### Item 1.01 Entry into a Material Definitive Agreement

On October 18, 2007, we entered into Amendment No. 3 to Third Amended and Restated Credit Agreement (the Amendment ). The Amendment increases the overall borrowing capacity, reduces the interest rate premiums (spreads) to be paid on our borrowings, reduces the scope of certain negative covenants, and extends the term of the facility. The Amendment increases the borrowing capacity from \$130.0 million to \$150.0 million and increases the optional provision for expansion from \$150.0 million to \$250.0 million. The Amendment extends the maturity date of the credit facility to October 18, 2012 and permits borrowings based on a floating spread over prime rate ranging from 0.00% to 0.75% or London Interbank Offered Rate (LIBOR) ranging from 0.75% to 1.75%, based upon certain of our financial ratios. As of October 19, 2007, we had \$94.0 million outstanding letters of credit, no borrowings, and \$56.0 million of borrowing capacity under the credit facility as revised by the Amendment.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 1.01.

# Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant
