PROXY STATEMENT

FOR THE

SPECIAL MEETING OF THE STOCKHOLDERS

TO BE HELD [], 2007

ONE FINANCIAL PLAZA, ST. LOUIS, MISSOURI

This proxy statement is furnished to the holders of common stock of Stifel Financial Corp. (Stifel or the Company) in connection with the solicitation of proxies for use in connection with the Special Meeting of the stockholders of Stifel common stock (the Stockholders) to be held [], 2007, and all adjournments and postponements thereof, for the purpose set forth in the accompanying Notice of Special Meeting of the Stockholders. Stifel is first mailing this proxy statement and the enclosed form of proxy to Stockholders on or about [], 2007.

Pursuant to the Merger Agreement dated January 8, 2007 (the Merger Agreement) by and among Stifel, SF RB Merger Sub, Inc., a New Jersey corporation (Merger Sub), Ryan Beck Holdings, Inc., a New Jersey corporation (Ryan Beck), and BankAtlantic Bancorp, Inc., a Florida corporation (Bancorp), Stifel acquired Ryan Beck effective February 28, 2007 by merger (the Merger). Pursuant to the Merger Agreement, we agreed to seek stockholder approval to issue five-year warrants to the stockholders and certain former optionholders of Ryan Beck who were entitled to receive a portion of the Merger consideration. The warrants will provide these holders with the right to purchase up to an aggregate of 500,000 shares of Stifel common stock at an exercise price of \$36.00 per share, and may be exercised immediately after their issuance. If Stifel does not obtain stockholder approval for the issuance of the shares issuable upon the exercise of the warrants on or prior to June 30, 2007, Stifel has agreed to pay \$20.0 million to the Ryan Beck stockholders and optionholders in lieu of issuing the warrants.

The Merger Agreement provides for certain contingent earn-out payments after closing of the Merger, based on the achievement of certain performance criteria described below. If Stifel elects to make these earn-out payments in shares instead of in cash, as provided under the Merger Agreement, we may issue shares of Stifel common stock for such earn-out payments. One earn-out payment is based on the aggregate commissionable revenues attributable to certain individuals in Ryan Beck's existing private client division during the two-year period following closing of the Merger. Stifel will pay the Ryan Beck stockholders an earn-out payment based on 30% of commissionable revenues attributable to such existing private client division employees to the extent such revenues exceed a base amount, up to a maximum payout value of \$40.0 million. Two other earn-out payments are equal to revenues attributable to certain individuals in Ryan Beck's existing investment banking

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

division over each of the first two 12-month periods after closing of the Merger. Such earn-out payments will be equal to 25% of the amount by which the investment banking fees attributable to such individuals exceed \$25.0 million in each 12-month period. If the Company elects to make the earn-out payments in shares of Stifel common stock instead of in cash, such shares of Stifel common stock will be valued according to the average of the daily closing price per share for the 10 consecutive business days ending on the day prior to the last day of the applicable earn-out period. We are seeking stockholder approval for the issuance of up to 1,000,000 shares of common stock to be used to pay any such contingent earn-out amounts; if such earn-out consideration exceeds the value of 1,000,000 of our shares, then we will pay the balance of the earn-out consideration in cash or seek further stockholder approval for the issuance of additional shares at that time.

In conjunction with the execution of the Merger Agreement, Stifel also entered into a Voting Agreement effective January 8, 2006 (the Voting Agreement) with Bancorp, the Western and Southern Life Insurance Company (Western and Southern), and several other individual holders of Stifel s common stock (collectively, the Voting Agreement Stockholders), under which the Voting Agreement Stockholders agreed, among other things, to vote their shares of Stifel common stock in favor of the transactions contemplated by the Merger Agreement including, without limitation, the issuance of the warrants and the shares of Stifel common stock issuable upon exercise thereof and shares of Stifel common stock that may become issuable (and paid at the discretion of Stifel) as earn-out consideration, and such other matters regarding the Merger so as to facilitate the consummation thereof.

1

Additionally, the Voting Agreement Stockholders agreed to vote their shares of Stifel common stock against any action, transaction or agreement that would result in a breach in any respect of any covenant, representation or warranty or any other obligation or agreement under the Merger Agreement or the Voting Agreement.

Stifel s board of directors (the Board of Directors or the Board) believes that obtaining stockholder approval for the issuance of the shares underlying the warrants and for payment of the earn-out amounts provides Stifel with greater long-term flexibility for both financial and operating performance of Stifel as a whole. Approval of the shares issuable upon exercise of the warrants or that may be issued to satisfy earn-out payments, if any, will require the vote of a majority of our stockholders excluding those who received common stock in connection with the Merger.

Summary Term Sheet for the Merger

Stifel entered into the Merger Agreement on January 8, 2007, under which Stifel agreed to acquire Ryan Beck by the merger of Ryan Beck with and into a newly formed merger subsidiary wholly owned by Stifel. The Merger was consummated on February 28, 2007. The parties to the agreement are as follows:

Stifel Financial Corp., One Financial Plaza, 501 North Broadway, St. Louis, Missouri 63102-2102, (314) 342-2000. Stifel is a financial services and bank holding company.

SF RB Merger Sub, Inc., One Financial Plaza, 501 North Broadway, St. Louis, Missouri 63102-2102, (314) 342-2000. Merger Sub is a shell company organized specifically for the purposes of the Merger.

BankAtlantic Bancorp, Inc., 2100 West Cypress Creek Road, Fort Lauderdale, Florida 33309, (954) 940-5000. Bancorp is a diversified financial services holding company.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

Ryan Beck Holdings, Inc., 18 Columbia Turnpike, Florham Park, New Jersey 07932, (973) 549-4000. Ryan Beck is a brokerage and financial consulting and advisory services holding company.

The consideration issued (and to be issued) in the Merger is as follows:

Initial consideration consisting of 2,467,600 shares of Stifel common stock, and cash consideration of approximately \$2.65 million, as described in more detail on page 20.

Subject to the approval of Stifel's stockholders, five-year, immediately exercisable warrants to purchase up to 500,000 shares of Stifel's common stock, at an exercise price of \$36.00 per share, as described in more detail on page 21.

Contingent payments, as follows:

A contingent payment based on the aggregate revenues attributable to certain individuals in Ryan Beck's existing private client division over the two-year period following closing, as described in more detail on page 21.

Two contingent payments based on revenues attributable to certain individuals in Ryan Beck's existing investment banking division over each of the first two 12-month periods following closing, as described in more detail on page 21.

Each of the contingent payments is payable in cash or Stifel common stock, at Stifel's sole election.

Additionally, Stifel has agreed to establish a retention program for certain employees of Ryan Beck, with 1,200,000 shares of Stifel common stock reserved for issuance under the Stifel Financial Corp. 2007 Incentive Stock Plan (For Ryan Beck Employees).

Value of the Merger Consideration. Stifel issued 2,467,600 shares at the closing of the Merger. Utilizing a

2

value of \$41.55 per share (which represents the five-day average of the closing price of our stock as reported by the NYSE commencing two days before, and ending two days after, we announced the Merger), that stock had a value of \$102.5 million. In addition, we paid approximately \$2.65 million of cash at the closing of the Merger. As discussed elsewhere in this proxy statement, we also agreed to issue five-year warrants to purchase up to 500,000 shares of our common stock at an exercise price of \$36.00 per share. Using the Black-Scholes valuation method for the warrants, which gives consideration to the price of the underlying stock at the date of grant, the exercise price of the warrant, the expected dividend yield and volatility of the underlying stock, the expected life of the warrant and the corresponding risk free interest rate, such warrants had a value of approximately \$8.5 million. Accordingly, the initial share consideration, the cash and the Black-Scholes value of the warrants totals approximately \$113.7 million. If the stockholders do not approve the issuance of the warrants, we are required to pay cash of \$20.0 million in lieu of issuing the warrants. With the additional cash payment, the aggregate Merger consideration would equal approximately \$125.2 million. If any contingent earn-out consideration is paid, the value of the Merger consideration paid to Bancorp and former optionholders of Ryan Beck will increase by the amount of such contingent consideration paid.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

Maximum Number of Shares Issuable as Merger Consideration. The maximum number of shares of Stifel common stock that Stifel estimates it will issue in connection with the transaction is 3,967,600, consisting of:

- 2,467,600 shares issued as initial share consideration at the closing of the Merger, which shares were not subject to stockholder approval;
- up to 500,000 shares issuable upon exercise of the warrants, subject to stockholder approval; and
- up to 1,000,000 shares issuable in payment for any contingent earn-out consideration, also subject to stockholder approval.

As described above, the earn-out consists of two components, one based on revenues attributable to certain individuals in Ryan Beck's existing private client division, which is capped at \$40.0 million, and one based on revenues attributable to certain individuals in Ryan Beck's existing investment banking division, which is not capped. Under the Merger Agreement, we may pay such amounts in stock, cash or any combination thereof, at our election. If we use stock to pay all or portion of any earn-out, the maximum amount of shares that we will issue will be 1,000,000 shares. If we desire to utilize all of such shares to pay any such earn-out, then to the extent that the value of any earn-out exceeds the value of 1,000,000 shares, we will pay the excess over the value of 1,000,000 shares in cash or seek stockholder approval to issue additional shares. Utilizing a value of \$41.55 per share, we could pay up to \$41.55 million of earn-out payments with our stock, if we so elect.

The parties entered into a registration rights agreement (the "Registration Rights Agreement") pursuant to the Merger Agreement, which requires Stifel to register for resale the shares issued in conjunction with the Merger on certain timetables, as described in more detail on page 22. Additionally, the Registration Rights Agreement includes a lock-up provision and standstill provisions applicable to Bancorp, as described in more detail on page 22.

The Merger Agreement includes certain non-compete and non-solicitation provisions applicable to Bancorp, as described in more detail on page 22.

Subsequent to the closing of the Merger, Stifel's Board will remain unchanged. Stifel anticipates that in conjunction with or following the annual stockholders meeting in 2007 that Ben Plotkin will be appointed to the Board. Mr. Plotkin is the Chief Executive Officer of Ryan Beck.

Stifel also entered into the Voting Agreement under which the Voting Agreement Stockholders (as defined above) agreed to vote their shares of Stifel common stock in favor of the Merger, the Merger Agreement, and related transactions, as described in more detail on page 22.

We are also seeking stockholder approval of the Stifel Financial Corp. 2007 Incentive Stock Plan (For Ryan Beck Employees) (the "Plan"), which reserves 1,200,000 shares of Stifel common stock for issuance under the Plan for incentive equity compensation to certain employees of Ryan Beck. Stifel currently anticipates that 600,000 of those shares will be issued upon the exercise of restricted stock units issued for purposes of retaining employees

3

of Ryan Beck, and that 600,000 of those shares will be issued as restricted stock units in exchange for Ryan Beck appreciation units held by Ryan Beck employees under Ryan Beck's deferred compensation plans. The value of the restricted stock units so issued will be the lower of (1) \$47.65 (the closing price as of February 28, 2007, the date of closing of the Merger), or (2) the date on which we obtain stockholder approval for the Plan.

Stifel provides equity compensation to employees as an incentive to increase long-term stockholder value and to align the interests of our employees with those of our stockholders. We believe that our equity compensation programs help us to attract and retain talented and highly-skilled individuals to serve as employees. We also believe that these plans motivate high levels of performance and create incentives that reward the contributions of our employees to our success and to increased stockholder value. The Board believes these restricted stock units are a critically important part of the package of equity and cash used to provide incentives to the associates of Ryan Beck to remain with Stifel as part of our acquisition of that company.

Your vote is very important. Whether or not you plan to attend the Special Meeting, we request that you vote as soon as possible.

Whether or not you expect to be present in person at the meeting, you are requested to complete, sign, date, and return the enclosed form of proxy. If you attend the meeting, you may vote by ballot. If you do not attend the meeting, your shares of common stock can be voted only when represented by a properly executed proxy.

Any person giving such a proxy has the right to revoke it at any time before it is voted by giving written notice of revocation to the Secretary of Stifel, by duly executing and delivering a proxy bearing a later date, or by attending the Special Meeting and voting in person.

The close of business on [], 2007 has been fixed as the record date for the determination of the Stockholders entitled to vote at the Special Meeting of the Stockholders. As of the record date, approximately [] shares of Stifel common stock were outstanding and entitled to be voted at the Special Meeting. Stockholders will be entitled to cast one vote on each issue presented above for each share of Stifel common stock held of record on the record date.

The solicitation of this proxy is made by Stifel's Board. The solicitation will primarily be by mail and the expense thereof will be paid by Stifel. In addition, proxies may be solicited by telephone or facsimile by directors, officers, or regular employees of Stifel.

4

ABOUT THE SPECIAL MEETING

WHY AM I RECEIVING THESE MATERIALS?

The Board is providing these proxy materials to you in connection with the solicitation of proxies for use at the Special Meeting of Stockholders to be held on [], [], 2007, [at] a.m., Central time, and at any adjournment or postponement thereof (the Special Meeting), for the purpose of considering and acting upon the matters set forth herein.

WHO IS SOLICITING MY VOTE?

Our Board of Directors is soliciting your vote at the Special Meeting.

WHAT WILL I BE VOTING ON?

You will be voting on two proposals:

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

The first proposal is to approve the issuance of shares of Stifel common stock in connection with Stifel's pending acquisition of Ryan Beck Holdings, Inc. (Ryan Beck) by merger (the Merger). Stifel is seeking stockholder approval of the issuance of 500,000 shares of Stifel common stock upon the exercise of five-year, immediately exercisable warrants issued to the stockholders and optionholders of Ryan Beck who receive a portion of the consideration for the Merger. The warrants have an exercise price of \$36.00 per share. The Merger Agreement dated January 8, 2007 (the Merger Agreement) by and among Stifel, SF RB Merger Sub, Inc., a New Jersey corporation (Merger Sub), Ryan Beck and BankAtlantic Bancorp, Inc., a Florida corporation (Bancorp) provides that, if Stifel stockholder approval is not obtained for the issuance of the shares of Stifel common stock underlying the warrants on or before June 30, 2007, Stifel is obligated to pay the Ryan Beck stockholders and optionholders receiving a portion of the Merger consideration \$20.0 million in cash in lieu of issuing the warrants.

The Merger Agreement further provides for certain earn-out payments after the closing of the Merger. The Merger Agreement permits Stifel to elect to make such earn-out payments in shares of Stifel common stock instead of in cash. Stifel is therefore seeking stockholder approval to issue up to 1,000,000 shares of Stifel common stock to make such earn-out payments. To the extent that the value of such earn-out payments exceed the value of 1,000,000 shares of Stifel common stock, we will pay the balance of the earn-out payments in cash or seek further stockholder approval for the issuance of additional shares at that time.

One earn-out payment is based on the aggregate commissionable revenues attributable to certain individuals in Ryan Beck's existing private client division during the two-year period following the closing of the Merger. Stifel will pay the earn-out payment based on 30% of commissionable revenues attributable to such existing private client division employees to the extent such revenues exceed a base amount, up to a maximum payout value of \$40.0 million. Two other earn-out payments are based on revenues attributable to certain individuals in Ryan Beck's existing investment banking division over each of the first two 12-month periods after the closing of the Merger. Stifel will pay for each earn-out payment an amount equal to 25% of the amount by which the investment banking fees attributable to such individuals exceed \$25.0 million in each 12-month period. If Stifel elects to make such earn-out payments in shares of Stifel common stock instead of in cash, such shares of Stifel common stock will be valued according to the average of the daily closing price per share for the 10 consecutive business days ending on the day prior to the last day of the applicable earn-out period, and Stifel will issue a number of shares of Stifel common stock with an aggregate valuation equal to each earn-out amount (up to 1,000,000 shares, for which stockholder approval is sought by this proxy statement).

If the issuance of these shares underlying the warrants and for payment of the earn-out payments is not approved at the Special Meeting, we believe that we will lose the flexibility we need to continue to grow our business, and in turn, we believe that this may have a negative effect on our long-term success.

The issuance of the shares underlying the warrants and for payment of the earn-out payments requires the approval of a majority of Stifel's stockholders, excluding the stockholders who received share consideration in the Merger.

The second proposal is to approve and adopt the Stifel Financial Corp. 2007 Incentive Stock Plan (For Ryan Beck Employees) (the Plan), which provides incentive equity compensation to certain employees of Ryan Beck. The Plan reserves 1,200,000 shares of Stifel common stock for issuance under the Plan. Stifel currently anticipates that 600,000 of those shares will be issued upon the exercise of restricted stock units issued for purposes of retaining employees of Ryan Beck, that 600,000 of those shares will be

issued as restricted stock units in exchange for Ryan Beck appreciation units held by Ryan Beck employees under Ryan Beck's deferred compensation plans. The value of the restricted stock units so issued will be the lower of (1) \$47.65 (the closing price as of February 28, 2007, the date of closing of the Merger), or (2) the date on which we obtain stockholder approval.

In addition to the consideration to be paid to the stockholders and optionholders of Ryan Beck who are receiving a portion of the Merger consideration, Stifel has agreed to issue certain equity compensation to key associates of Ryan Beck under the Plan. If the Plan is not approved at the Special Meeting, we believe that our ability to retain these employees will be negatively affected, and in turn, we believe our long-term success may be adversely affected.

HOW MANY VOTES DO I HAVE?

You will have one vote for each proposal for every share of common stock you owned on the record date, [], 2007, and on each other proposal presented at the Special Meeting; however, because Proposal I deals with the form in which additional consideration for the Merger may be paid, holders of shares of common stock issued as consideration for the Merger are not entitled to vote in respect of Proposal I.

HOW MANY VOTES CAN BE CAST BY ALL STOCKHOLDERS?

[] for Proposal I and [] for Proposal II, consisting of one vote for each of the shares of common stock that were outstanding on the record date, less the number of shares of common stock issued as consideration for the Merger for Proposal I.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

[] votes, which represents a majority of the votes entitled to be cast with regard to Proposal II (which is the proposal to be decided at the Special Meeting with the largest number of shares eligible to be cast). If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals, because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the Special Meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting.

DOES ANY SINGLE STOCKHOLDER CONTROL AS MUCH AS 5 PERCENT OF ANY CLASS OF STIFEL'S COMMON STOCK?

As of [], 2007 there are two stockholders that beneficially own over five percent of our common stock (see page 30).

ARE THERE ANY VOTING AGREEMENTS THAT MAY AFFECT THE VOTE?

Stifel entered into a Voting Agreement effective January 8, 2006 (the "Voting Agreement") with several individual holders of Stifel's common stock (collectively, the "Voting Agreement Stockholders"), under which the Voting Agreement Stockholders agreed to vote their shares of Stifel common stock in favor of the Merger, the Merger Agreement, and the transactions contemplated thereunder including, without limitation, the issuance of the warrants and the shares of Stifel common stock issuable upon exercise thereof and shares of Stifel common stock that may become issuable (and paid in the discretion of Stifel) as earn-out consideration, and such other matters regarding the Merger so as to facilitate the consummation thereof.

WHAT ARE THE BENEFITS THAT OFFICERS AND DIRECTORS RECEIVE IN THE TRANSACTION, AND WHAT ARE THE POTENTIAL CONFLICTS OF INTEREST?

Stifel's officers and directors did not receive any direct or indirect benefit as a result of the transaction that would not be realized by holders of Stifel common stock, generally, and the Board has not identified any conflicts of interest among Stifel's officers and directors.

Stifel anticipates that sometime after the annual stockholders meeting, the Board will appoint Ben Plotkin, the chief executive officer of Ryan Beck, to the Board of Stifel. Mr. Plotkin was not a member of the executive management of Stifel when the Merger was considered, and will not be a member of the Board during the time prior to the approval of the matters that are the subject of this proxy statement. At the time such matters were considered, Mr. Plotkin was on the board of, and was the chief executive officer of, Ryan Beck.

HOW DO I VOTE?

You can vote either by proxy with or without attending the Special Meeting or in person at the

6

Special Meeting.

To vote by proxy, you must either:

- ✓ If your shares are registered in your name at UMB Bank, n.a. (our transfer agent), you must fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope.

- ✓ If you hold your stock through a securities broker (that is, in street name), you must either:
 - Ø fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope,
 - Ø vote by telephone (instructions are on the proxy card), or
 - Ø vote by Internet (instructions are on the proxy card).

Our employees who participate in our employee benefit plans may vote on our Intranet or may have their proxy card mailed to them.

If you want to vote in person at the Special Meeting, and you hold your stock through a securities broker (that is, in street name), you must obtain a proxy from your broker and bring that proxy to the meeting.

CAN I CHANGE MY VOTE?

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

Yes. Just send in a new proxy card with a later date, or cast a new vote by telephone, Internet or Intranet, or send a written notice of revocation to our corporate secretary at the address on the cover of this proxy statement. If you attend the Special Meeting and want to vote in person, you can request that your previously submitted proxy not be used.

WHAT IS THE VOTE REQUIRED TO APPROVE EACH PROPOSAL?

Approval of Proposal I requires the approval of a majority of total votes cast on Proposal I, excluding the votes of stockholders relating to the shares they received as consideration in the Merger, and approval and adoption of the Plan requires a majority of votes cast on Proposal II, provided that the total votes cast on such proposal represent over 50 percent of our outstanding shares entitled to vote on each such matter. Therefore, shares subject to abstention will be considered as present for quorum purposes and will have the effect of a vote against this proposal. A broker non-vote will have no effect on the proposals (except to the extent such abstentions and broker non-votes result in a failure to obtain total votes cast representing more than majority of the votes that can be cast at the Special Meeting regarding the issuance of the shares underlying the warrants and for payment of the earn-out amounts and regarding the Plan).

IF I SIGN A PROXY, HOW WILL IT BE VOTED?

All shares entitled to vote and represented by properly executed proxy cards received prior to the Special Meeting, and not revoked, will be voted at the Special Meeting in accordance with the instructions indicated on those proxy cards. If no instructions are indicated on a properly executed proxy card, the shares represented by that proxy card will be voted as recommended by the Board of Directors. As a result, your shares will be voted in favor of the Proposals.

WHEN ARE THE STOCKHOLDER PROPOSALS FOR INCLUSION IN THE PROXY STATEMENT FOR THE 2007 ANNUAL MEETING DUE?

In order to be considered for inclusion in the proxy statement for the 2007 Annual Meeting of Stockholders, stockholder proposals must have been in writing and received by December 7, 2006 by Stifel Financial Corp., One Financial Plaza, 501 North Broadway, St. Louis, Missouri 63102-2102, Attn: Secretary.

WHEN ARE STOCKHOLDER PROPOSALS FOR PRESENTATION AT MEETINGS OF STOCKHOLDERS DUE?

PROPOSAL I.

Issuance of Additional Shares of Stifel Common Stock in Connection with Stifel's Acquisition of Ryan Beck

The Board of Directors is asking stockholders to approve the issuance of up to 1,500,000 shares of Stifel common stock in connection with the acquisition of Ryan Beck by merger. The Board of Directors approved such issuance on January 6, 2007, subject to stockholder approval.

Our Board has approved the issuance of shares underlying the warrants and for payment of the earn-out amounts and recommends that stockholders vote therefor.

Background of the Merger

On several occasions prior to September 2006, Ronald J. Kruszewski, President, CEO and Chairman of Stifel, discussed with Ben A. Plotkin, CEO and chairman of Ryan Beck, the possibility of a strategic combination or alliance involving Stifel and Ryan Beck. In each case, the contacts were preliminary, did not involve Bancorp, Ryan Beck's sole shareholder, and did not result in any negotiations regarding any significant economic terms with respect to any transaction involving either of the two companies.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

In mid-September 2006, Mr. Plotkin called Mr. Kruszewski and renewed their discussions. The two agreed to meet to discuss a potential transaction. On September 26, 2006, Mr. Kruszewski met with Mr. Plotkin at an off-site location in New Jersey to discuss the general merits of an acquisition by Stifel of Ryan Beck, including whether a combination of Stifel and Ryan would be beneficial for each their respective companies and Bancorp. Messrs. Kruszewski and Plotkin discussed their respective companies, industry trends and areas in which the two companies' businesses might be complementary. Also discussed was the importance of retaining Ryan Beck's key investment professional employees through various retention programs. The two agreed to further examine independently the benefits of such a combination.

On October 6, 2006, Mr. Plotkin circulated a draft confidentiality agreement to Mr. Kruszewski. Following conversations between the parties and respective legal counsel concerning the terms of the confidentiality agreement, it was executed on October 9, 2006 with the knowledge of Bancorp. The confidentiality agreement required each of the parties to maintain the confidentiality of nonpublic information that would be made available to the other for purposes of due diligence with respect to a potential acquisition of Ryan Beck by Stifel. Following the execution of the confidentiality agreement, the parties commenced their initial business and financial due diligence. At this time, Ryan Beck provided Stifel with access to a private online document room created to facilitate due diligence. Also, at this time discussions between Messrs. Kruszewski and Plotkin continued with respect to the various employee retention programs and post-acquisition operations.

On November 9, 2006, Mr. Kruszewski met with Alan B. Levan, the chairman of Bancorp, and Mr. Plotkin in Bancorp's offices in Miami, Florida. Mr. Kruszewski and Mr. Levan discussed valuation generally, but only in a non-specific manner, as Stifel was early in the process of its evaluation of the various potential synergies and other benefits of a transaction and the costs relating to assimilating the Ryan Beck private client, capital markets and investment banking groups. Throughout this period, Stifel met and conferred with Citigroup Global Markets Inc. (Citi), Stifel's financial advisor in connection with the proposed transaction, regarding a potential transaction with Ryan Beck, and Stifel reviewed selected materials, based on public information and information provided pursuant to the confidentiality agreement, relating to a potential strategic combination between Stifel and Ryan Beck.

On November 6, 2006, at a regularly scheduled meeting of the board of directors of Stifel, Mr. Kruszewski informed the board of the potential for entering into an acquisition agreement with Ryan Beck, but indicated that he did not know if the parties could reach an agreeable valuation.

During the last week of November and the first week of December 2006, Stifel and Bancorp discussed a summary of terms. Mr. Levan expressed interest in acquiring stock of Stifel in connection with the transaction, and the parties took note of the fact that Stifel's market price during the previous three-month period had ranged between \$30.07 and \$37.30. The parties agreed that the valuation would be based on the book value of Ryan Beck as a stand-

9

alone business and would be expressed in shares of Stifel having a valuation of \$36.00 per share based on the recent historical trading price of the shares. In addition, the parties discussed potential warrant and earn-out consideration tied to the performance of each of the private client group and investment banking division of Stifel.

During the week of December 4, 2006, the parties instructed their legal counsel to commence drafting an acquisition agreement based on the summary of terms. Throughout December 2006 and in early January 2007, Stifel management and their advisors conducted due diligence of Ryan Beck, including through access to the private online data room, management meetings and site visits.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

On December 5, 2006, the Stifel Board held a regular board meeting during which the directors were provided with an update regarding the due diligence process and the information provided by Ryan Beck to date.

On December 9, 2006, pursuant to the request of Stifel, Bryan Cave LLP, Stifel's legal counsel for the transaction, provided an initial draft acquisition agreement to Stearns Weaver Miller Weissler Alhadeff & Sitterson, P.A., Bancorp's legal counsel for the transaction. From December 10, 2006 through January 8, 2007, Stifel, with the assistance of Bryan Cave and Citi, negotiated the specific terms of the Merger Agreement and the related disclosure letter. These negotiations addressed the nature of the representations and warranties to be made in respect of Ryan Beck and its business, the limitations on the conduct of Ryan Beck's between signing and closing and certain employee matters. Among the issues discussed, particular attention was given to (i) the scope, limitations and survival period of the indemnification obligations, (ii) the structure of the transaction and the mix of consideration to be delivered, (iii) certain tax issues, and (iv) the structure of the earn-out consideration and retention packages for Ryan Beck employees. During this period, in a series of telephone calls from mid-December through December 24, 2006, Messrs. Kruszewski and Levan agreed that the valuation would be based on the November 30, 2006 book value of Ryan Beck, approximately \$91.1 million, and that the number of shares would be fixed at 2,531,278 (sometimes referred to as the Initial Share Consideration), subject to the limitation that the number would not exceed 19.9% of the outstanding voting stock of Stifel. In addition, the parties agreed on the structure of the earn-out with respect to the private client group and investment banking business. The respective parties and legal counsel continued to review and negotiate the Merger Agreement.

During the course of the negotiations of the Merger Agreement, Stearns Weaver Miller indicated the desirability of obtaining an agreement from Stifel's significant stockholders (including Western and Southern, which at the time was Stifel's largest shareholder) to vote in favor of any matters relating to the Merger requiring Stifel stockholder approval. On or about January 4, 2007, Mr. Kruszewski informed representatives of Western and Southern of the potential transaction and its material terms on a confidential basis, and those representatives indicated Western and Southern would be willing to enter into such a voting agreement. Other members of the Board of Directors, including Mr. Kruszewski, also were asked to enter into such a voting agreement. The terms of the Merger Agreement and the Voting Agreement are detailed below under Terms of the Ryan Beck Acquisition beginning on page 20 of this proxy statement.

On January 6, 2007, Stifel's entire board of directors, together with its financial and legal advisors, met to review the proposed Merger and draft Merger Agreement. At the meeting, Citi provided to the Board a summary of its fairness opinion procedures, reviewed its analysis performed and delivered a verbal fairness opinion to Stifel's Board to the effect that, as of such date and based upon and subject to the assumptions, qualifications and limitations described by Citi, the Merger consideration provided for in the Merger Agreement (assuming, however, with the consent of Stifel's Board, that no cash would be substituted for the Initial Share Consideration as contemplated by the Merger Agreement) to be paid by Stifel in the Merger, was fair, from a financial point of view, to Stifel. Representatives from Bryan Cave summarized the principal terms of the Merger Agreement and the determinations to be made by the directors in the exercise of their fiduciary duties. After discussion and deliberation based upon the totality of the information presented and considered during its evaluation of the Merger and the Merger Agreement, the Board, by unanimous vote, approved the Merger Agreement and the transactions contemplated by the Merger Agreement, in substantially the form presented to the Board.

On January 8, 2007, Stifel and its wholly-owned subsidiary Merger Sub entered into the Merger Agreement with Bancorp, and its subsidiary, Ryan Beck, pursuant to which Stifel agreed to acquire Ryan Beck through the

10

Merger of Ryan Beck with and into Merger Sub, with Merger Sub surviving. On the morning of January 9, 2007, Stifel issued a press release announcing the execution of the Merger Agreement. The Merger closed on February 28, 2007.

Reasons for the Merger

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

On January 6, 2007, the Board unanimously adopted resolutions, determining that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, were in Stifel's best interests. The Board concluded that the Merger Agreement and the Merger were fair to Stifel's stockholders, and recommends that the holders of Stifel common stock vote for the approval of the issuance of shares of Stifel common stock upon exercise of the Warrants and as additional earn-out consideration as described in this proxy statement.

In reaching these conclusions, the Board consulted with our management and our legal and financial advisors, and considered the short-term and long-term interests and prospects of Stifel and its stockholders. In reaching the foregoing determinations, the Board considered the following material factors that it believed supported its determinations:

the strategic nature of the transaction, which would expand Stifel's broker-dealer network into the Northeast, with relatively little overlap with its current business operations;
the strong management team of Ryan Beck, and the relative fit of the cultures of Stifel and Ryan Beck;

Citi's written opinion, dated January 8, 2007, the date of the Merger Agreement, to the effect that, as of such date, and based upon and subject to the assumptions, qualifications and limitations set forth therein, the Merger consideration provided for in the Merger Agreement (assuming, however, with the consent of Stifel's Board, that no cash would be substituted for the Initial Share Consideration as contemplated by the Merger Agreement) to be paid by Stifel in the Merger was fair, from a financial point of view, to Stifel; and

the terms and conditions of the Merger Agreement. The board of directors considered in particular:

- o the indemnification available to Stifel;
- o the structure of the consideration of the transaction, including a significant component relating to the contingent performance of certain business divisions of Ryan Beck;
- o the treatment of Ryan Beck's deferred compensation plans;
- o the treatment of Ryan Beck management's change of control contracts;
- o the fact that the Merger could be consummated quickly following regulatory approval;
- o the fact that Ryan Beck was not self-clearing and that substantial benefits would accrue to Stifel by leveraging its clearing platform;
- o the positive business reputation of Ryan Beck and its lack of any material contingent liabilities; and
- o the absence of any material regulatory issues.

The Board also considered a variety of risks and other potentially negative factors concerning the Merger. These factors included the following:

the conditions to the closing of the Merger, including regulatory approval, and the negative that failure to complete the Merger might have on the trading price of Stifel's common stock and Stifel's operating results, including the expenses associated with the transaction;

Stifel's ability to retain key personnel of Ryan Beck following the closing;

the potential distraction to Stifel management in trying to integrate the operations of Ryan Beck, which may be particularly challenging given the pending acquisition of First Service Financial Company (which was

subsequently consummated in April 2007) and the recent acquisition of the capital markets business of Legg Mason at the end of 2005;

the possible disruption to Stifel's business that might result from the announcement of the Merger and the resulting distraction of the attention of Stifel's management;

the amount of stock to be held by Bancorp and the possibility that Bancorp may seek to sell such shares in the future.

The foregoing discussion of the information and factors considered by the Stifel Board is not intended to be exhaustive but, we believe, includes all material factors considered by our board of directors. Based on the factors outlined above, the Stifel Board determined that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, are fair to and in the best interests of holders of Stifel common stock.

Opinion of Stifel's Financial Advisor

Stifel retained Citi as its exclusive financial advisor in connection with the Merger. In connection with this engagement, the board of directors of Stifel requested that Citi evaluate the fairness, from a financial point of view, to Stifel of the Merger consideration to be paid by Stifel in the Merger. On January 6, 2007, at a meeting of the Stifel board of directors held to evaluate the Merger, Citi delivered a verbal fairness opinion, which opinion was confirmed by delivery of a written opinion dated January 8, 2007, the date of the Merger Agreement, to the effect that as of the date of such opinion, and based upon and subject to the assumptions, limitations and considerations set forth in the opinion and other factors it deemed relevant, the Merger consideration provided for in the Merger Agreement (assuming, however, with the consent of Stifel's Board, that no cash would be substituted for the Initial Share Consideration as contemplated by the Merger Agreement) to be paid by Stifel in the Merger was fair, from a financial point of view, to Stifel.

The full text of Citi's written opinion, which sets forth the assumptions made, general procedures followed, matters considered and limits on the review undertaken, is included as Annex II to this proxy statement. **The summary of Citi's opinion set forth below is qualified in its entirety by reference to the full text of the opinion. You are urged to read Citi's opinion carefully and in its entirety.**

The Citi opinion was provided for the information of the Stifel board of directors in its evaluation of the Merger, which has been consummated, and was limited solely to the fairness from a financial point of view as of the date of the opinion of the Merger consideration provided for in the Merger Agreement (assuming, however, with the consent of Stifel's Board, that no cash would be substituted for the Initial Share Consideration as contemplated by the Merger Agreement) to be paid by Stifel in the Merger. Citi was not requested to opine as to, and its opinion does not address in any manner, Stifel's underlying business decision to proceed with or effect the Merger. Neither Citi's opinion nor its related analyses constituted a recommendation of the Merger to the Stifel board of directors. Citi makes no recommendation to any stockholder as to how such stockholder should vote or act on any matters relating to the Merger, including with respect to the Proposal I described in this proxy statement.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

In arriving at its opinion, Citi reviewed the Merger Agreement and held discussions with certain senior officers, directors and other representatives and advisors of Stifel and certain senior officers and other representatives and advisors of Ryan Beck concerning the business, operations and prospects of Stifel and Ryan Beck. Citi examined certain publicly available business and financial information relating to Stifel and Ryan Beck as well as certain financial forecasts and other information and data relating to Stifel and Ryan Beck which were provided to or discussed with Citi by the respective managements of Stifel and Ryan Beck, including adjustments to the forecasts and other information and data relating to Stifel and Ryan Beck discussed with Citi by the respective managements of Stifel and Ryan Beck, and including information relating to the potential strategic implications and operational benefits (including the amount, timing and achievability thereof) anticipated by the managements of Stifel and Ryan Beck to result from the Merger. In addition, Citi assumed, with the consent of Stifel's Board, that there were no material undisclosed liabilities of Ryan Beck for which adequate reserves or other provisions had not been made. Citi reviewed the financial terms of the Merger as set forth in the Merger Agreement in relation to or in light of, among other things:

12

-
- current and historical market prices and trading volumes of Stifel common stock;
 - the historical and projected earnings and other operating data of Stifel and Ryan Beck;
 - the capitalization and financial condition of Stifel and Ryan Beck; and
 - the liquidity requirements and capital resources of Ryan Beck.

Citi considered, to the extent publicly available, the financial terms of certain other transactions which Citi considered relevant in evaluating the Merger and analyzed certain financial, stock market and other publicly available information relating to the businesses of other companies whose operations Citi considered relevant in evaluating those of Stifel and Ryan Beck. Citi also evaluated certain potential pro forma financial effects of the Merger on Stifel. In addition to the foregoing, Citi conducted such other analyses and examinations and considered such other information and financial, economic and market criteria as Citi deemed appropriate in arriving at its opinion.

In rendering its opinion, Citi assumed and relied, without assuming any responsibility for independent verification, upon the accuracy and completeness of all financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with Citi and upon the assurances of the respective managements of Stifel and Ryan Beck that they were not aware of any relevant information that had been omitted or that remained undisclosed to Citi. With respect to financial forecasts and other information and data provided to or otherwise reviewed by or discussed with Citi relating to Stifel and Ryan Beck and, in the case of certain potential pro forma financial effects of, and strategic implications and operational benefits resulting from, the Merger, relating to Stifel, Citi was advised by the respective managements of Stifel and Ryan Beck that such forecasts and other information and data were reasonably prepared on bases reflecting the best currently available estimates and judgments of the managements of Stifel and Ryan Beck as to the future financial performance of Stifel and Ryan Beck, the potential strategic implications and operational benefits anticipated to result from the Merger and other matters covered thereby, and Citi assumed, with Stifel's consent, that the financial results (including the potential strategic implications and operational benefits anticipated to result from the Merger) reflected in such forecasts and other information and data will be realized in the amounts and at the times projected.

Citi assumed, with Stifel's consent, that the Merger would be consummated in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the Merger, no delay, limitation, restriction or condition would be imposed that would have an adverse effect on Stifel, Ryan Beck or the contemplated benefits to Stifel of the Merger.

The Merger Agreement provides for the substitution of an amount of cash, referred to as the Substituted Cash Consideration, for a portion of the Initial Share Consideration in certain circumstances. Citi assumed, with the consent of Stifel's Board, that no Substituted Cash Consideration would be paid in connection with the Merger. Citi also assumed, with the consent of Stifel's Board, that the Merger would be treated as a tax-free reorganization for federal income tax purposes.

Citi's opinion, as set forth therein, relates to the relative values of Stifel and Ryan Beck. Citi did not express any opinion as to what the value of the Stifel common stock would be when issued pursuant to the Merger or the price at which the Stifel common stock would trade at any time. Citi did not make and was not provided with an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Stifel or Ryan Beck, nor did Citi make any physical inspection of the properties or assets of Stifel or Ryan Beck. Citi expressed no view as to, and its opinion did not address, the relative merits of the Merger as compared to any alternative business strategies that might exist for Stifel or the effect of any other transaction in which Stifel might engage. Citi's opinion was necessarily based upon information available to Citi, and financial, stock market and other conditions and circumstances existing, as of the date of the opinion.

Financial Analyses of Citi

In connection with rendering its opinion, Citi made a presentation to the Stifel board of directors on January 6, 2007 with respect to the material analyses performed by Citi in evaluating the fairness to Stifel, from a financial point of view, of the Merger consideration provided for in the Merger Agreement (assuming, however, with the consent of Stifel's Board, that no Substituted Cash Consideration would be paid in connection with the Merger) to be paid by Stifel in the Merger. The following is a summary of the financial analyses contained in that presentation. **The summary includes information presented in tabular format. In order to understand fully the financial analyses used by Citi, these tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses.**

The following quantitative information, to the extent it is based on market data, is, except as otherwise indicated, based on market data as it existed at or prior to January 5, 2007, and is not necessarily indicative of current or future market conditions.

The written opinion of Citi did not reflect any development that may have occurred after the date of such opinion and prior to completion of the Merger. Stifel did not request an updated opinion from Citi in connection with the Merger.

Comparable Companies Analysis. Citi reviewed market values and trading multiples for the following publicly held companies in the brokerage, financial advisory, investment banking, investment advisory and related financial advisory services sectors and compared them with financial data for Ryan Beck:

Stifel;
 A.G. Edwards & Sons, Inc.;
 Raymond James Financial, Inc.;
 Oppenheimer & Co.;
 Sanders Morris Harris Group Inc.;
 Piper Jaffray & Co.;
 KBW, Inc.;
 Thomas Weisel Partners Group, Inc.; and
 Cowen Group, Inc.

All multiples were based on market data as of January 5, 2007. The forecasted financial information used by Citi for the selected comparable companies in the course of this analysis was based on information published by Institutional Brokers Estimate System, or IBES, as provided by Thomson Financial and IDD Information Services, or IDD. IBES contains estimated and actual earnings cash flows, dividends, sales and pre-tax income data for companies in the U.S., Europe, Asia and emerging markets. The forecasted financial information used by Citi in the course of these analyses with respect to Stifel and Ryan Beck was based on Stifel and Ryan Beck management estimates and, with respect to Stifel, do not include any compensation expenses related to Stifel's acquisition of Legg Mason's capital market business.

For each of the selected comparable companies, Citi derived and compared, among other things:

- the price as a multiple of 2006 earnings per share (2006 EPS);
- the price as a multiple of 2007 earnings per share (2007 EPS);
- the price as a multiple of book value (Book Value);
- the price as a multiple of tangible book value (Tangible Book Value);
- broker premium (defined as market capitalization less tangible book value, expressed on a per broker basis (\$ in thousands)) (Broker Premium); and
- long term earnings per share growth rate (Long Term EPS Growth Rate).

The following table sets forth the results of this analysis:

	<u>High</u>	<u>Median</u>	<u>Low</u>
Price as a multiple of 2006 EPS	23.5x	17.6x	13.5x
Price as a multiple of 2007 EPS	21.4x	15.8x	11.0x
Price as a multiple of Book Value	3.13x	2.05x	1.24x

Broker Premium (\$ in thousands)	\$623.0	\$433.7	\$147.8
Long Term EPS Growth Rate	10.0%	10.0%	5.0%

Based on this comparable company analysis and taking into consideration other performance metrics, Citi derived a reference range for the implied estimated equity value of Ryan Beck of approximately \$135.0 million to \$150.0 million. Citi calculated that this reference range would result in an implied multiple of equity value to estimated 2007 Net Income of 29.0x to 32.2x, an implied multiple of equity value to Tangible Book Value of 1.49x to 1.65x and an implied Broker Premium of \$114.0 to \$152.5 (each in thousands).

Precedent Transactions Analysis. Citi reviewed publicly available information for the following eleven merger or acquisition transactions in the brokerage, financial advisory, investment banking, investment advisory and related financial advisory services sectors publicly announced since September 28, 1999:

<u>Acquiror</u>	<u>Target</u>	<u>Date Announced</u>
UBS	McDonald (Retail Only)	9/6/2006
UBS	Piper Jaffray & Co. (Retail Only)	4/11/2006

UBS	Paine Webber	7/12/00
First Union	First Albany	5/10/00
Paine Webber	J.C. Bradford	4/28/00
Wells Fargo	Ragen MacKenzie	9/28/99

For each selected precedent transaction, Citi derived and compared, among other things:

- the ratio of purchase price (excluding retention payments) of the acquired company based on the consideration paid in the transaction to net revenues, for the last 12-month period prior to the announcement of the transaction for which financial results were available (LTM Net Revenues);
- the ratio of purchase price (excluding retention payments) of the acquired company based on the consideration paid in the transaction to net income, for the last 12-month period prior to the announcement of the transaction for which financial results were available (LTM Net Income);
- the ratio of purchase price (excluding retention payments) of the acquired company based on the consideration paid in the transaction to net income, for the current fiscal year period during which the transaction was consummated (CFY Net Income);
- the ratio of purchase price (excluding retention payments) of the acquired company based on the consideration paid in the transaction to tangible book value (Tangible Book Value); and
- the broker premium (Broker Premium).

With respect to the financial information for the companies involved in the selected precedent transactions, Citi relied on information available in public documents, company press releases and information published by IDD.

The following table presents the results of this analysis:

	<u>High</u>	<u>Median</u>	<u>Low</u>
Ratio of Purchase Price to LTM Net Revenues	3.05x	1.39x	0.84x
Ratio of Purchase Price to LTM Net Income	73.4x	16.1x	6.8x
Ratio of Purchase Price to CFY Net Income	47.3x	16.9x	13.2x
Ratio of Purchase Price to Tangible Book Value	3.43x	2.90x	1.98x
Broker Premium (\$ in thousands)	\$1,014	\$564	\$288

Based upon this precedent transactions analysis and taking into consideration other performance metrics, Citi derived a reference range for the implied estimated equity value of Ryan Beck of approximately \$180.0 million to \$200.0 million. Citi calculated that this reference range would result in an implied multiple of equity value to estimated 2007 Net Income of 38.7x to 43.0x, an implied multiple of firm value to Tangible Book Value of 1.99x to 2.21x and an implied Broker Premium of \$229.6 to \$281.1 (each in thousands).

Discounted Cash Flow Analysis. Citi performed a discounted cash flow analysis to calculate the estimated present value of the after-tax free cash flows that Ryan Beck could generate from fiscal years 2007 through 2011 based on financial projections developed with and reviewed by Stifel management, both on a standalone basis and taking into account the value of synergies anticipated to result from the Merger by Stifel's management.

Citi calculated the after-tax free cash flows by calculating estimated net income of Ryan Beck for each of fiscal years 2007 through 2011, by applying a 7% compound annual growth rate to estimated revenues for Ryan Beck and a pre-tax net margin thereto, and adjusting estimated net income for estimated additional investments required. Citi calculated the terminal value of Ryan Beck by applying to Ryan Beck's fiscal year 2011 estimated net income a range of terminal multiples of 11.5x to 13.5x. The present value of the cash flows and the terminal value of Ryan Beck were calculated using discount rates ranging from 10.5% to 13.5%, which Citi viewed as appropriate based on weighted average cost of capital analysis for Ryan Beck.

Citi derived a reference range for the implied estimated equity value of Ryan Beck of approximately \$125.0 million to \$150.0 million based on the discounted cash flow analysis for Ryan Beck without taking into account synergies anticipated to result from the Merger by Stifel's management. In addition, Citi derived a reference range for the implied estimated equity value of Ryan Beck of approximately \$250.0 million to \$275.0 million based on the discounted cash flow analysis taking into account synergies anticipated to result from the Merger by Stifel's management.

Contribution Analysis. Citi reviewed certain historical and estimated future operating, financial and market information for Ryan Beck and Stifel, and the implied contribution percentages of Stifel and Ryan Beck to the combined company. The information used by Citi in the course of this analysis was based on estimates provided to Citi by the respective managements of Stifel and Ryan Beck.

Based upon the foregoing analysis, and assuming Stifel's stockholders would approve the issuance of the common stock issuable upon the exercise of five-year warrants that is the subject of the Proposal I described in this proxy statement, Citi calculated an implied Stifel contribution range in the combined company of approximately 67% to 92%, compared with an implied ownership percentage of Stifel shareholders in the pro forma entity of 81%, taking into account options, deferred compensation and assuming the issuance of 500,000 shares of Stifel common stock upon the exercise of the five-year warrants and up to \$20 million in additional shares of Stifel common stock in respect of earn-out consideration relating to Stifel's acquisition of Ryan Beck.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

The results of this analysis were based on estimates provided to Citi by the respective managements of Stifel and Ryan Beck, and are set forth below:

<u>Metric</u>	<u>Stifel Contribution</u>
Equity Revenues	71%
2007 Estimated Net Income	68%
2007 Estimated	92%
2007 Estimated (assuming anticipated annual synergies) Private Client Revenue	73%
2007 Estimated Number of Brokers	67%
2007 Estimated Relative Discounted Cash Flow	69%
Standalone	82%
Standalone (assuming anticipated annual synergies)	70%

Pro Forma Analysis. Citi also analyzed the potential pro forma effect of the Merger on the projected earnings per share, or EPS, for Stifel, based upon fiscal 2007 earnings estimates prepared by Stifel and Ryan Beck managements for Stifel and Ryan Beck, for the following two scenarios:

Stifel's stockholders approve the issuance of the common stock issuable upon the exercise of five-year warrants that is the subject of Proposal I described in this proxy statement;

Stifel's stockholders do not approve the issuance of the common stock issuable upon the exercise of five-year warrants that is the subject of Proposal I described in this proxy statement, and cash is substituted in lieu thereof.

The effect on EPS was calculated assuming the transaction closed on December 31, 2006 and using various other assumptions. Citi compared the Stifel management's estimates of standalone 2007 earnings per share of Stifel (GAAP EPS), GAAP EPS excluding the effect of amortizing intangibles and acquisition related compensation expenses for the acquisition of the Legg Mason capital markets business and the Merger (Operating EPS), and the tangible book value per share, to the estimated GAAP EPS, Operating EPS and tangible book value per share, respectively, of the combined company for both the base case which takes into account 50% of the full amount of the synergies anticipated to result from the Merger by Stifel's management (Base Case), and the run rate which takes into account the full amount of the synergies anticipated to result from the Merger by Stifel's management (Run Rate).

The following table sets forth the results of the pro forma analysis for the Base Case and the Run Rate in the case that the issuance of the common stock issuable upon the exercise of five-year warrants that is the subject of Proposal I described in this proxy statement is approved by Stifel's stockholders:

General

Citi's opinion was provided for the information of the Stifel board of directors in its evaluation of the proposed Merger, which has been consummated, and was limited solely to the fairness to Stifel, from a financial point of view, as of the date of the opinion, of the Merger consideration provided for in the Merger Agreement (assuming, however, with the consent of Stifel's Board, that no Substituted Cash Consideration would be paid in connection with the Merger) to be paid by Stifel in the Merger. Neither Citi's opinion nor its related analyses constituted a recommendation of the Merger to the Stifel board of directors. Citi makes no recommendation to any stockholder regarding how such stockholder should vote or act on any matters relating to the Merger, including with respect to Proposal I described in this proxy statement.

The preceding discussion is a summary of the material financial analyses furnished by Citi to the Stifel board of directors, but it does not purport to be a complete description of the analyses performed by Citi or of its presentation to the Stifel board of directors. The preparation of financial analyses and fairness opinions is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. Citi made no attempt to assign specific weights to particular analyses or factors considered, but rather made qualitative judgments as to the significance and relevance of all of the analyses and factors considered and determined to give its fairness opinion as described above. Accordingly, Citi believes that its analyses, and the summary set forth above, must be considered as a whole, and that selecting portions of the analyses and of the factors considered by Citi, without considering all of the analyses and factors, could create a misleading or incomplete view of the processes underlying the analyses conducted by Citi and its opinion. With regard to the comparable companies and precedent transactions analyses summarized above, Citi selected comparable public companies and precedent transactions on the basis of various factors, including size and similarity of the line of business of the relevant entities; however, no company utilized in these analyses is identical to Ryan Beck and no precedent transaction is identical to the Merger. As a result, these analyses are not purely mathematical, but also take into account differences in financial and operating characteristics of the subject companies and other factors that could affect the Merger, the transactions in connection with the Merger or the public trading value of the subject companies to which Ryan Beck was being compared.

In its analyses, Citi made numerous assumptions with respect to Stifel and Ryan Beck, industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Stifel and Ryan Beck. Any estimates contained in Citi's analyses are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by these analyses. Estimates of values of companies do not purport to be appraisals or necessarily to reflect the prices at which companies may actually be sold. Because these estimates are inherently subject to uncertainty, none of Stifel, Ryan Beck, the Stifel board of directors, Citi or any other person assumes responsibility if future results or actual values differ materially from the estimates. Citi's analyses were prepared solely as part of

Citi's analysis of the fairness to Stifel, from a financial point of view, of the Merger consideration provided for in the Merger Agreement (assuming, however, with the consent of Stifel's Board, that no Substituted Cash Consideration would be paid in connection with the Merger) to be paid by Stifel in the Merger and were provided for the information of the Stifel board of directors in that connection.

Stifel retained Citi as its exclusive financial advisor in connection with the Merger, which was consummated on February 28, 2007, based on Citi's qualifications, expertise and reputation. Citi is an internationally recognized investment banking firm engaged in, among other things, the valuation of businesses and their securities in connection with mergers and acquisitions, restructurings, leveraged buyouts, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes.

Citi was not requested to, and it did not, recommend the specific consideration payable in the Merger, which consideration was determined between Stifel and Bancorp, and the decision to enter into the Merger was solely that of the Stifel board of directors. Citi's opinion and financial analyses were only one of many factors considered by the Stifel board of directors in its evaluation of the Merger and should not be viewed as determinative of the views of the Stifel board of directors or Stifel's management with respect to the Merger or the consideration to be paid by Stifel in the Merger.

Citi entered into an engagement letter with Stifel dated as of January 5, 2007, pursuant to which Stifel agreed to pay Citi (1) \$50,000 promptly following the execution of the engagement letter, (2) \$500,000 promptly upon delivery by Citi of the fairness opinion, and (3) an additional fee of \$2 million (less any amounts paid under (1) and (2)) promptly upon consummation of the Merger. Stifel also agreed to reimburse Citi for all reasonable travel and other expenses incurred by Citi in connection with performing its services, including reasonable fees and expenses of its legal counsel. In addition, Stifel also agreed to indemnify Citi and related persons against liabilities, including liabilities under the federal securities laws, arising out of its engagement.

Citi acted as the exclusive financial advisor to Citigroup Inc. in connection with its sale of the Legg Mason capital markets business to Stifel on December 1, 2005. In connection therewith and pursuant to that certain Acquisition Agreement, dated as of September 15, 2005, as amended, between Stifel and Citigroup Inc., Stifel may owe Citigroup Inc. certain contingent earn-out payments based on the combined revenues of Stifel and Ryan Beck, subject to certain exceptions and thresholds agreed upon by Citigroup Inc. and Stifel.

In the ordinary course of business, Citi and its affiliates may actively trade or hold the securities of Stifel and Bancorp for its own account or for the account of its customers and, accordingly, may at any time hold a long or short position in such securities. In addition, Citi and its affiliates (including Citigroup Inc. and its affiliates) may maintain relationships with Stifel, Bancorp and Ryan Beck and their respective affiliates.

Potential Dilution

As of March 1, 2007, the day following the closing of the Merger, Stifel had authorized 30,000,000 shares of common stock and 14,906,752 shares outstanding. The maximum number of shares issuable in connection with the issuance of the shares underlying the warrants and for payment of the earn-out amounts is 1,500,000 shares of common stock. This total does not include the 1,200,000 shares to be reserved for issuance under the Plan, which is also subject to stockholder approval under Proposal II, as described beginning on page 30. The issuance of the shares underlying the warrants and for payment of the earn-out amounts will result in a dilution in the ownership percentage of common stock held by current stockholders as described in the tables below.

The issuance of the shares underlying the warrants and for payment of the earn-out amounts may also result in a significant ownership position in Stifel by the former stockholders of Ryan Beck. Specifically, if all 1,500,000 shares described in this Proposal I are issued, the former stockholders of Ryan Beck will own 24.18% of the outstanding shares of Stifel common stock. Under the standstill provisions of the Registration Rights Agreement, Bancorp's ownership of shares of Stifel common stock is capped at 24.9% of the outstanding voting securities of Stifel for a period of 10 years.

The following table illustrates the potential dilutive effect of the issuance of the shares underlying the warrants and for payment of the earn-out amounts described in Proposal I, including both the dilutive effective of the shares underlying the warrants with and without the payment of any earn-out consideration:

	<u>Number</u>	<u>%</u>	<u>Number</u>	<u>%</u>
Stockholders before Issuance (including 2,467,600 shares issued at closing of the Merger)	14,906,752	96.8%	14,906,752	90.9%

Total	15,406,752	100.0%	16,406,752	100.0%

The following table illustrates the potential collective dilutive effect of each of the potential issuances of common stock (Proposal I and Proposal II, if both are approved) in connection with this proxy statement, including both the dilutive effective of the shares underlying the warrants with and without the payment of any earn-out consideration:

	<u>Number</u>	<u>%</u>	<u>Number</u>	<u>%</u>

Terms of the Ryan Beck Acquisition

Pursuant to the Merger, Ryan Beck was merged with and into Merger Sub. Merger Sub was the surviving entity, is a wholly-owned subsidiary of Stifel. Merger Sub has subsequently changed its name to Ryan Beck Holdings, Inc. As previously discussed, the consideration issued (and to be issued) in the Merger is as follows:

As initial consideration for the Merger, Stifel (1) issued 2,467,600 shares of Stifel common stock in a private placement to Bancorp, as the sole stockholder of Ryan Beck, and to certain optionholders of Ryan Beck (as described below) and (2) cash consideration of approximately \$2.65 million. Stifel had agreed to issue 2,531,278 shares, subject to reduction so that the total number of shares was equal to approximately 19.9% of the outstanding common stock as of the date of issuance. The amount of cash substituted for each such share of Stifel common stock was equal to the average of the daily closing price of a share of Stifel common stock for the 10 consecutive business days ending on February 27, 2007, the day prior to the closing date.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

Subject to the approval of Stifel stockholders requested in this proxy, warrants to purchase up to 500,000 shares of Stifel's common stock, at an exercise price of \$36.00 per share. After their issuance, the warrants will have a term of five years and will be immediately exercisable. If Stifel does not obtain such stockholder approval on or before June 30, 2007, Stifel will pay \$20.0 million in cash to the stockholders of Ryan Beck common stock in lieu of issuing the warrants, and Stifel will have no further obligation to issue the warrants or any shares of Stifel common stock upon exercise of any such warrants.

Contingent payments, as follows:

A contingent payment based on the aggregate commissionable revenues attributable to certain individuals in Ryan Beck's existing private client division over the two-year period following

20

closing. The earn-out is based on 30% of commissionable revenue attributable to specified individuals above a base commissionable revenues amount for the entire two-year earn-out period, up to a maximum payout of \$40.0 million, subject to adjustment in certain events.

Two contingent payments based on revenues attributable to certain individuals in Ryan Beck's existing investment banking division over each of the first two 12-month periods following closing. The earn-out is equal to 25% of the amount by which the investment banking fees attributed to specified individuals in Ryan Beck's investment banking division exceeds \$25.0 million in each of the two 12-month periods following closing.

Each of the contingent payments is payable in cash or Stifel common stock, at Stifel's election. Any shares of Stifel stock delivered as consideration for either of the contingent earn-outs will be valued according to the average of the daily closing price of a share of Stifel stock for the 10 consecutive business days ending on the day prior to the last day of the earn-out period. Stifel is seeking stockholder approval for the issuance of up to 1,000,000 shares of common stock to be used to pay any such contingent earn-out payments; if such earn-out consideration exceeds the value of 1,000,000 shares, then we will pay the balance of the earn-out payments in cash or seek further stockholder approval for the issuance of additional shares at that time.

Because the exercise of such warrants and/or the issuance of shares of Stifel common stock in consideration of the earn-out payments, together with the initial share consideration, would in the aggregate exceed 20% of the outstanding Stifel common stock prior to the Merger, the Stifel Board of Directors is seeking stockholder approval for the issuance of shares of common stock, \$0.15 par value, in connection with the Merger, pursuant to the rules of the New York Stock Exchange (the "NYSE").

It is not possible to determine the exact number of shares issuable in connection with a potential payment of earn-out consideration because (1) the amount of any earn-out payments have not been finally determined, (2) the valuation of such shares as relating to the earn-out payments has not been determined, and (3) Stifel may elect to pay all or a portion of such earn-out payments in cash. However, Stifel is only seeking approval of the issuance of up to 1,000,000 shares in connection with payment of the earn-out consideration, and that would be the maximum amount issuable in respect of the earn-out consideration.

In the event Stifel does not obtain such stockholder approval of Proposal I on or before June 30, 2007, Stifel will be obligated to pay \$20.0 million in cash to the stockholders of Ryan Beck common stock in lieu of issuing the warrants, and Stifel will be required to pay all earn-out payments in cash instead of in shares of Stifel common stock.

Prior to the acquisition, Ryan Beck had established the RB Holdings, Inc. Amended and Restated Common Stock Option Program. In connection with entering into the Merger Agreement, Ryan Beck's board of directors and Bancorp, the sole shareholder of Ryan Beck, took action to cause the options under that plan, to the extent such options were (or could become) in the money to be canceled and converted into the right to receive a portion of the Merger consideration, net of applicable exercise price. The aggregate Merger consideration paid by Stifel did not change as a result of these adjustments to the Ryan Beck options.

Value of the Merger Consideration. Stifel issued 2,467,600 shares at the closing of the Merger. Utilizing a value of \$41.55 per share (which represents the five-day average of the closing price of our stock as reported by the NYSE commencing two days before, and ending two days after, we announced the Merger), that stock had a value of \$102.5 million. In addition, we paid approximately \$2.65 million of cash at the closing of the Merger. As discussed elsewhere in this proxy statement, we also agreed to issue five-year warrants to purchase up to 500,000 shares of our common stock at an exercise price of \$36.00 per share. Using the Black-Scholes valuation method for the warrants, which gives consideration to the price of the underlying stock at the date of grant, the exercise price of the warrant, the expected dividend yield and volatility of the underlying stock, the expected life of the warrant and the corresponding risk free interest rate, such warrants had a value of approximately \$8.5 million. Accordingly, the initial share consideration, the cash and the Black-Scholes value of the warrants totals approximately \$113.7 million. If the stockholders do not approve the issuance of the warrants, we are required to pay cash of \$20.0 million in lieu

21

of issuing the warrants. With the additional cash payment, the aggregate Merger consideration would equal approximately \$125.2 million. If any contingent earn-out consideration is paid, the value of the Merger consideration paid to Bancorp and former optionholders of Ryan Beck will increase by the amount of such contingent consideration paid.

In connection with the closing of the Merger, Stifel entered into a registration rights agreement (the *Registration Rights Agreement*) with Bancorp (on its own behalf and on behalf of the holders of options to acquire shares of Ryan Beck common stock who acquire shares of Stifel common stock in the Merger) relating to the registration of shares of Stifel common stock issued as Merger consideration. The Registration Rights Agreement requires Stifel to register for resale (i) all such shares held by stockholders other than Bancorp within 180 days after the closing of the Merger and (ii) one-third of such shares held by Bancorp within 180 days after the closing of the Merger, and another one-third of such shares held by Bancorp by the first and second anniversaries of Stifel's initial share registration. Additionally, the Registration Rights Agreement includes a lock-up provision under which Bancorp will agree not to sell, other than in a private sale, or enter into a hedging transaction with respect to, such shares for certain amounts of time; specifically, Bancorp may sell one-third of its shares acquired in respect of the Merger after 180 days after the closing of the Merger, two-thirds of its shares acquired in respect of the Merger after 18 months after the closing of the Merger, and all of its shares acquired in respect of the Merger after 30 months after the closing of the Merger. Finally, the Registration Rights Agreement includes standstill provisions under which Bancorp will agree not to, by itself or through its affiliates, acquire shares of Stifel common stock in excess of certain thresholds, and not to otherwise seek to acquire, merge or exert control over Stifel, other than as provided in the Merger Agreement, for a period of time as defined in the Registration Rights Agreement.

The Merger Agreement includes certain non-compete provisions under which Bancorp agreed, for a period of two years after the closing of the Merger, not to directly or indirectly engage in the broker/dealer business in the United States, subject to certain exceptions in the case of acquisitions by or of Bancorp. The Merger Agreement also includes a two-year non-solicitation provision under which Bancorp agreed not to directly or indirectly solicit the employment of Ryan Beck employees engaged in the broker-dealer business.

The Merger Agreement provided for certain customary representations, warranties and covenants on the part of the Stifel, Merger Sub, Bancorp and Ryan Beck, as well as customary closing conditions and the approval of all required governmental and other regulatory entities. The Merger was closed on February 28, 2007, following satisfaction of such closing conditions. The Merger Agreement also provides for indemnification of each of the parties in certain instances.

Voting Agreement

In conjunction with the execution of the Merger Agreement, Stifel also entered into a Voting Agreement effective January 8, 2006 (the *Voting Agreement*) with Bancorp, Western and Southern, and several other individual holders of Stifel's common stock (collectively, the *Stockholders*), under which the Stockholders agreed to vote their shares of Stifel common stock, among other things, in favor of the transactions contemplated

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

by the Merger Agreement including, without limitation, the issuance of the consideration, the warrant and the shares of Stifel common stock issuable upon exercise thereof and shares of Stifel common stock that may become issuable (and paid at the discretion of Stifel) as earn-out consideration, each as described above, and such other matters regarding the Merger so as to facilitate the consummation thereof. Additionally, the Stockholders agreed to vote their shares of Stifel common stock against any action, transaction or agreement that would result in a breach in any respect of any covenant, representation or warranty or any other obligation or agreement under the Merger Agreement or the Voting Agreement.

Interest of Certain Persons in the Merger

Stifel's officers and directors and their associates did not receive any direct or indirect benefit as a result of the transaction that would not be realized by holders of Stifel common stock, generally, and the Board has not identified any conflicts of interest among Stifel's officers and directors.

Stifel anticipates that sometime after the annual stockholders meeting, the Board will appoint Ben A.

22

Plotkin, the chairman and chief executive officer of Ryan Beck, to the Board of Stifel. Mr. Plotkin was not a member of the executive management of Stifel when the Merger was considered, and will not be a member of the Board during the time prior to the approval of the matters that are the subject of this proxy statement. At the time such matters were considered, Mr. Plotkin was chairman of the board of, and was the chief executive officer of, Ryan Beck.

NYSE Listing

In accordance with the rules of the New York Stock Exchange, on which Stifel's common stock is listed for trading, the Company filed a Listing Application for the additional shares of Common Stock issued and issuable pursuant to the Merger Agreement. Prior to the effective time of the merger, the shares issued as initial share consideration were approved and the shares issuable upon exercise of the warrants and as payment for the earn-out consideration were approved, subject to stockholder approval.

Expenses

The Acquisition Agreement provides that all fees and expenses incurred in connection with the Acquisition Agreement and the related transactions will be paid by the party incurring such fees or expenses.

Certain Federal Income Tax Considerations

The acquisition is intended to qualify as a tax-free reorganization pursuant to the provisions of section 368(a)(2)(D) of the Internal Revenue Code of 1986, as amended (the Code). In such tax-free reorganization, the target corporation (in this case, Ryan Beck, the company being acquired), merges with and into a controlled subsidiary of the parent corporation (in this case, Stifel) with the controlled subsidiary surviving. Stifel's Merger Sub is acquiring substantially all of the assets of Ryan Beck in exchange for Merger consideration, which is limited to Stifel common stock and cash. Because the transaction is a merger, Merger Sub will assume all liabilities of Ryan Beck; however, no Merger Sub stock or securities will be issued. Merger Sub will remain a wholly-owned subsidiary of Stifel with Stifel owning 100% of Merger Sub outstanding common stock.

Upon Bancorp's exchange of its Ryan Beck stock for the Merger consideration, it will recognize gain in an amount equal to the lesser of (i) the difference between (A) the fair market value of the Stifel common stock and cash received in the exchange and (B) its basis in the Ryan Beck stock; or (ii) the amount of cash received in the exchange. Bancorp will have a basis in the Stifel common stock received equal to its basis in the Ryan Beck stock exchanged, decreased by the cash received and increased by any gain recognized on the exchange. Stifel has not made any determination as to whether the transaction contemplated by the Merger Agreement will successfully qualify as a tax-free reorganization pursuant to Section 368(a)(2)(D) of the Code, and Bancorp is responsible for obtaining its own independent tax advice with regard to these issues.

In general, Stifel and Merger Sub will not recognize any gain or loss upon the receipt by the Merger Sub of the assets of Ryan Beck in exchange for the Merger consideration and the assumption by Merger Sub of the liabilities of Ryan Beck. The holding period for the assets of Ryan Beck received by Merger Sub will include the period during which such assets were held by Ryan Beck. The tax basis of the assets of Ryan Beck held by Merger Sub will be the same tax basis of such assets in the hands of Ryan Beck immediately prior to the Merger.

Accounting Treatment

The acquisition has been treated as a purchase for financial reporting and accounting purposes, in accordance with generally accepted accounting principles. After the Closing Date, the results of operations of Ryan Beck's business will be included in the consolidated financial statements of Stifel. See Summary Unaudited Pro Forma Combined Financial Data on page 33.

Regulatory Matters

The Merger Agreement provided customary closing conditions, including the approval of all required

23

governmental and other regulatory entities.

The Hart-Scott-Rodino Antitrust Improvements Act of 1976 and the regulations promulgated thereunder (the HSR Act) required Stifel and Bancorp to file notification and report forms with respect to the merger and related transactions with the Antitrust Division of the U.S.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

Department of Justice and the Federal Trade Commission. Stifel and Bancorp both filed their required notifications and report forms on January 16, 2007. Early termination of the waiting period required under the HSR Act was granted on January 30, 2007.

Our acquisition of Ryan Beck was also subject to approval by the National Association of Securities Dealers (NASD), which provided formal written approval on March 2, 2007. The NYSE also provided informal approval of the transaction in February 2007.

There were no other material regulatory approvals required in connection with the Merger.

Vote Required and Recommendation of the Board of Directors

The affirmative vote of a majority of the shares present and entitled to vote at the meeting will constitute approval of Proposal I.

As described above, in conjunction with the execution of the Merger Agreement, directors, officers and principal stockholders of Stifel entered into the Voting Agreement pursuant to which they agreed to vote the shares of Stifel common stock listed in an exhibit to the Voting Agreement in favor of such matters regarding the merger so as to facilitate the consummation thereof, including issuance of the warrants and shares issuable upon exercise thereof and shares issuable to pay a portion of the earn-out consideration. The signatory stockholders to the Voting Agreement collectively beneficially owned, as of the date of the Voting Agreement, 3,020,370 shares of Stifel common stock, constituted approximately 24.3% of the outstanding Stifel common stock as of February 27, 2007, and approximately 24.3% of the shares of Stifel common stock entitled to vote on Proposal I following the consummation of the Merger. Because of the number of shares obligated to be voted in favor of Proposal I, Stifel believes the chances of its approval are substantially improved.

We recommend a vote FOR Proposal I.

Past Contacts, Transactions Or Negotiations

Except as described under Background of the Merger above, there have not been any negotiations, transactions or material contacts during the past two years concerning any merger, consolidation, acquisition, tender offer or other acquisition of any class of Ryan Beck's securities, election of Ryan Beck's directors or sale or other transfer of a material amount of Ryan Beck's assets (i) between Stifel or Merger Sub or any their respective affiliates, on the one hand, and Bancorp, Ryan Beck, their respective executive officers, directors, members or controlling persons, on the other hand, (ii) between any affiliates of Stifel or (iii) between Stifel and its affiliates, on the one hand, and any person not affiliated with Stifel who would have a direct interest in such matters, on the other hand.

Stifel Financial Corp. 2007 Incentive Stock Plan (For Ryan Beck Employees)

The Board of Directors is asking stockholders to approve the Stifel Financial Corp. 2007 Incentive Stock Plan (For Ryan Beck Employees) (the Plan), which will provide incentive equity compensation to certain employees of Ryan Beck in the form of restricted stock units entitling their holders to shares of Stifel common stock upon vesting. The Board of Directors approved the Plan on January 29, 2007, subject to stockholder approval.

Our Board has approved the Plan and recommends that stockholders vote for the Plan.

Background

See the Background section of Proposal I. Issuance of Additional Shares of Stifel Common Stock in Connection with Stifel's Acquisition of Ryan Beck on page 9 for a description of Stifel's acquisition of Ryan Beck. In connection with this transaction, Stifel has agreed to establish a retention program including cash and equity compensation awards (in the form of restricted stock units) for certain investment executives and officers of Ryan Beck. In addition, participants in certain of Ryan Beck's deferred compensation programs were permitted to convert their portion of equity incentive deferred compensation into Stifel's equity incentive deferred compensation in the form of restricted stock units. In order to provide the equity compensation included in such retention program, the Board of Directors is seeking stockholder approval of the Plan, which will provide incentive equity compensation to certain employees of Ryan Beck, as described below.

Purpose of Equity Incentive Plans

We provide equity compensation to our employees as an incentive to increase long-term stockholder value. In connection with Stifel's acquisition of Ryan Beck, Stifel agreed to establish a retention program for certain key employees of Ryan Beck because the Board of Directors and management concluded that equity compensation as a part of such employees' total compensation package following the transaction was required in order to provide incentives to retain these Ryan Beck employees. As a result, the Board of Directors has adopted the Plan. Stifel is now seeking stockholder approval of the Plan.

The purposes of the Plan are to attract and retain the best available personnel for positions of substantial responsibility in Ryan Beck, to provide additional incentive to Ryan Beck employees, and to promote the success of the Ryan Beck business. We believe that equity-based incentives should be a key part of employee compensation, that equity-based awards promote employee attention to the importance of running the business with a focus on revenue growth and profitability and that restricted stock units enable us to compete effectively for the best talent in our industry.

Equity compensation is a key component of employee compensation at Stifel, and we encourage equity ownership. Equity awards give employees the perspective of an owner with a stake in the success of Stifel. We believe that equity awards align the interests of our employees with those of our stockholders by providing an incentive to increase long-term stockholder value. Because our restricted stock unit grants generally vest over a period of three to five years, our employees derive benefit from these restricted stock units only after they have remained with Stifel through the vesting date. Furthermore, we believe that equity awards motivate high levels of performance and provide an effective means of recognizing, rewarding and encouraging employee contributions to our success.

In addition, we believe that equity awards are an important competitive tool in the securities industry and are essential to recruiting and retaining the highly qualified personnel which are key to our success. We believe that we must offer competitive compensation packages in order to attract and retain people who can keep us on a course of continued success. Although higher salaries can compensate to some extent for the lack of equity compensation, we believe that over time we would be at a competitive disadvantage without the focus on success and power of retention provided by equity compensation. Elimination of our equity compensation program would seriously hamper our ability to attract and retain the talent we need to ensure our business continues to be successful. Our

25

entire employee base, substantially all of whom receive equity compensation, are motivated to achieve results that drive stockholder value. We believe our equity compensation programs have been critical in attracting and retaining a highly effective work force.

Description of the Stifel Financial Corp. 2007 Incentive Stock Plan (For Ryan Beck Employees)

Under the terms of the Plan, officers and key employees of Stifel and its subsidiaries who were employed by Ryan Beck or any of its subsidiaries immediately prior to Stifel's consummation of the acquisition of Ryan Beck and its subsidiaries, as determined in the sole discretion of our administrator, will be eligible to receive (a) stock appreciation rights, (b) restricted shares of common stock, (c) performance awards, (d) stock options exercisable into shares of our common stock which may or may not qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986 (options so qualifying are hereinafter referred to as incentive stock options) and (e) stock units. No benefits or amounts under the Plan that will be received by or allocated to our executive officers. The approximate number of persons who may be eligible under the Plan is 250. A description of the Plan follows:

Share Reservation. The total number of shares of our common stock reserved for issuance under the Plan will be 1,200,000 shares, subject to adjustment in the event of any change in the outstanding shares of common stock without new consideration to us (such as by reason of a stock dividend or stock split), and subject to adjustment if a participant in the Plan elects to have tax withholding requirements satisfied by a reduction in the number of shares otherwise deliverable to him or her. Stifel currently anticipates that 600,000 of those shares will be issued upon the exercise of restricted stock units issued for purposes of retaining employees of Ryan Beck, and that 600,000 of those shares will be issued as restricted stock units in exchange for Ryan Beck appreciation units held by Ryan Beck employees under Ryan Beck's deferred compensation plans. The value of the restricted stock units so issued will be the lower of (1) \$47.65 (the closing price as of February 28, 2007, the date of closing of the Merger), or (2) the date on which we obtain stockholder approval.

Administration. The Plan will be administered by either the board of directors or the compensation committee. The administrator, by majority action thereof, is authorized to determine the individuals to whom the benefits will be granted, the type, amount, price, expiration date and other material conditions upon which the benefits will be granted. The administrator has the exclusive authority to interpret and administer the Plan, to establish rules relating to the Plan, to delegate some or all of its authority under the Plan and to take such other steps and make such other determinations as it may deem necessary or advisable.

Stock Appreciation Rights. The administrator may grant stock appreciation rights giving the holder thereof a right to receive, at the time of surrender, a payment equal to the difference between the fair market value of such stock on the date of surrender of the stock appreciation right and the exercise price of the stock appreciation right established by the administrator at the time of grant, subject to any limitation imposed by the administrator in its sole discretion. In the administrator's discretion, the value of a stock appreciation right may be paid in cash or our common stock, or a combination thereof. A stock appreciation right may be granted either independent of, or in conjunction with, any stock option. If granted in conjunction with a stock option, at the discretion of the administrator, a stock appreciation right may either be surrendered

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

(a) in lieu of the exercise of such stock option, (b) in conjunction with the exercise of such stock option or (c) upon expiration of such stock option. The term of any stock appreciation right shall be established by the administrator, but in no event shall a stock appreciation right be exercisable after ten years from the date of grant.

Restricted Stock. The administrator may issue shares of our common stock either as a stock bonus or at a purchase price of less than fair market value, subject to the restrictions or conditions specified by the administrator at the time of grant. During the period of restriction, holders of restricted stock shall be entitled to receive all dividends and other distributions made in respect of such stock and to vote such stock without limitation.

Performance Awards. The administrator may grant performance awards consisting of shares of our common stock, monetary units payable in cash or a combination thereof. These grants would result in the issuance, without payment therefor, of common stock or the payment of cash upon the achievement of certain pre-established performance goals, such as return on average total capital employed, earnings per share or increases in share price,

26

during a specified performance period not to exceed five years. The participating employee will have no right to receive dividends on or to vote any shares subject to performance awards until the goals are achieved and the shares are issued.

Stock Options. Stock options granted under the Plan shall entitle the holder to purchase common stock at a purchase price established by the administrator, which price shall not be less than the fair market value of our common stock on the date of grant in the case of incentive stock options and at any price determined by the administrator in the case of all other options. The administrator shall determine the term of the stock options and the times at, and conditions under which, the stock options will become exercisable. Stock options will generally not be exercisable after ten years from the date of the grant.

There is no maximum or minimum number of shares for which a stock option may be granted; however, for any employee, the aggregate fair market value of our common stock subject to qualifying incentive stock options that are exercisable for the first time in any calendar year may not exceed \$100,000.

Stock Units. The administrator may issue stock units representing the right to receive shares of our common stock at a designated time in the future, subject to the terms and conditions as established by the administrator in its sole discretion. A holder of stock units generally does not have the rights of a stockholder until receipt of the common stock, but, in the administrator's sole discretion, may receive payments in cash or adjustments in the number of stock units equivalent to the dividends the holder would have received if the holder had been the owner of shares of our common stock instead of stock units.

The Board of Directors may terminate the Plan at any time, and from time to time may amend or modify the Plan; provided, however, that no such action of the Board of Directors may, without the approval of our stockholders: (a) increase the total amount of stock or the amount or type of benefit that may be issued under the Plan; (b) modify the requirements as to eligibility for benefits; or (c) reduce the amount of any existing benefit or change the terms or conditions thereof without the participating employee's consent.

Valuation

The fair market value per share of our common stock on any relevant date under the Plan is deemed to be equal to the closing selling price per share on that date on the New York Stock Exchange. On [], the record date, the fair market value per share of our common stock determined on such basis was [].

Dilution

As described below, an employee will realize income as a result of an award of stock units at the time shares are distributed in an amount equal to the fair market value of such shares at that time, and we are entitled to a corresponding tax deduction in the year of such issuance. We may satisfy tax withholding obligations on income associated with such grants by reducing the number of shares otherwise deliverable in connection with such awards, such reduction to be calculated based on a current market price of our stock. Based on current tax law, Stifel anticipates that the shares issued when the awards are paid to the employees will be reduced by approximately 35% to satisfy such withholding obligations, so that approximately 65% of the total restricted stock units that are distributable in any particular year will be converted into issued and outstanding shares. In addition, because transition rules currently in effect relating to deferred compensation, our Board of Directors may determine to accelerate the issuance of shares of common stock issuable under certain outstanding stock unit awards.

The following table illustrates the potential dilutive effect of the Plan (Proposal II):

	<u>Number</u>	<u>%</u>
Stockholders before Plan (including 2,467,600 shares issued at closing of the Merger)	14,906,752	92.5%
Shares pursuant to the Plan (Proposal II)	1,200,000	7.5%
Total	16,106,752	100.0%

The following table illustrates the potential collective dilutive effect of each of the potential issuances of common stock (Proposal I and Proposal II, if both are approved) in connection with this proxy statement, including in the case of Proposal I, the dilutive effect of the issuance of the shares underlying the warrants both with and without the payment of any earn-out consideration:

Federal Income Tax Consequences

No income will be realized by a participating employee on the grant of an incentive stock option or a stock option which is not an incentive stock option, the grant of a stock appreciation right, the award of restricted stock or the award of stock units, and we will not be entitled to a deduction at such time. If a holder exercises an incentive stock option and does not dispose of the shares acquired within two years from the date of the grant, or within one year from the date of exercise of the option, no income will be realized by the holder at the time of exercise. We will not be entitled to a deduction by reason of the exercise. If a holder disposes of the shares acquired pursuant to an incentive stock option within two years from the date of grant of the option or within one year from the date of exercise of the option, the holder will realize ordinary income at the time of disposition equal to the excess, if any, of the lesser of (a) the amount realized on the disposition or (b) the fair market value of the shares on the date of exercise, over the holder's basis in the shares. We generally will be entitled to a deduction in an amount equal to such income in the year of the disqualifying disposition.

Upon the exercise of a stock option that does not qualify as an incentive stock option or the surrender of a stock appreciation right, the excess, if any, of the fair market value of the stock on the date of exercise over the purchase price or base price, as the case may be, is ordinary income to the holder as of the date of exercise. We generally will be entitled to a deduction equal to such excess amount in the year of exercise.

Subject to a voluntary election by the holder under Section 83(b) of the Internal Revenue Code of 1986, a holder will realize income as a result of the award of restricted stock at the time the restrictions expire on such shares. An election pursuant to Section 83(b) of the Internal Revenue Code of 1986 would have the effect of causing the holder to realize income in the year in which such award was granted. The amount of income realized will be the difference between the fair market value of the shares on the date such restrictions expire (or on the date of issuance of the shares, in the event of a Section 83(b) election) over the purchase price, if any, of such shares. We generally will be entitled to a deduction equal to the income realized in the year in which the holder is required to report such income.

An employee will realize income as a result of a performance award at the time the award is issued or paid. The amount of income realized by the participant will be equal to the fair market value of the shares on the date of issuance, in the case of a stock award, and to the amount of the cash paid, in the event of a cash award. We will be entitled to a corresponding tax deduction equal to the income realized in the year of such issuance or payment.

An employee will realize income as a result of an award of stock units at the time shares of our common stock are issued in an amount equal to the fair market value of such shares at that time. We will be entitled to a corresponding tax deduction equal to the income realized in the year of such issuance. Under the Plan, we are entitled to withhold the amount of any tax attributable to any amounts payable or shares deliverable under the Plan.

after giving the person entitled to receive such payment or delivery notice as far in advance as practicable. An employee entitled to any such delivery may, upon notice to us, elect to have such withholding satisfied by a reduction of the number of shares otherwise so deliverable, such reduction to be calculated based on a closing market price on the date of the notice.

Vote Required and Recommendation of the Board of Directors

The affirmative vote of a majority of the shares present and entitled to vote at the meeting will constitute approval of the adoption of the Plan.

As previously reported, in conjunction with the execution of the Merger Agreement, directors, officers and principal stockholders of Stifel entered into the Voting Agreement pursuant to which they agreed to vote the shares of Stifel common stock listed in an exhibit to the Voting Agreement in favor of such matters regarding the merger so as to facilitate the consummation thereof. The signatory stockholders to the Voting Agreement collectively beneficially owned, as of the date of the Voting Agreement, 3,020,370 shares of Stifel common stock, constituting approximately 24.3% of the outstanding Stifel common stock as of February 27, 2007, and approximately 20.3% of the shares entitled to vote on Proposal II following the consummation of the Merger. Because of the number of shares obligated to be voted in favor of Proposal II, the chances of its approval are greatly improved.

We recommend a vote **FOR** the adoption of the Plan.

SUMMARY UNAUDITED PRO FORMA COMBINED FINANCIAL DATA

(In thousands, except per share amounts)

The following unaudited pro forma combined financial statements give effect to the acquisition by Stifel Financial Corp. (Stifel or the Company) of Ryan Beck Holdings, Inc. (Ryan Beck) and its wholly-owned broker-dealer subsidiary Ryan Beck & Company, Inc. on February 28, 2007 (the Transaction). Under the terms of the purchase agreement, Stifel paid initial consideration of \$2,653 in cash and issued 2,467,600 shares of Company common stock valued at \$41.55 per share which was the five day average closing price of Company common stock for the two days prior to, the day of, and two days subsequent to January 9, 2007, the date the negotiations regarding the principal financial terms were substantially completed, for a total initial consideration of \$105,181. In addition Stifel will issue five-year immediately exercisable warrants to purchase up to 500,000 shares of Company common stock at an exercise price of \$36.00 per share, pending shareholder approval. The estimated value of the warrants on date of announcement using the Black-Scholes pricing model was \$8,530. Stifel is also obligated to make certain contingent payments based on the performance of Ryan Beck 's private client and investment banking divisions over the two-year period following closing, which may be made in Company common stock or cash. The Company is seeking shareholder approval of the warrants and the issuance of up to 1,000,000 additional shares of Company common stock for the payment of potential earn-out consideration. If shareholder approval is not obtained by June 30, 2007, the Company will pay \$20,000 cash in lieu of the warrants and will make any earn-out payments in cash.

In addition to the transaction described above, Stifel has agreed: i) to establish a retention program for certain associates of Ryan Beck valued at \$45,191, consisting of \$24,423 cash and \$20,768 of Stifel restricted stock units (Units) using a share price of \$47.65, the price on the date of closing; ii) to fund \$7,800 change in control payments for certain executives of Ryan Beck; and iii) to issue Units valued at \$10,418 using a share price of \$47.65, the price on the date of closing, in exchange for Ryan Beck Appreciation Units related to the Ryan Beck deferred compensation plan, of which \$1,053 is fully vested and accrued on Ryan Beck's financial statements as "accrued employee compensation" as of the date of closing. The unaudited pro forma financial statements reflect the establishment of the retention program, the payment of the change in control payments, and the issuance of units in exchange for Ryan Beck Appreciation Units.

The unaudited pro forma combined statement of financial condition presents the combined financial position of Stifel and Ryan Beck as of December 31, 2006 as if the transactions had occurred as of that date. The unaudited pro forma combined statement of operations is presented for the twelve months ended December 31, 2006 as if the transactions had occurred at the beginning of the period. The acquisition of Ryan Beck was completed on February 28, 2007. As of the date of this document, Stifel has estimated the fair values of the assets acquired and liabilities assumed. The excess of the purchase price over the estimated fair values of the net assets of Ryan Beck acquired has been reflected as goodwill. The unaudited pro forma does not take into consideration the significant cost savings that Stifel expects to achieve from the elimination of clearing fees and redundant corporate overhead expenses, and increased interest income from customer 's margin receivables.

The actual effect of these transactions upon Stifel 's financial statements may differ from that reflected in these unaudited pro forma combined financial statements as a result of (i) the completion of the valuation study required to finalize the purchase price allocation which may ultimately result in a portion of the purchase price allocation being allocated to identifiable intangible assets subject to amortization and (ii) final resolution of contingent consideration for the acquisition.

The unaudited pro forma combined financial statements are provided for informational purposes only and are not necessarily indicative of the financial position or results of operations had the transactions occurred on the dates specified above, nor are they indicative of any results of operations or financial position that may occur in the future. The unaudited pro forma combined financial statements do not include integration costs, other than other transactions or events that the combined entity may undertake or experience as a result of the acquisition. As such,

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

changes in revenue or expense levels, or cost savings, are not presented in the unaudited pro forma combined financial statements. These unaudited pro forma combined financial statements should be read in conjunction with the historical financial statements and notes thereto of Stifel and Ryan Beck.

STIFEL FINANCIAL CORP.

NOTES TO UNAUDITED PRO FORMA COMBINED FINANCIAL STATEMENTS

(in thousands, except share and per share amounts)

Unaudited Pro Forma Adjustments

The unaudited pro forma combined statement of financial condition has been prepared to reflect the acquisition of Ryan Beck by Stifel. Unaudited pro forma adjustments have been made to the combined statement of financial condition to reflect:

- a) An adjustment to record goodwill for the amount of cash proceeds paid and stock and warrants issued in excess of the net book value of \$89,841 in accordance with the acquisition agreement, capitalize certain transaction charges, and reflect \$10,706 of short-term borrowings from banks to fund the cash payments. Incremental interest expense on the short-term borrowings from banks to fund the

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

cash payments made in the acquisition has not been reflected, as it is assumed that the short-term borrowings would be repaid the next day. In the event shareholder approval of the warrants is not obtained, Stifel would be required to pay \$20,000 cash, which would result in an increase in goodwill of \$11,470 for a total of \$45,741 based on the net book value of \$89,841. Furthermore, the unaudited pro forma combined statement of financial condition would exclude the liability of \$8,530 related to the warrants and reflect an increase of \$20,000 in short-term borrowings for a total of \$30,706 to fund the cash payment. Any and all future contingent payments would be required to be paid in cash.

- b) An adjustment to record \$24,423 cash payment for the establishment of a retention program for certain Ryan Beck associates. The cash payment will be established as loans and advances to investment executives and forgiven by a charge to employee compensation and benefits over a seven year period. In addition to the cash payment, Stifel anticipates issuing 632,371 unvested Units and 22,097 fully vested Units valued at \$30,133 and \$1,053, respectively, using a share price of \$47.65, the price on the date of closing, for the establishment of the retention program and the exchange of Ryan Beck Appreciation Units related to the Ryan Beck deferred compensation plan. Amortization will be on a straight-line basis over the vesting period. See further discussion at Note d) below related to the unaudited pro forma adjustments to the unaudited combined statement of operations.
- c) An adjustment to record the \$7,800 change in control payment for certain Ryan Beck executives per the agreement.

The unaudited pro forma combined statement of operations has been prepared to reflect the acquisition of Ryan Beck by Stifel. Unaudited pro forma adjustments have been made to reflect:

- d) An adjustment to increase the compensation and benefits to reflect the first year amortization charge of \$3,489 related to the upfront cash payments of \$24,423 and the first year compensation expense of \$4,624 related to the 632,371 unvested Units granted in establishing the retention program for certain Ryan Beck associates and exchange for Ryan Beck Appreciation Units related to the Ryan Beck deferred compensation plan. The first year expense of \$4,624 excludes approximately \$1,873 of compensation expense associated with Ryan Beck Appreciation Units as such amount has already been included in the Ryan Beck Historical Statement of Operations under the caption Employee compensation and benefits. The upfront cash payments will be established as loans and advances to investment executives and forgiven by a charge to employee compensation and benefits over a seven year period. The restricted stock units will be amortized on a straight-line basis over the vesting period.
- e) An adjustment to reflect the income tax benefit related to the unaudited pro forma adjustments based on the Company's effective tax rate.

37

- f) Unaudited pro forma combined basic earnings (loss) per share is computed by dividing unaudited pro forma net loss by the weighted average number of common shares outstanding during the periods, including the 2,467,600 shares of common stock issued in the acquisition. Dilutive securities of 2,395,226 included in Stifel historical financial statements and representing the dilutive effect of employee benefit plans calculated using the treasury method have been excluded in the calculation of unaudited pro forma diluted loss per share as the inclusion would have the effect of being anti-dilutive. In addition, the dilutive effect of the warrants issued in the acquisition calculated at 4,303 using the treasury method, have also been excluded in the calculation of unaudited diluted earnings loss per share as the inclusion would have the effect of being anti-dilutive. No dilutive effect is assumed for the issuance of Units in the establishment of the Ryan Beck retention program and the exchange of Ryan Beck Appreciation Units related to the Ryan Beck deferred compensation plan as the issuance and exchange is assumed to occur at the then current market price of Stifel common stock.

COMPARATIVE HISTORICAL AND PRO FORMA PER SHARE DATA**(UNAUDITED)**

Set forth below are historical and pro forma amounts, per share of Stifel and Ryan Beck common stock, of income from continuing operations, cash dividends and book value.

The following table also sets forth combined per share data on an unaudited pro forma consolidated basis. The pro forma amounts were derived using the purchase method of accounting for business combinations as described under Unaudited Pro Forma Combined Statement of Financial Condition above. In accordance with *Emerging Issues Task Force No. 99-12, Determination of the Measurement Date for the Market Price of Acquirer Securities Issued in a Purchase Business Combination*, the fair value of Stifel securities issued in the Merger is based on a stock price of \$41.55 per share, which corresponds to the average closing stock price of a share of Stifel common stock for the five-day period beginning two days before and ending two days after January 9, 2006 (the date the combination was announced), and not the price of a Stifel share when the Merger was completed. The closing price of a Stifel share on April 26, 2007 (the last trading day prior to the date of this document) was \$47.31 per share.

ANNEX I

STIFEL FINANCIAL CORP. 2007

INCENTIVE STOCK PLAN (FOR RYAN BECK EMPLOYEES)

1. Purpose. The purpose of the 2007 Stifel Financial Corp. Incentive Stock Plan is to encourage eligible key employees of Stifel Financial Corp. (the Corporation) and such subsidiaries of the Corporation as the Administrator designates, to acquire shares of common stock of the Corporation (Common Stock) or to receive monetary payments based on the value of such stock or based upon achieving certain goals on a basis mutually advantageous to such employees and the Corporation and thus provide an incentive for employees to contribute to the success of the Corporation and align the interests of key employees with the interests of the stockholders of the Corporation.

2. Administration. The Plan shall be administered by the Board of Directors of the Corporation or the Compensation Committee of the Board of Directors (the Administrator).

The authority to select persons eligible to participate in the Plan, to grant benefits in accordance with the Plan, and to establish the timing, pricing, amount and other terms and conditions of such grants (which need not be uniform with respect to the various participants or with respect to different grants to the same participant), may be exercised by the Administrator in its sole discretion, or by any member of the Compensation Committee of the Board of Directors upon a specific recommendation from the Executive Committee of Stifel, Nicolaus & Company.

Subject to the provisions of the Plan, the Administrator shall have exclusive authority to interpret and administer the Plan, to establish appropriate rules relating to the Plan, to delegate some or all of its authority under the Plan and to take all such steps and make all such determinations in connection with the Plan and the benefits granted pursuant to the Plan as it may deem necessary or advisable.

The Board of Directors in its discretion may delegate and assign specified duties and authority of the Administrator to any other committee and retain the other duties and authority of the Administrator to itself. Also, the Board of Directors in its discretion may appoint a separate committee of outside directors to make awards that satisfy the requirements of Section 162(m) of the Internal Revenue Code.

3. Shares Reserved Under the Plan. Subject to the provisions of Section 12 (relating to adjustment for changes in capital stock) the Plan initially reserved for issuance under the Plan an aggregate of 1,200,000 shares of Common Stock of the Corporation, which may be authorized but unissued or treasury shares, which may be awarded pursuant to any of the types of benefits described in Section 5 in the ten-year period commencing January 1, 2007.

As used in this Section 3, the term Plan Maximum shall refer to the number of shares of Common Stock of the Corporation that are available for grant of awards pursuant to the Plan. Stock underlying outstanding options, stock appreciation rights, or performance awards will reduce the Plan Maximum while such options, stock appreciation rights or performance awards are outstanding. Shares underlying expired, canceled or forfeited options, stock appreciation rights or performance awards shall be added back to the Plan Maximum. If a Participant elects under Section 14 to have tax withholding requirements satisfied by a reduction of the number of shares otherwise deliverable, the Plan Maximum shall be reduced by the net (rather than the gross) number of shares issued pursuant to such distribution, regardless of the number of shares surrendered for withholding. If the exercise price of stock options is paid by delivery of shares of Common Stock of the Corporation, or if the Administrator approves the withholding of shares from a distribution in payment of the exercise price, the Plan Maximum shall be reduced by the net (rather than the gross) number of shares issued pursuant to such exercise, regardless of the number of shares surrendered or withheld in payment. If the Administrator approves the payment of cash to an optionee equal to the difference between the fair market value and the exercise price of stock subject to an option, or if a stock appreciation right is exercised for cash or a performance award is paid in cash, the Plan Maximum shall be increased by the number of shares with respect to which such payment is applicable. Restricted stock issued pursuant to the Plan will reduce the Plan Maximum while outstanding even while subject to restrictions. Shares of restricted stock

I-1

shall be added back to the Plan Maximum if such restricted stock is forfeited or is returned to the Corporation as part of a restructuring of benefits granted pursuant to this Plan.

Edgar Filing: STIFEL FINANCIAL CORP - Form PRER14A

Notwithstanding the above, the maximum number of shares subject to stock options that may be awarded in any calendar year to any individual shall not exceed 100,000 shares (as adjusted in accordance with Section 11).

4. Participants. Participants will consist solely of such officers and key employees of the Corporation or any designated subsidiary who were employed by Ryan Beck Holdings, Inc. or any of its subsidiaries immediately prior to consummation of the acquisition of Ryan Beck Holdings, Inc. and its subsidiaries by Stifel Financial Corp., as the Administrator in its sole discretion shall determine. Designation of a participant in any year shall not require the Administrator to designate such person to receive a benefit in any other year or to receive the same type or amount of benefit as granted to the participant in any other year or as granted to any other participant in any year. The Administrator shall consider such factors as it deems pertinent in selecting participants and in determining the type and amount of their respective benefits.

5. Types of Benefits. The following benefits may be granted under the Plan: (a) stock appreciation rights (SARs); (b) restricted stock (Restricted Stock); (c) performance awards (Performance Awards); (d) incentive stock options (ISOs); (e) nonqualified stock options (NQSOs) and (f) Stock Units, all as described below.

6. Stock Appreciation Rights. A SAR is the right to receive all or a portion of the difference between the fair market value of a share of Common Stock at the time of exercise of the SAR and the exercise price of the SAR established by the Administrator, subject to such terms and conditions set forth in a SAR agreement as may be established by the Administrator in its sole discretion. At the discretion of the Administrator, SARs may be exercised (a) in lieu of exercise of an option, (b) in conjunction with the exercise of an option, (c) upon lapse of an option, (d) independent of an option or (e) each of the above in connection with a previously awarded option under the Plan. If the option referred to in (a), (b) or (c) above qualified as an ISO pursuant to Section 422 of the Internal Revenue Code of 1986 (Code), the related SAR shall comply with the applicable provisions of the Code and the regulations issued thereunder. At the time of grant, the Administrator may establish, in its sole discretion, a maximum amount per share which will be payable upon exercise of a SAR, and may impose conditions on exercise of a SAR. At the discretion of the Administrator, payment for SARs may be made in cash or shares of Common Stock of the Corporation, or in a combination thereof. SARs will be exercisable not later than ten years after the date they are granted and will expire in accordance with the terms established by the Administrator.

7. Restricted Stock. Restricted Stock is Common Stock of the Corporation issued or transferred under the Plan (other than upon exercise of stock options or as Performance Awards) at any purchase price less than the fair market value thereof on the date of issuance or transfer, or as a bonus, subject to such terms and conditions set forth in a Restricted Stock agreement as may be established by the Administrator in its sole discretion. In the case of any Restricted Stock:

(a) The purchase price, if any, will be determined by the Administrator.

(b) The period of restriction shall be established by the Administrator for any grants of Restricted Stock;

(c) Restricted Stock may be subject to (i) restrictions on the sale or other disposition thereof; (ii) rights of the Corporation to reacquire such Restricted Stock at the purchase price, if any, originally paid therefor upon termination of the employee's employment within specified periods; (iii) representation by the employee that he or she intends to acquire Restricted Stock for investment and not for resale; and (iv) such other restrictions, conditions and terms as the Administrator deems appropriate.

(d) The participant shall be entitled to all dividends paid with respect to Restricted Stock during the period of restriction and shall not be required to return any such dividends to the Corporation in the event of the forfeiture of the Restricted Stock.

(e) The participant shall be entitled to vote the Restricted Stock during the period of restriction.

(f) The Administrator shall determine whether Restricted Stock is to be delivered to the participant with an appropriate legend imprinted on the certificate or if the shares are to be issued in the name of a nominee or deposited in escrow pending removal of the restrictions.

8. Performance Awards. Performance Awards are Common Stock of the Corporation, monetary units or some combination thereof, to be issued without any payment therefor, in the event that certain performance goals established by the Administrator are achieved over a period of time designated by the Administrator, but not in any event more than five years. The goals established by the Administrator may include return on average total capital employed, earnings per share, increases in share price or such other goals as may be established by the Administrator. In the event the minimum corporate goal is not achieved at the conclusion of the period, no payment shall be made to the participant. Actual payment of the award earned shall be in cash or in Common Stock of the Corporation or in a combination of both, as the Administrator in its sole discretion determines. If Common Stock of the Corporation is used, the participant shall not have the right to vote and receive dividends until the goals are achieved and the actual shares are issued.

9. Incentive Stock Options. ISOs are stock options to purchase shares of Common Stock at not less than 100% of the fair market value of the shares on the date the option is granted, subject to such terms and conditions set forth in an option agreement as may be established by the Administrator in its sole discretion that conform to the requirements of Section 422 of the Code. Said purchase price may be paid (a) by check or (b), in the discretion of the Administrator, by the delivery of shares of Common Stock of the Corporation owned by the participant for at least six months, or (c), in the discretion of the Administrator, by a combination of any of the foregoing, in the manner provided in the option agreement. The aggregate fair market value (determined as of the time an option is granted) of the stock with respect to which ISOs are exercisable for the first time by an optionee during any calendar year (under all option plans of the Corporation and its subsidiary corporations) shall not exceed \$100,000.

10. Nonqualified Stock Options. NQSOs are nonqualified stock options to purchase shares of Common Stock at purchase prices established by the Administrator on the date the options are granted, subject to such terms and conditions set forth in an option agreement as may be established by the Administrator in its sole discretion. The purchase price may be paid (a) by check or (b), in the discretion of the Administrator, by the delivery of shares of Common Stock of the Corporation owned by the participant for at least six months, or (c), in the discretion of the Administrator, by a combination of any of the foregoing, in the manner provided in the option agreement. NQSOs granted after the date of stockholder approval of the Plan shall be exercisable no later than ten years after the date they are granted.

11. Stock Units. A Stock Unit represents the right to receive a share of Common Stock from the Corporation at a designated time in the future, subject to such terms and conditions set forth in a Stock Unit agreement as may be established by the Administrator in its sole discretion. The participant generally does not have the rights of a stockholder until receipt of the Common Stock. The Administrator may in its discretion provide for payments in cash, or adjustment in the number of Stock Units, equivalent to the dividends the participant would have received if the participant had been the owner of shares of Common Stock instead of the Stock Units.

12. Adjustment Provisions.

(a) If the Corporation shall at any time change the number of issued shares of Common Stock without new consideration to the Corporation (such as by stock dividends or stock splits), the total number of shares reserved for issuance under this Plan and the number of shares covered by each outstanding benefit shall be adjusted so that the aggregate consideration payable to the Corporation, if any, and the value of each such benefit shall not be changed. Benefits may also contain provisions for their continuation or for other equitable adjustments after changes in the Common Stock resulting from reorganization, sale, merger, consolidation, issuance of stock rights or warrants, or similar occurrence.

I-3

(b) Notwithstanding any other provision of this Plan, and without affecting the number of shares reserved or available hereunder, the Board of Directors may authorize the issuance or assumption of benefits in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate.

13. Nontransferability. Each benefit granted under the Plan to an employee shall not be transferable otherwise than by will or the laws of descent and distribution; provided, however, NQSOs granted under the Plan may be transferred, without consideration, to a Permitted Transferee (as defined below). Benefits granted under the Plan shall be exercisable, during the participant's lifetime, only by the participant or a Permitted Transferee. In the event of the death of a participant, exercise or payment shall be made only:

(a) By or to the Permitted Transferee, executor or administrator of the estate of the deceased participant or the person or persons to whom the deceased participant's rights under the benefit shall pass by will or the laws of descent and distribution; and

(b) To the extent that the deceased participant or the Permitted Transferee, as the case may be, was entitled thereto at the date of his death.

For purposes of this Section 13, Permitted Transferee shall include (i) one or more members of the participant's family, (ii) one or more trusts for the benefit of the participant and/or one or more members of the participant's family, or (iii) one or more partnerships (general or limited), corporations, limited liability companies or other entities in which the aggregate interests of the participant and members of the participant's family exceed 80% of all interests. For this purpose, the participant's family shall include only the participant's spouse, children and grandchildren.

14. Taxes. The Corporation shall be entitled to withhold the amount of any tax attributable to any amounts payable or shares deliverable under the Plan after giving the person entitled to receive such payment or delivery notice as far in advance as practicable, and the Corporation may defer making payment or delivery as to any benefit if any such tax is payable until indemnified to its satisfaction. The person entitled to any such delivery may, by notice to the Corporation at the time the requirement for such delivery is first established, elect to have such withholding satisfied by a reduction of the number of shares otherwise so deliverable, such reduction to be calculated based on a closing market price on the date of such notice.

15. Tenure. A Participant's right, if any, to continue to serve the Corporation and its subsidiaries as an officer, employee, or otherwise, shall not be enlarged or otherwise affected by his or her designation as a participant under the Plan.

16. Duration, Interpretation, Amendment and Termination. No benefit shall be granted more than ten years after the date of adoption of this Plan; provided, however, that the terms and conditions applicable to any benefit granted within such period may thereafter be amended or modified by mutual agreement between the Corporation and the participant or such other person as may then have an interest therein. Also, by mutual agreement between the Corporation and a participant hereunder, stock options or other benefits may be granted to such participant in substitution and exchange for, and in cancellation of, any benefits previously granted such participant under this Plan. To the extent that any stock options or other benefits which may be granted within the terms of the Plan would qualify under present or future laws for tax treatment that is beneficial to a recipient, then any such beneficial treatment shall be considered within the intent, purpose and operational purview of the Plan and the discretion of the Administrator, and to the extent that any such stock options or other benefits would so qualify within the terms of the Plan, the Administrator shall have full and complete authority to grant stock options or other benefits that so qualify (including the authority to grant, simultaneously or otherwise, stock options or other benefits which do not so qualify) and to prescribe the terms and conditions (which need not be identical as among recipients) in respect to the grant or exercise of any such stock option or other benefits under the Plan. The Board of Directors may amend the Plan from time to time or terminate the Plan at any time. However, no action authorized by this paragraph shall reduce the amount of any existing benefit or change the terms and conditions thereof without the participant's consent. No amendment of the Plan shall, without approval of the stockholders of the Corporation, (a) increase the total number of shares which may be issued under the Plan or increase the amount or type of benefits

I-4

that may be granted under the Plan; or (b) modify the requirements as to eligibility for benefits under the Plan.

17. Effective Date. This 2007 Stifel Financial Corp. Incentive Stock Plan shall become effective as of the date it is adopted by the Board of Directors of the Corporation subject only to approval by the holders of a majority of the outstanding voting stock of the Corporation within twelve months before or after the adoption of the Plan by the Board of Directors.

The undersigned hereby certifies that this 2007 Stifel Financial Corp. Incentive Stock Plan was adopted by the Board of Directors of the Corporation at its special meeting on January 29, 2007.

The Board of Directors

Stifel Financial Corp.

501 North Broadway

St. Louis, Missouri 63102

Members of the Board:

You have requested our opinion as to the fairness, from a financial point of view, to Stifel Financial Corp. (Stifel) of the Merger Consideration (defined below) to be paid by Stifel pursuant to the terms and subject to the conditions set forth in the Agreement and Plan of Merger, dated as of January 8, 2007 (the Merger Agreement), by and among Stifel, SF RB Merger Sub, Inc., Ryan Beck Holdings, Inc. (Ryan Beck) and BankAtlantic Bancorp, Inc. (Bancorp). As more fully described in the Merger Agreement, (i) SF RB Merger Sub, Inc. will be merged with and into Ryan Beck (the Merger) and (ii) each share of the common stock, \$0.001 par value per share, of Ryan Beck (Ryan Beck Common Stock) issued and outstanding immediately prior to the Effective Time (as defined in the Merger Agreement) shall, by virtue of the Merger, automatically without any action on the part of the holder thereof be converted into the right to receive, upon surrender of the certificate representing each such share, if any, its Pro Rata Portion (as defined in the Merger Agreement) of (A) 2,531,278 shares (Initial Share Consideration) of the common stock, \$0.15 par value per share, of Stifel (Stifel Common Stock); (B)(1) subject to the receipt by Stifel of the approval of Stifel s shareholders with respect to the same, warrants to purchase an aggregate of 500,000 shares of Stifel Common Stock at an exercise price of \$36.00 per share, pursuant to the Warrant (as defined in the Merger Agreement), or (2) in the event such shareholder approval is not obtained, cash in the amount of \$20,000,000; and (C) the Earn-Out Consideration (as defined in the Merger Agreement), if any (collectively, the Merger Consideration).

In arriving at our opinion, we reviewed the Merger Agreement and held discussions with certain senior officers, directors and other representatives and advisors of Stifel and certain senior officers and other representatives and advisors of Ryan Beck concerning the business, operations and prospects of Stifel and Ryan Beck.
