Item 1.01 Entry into a Material Definitive Agreement

On April 18, 2007, Castle Brands Inc. (the Company) entered into a Securities Purchase Agreement (the Securities Purchase Agreement) with selected investors (each an Investor and collectively, the Investors). Pursuant to the terms of the Securities Purchase Agreement, the Company has agreed to sell in a private placement a total of 3,520,035 shares of its common stock, \$0.01 par value per share (the Common Stock), for aggregate gross proceeds of \$21,014,608.95. The transaction is expected to close, subject to specified conditions, on or before May 4, 2007. The Investors included, among others, Frederick M. R. Smith and Phillip Frost, MD, or an affiliated entity thereof, each a director of the Company, and CNF Investments II, LLC, of which. Robert J. Flanagan, a director of the Company, is a manager.

As part of the transaction, investors will receive warrants to purchase approximately 1,408,014 additional shares at an exercise price of \$6.57 per share (the Warrants). The Warrants will remain exercisable for a period of five years from the closing of the offering. The Warrants contain anti-dilution protection for stock splits and similar events, but do not contain any price-based anti-dilution adjustments.

Pursuant to the Securities Purchase Agreement, the Company and the Investors have made representations and warranties regarding matters that are customarily included in financings of this nature. Subject to time-related conditions or qualifications, such representations and warranties shall survive the closing. The Securities Purchase Agreement also contains indemnification agreements among the parties in the event of certain liabilities.

The description of the terms and conditions of the Securities Purchase Agreement set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of the Securities Purchase Agreement attached hereto as Exhibit 10.1 and incorporated herein by this reference. The Securities Purchase Agreement has been included to provide information regarding its terms. It is not intended to provide any other factual information about the Company. Such information can be found in the other public filings the Company makes with the Securities and Exchange Commission (the SEC), which are available without charge at www.castlebrandsinc.com.

Registration Rights Agreement

On April 18, 2006, the Company entered into a Registration Rights Agreement (the Registration Rights Agreement) with the Investors. Pursuant to the Registration Rights Agreement, the Company has agreed to register the resale of the shares of Common Stock sold to the Investors pursuant to the Securities Purchase Agreement, including the shares issuable upon exercise of the Warrants. The Company has agreed to file with the SEC a registration statement with respect to this registration within 30 days after closing. If certain of its obligations under the Registration Rights Agreement are not met, the Company has agreed to make pro-rata liquidated damages payments to each Investor.

The description of the terms and conditions of the Registration Rights Agreement set forth herein does not purport to be complete and is qualified in its entirety by reference to the full

text of the Registration Rights Agreement attached hereto as Exhibit 10.2 and incorporated herein by this reference.

Item 3.02. Unregistered Sales of Equity Securities.

On April 18, 2006, the Company entered into a definitive agreement to sell an aggregate of (1) 3,520,035 shares of its Common Stock and (2) Warrants to purchase 1,408,014 shares of Common Stock with an exercise price of \$6.57 per share. The number and price of the Warrants are adjustable in the event of stock splits, recombinations and reclassifications but not for new issues, and contain a cashless exercise feature. The Company shall receive gross proceeds in the amount of approximately \$21,014,608.95 from the initial sale of the Common Stock and Warrants. Piper Jaffray & Co. acted as the exclusive placement agent in connection with the transaction. Under its engagement agreement with the Company, Piper Jaffray & Co., as placement agent is expected to receive (i) commissions of 6% of the gross proceeds of the offering, less \$150,000, and (ii) a warrant to purchase 35,200 shares of Common Stock at an exercise price of \$5.97 per share, exercisable within five years following the issuance of the warrant (the Agent Warrant). The Agent Warrant will otherwise be on the same terms and conditions as the Warrants.

The description of the terms and conditions of the Warrants set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of the Form of Warrant attached hereto as Exhibit 10.3 and incorporated herein by this reference.

The foregoing sales and issuances were offered and sold to accredited investors pursuant to the Securities Purchase Agreement. Based upon the provisions of the Securities Purchase Agreement, including the representations and warranties of the Investors, we believe the issuance and sale of the Common Stock was exempt from registration under the Securities Act of 1933 pursuant to Section 4(2) of the Securities Act and Rule 506 of Regulation D under the Securities Act.

Additional information regarding the sale and issuance of the Common Stock and Warrants is incorporated herein by reference to Item 1.01. Entry into a Material Definitive Agreement of this Current Report on Form 8-K.
