Edgar Filing: ALBERTO CULVER CO - Form DEFA14A

President and Chief Executive Officer

Dear Fellow Shareholder:

December 31, 2002

I trust that you have received the proxy materials for Alberto-Culver Company's Annual Meeting of Shareholders to be held on Thursday, January 23, 2003, which were mailed to you recently.

With the Annual Meeting now less than three weeks away, it is very important to us that you sign and return your proxy voting instruction card as soon as possible to make sure that your vote is counted. A duplicate proxy voting instruction card and a return envelope are enclosed for your convenience.

In addition to electing four directors at this year's Annual Meeting, the Company is seeking approval to change the stock component of four existing benefit plans to Class B shares from Class A shares as well as shareholder approval for amendments to the Company's Restated Certificate of Incorporation. While we always encourage all shareholders to vote every year, your vote is particularly important this year. The reason is that the amendments to the Company's Restated Certificate of Incorporation (Proposal 6 on the proxy voting instruction card) require approval by seventy-five percent of the total outstanding votes and seventy-five percent of the combined outstanding Class A and Class B shares, along with a majority of the total outstanding shares of each of the Class A and Class B common stock voting as a separate class. Due to these requirements, all non-votes by shareholders are essentially votes against this proposal.

The Board of Directors and our senior management team have determined that each of the proposals contained in the proxy materials are in the best interest of the Company and we recommend you vote "FOR" each proposal on the enclosed proxy voting instruction card.

If you already have voted, it is not necessary to vote again. However, if you have not voted, please sign the enclosed card and return it as soon as possible. Your vote is important to us. In the event that two proxies are received from you, the one bearing the latest date will be counted, as it automatically revokes all prior proxies covering the same shares. In the event that you have any questions about any of the proxy items, please feel free to contact our proxy solicitor, Morrow & Co., at (800) 607-0088 or our Investor Relations Department at (708) 450-3145.

With our very best wishes for the New Year.

Sincerely,

/s/ H. B. Bernick
