**Item 1.01. Entry into a Material Definitive Agreement.**

On May 26, 2009, Spectrum Pharmaceuticals, Inc. (the Company) entered into a placement agency agreement with Rodman & Renshaw, LLC (the Placement Agent), pursuant to which the Placement Agent agreed to use its reasonable best efforts to arrange for the sale of 3,913,895 shares of the Company's common stock and warrants to purchase up to 1,956,947 shares of the Company's common stock in a registered direct public offering. The Company has agreed to pay the Placement Agent an aggregate fee equal to 5% of the gross proceeds received in the offering, including proceeds received by the Company upon exercise of the warrants, if any, provided that the Company may enter into arrangements with one or more broker-dealers pursuant to which the broker-dealers will be entitled to receive up to an aggregate of 0.5% of the gross proceeds received in the offering, but not including proceeds received from the exercise of the warrants. The Company has also agreed to reimburse the Placement Agent for expenses incurred by it in connection with the offering in an amount equal to 1% of the gross proceeds received by the Company in the offering, but in no event in excess of \$25,000.

On May 27, 2009, the Company and three institutional investors entered into a securities purchase agreement, pursuant to which the Company agreed to sell an aggregate of 3,913,895 shares of its common stock and warrants to purchase a total of 1,956,947 shares of its common stock to such investors for gross proceeds of approximately \$20 million. The common stock and warrants were sold in units, with each unit consisting of one share of common stock and a warrant to purchase 0.50 of a share of common stock. The purchase price per unit is \$5.11. Subject to certain ownership limitations, the warrants are exercisable on the six month anniversary of the closing date of the offering and for a 90 day period thereafter at an exercise price of \$5.11. The exercise price of the warrants is subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions.

The net proceeds to the Company from the registered direct public offering, after deducting placement agent fees and the Company's estimated offering expenses, and excluding the proceeds, if any, from the exercise of the warrants issued in the offering, are expected to be approximately \$18.9 million. The offering is expected to close on or about May 28, 2009.

The common stock, warrants to purchase common stock and shares of common stock issuable upon exercise of the warrants will be issued pursuant to a prospectus supplement filed with the Securities and Exchange Commission on May 28, 2009 in connection with a takedown from the Company's shelf registration statement on Form S-3 (File No. 333-150260), which became effective on May 5, 2008. A copy of the opinion of Stradling Yocca Carlson & Rauth relating to the legality of the issuance and sale of the shares of common stock, warrants and shares of common stock issuable upon exercise of the warrants in the offering is attached as Exhibit 5.1 hereto.

The foregoing summaries of the terms of the placement agency agreement, the securities purchase agreement and the warrants are subject to, and qualified in their entirety by, such documents attached hereto as Exhibits 1.1, 1.2, and 4.1, respectively, and incorporated herein by reference. A copy of the press release announcing the registered direct public offering is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
