Item 2.01. Completion of Acquisition or Disposition of Assets.

On May 15, 2008, the Company, through its wholly-owned subsidiary Cash America Net Holdings, LLC, made a supplemental payment of approximately \$63.2 million in cash in connection with its purchase of substantially all of the assets of The Check Giant, LLC (TCG) pursuant to the terms of the asset purchase agreement dated July 9, 2006, as amended on September 15, 2006 and May 4, 2007. At the time of the acquisition, TCG offered short-term cash advances over the internet under the name CashNetUSA. In the asset purchase agreement, the Company agreed to make up to five supplemental earn-out payments at scheduled times during the two year period after the closing of the purchase, which occurred September 15, 2006. This supplemental payment, which is the fourth supplemental payment designated in the asset purchase agreement, was based on a 5.0 times multiple of consolidated earnings attributable to CashNetUSA's business for the twelve months ended March 31, 2008, the date for determining this supplemental payment, as described more fully in the asset purchase agreement, and was adjusted for amounts previously paid. The Company previously made supplemental payments of approximately \$33.8 million and \$43.4 million for the twelve month periods ending December 31, 2006 and September 30, 2007, respectively. The Company made no supplemental payment for the twelve-month period ending March 31, 2007.

Statement Regarding Forward Looking Information

This report contains statements that are forward-looking, as that term is defined by the Private Securities Litigation Reform Act of 1995 or by the Securities and Exchange Commission in its rules. The Company intends that all forward-looking statements be subject to the safe harbors created by these laws and rules. When used in this current report, the words believes, estimates, plans, expects, anticipates and similar expressions as they relate to the Company or its management are intended to identify forward-looking statements. The statements in this report that are not historical facts, including, but not limited to, statements related to the completion of the transactions described in this report, are based on current expectations. Actual results may differ materially from those expressed in the forward-looking statements, and such statements should not be regarded as a representation by the Company or any other person that the results expressed in the statements will be achieved. Among the factors that could cause the results to differ include, without limitation, changes in demand for the Company's services, the actions of third parties who offer products and services at the Company's locations, changes in competition, the ability of the Company to open new operating units in accordance with its plans, economic conditions, real estate market fluctuations, interest rate fluctuations, changes in the capital markets, changes in tax and other laws and governmental rules and regulations applicable to the Company's business, the effect of such changes on the Company's business or the markets in which it operates, the ability to successfully integrate newly acquired businesses into the Company's existing operations and other risks indicated in the Company's filings with the Securities and Exchange Commission. These risks and uncertainties are beyond the Company's control, and the Company cannot predict, in many cases, all of the risks and uncertainties that could cause its actual results to differ materially from those indicated by the forward-looking statements.
