All stockholders of record at the close of business on June 2, 2004 (the Record Date) will be entitled to vote.

Voting/Revocation of Proxy. If you complete and properly sign and mail the accompanying proxy card, it will be voted as you direct. If you are a registered shareholder and attend the meeting, you may deliver your completed proxy card in person. Street name shareholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

If you are a registered shareholder, you may vote by telephone (1-800-690-6903), or electronically through the Internet (<http://www.proxyvote.com>), by following the instructions included with your proxy card. If your shares are held in street name, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

Any proxy, if received in time, properly signed and not revoked, will be voted at such meeting in accordance with the directions of the stockholder. If no directions are specified, the proxy will be voted **FOR** each of the proposals contained herein. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked (1) by delivery of a written statement to the Secretary of the Company stating that the proxy is revoked, (2) by presentation at the annual meeting of a subsequent proxy executed by the person executing the prior proxy, or (3) by attendance at the annual meeting and voting in person.

Vote Required for Approval; Quorum. The nine nominees for director who receive the most votes will be elected. If you indicate withhold authority to vote for a particular nominee by entering the number of any nominee (as designated on the proxy card) below the pertinent instruction on the proxy card, your vote will not count either for or against the nominee. The amendments to our charter and bylaws will be approved by the affirmative vote of the holders of at least two-thirds of the outstanding shares present (in person or represented by proxy) at the annual meeting. As of the Record Date, [] shares of the common stock of the Company (the Common Stock) were outstanding. Each share of Common Stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the Record Date, our executive officers and directors had the power to vote approximately []% of the outstanding shares of Common Stock. Our executive officers and directors have advised us that they intend to vote their shares of Common Stock **FOR** each of the proposals contained herein.

Votes cast in person or by proxy at the annual meeting will be tabulated and a determination will be made as to whether or not a quorum is present. We will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders. If a broker submits a proxy indicating that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be considered as

present and entitled to vote with respect to such matter. Broker non-votes with respect to the election of directors will have no effect on the outcome of the vote on this proposal. Broker non-votes with respect to the amendments to our charter and bylaws will have the effect of votes cast against the proposal.

YOUR VOTE AT THE ANNUAL MEETING IS VERY IMPORTANT TO US.

Solicitation of Proxies. Solicitation of proxies will be primarily by mail. However, our directors and officers may also solicit proxies by telephone or telegram or in person. All of the expenses of soliciting proxies, including preparing, assembling, printing and mailing the materials used in the solicitation of proxies, will be paid by us. Corporate Governance

General. We are currently managed by an eight member Board of Directors that consists of Messrs. Bourne, Habicht, Hinkle, Jennings, Lanier, Legler, Martinez, and Seneff. Gary M. Ralston also served as a director of the Company until his retirement on May 1, 2004. The Board has adopted a set of corporate governance guidelines, which, along with the written charters for our Board committees described below, provide the framework for the Board's governance of the Company. Our corporate governance guidelines are available on our website at <http://www.nnnreit.com>.

Independence and Composition. Our corporate governance guidelines and the rules and regulations of the New York Stock Exchange, which we refer to as the NYSE listing standards, each require that a majority of our Board of Directors are independent directors, as that term is defined in the NYSE listing standards.

The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that Messrs. Hinkle, Jennings, Lanier, Legler and Martinez, representing a majority of our Board of Directors, qualify as independent directors (the Independent Directors) as that term is defined in the NYSE listing standards.

Meetings and Attendance. The Board of Directors met 14 times in the fiscal year ended December 31, 2003. Each of the current nominees currently serving on the Board of Directors attended at least 85% of the meetings of (i) the Board of Directors and (ii) the committees of the Board of Directors that he was eligible to attend. During fiscal year 2003, each of Messrs. Hinkle, Jennings, Legler, Martinez, Ralston, and Habicht attended 100% of the meetings of (i) the Board of Directors and (ii) the committees of the Board of Directors that he was eligible to attend. Our corporate governance guidelines provide that it is the responsibility of individual directors to make themselves available to attend scheduled and special Board meetings on a consistent basis. All of our nine directors as of the date of the 2003 annual meeting of the Company's stockholders were in attendance for the 2003 annual meeting.

Shareholder Communications. The Board of Directors has adopted a process whereby our shareholders can send communications to our directors. Any stockholder wishing to communicate directly with one or more directors may do so in writing addressed to the director or directors, c/o Commercial Net Lease Realty, Inc., 450 South Orange Avenue, Suite 900, Orlando, Florida 32801. All correspondence will be reviewed by the Company and forwarded directly to the addressee.

Audit Committee

General. The Board of Directors has established an Audit Committee, which is governed by a written charter, a copy of which is attached hereto as Annex A and is available on our website at <http://www.nnnreit.com>. Among the duties, powers and responsibilities of the Audit Committee as provided in its charter, the Audit Committee:

- has sole power and authority concerning the engagement and fees of independent public accountants;
- reviews with the independent accountants the plans and results of the audit engagement;
- pre-approves all audit services and permitted non-audit services provided by the independent public accountants;
- reviews the independence of the independent public accountants;
- reviews the adequacy of our internal control over financial reporting; and
- reviews accounting, auditing and financial reporting matters with our independent accountants and management.

Independence and Composition. The composition of the Audit Committee is subject to the independence and other requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated by the SEC thereunder, which we refer to as the Exchange Act, and the NYSE listing standards.

The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that all current members of the Audit Committee meet the audit committee composition requirements of the Exchange Act and the NYSE listing standards and that Mr. Lanier qualifies as an audit committee financial expert as that term is defined in the Exchange Act.

Meetings. The Audit Committee met four times in the fiscal year ended December 31, 2003. In fiscal year 2003, Messrs. Lanier, Hinkle and Martinez were, and currently are, the members of the Audit Committee, with Mr. Lanier serving as Chairman.

Governance and Nominating Committee

General. In August 2003, the Company reorganized the Nominating Committee into the Governance and Nominating Committee, which is governed by a written charter, a copy of which is available on our website at <http://www.nnnreit.com>. As provided in the Governance and Nominating Committee charter, the Governance and Nominating Committee:

identifies and recommends to the Board of Directors individuals to stand for election and reelection to the Board at our annual meeting of stockholders and to fill vacancies that may arise from time to time;

develops and makes recommendations to the Board for the creation, and ongoing review and revision of, a set of effective corporate governance principles that promote our competent and ethical operation and a policy governing ethical business conduct of our employees and Directors; and

makes recommendations to the Board of Directors as to the structure and membership of committees of the Board of Directors.

Selection of Director Nominees. Our corporate governance guidelines provide that the Governance and Nominating Committee will endeavor to identify individuals to serve on the Board who have expertise that is useful to us and complimentary to the background, skills and experience of other Board members. The Governance and Nominating Committee's assessment of the composition of the Board includes (a) skills—business and management experience, real estate experience, accounting experience, finance and capital markets experience, and an understanding of corporate governance regulations and public policy matters, (b) character—ethical and moral standards, leadership abilities, sound business judgment, independence and innovative thought, and (c) composition diversity, age and public company experience. The principal qualification for a director is the ability to act in the best interests of the Company and its stockholders. Each of the candidates for director named in this proxy statement have been recommended by the Governance and Nominating Committee and approved by the Board of Directors for inclusion on the attached proxy card.

The Governance and Nominating Committee also considers director nominees recommended by stockholders. See the section of this proxy statement entitled **PROPOSALS FOR NEXT ANNUAL MEETING** for a description of how stockholders desiring to make nominations for directors and/or to bring a proper subject before a meeting should do so. The Governance and Nominating Committee evaluates director candidates recommended by stockholders in the same manner as it evaluates director candidates recommended by our directors, management or employees.

Independence and Composition. The NYSE listing standards require that the Governance and Nominating Committee consist solely of independent directors. Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor.

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to engagement of the independent auditor for the next year's audit, management will submit to the Audit Committee for approval an aggregate of services expected to be rendered during that year for each of the three categories of services listed in the table above.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

For the fiscal years ended December 31, 2003 and 2002, the audit committee pre-approved 100% of services described above in the captions Audit Related Fees and Tax Fees. For the fiscal year ended December 31, 2003, no hours expended on KPMG LLP's engagement to audit our financial statements were attributed to work performed by persons other than full-time, permanent employees of KPMG LLP.

Pursuant to our Audit Committee charter, the Audit Committee may delegate pre-approval authority to the chairman of the Audit Committee, who shall promptly advise the remaining members of the Audit Committee of such approval at the next regularly scheduled meeting.

Conclusion. Based on the review and discussions referred to above, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 filed with the SEC.

COMPENSATION COMMITTEE REPORT

The information contained in this report shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent that the Company incorporated it by specific reference.

The Board of Directors appointed a Compensation Committee comprised of the undersigned, Messrs. Jennings, Legler, and Martinez. Members of the Compensation Committee, all of whom must be independent directors of the Company, are selected each year by the full Board of Directors. The Compensation Committee is responsible for establishing and administering executive compensation programs including administration of the 2000 Commercial Net Lease Realty, Inc. Performance Incentive Plan (the 2000 Plan) and the 2003 Employee Stock Purchase Plan (the 2003 Plan), as well as approval of changes in directors' compensation. The Compensation Committee currently operates under a written charter adopted by the Board of Directors in November 2003, a copy of which is available on the Company's website at www.nnnreit.com.

The Compensation Committee believes the Company's degree of success is largely attributable to the talent and dedication of its associates and to the management and leadership efforts of its executive officers. The goal of the Compensation Committee is to establish a compensation program that will attract and retain talented corporate officers, motivate them to perform to their fullest potential, as well as align their long-term interests with the interests of the Company's stockholders.

Historically, the key elements in the Company's executive compensation program have consisted of salary, annual bonus (which may be paid in cash and/or restricted stock) and long-term incentive compensation (paid in restricted stock). In making compensation decisions, the Compensation Committee considers the compensation practices and financial performance of other REIT industry participants and from

time to time receives assessments and advice regarding compensation practices from independent compensation consultants. In evaluating performance, the Compensation Committee considers quantitative and qualitative improvement in the Company's Funds From Operations (FFO), capital structure, absolute and relative shareholder returns and individual performance and contribution to corporate goals and objectives. Additionally, the Compensation Committee makes a subjective assessment of the general performance of the Company, the officer's contribution to the Company's performance, the officer's anticipated performance and contribution to the Company's achievement of its long-term goals and the position, level, and scope of the officer's responsibility.

In keeping with its belief that tying the financial interests of executive officers of the Company to those of the shareholders will result in enhanced alignment of interests and shareholder value, the Committee has evaluated the stock ownership levels of executive management and determined them to be adequate. The Committee also established stock ownership guidelines of \$50,000 for directors.

For 2003, Mr. Seneff received total cash payments of \$150,000 in salary. The Compensation Committee considered this level of payment appropriate in light of Mr. Seneff's responsibilities and the Company's performance. A bonus of \$123,750 was paid to Mr. Seneff in 2004 based on FFO per share results, capital structure improvement, and total shareholder return for 2003. Additionally, 10,571 shares of restricted common stock were awarded as long-term incentive compensation as a result of the outperformance of total shareholder returns relative to REIT and general equity market indices for the past three, five and ten year periods. Salary increases in 2003 for Executive Officers were based on FFO per share targets, individual performance, position, tenure, experience, leadership and competitive data in compensation surveys of comparable companies.

In November 2003, the Compensation Committee recommended, and the Board of Directors unanimously approved, director compensation commencing in fiscal year 2004 as follows: (a) annual retainer of \$20,000 per year for each director; (b) restricted stock grant of 1,500 shares of common stock per year for each director vesting over a two year period; (c) meeting fees of \$1,000 per Board meeting or committee meeting attended, and \$500 per telephonic Board meeting or committee meeting attended; (d) chairmanship fees of \$12,000 per year for Chairman of the Board of Directors, \$10,000 per year for Chairman of Audit Committee, and \$6,000 per year for Chairman of the Compensation, Governance and Nominating, and other committees; and (e) new director initial restricted stock grant of 2,500 shares of common stock, vesting over a two year period.

PROPOSAL II

PROPOSAL TO APPROVE AN AMENDMENT TO THE COMPANY'S CHARTER TO ELIMINATE SUPERMAJORITY VOTING REQUIREMENTS FOR THE STOCKHOLDERS TO APPROVE CERTAIN TRANSACTIONS

The Board of Directors of the Company has unanimously approved and directed that there be submitted to the Company's stockholders for their approval a proposal to amend the charter to eliminate supermajority voting requirements for certain extraordinary transactions. The current charter does not specify the vote required to amend the charter or to enter into a consolidation, merger, share exchange or transfer of assets. Generally, the Maryland General Corporation Law, or MGCL, requires the approval of a supermajority vote (two-thirds of the outstanding shares of stock eligible to vote on such matters) for such extraordinary actions. The MGCL, however, permits the Company to amend its charter to specify a lesser proportion of votes so long as the proportion is not less than a majority of all of the votes entitled to be cast on the matter.

The text of the proposed amendments is set forth below:

RESOLVED, that Article XI of the Company's charter be amended by renaming it AMENDMENT AND CERTAIN EXTRAORDINARY ACTIONS and restating it as follows:

Section 1. Amendment

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in its Charter and any other provisions authorized by the laws of the State of Maryland at the time in force may be added or inserted in the manner now or hereafter prescribed herein or by applicable law, and all rights preferences and privileges of whatsoever nature conferred upon stockholder, directors or any other persons whomsoever by and pursuant to this Charter in its present form or as hereafter amended are granted subject to the rights reserved in this Article XI, provided, however, that any amendment or repeal of Articles VIII, IX or this Article XI of this Charter shall not adversely affect any right or protection existing hereunder immediately prior to such amendment or repeal. Subject to the provisions of any class or series of Preferred Stock at the time outstanding, this Charter may be amended by the affirmative vote of the holders of not less than a majority of the Common Stock then outstanding and entitled to vote thereon.

Section 2. Consolidation, Merger, Share Exchange or Transfer of Assets.

Subject to the provisions of any class or series of Preferred Stock at the time outstanding, the Board of Directors shall have the power to (i) consolidate the Corporation with one or more other entities into a new entity, (ii) merge the Corporation into another entity, (iii) effect a share exchange with another domestic or foreign corporation or other entity or (iv) sell or otherwise dispose of all or substantially all of the Corporation's assets; provided, however, that such action shall have been approved by the holders of not less than a majority of the Common Stock then outstanding and entitled to vote thereon.

By not specifying a lesser proportion of votes than the MGCL supermajority requirements, the Company's charter discourages charter amendments and hostile tender offers, particularly those in which an outsider may acquire only that portion of the Company stock necessary to effect control of the Company or a business combination with a view to a subsequent business combination, whether favorable or unfavorable to Company management. Such requirements also have the arguably negative effect of disproportionately benefiting a minority of Company stockholders by giving such stockholders in effect veto power over charter amendments or combinations regardless of whether the transaction

is desired by or beneficial to holders of a majority of the Company's stock and Company management.

The proposed amendments would make it easier for the Company to amend its charter and to acquire, or be acquired by, other entities. The Company's board believes that removal of the supermajority voting requirements will ultimately enhance stockholder value by fostering growth through acquisitions.

The proposed amendments would not affect the voting rights of holders of the Company's 9% Series A Non-Voting Preferred Stock, or Series A Preferred, and 6.70% Series B Cumulative Convertible Perpetual Preferred Stock, or Series B Preferred. Currently the approval of a supermajority (two-thirds of the outstanding shares) of the Series A Preferred voting separately as a class is required to authorize or increase the authorized amount of a class of securities senior to the Series A Preferred or amend the charter to adversely affect any right, preference, privilege or voting power of the Series A Preferred. Similarly, the approval of a supermajority (two-thirds of the outstanding shares) of the Series B Preferred voting separately as a class is required to authorize or increase the authorized or issued amount of a class of securities senior to the Senior B Preferred or amend the charter to adversely affect the distribution, conversion, voting, redemption, liquidation or other right of the Series B Preferred so long as The County Employees And Officers Annuity & Benefit Fund of Cook County beneficially owns at least fifty percent of the outstanding shares of Series B Preferred.

The proposed amendment, if approved by stockholders, will become effective on the date such amendment is filed with the Maryland Department of Assessments and Taxation. It is anticipated that the appropriate filing to effect the amendment will be made as soon after the annual meeting as practicable.

The Board of Directors recommends that stockholders vote FOR this proposal to amend the Company's charter.

PROPOSAL III

PROPOSAL TO APPROVE AN AMENDMENT TO THE COMPANY'S CHARTER TO INCREASE THE NUMBER OF AUTHORIZED SHARES

The Board of Directors of the Company has unanimously approved and directed that there be submitted to the Company's stockholders for their approval a proposal to amend the Company's charter to increase the number of authorized shares of common stock from ninety million (90,000,000) shares to one hundred ninety million (190,000,000) shares. In consideration of such increase, the Board of Directors has also unanimously approved and directed that there be submitted to the Company's stockholders for their approval a corresponding increase in the number of authorized shares of excess stock from one hundred five million (105,000,000) shares to two hundred five million (205,000,000) shares.

The text of the proposed amendment is set forth below:

RESOLVED, that Article VI, Section 1 of the Company's charter be amended by restating it as follows:

The total number of shares of all classes of capital stock that the Corporation has authority to issue is four hundred ten million (410,000,000) shares consisting of (i) one hundred ninety million (190,000,000) shares of common stock, par value \$0.01 (the Common Stock); (ii) fifteen million (15,000,000) shares of preferred stock, par value \$0.01 (the Preferred Stock); and (iii) two hundred five million (205,000,000) shares of excess stock, par value \$0.01 (the Excess Stock). The aggregate par value of all of the authorized shares of all classes of capital stock having a par value is 4,100,000.

The Board of Directors recommends the increase in order to provide a sufficient reserve of common shares for our present and future needs and growth. The Board of Directors believes that prudent corporate governance includes the Company having a substantial number of authorized but unissued common shares available. Stockholder approval of the proposed amendment would substantially increase the number of common shares authorized for issuance under the charter. If the stockholders approve the increase in shares, the Company may issue the additional shares of common stock from time to time for such purposes and consideration as the Board of Directors may approve without further stockholder action.

The proposed additional common shares would have rights identical to currently outstanding common shares. Approval of the proposal and issuance of the additional common shares would not affect the rights of the holders of currently outstanding common stock, except for effects incidental to increasing the number of

shares of the common stock outstanding, such as dilution of the earnings per share and voting rights of current holders of common stock.

The Board of Directors also recommends a corresponding increase in the number of shares of excess stock in order to ensure compliance with the ownership limits in the Company's charter necessary to maintain its status as a real estate investment trust. In the event that any stockholder acquires common or preferred shares in excess of the ownership limit, the proposed increase would ensure that the Company could issue a sufficient number of excess shares necessary to comply with these restrictions.

The existence of a large number of authorized but unissued shares of common stock could hinder or frustrate a takeover of the Company without further action by the stockholders. If the stockholders approve this proposal, the Company will be able to issue additional shares of common stock and the Board of Directors will have greater flexibility in responding to a merger or acquisition bid by placing blocks of shares with persons friendly to the Company, or by taking other steps to prevent an acquisition of the Company under circumstances that the Board of Directors does not believe to be in the Company's best interest. The Board of Directors is not currently aware of any pending capital transactions, corporate acquisitions, takeover proposals or other similar events involving the Company.

The proposed amendment, if approved by stockholders, will become effective on the date such amendment is filed with the Maryland Department of Assessments and Taxation. It is anticipated that the appropriate filing to effect the amendment will be made as soon after the annual meeting as practicable.

The Board of Directors recommends that stockholders vote FOR this proposal to amend the Company's charter.

PROPOSAL IV

PROPOSAL TO APPROVE AN AMENDMENT TO THE COMPANY'S BYLAWS

TO CONFORM THE DEFINITION OF INDEPENDENT DIRECTOR TO CORPORATE GOVERNANCE RULES

In the wake of the corporate scandals that have recently impacted Wall Street, the U.S. Congress, the Securities and Exchange Commission and the New York Stock Exchange have adopted various corporate governance reforms, including the passage of the Sarbanes-Oxley Act in July 2002. The Act requires among other matters that all members of the Audit Committee of a public company be independent as defined in the Act and the rules promulgated by the SEC thereunder. In addition, the NYSE adopted new listing standards requiring a majority of the board of directors of a listed or quoted company to be independent, as defined in the NYSE rules. The NYSE also adopted standards containing independence requirements for Audit Committee membership in addition to those adopted by the SEC, and required listed companies form nominating/ corporate governance and compensation committees composed entirely of directors meeting such independence requirements.

In response to these developments, we have adopted a series of best practices corporate governance procedures and documents, consisting of:

the adoption of a code of business conduct covering all of our directors, officers and employees;

the adoption of corporate governance guidelines;

the adoption of a whistleblower procedure for the reporting of accounting-related concerns;

amendments to our bylaws;

the adoption of disclosure controls and procedures;

the formation of a Governance and Nominating Committee and the adoption of a charter for such committee;

the adoption of an amended Audit Committee charter; and

the adoption of a Compensation Committee charter.

In addition to amendments to the bylaws previously adopted by the Board of Directors, which took effect on November 11, 2003, the Board has adopted further proposed amendments to our bylaws to make them consistent with our best practices corporate governance procedures and documents, and to update them to reflect the current activities of the Company. Article X of our bylaws, however, requires that the Company's stockholders approve any amendment to the sections of the bylaws regarding director independence.

The Board of Directors of the Company has unanimously approved and directed that there be submitted to the Company's stockholders for their approval a proposal to amend the bylaws to conform the definition of independent director to recently adopted corporate governance rules in accordance with current best practices in corporate governance.

The text of the proposed amendments is set forth below:

RESOLVED, that Article III, Section 3 of the Company's bylaws be amended by restating it as follows:

Section 3. Composition. A majority of the members of the Board of Directors shall, except during the period of a vacancy or vacancies therein, be Independent Directors, as such term is defined or construed from time to time in the Exchange Act and the rules and regulation of the Securities and Exchange Commission, the rules and regulations of any stock exchange or automated interdealer quotation system on which any shares of stock of the Corporation are listed or quoted, and other laws and regulations applicable to the Corporation.

The definition of an independent director currently contained in the bylaws is less restrictive than that the SEC and the NYSE now require the Company to use. The current bylaws identify certain directors who would not be considered as independent, including those affiliated, directly or indirectly, with any entity to whom the Board of Directors has delegated management duties, and those who have performed services for the Company other than in his or her capacity as director. Under the NYSE definition, however, the Company may not consider as independent any director who has a material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). The NYSE definition provides that a material relationship may include commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, and that the Board of Directors should consider all relevant facts and circumstances from not only the standpoint of the director, but also from that of persons or organizations with which the director has an affiliation. The NYSE definition also provides that the Company may not consider as independent directors who have enjoyed certain relationships with the Company within the past three years, including but not limited to directors employed by the Company and/or directors receiving more than \$100,000 per year in direct compensation from the Company within the past three years.

In addition, the definition contained in the bylaws is inconsistent with the approach taken by the NYSE regarding the role and responsibility of the Board of Directors in reviewing the independence of each director. Currently, the Board of Directors is obligated by the bylaws to determine whether or not any of the directors would fail to satisfy a specific objective test set forth in the bylaws. If a director satisfies the specified tests, the director must be classified as independent. The Board has no obligation to make additional inquiries or to take into account other relationships with the Company in order to classify a director as independent. In contrast, the NYSE rules specifically require the Board of Directors to make an affirmative determination that each independent director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of the director.

After careful consideration of the definition contained in the Articles, the definition set forth in the recently adopted SEC and NYSE rules, and the purposes for each definition, the Board of Directors has determined that it is advisable and in the best interest of the stockholders of the Company that a single, consistent definition of independent

be used to determine the independence of a director. The Board

believes that it would be, at best, confusing, and possibly unworkable, to have different definitions of independence governing its directors. The Board of Directors also determined that the definitions recently adopted under the federal securities laws and the NYSE listing standards is the more appropriate definition because it requires, before a director may be considered to be independent, an in-depth analysis by the full Board of Directors of all relationships between that director and the Company and the Board's determination that these relationships are unlikely to affect the director's ability to exercise independent judgment in acting as one of the Company's directors.

The proposed amendment, if approved by stockholders, will become effective on the date such amendment is approved by the stockholders.

The Board of Directors recommends that stockholders vote FOR this proposal to amend the Company's bylaws.

PROPOSAL V

PROPOSAL TO APPROVE AN AMENDMENT TO THE COMPANY'S BYLAWS

TO MODIFY THE PROCEDURE FOR FILLING VACANCIES ON THE BOARD OF DIRECTORS

The Board of Directors of the Company has unanimously approved and directed that there be submitted to the Company's stockholders for their approval a proposal to amend the bylaws to modify the procedure for filling vacancies on the board of directors in accordance with current best practices in corporate governance.

The text of the proposed amendments is set forth below:

RESOLVED, that Article III, Section 5 of the Company's bylaws be amended by restating it as follows:

Section 5. Vacancies. If for any reason any or all the Directors cease to be Directors, such event shall not terminate the Corporation or affect these Bylaws or the powers of the remaining Directors hereunder (even if fewer than three Directors remain). Subject to the rights of holders of one or more classes or series of preferred shares then outstanding, any vacancy on the Board of Directors (including a vacancy created by an increase in the number of Directors) shall be filled by a majority of the remaining Directors or, if the remaining Directors fail to act or there is no remaining Director, by the votes of holders of at least a majority of the shares of Stock entitled to vote thereon and present in person or by proxy at any meeting of the Stockholders called for that purpose. Any individual so elected as Director shall hold office for the unexpired term of the Director he or she is replacing.

The current bylaws restrict the ability of directors to fill vacancies on the Board of Directors by providing that only directors who qualify as independent may vote to fill vacancies in directorships formerly held by independent directors. Similarly, the current bylaws provide that only directors who do not qualify as independent directors may vote to fill vacancies in directorships formerly held by non-independent directors. This procedure is not required by the rules recently promulgated by the SEC and the NYSE, and increase the risk that a deadlock will result when eligible directors vote to fill a vacancy by decreasing the pool of directors eligible to vote.

Moreover, the current bylaws permit only stockholders to fill vacancies resulting from the removal of a director. Doing so limits the ability of the board to act quickly to fill a vacancy created by the removal of a director and requires the Company to incur the cost and administrative burden of a stockholder meeting in order to do so.

To resolve these issues, the proposed amendment to the bylaws permits all of the directors to vote to fill Board vacancies regardless of whether the departing director qualifies as an independent director or not, improving the selection process by enabling all Board members to participate. To ensure that the board selects a sufficient number of

candidates meeting the independence criteria promulgated by the SEC and by the NYSE, the bylaws require that the board consist of a majority of independent directors. Finally, in the event

that directors fail to act due to a voting deadlock or otherwise, the proposed amendment expands the rights of the Company's stockholders by permitting them to vote to fill a vacancy with the votes of holders of at least a majority of the shares entitled to vote thereon.

The proposed amendment, if approved by stockholders, will become effective on the date such amendment is approved by the stockholders.

The Board of Directors recommends that stockholders vote FOR this proposal to amend the Company's bylaws.

PROPOSAL VI

PROPOSAL TO APPROVE AN AMENDMENT TO THE COMPANY'S BYLAWS

TO MODIFY THE REQUIREMENTS FOR STOCKHOLDER APPROVAL OF AMENDMENTS TO THE BYLAWS IN ACCORDANCE WITH CURRENT BEST PRACTICES IN CORPORATE GOVERNANCE

The Board of Directors of the Company has unanimously approved and directed that there be submitted to the Company's stockholders for their approval a proposal to amend the Bylaws to modify the requirements for stockholder approval of amendments to the Bylaws in accordance with current best practices in corporate governance.

The text of the proposed amendments is set forth below:

RESOLVED, that Article XI of the Company's bylaws be amended by redesignating it Article X and restating it as follows:

Section 1. Amendment by Stockholder. Any provision of these By-laws may be adopted, altered or repealed by the Stockholders at any meeting of Stockholders called for that purpose, by the affirmative vote of holders of not less than a majority of the shares then outstanding and entitled to vote.

Section 2. Amendment by Directors. Except as otherwise provided in any By-law adopted pursuant to Section 1 of this Article X, any provision of these By-laws may be adopted, altered or repealed by the Directors, provided that the Directors may not repeal Section 1 of this Article X or increase the stockholder vote required thereunder.

The current bylaws permit the Board of Directors to amend all sections of the bylaws except for those regarding director independence, Board vacancies, Board committees and the procedure for amendment of the bylaws. Stockholders may amend the bylaws upon a supermajority (two-thirds) vote of all shares outstanding and entitled to vote. The provisions regarding director independence and Board committees are all governed by rules recently promulgated by the SEC and the NYSE in response to the Sarbanes-Oxley Act of 2002, and agreed upon best corporate practice derived from such rules. The SEC and the NYSE may promulgate additional rules regarding these matters, requiring the Company to amend its bylaws further in order to ensure that it meets these requirements. The current bylaws would require the Company to convene a meeting of its stockholders in order to do so, causing administrative expense and significant delay before the Company could amend its bylaws to conform to the new requirements. Moreover, the supermajority voting requirement has the arguably negative effect of disproportionately benefiting a minority of Company stockholders by giving such stockholders in effect veto power over bylaw amendments regardless of whether the amendment is desired by or beneficial to holders of a majority of the Company's stock and Company management.

The proposed amendment permits the Board to amend the provisions in the bylaws regarding director independence and Board committees without further action by the stockholders, ensuring that the Company can amend its bylaws quickly to comply with SEC and NYSE regulations in the event that such amendments are necessary. The proposed amendment also eliminates the supermajority voting requirement for stockholders, permitting stockholders to amend any section of the bylaws upon a vote of a majority of those shares outstanding and entitled to vote. The amendment will ensure that a minority of the stockholders will not have veto power over amendments.

The proposed amendment also protects the right of stockholders to amend the bylaws by providing that the Board may not repeal the stockholders' right to amend the bylaws or increase the majority voting requirement. The proposed amendment also indicates that stockholders may provide in any amendment that such amendment may not be repealed by the Board.

The proposed amendment, if approved by stockholders, will become effective on the date such amendment is approved by the stockholders.

The Board of Directors recommends that stockholders vote FOR this proposal to amend the Company's bylaws.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the New York Stock Exchange. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of such forms it has received, written representations from certain reporting persons that they were not required to file Forms 5 for the last fiscal year and other information known to the Company, the Company believes that all its officers, directors and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to transactions filed during fiscal year 2003, except for Dennis E. Tracy, who was late filing one Form 4 resulting in three transactions in which Mr. Tracy disposed of a total of 7,200 shares of common stock not being reported on a timely basis.

CERTAIN TRANSACTIONS

In May 2002, the Company purchased a combined 25% partnership interest for \$750,000 in CNL Plaza, Ltd. and CNL Plaza Venture, Ltd. (collectively, Plaza). Affiliates of James M. Seneff, Jr., an officer and director of the Company, and Robert A. Bourne, a member of the Company's Board of Directors, own the remaining partnership interests. The Company has severally guaranteed 41.67% of a \$15,500,000 unsecured promissory note on behalf of Plaza. The maximum obligation to the Company is \$6,458,300 plus interest. Interest accrues at a rate of LIBOR plus 200 basis points per annum on the unpaid principal amount. This guarantee will continue through the loan maturity in November 2004. For the year ended December 31, 2003, the Company received \$372,000 in distributions and recognized a loss of \$224,000 from Plaza.

The Company leases its office space from Plaza, an affiliate of Messrs. Seneff and Bourne. The Company's lease expires in October 2014. During the year ended December 31, 2003, the Company and Services incurred rental expenses in connection with the lease of \$1,083,000. The Company subleases a portion of its office space to CCF, CNL APF Partners, LP, CNL Restaurant Capital, LP, entities in which Mr. Seneff is a director, executive officer and minority shareholder. During the year ended December 31, 2003, the Company earned \$338,000 in rental income and accrued rental income related to these subleases.

During the year ended December 31, 2003, CNL Shared Services, Inc. and CNL Financial Group, Inc., affiliates of Mr. Seneff, provided certain administrative, tax and technology services to the Company and Services. In connection therewith, the Company and Services paid \$1,363,000 in fees relating to these services. Mr. Seneff is the Chairman of the Board, Chief Executive Officer, a director, and principal stockholder of CNL Financial Group, Inc., which wholly owns CNL Shared Services, Inc.

The Company's existing Amended and Restated Secured Revolving Line of Credit and Security Agreement (the Security Agreement) with Services was modified by the Company to decrease the borrowing capacity from \$85,000,000 to \$35,000,000. The credit facility is secured by a first mortgage on Services' properties and bears interest at prime rate plus 0.25% per annum. The outstanding principal balance of the mortgage at December 31, 2003 was \$12,588,000, and bore interest at a rate of 4.25% per annum. The largest amount of aggregate indebtedness outstanding under the credit facility during 2003 was \$23,500,000.

Messrs. Seneff, Ralston and Habicht collectively own 100% of the voting common stock of Services, which represents a 1.3% equity interest. In January 2003, the Company terminated an \$11,000,000 secured revolving line of credit and security agreement with RE-Stores, Inc.

The Company has three secured revolving lines of credit and security agreements with wholly-owned subsidiaries of Services (the "Subsidiary Agreements"). The Company has a line of credit and security agreement with CNLRS Exchange I, Inc. and CNLRS Funding, Inc. in the amount of \$25,000,000 and \$45,000,000, respectively. In May 2003, the Company modified an existing secured revolving line of credit and security agreement with CNLRS Equity Ventures, Inc., one of the wholly-owned subsidiaries of Services, to increase the borrowing capacity from \$15,000,000 to \$45,000,000. The Subsidiary Agreements provide for an aggregate borrowing capacity of \$115,000,000 and bear interest at prime rate plus 0.25% per annum. The aggregate outstanding principal balance of the Subsidiary Agreements at December 31, 2003 was \$42,646,000, and bore interest at a rate of 4.25% per annum. The largest amount of aggregate indebtedness outstanding under the Subsidiary Agreements during 2003 was \$83,900,000. The Security Agreement and the Subsidiary Agreements provide an aggregate borrowing capacity of \$150,000,000 to Services and its wholly-owned subsidiaries and each agreement has an expiration date of May 9, 2006.

In connection with the mortgages and other receivables from Services and its wholly-owned subsidiaries, the Company received \$2,958,000 in interest and fees during the year ended December 31, 2003. In addition, Services paid the Company \$1,583,000 for accounting, executive, technology and office space costs incurred on behalf of the Company during the year ended December 31, 2003.

In September 2000, a wholly-owned subsidiary of Services entered into a \$6,000,000 promissory note with an affiliate in which James M. Seneff, Jr., Gary M. Ralston and Kevin B. Habicht, each of which are officers and directors of the Company, own a majority equity interest. The note was secured by the affiliate's common stock in CNL Commercial Finance, Inc. ("CCF"), a wholly-owned subsidiary of the affiliate. In July 2003, the promissory note was paid in full. In addition, the wholly-owned subsidiary of Services has an option with the affiliate to purchase up to 80 percent of all the common shares of CCF equal to the purchase price paid by the affiliate for such common stock. The option expires on December 31, 2010.

In September 2000, CNLRS Funding, Inc., a wholly-owned subsidiary of Services, entered into a \$15,000,000 line of credit agreement with CCF. Interest, which is at a rate of 500 basis points above LIBOR, is payable monthly and the principal balance is due in full upon termination of the line of credit on March 31, 2004. In December 2003, the line of credit was amended to increase the borrowing capacity to \$35,000,000. As of December 31, 2003, \$16,600,000 was outstanding and \$18,400,000 was available for future borrowings on the line of credit. The largest amount of aggregate indebtedness outstanding under the line of credit during 2003 was \$29,100,000. The line of credit is collateralized by substantially all of the assets of CCF.

In 2002, the Company extended the maturity dates to dates between June and December 2007 on four mortgages with an original aggregate principal balance totaling \$8,514,000 that are held with Colonial Investors, Ltd., Hillcrest Plaza Investors, Ltd. and Indian Woods Associates, Ltd., entities in which James M. Seneff, Jr., an officer and director of the Company, and Robert A. Bourne, a member of the Company's Board of Directors, are the general partners and hold 2.5%, 9.0% and 0.5%, respectively, of the outstanding interests. The mortgages bear interest at a weighted average of 8.95%, with interest payable monthly or quarterly. As of December 31, 2003, the aggregate principal balance of the four mortgages was \$2,935,000. The largest amount of aggregate indebtedness outstanding under the mortgages during 2003 was \$3,358,000. In connection therewith, the Company recorded \$281,000 as interest from unconsolidated affiliates and other mortgage receivables during the years ended December 31, 2003.

The Company has entered into five limited liability company (LLC) agreements with CCF: CNL Commercial Mortgage Holdings I, LLC (CCMH I) in June 2001; CNL Commercial Mortgage Holdings II, LLC (CCMH II) in December 2001; CNL Commercial Mortgage Holdings III, LLC (CCMH III) in June 2002; CNL Commercial Mortgage Holdings IV, LLC (CCMH IV) in December 2002; and CNL Commercial Mortgage Holdings V, LLC (CCMH V) in July 2003. Each of the LLCs holds an interest in mortgage loans and is 100 percent equity financed with no third party debt. The Company holds a non-voting and non-controlling interest in CCMH I, CCMH II, CCMH III, CCMH IV

and CCMH V of 42.7, 44.0, 36.7, 38.3, and 38.4 percent, respectively, in these investments and accounts for its interests under the equity method of accounting. During the year ended December 31, 2003, the Company received \$4,211,000 in distributions. In 2003, in connection with a loan to CCF from an affiliate of James M. Seneff, Jr., an officer and director of the Company, the Company pledged a portion of its interest in two of the LLCs as partial collateral for the loan.

The Company had guaranteed bank loans to James M. Seneff, Jr., Gary M. Ralston and Dennis Tracy, each of which are officers and directors of the Company or its affiliates, totaling \$3,746,000. Each of the loans is full recourse to the respective officer and is collateralized by the common shares of the Company that were purchased with the proceeds from the loan. In July 2003, the Company was released as a guarantor on each of the bank loans.
