THE BOARD OF DIRECTORS  
RECOMMENDS A VOTE FOR ALL THE  
NOMINEES TO THE  
CLASS OF 2006  
AND THE NOMINEE  
TO THE CLASS OF 2005

PROPOSAL ONE

ELECTION OF DIRECTORS

Under the Articles of Incorporation and the By-Laws of the Company, the Board of Directors is divided into three classes, each as nearly equal as possible, and the Board is authorized to determine the number of persons constituting the board. On January 31, 2003, the Board pursuant to the By-Laws, reduced the number of directors from fifteen to thirteen. The reduction was accomplished by the resignation of two employee directors from the Class of 2005, Mr. William A. Sullins, Jr., former Vice Chairman of the Company, and Mr. Robert C. Matthews, Jr., Executive Vice President of the Company. The reduction in the size of the Board and the resignation of two directors from the Class of 2005 resulted in an imbalance in the size of the classes. To balance the classes as equally as possible, Mr. David W. Kemper, currently a member of the Class of 2004, will stand for election to the Class of 2005. Upon his election, the Class

Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

of 2004 will be reduced to four directors. With the election of the nominees to the Class of 2006 and Mr. Kemper's election to the Class of 2005, there will be five members in the Class of 2006 and four members each in the classes of 2004 and 2005. Therefore, it is proposed that five directors be elected at the meeting to serve until the 2006 annual meeting (2006 Class) and one director be elected at the meeting to serve until the 2005 annual meeting (2005 Class) and until their successors shall be elected and qualified unless otherwise directed. The persons acting under the accompanying proxy intend to vote for the election of the nominees hereinafter named. Should any nominee become unable to accept nomination or election, it is intended, unless otherwise directed, that the person acting under the proxy will vote for the election of such other person as the Board of Directors of the Company may recommend. The five nominees for election as directors to the Class of 2006 who receive the greatest number of votes cast at the meeting, a quorum being present, shall become directors, and the nominee for the Class of 2005 who receives the greatest number of votes cast at the meeting, a quorum being present, shall become a director to the Class of 2005. Vacancies occurring in a class during a term are filled by the Board pursuant to the Company's By-Laws. There are no arrangements or understandings between any nominee and any other person pursuant to which the nominee was selected.

### RETIREMENT BENEFITS:

The Company maintains the Commerce Bancshares Restated Retirement Plan. All employees are eligible to participate on the later of January 1st or July 1st after completion of one year of service and the attainment of age 21. The Plan provides benefits based upon earnings, age and years of participation.

The annual benefit is determined under a cash balance formula effective January 1, 1995. Under the cash balance formula, a retirement account balance is maintained for each participant. At the end of each Plan Year beginning after December 31, 1994, the participant's account will be credited with a cash balance credit equal to a percentage of total pay for the year plus the same percentage of pay in excess of 50% of the Social Security taxable wage base for the year. Pay for this purpose is limited by Section 401(a)(17) of the Internal Revenue Code. The applicable percentage is determined by the sum of the participant's age and years of participation at the beginning of the Plan Year, and ranges from 1% for a sum of less than 30 to 4% for a sum of 75 or more. Interest is credited to the participant's account at the end of each Plan Year beginning after 1995 at a rate not less than 5% of the account balance at the end of the prior Plan Year (for 2002, the rate of interest was 5%). At retirement, the retirement account balance is converted to various annual benefit options based on actuarial factors defined in the Plan.

In addition, the participant shall receive an annual benefit equal to his annual benefit accrued through December 31, 1994 under the Plan's prior formula, adjusted for increases in the cost of living (but not in excess of 4% per year) for each year of participation after December 31, 1994. Certain executive members of

9

the plan will receive a special minimum benefit based on the final five-year average pay and years of service (this provision is subject to IRS approval, which has been requested).

This Plan is fully paid for by the Company and employees covered by the Plan become fully vested after five years of service. The normal retirement age under the Plan is 65. Reduced benefits are available as early as age 55. Messrs. David Kemper, Jonathan Kemper, Leadbeater, Stranghoener and Barth have, respectively, 23, 20, 12, 2 and 18 years of service as of December 31, 2002.

Compensation covered by the Plan for 2002 includes salary (as reported in the Summary Compensation Schedule) and was limited by Section 401(a)(17) of the Internal Revenue Code to \$200,000. The compensation for 2002 covered by the Plan was: Mr. David Kemper \$200,000; Mr. Jonathan Kemper \$200,000; Mr. Leadbeater \$200,000; Mr. Stranghoener \$200,000 and Mr. Barth \$200,000.

The estimated annual benefits payable at normal retirement age for Messrs. David Kemper, Jonathan Kemper, Leadbeater, Stranghoener and Barth are \$131,606, \$119,769, \$76,393, \$38,184 and \$78,718, respectively. These benefits assume the election of a retirement allowance payable as a straight life annuity to the participant.

The Company also maintains the Commerce Executive Retirement Plan ("CERP"), effective January 1, 1995, to provide nonqualified deferred compensation for a

## Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

select group of executives. The CERP is unfunded; benefits are payable from the assets of the Company. The Board of Directors may designate the CEO as a participant; other participants are selected by the CEO.

A participant's benefit under the CERP is the amount by which (1) exceeds (2), where (1) is the benefit that would be payable under Commerce Bancshares Retirement Plan if that benefit were calculated using the participant's total pay including any bonus deferred under a nonqualified deferred compensation plan maintained by the Company and without regard to the pay limit of Section 401(a)(17) of the Internal Revenue Code and (2) is the benefit actually payable under the Commerce Bancshares Retirement Plan.

Compensation covered by the CERP for 2002 includes salary and bonuses as reported in the Summary Compensation Schedule. The compensation for 2002 covered by the CERP was: Mr. David Kemper \$1,018,701; Mr. Jonathan Kemper \$471,125; Mr. Leadbeater \$353,375; Mr. Stranghoener \$310,829 and Mr. Barth \$267,005.

The estimated annual benefits payable under the CERP at normal retirement age for Messrs. David Kemper, Jonathan Kemper, Leadbeater, Stranghoener and Barth are \$213,699, \$53,186, \$0, \$0 and \$23,138, respectively. These benefits assume the election of a retirement allowance payable as a straight life annuity to the participant.

### COMMITTEE REPORT ON EXECUTIVE COMPENSATION:

The Company's executive compensation policy is intended to be competitive with bank holding companies in geographic proximity, comparable asset size and considered as direct competitors with the Company so that total compensation received by the executive officers of the Company is believed to be comparable on a long-term basis. The policy is also intended to offer an incentive for performance for the Company's executive officers and managers, including the chief executive officer and the four other most highly paid executive officers (collectively with the chief executive officer, the "senior executives"). The overall compensation program is designed to retain and reward on both a short and long-term basis. In the case of the Chief Executive Officer, the Committee pays particular attention to the total compensation paid to the chief executive officers of the competing bank holding companies described above but taking into consideration the relative size of the companies and their financial returns. Statistical measurements including earnings per share, return on assets, return on equity, net income, and asset quality are considered over a one to five year time frame but not weighted in regard to base salary considerations.

During 2002, the three members of the Compensation and Benefits Committee (now known as the Compensation and Human Resources Committee) were all non-employee directors. The principal elements of

10

the Company's executive compensation program for the fiscal year ended December 31, 2002, applicable to the Company's executive officers, including the senior executives, were:

(1) Base salary levels are reviewed and determined annually. Consideration is given to the scope of responsibilities and to the similarity of positions with immediate competitors. In this regard, comparison is made with the compensation paid to the top five officers of comparable bank holding companies which, by virtue of their location, are considered immediate competitors. Factors included in the comparison are relative size of companies, the financial results obtained, both currently and over a period of time, and the experience and responsibility of the individuals. While the base salary compensation paid to the senior

## Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

executives is somewhat below the average of the immediate competitors, the Committee believes such compensation is in line considering the relative size of the companies and also considering the Company's strong emphasis on long-term shareholder alignment through incentives such as stock options and restricted stock. In addition, the Committee reviews individual performance ratings, being the result of reviews conducted by an officer's superior. The Committee also considers responsibility changes, taking into account outstanding or improved performance. The Committee approves salary increases and salary levels after consideration of both internal and external information as set forth above. In establishing base salaries, the Committee does not assign any weight to any particular factor. The Committee reviewed national survey data and competitor data prior to recommending base salary increases during 2002.

(2) Cash Bonus awards are considered annually. In awarding bonus payments, factors considered by the Compensation Committee include: (i) a review of the Company's financial performance as determined by the level of overall net income, as well as key statistical measurements, return on assets, return on equity, asset quality and asset growth, as compared to internal trends and selected competitors; (ii) the value created for shareholders in both the most recent year and five year trends as determined by market price of the Company stock compared to the NASDAQ financial indices; and (iii) the performance of individuals to the extent measurable in meeting budget expectations. The Committee has established performance targets that affect the granting of and size of a bonus for the top executives of the Company. Performance of the Company in relation to competitors' performance is considered but not weighted in the granting of a bonus. The Chief Executive Officer is also subject to the previous measurements. Bonuses earned as a percentage of base salary for executive officers for 2002 performance ranged from 74.6% (in the case of the chief executive officer) to 1.9%.

(3) Stock Options are also awarded annually. They are awarded to provide individuals with long-term incentives for profitable growth and closer align the Company's senior executives with the interest of the Company's shareholders. Retention and long-term reward are both factors considered in granting stock options. The Company has implemented targeted guidelines in determining option awards to all participants in the option program including senior executives. Targeted percents range from 35% to 600% of base pay depending on the grade of the individual officer. Targeted percents may be exceeded when individual participants' performance exceed expectations. In addition to stock options, the Company also utilizes restricted stock to reward and retain key managers.

The overall executive compensation policy described above also applies to the compensation of the Chief Executive Officer. The Compensation and Benefits Committee reviews Mr. David Kemper's performance each year and makes recommendations to the board for any increases. Mr. Kemper completes a self-appraisal which the Committee considers before making its final recommendation. Several factors are considered in the review of Mr. Kemper's performance with an overall focus on the increase in the franchise value of the company. Besides financial performance the Committee also considered factors such as growth in the human capital of the organization, the continued reinvestment and improvement of the company's product offerings and the overall focus on risk management.

The Commerce Bancshares, Inc. Executive Incentive Compensation Plan was amended in 2002 to comply with the Internal Revenue Code (the "Code"), Section 162(m). The Code applies to the compensation paid to the executive officers of the Company named in the Summary Compensation Table. In 2002, the chief executive officer exceeded \$1,000,000 in taxable compensation as defined in Section 162(m)

and all compensation paid qualifies as performance-based compensation within the meaning of the Code and the regulations thereunder.

The Non-Qualified Stock Option Plan was amended in 1995 to provide for a formula to determine the maximum number of options which may be granted in any one year to any one person, which means any income recognized on the exercise of a nonqualified stock option will qualify as "performance-based compensation" and will not be included in determining the compensation which is limited to \$1,000,000.

Executives other than senior executives also participate in both the bonus and stock option programs. Other elements of compensation offered to the senior executives and to all other eligible employees include participation in a 401(k) deferred contribution plan.

#### AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are "independent" as required by applicable listing standards of the NASDAQ. The Audit Committee operates pursuant to a Charter that was last amended and restated by the Board on January 31, 2003, a copy of which is attached to this Proxy Statement as Appendix A. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management, internal auditors and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standard No. 61, Communication with Audit Committees, as currently in effect. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board No. 1, Independence Discussions with Audit Committees, as currently in effect, and written confirmations from management with respect to internal audit services provided by the auditors. The Audit Committee has considered whether internal audit and other non-audit services provided by the independent auditors to the Company is compatible with maintaining the auditors' independence and has discussed with the auditors their independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. However, the Board and the Audit Committee feel that the Audit Committee will have at least one member who will qualify as

## Edgar Filing: COMMERCE BANCSHARES INC /MO/ - Form DEF 14A

a "financial expert" as that term is defined in applicable regulations. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee has relied upon the expertise and representations of others to determine that the audit of the Company's financial statements have been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles, or that the Company's auditors are in fact "independent".

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 to be filed with the Securities and Exchange Commission.

OF THE COMPANY'S BOARD OF DIRECTORS

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION:

During 2002, the Compensation and Benefits Committee consisted of three members of the Board of Directors of the Company, none of whom were officers of the Company. During 2002, the Committee consisted of Ms. Mary Ann Van Lokeren and Messrs. Giorgio Balzer and Andrew C. Taylor. On January 31, 2003, the Board of Directors changed the name of the committee to Compensation and Human Resources Committee. On the same date, the Board of Directors added Mr. Terry O. Meek to the committee.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE:

Pursuant to Section 16 of the Securities Exchange Act of 1934, the Company's Directors and certain executive officers are required to report, within specified due dates, their initial ownership of the Company's common stocks and all subsequent acquisitions, dispositions or other transfers of interest in such securities, if and to the extent reportable events occur which require reporting by such due dates. The Company is required to identify in its proxy statement whether it has knowledge that any person required to file such a report may have failed to do so in a timely manner. Based on that review, all of the Company's directors and all executive officers subject to the reporting requirements satisfied such requirements in full, except Mr. Seth M. Leadbeater, an executive of the Company, failed to timely file a Form 4 for a transaction that occurred in 2001. The late filing was reported with the filing of an amended Form 5 in 2002. Mr. Thomas A. McDonnell, a director of the Company, filed a Form 4 relating to a purchase after the due date. Mr. L. W. Stolzer, a director of the Company, filed a corrected Form 4 to correct the holding of one share of Company stock.
