive compensation is based entirely on the ROI and KPI of the Company as a whole.

CHIEF EXECUTIVE. The Committee annually reviews and establishes the discretionary component of the base salary of the Chief Executive Officer. His salary is based on comparable compensation data, the Committee's assessment of his past performance, and its expectation as to his future contributions in leading the Company and its businesses. The Chief Executive Officer's base salary fell within the middle-range of the salaries of comparable executives. When compared with the peer group of the Company (as discussed under "Stock Performance Graph"), the Chief Executive Officer's base salary fell in the upper quartile of the peer group. The Committee has complete discretion in setting base salary for Mr. Currie (who does not have an employment agreement with the Company).

The Chief Executive Officer's incentive bonus amount for 2003 was based upon performance determined under the Company's Performance Bonus Plan. The Chief Executive Officer's bonus for 2003 reflects the Company's overall performance, including record net sales and net earnings achieved in 2003, as compared to 2002.

INCENTIVE BONUS PROGRAM. For fiscal 2004, the Company will continue to use the ROI based Performance Bonus Plan with KPI adjustments as described above. By basing the individual's incentive compensation on the ROI generated by the profit center, the individual is rewarded for properly managing assets, increasing cash flow, and obtaining higher net margins. Participants who achieve all of the KPI goals will receive a higher percentage of the ROI bonus than those achieving fewer KPI goals. A discretionary bonus component is available for salaried personnel at operations which have not yet hit the ROI target but demonstrate improvement over the previous year.

For the Chief Executive Officer and the other Named Executives, incentive

Edgar Filing: UNIVERSAL FOREST PRODUCTS INC - Form DEF 14A

compensation will be paid as provided in the Performance Bonus Plan, as approved by the Committee. For 2004, bonus compensation as determined under the Performance Bonus Plan may be adjusted depending on the Named Executive's achievement of certain KPI targets.

Due to the changes in accounting for stock options, the Committee decided not to grant broad-based stock options to its salaried employees for 2004.

The Company's policy is to pay all earned compensation regardless of whether it exceeds the One Million Dollar (\$1,000,000.00) limitation on compensation deductions set forth in Section 162(m) of the Internal Revenue Code. To ensure the maximum tax deductibility for the Company, the Company received shareholder approval of its Performance Bonus Plan at its 1999 Annual Meeting of Shareholders.

The Committee recognizes that as the strategic objectives of the Company are modified and refined, the compensation formulas must also be refined to maintain the direct correlation between individual compensation and Company performance.

During the Relevant Period, neither the Company nor anyone acting on the Company's behalf consulted with E&Y regarding (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or (2) any matters or reportable events as set forth in Items 304(a)(1)(iv) and (v), respectively, of Regulation S-K.

E&Y served as independent public accountants for the Company for the fiscal years ended December 28, 2002 and December 27, 2003. APPENDIX B

UNIVERSAL FOREST PRODUCTS, INC.
POLICY REGARDING THE APPROVAL OF AUDIT SERVICES
AND PERMISSIBLE NON-AUDIT SERVICES PROVIDED
BY THE INDEPENDENT AUDITOR

I. PURPOSE. Section 10A of the Securities Exchange Act of 1934 and the Charter of the Company's Audit Committee require that all audit services as well as all non-audit services provided by the Company's auditors (the "Audit Firm"), be pre-approved by the Company's Audit Committee. This policy sets forth the guidelines and procedures to be followed by the Company prior to the engagement of (a) any firm to provide audit services, and (b) the Company's Audit Firm to perform audit and non-audit services.

II. PRE-APPROVAL REQUIREMENT:

A. GENERAL. Except as provided in Section II(B) below, each audit engagement and each service provided by the Audit Firm, both audit and non-audit (collectively a "Permitted Service"), must be pre-approved by the Audit Committee or a Designated Member. The SEC rules allow the pre-approval to be effected through the use of pre-approval policies and procedures as long as (1) those policies and procedures are (a) detailed as to the particular services to be provided, and (b) do not result in the delegation of the Audit Committee's authority to management; and (2) the Audit Committee is informed about each service. Each year, the Committee will attach as appendices to this Policy the audit, audit-related, tax, and all other services that have the general pre-approval of the Audit Committee for that year. Any such pre-approval (1) may be given not more than one year before the commencement of specified services, (2) may not exceed the budgeted amount pre-approved (unless subsequently approved), and (3) may not be given unless the description of the services to be pre-approved is accompanied by sufficient back-up documentation regarding the specific services to be provided.

Edgar Filing: UNIVERSAL FOREST PRODUCTS INC - Form DEF 14A

Subject to the conditions in Section II(A) above, the Audit Committee may delegate to one or more member(s) of the Audit Committee (a "Designated Member"), the authority to grant pre-approvals of Permitted Services to be provided by the Audit Firm or audit services provided by any audit firm. The decisions of a Designated Member to pre-approve a Permitted Service shall be reported to the Audit Committee at each of its regularly scheduled meetings.

C. DE MINIMIS EXCEPTION. The pre-approval requirement set forth in Section II(A) above will not apply to the provision of non-audit services provided by the Company's Audit Firm if:

- (1) The aggregate amount of all such non-audit services provided to the Company represents not more than 5% of the total amount of revenues paid by the Company to the Company's Audit Firm during the fiscal year in which those services are provided;
- (2) Those services were not recognized by the Company at the time of the engagement to be non-audit services; and
- (3) The services are promptly brought to the attention of the Audit Committee and are approved by that Committee prior to the completion of the audit for that year.

III. DISCLOSURES. The approval of all non-audit services to be performed by the Audit Firm shall be disclosed in the Company's next periodic report following such approval. In addition, the Company shall disclose in each Proxy Statement filed in connection with Annual Meetings of Shareholders the aggregate fees billed for (1) audit services, (2) audit-related services, (3) tax services, and (4) all other services provided by the Audit Firm.

20
