March 1, 2001

WE NEED YOUR PROXY VOTE IMMEDIATELY.

YOUR VOTE IS VITAL. THE MEETING OF SHAREHOLDERS WILL HAVE TO BE ADJOURNED WITHOUT CONDUCTING ANY BUSINESS IF FEWER THAN A MAJORITY OF THE SHARES ELIGIBLE TO VOTE ARE REPRESENTED. IN THAT EVENT, THE FUND WOULD CONTINUE TO SOLICIT VOTES IN AN ATTEMPT TO OBTAIN A QUORUM. TO AVOID THE EXPENSE OF AND THE POSSIBLE DELAY CREATED BY SUCH A SOLICITATION, PLEASE RETURN YOUR PROXY CARD IMMEDIATELY. YOU AND ALL OTHER SHAREHOLDERS WILL BENEFIT FROM YOUR COOPERATION.

PROXY STATEMENT

The board of directors of Duff & Phelps Utilities Income Inc. (the "Fund") is soliciting proxies from the shareholders for use at the annual meeting of shareholders to be held April 24, 2001 and at any adjournment of that meeting. A proxy may be revoked at any time before it is voted, either by voting in person at the meeting or by written notice to the Fund or delivery of a later-dated proxy.

Shareholders of the Fund of record at the close of business on March 1, 2001 are entitled to notice of and to participate in the meeting. The Fund had 211,407,743 shares of common stock and 5,000 shares of remarketed preferred stock outstanding on the record date. Each share of common stock outstanding on the record date entitles the holder thereof to one vote for each director being elected by the common stock (with no cumulative voting permitted) and to one vote on each other matter. Each share of preferred stock outstanding on the record date entitles the holder thereof to one vote for each director being elected by the preferred stock (with no cumulative voting permitted) and to one vote on each matter submitted for a vote of holders of preferred stock. A plurality of votes cast at the meeting by the common stock as to the directors representing the common stock is necessary to elect such directors. A plurality of votes cast at the meeting by the preferred stock as to the director representing the preferred stock is necessary to elect such director. On most other matters, the affirmative vote of a majority of either (a) all of the shares outstanding and entitled to be voted thereon or (b) just the shares voted at the meeting, with the common stock and the preferred stock voting together as a single class, is necessary for approval. An affirmative vote by either a majority or two-thirds of the remarketed preferred stock (voting separately as one class) or by a series thereof is also necessary to approve certain matters adversely affecting the remarketed preferred stock or the series. Abstentions are counted for purposes of determining whether a quorum is present at the meeting but not for purposes of determining the number of votes cast with respect to any voting matter. However, abstentions have the effect of a no vote if the vote required is a majority of all the shares outstanding and entitled to be voted. Any broker non-votes on a particular matter are treated as abstentions with respect to that matter.

This proxy statement is first being mailed on or about March 1, 2001. The Fund will bear the cost of the annual meeting and this proxy solicitation.

2. SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The board of directors has selected Arthur Andersen LLP as independent public accountants for the Fund until the annual meeting of shareholders held in 2002. Arthur Andersen LLP has served as independent public accountants for the Fund since the Fund commenced operations. Ratification or rejection of the selection of independent public accountants will be determined by a majority of the votes cast.

4

Audit Fees. Arthur Andersen LLP billed aggregate fees of \$48,700 for professional services rendered for (i) the audit of the Fund's 2000 financial statements and (ii) the review of the financial statements included in the Fund's semi-annual report for the six months ended June 30, 2000.

Those services included quarterly reporting relating to the Fund's preferred stock and commercial paper, review of 1940 Act filings, preparation of income tax returns and other tax consultation services.

All audit and non-audit services provided by Arthur Andersen LLP are approved by the Fund's audit committee, which considers whether the provision of non-audit services is compatible with maintaining the independence of Arthur Andersen LLP.

The board of directors unanimously recommends a vote "FOR" ratification of the selection of Arthur Andersen LLP.

OTHER BUSINESS

Management is not aware of any other matters that will come before the meeting. If any other business should come before the meeting, however, your proxy, if signed and returned, will give discretionary authority to the persons designated in it to vote according to their best judgment.

OTHER INFORMATION

The Adviser and Phoenix Investment Partners. Duff & Phelps Investment Management Co. serves as the Fund's investment adviser (the "Adviser") under an investment advisory agreement (the "Advisory Agreement") dated May 1, 1998. The Adviser is a wholly-owned subsidiary of Phoenix Investment Partners, Ltd. ("Phoenix Investment Partners"), which is an indirect, wholly-owned subsidiary of Phoenix Home Life Mutual Insurance Company. Prior to May 11, 1998, Phoenix Investment Partners was known as Phoenix Duff & Phelps Corporation. The address of the Adviser is 55 East Monroe Street, Chicago, Illinois 60603.

The Adviser (together with its predecessor) has been in the investment

Edgar Filing: DUFF & PHELPS UTILITIES INCOME INC - Form DEF 14A

advisory business for more than 60 years and, excluding the Fund, currently has more than \$7.9 billion in client accounts under discretionary management.

Under the terms of the Advisory Agreement, the Adviser furnishes continuing investment supervision to the Fund and is responsible for the management of the Fund's portfolio, subject to the overall control of the board of directors of the Fund. Currently, the Adviser has ten professionals (i.e., research analysts and portfolio managers), along with support staff, assigned to the operation of the Fund. Eight of the ten professionals have

5

the CFA (Chartered Financial Analyst) designation and one is a CPA (Certified Public Accountant). The Adviser furnishes, at its own expense, office space, equipment and personnel to the Fund in connection with the performance of its investment management responsibilities, and pays all other expenses incurred by it in connection with managing the assets of the Fund not payable by the Fund's administrator pursuant to the administration agreement. The Advisory Agreement also includes the conditions under which the Fund may use "Duff & Phelps" in its name. For its services the Adviser receives from the Fund a quarterly management fee, payable out of the Fund's assets, at an annual rate of 0.60 of 1% of the average weekly net assets of the Fund up to \$1.5 billion and 0.50 of 1% of average weekly net assets in excess of \$1.5 billion. For purposes of calculating the management fee, the Fund's net assets are defined as the sum of (i) the aggregate net asset value of the Fund's common stock, (ii) the aggregate liquidation preference of the Fund's preferred stock and (iii) the aggregate proceeds of commercial paper issued by the Fund. The management fee paid by the Fund to the Adviser for 2000 was \$14,719,244.

Except for the expenses borne by the Adviser and the Administrator (as described below) pursuant to their respective agreements with the Fund, the Fund pays all expenses incurred in its operations, including, among other things, expenses for legal, accounting and auditing services, taxes, interest, costs of printing and distributing shareholder reports, proxy materials, prospectuses and stock certificates, charges of custodians, registrars, transfer agents, dividend disbursing agents, dividend reinvestment plan agents and remarketing agents, Securities and Exchange Commission fees, fees and expenses of non-interested directors, insurance, brokerage costs, litigation and other extraordinary or non-recurring expenses.

The Fund is also a party to a service agreement dated May 1, 1998 (the "Service Agreement") with the Adviser and Phoenix Investment Partners. Under the terms of the Service Agreement, Phoenix Investment Partners makes available to the Adviser the services of its employees and various facilities to enable the Adviser to perform certain of its obligations to the Fund. However, the obligation of performance under the Advisory Agreement is solely that of the Adviser, for which Phoenix Investment Partners assumes no responsibility, except as described in the preceding sentence. The Adviser reimburses Phoenix Investment Partners for any costs, direct or indirect, that are fairly attributable to the services performed and the facilities provided by Phoenix Investment Partners under the Service Agreement. The Fund does not pay any fees pursuant to the Service Agreement.

The Advisory Agreement and the Service Agreement both provide that the Adviser shall not be liable to the Fund or its shareholders for any loss suffered as a consequence of any act or omission of the Adviser or Phoenix Investment Partners, as the case may be, in connection with the respective agreements except by reason of its willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of reckless disregard of its obligations under the Advisory Agreement.

Edgar Filing: DUFF & PHELPS UTILITIES INCOME INC - Form DEF 14A

At the annual meeting held on April 29, 1998, the Fund's shareholders approved the Advisory Agreement for a two-year term beginning on May 1, 1998 and ending on April 30, 2000. At a meeting held on October 17, 1997, the Board of Directors of the Fund, including all of the directors who were not interested persons of the Fund or Phoenix Investment Partners in attendance at the meeting voting separately as a class, approved the Service Agreement for a two-year term beginning on May 1, 1998 and ending on April 30, 2000, contingent on the above-referenced approval of the Advisory Agreement by the shareholders of the Fund. Unless earlier terminated as described below, the Advisory Agreement and the Service Agreement may be continued from year to year, if approved annually (i) by a majority of the directors of the Fund who are not interested persons of the

6

Fund or the Adviser, in the case of the Advisory Agreement, or Phoenix Investment Partners, in the case of the Service Agreement, and (ii) by either the board of directors of the Fund or the holders of a majority of the outstanding shares of the Fund as defined in the 1940 Act. A majority of the outstanding shares of the Fund as defined in the 1940 Act means the following vote of the common stock and the preferred stock voting together as a single class: (i) 67% of the shares represented at a meeting at which more than 50% of the outstanding shares are represented; or (ii) more than 50% of the outstanding shares. At meetings held on January 26, 2000 and February 23, 2001, the Board of Directors of the Fund, including all of the directors of the Fund who were not interested persons of the Fund or the Adviser, in the case of the Advisory Agreement, or Phoenix Investment Partners, in the case of the Service Agreement, in attendance at the meeting voting separately as a class, voted to continue the Advisory Agreement and the Service Agreement for an additional one-year term. Accordingly, the term of these agreements currently extends to April 30, 2002.

The Advisory Agreement may be terminated without penalty on 60 days' written notice by any party thereto or by a vote of the shareholders of the Fund and would terminate automatically if it were assigned by any party. If the Advisory Agreement were terminated, shareholder approval would be required to enter into a new agreement. The Service Agreement may be terminated without penalty on 60 days' written notice by any party thereto and would terminate automatically if it were assigned by any party unless a majority of the Fund's board of directors, including a majority of the directors who are not interested persons of the Fund or Phoenix Investment Partners, approves continuation of the Service Agreement.

The Administrator. J.J.B. Hilliard, W.L. Lyons, Inc. serves as the Fund's administrator (the "Administrator") under an administration agreement (the "Administration Agreement") dated May 1, 1998. The Administrator (together with its predecessors) has been engaged in the investment business as a securities broker-dealer and investment adviser since 1854. It also serves as administrator and investment adviser to Hilliard-Lyons Government Fund, Inc., a money market mutual fund, and Hilliard Lyons Growth Fund, Inc., an open-end mutual fund, and as investment adviser to Senbanc Fund, an open-end mutual fund. The Administrator is a wholly-owned subsidiary of The PNC Financial Services Group, Inc. Its principal address is Hilliard Lyons Center, Louisville, Kentucky 40202.

Under the terms of the Administration Agreement, the Administrator provides all management and administrative services required in connection with the operation of the Fund not required to be provided by the Adviser pursuant to the Advisory Agreement, as well as the necessary office facilities, equipment and personnel to perform such services. For its services the Administrator receives from the Fund a quarterly fee at annual rates of 0.25 of 1% of the

Edgar Filing: DUFF & PHELPS UTILITIES INCOME INC - Form DEF 14A

Fund's average weekly net assets up to \$100 million, 0.20 of 1% of the Fund's average weekly net assets from \$100 million to \$1.0 billion, 0.10 of 1% of average weekly net assets in excess of \$1.0 billion. For purposes of calculating the administrative fee, the Fund's net assets are defined as the sum of (i) the aggregate net asset value of the Fund's common stock, (ii) the aggregate liquidation preference of the Fund's preferred stock and (iii) the aggregate proceeds of commercial paper issued by the Fund. The total administrative fee paid by the Fund to the Administrator for 2000 was \$3,693,849.

The Administration Agreement provides that the Administrator shall not be liable to the Fund or its shareholders for any loss suffered as a consequence of any act or omission of the Administrator in connection with the agreement except by reason of its willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of reckless disregard of its obligations under the agreement.

7

At a meeting held on October 17, 1997, the board of directors of the Fund, including all of the directors who were not interested persons of the Fund or the Administrator in attendance at the meeting voting separately as a class, approved the Administration Agreement for a two-year term beginning on May 1, 1998 and ending on April 30, 2000, contingent on approval of the Advisory Agreement by the shareholders of the Fund (which approval was granted at the annual meeting held on April 29, 1998). Unless earlier terminated as described below, the Administration Agreement may be continued from year to year, if approved annually (i) by a majority of the directors of the Fund who are not interested persons of the Fund or the Administrator and (ii) by either the board of directors of the Fund or the holders of a majority of the outstanding shares of the Fund as defined in the 1940 Act. The Administration Agreement may be terminated without penalty on 60 days' written notice by any party thereto or by a vote of the shareholders of the Fund. At meetings held on January 26, 2000 and February 23, 2001, the Board of Directors of the Fund, including all of the directors of the Fund who were not interested persons of the Fund or the Administrator in attendance at the meeting voting separately as a class, voted to continue the Administration Agreement for an additional one-year term. Accordingly, the term of this agreement currently extends to April 30, 2002.

Portfolio Transactions. The Adviser has discretion to select brokers and dealers to execute portfolio transactions initiated by the Adviser and to select the markets in which such transactions are to be executed. In executing portfolio transactions and selecting brokers or dealers, the primary responsibility of the Adviser is to seek the best combination of net price and execution for the Fund. The Fund ordinarily purchases securities in the primary markets, and in assessing the best net price and execution available to the Fund, the Adviser considers all factors it deems relevant, including the breadth of the market in the security, the price of the security, the financial condition and execution capability of the broker or dealer and the reasonableness of the commission, if any (for the specific transaction and on a continuing basis).

In selecting brokers or dealers to execute particular transactions and in evaluating the best net price and execution available, the Adviser is authorized to consider "brokerage and research services" (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934 (the "1934 Act")), statistical quotations, specifically the quotations necessary to determine the Fund's net asset value, and other information provided to the Fund and/or the Adviser (or their affiliates). The Adviser is also authorized to cause the Fund to pay to a broker or dealer who provides such brokerage and research services a commission for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting that transaction. The Adviser must determine in good faith, however, that such commission was reasonable in relation to the value of the brokerage and research services provided, viewed in terms of that particular transaction or in terms of all the accounts over which the Adviser exercises investment discretion. The Adviser does not engage brokers whose commissions it believes to be unreasonable in relation to services provided. It is possible that certain of the services received by the Adviser

Edgar Filing: DUFF & PHELPS UTILITIES INCOME INC - Form DEF 14A

attributable to a particular transaction will benefit one or more other accounts for which investment discretion is exercised by the Adviser.

The Advisory Agreement requires the Adviser to provide fair and equitable treatment to the Fund in the selection of portfolio investments and the allocation of investment opportunities between the Fund and the Adviser's other investment management clients, but does not obligate the Adviser to give the Fund exclusive or preferential treatment. It is likely that from time to time the Adviser may make similar investment decisions for the Fund and its other clients. In some cases, the simultaneous purchase or sale of the same security by the Fund and another client of the Adviser could have a detrimental effect on the price or volume of the security to be purchased or sold, as far as the Fund is concerned. In other cases, coordination with transactions for other clients and the ability to participate in volume transactions could benefit the Fund.

Although the Fund purchases securities for investment income or capital appreciation, or both, and not for short-term trading profits, it may dispose of securities without regard to the time they have been held when such action appears advisable to the Adviser.

During 2000, the Fund paid brokerage commissions aggregating \$7,158,821 in connection with its portfolio transactions, not including the gross underwriting spread on securities purchased in underwritten public offerings or the spread in over-the-counter transactions with firms acting as principal.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the 1934 Act requires the Fund's officers and directors, and persons who own more than 10% of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations to furnish the Fund with copies of all Section 16(a) forms they file. With respect to the year 2000, Mr. Schatt reported on a Form 5 one purchase that was required to have been previously reported on a Form 4 and Mr. Vitale was late in filing a Form 3. Other than the foregoing, and based solely on a review of the copies of Section 16(a) forms furnished to the Fund, or written representations that no Forms 5 were required, the Fund believes that during 2000 all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with.

Report of the Audit Committee. The audit committee is composed of four directors and acts under a written charter adopted by the board of directors on April 25, 2000, a copy of which is attached to this proxy statement as Appendix A. Each of the members of the audit committee is independent as defined in the listing standards of the New York Stock Exchange. In connection with the audit of the Fund's 2000 audited financial statements, the audit committee: (1) reviewed and discussed the Fund's 2000 audited financial statements with

Based on the foregoing reviews and discussions, the audit committee recommended to the board of directors that the financial statements referred to above be included in the Fund's Annual Report to Shareholders for filing with the Securities and Exchange Commission.

Solicitation of Proxies. Proxies will be solicited by mail. Proxies may be solicited by Fund personnel personally or by telephone, telegraph or mail, but such persons will not be specially compensated for such services. The Fund will inquire of any record holder known to be a broker, dealer, bank or other nominee as to whether other persons are the beneficial owners of shares held of record by such persons. If so, the Fund will supply additional copies of solicitation materials for forwarding to beneficial owners, and will make

reimbursement for reasonable out-of-pocket costs. In addition, the Fund may hire a proxy solicitor to assist the Fund in the solicitation of proxies at a fee of approximately \$20,000, plus out-of-pocket expenses.

Shareholder Proposals. Any shareholder proposal to be considered for inclusion in the Fund's proxy statement and form of proxy for the 2002 annual meeting of shareholders should be received by the Secretary of the Fund no later than November 1, 2001. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the 1934 Act, the Fund may solicit proxies in connection with the 2002 annual meeting which confer discretionary authority to vote on any shareholder proposals of which the Secretary of the Fund does not receive notice by January 15, 2002.
