PART I

ITEM 1. BUSINESS

(a) GENERAL.

Blair Corporation (the "Company") was founded in 1910 by John L. Blair, Sr., and was incorporated in 1924 under the laws of the State of Delaware. The Company's business consists of the sale of fashion apparel for men and women, plus a wide range of home products, primarily through direct mail merchandising. The Company operates three retail stores, two in Pennsylvania and one in Delaware, and two outlet stores in Pennsylvania. The Company employs approximately 2,500 people. None of the Company's employees are subject to collective bargaining agreements.

(b) INFORMATION REGARDING INDUSTRY SEGMENTS.

The Company's business consists of only one industry segment, which is the direct mail and retail merchandising of men's and women's fashion apparel and home products.

(c) DESCRIPTION OF BUSINESS.

The Company markets a wide range of merchandise, manufactured by a number of independent suppliers, both domestic and foreign. Most of these suppliers have been associated with the Company for many years and manufacture products based upon the Company's specifications. Suppliers are selected in accordance with their ability to produce high quality products in a cost-effective manner.

The Company markets its products mainly by direct mail. Catalogs and letters containing color folders, depict the current styles of womenswear (such as coordinates, dresses, tops, pants, skirts, lingerie, sportswear, suits, jackets, outerwear and shoes), menswear (such as suits, shirts, outerwear, active wear, slacks, shoes, and accessories), and home products (such as bedspread ensembles, draperies, furniture covers, area rugs, bath accessories, kitchenware, gifts, collectibles and personal care items) and are mailed directly to existing and prospective customers. Sales of the menswear and womenswear products, including the new Crossing Pointe product line, accounted for approximately 86% of the Company's total sales in 2000, and sales of home products accounted for the remaining 14% (approximately). Media and co-op prospect advertising programs continue to be used as components of the Company's customer acquisition strategy. The Company had minimal presence on the Internet in 2000, approximately \$2 million in sales, but will be expanding its Internet presence in 2001. The Company launched its own e-commerce website (www.blair.com) in the fall of 2000 and redesigned the site at the beginning of 2001.

Edgar Filing: BLAIR CORP - Form 10-K

Catalog mailings are mailed from commercial printers engaged by the Company and letter mailings originate from the Company's Mailing Center in nearby Irvine, Pennsylvania. Orders for merchandise are processed at the Company's corporate offices in Warren, Pennsylvania (telephone orders via the call centers) and orders are filled and mailed from the Company's Distribution Center in Irvine, Pennsylvania. The Company serves customers throughout the fifty states.

The Company's outlet stores enable it to more efficiently promote and liquidate discontinued, overstocked and returned merchandise. The Delaware retail store is the only Company retail facility located outside of its home state of Pennsylvania.

The Company considers its merchandise to be low/medium-priced and competes for sales with other direct marketers, retail department stores, specialty shops, discount store chains and e-commerce and multi-channel marketers. The Company competes based on its sales expertise - it's unique combination of product, quality, price, credit, guarantee and service.

During 2000, the Company continued to broaden its customer information database systems. The marketing and credit departments are continually updated in order to enhance the Company's ability to market to both customers and prospects.

(d) FOREIGN OPERATIONS AND EXPORT SALES.

The Company does not derive any revenue from sales of merchandise outside of the United States.
