PROXY STATEMENT

DATE: Tuesday, June 10, 2003

TIME: 10:00 a.m. (Central time)

PLACE: 1800 Valley View Lane, Suite 300, Dallas, Texas

AGENDA: One proposal, numbered as Item 1 on the proxy card, for the election of four nominees as directors of Income Opportunity Realty Investors, Inc. ("IORI").

WHO CAN VOTE: All holders of record of our common stock at the close of business on April 24, 2003, are entitled to vote. Holders of the common stock are entitled to one vote per share at the Annual Meeting. The common stock is the only class of our securities entitled to vote at the Annual Meeting.

PROXIES SOLICITED BY: Your vote and proxy is being solicited by our Board of Directors for use at the Annual Meeting. This Proxy Statement and enclosed proxy card is sent on behalf of our Board of Directors to all stockholders beginning on April 30, 2003. By completing, signing and returning your proxy card, you will authorize the persons named on the proxy card to vote your shares according to your instructions.

PROXIES: If you do not indicate how you wish to vote for one or more of the nominees for director, the persons named on the proxy card will vote FOR election of all the nominees for director (Proposal 1). If you "withhold" your vote for any of the nominees, this will be counted as a vote AGAINST that nominee.

REVOKING YOUR PROXY: You can revoke your proxy by:

- writing to the Corporate Secretary (at 1800 Valley View Lane, Suite 300, Dallas, Texas 75234) before the Annual Meeting;
- voting again via mail; or
- casting your vote in person at the Annual Meeting. Your last vote will be the vote that is counted.

QUORUM: As of April 24, 2003, there were 1,438,945 shares of common stock issued and outstanding. The holders of the common stock have the right to cast one vote for each share held by them. The presence, in person or by proxy, of stockholders entitled to cast at least 719,473

votes constitutes a quorum for adopting the proposals at the Annual Meeting. If you have properly signed and returned your proxy card by mail, you will be considered part of the quorum, and the persons named on the proxy card will vote your shares as you have instructed. If a broker holding your shares in "street" name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares, we will not consider your shares as present or entitled to vote for any purpose.

1

VOTES OF MANAGEMENT AND AFFILIATES:

As of April 24, 2003, management and affiliates held 1,127,501 shares representing approximately 78.4% of the shares outstanding. Management intends to vote such shares for each proposal in accordance with the recommendation of the Board of Directors.

MULTIPLE PROXY CARDS:

If you receive multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all of your shares are voted.

COSTS OF PROXY SOLICITATION:

Some of our directors, officers and employees may solicit proxies personally, without any additional compensation, by telephone or mail. Proxy materials also will be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

QUESTIONS:

You may call our Investor Relations Department at (469) 522-4245 if you have any questions.

PLEASE VOTE -- YOUR VOTE IS IMPORTANT

BOARD OF DIRECTORS

ELECTION OF DIRECTORS
ITEM NO. 1 ON THE PROXY CARD

Four directors are to be elected at the Annual Meeting. Each director elected will hold office until the 2004 Annual Meeting. All of the nominees for director are now serving as directors. The nominees for election as director are:

NAME	AGE	DIRECTOR SINCE

Edgar Filing: INCOME OPPORTUNITY REALTY INVESTORS INC /TX/ - Form DEF 14A

Martin L. White..... 63 1995

The persons named on the proxy card will vote for all of the nominees for director listed unless you withhold authority to vote for one or more of the nominees. The nominees receiving a plurality of votes cast at the Annual Meeting will be elected as directors. Abstentions and broker non-votes will not be treated as a vote for or against any particular nominee and will not affect the outcome of the election of directors. Cumulative voting for the election of directors is not permitted.

All of our nominees have consented to serve as directors. Our Board of Directors has no reason to believe that any of the nominees will be unable to act as a director. However, if any director is unable to stand for re-election, the Board will designate a substitute. If a substitute nominee is named, the persons named on the proxy card will vote for the election of the substitute nominee.

AUDIT COMMITTEE REPORT

The Audit Committee oversees IORI's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The independent auditors are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles. The Committee reviewed with the independent auditors, the auditors' judgments as to the quality, not just the acceptability, of IORI's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with the independent auditors the auditors' independence

Edgar Filing: INCOME OPPORTUNITY REALTY INVESTORS INC /TX/ - Form DEF 14A

from management and IORI, including the matters in the written disclosures required by the Independence Standards Board.

The Committee discussed with IORI's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of IORI's internal controls, and the overall quality of its' financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission. The Committee also recommended, subject to Board approval, the selection of IORI's independent auditors.

OLIVE LITIGATION

In February 1990, IORI, together with Continental Mortgage and Equity Trust ("CMET"), TCI and National Income Realty Trust ("NIRT"), three real estate entities with, at the time, the same officers, directors or trustees and advisor as IORI, entered into a settlement (the "Settlement") of a class and derivative action entitled Olive et al. v. National Income Realty Trust et al. relating to the operation and management of each of the entities. On April 23, 1990, the court granted final approval of the terms of the Settlement. The Settlement was modified in 1994 (the "Modification").

On January 27, 1997, the parties entered into an amendment to the Modification, effective January 9, 1997 (the "First Amendment"). The First Amendment provided for the settlement of additional matters raised by plaintiffs' counsel in 1996. The Court issued an order approving the First Amendment on July 3, 1997.

The First Amendment provided that IORI's Board retain a management/compensation consultant or consultants to evaluate the fairness of the BCM advisory contract and any contract of its affiliates with IORI, CMET and TCI, including, but not limited to, the fairness to IORI, CMET and TCI of such contracts

4

relative to other means of administration. In 1998, the Board engaged a management/compensation consultant to perform the evaluation which was completed in September 1998.

In 1999, plaintiffs' counsel asserted that the Board did not comply with the provision requiring such engagement and requested that the Court exercise its retained jurisdiction to determine whether there was a breach of this provision of the First Amendment. In January 2000, the Board engaged another management/compensation consultant to perform the required evaluation again. This evaluation was completed in April 2000 and was provided to plaintiffs' counsel. The Board believed that any alleged breach of the First Amendment had been fully remedied by the Board's engagement of the second consultant. Although several status conferences have been held on this matter, there has been no

Edgar Filing: INCOME OPPORTUNITY REALTY INVESTORS INC /TX/ - Form DEF 14A

Court order resolving whether there was any breach of the First Amendment.

In October 2000, plaintiffs' counsel asserted that the stock option agreement to purchase TCI shares, which was entered into by IORI and an affiliate, American Realty Investors, Inc. ("ARI"), in October 2000 with Gotham Partners, breached a provision of the Modification. As a result of this assertion, IORI assigned all of its rights to purchase the TCI shares under this stock option agreement to ARI.

The Board believed that the provisions of the Settlement, Modification and the First Amendment terminated on April 28, 1999. However, in September 2000, the Court ruled that certain provisions of the Modification continued to be effective after the termination date. This ruling was appealed to the United States Court of Appeals for the Ninth Circuit by IORI and TCI.

On October 23, 2001, IORI, TCI and ARI jointly announced a preliminary agreement with the plaintiff's legal counsel for complete settlement of all disputes in the lawsuit. In February 2002, the court granted final approval for the proposed settlement (the "Second Amendment"). Under the Second Amendment, the appeal has been dismissed and ARI agreed to either (1) acquire all of the outstanding common shares of IORI and TCI not currently owned by ARI for a cash payment or shares of ARI Preferred Stock or (2) make tender offers for all of the outstanding common shares of IORI and TCI not currently owned by ARI. On November 15, 2002, ARI commenced tender offers for the IORI and TCI shares. The tender offers were completed on March 18, 2003. ARI paid \$19.00 cash per IORI share and \$17.50 cash per TCI share for the stock tendered by non-affiliated stockholders. ARI acquired 265,036 IORI shares and 1,213,226 TCI shares. The completion of the tender offers fulfills the obligations under the Second Amendment and the Olive Litigation has been dismissed with prejudice.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Under the securities laws of the United States, IORI's Directors, executive officers, and any persons holding more than 10 percent of IORI's shares of Common Stock are required to report their ownership of IORI's shares and any changes in that ownership to the Securities and Exchange Commission (the "Commission"). Specific due dates for these reports have been established and IORI is required to report any failure to file by these dates during 2002. All

Edgar Filing: INCOME OPPORTUNITY REALTY INVESTORS INC /TX/ - Form DEF 14A

of these filing requirements were satisfied by its Directors and executive officers and 10 percent holders. In making these statements, IORI has relied on the written representations of its incumbent Directors and executive officers and its 10 percent holders and copies of the reports that they have filed with the Commission.

THE ADVISOR

Although the Board of Directors is directly responsible for managing the affairs of IORI and for setting the policies which guide it, the day-to-day operations are performed by BCM under the supervision of the

6

Board. The duties of BCM include, among other things, locating, investigating, evaluating and recommending real estate and mortgage note investment and sales opportunities as well as financing and refinancing sources. BCM also serves as a consultant to the Board in connection with the business plan and investment decisions made by the Board.

BCM has served as IORI's advisor since March 1989. BCM is a company of which Messrs. Branigan, Corna and Kimbrough serve as executive officers. BCM is indirectly owned by a trust for the children of Gene E. Phillips. Mr. Phillips is not an officer or director of BCM, but serves as a representative of the trust, is involved in daily consultation with the officers of BCM and has significant influence over the conduct of BCM's business, including the rendering of advisory services and the making of investment decisions for itself and IORI.

Under the Advisory Agreement, BCM is required to annually formulate and submit for Board approval a budget and business plan containing a 12-month forecast of operations and cash flow, a general plan for asset sales and purchases, borrowing activity, and other investments. BCM is required to report quarterly to the Board on IORI's performance against the business plan. In addition, all transactions require prior Board approval unless they are explicitly provided for in the approved business plan or are made pursuant to authority expressly delegated to BCM by the Board.

The Advisory Agreement also requires prior approval of the Board for the retention of all consultants and third party professionals, other than legal counsel. The Advisory Agreement provides that BCM shall be deemed to be in a fiduciary relationship to the stockholders; contains a broad standard governing BCM's liability for losses by IORI; and contains guidelines for BCM's allocation of investment opportunities as among itself, IORI and other entities it advises.

The Advisory Agreement provides for BCM to be responsible for the day-to-day operations of IORI and to receive an advisory fee comprised of a gross asset fee of .0625 percent per month (.75 percent per annum) of the average of the gross asset value (total assets less allowance for amortization, depreciation or depletion and valuation reserves) and an annual net income fee equal to 7.5 percent of IORI's net income.

The Advisory Agreement also provides for BCM to receive an annual incentive sales fee equal to 10 percent of the amount, if any, by which the aggregate sales consideration for all real estate sold by IORI during the fiscal year exceeds the sum of: (1) the cost of each property as originally recorded in IORI's books for tax purposes (without deduction for depreciation, amortization or reserve for losses), (2) capital improvements made to such assets during the period owned, and (3) all closing costs, (including real estate commissions) incurred in the sale of such property. However, no incentive fee shall be paid unless (a) such real estate sold in such fiscal year, in the aggregate, has

produced an 8 percent simple annual return on the net investment, including capital improvements, calculated over the holding period before depreciation and inclusive of operating income and sales consideration and (b) the aggregate net operating income from all real estate owned for each of the prior and current fiscal years shall be at least 5 percent higher in the current fiscal year than in the prior fiscal year.

Additionally, under the Advisory Agreement, BCM or an affiliate of BCM is to receive an acquisition commission for supervising the acquisition, purchase or long-term lease of real estate equal to the lesser of (1) up to 1 percent of the cost of acquisition, inclusive of commissions, if any, paid to nonaffiliated brokers or (2) the compensation customarily charged in arm's - length transactions by others rendering similar property acquisition services as an ongoing public activity in the same geographical location and for comparable property; provided that the aggregate purchase price of each property (including acquisition fees and all real estate brokerage commissions) may not exceed such property's appraised value at acquisition.

The Advisory Agreement requires BCM or any affiliate of BCM to pay to IORI one - half of any compensation received from third parties with respect to the origination, placement or brokerage of any loan made by IORI. However, the compensation retained by BCM or any affiliate of BCM shall not exceed the lesser of (1) 2 percent of the amount of the loan commitment or (2) a loan brokerage and commitment fee which is reasonable and fair under the circumstances.

7

The Advisory Agreement also provides that BCM or an affiliate of BCM is to receive a mortgage or loan acquisition fee with respect to the purchase of any existing mortgage loan equal to the lesser of (1) 1 percent of the amount of the loan purchased or (2) a loan brokerage or commitment fee which is reasonable and fair under the circumstances. Such fee will not be paid in connection with the origination or funding of any mortgage loan by IORI.

Under the Advisory Agreement, BCM or an affiliate of BCM also is to receive a mortgage brokerage and equity refinancing fee for obtaining loans or refinancing on properties equal to the lesser of (1) 1 percent of the amount of the loan or the amount refinanced or (2) a brokerage or refinancing fee which is reasonable and fair under the circumstances. However, no such fee shall be paid on loans from BCM or an affiliate of BCM without the approval of the Board of Directors. No fee shall be paid on loan extensions.

Under the Advisory Agreement, BCM is to receive reimbursement of certain expenses incurred by it in the performance of advisory services to IORI.

Under the Advisory Agreement, all or a portion of the annual advisory fee must be refunded by BCM if the operating expenses of IORI (as defined in the Advisory Agreement) exceed certain limits specified in the Advisory Agreement based on the book value, net asset value and net income of IORI during the fiscal year. BCM was required to refund \$268,000 of the 2002 annual advisory fee under this provision.

Additionally, if management were to request that BCM render services other than those required by the Advisory Agreement, BCM or an affiliate of BCM is separately compensated for such additional services on terms to be agreed upon from time to time. IORI has hired Triad Realty Services, Ltd. ("Triad"), an affiliate of BCM, to provide management for IORI's properties and IORI has engaged, on a non - exclusive basis, Regis Realty I, LLC. ("Regis"), a related party, on a non-exclusive basis to perform brokerage services for IORI.

BCM may only assign the Advisory Agreement with the prior consent of IORI.

The directors and principal officers of BCM are set forth below.

Mickey N. Phillips:.....	Director
Ryan T. Phillips:.....	Director

Phillips serves as a representative of the trust, established for the benefit of his children, which indirectly owns BCM and, in such capacity, has substantial contact with the management of BCM and input with respect to its performance of advisory services for IORI.

PROPERTY MANAGEMENT

Affiliates of BCM have provided property management services. Currently, Triad provides such property management services for a fee of 5 percent or less of the monthly gross rents collected on the residential properties under its management and 3 percent or less of the monthly gross rents collected on the commercial properties under its management. Triad subcontracts with other entities for the provision of the property - level management services to IORI at various rates. The general partner of Triad is BCM. Triad subcontracts the property - level management and leasing of IORI's five office buildings and one commercial property owned by a real estate partnership in which IORI and TCI are partners to Regis, a related party. Regis is

8

entitled to receive property and construction management fees and leasing commissions in accordance with the terms of its property-level management agreement with Triad.

REAL ESTATE BROKERAGE

Regis also provides real estate brokerage services on a non-exclusive basis. Regis is entitled to receive a real estate brokerage commission for property acquisitions and sales in accordance with the following sliding scale of total fees to be paid: (1) maximum fee of 4.5 percent on the first \$2.0 million of any purchase or sale transaction of which no more than 3.5 percent would be paid to Regis or affiliates; (2) maximum fee of 4 percent on transaction amounts between \$2.0 million to \$5.0 million of which no more than 3 percent would be paid to Regis or affiliates; (3) maximum fee of 3 percent on transaction amounts between \$5.0 million to \$10.0 million of which no more than 2 percent would be paid to Regis or affiliates; and (4) maximum fee of 2 percent on transaction amounts in excess of \$10.0 million of which no more than 1.5 percent would be paid to Regis or affiliates.

EXECUTIVE COMPENSATION

IORI has no employees, payroll or benefit plans and pays no compensation to its executive officers. The executive officers of IORI who are also officers or employees of BCM, IORI's advisor, are compensated by BCM. Such executive

Edgar Filing: INCOME OPPORTUNITY REALTY INVESTORS INC /TX/ - Form DEF 14A

officers perform a variety of services for BCM and the amount of their compensation is determined solely by BCM. BCM does not allocate the cash compensation of its officers among the various entities for which it serves as advisor.

The only remuneration paid by IORI is to the Directors who are not officers or directors of BCM or its affiliated companies. The Independent Directors (1) review the business plan of IORI to determine that it is in the best interest of the stockholders, (2) review the advisory contract, (3) supervise the performance of IORI's advisor and review the reasonableness of the compensation paid to the advisor in terms of the nature and quality of services performed, (4) review the reasonableness of the total fees and expenses of IORI and (5) select, when necessary, a qualified independent real estate appraiser to appraise properties acquired.

Each Independent Director receives compensation in the amount of \$15,000 per year plus reimbursement for expenses, and the Chairman of the Board receives an additional fee of \$1,500 per year for serving in such position. The members of the Audit Committee receive a fee of \$250 for each committee meeting attended. In addition, each Independent Director receives an additional fee of \$1,000 per day for any special services rendered by him to IORI outside of his ordinary duties as Director, plus reimbursement of expenses.

During 2002, \$43,557 was paid to the Independent Directors in total Directors' fees for all services, including the annual fee for service during the period January 1, 2002, through December 31, 2002, and 2002 special service fees as follows: Earl D. Cecil, \$12,057; Ted P. Stokely, \$16,500; and Martin L. White, \$15,000.

CERTAIN BUSINESS RELATIONSHIPS

In February 1989, the Board of Directors voted to retain BCM as IORI's advisor. BCM is a company of which Messrs. Branigan, Corna and Kimbrough serve as executive officers. BCM is indirectly owned by a trust for the children of Gene E. Phillips. Mr. Phillips is not an officer or director of BCM, but serves as a representative of the trust, is involved in daily consultation with the officers of BCM and has significant influence over the conduct of BCM's business, including the rendering of advisory services and the making of investment decisions for itself and IORI.

Affiliates of BCM have provided property management services to IORI. Currently, Triad provides such property management services. The general partner of Triad is BCM. Triad subcontracts the property - level management and leasing of IORI's five office buildings and one commercial property owned by a real estate partnership in which IORI and TCI are partners to Regis, a related party.

Affiliates of BCM have provided brokerage services, on a non-exclusive basis, for IORI and received brokerage commissions in accordance with a brokerage agreement. Currently, Regis performs such brokerage services.

The Directors and officers of IORI also serve as directors and officers of TCI. The Directors owe fiduciary duties to such entity as well as to IORI under applicable law. TCI has the same relationship with BCM as IORI. BCM also serves as advisor to ARI. Messrs. Cecil and Stokely serve also as directors of ARI. Messrs. Branigan, Corna and Kimbrough serve as executive officers of ARI.

RELATED PARTY TRANSACTIONS

Historically, IORI has engaged in and may continue to engage in business transactions, including real estate partnerships, with related parties. Management believes that all of the related party transactions represented the best investments available at the time and were at least as advantageous to IORI as could have been obtained from unrelated third parties.

In January 2002, IORI purchased 100 percent of the outstanding common shares of Rosedale Corporation ("Rosedale"), a wholly-owned subsidiary of ARI, for \$5.1 million in cash. Rosedale owned the 83,331 sq. ft. Rosedale Towers Office Building in Roseville, Minnesota. ARI guaranteed that the asset would produce at least a 12 percent return annually of the purchase price for a period of three years from the purchase date. If the asset failed to produce the 12 percent return, ARI shall pay IORI any shortfall. Management has classified this related party transaction as a note receivable from ARI. In the first quarter of 2002, after reviewing the property's fair value after costs to sell, even though ARI has guaranteed the 12 percent return, IORI recognized a provision for loss on the note receivable of \$767,000. In December 2002, the Rosedale Towers Office Building was sold for \$7.2 million. IORI received \$3.5 million of the proceeds after the payment of the first lien debt and various closing costs. IORI recognized an additional loss of \$801,000 on its note.

In February 2002, IORI funded a \$2.0 million mortgage loan as a participation agreement with TCI. The loan was secured by a second lien on a retail center in Montgomery County, Texas. The note receivable bore

12

interest at 16.0% per annum, required monthly interest only payments of \$47,000 and matured in February 2002. In February 2002, the loan was extended until April 2002. In April 2002, IORI extended the loan until July 2002, with IORI receiving \$8,500 as an extension fee. In July 2002, the loan was extended until September 2002, with IORI receiving \$8,500 as an extension fee. Also in July 2002, IORI received a \$500,000 principal paydown on the note. In August 2002, the note was paid off including accrued but unpaid interest.

IORI is a partner with TCI in the Tri-City Limited Partnership, Nakash Income Associates and TCI Eton Square, L.P. TCI owns 345,728 shares of IORI, an approximate 24.0 percent interest.

In 2002, IORI paid BCM and its affiliates and related parties \$714,000 in advisory fees, \$169,000 in net income fees, \$262,000 in mortgage brokerage and equity refinancing fees, \$397,000 in real estate brokerage fees and \$262,000 in property management and construction supervision fees and leasing commissions, net of property management fees paid to subcontractors, other than Regis. In addition, as provided in the Advisory Agreement, BCM received cost reimbursements of \$246,000 in 2002.

In addition, from time-to-time, IORI has made advances to BCM, that generally have not had specific repayment terms and have been reflected in IORI's financial statements as other assets or other liabilities from affiliates. At December 31, 2002, IORI had advanced BCM, ARI and TCI \$1.7 million, \$3.5 million and \$5.3 million, respectively.

Restrictions on Related Party Transactions. Article FOURTEENTH of IORI's Articles of Incorporation provides that IORI shall not, directly or indirectly, contract or engage in any transaction with (1) any director, officer or employee of IORI, (2) any director, officer or employee of the advisor, (3) the advisor or (4) any affiliate or associate (as such terms are defined in Rule 12b-2 under

Edgar Filing: INCOME OPPORTUNITY REALTY INVESTORS INC /TX/ - Form DEF 14A

the Securities Exchange Act of 1934, as amended) of any of the aforementioned persons, unless (a) the material facts as to the relationship among or financial interest of the relevant individuals or persons and as to the contract or transaction are disclosed to or are known by the Board of Directors or the appropriate committee thereof and (b) the Board of Directors or committee thereof determines that such contract or transaction is fair to IORI and simultaneously authorizes or ratifies such contract or transaction by the affirmative vote of a majority of independent directors of IORI entitled to vote thereon.

Article FOURTEENTH defines an "independent director" as one who is neither an officer or employee of IORI nor a director, officer or employee of IORI's advisor.
