PROXY STATEMENT

2004 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON SEPTEMBER 24, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of AMERCO, a Nevada corporation (the Company), for use at the 2004 Annual Meeting of Stockholders to be held on Friday, September 24, 2004 at 11:00 a.m. at the Airport Plaza Hotel, 1981 Terminal Way, Reno, Nevada 89502 (the Meeting), and at any adjournment or adjournments thereof. **The AMERCO Board of Directors is soliciting proxies.**

Only stockholders of record at the close of business on July 29, 2004 (the Record Date) are entitled to notice of and to vote at the Meeting. At the close of business on the Record Date, the Company had outstanding 21,284,604 shares of its Common Stock, \$0.25 par value, and 5,662,496 shares of its Series A Common Stock, \$0.25 par value (collectively, the Common Stock).

One-third of the outstanding shares entitled to vote and to be represented in person or by proxy at the Meeting will constitute a quorum for the conduct of business. Abstentions and broker non-votes will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Except as otherwise stated herein, provided a quorum is present, the affirmative vote of the holders of a majority of the shares entitled to vote on the matter is required to approve any matter.

Each stockholder is entitled to one vote per share of Common Stock for the election of directors and on all other matters that may properly be brought before the Meeting. If the accompanying proxy is signed and returned, the shares represented thereby will be voted in accordance with any directions on the proxy. If a proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted for the director nominees named herein. Any stockholder giving the enclosed form of proxy may revoke it at any time before it is voted at the Meeting by filing with the Secretary of the Company a document revoking the proxy or by submitting a proxy bearing a later date. The revocation of the proxy will not affect any vote taken prior to such revocation. This Proxy Statement and the enclosed proxy are first being mailed to stockholders on or about August 26, 2004.

The solicitation of all proxies will be made primarily by mail and the cost of such solicitation will be borne by the Company. The Company will reimburse fiduciaries, nominees, and others for their out-of-pocket expenses in forwarding proxy materials to beneficial owners. Proxies may be solicited by telephone, telegraph, facsimile transmission, and in person by employees of the Company.

Table of Contents

Subject to applicable law, if any other matters properly come before the Meeting, the person named in the enclosed proxy will vote thereon in accordance with his judgment.

ELECTION OF DIRECTORS

The Company's Board of Directors consists of eight directors. The Company's Articles of Incorporation provide for the division of the Board of Directors into four classes, designated Class I, Class II, Class III, and Class IV. Subject to applicable law, each class shall consist, as nearly as may be possible, of one-fourth of the total number of directors constituting the entire Board of Directors. The term of each directorship is four years and the terms of the four classes are staggered in a manner so that in most cases only one class is elected by the stockholders annually.

At the Meeting, two Class II directors will be elected to serve until the 2008 Annual Meeting of Stockholders. It is the intention of the individual named in the enclosed form of proxy to vote for the two nominees named below unless instructed to the contrary. However, if any nominee named herein becomes unavailable to serve at the time of election (which is not anticipated), and, as a consequence, other nominees are designated, the person named in the proxy or other substitutes shall have the discretion or authority to vote or refrain from voting in accordance with his judgment with respect to other nominees. The two Class II director nominees receiving the largest number of votes in favor of their election will be elected as Class II directors.

Directors are elected by a plurality of the shares represented at the meeting, in person or by proxy, and entitled to vote at the Annual Meeting, provided that a quorum is present. Votes may be cast FOR all nominees, WITHHOLD for all nominees, or WITHHOLD as to specific nominees. The two Class II nominees who receive the greatest number of votes cast FOR the election of such nominees shall be elected as directors. As a result, any vote other than a vote FOR the nominee will have the practical effect of voting AGAINST the nominee. An abstention will have the same effect as voting WITHHELD for election of directors, and a broker non-vote will not be treated as voting in person or by proxy on the proposal.

The independent directors have approved the nomination of the following individuals to serve until the 2008 Annual Meeting:

Director Qualification and Independence

The Independent Governance Committee has evaluated each director's independence. Nasdaq requires that at least a majority of the Board of Directors be independent. In order to be considered independent, a director cannot be an officer or employee of the Company or its subsidiaries or any other person that in the opinion of the Board of Directors has a relationship with the Company which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Based on its evaluation, the Independent Governance Committee has recommended to the Board of Directors that M. Frank Lyons, John M. Dodds, William E. Carty, Charles J. Bayer, John P. Brogan and James J. Grogan are independent. The full Board of Directors, based in part on the recommendation of the Independent Governance Committee, has determined that the directors listed in this paragraph are independent pursuant to Nasdaq's independence requirements.

OTHER INFORMATION REGARDING THE BOARD OF DIRECTORS

The full Board of Directors of the Company met 13 times during the fiscal year ended March 31, 2004. Each director attended at least 75% of the meetings of the full Board of Directors and of the committees on which he served. One or more of the directors are expected to attend the Meeting. All directors attended our 2003 annual meeting, which was held on November 7, 2003.

The annual fee for all services as a director of the Company prior to June 4, 2003 was \$26,400. Effective on that date, the annual fee was increased to \$50,000. Audit Committee members receive a \$50,000 annual fee, Executive Finance Committee and Compensation Committee members receive a \$20,000 annual fee, and Independent Governance Committee members receive a \$50,000 annual fee. These amounts are paid in equal monthly installments.

The Board of Directors has appointed the following standing committees: Audit Committee, Compensation Committee, Executive Finance Committee, and Independent Governance Committee. The Company does not have a nominating committee. The responsibility for director nominations is vested in the independent members of the board. The Board does not believe that a nominating committee is necessary because every independent director (as determined by Nasdaq's rules) participates in the nominating process. The Board of Directors has adopted a resolution addressing the nominations process and related matters. Our process is described in this Proxy Statement under the heading Director Nomination Process. Listed below is a summary of the Company's four committees and the membership of those committees.

Audit Committee. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities as to financial reporting, audit functions and risk management. The Audit Committee monitors the financial information that is provided to stockholders and others, the independence and performance of the Company's independent auditors and internal audit department and the systems of internal control established by management and the Board of Directors. The Audit Committee operates pursuant to a written charter approved by the Board of Directors. The Audit Committee is composed of John P. Brogan, James J. Grogan and John M. Dodds and met seven times during the fiscal year ended March 31, 2004. Messrs. Brogan, Grogan and Dodds are considered independent pursuant to the Nasdaq listing standards.

Executive Finance Committee. The Executive Finance Committee is authorized to act on behalf of the Board of Directors in approving any transaction involving the finances of the Company. The Committee has the authority to give final approval for the borrowing of funds on behalf of the Company without further action or approval of the Board of Directors. The Executive Finance Committee is comprised of Edward J. Shoen, John P. Brogan and Charles J. Bayer.

Compensation Committee. The Compensation Committee reviews the Company's executive compensation plans and policies, including benefits and incentives, to ensure that they are consistent with the goals and objectives of the Company. The Committee reviews and makes recommendations to the Board of Directors regarding

Table of Contents

management recommendations for changes in executive compensation and monitors management plans and programs for the retention, motivation and development of senior management. The Compensation Committee met three times during the fiscal year ending March 31, 2004. The Compensation Committee is comprised of John P. Brogan and James J. Grogan, independent directors of the Company.

Independent Governance Committee. In 2003, the Company's Board of Directors approved the formation of an Independent Governance Committee. The Independent Governance Committee is co-chaired by two independent members of the Board, James J. Grogan and John P. Brogan. Thomas W. Hayes, the former State Treasurer of California, and Paul A. Bible, a partner in the Reno-based law firm of Bible, Hoy & Trachok, are also members of this committee. Neither Mr. Hayes nor Mr. Bible is a member of the Company's Board of Directors. The Independent Governance Committee monitors and evaluates the Company's corporate governance principles and standards and proposes to the Board any modifications which are deemed appropriate for sound corporate governance. In addition, this committee reviews potential candidates for Board membership. The committee may review other matters as referred to it by the Board. The committee has the authority to and a budget from which to retain professionals. Committee membership is for a term of one year and each member is determined by the Board to be free of any relationship that would interfere with his exercise of independent judgment as member of this committee.

Mr. Hayes was president of Metropolitan West Financial Inc, a diversified financial management company with over \$60 billion in managed funds. He has also served as the State Treasurer of California, California's Director of Finance, and was responsible for overseeing the successful restructuring of Orange County's investment pool, following that county's Chapter 11 filing.

Mr. Bible currently serves as the Chairman of the Compliance Committee for H Group Holding, Inc., the holding company of Hyatt Corporation. He also serves as Chairman of the Compliance Committee for Jacobs Entertainment, Inc., the holding company of Black Hawk Gaming & Development Company, Inc. He is the former Chairman of the Board of Trustees of the University of Nevada, Reno Foundation, and is the former Chairman of the Nevada Gaming Commission.

Advisory Board Members. In addition to the four committees described above, in 2003, the Board of Directors authorized the inclusion of advisory Board members. Advisory Board members do not officially vote, but are given full and complete access to the affairs of the Board, including all meetings and votes of the Board and are treated in all other respects as a Board member. The Board has authorized up to two advisory Board members who shall serve at the will of the Board.

In 2003, the Board of Directors appointed Michael L. Gallagher as a member of the Advisory Board. Mr. Gallagher is a senior partner in the law firm Gallagher & Kennedy. Mr. Gallagher is also a director of Pinnacle West Capital Corporation and the Omaha World Herald Company.

Table of Contents

In 2004, the Board of Directors appointed Dan Mullen as a member of the Advisory Board. Mr. Mullen was Vice President, Treasurer and Principle Financial Officer of Talley Industries, Inc., a multi-industry conglomerate. He also served as Vice President of Finance for Southwest Pipe and Supply Company. Mr. Mullen was associated with U-Haul from 1968-1982.

See Security Ownership of Certain Beneficial Owners and Management and Certain Relationships and Related Transactions for additional information relating to the directors.

DIRECTOR NOMINATION PROCESS

Director Qualifications. Persons nominated to the Board should have personal integrity and high ethical character. Candidates should not have any interests that would materially impair his or her ability to exercise independent judgment or otherwise discharge the fiduciary duties owed by a director to the Company and its stockholders. Candidates must be able to represent fairly and equally all stockholders of the Company without favoring any particular stockholder group or other constituency of the Company and must be prepared to devote adequate time to the Board and its committees. In selecting nominees for director, the Board will assure that:

at least three of the directors satisfy the financial literacy requirements required for service on the Audit Committee; and

at least one of the directors qualifies as an audit committee financial expert under the rules of the Securities and Exchange Commission.

Identifying Director Candidates. The Board utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Board has a policy of re-nominating incumbent directors who continue to satisfy the Board's criteria for membership and whom the independent directors believe continue to make important contributions to the Board and who consent to continue their service on the Board.

In filling vacancies of the Board, the independent directors will solicit recommendations for nominees from the persons the independent directors believe are likely to be familiar with (i) the needs of the Company and (ii) qualified candidates. These persons may include members of the Board and management of the Company. The independent directors may also engage a professional search firm to assist in identifying qualified candidates.

In evaluating potential nominees, the independent directors will oversee the collection of information concerning the background and qualifications of the candidate and determine whether the candidate satisfies the minimum qualifications required by the Board for election as director and whether the candidate possesses any of the specific skills or qualities that under the Board's policies must be possessed by one or more members of the Board.

Table of Contents

The independent directors may interview any proposed candidate and may solicit the views about the candidate's qualifications and suitability from the Company's chief executive officer and other senior members of management.

The independent directors will make its selections based on all the available information and relevant considerations. The independent directors' selection will be based on who, in the view of the independent directors, will be best suited for membership on the Board.

In making its selection, the independent directors will evaluate candidates proposed by stockholders under criteria similar to other candidates, except that the independent directors may consider, as one of the factors in their evaluation, the size and duration of the interest of the recommending stockholder in the stock of the Company. The independent directors may also consider the extent to which the recommending stockholder intends to continue to hold its interest in the Company, including whether the recommending stockholder intends to continue holding its interest at least through the time of the meeting at which the candidate is to be elected.

Stockholder Nominees. The policy of the Board of Directors is to consider properly submitted stockholder recommendations for candidates for membership on the Board of Directors as described below. The evaluation process for such nominations is overseen by our independent directors. In evaluating such nominations, the independent directors seek to achieve qualified directors that can represent fairly and equally all stockholders of the Company and based on the membership qualifications and criteria described above. Any stockholder nominations for consideration by the independent directors should be mailed or delivered to the Company's Secretary at 2727 N. Central Avenue, Phoenix, Arizona 85004. Email submissions will not be considered. The recommendation must be accompanied by the following information about the stockholder:

the stockholder's name and address, including telephone number;

the number of shares of the Company's stock owned by the recommending stockholder and the time period for which such shares have been held;

if the recommending stockholder is not a shareholder of record, a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder and a statement from the recommending stockholder of the length of time the that the shares have been held; and

a statement from the stockholder as to whether the stockholder has a good faith intention to continue to hold the reported shares through the date of the next annual meeting at which the candidate would be elected.

If the recommendation is submitted by a group of two or more stockholders, the above information must be submitted with respect to each stockholder in the group. The recommendation must be received by the Company not later than 120 days prior to the first anniversary of the date of the proxy statement for prior annual meeting, except in the

Table of Contents

event that the date of the annual meeting for the current year is more than 30 days following the anniversary date of the annual meeting for the prior year, the submission will be considered timely if it is submitted a reasonable time in advance of the mailing of the Company's proxy statement for the annual meeting for the current year. The recommendation must be accompanied by a consent of the proposed nominee to be interviewed by the independent directors and other Board members and to serve as director of the Company.

The recommendation must also contain information about the proposed nominee, including:

the proposed nominee's name and address;

the information required by Items 401, 403 and 404 of SEC Regulation S-K (generally providing for disclosure of arrangements or understandings regarding the nomination, the business experience of the proposed nominee, legal proceedings involving the proposed nominee, the proposed nominee's ownership of securities of the Company, and transactions and relationships between the proposed nominee and the Company);

a description of all relationships between the proposed nominee and any of the Company's competitors, customers, suppliers, labor unions or other persons with special interests regarding the Company;

the qualifications of the proposed nominee;

a statement from the recommending stockholder that in his or her view, the nominee, if elected, would represent all the stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of the Company.

The Secretary will forward all recommendations to the independent directors. The acceptance a recommendation from a stockholder does not imply that the independent directors will recommend to the Board of Directors the nomination of the stockholder recommended candidate. In addition, the Company's bylaws permit stockholders to nominate directors at an annual meeting and nothing in the above procedures is intended to conflict with the provisions of our bylaws governing nominations by stockholders.

This information contained in this proxy about our nominations process is just a summary. A complete copy of the policies and procedures with respect to stockholder director nominations can be obtained from the Company, free of charge, by writing to our Secretary at the address listed above.

BOARD REPORT ON EXECUTIVE COMPENSATION

While the Company has established a Compensation Committee, the entire Board of Directors reviewed and determined the amount of compensation paid to the Chairman of the Board and President for fiscal 2004. The determination was subjective and not subject to a specific criteria. Although the Board of Directors had primary authority with respect to compensation decisions for the Company's other executive officers during fiscal 2004, the Chairman of the Board and President has historically and continued to make these decisions with the counsel of individual Board members, subject to the ability of the full Board to revise or override these decisions. Executive compensation was set at levels designed to retain the Company's executive officers and was based on subjective factors such as his perception of each officer's performance and changes in functional responsibility.

In addition to its involvement in executive compensation matters as described above, the Board of Directors determines the amount, if any, of the Company's contribution pursuant to the AMERCO Employee Savings, Profit Sharing and Employee Stock Ownership Plan.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (Audit Committee) is composed of three independent directors and operates under a written charter adopted by the Board of Directors, a copy of which is attached to this Proxy at Exhibit B. Each member of the Audit Committee meets the independence requirements of Nasdaq and the Securities Exchange Act of 1934.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee reviewed and discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent accountants also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Table of Contents

Based on the Audit Committee's discussions with management and the independent accountants and its review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended March 31, 2004 filed with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

AMERCO has engaged in related party transactions, and has continuing related party interests, with certain major stockholders, directors and officers of the consolidated group. Management believes that the transactions described below and in the related notes were consummated on terms equivalent to those that would prevail in arm's-length transactions.

During fiscal 2004, AMERCO purchased \$121,608 of refinishing supplies from Space Age Auto Paint Store Inc. E.J. Shoen, a major stockholder, officer and director of AMERCO, owns Space Age Auto Paint Store Inc.

Samuel J. Shoen, the son of Edward J. Shoen, is employed by U-Haul as project group supervisor. Mr. Shoen was paid an aggregate salary and bonus of \$86,532 for his services during the fiscal year 2004.

James P. Shoen, the brother of Edward J. Shoen and Mark V. Shoen, is Vice President of AMERCO Business Consultants, a subsidiary of the Company. Mr. Shoen was paid an aggregate of \$228,003 for his services during the fiscal year 2004.

During fiscal 2004 a subsidiary of the Company held various senior and junior unsecured notes of SAC Holdings. Substantially all of the equity interest of SAC Holdings is controlled by Mark V. Shoen, a significant shareholder and executive officer of the Company. The Company does not have an equity ownership interest in SAC Holdings, except for minority investments made by RepWest and Oxford in a SAC Holdings-controlled limited partnership which holds Canadian self-storage properties. The senior unsecured notes of SAC Holdings that the Company holds rank equal in right of payment with the notes of certain senior mortgage holders, but junior to the extent of the collateral securing the applicable mortgages and junior to the extent of the cash flow waterfalls that favor the senior mortgage holders. Interest on the notes accrue at rates varying from 7.5% to 9.0%. The Company received cash interest payments of \$26.5 million from SAC Holdings during fiscal year 2004. The notes receivable balance outstanding at March 31, 2004 was, in the aggregate, \$203.8 million. The largest aggregate amount outstanding during the fiscal year ended March 31, 2004 was \$403.5 million.

Interest accrues on the outstanding principal balance of junior notes of SAC Holdings that the Company holds at a stated rate of basic interest. A fixed portion of that basic interest is paid on a monthly basis.

Additional interest is paid on the same payment date based on the amount of remaining basic interest and the cash flow generated by the underlying property. This amount is referred to as the cash flow-based calculation.

In the event that this cash flow-based calculation exceeds the amount of remaining basic interest, contingent interest is paid on the same monthly date as the fixed portion of basic interest. To the extent that the cash flow-based calculation is less than the amount of remaining basic interest, the additional interest payable on the applicable

Table of Contents

monthly date is limited to the amount of that cash flow-based calculation. In such a case, the excess of the remaining basic interest over the cash flow-based calculation is deferred and all amounts so deferred bear interest until maturity of the junior note. In addition, subject to certain contingencies, the junior notes provide that the holder of the note is entitled to receive payments upon, among other things, the sale of such property by SAC Holdings. This is called Capital Proceeds Contingent Interest. As of March 31, 2004 interest on the notes accrues interest at rates ranging from 7.5% to 9.0%.

The Company currently manages the self-storage properties owned by SAC Holdings pursuant to a standard form of management agreement with each SAC Holdings subsidiary, under which the Company receives a management fee equal to 6% of the gross receipts. The Company received management fees of \$12.7 million during fiscal year 2004. This management fee is consistent with the fees received for other properties the Company manages for third parties.

In April 2004, the Company entered into arrangements to manage properties leased by Mercury Partners, L.P. (Mercury). Mercury is controlled by Mark V. Shoen. The property management agreement we entered into with Mercury will pay U-Haul a fee equal to 4% of the gross self-storage revenues generated by the properties, plus a bonus of up to 6% of the gross self-storage rental revenues based on specified performance levels.

RepWest and Oxford currently hold a 46% limited partnership interest in Securespace Limited Partnership (Securespace), a Nevada limited partnership. A SAC Holdings subsidiary serves as the general partner of Securespace and owns a 1% interest. Another SAC Holdings subsidiary owns the remaining 53% limited partnership interest in Securespace. Securespace was formed by SAC Holdings to be the owner of various Canadian self-storage properties.

During fiscal year 2004, the Company leased space for marketing company offices, vehicle repair shops and hitch installation centers owned by subsidiaries of SAC Holdings. Total lease payments pursuant to such leases were \$2.6 million, during fiscal year 2004. The terms of the leases are similar to the terms of leases for other properties owned by unrelated parties that are leased to the Company.

At March 31, 2004, subsidiaries of SAC Holdings acted as U-Haul independent dealers. The financial and other terms of the dealership contracts with subsidiaries of SAC Holdings are substantially identical to the terms of those with the Company's other independent dealers. During fiscal 2004, the Company paid subsidiaries of SAC Holdings \$29.1 million in commissions pursuant to such dealership contracts.

SAC Holdings was established in order to acquire self-storage properties which are being managed by the Company pursuant to management agreements. The sale of self-storage properties by the Company to SAC Holdings has in the past provided significant cash flows to the Company and the Company's outstanding loans to SAC Holdings entitle the Company to participate in SAC Holdings' excess cash flows (after senior debt service). However, in connection with SAC Holdings' issuance of the New SAC Holdings Notes to AMERCO's creditors in AMERCO's Chapter 11 proceeding,

Table of Contents

certain SAC Holdings notes payable to the Company were satisfied thereby extinguishing the cash flow-based calculation.

Management believes that its sales of self-storage properties to SAC Holdings over the past several years provided a unique structure for the Company to earn rental revenues at the SAC Holdings self-storage properties that the Company manages and participate in SAC Holdings excess cash flows as described above.

No real estate transactions with SAC Holdings that involve the Company or any of its subsidiaries are expected in the foreseeable future.

EMERGENCE FROM CHAPTER 11

On June 20, 2003, AMERCO filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code. Amerco Real Estate Company also filed a voluntary petition for relief under Chapter 11 on August 13, 2003. The other subsidiaries of AMERCO were not included in either of the filings. On March 15, 2004, we emerged from Chapter 11 (less than nine months from our petition date) with full payment to our creditors while preserving the interests of our stockholders.

DERIVATIVE ACTION

The disclosure in this section is required by the federal securities laws because the plaintiff, Paul F. Shoen, is the brother of one or more directors, officers and 5% stockholders.

On September 24, 2002, Paul F. Shoen filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Paul F. Shoen vs. SAC Holding Corporation et al, CV02-05602, seeking damages and equitable relief on behalf of the Company from SAC Holdings and certain current and former members of the Company's Board of Directors, including Edward J. Shoen, Mark V. Shoen and James P. Shoen as defendants. The Company is named a nominal defendant for purposes of the derivative action. The complaint alleges breach of fiduciary duty, self-dealing, usurpation of corporate opportunities, wrongful interference with prospective economic advantage and unjust enrichment and seeks the unwinding of sales of self-storage properties by subsidiaries of the Company to SAC Holdings over the last several years. The complaint seeks a declaration that such transfers are void as well as unspecified damages. On October 28, 2002, the Company, the Shoen directors, the non-Shoen directors and SAC Holdings filed Motions to Dismiss the complaint. In addition, on October 28, 2002, Ron Belec filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Ron Belec vs. William E. Carty, et al, CV 02-06331 and on January 16, 2003, M.S. Management Company, Inc. filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned M.S. Management Company, Inc. vs. William E. Carty, et. al, CV 03-00386. Two additional derivative suits also were filed against these parties. These additional suits are substantially similar to the Paul F. Shoen derivative action. The five suits assert virtually identical claims. In fact, three of the five plaintiffs are parties who are working closely together and chose to file the same claims multiple

Table of Contents

times. The court consolidated all five complaints before dismissing them on May 28, 2003. Plaintiffs have filed a notice of appeal. These lawsuits falsely alleged that the Company's Board lacked independence. In reaching its decision to dismiss these claims, the court determined that the Company's Board of Directors had the requisite level of independence required in order to have these claims resolved by the Board.

SHAREHOLDER PROPOSAL

The Company has been advised that one of its stockholders intends to present a proposal at the annual meeting. Following SEC rules, other than minor formatting changes, we are reprinting the proposal and supporting statement as they were submitted to us. We take no responsibility for them.

The name, address and stock ownership of the proponent will be furnished by the Company promptly upon receiving an oral or written request to the Company's Secretary.

Resolved: Shareholders of AMERCO (the Company) urge the Board of Directors (the Board) to adopt a policy of nominating independent directors who, if elected by the shareholders, would constitute two-thirds of the Board. For purposes of this proposal, the term Independent Director shall mean a director who:

has not been employed by the Company in an executive capacity;

is not affiliated with a company that is, an advisor or consultant to the Company, or a significant customer or supplier of the Company;

has no personal service contract(s) with the Company or the Company's senior management;

is not affiliated with a not-for-profit entity that receives significant contributions from the Company;

within the last five years, has not had any business relationship with the Company that the Company has been required to disclose under the Securities and Exchange Commission disclosure regulations;

is not employed by a public company at which an executive officer of the Company serves as a director;

has not had a relationship of the sort described above with any affiliate of the Company; and

is not a member of the family of any person described above.

Supporting Statement: This proposal seeks to establish a level of independence that we believe will promote clear and objective decision-making in the best interest of all shareholders. The above resolution is based on a definition of director independence that was developed by the Council of Institutional Investors, an organization of more than

Table of Contents

130 pension funds with over \$2 trillion in assets. The Council of Institutional Investors believes that an independent director is someone whose only nontrivial professional, familial or financial connection to the corporation, its chairman, CEO or any other executive officer is his or her directorship.

In our opinion, fewer than half of the Company's directors meet the proposed standard of independence. Five of AMERCO's eight directors (two of whom are related) are current or former executives of the Company or its predecessors and a sixth served in national field operations for the Company.

Leading business organizations such as the National Association of Corporate Directors' Blue Ribbon Commission on Director Professionalism have supported requiring a substantial majority of independent directors. According to the Business Roundtable's Principles of Corporate Governance, a substantial majority of directors of the board of a publicly owned corporation should be independent of management. The Conference Board's Commission on Public Trust and Private Enterprise states: Boards must be composed of qualified individuals, a substantial majority of whom are free from disqualifying conflicts of interest.

For these reasons, please vote FOR this proposal.

Board Recommendation: The Board of Directors is making no recommendation regarding this proposal.

RELATIONSHIP WITH INDEPENDENT AUDITORS

BDO Seidman, LLP served as our principal independent accountants for the fiscal years ended March 31, 2003 and 2004 and the Audit Committee has selected BDO Seidman, LLP to audit AMERCO's financial statements for fiscal 2005. We expect that representatives of BDO Seidman, LLP will not be present at the Meeting. The following table shows the fees that AMERCO and its consolidated entities paid or accrued for the audit and other services provided by BDO Seidman, LLP for fiscal years 2004 and 2003.

Audit Fees. This category includes the audit of AMERCO's annual financial statements, review of financial statements included in AMERCO's Form 10-Q quarterly reports, and services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for those fiscal years. This category also includes advice on accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, statutory audits required by U.S. jurisdictions and the preparation of an annual management letter on internal control matters. Fiscal year 2003 includes the cost of re-auditing all consolidated entities for the fiscal years ended March 31, 2002 and 2001.

Audit-Related Fees. This category consists of assurance and related services provided by BDO Seidman, LLP that are reasonably related to the performance of the audit or review of AMERCO's financial statements and are not reported above under Audit Fees. The services for the fees disclosed under this category include benefit plan audits and other accounting consulting.

Tax Fees. This category consists of professional services rendered by BDO Seidman, LLP, primarily in connection with AMERCO's tax compliance activities, including the preparation of tax returns in certain jurisdictions and technical tax advice related to the preparation of tax returns.

All Other Fees. This category consists of fees for other miscellaneous items. This includes fees associated with various litigation and regulatory inquiries occurring during the current and prior fiscal years.

Each year, the Audit Committee approves the annual audit engagement in advance. The Audit Committee also has established procedures to pre-approve all non-audit services provided by the independent accountants. All 2004 non-audit services listed above were pre-approved. The Audit Committee has determined that the provision of services by BDO described in the preceding paragraphs were compatible with maintaining BDO's independence as the Company's principal accountant.

On July 17, 2002, the Company dismissed PricewaterhouseCoopers LLP (PwC) as the Company's independent auditors. On August 8, 2002, the Company engaged BDO as the Company's independent auditing firm.

On July 23, 2002, the Company disclosed the following:

That the reports of PwC on the financial statements of the Company for the fiscal years ended March 31, 2002 and 2001 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

That the decision to dismiss PwC was recommended by the Company's audit committee and authorized by the Board of Directors of the Company.

That for the Company's fiscal years ended March 31, 2002 and 2001 and through July 17, 2002, there were no disagreements with PwC on any matter

Table of Contents

of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC would have caused it to make reference to the subject matter of the disagreements in its report.

That for the Company's fiscal years ended March 31, 2002 and 2001 and through July 17, 2002, there had occurred none of the reportable events listed in Item 304 (a)(1)(v)(A-D) of Regulation S-K.

That PwC indicated to the Company that material weaknesses exist in certain aspects of the Company's internal controls that were noted during PwC's audits of the Company's financial statements for the fiscal years ended March 31, 2001 and 2002.

That PwC recommended examination and augmentation, as appropriate, of certain aspects of the Company's internal control procedures, including the following: (1) Responsibility for each general ledger account should be assigned to an appropriate person, reconciliations (particularly with respect to intercompany accounts with SAC Holdings, inventory, and fixed assets) should be performed on a monthly basis, and the financial reporting manager should ensure that all accounts with variances at month-end are investigated and corrected within an appropriate timeframe; (2) The internal control structure and monitoring process of management should be strengthened to help detect misstated account balances on a timely basis. Corrections of items should be made on a timely basis, as well, to ensure proper quarterly and annual reporting; (3) Access to the general ledger should be limited to a few select individuals, with the appropriate level of authority, who do not possess incompatible job responsibilities. Further, journal entries should be reviewed and approved to ensure that each adjustment is supported by appropriate documentation and that each entry has been reflected on the subsidiary ledger, if applicable; (4) Controls relating to inventory costing, including LIFO reserve calculations, manufacturing and overhead costs, and retention of records should be improved; and (5) Position vacancies should be filled in a timely manner with competent personnel. Documentation of job responsibilities, processes, etc. should be prepared to ensure efficient and accurate knowledge transfer. In addition, cross training of employees and functions should occur to strengthen the control environment and to minimize disruptions in the event of employee turnover.

That the Audit Committee had discussed these matters with PwC and the Company had begun addressing these matters.

That the Company had authorized PwC to respond fully to any inquiries concerning these matters from the auditor selected to replace PwC.

That the Company had received a letter from PwC stating that PwC agreed with the statements reported above.

Table of Contents

Subsequently, the Report of Independent Accountants on the financial statements of the Company for the year ended March 31, 2002 issued by PwC on January 6, 2003 included a going concern explanatory paragraph. Such explanatory paragraph expressed substantial doubt about the Company's ability to continue as a going concern due, in part, to AMERCO's default (either directly or indirectly as a result of cross-default) of approximately \$1,175.4 million in current obligations.

On May 7, 2003 PwC notified the Company that the report referred to in the preceding paragraph, that is dual dated September 23, 2002, except notes 1, 21, and 22, which are dated January 6, 2003, should no longer be associated with the financial statements (a) of AMERCO and its subsidiaries, SAC Holding Corporation and its subsidiaries, and SAC Holding Corporation II and its subsidiaries at March 31, 2002, and the results of their operations and their cash flows for the year then ended and (b) of AMERCO and its subsidiaries and SAC Holding Corporation and its subsidiaries at March 31, 2001, and the results of their operations and their cash flows for each of the two years in the period ended March 31, 2001.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership of, and transactions in, the Company's securities with the Securities and Exchange Commission. Such directors, executive officers and 10% stockholders are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms received by it, the Company believes that during fiscal 2004, all Section 16(a) filing requirements applicable to its directors, officers and 10% stockholders were complied with.

STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

Proposals to be presented at the 2005 Annual Meeting of Stockholders that are not intended for inclusion in the proxy statement and form of proxy must be submitted by that date and in accordance with the applicable provisions of the Company's By-Laws, a copy of which is available upon written request, delivered to the Secretary of AMERCO at the address in the preceding sentence. The Company suggests that proponents submit their proposals to the Secretary of AMERCO by Certified Mail-Return Receipt Requested.

EXHIBIT B

AMERCO AUDIT COMMITTEE CHARTER

I. PURPOSE

The audit committee is established by and among the Board of Directors of AMERCO (the Company) for the primary purpose of assisting the Board in:

Overseeing the integrity of the Company's financial statements;

Overseeing the independent auditor's qualifications and independence;

Overseeing the performance of the Company's independent auditor; and

Overseeing the Company's systems of disclosure controls and procedures and internal controls over financial reporting.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures, and practices at all levels. The Audit Committee should also provide for open communication among the independent auditor, financial and senior management, the internal audit department, and the Board of Directors.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, and other advisors as deemed appropriate to perform its duties and responsibilities.

The Company will provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor, to any advisors that the Audit Committee chooses to engage, and for payment of ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this charter.

II. COMPOSITION AND MEETINGS

The Audit Committee will comprise three or more directors as determined by the Board. Each Audit Committee member will be a person other than an officer or employee of the Company or its subsidiaries or any other individual having a relationship which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. All Audit Committee members must be independent, including being free of disallowed compensation agreements under all other applicable rules and regulations.

All members of the Audit Committee must comply with all financial literacy requirements of Nasdaq. The Board will determine whether at least one member of the

committee qualifies as an audit committee financial expert in compliance with the criteria established by the SEC. The existence of such a member, including his or her name and whether or not he or she is independent, will be disclosed in periodic filings as required by the SEC. Committee members are encouraged to enhance their familiarity with finance and accounting by participating in educational programs, including those conducted by the Company or outside consultants.

The members of the Audit Committee will be elected by the Board to serve until their successors are elected.

critical accounting policies and practices;

alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and

other important written communications between the independent auditor and management, including, but not limited to, the management letter and schedule of unadjusted differences.

7. At least annually, obtain and review a report by the independent auditor describing:

the firm's internal quality-control procedures;

any material issues raised by the most recent internal quality-control review or peer review, or by any inquiry or investigation conducted by governmental or professional authorities during the preceding five years with respect to independent audits carried out by the firm, and any steps taken to deal with any such issues; and

the matters set forth in Independence Standards Board Standard No. 1.

This report should be used to evaluate the independent auditor's qualifications, performance, and independence. Further, the Audit Committee will review the experience and qualifications of the lead partner and other senior members of the independent audit team each year and determine that all partner rotation requirements as promulgated by applicable rules and regulations are executed.

8. Actively engage in dialogue with the independent auditor with respect to any disclosed relationships or services that may affect the independence and objectivity of the auditor and take, or recommend that the full Board take, appropriate actions to oversee the independence of the outside auditor.

9. Review and pre-approve (which may be pursuant to pre-approval policies and procedures) both audit and nonaudit services to be provided by the independent auditor. The authority to grant pre-approvals may be delegated to one or more designated members of the Audit Committee whose decisions will be presented to the full Audit Committee at its next regularly scheduled meeting. Approval of nonaudit services will be disclosed to investors in periodic reports required by Section 13(a) of the Securities Exchange Act of 1934.
