ITEM 1.01. (information furnished in this Item 1.01 is furnished under Item 12).

Noble International, Ltd (the "Company") and holders of its 2004 4% Convertible Subordinated Notes ("Notes") executed an amendment to the Notes on November 15, 2004 ("Amendment") which supersedes the amendment executed in October ("October Amendment") filed as an exhibit to the Company's Report on Form 10Q for the quarter ended September 30, 2004. The Amendment incorporates changes that eliminates the embedded derivative liability associated with the Notes. As a result of eliminating the embedded derivative liability, the Company will no longer be required to value the derivative on a quarterly basis after November 15, 2004. Any change in the value of the derivative liability as of November 15, 2004 will be reflected in the Company's results for the period ending December 31, 2004. The value of the derivative will be netted against the balance of the debt discount as of November 15, 2004. Any remaining debt discount will continue to be amortized over the remaining term of the Notes.
