WE NEED YOUR PROXY VOTE IMMEDIATELY.

YOUR VOTE IS VITAL. THE MEETING OF SHAREHOLDERS WILL HAVE TO BE ADJOURNED WITHOUT CONDUCTING ANY BUSINESS IF FEWER THAN A MAJORITY OF THE SHARES ELIGIBLE TO VOTE ARE REPRESENTED. IN THAT EVENT, THE FUND WOULD CONTINUE TO SOLICIT VOTES IN AN ATTEMPT TO OBTAIN A QUORUM. TO AVOID THE EXPENSE OF AND THE POSSIBLE DELAY CREATED OF BY SUCH A SOLICITATION, PLEASE RETURN YOUR PROXY CARD IMMEDIATELY. YOU AND ALL OTHER SHAREHOLDERS WILL BENEFIT FROM YOUR COOPERATION.

PROXY STATEMENT

The board of directors of DNP Select Income Fund Inc. (the "Fund") is soliciting proxies from the shareholders for use at the annual meeting of shareholders to be held on May 13, 2003 and at any adjournment of that meeting. A proxy may be revoked at any time before it is voted, either by voting in person at the meeting or by written notice to the Fund or delivery of a later-dated proxy.

Shareholders of the Fund of record at the close of business on March 14, 2003 are entitled to notice of and to participate in the meeting. The Fund had [] shares of common stock and 5,000 shares of remarketed preferred stock outstanding on the record date. Each share of common stock outstanding on the record date entitles the holder thereof to one vote for each director being elected by the common stock (with no cumulative voting permitted) and to one vote on each other matter. Each share of preferred stock outstanding on the record date entitles the holder thereof to one vote for each director being elected by the preferred stock (with no cumulative voting permitted) and to one vote on each matter submitted for a vote of holders of preferred stock. A plurality of votes cast at the meeting by the common stock as to the directors representing the common stock is necessary to elect such directors. A plurality of votes cast at the meeting by the preferred stock as to the director representing the preferred stock is necessary to elect such director. On most other matters, the affirmative vote of a majority of either (a) all of the shares outstanding and entitled to be voted thereon or (b) just the shares voted at the meeting, with the common stock and the preferred stock voting together as a single class, is necessary for approval. An affirmative vote by either a majority or two-thirds of the remarketed preferred stock (voting separately as one class) or by a series thereof is also necessary to approve certain matters adversely affecting the remarketed preferred stock or the series. Abstentions are counted for purposes of determining whether a quorum is present at the meeting but not for purposes of determining the number of votes cast with respect to any voting matter. However, abstentions have the effect of a "no" vote if the vote required is a majority of all the shares outstanding and entitled to be voted. Any broker non-votes on a particular matter are treated as abstentions with respect to that matter.

This proxy statement is first being mailed on or about March 17, 2003. The Fund will bear the cost of the annual meeting and this proxy solicitation.

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

unanimously recommends a vote "FOR" the election of the three nominees for director named above.

2. APPROVAL OF AN AMENDMENT TO THE ARTICLES SUPPLEMENTARY THAT DEFINE THE TERMS OF A, B, C, D AND E OF THE FUND'S REMARKETED PREFERRED STOCK

The board of directors has determined that it is advisable to amend the articles supplementary that define the terms of Series A, B, C, D and E of the Fund's remarketed preferred stock (the "Articles Supplementary") in order to revise the maximum dividend rates payable on the Fund's remarketed preferred stock. The form of the proposed amendment (the "Amendment") is set forth in Appendix A to this proxy statement.

7

Reasons for the Amendment

At meetings of the board of directors held on December 16, 2002 and February 21, 2003, the board of directors evaluated this proposal. Prior to and during the meetings, the board of directors requested information it deemed necessary to determine whether the proposal is in the best interest of the Fund and its shareholders. Based upon its review and evaluation of the materials it received and in consideration of all factors it deemed relevant, the board of directors concluded that the proposal is in the best interest of the Fund and its shareholders. Accordingly, on February 21, 2003, the board of directors unanimously adopted a resolution setting forth the proposed Amendment, declaring it to be advisable, directing that it be submitted for consideration at the annual meeting of the Fund's shareholders and recommending that all shareholders vote for its approval.

Description of the remarketed preferred stock

The Fund has two classes of stock: (i) common stock, \$.001 par value per share, of which [] shares are currently outstanding; and (ii) preferred stock, \$.001 par value per share, of which 5,000 shares are currently outstanding. The shares of common stock of the Fund (the "Common Shares") are listed for trading on the New York Stock Exchange.

Under the Fund's charter, authority is expressly granted to the board of directors to authorize the issuance of one or more series of preferred stock and to fix the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications, and terms and conditions of redemptions, of such series. On November 16, 1988, the board exercised that authority and caused the Fund to file Articles Supplementary designating 5,000 of the authorized shares of preferred stock of the Fund as five series of remarketed preferred stock of the Fund (collectively, the "Preferred Shares"), as indicated in the following table:

Series	Number of Shares	Liquidation Value per Share	Issue Date	Mandatory Redemption Date
A...	1,000	\$100,000	11/17/1988	11/28/2012
B...	1,000	\$100,000	11/17/1988	11/18/2015
C...	1,000	\$100,000	11/17/1988	11/07/2018
D...	1,000	\$100,000	12/20/1988	12/22/2021
E...	1,000	\$100,000	12/20/1988	12/11/2024

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

The initial public offerings of these series of Preferred Shares were effected pursuant to registration statements on Form N-2 filed in July and August of 1988 with the Securities and Exchange Commission under the 1940 Act and the Securities Act of 1933, as amended. Each Preferred Share was sold for an initial public offering price equal to the liquidation value per share (\$100,000). The Preferred Shares are subject to the remarketing procedures described below, and are not traded on any stock exchange.

The Fund issued the Preferred Shares in order to use the proceeds to increase the assets of the Fund available for investment with the goal of increasing the net investment income available for distribution to the holders of the Fund's Common Shares, consistent with the Fund's income-oriented objectives. The Fund is generally able to take advantage of favorable interest rate spreads between the dividend rates that it pays on the Preferred Shares and the interest rates that it receives on investments purchased with the proceeds of the Preferred Shares.

8

Each series of Preferred Shares had an initial dividend rate that was payable for an initial dividend period of 49 days or more. This initial dividend rate and the ending date of the initial dividend period were set forth in the public offering documents for each series. All subsequent dividend periods consist of 49 days (with such adjustments as may be needed to prevent a dividend period from ending on a non-business day). At the end of each dividend period for a series, the remarketing agent conducts a remarketing of the Preferred Shares of that series. In connection with each remarketing, the remarketing agent sets a new dividend rate for that series for the upcoming dividend period. The remarketing agent sets the dividend rate at a level designed to enable all tendering holders to sell their Preferred Shares at a price equal to their liquidation value of \$100,000, subject to a maximum dividend rate as discussed below. However, there is no guarantee that tendering holders will be able to sell their Preferred Shares through the remarketing process. Preferred Shares which are tendered but not sold through the remarketing process remain the property of the tendering holders.

The Articles Supplementary establishing the terms of the Preferred Shares provide that the dividend rate set by the remarketing agent for any series of Preferred Shares for any dividend period may not exceed a maximum dividend rate, which is defined as a specified percentage (the "Applicable Percentage") of the "AA" Composite Commercial Paper Rate in effect on the date the dividend is set. The Applicable Percentage varies depending on the credit ratings assigned to the applicable series of Preferred Shares by Moody's Investors Service, Inc. ("Moody's") and Standard & Poor's Ratings Services ("S&P"). The lower of the two ratings is used to determine the Applicable Percentage in accordance with the following table:

Credit Ratings		
Moody's	S&P	Applicable Percentage
"aa3" or higher	AA- or higher	110%
"a3" to "a1"	A- to A+	125%
"baa3" to "baa1"	BBB- to BBB+	150%
Below "baa3"	Below BBB-	200%

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

In the event of any failure by the Fund to pay a dividend or the redemption price of any Preferred Shares called for redemption, the Applicable Percentage will become 200% for all subsequent dividend periods. The Preferred Shares were initially assigned, and have always maintained, the highest available rating from Moody's and S&P, and consequently the Applicable Percentage has at all times been 110%.

Dividends on each Preferred Share are cumulative from the date of original issue and are payable, when, as and if declared by the board of directors of the Fund, on the applicable dividend payment dates. The dividend payment date with respect to each dividend period is the day following the end of that dividend period.

Pursuant to the Articles Supplementary, the Fund designates dividends paid on the Preferred Shares as qualifying for the corporate dividends received deduction to the extent such dividends do not exceed the Fund's qualifying income. Distributions on the Common Shares are designated as eligible for the dividends received deduction only to the extent that any qualifying income remains after distributions are made on the Preferred Shares.

Recent developments affecting the remarketed preferred stock

At meetings of the board of directors held on December 16, 2002 and February 21, 2003, the board of directors discussed an anomaly that has occurred in the market for municipal obligations since mid-2002, causing tax-advantaged yields to exceed taxable yields, at times by a significant margin. On a number of recent Preferred

9

Share remarketing dates, the tax-advantaged dividend rate in the marketplace has exceeded 110% of the "AA" Composite Commercial Paper Rate, with the consequence that the remarketing agent has been unable to set the dividend rate at a level that would enable all tendering holders to sell their Preferred Shares at a price equal to their liquidation value of \$100,000.

In order to avoid a remarketing failure during this period, the remarketing agent, as a temporary measure, has purchased for its own account those Preferred Shares that were tendered but not otherwise initially purchased in the remarketing process. The Fund believes that any remarketing failure would likely have a material and permanent adverse effect on the willingness of investors to purchase the Preferred Shares in any future remarketing (even after the market dislocation corrected itself) and would likely permanently raise the market-clearing dividend rate that the Fund would be required to pay. Based upon its review and evaluation of the materials it received, the board of directors has concluded that the Applicable Percentages set forth in the Articles Supplementary are no longer providing the remarketing agent with the ability to set a competitive market dividend rate that will enable all tendering holders to sell their Preferred Shares at a price equal to their liquidation value of \$100,000.

The board of directors believes that a well-functioning, liquid market for the Preferred Shares is critical, not only to meeting the expectations of the holders of the Preferred Shares for an orderly remarketing process as described in the Preferred Share public offering documents, but also to the Fund's ability to maintain the leverage that is an integral component of the Fund's ability to achieve its objective of seeking current income for the holders of its Common Shares. It is, of course, impossible to predict the duration or extent of the current market dislocation, but the board of directors is

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

concerned that the dislocation has persisted for three quarters and continues to affect the ability of the remarketing agent to remarket the Preferred Shares. If a remarketing failure occurs, the market would be likely to penalize the Fund by requiring it to pay an above-market dividend rate on the Preferred Shares in the future, and this would reduce the Fund's net income available for distribution to the holders of its Common Shares. Consequently, the board of directors believes that it is imperative, considering the best interests of both the holders of the Preferred Shares and the holders of the Common Shares, to restore the equilibrium in the Preferred Share remarketing process that existed prior to the recent market dislocation.

Description of the Amendment

Based on its consideration of the above factors, the board of directors has concluded that it is in the best interests of the Fund and its shareholders to amend the Articles Supplementary in order to increase the Applicable Percentages to levels that will allow the remarketing agent once again to set a competitive market dividend rate that will enable all tendering holders to sell their Preferred Shares at their liquidation value of \$100,000. Accordingly, the board of directors has declared the Amendment to be advisable and unanimously recommends that the Fund's shareholders approve the Amendment. The Amendment would increase the Applicable Percentages to the levels set forth in the following table.

Credit Ratings		Applicable Percentage
Moody's	S&P	After Amendment
"aa3" or higher	AA- or higher	150%
"a3" to "a1"	A- to A+	175%
"baa3" to "baa1"	BBB- to BBB+	200%
Below "baa3"	Below BBB-	225%

10

The new Applicable Percentages are comparable to the percentages being used by new issuers of remarketed preferred stock. The Amendment would further provide that the board of directors will have the authority to lower the caps for the Applicable Percentages if the board of directors determines and the rating agencies advise the Fund in writing that such change will not adversely affect their then-current ratings on the Preferred Shares.

Vote required to approve the Amendment

Because the Articles Supplementary are a part of the Fund's charter, the Amendment will require the approval of (i) the holders of a majority of the Fund's outstanding Common Shares and Preferred Shares, voting as a single class, and (ii) the holders of two-thirds of the Fund's outstanding Preferred Shares, voting separately as a class.

When the Amendment would become effective

If approved by the Fund's shareholders, the Amendment would become effective as of the date when it is filed with the State Department of Assessments and Taxation of the State of Maryland or as of such other date as set forth in the Amendment, not to exceed 30 days after the Amendment is filed with the

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

Department. It is expected that the Amendment, if approved by the shareholders, would be filed as soon as practicable following the date of the annual meeting. The exact timing of the filing, however, would be determined by the Fund, and the Fund reserves the right to delay the filing for up to six months following shareholder approval. In addition, the Fund reserves the right, notwithstanding shareholder approval and without further action by the shareholders, to elect not to proceed with the Amendment if, at any time prior to the effective time, the board of directors, in its sole discretion, determines that the Amendment is no longer in the best interests of the Fund or its shareholders.

Federal income tax consequences

The following is a summary of the material anticipated federal income tax consequences of the Amendment to shareholders of the Fund. This summary is based on the federal income tax laws now in effect and as currently interpreted and does not take into account possible changes in such laws or interpretations, including amendments to applicable statutes, regulations and proposed regulations or changes in judicial or administrative rulings, some of which may have retroactive effect. This summary is provided for general information only and does not purport to address all aspects of the possible federal income tax consequences of the Amendment and is not intended as tax advice to any person. In particular, and without limiting the foregoing, this summary does not consider the federal income tax consequences to shareholders of the Fund in light of their individual investment circumstances or to holders subject to special treatment under the federal income tax laws. The summary also does not address any consequences of the Amendment under any state, local or foreign tax laws.

The holders of the Preferred Shares are generally corporations that qualify for the "dividends received deduction" for federal income tax purposes. Pursuant to the Articles Supplementary, the Fund designates dividends paid on the Preferred Shares as qualifying for the corporate dividends received deduction to the extent such dividends do not exceed the Fund's qualifying income. Distributions on the Common Shares are designated as eligible for the dividends received deduction only to the extent that any qualifying income remains after distributions are made on the Preferred Shares. The ability of the Fund to designate income in this manner was confirmed by a private letter ruling issued by the Internal Revenue Service (the "IRS") to the Fund in 1988.

11

Because it is not certain that the Fund can continue to rely on the 1988 private letter ruling if the terms of the Preferred Shares are amended in the manner proposed, the Fund has requested a new private letter ruling from the IRS (described below) that would permit the Fund to continue designating qualifying income to the Preferred Shares. Although the IRS has issued Revenue Ruling 89-81 to generally prohibit the designation of income to specific classes of stock, that revenue ruling also provided that any regulated investment company that made such a disproportionate designation pursuant to a rule described in a registration statement that was filed with the SEC before June 13, 1989 could continue to do so (the "grandfather clause").

Because of the importance to the Fund and the holders of the Preferred Shares of being able to designate dividends-received eligible income to dividends paid on the Preferred Shares, the Fund has requested from the IRS a private letter ruling stating that, if the proposed amendment to the Fund's charter is adopted, (i) the "grandfather clause" of Revenue Ruling 89-81 will apply to the Preferred Shares; (ii) the payment of dividends by the Fund on the Preferred Shares will not be considered preferential under section 562(c) of the Internal Revenue Code so that the Fund will be entitled to deduct all

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

dividends paid by it to the holders of the Preferred Shares; and (iii) dividends paid by the Fund will be eligible for the dividends received deduction under section 243 of the Internal Revenue Code in accordance with the Fund's designation. On December 18, 2002, representatives of the Fund had a presubmission meeting with representatives of the IRS in Washington. The formal ruling request was then submitted to the IRS on December 23, 2002.

Although the Fund believes that it should receive the rulings it is requesting, at this time there can be no assurance that the Fund will receive the requested rulings or that the private letter ruling will be issued before the time of the annual meeting of shareholders at which the vote will be held on approval of the proposed Amendment. In the event the IRS does not rule favorably and the amendment is nonetheless adopted, the Fund would be required to designate dividends paid on the Preferred Shares and Common Shares as qualifying for the corporate dividends received deduction on a pro rata basis. This would reduce the amount of Preferred Share dividends eligible for the dividends received deduction, which in turn would require the Fund to pay a higher dividend rate on the Preferred Shares in order to remain competitive in the market, thus increasing the Fund's cost of leverage. The adoption of the proposed Amendment will not result in the recognition of taxable income by the holders of the Preferred Shares or the holders of the Common Shares.

Recommendation of the Board of Directors

The board of directors unanimously recommends a vote "FOR" the proposal to amend the Articles Supplementary that define the terms of Series A, B, C, D and E of the Fund's remarketed preferred stock in order to increase the maximum dividend rates payable on those series of stock.

The Fund reserves the right, notwithstanding shareholder approval and without further action by the shareholders, to elect not to proceed with the Amendment if, at any time prior to the effective date of the Amendment, the board of directors, in its sole discretion, determines that the Amendment is no longer in the best interests of the Fund or its shareholders.

OTHER BUSINESS

Management is not aware of any other matters that will come before the meeting. If any other business should come before the meeting, however, your proxy, if signed and returned, will give discretionary authority to the persons designated in it to vote according to their best judgment.

OTHER INFORMATION

The Adviser and Phoenix Investment Partners. Duff & Phelps Investment Management Co. serves as the Fund's investment adviser under an investment advisory agreement (the "Advisory Agreement") dated May 1, 1998. The Adviser is a wholly-owned subsidiary of Phoenix Investment Partners, which is an indirect, wholly-owned subsidiary of The Phoenix Companies, Inc. Prior to May 11, 1998, Phoenix Investment Partners was known as Phoenix Duff & Phelps Corporation. The address of the Adviser is 55 East Monroe Street, Chicago, Illinois 60603.

The Adviser (together with its predecessor) has been in the investment advisory business for more than 60 years and, excluding the Fund, currently has more than \$3.9 billion in client accounts under discretionary management.

Under the terms of the Advisory Agreement, the Adviser furnishes continuing investment supervision to the Fund and is responsible for the management of the

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

Fund's portfolio, subject to the overall control of the board of directors of the Fund. Currently, the Adviser has ten professionals (i.e., research analysts and portfolio managers), along with support staff, assigned to the operation of the Fund. Eight of the ten professionals have the CFA (Chartered Financial Analyst) designation and one is a CPA (Certified Public Accountant). The Adviser furnishes, at its own expense, office space, equipment and personnel to the Fund in connection with the performance of its investment management responsibilities, and pays all other expenses incurred by it in connection with managing the assets of the Fund not payable by the Fund's administrator pursuant to the administration agreement. The Advisory Agreement also includes the conditions under which the Fund may use any name derived from or similar to "Duff & Phelps." For its services the Adviser receives from the Fund a quarterly management fee, payable out of the Fund's assets, at an annual rate of 0.60 of 1% of the average weekly net assets of the Fund up to \$1.5 billion and 0.50 of 1% of average weekly net assets in excess of \$1.5 billion. For purposes of calculating the management fee, the Fund's net assets are defined as the sum of (i) the aggregate net asset value of the Fund's common stock, (ii) the aggregate liquidation preference of the Fund's preferred stock and (iii) the aggregate proceeds of commercial paper issued by the Fund. The management fee paid by the Fund to the Adviser for 2002 was \$13,776,089.

Except for the expenses borne by the Adviser and the Administrator (as described below) pursuant to their respective agreements with the Fund, the Fund pays all expenses incurred in its operations, including, among other things, expenses for legal, accounting and auditing services, taxes, interest, costs of printing and distributing shareholder reports, proxy materials, prospectuses and stock certificates, charges of custodians, registrars, transfer agents, dividend disbursing agents, dividend reinvestment plan agents and remarketing agents, Securities and Exchange Commission fees, fees and expenses of non-interested directors, insurance, brokerage costs, litigation and other extraordinary or non-recurring expenses.

The Fund is also a party to a service agreement dated May 1, 1998 (the "Service Agreement") with the Adviser and Phoenix Investment Partners. Under the terms of the Service Agreement, Phoenix Investment Partners makes available to the Adviser the services of its employees and various facilities to enable the Adviser to perform certain of its obligations to the Fund. However, the obligation of performance under the Advisory Agreement is solely that of the Adviser, for which Phoenix Investment Partners assumes no responsibility, except as described in the preceding sentence. The Adviser reimburses Phoenix Investment Partners for any costs, direct or indirect, that are fairly attributable to the services performed and the facilities provided by Phoenix Investment Partners under the Service Agreement. The Fund does not pay any fees pursuant to the Service Agreement.

13

The Advisory Agreement and the Service Agreement both provide that the Adviser shall not be liable to the Fund or its shareholders for any loss suffered as a consequence of any act or omission of the Adviser or Phoenix Investment Partners, as the case may be, in connection with the respective agreements except by reason of its willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of reckless disregard of its obligations under the Advisory Agreement.

At the annual meeting held on April 29, 1998, the Fund's shareholders approved the Advisory Agreement for a two-year term beginning on May 1, 1998 and ending on April 30, 2000. At a meeting held on October 17, 1997, the Board of Directors of the Fund, including all of the directors who were not interested persons of the Fund or Phoenix Investment Partners in attendance at

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

the meeting voting separately as a class, approved the Service Agreement for a two-year term beginning on May 1, 1998 and ending on April 30, 2000, contingent on the above-referenced approval of the Advisory Agreement by the shareholders of the Fund. Unless earlier terminated as described below, the Advisory Agreement and the Service Agreement may be continued from year to year, if approved annually (i) by a majority of the directors of the Fund who are not interested persons of the Fund or the Adviser, in the case of the Advisory Agreement, or Phoenix Investment Partners, in the case of the Service Agreement, and (ii) by either the board of directors of the Fund or the holders of a majority of the outstanding shares of the Fund as defined in the 1940 Act. A majority of the outstanding shares of the Fund as defined in the 1940 Act means the following vote of the common stock and the preferred stock voting together as a single class: (i) 67% of the shares represented at a meeting at which more than 50% of the outstanding shares are represented; or (ii) more than 50% of the outstanding shares. At meetings held on January 26, 2000, February 23, 2001, February 22, 2002 and February 21, 2003, the Board of Directors of the Fund, including all of the directors of the Fund who were not interested persons of the Fund or the Adviser, in the case of the Advisory Agreement, or Phoenix Investment Partners, in the case of the Service Agreement, in attendance at the meeting voting separately as a class, voted to continue the Advisory Agreement and the Service Agreement for an additional one-year term. Accordingly, the term of these agreements currently extends to April 30, 2004.

The Advisory Agreement may be terminated without penalty on 60 days' written notice by any party thereto or by a vote of the shareholders of the Fund and would terminate automatically if it were assigned by any party. If the Advisory Agreement were terminated, shareholder approval would be required to enter into a new agreement. The Service Agreement may be terminated without penalty on 60 days' written notice by any party thereto and would terminate automatically if it were assigned by any party unless a majority of the Fund's board of directors, including a majority of the directors who are not interested persons of the Fund or Phoenix Investment Partners, approves continuation of the Service Agreement.

The Administrator, J.J.B. Hilliard, W.L. Lyons, Inc. serves as the Fund's administrator (the "Administrator") under an administration agreement (the "Administration Agreement") dated May 1, 1998. The Administrator (together with its predecessors) has been engaged in the investment business as a securities broker-dealer and investment adviser since 1854. It also serves as administrator and investment adviser to Hilliard-Lyons Government Fund, Inc., a money market mutual fund, and Hilliard Lyons Growth Fund, Inc., an open-end mutual fund, and as investment adviser to Senbanc Fund, an open-end mutual fund. The Administrator is a wholly-owned subsidiary of The PNC Financial Services Group, Inc. Its principal address is Hilliard Lyons Center, Louisville, Kentucky 40202.

Under the terms of the Administration Agreement, the Administrator provides all management and administrative services required in connection with the operation of the Fund not required to be provided by the Adviser pursuant to the Advisory Agreement, as well as the necessary office facilities, equipment and personnel

to perform such services. For its services the Administrator receives from the Fund a quarterly fee at annual rates of 0.25 of 1% of the Fund's average weekly net assets up to \$100 million, 0.20 of 1% of the Fund's average weekly net assets from \$100 million to \$1.0 billion, 0.10 of 1% of average weekly net assets in excess of \$1.0 billion. For purposes of calculating the

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

administrative fee, the Fund's net assets are defined as the sum of (i) the aggregate net asset value of the Fund's common stock, (ii) the aggregate liquidation preference of the Fund's preferred stock and (iii) the aggregate proceeds of commercial paper issued by the Fund. The total administrative fee paid by the Fund to the Administrator for 2002 was \$3,505,218.

The Administration Agreement provides that the Administrator shall not be liable to the Fund or its shareholders for any loss suffered as a consequence of any act or omission of the Administrator in connection with the agreement except by reason of its willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of reckless disregard of its obligations under the agreement.

At a meeting held on October 17, 1997, the board of directors of the Fund, including all of the directors who were not interested persons of the Fund or the Administrator in attendance at the meeting voting separately as a class, approved the Administration Agreement for a two-year term beginning on May 1, 1998 and ending on April 30, 2000, contingent on approval of the Advisory Agreement by the shareholders of the Fund (which approval was granted at the annual meeting held on April 29, 1998). Unless earlier terminated as described below, the Administration Agreement may be continued from year to year, if approved annually (i) by a majority of the directors of the Fund who are not interested persons of the Fund or the Administrator and (ii) by either the board of directors of the Fund or the holders of a majority of the outstanding shares of the Fund as defined in the 1940 Act. The Administration Agreement may be terminated without penalty on 60 days' written notice by any party thereto or by a vote of the shareholders of the Fund. At meetings held on January 26, 2000, February 23, 2001, February 22, 2002 and February 21, 2003, the Board of Directors of the Fund, including all of the directors of the Fund who were not interested persons of the Fund or the Administrator in attendance at the meeting voting separately as a class, voted to continue the Administration Agreement for an additional one-year term. Accordingly, the term of this agreement currently extends to April 30, 2004.

Portfolio Transactions. The Adviser has discretion to select brokers and dealers to execute portfolio transactions initiated by the Adviser and to select the markets in which such transactions are to be executed. In executing portfolio transactions and selecting brokers or dealers, the primary responsibility of the Adviser is to seek the best combination of net price and execution for the Fund. The Fund ordinarily purchases securities in the primary markets, and in assessing the best net price and execution available to the Fund, the Adviser considers all factors it deems relevant, including the breadth of the market in the security, the price of the security, the financial condition and execution capability of the broker or dealer and the reasonableness of the commission, if any (for the specific transaction and on a continuing basis).

In selecting brokers or dealers to execute particular transactions and in evaluating the best net price and execution available, the Adviser is authorized to consider "brokerage and research services" (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934 (the "1934 Act")), statistical quotations, specifically the quotations necessary to determine the Fund's net asset value, and other information provided to the Fund and/or the Adviser (or their affiliates). The Adviser is also authorized to cause the Fund to pay to a broker or dealer who provides such brokerage and research services a commission for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting that transaction. The Adviser must determine in good faith, however, that such commission was reasonable in relation to the value of the brokerage and research services provided, viewed in terms of that

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

particular transaction or in terms of all the accounts over which the Adviser exercises investment discretion. The Adviser does not engage brokers whose commissions it believes to be unreasonable in relation to services provided. It is possible that certain of the services received by the Adviser attributable to a particular transaction will benefit one or more other accounts for which investment discretion is exercised by the Adviser.

The Advisory Agreement requires the Adviser to provide fair and equitable treatment to the Fund in the selection of portfolio investments and the allocation of investment opportunities between the Fund and the Adviser's other investment management clients, but does not obligate the Adviser to give the Fund exclusive or preferential treatment. It is likely that from time to time the Adviser may make similar investment decisions for the Fund and its other clients. In some cases, the simultaneous purchase or sale of the same security by the Fund and another client of the Adviser could have a detrimental effect on the price or volume of the security to be purchased or sold, as far as the Fund is concerned. In other cases, coordination with transactions for other clients and the ability to participate in volume transactions could benefit the Fund.

Although the Fund purchases securities for investment income or capital appreciation, or both, and not for short-term trading profits, it may dispose of securities without regard to the time they have been held when such action appears advisable to the Adviser.

During 2002, the Fund paid brokerage commissions aggregating \$8,486,229 in connection with its portfolio transactions, not including the gross underwriting spread on securities purchased in underwritten public offerings or the spread in over-the-counter transactions with firms acting as principal.

Shareholders. The following table shows shares of common stock of the Fund as to which each director, each nominee for director, and all directors and officers of the Fund as a group, had or shared power over voting or disposition at March 5, 2003. The directors and officers of the Fund owned no shares of the Fund's remarketed preferred stock. Shares are held with sole power over voting and disposition except as noted. The shares of common stock held by each of the persons listed below and by all directors and officers as a group represented less than 1% of the outstanding common stock.

The directors and officers disclaim beneficial ownership of 83,634, in the aggregate, of the shares listed as owned by the directors and officers as a group.

At March 17, 2003, no person was known by the Fund to own beneficially 5% or more of the outstanding shares of the Fund (as determined in accordance with Rule 13d-3 under the 1934 Act).

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the 1934 Act requires the Fund's officers and directors, and persons who own more than 10% of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of Section 16(a) forms furnished to the Fund, or written representations that no Forms 5 were required, the Fund believes that during 2002 all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with.

Report of the Audit Committee. The audit committee is composed of five directors and acts under a written charter that was adopted by the board of directors on April 25, 2000 and amended and restated on February 21, 2003. A copy of the charter is attached as Appendix B to this proxy statement. Each of the members of the audit committee is independent as defined in the listing standards of the New York Stock Exchange. In connection with the audit of the Fund's 2002 audited financial statements, the audit committee: (1) reviewed and discussed the Fund's 2002 audited financial statements with management, (2) discussed with the independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, (3) received and reviewed the written disclosures and the letter from the independent public accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and (4) discussed with the independent public accountants their independence from the Fund and its management. Based on the foregoing reviews and discussions, the audit committee recommended to the board of directors that the financial statements referred to above be included in the Fund's Annual Report to Shareholders for filing with the Securities and Exchange Commission.

Independent Public Accountants. The 1940 Act requires that the Fund's independent public accountants be selected by the vote, cast in person, of a majority of the members of the board of directors who are not interested

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

persons of the Fund. In accordance with that provision, the firm of Ernst & Young LLP ("Ernst & Young"), which has served as the Fund's independent public accountants since June 12, 2002, has been selected as independent public accountants of the Fund to perform the audit of the financial books and records of the Fund for the year ending December 31, 2003. A representative of Ernst & Young is expected to be present at the meeting of shareholders and will be available to respond to appropriate questions and have an opportunity to make a statement if the representative so desires.

17

Change in Auditors During 2002. On June 12, 2002, the board of directors, acting upon the recommendation of its audit committee, voted to dismiss Arthur Andersen LLP ("Andersen") as the Fund's independent public accountants for 2002 and to appoint Ernst & Young to replace Andersen. Andersen's report on the financial statements of the Fund for each of the fiscal years ended December 31, 2000 and December 31, 2001 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2000 and December 31, 2001, and the interim period between December 31, 2001 and June 12, 2002, there were no disagreements between the Fund and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Andersen, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its reports. During the fiscal years ended December 31, 2000 and December 31, 2001, and the interim period between December 31, 2001 and June 12, 2002, there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K promulgated by the Securities and Exchange Commission.

Audit Fees. Ernst & Young billed aggregate fees of \$48,000 for professional services rendered for (i) the audit of the Fund's 2002 financial statements and (ii) the review of the financial statements included in the Fund's semi-annual report for the six months ended June 30, 2002.

Financial Information Systems Design and Implementation Fees. No fees were billed by Ernst & Young or Andersen for professional services rendered to the Fund during 2002 in connection with financial information systems design and implementation. During 2002, neither Ernst & Young nor Andersen rendered financial information systems design or implementation services to the Adviser or to any entity controlling, controlled by or under common control with the Adviser that provides services to the Fund.

All Other Fees. The aggregate of all other fees billed by Ernst & Young and Andersen for professional services rendered to the Fund during 2002 was \$31,350. Those services included quarterly reporting required by the rating agencies that rate the Fund's preferred stock and commercial paper, review of 1940 Act filings, preparation of income tax returns and other tax consultation services. During 2002, neither Ernst & Young nor Andersen rendered professional services to the Adviser or to any entity controlling, controlled by or under common control with the Adviser that provides services to the Fund.

All non-audit services provided by the Fund's independent public accountants are preapproved by (i) the Fund's audit committee or (ii) the chairman of the audit committee, to whom the committee has delegated the authority to grant such preapprovals between scheduled meetings of the committee. In deciding whether to grant such preapproval, the audit committee or the chairman of the audit committee, as the case may be, considers whether the provision of such non-audit services is compatible with maintaining the independence of the Fund's independent public accountants.

Solicitation of Proxies. Proxies will be solicited by mail. Proxies may be solicited by Fund personnel personally or by telephone, telegraph or mail, but such persons will not be specially compensated for such services. The Fund will inquire of any record holder known to be a broker, dealer, bank or other nominee as to whether other persons are the beneficial owners of shares held of record by such persons. If so, the Fund will supply additional copies of solicitation materials for forwarding to beneficial owners, and will make reimbursement for reasonable out-of-pocket costs. In addition, the Fund may hire a proxy solicitor to assist the Fund in the solicitation of proxies at a fee of approximately \$20,000, plus out-of-pocket expenses.

18

Shareholder Proposals. Any shareholder proposal to be considered for inclusion in the Fund's proxy statement and form of proxy for the 2004 annual meeting of shareholders should be received by the Secretary of the Fund no later than November 1, 2003. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the 1934 Act, the Fund may solicit proxies in connection with the 2004 annual meeting which confer discretionary authority to vote on any shareholder proposals of which the Secretary of the Fund does not receive notice by January 15, 2003.

Annual and Semi-annual Reports. The Fund will provide without charge to any shareholder who so requests, a copy of the Fund's annual report for the year ended December 31, 2002 and the Fund's semi-annual report for the six months ended June 30, 2002. Requests for copies of such reports should be directed to the Administrator at (888) 878-7845 (toll-free). Copies of such reports are also available by accessing the Fund's web site at www.dnpselectincome.com.

General. A list of shareholders entitled to be present and vote at the annual meeting will be available at the offices of the Fund, 55 East Monroe Street, Chicago, Illinois 60603, for inspection by any shareholder during regular business hours for ten days prior to the date of the meeting.

Failure of a quorum to be present at the annual meeting will necessitate adjournment and will give rise to additional expense.

All shareholders are requested to sign, date and mail proxies promptly in the return envelope provided.

PROPOSED AMENDMENT TO THE FUND'S CHARTER

The Corporation's Articles Supplementary designating Remarketed Preferred Stock Series A, Series B, Series C, Series D and Series E are hereby amended as follows:

Part I, Paragraph 1, Definitions, is amended by deleting the definitions of "Maximum Dividend Rate" and "Non-Payment Period Rate" and replacing them with the following definitions:

Edgar Filing: DNP SELECT INCOME FUND INC - Form PRE 14A

"Maximum Dividend Rate" for any Dividend Period at any Dividend Reset Date shall apply to a cash dividend, and be the Applicable Percentage of the applicable "AA" Composite Commercial Paper Rate. The Applicable Percentage shall vary with the lower of the credit rating or ratings assigned to the shares of RP by Moody's and S&P (or if Moody's or S&P or both shall not make such rating available, the equivalent of either or both of such ratings by a Substitute Rating Agency or two Substitute Rating Agencies or, in the event that only one such rating shall be available, such rating) on each Dividend Reset Date as follows:

Credit Ratings		
Moody's	S&P	Applicable Percentage
"aa3" or higher	AA- or higher	150%
"a3" to "a1"	A- to A+	175%
"baa3" to "baa1"	BBB- to BBB+	200%
Below "baa3"	Below BBB-	225%

Notwithstanding the foregoing, the Board of Directors shall have the authority from time to time to change the Applicable Percentage associated with any of the above credit rating categories to a level below or equal to the percentage set forth in the table above, provided that the Board of Directors determines and the Rating Agencies advise the Corporation in writing that such change will not adversely affect their then-current ratings on the RP. The Remarketing Agent shall round each applicable Maximum Dividend Rate to the nearest one-thousandth (0.001) of one percent per annum, with any such number ending in five ten-thousandths (0.0005) of one percent being rounded upwards to the nearest one-thousandth (0.001) of one percent. The Remarketing Agent shall not round the applicable "AA" Composite Commercial Paper Rate as part of their calculation of any Maximum Dividend Rate.

"Non-Payment Period Rate" means, initially, 225% of the applicable "AA" Composite Commercial Paper Rate, provided that the Board of Directors shall have the authority to adjust, modify, alter or change from time to time the initial Non-Payment Period Rate if the Board of Directors determines and the Rating Agencies advise the Corporation in writing that such adjustment, modification, alteration or change will not adversely affect their then-current ratings on the RP.
