Report of Independent Registered Public Accounting Firm

Plan Administrator
CTS Corporation Retirement Savings Plan
Elkhart, Indiana

We have audited the accompanying statements of net assets available For benefits of CTS Corporation Retirement Savings Plan (Plan) as of December 31, 2007 and 2006, and the related statement of changes in net assets available for benefits for the year ended December 31, 2007. The Company s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of CTS Corporation Retirement Savings Plan as of December 31, 2007 and 2006, and the changes in its net assets available for benefits for the year ended December 31, 2007, in conformity with accounting principles generally accepted in the United States of America.

The accompanying supplemental schedule is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan s management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

CTS Corporation Retirement Savings Plan

Notes to Financial Statements

December 31, 2007 and 2006

Note 1: Description of the Plan

The following brief description of the CTS Corporation Retirement Savings Plan (the Plan) is provided for general information purposes only. Detailed information about the Plan is contained in the summary plan description which is available from the CTS Corporation (the Company or Employer) Human Resources Department.

General

The Plan was established January 1, 1983 and provides the opportunity for eligible employees to make regular and systematic savings through salary reductions and to share a portion of the profits of the Company. The Plan is a defined contribution plan and is subject to Section 401(k) of the Internal Revenue Code (IRC) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

In general, employees are eligible to participate after 30 days of employment with the Company. Active employees can enroll in the Plan at any time.

Contributions

Employees hired prior to April 1, 2006 may elect to contribute to the Plan, in 1 percent increments, amounts ranging from 1 percent to 35 percent of their gross pay. The Company makes matching contributions of 50 percent of the participant's voluntary contribution up to 6 percent of the participant's eligible compensation. No Company matching contributions are made on employee contributions in excess of 6 percent. The Company provides supplemental contributions at the rate of 3 percent of compensation to non-exempt salaried and hourly employees not covered by a defined benefit plan.

Employees hired after March 31, 2006 are automatically enrolled in the Plan, after 30 days of continuous service, at a contribution level of 3%, unless the employee completes the enrollment form indicating a different deferral amount. The Company makes matching contributions of 100 percent of the participant's voluntary contribution up to 3 percent of the participant's eligible compensation and 50 percent of the participant's voluntary contribution up to the next 2 percent of the participant's eligible compensation. No Company matching contributions are made on employee contributions in excess of 5 percent.

The Employer may also make an incentive contribution at the discretion of Company management. All contributions are invested according to the elections specified by each participant. The Plan currently offers a money market fund, thirteen mutual funds and Company common stock as investment options for participants.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

For employees hired prior to April 1, 2006, company contributions vest at the rate of 20 percent for each year of employment and are fully vested after five years of employment.

CTS Corporation Retirement Savings Plan

Notes to Financial Statements

December 31, 2007 and 2006

For employees hired after March 31, 2006, company contributions are immediately vested.

Payment of Benefits

Following termination of service, if the participant's vested account balance is less than \$1,000, the participant must take a lump-sum distribution of their vested account balance. Otherwise, the participant may elect to receive a distribution of their vested account balance at any time. Active participants who have attained age 59-1/2 or meet certain hardship criteria may elect an in-service distribution. Distributions under the Plan can be in the form of a lump-sum payment, installment payments or an annuity or a combination of installment payments and an annuity.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. Forfeited balances of terminated employees' non-vested accounts are used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. For the years ended December 31, 2007 and 2006, there were \$74,468 and \$108,873, respectively, of non-vested forfeited accounts, which were used to reduce Company contributions. At December 31, 2007 and 2006, \$1,536 and \$141, respectively, of non-vested forfeitures were available to reduce future Company contributions.

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 to a maximum amount equal to the lesser of \$50,000 or 50 percent of the vested portion of their account balance. The maximum term of a loan is five years. However, the Plan Administrator may extend the loan term beyond five years if the loan is used for the purpose of purchasing a principal residence. The loans bear interest at the prime rate, as published in The Wall Street Journal, as of the first day of the month in which the loan is granted, plus two percent. The loans are collateralized by the participants' vested account balance.

Note 2: Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed in the preparation of the Plan's financial statements:

Basis of Accounting

The accounts of the Plan are maintained on the accrual basis of accounting.

Investments

Investments in securities traded on a national securities exchange are valued at their quoted market price on the last trading day of the Plan year. Investments in mutual funds are credited with actual earnings on the underlying investments and are valued at the net asset value of shares as determined primarily by quoted market prices. Cash and cash equivalents are valued at cost, plus earnings. Participant loans are valued at cost which approximates fair value.

CTS Corporation Retirement Savings Plan
Notes to Financial Statements
December 31, 2007 and 2006

The Plan presents in its statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Payment of Benefits

Benefits are recorded when paid.

Expenses of the Plan

Administrative expenses of the Plan are paid primarily by the Plan.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in combinations of stocks and mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 3: Administration of the Plan

JP Morgan Chase Bank is the Plan trustee. JP Morgan Retirement Plan Services, an agent of JP Morgan Chase Bank, is the depository for the Plan's assets and invests funds in accordance with the Trust Agreement. The Plan Administrator is the CTS Corporation Benefit Plan Administration Committee.

In February 2008, the CTS Corporation Benefit Plan Administration Committee and the CTS Corporation Benefit Plan Investment Committee together decided to change the trustee and plan recordkeeper to The Vanguard Group effective July 1, 2008.

CTS Corporation Retirement Savings Plan**Notes to Financial Statements****December 31, 2007 and 2006****Note 4: Investments**

The investments reflected in the Statements of Net Assets Available for Benefits represent the total assets in the Plan as of December 31, 2007 and 2006. The following is a summary of the Plan's participant-directed investments, at fair value, which were 5 percent or more of the Plan's net assets at December 31:

Investments

	2007	2006
JP Morgan Prime Money Market Fund	\$ 19,874,378	\$ 19,631,149

Oakmark Equity and Income Fund	7,484,642	5,981,204

* The balance of this investment did not exceed 5 percent of net assets, but has been presented for comparability purposes.

During 2007, the Plan's investments (including gains and losses and investments bought and sold, as well as held during the year) appreciated in value as follows:

Appreciation (Depreciation) of investments at fair value, as determined by quoted market prices

CTS Corporation common stock	\$ (3,161,775)
Mutual funds	1,368,394
	\$ (1,793,381)

Note 5: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination or partial termination of the Plan, all affected participants will become fully vested in their accounts.

Note 6: Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated August 21, 2002 that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Notes to Financial Statements

December 31, 2007 and 2006

Note 7: Party-In-Interest Transactions

Certain Plan investments held at December 31, 2007 and 2006 are shares of mutual funds managed by JP Morgan Chase Bank. JP Morgan Chase Bank is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

In addition, certain Plan investments at December 31, 2007 and 2006 are shares of CTS Corporation common stock. At December 31, 2007 and 2006, fair value of the shares of common stock was \$5,360,735 and \$9,194,874, respectively. CTS Corporation is the Plan Sponsor as defined by the Plan and, therefore, transactions related to the common stock qualify as party-in-interest transactions.

The Company provides certain accounting, recordkeeping and administrative services to the Plan for which it receives no compensation.

Certain Plan investments at December 31, 2007 and 2006 were managed by agents of the trustee.
