December 20, 2002

Dear Netzee, Inc. Shareholder:

You are cordially invited to attend a Special Meeting of Shareholders of Netzee, Inc. The Special Meeting will be held at 6190 Powers Ferry Road, Atlanta, Georgia 30339, on December 30, 2002 at 10:00 a.m. local time. At the Special Meeting, you will be asked to vote on the following proposals:

To approve an Asset Purchase Agreement between Netzee and Down Acquisition Corporation, a wholly-owned subsidiary of Certegy Inc., and the sale of substantially all of our assets to Down Acquisition Corporation pursuant to the terms of the Asset Purchase Agreement;

To approve and adopt a Plan of Complete Liquidation and Dissolution pursuant to which we would liquidate and dissolve Netzee, and to approve the liquidation and dissolution of Netzee; and

Any other business that may properly come before the Special Meeting.

After careful consideration, the Board of Directors has determined that the sale of substantially all of Netzee's assets pursuant to the Asset Purchase Agreement and the liquidation and dissolution of Netzee pursuant to the Plan of Liquidation and Dissolution are in the best interests of shareholders and would maximize shareholder value. Therefore, the Board of Directors has unanimously approved these proposals and recommends that you vote FOR each of the proposals.

The affirmative vote of the holders of a majority of the shares of our outstanding common stock entitled to vote will be required to approve both the sale of assets pursuant to the Asset Purchase Agreement and to approve the Plan of Liquidation and Dissolution. The approval of the holder of our Series B 8% Convertible Preferred Stock is also required, although such holder has already consented to the transactions.

It is important that your shares are represented at the Special Meeting. Whether or not you plan to attend the Special Meeting, please provide your proxy or broker instruction card as instructed by these materials. Please note that, as described in more detail in the enclosed proxy statement, completing the provided proxy or instruction card will not prevent you from attending the Special Meeting and voting in person.

We urge you to carefully review the enclosed materials, which explain the reasons for the proposals to be voted on at the Special Meeting and contain other important information, including copies of the Asset Purchase Agreement, the Plan of Liquidation and Dissolution and the provisions of Georgia law with respect to dissenters' rights, attached as appendices to the proxy statement. Your vote is very important, and we appreciate your cooperation in considering and acting on the matters presented.

Sincerely,

DONNY R. JACKSON
President and Chief Executive Officer

PROXY STATEMENT

**SPECIAL MEETING OF SHAREHOLDERS
To be Held on December 30, 2002**

SUMMARY TERM SHEET

These proxy materials are to be first sent or given to shareholders on or about December 20, 2002. The following summary highlights the material terms of the proposed asset sale and Plan of Complete Liquidation and Dissolution. We have included page references to direct you to more complete information which appears elsewhere in this proxy statement. A copy of the Asset Purchase Agreement governing the asset sale is attached to this proxy statement as Appendix A. A copy of the Plan of Liquidation and Dissolution is attached to this proxy statement as Appendix B. You should read this proxy statement, the Asset Purchase Agreement, the Plan of Liquidation and Dissolution and the other materials attached to this proxy statement in their entirety to fully understand the proposals and their consequences to you.

Time, Date and Place of Meeting

A special meeting of shareholders will be held at our principal executive offices, located at 6190 Powers Ferry Road, Atlanta, Georgia 30339, on Monday, December 30, 2002 at 10:00 a.m. local time. The Board of Directors of Netzee, Inc. is providing these proxy materials to you in connection with the special meeting.

The Sale of Substantially All of Our Assets (pages 8 through 19)

Parties to the Asset Sale (page 8)

Netzee, Inc. is a Georgia corporation. We provide Internet and telephone banking solutions and services to community financial institutions in the United States. Netzee's stock is quoted on the OTC Bulletin Board under the symbol NETZ.

Certegy Inc. is a Georgia corporation. Certegy Inc. provides credit and debit card processing, check risk management services and check cashing services, as well as Internet and telephone banking solutions, to financial institutions and merchants throughout the world. Certegy Inc.'s stock is traded on the New York Stock Exchange under the symbol CEY.

Down Acquisition Corporation is a Georgia corporation and an indirect wholly-owned subsidiary of Certegy Inc. Down was incorporated by Certegy solely for the purpose of acquiring the assets of Netzee. We refer to Down Acquisition Corporation as Down or Certegy throughout this proxy statement. We refer to Down's ultimate parent as Certegy Inc. throughout this proxy statement.

Assets Being Sold and Purchase Price (pages 12 and 13)

We intend to sell substantially all of our operating assets to Certegy for the purchase price of \$10.4 million in cash. We are not transferring our cash, cash equivalents or securities. Under the terms of

Table of Contents

the Asset Purchase Agreement, \$800,000 of the purchase price will be placed into escrow with an independent escrow agent to secure our indemnification obligations to Certegy, as described below.

Liabilities (page 13)

Certegy has agreed to assume only certain of our liabilities which are limited to liabilities under existing business contracts that arise after the closing, prepaid subscription balances as of the closing date and liabilities under specified contracts entered into after the effective date of the Asset Purchase Agreement. We will remain responsible for all of our other liabilities, including any liabilities relating to the operation of our business prior to the closing date, such as pre-existing indebtedness, tax liabilities, liabilities relating to certain employment matters and liabilities to our shareholders.

Indemnification and Escrow (page 16)

We have agreed to indemnify Certegy for certain matters, including:

losses arising from any breaches by us of representations, warranties, covenants or agreements contained in the Asset Purchase Agreement or related agreements;

if our accounts receivable at the closing date is less than \$800,000;

liabilities not assumed by Certegy;

any third party challenging the asset sale as being part of a fraudulent conveyance; and

claims arising from the operation of our business prior to the closing of the asset sale.

Certegy has agreed to indemnify us for certain matters, including:

losses arising from any breaches by Certegy of representations, warranties, covenants or agreements contained in the Asset Purchase Agreement or related agreements;

losses related to the liabilities assumed by Certegy to the extent the losses arise out of actions that occur after the closing of the asset sale; and

losses arising out of the ownership or operation of the purchased assets, which losses are incurred after the closing of the asset sale.

In most cases, the total indemnification obligation of each party will be limited to the amount of the escrowed portion of the purchase price.

Conditions to Closing (page 16)

There are several conditions that, unless waived, the parties must satisfy in order to complete the asset sale. These include:

approval of the asset sale, the Asset Purchase Agreement, the Plan of Liquidation and Dissolution, and the liquidation and dissolution of Netzee by the holders of our common stock and the holder of our Series B 8% Convertible Preferred Stock;

obtaining the release of all liens, except permitted liens, from our assets;

the accuracy of all representations and warranties made in the Asset Purchase Agreement by us and Certegy;

the performance of all covenants and agreements by us and Certegy;

the absence of a material adverse change to the assets to be purchased by Certegy or to our business;

obtaining all necessary third party consents and releases;

Table of Contents

the execution of a marketing agreement between Certegy Inc. and InterCept, Inc., our largest shareholder; and

other routine closing conditions.

Termination (page 15)

Netzee and Certegy may mutually agree to terminate the Asset Purchase Agreement at any time. Additionally, either party may terminate the agreement if:

the asset sale has not closed on or before January 15, 2003;

a governmental authority prohibits the asset sale;

our shareholders do not approve the asset sale and the Plan of Liquidation and Dissolution; or

the other party materially breaches its representations, warranties, covenants or agreements.

In the event of termination, neither party will be required to pay a termination fee.

Voting Agreements and Related Matters (page 7)

Each of our two largest common shareholders entered into a voting agreement with Certegy Inc. to vote its shares in favor of the asset sale and the Plan of Liquidation and Dissolution. The shares held by these shareholders represent approximately 44.9% of the shares of common stock outstanding and entitled to vote at the special meeting. In addition, our directors and executive officers individually control approximately 5.1% of our common stock entitled to vote at the special meeting. While these individuals are not parties to a voting agreement, they have indicated their present intention to vote in favor of both the asset sale and the Plan of Liquidation and Dissolution. Therefore, shareholder approval of the asset sale and Plan of Liquidation and Dissolution is very likely.

Plan of Liquidation and Dissolution (pages 19 through 22)

Operations of Netzee Following the Asset Sale (page 19)

As soon as practicable after the completion of the asset sale, assuming shareholder approval of the Plan of Liquidation and Dissolution, we intend to begin the liquidation and dissolution process in accordance with the plan.

Overview of the Plan of Liquidation and Dissolution (pages 19-20)

As soon as practicable following the approval of the Plan of Liquidation and Dissolution and the completion of the sale of substantially all of our assets to Certegy, we will file a Notice of Intent to Dissolve with the Georgia Secretary of State. We will then proceed to wind up our business. When all of our debts, liabilities and obligations have been paid, or adequate provision for the payment of them has been made, and we have distributed assets to shareholders in accordance with the Plan of Liquidation and Dissolution, we intend to file Articles of Dissolution with the Georgia Secretary of State. Once the Articles of Dissolution have been filed, we will cease to exist under Georgia law except for limited purposes.

Distribution of the Proceeds of the Asset Sale (page 20)

Under the Plan of Liquidation and Dissolution, we intend to take the following steps at or promptly following the closing of the asset sale in the following order:

Pay our lenders approximately \$3.3 million (approximately 25% of the total amount owed to these lenders), and pay the holder of our Series B preferred stock approximately \$2.1 million (approximately 25% of the liquidating preference to which these shares are entitled);

Pay or otherwise discharge all of our other known and undisputed liabilities as of the closing of the asset sale;

Table of Contents

Set aside and reserve amounts sufficient as determined by the Board of Directors, in its judgment, to satisfy disputed, contingent and unknown claims; and

After taking each of the foregoing steps, intend to make a liquidating distribution of up to \$0.50 per share to the holders of our outstanding common stock, other than holders who have validly exercised and perfected their dissenters' rights; however, this amount may be reduced if claims are asserted against us prior to the making of such distribution.

Any amounts remaining after taking the foregoing steps and paying all of our expenses related to the asset sale and our liquidation and dissolution will be paid to our lenders and the holder of our Series B preferred stock in the manner specified by the Plan of Liquidation and Dissolution.

Vote Required for Approval (page 7)

The affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote is necessary for approval of each of the proposals. Additionally, under the terms of our Series B preferred stock, the holder of a majority of the outstanding shares of such stock must consent to the transactions contemplated by the Plan of Liquidation and Dissolution. We have already received this consent.

Each of the two proposals is contingent upon the other. Therefore, if shareholders do not approve the asset sale, we will not proceed with our liquidation and dissolution, and if shareholders do not approve the Plan of Liquidation and Dissolution, we will not complete the asset sale.

Reasons for the Asset Sale and Liquidation and Dissolution (page 10)

After considering a wide variety of strategic alternatives, and alternative transactions, and conducting an extensive auction process with the assistance of an independent financial consultant, our Board of Directors has determined that the asset sale followed by the liquidation and dissolution of Netzee in accordance with the Plan of Liquidation and Dissolution is the best method of maximizing shareholder value.

Interests of Officers, Directors and Principal Shareholders (page 11)

Certain of our directors and executive officers may have interests in the asset sale and Plan of Liquidation and Dissolution that differ from, or are in addition to, their interests as holders of our common stock. For example, some of our executive officers are entitled to severance payments in connection with the asset sale, and some of our directors hold unvested options which will vest upon the closing of the asset sale. In addition, we have entered into a credit facility with our two largest shareholders.

Recommendation of the Board (pages 19 and 22)

Our Board of Directors has unanimously approved, and unanimously recommends that our shareholders approve, the sale of assets to Certegy, the Asset Purchase Agreement, the liquidation and dissolution of Netzee and the Plan of Liquidation and Dissolution.

No Fairness Opinion (page 11)

The Board of Directors has not sought or obtained an opinion as to the fairness, from a financial point of view, of the consideration to be received by shareholders in the asset sale and the liquidation and dissolution of Netzee.

Material U.S. Federal Income Tax Consequences (pages 12 and 21)

It is expected that any gain recognized by Netzee from the asset sale for federal income tax purposes will be offset by our current and prior year net operating losses. The asset sale will not be a taxable event to you as a holder of our common stock. Any cash distributions to you in the liquidation and dissolution of

Table of Contents

Netzee will be a taxable event to you for U.S. federal income tax purposes, and you will generally recognize gain or loss based on the difference between the amount of cash you receive and your tax basis in your shares of Netzee common stock. Because determining your specific tax consequences can be complicated, you should consult your own tax advisor in order to fully understand how the transactions described in this proxy statement will affect you.

Dissenters' Rights (pages 17 and 21)

If you wish to object to the asset sale, Georgia law permits you to dissent from and demand payment in cash for the fair value of your shares.

If you wish to dissent and demand such payment of fair value for your shares, you must deliver to us before the vote is taken at the special meeting written notice of your intent to demand such payment. Additionally, you must **not** sign and return a proxy in favor of the asset sale or vote your shares in favor of the asset sale at the special meeting.

No later than 10 days after the completion of the asset sale, we will send written notice to all shareholders who satisfied all of the applicable requirements for exercising dissenters' rights under Georgia law. This notice will provide instructions on where payment demands must be sent, the date by which we must receive a payment demand, and a copy of the dissenters' rights provisions of Georgia law.

The relevant provisions of Georgia law with respect to dissenters' rights, a copy of which is attached as Appendix C to this proxy statement, are technical and complex. If you wish to exercise your dissenters' rights, you are advised to consult, at your expense, with your legal counsel, since the failure to comply strictly with these provisions may result in the forfeiture of your dissenters' rights.

If you sign and return a proxy, you will have voted in favor of the asset sale and thus you will forfeit your dissenters' rights. Please see pages 17 and 18, as well as Appendix C, for more information on dissenters' rights under Georgia law.

You are not entitled to dissenters' rights in connection with the approval of the Plan of Liquidation and Dissolution.

PROXY AND VOTING INFORMATION

Who May Vote

Holders of record of Netzee common stock on November 29, 2002 may vote at the Special Meeting or any adjournment or postponement of the meeting. On November 29, 2002, we had 3,327,442 shares of common stock issued and outstanding held of record by approximately 249 persons. Each shareholder is entitled to one vote per share.

Record Ownership Versus Beneficial Ownership Through a Nominee

Many of our shareholders hold their shares through a broker, bank or other nominee rather than directly in their own names. As summarized below, there are some distinctions between shares held of record and those owned beneficially through a broker, bank or other nominee.

Shares Owned as a Shareholder of Record. If your shares are registered directly in your name with our transfer agent, SunTrust Bank of Atlanta, you are considered, with respect to those shares, to be the shareholder of record, and we are sending these proxy materials directly to you as such. As the shareholder of record, you may give representatives of Netzee a proxy to vote your shares as you direct, or you may vote in person at the Special Meeting. We have enclosed a proxy card for you to use.

Shares Owned Beneficially Through a Broker, Bank or Other Nominee. Shares that are registered in the name of a brokerage account or by a bank or other nominee are commonly referred to as being held in street name. If you hold your shares in street name, these proxy materials were forwarded to you by

Table of Contents

your broker or nominee, which is considered, with respect to those shares, to be the shareholder of record. As the beneficial owner of shares held in street name, you have the right to direct the nominee how to vote your shares. You also have the right to attend the Special Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Special Meeting unless you first obtain a signed proxy from the shareholder of record giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares or obtain a proxy from the nominee.

How to Vote in Person at the Special Meeting

Shares held directly in your name as the shareholder of record may be voted in person at the Special Meeting. If you choose to do so, please bring the enclosed proxy card and proof of identification. If you hold your shares in street name, you must have a signed proxy from the broker, bank or other nominee in order to vote your shares in person at the Special Meeting.

Even if you currently plan to attend the Special Meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting.

How to Vote Without Attending the Special Meeting

Whether you hold shares directly as the shareholder of record or in street name, you may direct your vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank or nominee. In most instances, you will be able to do this by mail. Please refer to the instructions included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee.

How to Change Your Vote

You may change your proxy or voting instruction at any time prior to the vote at the Special Meeting. For shares held directly in your name, you may accomplish this by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) or by attending the special meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares held by you in street name, you may accomplish this by submitting new voting instructions to your broker, bank or nominee, or you may vote your shares at the special meeting if you have first obtained a proxy from your broker, bank or nominee.

How Proxies Work

Giving your proxy means that you authorize us to vote your shares at the Special Meeting in the manner you direct. If you sign, date and return the enclosed proxy or instruction card but do not specify how to vote, we will vote your shares for approval of the asset sale and the Asset Purchase Agreement, and for approval and adoption of the liquidation and dissolution of Netzee and the Plan of Complete Liquidation and Dissolution. We do not know of any other matters that will be brought before the Special Meeting. If, however, other matters are properly brought before the Special Meeting, we will vote your proxy on those matters if and as you have given us the authority to do so.

How to Revoke a Proxy

You may revoke your proxy before it is voted by submitting prior to the Special Meeting a new proxy with a later date, or by written notice prior to the Special Meeting to: Secretary, Netzee, Inc., 6190 Powers Ferry Road, Suite 400, Atlanta, Georgia 30339.

What is a Quorum?

In order to carry on the business of the meeting, we must have a quorum. A quorum requires the presence, in person or by proxy, of the holders of a majority of the votes of each class of stock entitled to

Table of Contents

be cast at the meeting. We count abstentions and broker non-votes as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when you fail to provide voting instructions to your broker, bank or nominee for shares that the broker, bank or nominee holds in street name. Under those circumstances, the broker, bank or nominee may be authorized to vote for you on some routine items but prohibited from voting on other items. Those items for which your broker cannot vote result in broker non-votes.

How Many Votes are Required to Approve Each Proposal?

The affirmative vote of a majority of the outstanding shares of common stock entitled to vote is necessary for approval of each of the proposals. For this purpose, if you vote to abstain on these proposals, your shares will have the same effect as if you voted against the proposals. A broker non-vote also will have the same effect. Additionally, under the provisions of our Articles of Incorporation, we must obtain the consent of the holders of a majority of the outstanding shares of Series B preferred stock with respect to the transactions contemplated by the Plan of Liquidation and Dissolution, which consent has been obtained.

For all other matters that the shareholders are entitled to vote upon at the meeting, the matter will be approved if more votes are cast in favor of the action than against the action. Accordingly, an abstention from voting or a broker non-vote on such other matters by a shareholder will be disregarded for those purposes.

Each of the two proposals is contingent upon the other. Therefore, if shareholders do not approve the asset sale, we will not proceed with our liquidation and dissolution, and if shareholders do not approve the Plan of Liquidation and Dissolution, we will not complete the asset sale.

Voting Agreements and Related Matters

Holders of approximately 44.9% of our common stock have entered into voting agreements with Certegy Inc. to vote their shares in favor of the asset sale and Plan of Liquidation and Dissolution. In addition, directors and officers who individually control 5.1% of our common stock have indicated that they presently intend to vote in favor of each of the proposals, although these individuals are not parties to a voting agreement. Therefore, the approval of our shareholders as to these matters is very likely.

Who Will Pay for this Proxy Solicitation?

Netzee is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders.

How Can You Submit a Shareholder Proposal for the Next Annual Meeting?

If our shareholders do not approve the asset sale and Plan of Liquidation and Dissolution, or if the asset sale is not completed and the remaining assets of Netzee are not liquidated and Netzee is not dissolved, we will continue to hold annual shareholder meetings. In such event, you may submit proposals for consideration at future shareholder meetings, including director nominations. Shareholders who intend to submit proposals to Netzee for inclusion in our proxy statement for the 2003 Annual Meeting of Shareholders must submit such proposals so that they are received by Netzee no later than December 30, 2002. Such proposals must comply with Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended, and all other applicable proxy rules and requirements contained in Netzee's bylaws relating to shareholder proposals in order to be included in Netzee's proxy materials.

Table of Contents

Shareholders who wish to submit a proposal for consideration (other than nominations for election of directors) at Netzee's 2003 Annual Meeting of Shareholders, but who do not wish to submit the proposal for inclusion in Netzee's proxy statement pursuant to Rule 14a-8, must submit their proposal to Netzee in accordance with the procedures set forth in Netzee's bylaws no earlier than January 13, 2003 and no later than February 12, 2003. Shareholders who intend to nominate persons for election to the Board of Directors at the 2003 Annual Meeting of Shareholders must submit such nominations to Netzee, and in accordance with the procedures set forth in Netzee's bylaws, no earlier than February 12, 2003 and no later than March 14, 2003.

Shareholder nominations for election of directors and other proposals should be submitted to: Secretary, Netzee, Inc., 6190 Powers Ferry Road, Suite 400, Atlanta, Georgia 30339. You may also contact our corporate secretary at the above address for a copy of the relevant bylaw provisions regarding the requirements for making shareholder proposals and nominating director candidates.

Forward-Looking Statements

When used in this proxy statement, the words "expects", "believes", "intends", "anticipates", "plans", and similar expressions are intended to identify forward-looking statements. Such forward-looking statements are not a guarantee of future results and involve risks and uncertainties. Actual results may differ materially from those contemplated by these forward-looking statements as a result of risks and uncertainties described in this proxy statement, including that we may not be able to complete proposed transactions as described in the proxy statement; that we may have significant liabilities or obligations that are currently contingent or are unknown to us; that our known, unknown, disputed or contingent liabilities or obligations may be greater than we currently anticipate; changes in financial markets; and general economic and industry conditions.

PROPOSAL ONE SALE OF SUBSTANTIALLY ALL OF OUR ASSETS

Under this proposal, shareholders are being asked to approve the Asset Purchase Agreement and to authorize the sale of substantially all of our assets pursuant thereto. On December 5, 2002, we entered into the Asset Purchase Agreement with Down Acquisition Corporation, a wholly owned subsidiary of Certegy Inc., to sell substantially all of our assets. We recommend that you carefully read the Asset Purchase Agreement attached hereto as Appendix A which sets forth the terms and conditions of the asset sale. We use the terms "Down" or "Certegy" in this proxy statement to refer to Down Acquisition Corporation, and the term "Certegy Inc." to refer to Down's ultimate parent.

Down Acquisition Corporation

Down Acquisition Corporation is an indirect wholly-owned subsidiary of Certegy Inc. Down was incorporated by Certegy Inc. solely for the purpose of acquiring the assets of Netzee. Down s principal executive offices are located at 11720 Amber Park Drive, Alpharetta, Georgia 30004, and its telephone number is (678) 867-8000.

Background of the Asset Sale

During late 2000, it became clear that Netzee was not achieving the growth for which it had planned, and that access to additional capital would be difficult. As a result, during late 2000 and in 2001, we took steps to reduce expenses and sell our non-core businesses. As a result of these efforts, we reduced the number of our employees by approximately 50%.

In the summer of 2001, Netzee formed a Special Committee of independent directors and engaged Robertson Stephens Inc. to explore strategic alternatives. Robertson Stephens contacted 34 companies identified by Robertson Stephens as candidates for a strategic transaction with, or acquisition of, Netzee. Confidentiality agreements were signed with 13 of these companies and two informal expressions of interest to acquire Netzee were ultimately received. However, neither party chose to pursue an acquisition of Netzee at that time and conversations with these parties ended in early 2002.

In early 2002, the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation and the Department of Banking and Finance of the State of Georgia, working together, expressed concerns about our condition and operations and requested that Netzee sign a Memorandum of Understanding in which Netzee agreed to take certain actions, make periodic reports to the regulators and refrain from paying dividends, among other things. In February 2002, Netzee signed a Memorandum of Understanding with these regulators.

In August 2002, the Board reviewed a comprehensive management presentation on the current state of Netzee. As a result of this presentation, the Board considered the current and anticipated attrition of our customer base, the lack of a significant amount of new customers, the current concerns of the regulators and our obligations to repay our debt and redeem our shares of Series B preferred stock. The Board considered the impact on Netzee of alternatives to a sale of the company, including continuing operations as before, substantially reducing current operations, and restructuring our debt and Series B preferred stock. The Board concluded that pursuing a strategic sale of substantially all of our assets

followed by a liquidation and dissolution would be likely to produce the greatest value for Netzee's shareholders.

As a result, the Board determined to re-examine strategic alternatives, particularly the sale of Netzee. We engaged an independent financial consultant familiar with the industry segment and potential purchasers to assist in this process. This consultant contacted 17 prospective purchasers and received four expressions of interest.

One of the indications of interest proposed to acquire only certain of our operating assets for a significantly lower price than Certegy's proposal, and would have left us with assets that, in the Board's judgment, would be difficult to dispose of independently of our other assets for a reasonable price, if at all. The second indication of interest offered consideration primarily consisting of stock in the acquiror, an illiquid, privately-held company. Upon inquiry by the Board, this company was unwilling to acquire Netzee in a cash or primarily cash transaction. The third indication of interest was comprised primarily of deferred and contingent consideration. The Board determined that the Certegy proposal was superior to the other proposals because it provided for a substantial cash payment at closing, which would increase the likelihood that we would be able to make a liquidating distribution to our shareholders, as well as to allow us to pay our lenders and our preferred shareholder a substantially reduced amount in satisfaction of these obligations.

On November 5, 2002, the Board authorized Netzee to negotiate a transaction with Certegy based upon Certegy's proposal which included a purchase price of \$10.0 million. We notified Certegy that we were interested in pursuing its proposal. Shortly thereafter, we began to negotiate the terms of an Asset Purchase Agreement, and Certegy began to conduct due diligence. On November 21, 2002, a first draft of the Asset Purchase Agreement was distributed to us and our counsel. On December 4, 2002, after the parties and their counsel had engaged in extensive negotiations, the Board met by telephone conference call to consider the terms of the proposed agreement with Certegy, which included a purchase price of \$10.4 million, of which \$800,000 was to be placed in escrow for indemnification purposes. After thoroughly reviewing and discussing the terms of the agreement and the Plan of Liquidation and Dissolution and all of the alternatives available to us, the Board unanimously approved the sale of substantially all of our assets to Certegy and the subsequent liquidation and dissolution of Netzee as set forth in the Plan of Liquidation and Dissolution, and approved submitting the Asset Purchase Agreement and the Plan of Liquidation and Dissolution to the shareholders of Netzee for approval. On December 5, 2002, the Asset Purchase Agreement was executed by the parties thereto.

Prior to negotiating the asset sale with Certegy, the Board negotiated with Netzee's lenders and the holder of the Series B preferred stock to increase the likelihood that we would be able to make a cash distribution to the holders of our common stock upon the liquidation of Netzee. As a result of these negotiations, our lenders agreed to receive substantially less than the amount of the outstanding obligations that we owed them, and the holder of the Series B preferred stock agreed to receive substantially less than the full liquidation preference for such shares. **In the absence of such an agreement, the holders of our common and preferred stock would receive nothing in any liquidation of Netzee.**

Reasons for the Asset Sale and the Plan of Liquidation and Dissolution and Recommendation of the Board

Our Board of Directors unanimously determined that the asset sale and the Plan of Liquidation and Dissolution are in the best interests of our shareholders and unanimously recommended that our shareholders approve the asset sale pursuant to the terms of the Asset Purchase Agreement and the Plan of Liquidation and Dissolution pursuant to the terms thereof. The Board considered the following positive and negative factors in reaching this conclusion:

Our business, financial condition, earnings and prospects, including losses of significant customers and the maturity in April 2003 of our existing credit facility (which has historically been used to fund operations) and the redemption rights under our Series B preferred stock;

Table of Contents

The continuing nature of our operating losses and the likelihood that such losses would continue in the future;

The difficulties of operating under increased regulatory scrutiny pursuant to the Memorandum of Understanding;

The fact that the due date for much of our debt, and the redemption date for our Series B preferred stock, was approaching, and that given our current cash flow and liquidity we would likely be unable to pay the debt when due or redeem the Series B preferred stock when required;

That the Board conducted an extensive review of strategic alternatives and concluded that a sale of assets followed by the liquidation and dissolution of Netzee provided the best method of maximizing shareholder value;

That the Board conducted an extensive auction process and, after completion of this process, believed that the alternatives to the Certegy transaction were either not feasible or not reasonably likely to provide equal or greater value to our shareholders;

That the expected per share distribution to holders of our common stock under the Plan of Liquidation and Dissolution represents a premium over the recent market prices of our common stock, as well as a premium over any amounts that they could expect to receive in a liquidation under the United States Bankruptcy Code;

That pursuant to the Certegy transaction and the Plan of Liquidation and Dissolution, Netzee's lenders have agreed to receive substantially less than the full amount of the outstanding obligations under the credit facility, and the holder of our Series B preferred stock has agreed to receive substantially less than the liquidation preference of such stock; and

That such lenders and the holder of our Series B preferred stock have agreed to reduce the amounts owed to them, resulting in the increased likelihood that Netzee would be able to make a distribution of cash to its shareholders, which they would not otherwise be entitled to receive absent such agreement;

The risk that the asset sale might not be consummated;

The lack of an opinion as to the fairness, from a financial point of view, of the asset sale and liquidation to our shareholders from an independent financial advisor; and

The fact that under Georgia law, shareholders may, in limited circumstances and for a limited time, have ongoing liability for claims that we are unable to pay up to the amount of any liquidating distributions they have received.

The factors described above were not the only factors considered by the Board. The Board did not find it practicable to quantify or otherwise assign relative weights to any of the factors considered. However, after taking into account all of the factors, the Board unanimously concluded that the asset sale was in the best interests of our shareholders. For these reasons, the Board of Directors has unanimously approved the asset sale and the Asset Purchase Agreement, and unanimously recommends that the shareholders approve the asset sale and the Asset Purchase Agreement.

No Fairness Opinion

We have not sought nor obtained an opinion of a financial advisor relating to the fairness of the proposed asset sale. Our Board of Directors concluded that the expense of a fairness opinion was not justified in light of the total consideration contemplated by the Asset Purchase Agreement. Moreover, the Board concluded that in light of the extensive auction process and its consideration of the applicable alternatives to an asset sale, a fairness opinion was not necessary for the protection of shareholders.

Interests of Certain Persons in the Asset Sale and Plan of Liquidation and Dissolution

In considering the proposals, holders of our common stock should be aware that some of our executive officers, directors, and significant shareholders have interests in the transactions that differ from, or are in addition to, their interests as holders of common stock. In particular:

InterCept and John H. Harland Company are owners of approximately 28% and 15%, respectively, of our common stock and lent us in the aggregate approximately \$13 million under a credit facility. These shareholders will be paid a total of \$3.3 million at the closing of the asset sale in full satisfaction of all indebtedness under the credit facility. Our lenders will also be entitled to receive the remainder, if any, of our assets following the liquidation and dissolution of Netzee and the application of appropriate contingency reserves to pay claims that are unknown, contingent or disputed.

Donny R. Jackson, our President, Chief Executive Officer and a director, is entitled under his employment agreement to receive severance payments. Mr. Jackson has agreed to forego a portion of his severance payment so that Kevin R. Lee, our Senior Vice President, Operations, and Jarett J. Janik, our Vice President, Chief Financial Officer and Secretary, may receive appropriate severance compensation from Netzee. As a result, Netzee will pay approximately \$425,000 to Mr. Jackson, \$232,000 to Mr. Lee, and \$193,000 to Mr. Janik, as severance compensation as a result of the asset sale.

The Asset Purchase Agreement contemplates that Certegy will offer employment to substantially all of our employees, including our executive officers. Any employment offered by Certegy will be on terms reasonably comparable to the terms of these individuals' present employment with us. Further, after the completion of the asset sale, we will enter into a consulting arrangement with Mr. Janik whereby he will agree to assist us with our liquidation and dissolution. The terms of this consulting arrangement have not presently been determined.

Each of Brad Putnam and Kurt Collins, two of our directors, currently owns an option to purchase 25,000 shares of common stock at an exercise price of \$0.35 per share. One-fourth of each of these options are currently vested; the remainder will vest upon the completion of the asset sale. When we make a liquidating distribution to holders of our common stock, Messrs. Putnam and Collins would receive the amount by which the per share distribution exceeds the exercise price of their options, in addition to a distribution on shares of common stock otherwise owned by them.

InterCept, the holder of approximately 28% of our common stock, will be required as a condition to the Asset Purchase Agreement to enter into an agreement with Certegy Inc. to market, promote and otherwise distribute the electronic banking and related services offered by Certegy and its affiliates.

Federal Income Tax Consequences of the Asset Sale

It is expected that any gain recognized by Netzee from the asset sale for federal income tax purposes will be offset by our current and prior year net operating losses. The sale of assets will not be a taxable event to holders of our common stock. However, any distributions we make to common shareholders during our liquidation will be taxable events under the federal tax laws. See Proposal Two Plan of Liquidation and Dissolution Material U.S. Federal Income Tax Consequences for a summary of the tax consequences of our liquidation and dissolution.

Operation of Netzee after the Asset Sale

As soon as practicable after the completion of the asset sale, assuming shareholder approval of the Plan of Liquidation and Dissolution, we intend to begin the liquidation and dissolution process by filing a Notice of Intent to Dissolve with the Georgia Secretary of State. After this notice is filed, we must limit our activities to activities related to our winding down and liquidation, as described in Proposal Two below.

Dissenters' Rights

Set forth below is a summary of the procedures relating to the exercise of dissenters' rights under the Georgia Business Corporation Code (the "GBCC"). The following summary does not purport to be a complete statement of the provisions of Article 13 of the GBCC and is qualified in its entirety by reference to Appendix C hereto and to any amendment to such provisions as may be adopted after the date of this proxy statement. The provisions for exercising dissenters' rights are complex and must be complied with precisely. Any Netzee shareholder intending to dissent from the proposed asset sale should consult carefully the text of Appendix C and is also advised to consult legal counsel.

The GBCC provides dissenters' rights for record shareholders of Netzee who object to the asset sale and meet the requisite statutory requirements contained in Article 13. Under these provisions, if you are a record shareholder and wish to exercise your dissenters' rights, you must:

Deliver to Netzee before the vote on the asset sale is taken written notice of your intent to demand payment for your shares if the asset sale is completed; and

NOT sign and return a proxy in favor of the asset sale or vote your shares in favor of the asset sale in person at the Special Meeting.

No later than 10 days after the asset sale is completed, we will send to all record shareholders who satisfy the above requirements a written notice that will (i) supply a form for demanding payment, (ii) state where the payment demand must be sent and where and when certificates for such shareholder's shares must be deposited, (iii) set a date by which Netzee must receive the payment demand, which date may not be fewer than 30 nor more than 60 days after the dissenters' notice is mailed, and (iv) be accompanied by a copy of Article 13.

A record shareholder who was sent a dissenters' notice and who wishes to assert dissenters' rights must demand payment and deposit certificates for such shares in accordance with the terms of the notice. If any such record shareholder shall have failed to perfect or shall have effectively withdrawn or lost his or her dissenters' rights, such shareholder shall not be entitled to payment for his or her shares. Dissenting shareholders will retain the rights of a shareholder pending any liquidating distribution made with respect to their shares in accordance with the Plan of Liquidation and Dissolution.

Within 10 days of the later of the date the asset sale is consummated or receipt of a payment demand, Netzee must offer to pay each dissenting shareholder who complied with the requirements of Article 13 the amount Netzee estimates to be the fair value of such shareholder's shares of Netzee stock, plus interest accrued from the effective time of the asset sale to the date of payment. The offer for payment must be accompanied by certain financial information relating to Netzee, a statement of Netzee's estimate of the fair value of the shares, an explanation of how the interest was calculated, a statement of the dissenting shareholder's right to demand payment under Article 13 and a copy of Article 13. Netzee must pay the amount stated in the offer of payment to each dissenting shareholder who, within 30 days after Netzee's offer, agrees in writing to accept such payment in full satisfaction of his or her demand. A shareholder who does not respond to Netzee's offer within such 30-day period will be deemed to have accepted the offer. If the dissenting shareholder accepts Netzee's offer as described above or is deemed to have accepted such offer by failure to respond within such 30-day period, payment for his or her shares shall be made within 60 days after the making of the offer or the consummation of the asset sale,

Table of Contents

whichever is later. If the asset sale is not effected within 60 days after the date set for demanding payment and depositing certificates, Netzee will return the deposited certificates and, if the asset sale is subsequently effected, Netzee will deliver a new dissenters' notice and repeat the payment demand procedure.

A dissenting shareholder may notify Netzee in writing of his or her own estimate of the fair value of such shares and the amount of interest due, and demand payment of such estimate, if the dissenting shareholder believes that the amount offered by Netzee is less than the fair value of his or her shares or that the interest due is incorrectly calculated. A dissenting shareholder waives his or her right to demand payment as described in the preceding sentence and is deemed to have accepted Netzee's offer unless he or she notifies Netzee of his demand in writing within 30 days after Netzee offered payment for his shares.

If Netzee fails to make a payment offer within the required period, a dissenting shareholder may demand the financial information required to be included in a payment offer, which must be supplied by Netzee within 10 days of its receipt of written request therefor, and such shareholder may at any time, subject to the applicable statute of limitations, notify Netzee of such shareholder's estimate of the fair value of his or her shares and interest due and make demand for payment thereof.

If a demand for payment remains unsettled, Netzee shall commence a proceeding within 60 days after receiving the payment demand and petition the court to determine the fair value of the shares and accrued interest. If Netzee does not commence the proceeding within the 60-day period, it shall pay each dissenting shareholder whose demand remains unsettled the amount demanded.

A record shareholder may assert dissenters' rights as to fewer than all the shares registered in such shareholder's name only if the shareholder dissents with respect to all shares beneficially owned by any one beneficial shareholder and notifies Netzee in writing of the name and address of each person on whose behalf the shareholder asserts dissenters' rights. The rights of such a partial dissenting shareholder are determined as if the shares as to which he or she dissents and his or her other shares were registered in the names of different shareholders.

THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE ASSET SALE AND THE ASSET PURCHASE AGREEMENT AND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL OF THE ASSET SALE AND THE ASSET PURCHASE AGREEMENT.

PROPOSAL TWO PLAN OF COMPLETE LIQUIDATION AND DISSOLUTION

General

Under this proposal, shareholders are being asked to approve and adopt the Plan of Complete Liquidation and Dissolution and to approve the liquidation of our assets and our dissolution pursuant to the terms thereof. Under the Plan of Liquidation and Dissolution, the Company will file a Notice of Intent to Dissolve with the Georgia Secretary of State as soon as practicable after the Special Meeting. We will then proceed to wind up our affairs, attempt to convert all of our remaining assets into cash or cash equivalents, pay or adequately provide for the payment of all of our obligations and liabilities and distribute assets to our shareholders in accordance with the Plan of Liquidation and Dissolution, as described below. A copy of the Plan of Liquidation and Dissolution is attached as Appendix B to this proxy statement. We encourage you to read this document in its entirety.

Principal Provisions of the Plan of Liquidation and Dissolution

Dissolution and Liquidation Procedure

If both the asset sale and the Plan of Liquidation and Dissolution are approved, as soon as practicable following the closing of the asset sale, we will file a Notice of Intent to Dissolve with the Georgia Secretary of State. After the Notice of Intent to Dissolve is filed, we will take the steps described below to

Table of Contents

wind up our affairs at such times and in such manner as our Board of Directors, in its discretion, deems appropriate or advisable.

Revocation of the Plan of Liquidation and Dissolution

At any time prior to the filing of Articles of Dissolution with the Georgia Secretary of State as described below, our Board of Directors may, without further shareholder approval, decide to revoke the dissolution proceedings by delivering to the Georgia Secretary of State a Notice of Revocation of Intent to Dissolve. We may then carry on our business as if we had never begun dissolution proceedings. However, the Board of Directors has no present intention to revoke dissolution proceedings once commenced.

Conduct after Filing Notice of Intent to Dissolve

After we file the Notice of Intent to Dissolve, we will not engage in any activities other than:

collecting our assets;

disposing of our properties;

paying, or making reasonable provision to pay, our liabilities;

distributing cash to shareholders in complete cancellation and redemption of our shares in the manner described in the Plan of Liquidation and Dissolution; and

taking other actions necessary to wind up our affairs.

The Board of Directors and our executive officers will oversee our dissolution and liquidation.

Sale of Remaining Assets

The Plan of Liquidation and Dissolution allows us to sell, exchange, or otherwise dispose of our remaining property and assets, if any, after completion of the asset sale. Any sales or dispositions may be on any terms and for such consideration as our Board of Directors deems appropriate.

Plan of Distribution

We intend to allocate and distribute the proceeds of the asset sale, net of expenses associated with the asset sale, liquidation and dissolution, in accordance with a plan of distribution previously negotiated among us, our lenders, and the holder of our Series B preferred stock. This plan of distribution is set forth on Schedule A to the Plan of Liquidation and Dissolution. Under this plan of distribution, we intend to distribute the proceeds of the asset sale as described below:

At or promptly following the closing, we will pay our lenders, InterCept and Harland, approximately \$2.3 million and \$1.0 million, respectively. These amounts represent approximately 25% of the total outstanding amounts due to each of these lenders. At the same time, we will pay the sole holder of our Series B preferred stock approximately \$2.1 million, which is approximately 25% of the liquidation preference to which these shares would otherwise be entitled.

Following the closing, we will pay or otherwise discharge all of our other known and undisputed liabilities as of the closing date.

Following the closing, we will also establish reserves and set aside amounts that our Board determines are appropriate and adequate to pay any disputed, contingent and unknown liabilities.

After we have paid or discharged our known and undisputed liabilities as described above, we intend to make a liquidating distribution to the holders of our common stock of up to \$0.50 per share (except with respect to holders who have validly exercised and perfected their dissenters' rights), which based upon 3,327,442 shares outstanding as of November 29, 2002, would be approximately \$1.7 million in the aggregate; however, this amount may be reduced if claims are asserted against us prior to the making of such distribution.

Table of Contents

Any amounts remaining after taking the foregoing steps and paying all of our expenses related to the asset sale and our liquidation and dissolution will be paid to our lenders and the holder of our Series B preferred stock.

Articles of Dissolution

As soon as practicable after we have completed our liquidation in accordance with the Plan of Liquidation and Dissolution, we will execute and file with the Georgia Secretary of State Articles of Dissolution. Upon filing of the Articles of Dissolution, Netzee will cease to exist except for limited purposes specified in the Georgia Business Corporation Code.

Cessation of Trading of Our Common Stock

At or around the time that we have completed our distribution of cash to our common shareholders, we will make the appropriate filings with the Securities and Exchange Commission to allow us to cease filing periodic and current reports and other information with the SEC. At the same time, we will also close our stock transfer books and prices of our common stock will cease to be reported on the OTC Bulletin Board.

Notice to Claimants; Potential Liability of Our Shareholders After Dissolution

The Plan of Liquidation and Dissolution requires that we establish contingency reserves for disputed or unknown claims, contingencies and expenses. If we do not set aside enough cash and other assets in the reserve to satisfy all such liabilities that may arise, claims may be brought against us that we cannot pay. In addition, in certain circumstances, claims may be brought against us after our dissolution. In these instances, under Georgia law, our shareholders could be liable pro rata to successful claimants. However, in no event would a shareholder be liable for an amount greater than the shareholder received in any liquidating distribution.

Immediately after filing and publishing our Notice of Intent to Dissolve, we will deliver to our known claimants a notice regarding our dissolution proceedings and instructions to deliver any claims to us by a deadline, which may not be less than six months from the date on which the known claimants are given notice. If our known claimants do not deliver their claims as instructed by the deadline, the claims will be barred. If they deliver their claims as instructed and we deny them, they will have one year to bring an action to enforce the claim.

In addition, claimants that are not currently known to us, or that have claims that are contingent, may still bring claims against us in certain circumstances. We will include in our published Notice of Intent to Dissolve a request that all persons with claims against us contact us to submit their claims. Except for claims that are contingent when we file our Notice of Intent to Dissolve, existing claims will be barred unless a proceeding to enforce the claim is brought within two years of the publication date. Claims that are contingent when we file our Notice of Intent to Dissolve, or claims that arise after the filing of our Notice of Intent to Dissolve, will be barred if not brought within the later of two years of our filing of Articles of Dissolution or five years of publishing our Notice of Intent to Dissolve.

No Dissenters Rights

Shareholders are not entitled to dissenters rights under Georgia law in connection with the Plan of Liquidation and Dissolution.

Material U.S. Federal Income Tax Consequences

The following discussion summarizes the material U.S. federal income tax consequences to holders of our common stock as a result of our liquidation and dissolution pursuant to the Plan of Liquidation and Dissolution. This discussion is based on the Internal Revenue Code of 1986, as amended, treasury regulations promulgated under the Internal Revenue Code, judicial decisions, and administrative rulings as

Table of Contents

of the date of this proxy statement, all of which are subject to change or differing interpretations, including changes and interpretations with retroactive effect. The discussion below does not address all U.S. federal income tax consequences or any state, local or foreign tax consequences of our liquidation and dissolution. Shareholders subject to special treatment, including dealers in securities or foreign currency, tax-exempt entities, non-U.S. shareholders, banks, thrifts, insurance companies, persons that hold our stock as part of a straddle, a hedge, a constructive sale transaction or a conversion transaction, persons that have a functional currency other than the U.S. dollar, and investors in pass-through entities, may be subject to special rules not discussed below. This discussion also does not address the U.S. federal income tax consequences to shareholders that do not hold their stock as a capital asset. For purposes of this discussion, shareholder means:

a holder of our common stock;

a citizen or resident of the United States;

a corporation, partnership or other entity organized under the laws of the United States or any political subdivision thereof;

an estate whose income is subject to U.S. federal income taxation regardless of its source; or

a trust if a U.S. court can exercise primary supervision over the trust's administration and one or more U.S. persons are authorized to control all substantial decisions of the trust.

This discussion is for general information only and may not address all tax considerations that may be significant to a holder of our common stock. Each shareholder is urged to consult a tax advisor as to the particular tax consequences of the liquidation, including the applicability and effect of any state, local or foreign laws and changes in applicable tax laws.

Tax Consequences to U.S. Shareholders

Upon liquidation, a shareholder will recognize gain or loss equal to the difference between (i) the sum of the amount of cash distributed to the shareholder, and (ii) the shareholder's tax basis in his or her shares of our stock. The gain or loss will be a capital gain or loss, assuming our stock is held by the shareholder as a capital asset, and will be a long term capital gain or loss if the stock has been held for more than one year. Long-term capital gains realized by shareholders that are individuals are generally subject to a 20% maximum tax rate. The deductibility of capital losses is subject to limitations.

Backup Withholding

Unless a shareholder complies with certain reporting and/or certification procedures or is an exempt recipient under applicable provisions of the Internal Revenue Code and treasury regulations promulgated under the Internal Revenue Code, the shareholder may be subject to a 30% backup withholding tax with respect to any payments received pursuant to the liquidation. Backup withholding generally will not apply to payments made to certain exempt recipients such as a corporation or financial institution or to a shareholder who furnishes a correct taxpayer identification number or provides a certificate of foreign status and provides certain other required information. If backup withholding applies, the amount withheld is not an additional tax, but is credited against that shareholder's U.S. federal income tax liability.

FOR THE REASONS DESCRIBED ELSEWHERE IN THIS PROXY STATEMENT, THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE PLAN OF LIQUIDATION AND DISSOLUTION AND THE LIQUIDATION AND DISSOLUTION OF NETZEE AND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL OF THE PLAN OF LIQUIDATION AND DISSOLUTION AND THE LIQUIDATION AND DISSOLUTION OF NETZEE.

Accordingly, in the event of any such breach or threatened breach, Certegy or Netzee, as applicable, shall be entitled, in addition to the exercise of other remedies, to seek and (subject to court approval) obtain injunctive relief, without necessity of posting a bond restraining the applicable party from committing such breach or threatened breach.

8.13 *Intellectual Property.* If Netzee or any Person owned or controlled by it, owns or shall at any time acquire any Assigned IP, such party shall promptly cause such Assigned IP to be immediately transferred to Certegy. Netzee, were inaccurate at the Closing and which were not then disclosed in writing to Certegy, which claims shall survive until the expiration of the applicable statute of limitations. 10.2 *Indemnification by Certegy.* Certegy shall indemnify and hold Netzee and its Affiliates, officers, directors, employees, attorneys, agents, representatives, successors and assigns (each, a Netzee Indemnified Party) harmless from and against all claims, losses, damages, liabilities, obligations, payments, penalties, costs and expenses of any nature (including, without limitation, the costs and expenses of any and all actions, suits, proceedings, assessments, judgments, settlements, compromises, fines and interest relating thereto and reasonable attorneys' fees and reasonable disbursements in connection therewith) (collectively, Losses) arising out of or relating to: (i) any inaccuracy or breach by Certegy of a representation, warranty, covenant or agreement of Certegy contained in this Agreement, an Operative Agreement or in any certificate delivered pursuant to this Agreement; (ii) any Liability or obligation to brokers retained by for or on behalf of Certegy or its Affiliates in connection with the transactions contemplated by this Agreement; (iii) the Assumed Liabilities to the extent the indemnified claim arose out of actions that occurred after the Closing; and (iv) the ownership or operation of the Purchased Assets or the Business after the Closing Date in all respects other than the Excluded Liabilities.

10.3 *Indemnification by Netzee.* Netzee shall indemnify and hold Certegy and its Affiliates, officers, directors, employees, attorneys, agents, representatives, successors and assigns (each, a Certegy Indemnified Party) harmless against all Losses arising out of or related to: (i) any inaccuracy or breach by Netzee of a representation, warranty, covenant or agreement of Netzee contained in this Agreement, an Operative Agreement or in any certificate delivered pursuant to this Agreement; (ii) any Liability or obligation to brokers retained by for or on behalf of Netzee or its Affiliates in connection with the transactions contemplated by this Agreement; (iii) the Excluded Liabilities (regardless of whether information relating such Excluded Liabilities is set forth on a schedule); (iv) the ownership or operation of the Purchased Assets or the Business prior the Closing Date in all respects other than the Assumed Liabilities; (v) any voluntary or involuntary bankruptcy or insolvency proceeding of which Netzee is the subject; (vi) any third party challenges to the transactions contemplated by this Agreement or the Operative Agreements as being part of a fraudulent conveyance; and (vii) the Closing Date Accounts Receivable being less than eight hundred thousand dollars (\$800,000.00).

10.4 *Claims.* A party entitled to indemnification under this Agreement with respect to any claim (Indemnified Party) will give the party required to provide such indemnification (Indemnifying Party) prompt written notice of any legal proceeding, claim or demand (in each case, a Claim) with respect to which the Indemnified Party is entitled to indemnification. The Indemnifying Party shall have the right, by giving notice to the Indemnified Party within ten (10) days after receipt of notice from the Indemnified Party of a Claim stating that the Indemnifying Party is responsible for such Claim, at its expense, to defend against, negotiate, settle or otherwise deal with any Claim with respect to which it is the Indemnifying Party and to have the Indemnified Party represented by counsel, reasonably satisfactory to the Indemnified Party and selected by the Indemnifying Party; provided, that the Indemnified Party may participate in any proceeding with counsel of its choice and at its expense; provided further, that Certegy, at any time when it believes in good faith that any Claim with respect to which Netzee is defending, is having a Material Adverse Change on the assets, affairs, condition (financial or otherwise) or prospects of Certegy, or upon the Business or the Purchased Assets, or could adversely affect or detract from the value of the Purchased Assets or the Business, may assume the defense and settlement of such Claim in good faith, with counsel of its choice, at its expense; and provided further, that the Indemnifying Party may not enter into a settlement of any Claim without the consent of the Indemnified Party unless such settlement requires no more than a monetary payment for which the Indemnified Party is fully indemnified. The parties will cooperate fully with each other in connection with the defense, negotiation and/or settlement of each Claim.

10.5 *Limitations.* Absent fraud, the cumulative indemnification obligation of either party with respect to any Losses or Claims shall not exceed the Indemnity Escrow Amount. In the absence of fraud, and except for non-monetary equitable relief, if the Closing occurs, indemnification pursuant to the

provisions of this Section 10 shall be the sole and exclusive remedy of the parties for any breach of any representation or warranty contained in this Agreement.

10.6 *Treatment of Indemnity Benefits.* All payments made by Netzee or Certegy, as the case may be, to or for the benefit of the other party pursuant to any indemnification obligations under this Agreement shall be treated as adjustments to the Purchase Price for Tax purposes and such agreed treatment shall govern for purposes of this Agreement.

11. *Termination.*

11.1 *Termination.* This Agreement and the transactions contemplated by this Agreement may be terminated at any time prior to the Closing: (i) by the mutual written consent of Netzee and Certegy; (ii) by either Netzee or Certegy if the Closing has not occurred on or prior to 5:00 p.m., Eastern Standard Time, on January 15, 2003 (Termination Date); provided, however, that the right to terminate this Agreement under this Subsection 11.1(ii) shall not be available to a party whose action or inaction has resulted in a willful and material breach of this Agreement; (iii) by either Netzee or Certegy if any Governmental Authority issues a final and non-appealable Governmental Order restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement; provided, the party seeking to so terminate has exercised commercially reasonable efforts to oppose any such Governmental Order or to have the Governmental Order vacated or made inapplicable to the transactions contemplated by this Agreement; (iv) by Certegy, if Netzee materially breaches any representation, warranty, covenant or other agreement to be performed by it contained in this Agreement or an Operative Agreement, and such breach is incapable of being cured or is not cured within ten (10) days after Netzee's receipt of written notice from Certegy; (v) by Netzee, if Certegy materially breaches any representation, warranty, covenant or other agreement contained in this Agreement or an Operative Agreement, and such breach is incapable of being cured or is not cured within ten (10) days after Certegy's receipt of written notice from Netzee; (vi) by Certegy or Netzee if shareholder approval of the matters specified in Subsection 8.15(b) shall not have been obtained at the Shareholders Meeting; (vii) by Certegy if the satisfaction of any condition to the obligations of Certegy set forth in Subsection 9.1 becomes impossible; or (viii) by Netzee if the satisfaction of any condition to the obligations of Netzee set forth in Subsection 9.2 becomes impossible.

11.2 *Procedure and Effect of Termination.* If either party terminates this Agreement pursuant to Subsection 11.1, this Agreement, other than the obligations of the parties under Subsections 8.3 (Confidentiality), 8.5 (Publicity), 8.6 (Transaction Costs), Subsection 11.2 (Procedure and Effect of Termination), and Section 12 (Miscellaneous) (each of which shall survive termination), shall forthwith become void and have no effect, without any liability on the part of any terminating party or its officers, directors or shareholders. In the event of termination of this Agreement pursuant to Subsection 11.1, written notice of the termination must be given by the terminating party at least three (3) Business Days prior to the date of termination. If this Agreement is properly terminated, all filings, applications and other submissions made pursuant to this Agreement, to the extent practicable, shall be withdrawn from the agency or other person to which they were made.

12. *Miscellaneous.*

12.1 *Assignment.* This Agreement shall be binding upon and inure solely to the benefit of each party and their respective successors and assigns, provided that neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated by Netzee or Certegy without the prior written consent of the other party, and any purported assignment or delegation shall be null and void except that, without Netzee's consent, Certegy may assign this Agreement to a wholly-owned Subsidiary of Certegy.

12.2 *Governing Law.* This Agreement will be governed by and construed and interpreted in accordance with the substantive Laws of the State of Georgia, without giving effect to any choice of law or conflicts of Law provision or rule that would cause the application of the Laws of a jurisdiction other than Georgia. The prevailing party in any action arising out of this Agreement shall be entitled to the recovery

of its reasonable attorney's fees, costs and expenses. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION ARISING, DIRECTLY OR INDIRECTLY, OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE OPERATIVE AGREEMENTS. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANOTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THIS WAIVER. EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, AND MAKES IT VOLUNTARILY.

12.3 *Waiver.* No party shall be deemed to have waived any of its rights under this Agreement without agreeing to do so in writing. No waiver of a breach of this Agreement shall constitute a waiver of any prior or subsequent breach of this Agreement. No delay on the part of any party in exercising any right, power or privilege under this Agreement shall operate as a waiver, nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise or the exercise of any other right, power or privilege. Whenever this Agreement requires or permits consent by or on behalf of a party, that consent must be given in writing in a manner consistent with the requirements for a waiver as set forth in this subsection.

12.4 *Force Majeure.* No party shall be liable for any loss or damage due to causes beyond its control, including earthquake, war, fire, flood, power failure, terrorist acts, acts of God or other catastrophes.

12.5 *Headings; Construction.* The headings that appear in this Agreement are inserted for convenience only and shall not limit or extend its scope. Each of the agreements and covenants contained in this Agreement are in addition to any other similar agreement or covenant contained in any other document entered into in connection with this Agreement, and do not limit the applicability of such other agreement or covenant.

12.6 *Entire Agreement.* This Agreement, together with the Nondisclosure Agreements, constitutes the entire understanding of the parties with respect to its subject matter, and all prior agreements, understandings and representations relating to the subject matter of this Agreement are canceled in their entirety. The exhibits, schedules and Operative Agreements are incorporated by reference into and made a part of this Agreement for all purposes.

12.7 *Neutral Construction.* The parties agree that this Agreement was negotiated fairly between them at arms' length and that the final terms of this Agreement are the product of the parties' negotiations. Each party represents and warrants that it has sought and received legal counsel of its own choosing with regard to the contents of this Agreement and the rights and obligations affected hereby. This Agreement shall be construed equally against the parties regardless of who is more responsible for its preparation.

12.8 *Severability.* If there is a conflict between any part of this Agreement and any present or future Law, this Agreement shall be curtailed only to the extent necessary to bring it within the requirements of that Law, and the remainder of this Agreement shall remain in full force and effect.

12.11 *No Third Party Beneficiary.* This Agreement is made for the sole benefit of the parties and their respective successors, executors and permitted assigns, and nothing contained in this Agreement, express or implied, is intended to or shall confer any third-party beneficiary right or any other legal or equitable rights, benefits or remedies of any nature whatsoever upon any Person who is not a party (except to the extent that any Affiliates of Netzee or Certegy are expressly identified in this Agreement).

and that Certegy shall have no Liability except as otherwise provided in this Agreement for any obligation or liability of Netzee or any of its Affiliates.

12.15 *Specific Performance.* The parties acknowledge that the rights of each party to consummate the transactions contemplated hereby are special, unique, and of extraordinary character, and that, in the event either party either violates or fails or refuses to perform any covenant herein, the other party will be without adequate remedy at law. Therefore, in the event that any party violates, fails or refuses to perform any covenant or agreement made by it herein, the other parties, so long as they are not in breach hereof, may, in addition to the remedies at law, institute and prosecute an action in a court of competent jurisdiction to enforce specific performance of such covenant or agreement or seek any other equitable relief.

APPENDIX B

PLAN OF COMPLETE LIQUIDATION AND DISSOLUTION OF

NETZEE, INC.

1. *Scope of Plan.* This Plan of Complete Liquidation and Dissolution (the *Plan*) is intended to accomplish the complete liquidation of Netzee, Inc., a Georgia corporation (the *Corporation*), within the meaning of Section 331 of the Internal Revenue Code of 1986, as amended (the *Code*), and the voluntary liquidation and dissolution of the Corporation in accordance with and pursuant to the Georgia Business Corporation Code (the *Georgia Code*).

2. *Adoption of Plan by Shareholders.* The Plan shall be submitted to the shareholders of the Corporation at a special meeting of shareholders and shall be adopted and become effective when holders of a majority of the outstanding shares of the Corporation entitled to vote at the special meeting shall have voted in favor of its adoption.

3. *Cessation of Business Activities.* After adoption of the Plan by the shareholders of the Corporation, the Corporation shall file a Notice of Intent to Dissolve with the Secretary of State of the State of Georgia pursuant to Section 14-2-1403 of the Georgia Code and shall cause such notice to be published pursuant to Section 14-2-1403.1 of the Georgia Code.

After the filing of the Notice of Intent to Dissolve, the Corporation shall limit its activities to:

(a) the winding up of its affairs;

(b) the collection of its remaining assets, disposition of properties that will not be distributed in kind to shareholders, and payment of its liabilities or making provision for all known liabilities and obligations of the Corporation, as described in Paragraphs 4, 5, and 6 of this Plan; and

(c) the distribution of its property to shareholders in complete cancellation and redemption of the shares of the Corporation in one or more liquidating distributions, as described in Paragraph 7 of this Plan.

4. *Liquidation of Assets.* After adoption of the Plan by the shareholders of the Corporation, the Corporation shall sell, exchange, transfer, or otherwise liquidate any and all of its assets and property, including intangible assets and property, for such consideration and upon such terms and conditions as the Board deems in the best interests of the Corporation and its shareholders.

5. *Payment of Liabilities.* Prior to making any distributions to its common shareholders, the Corporation shall pay or discharge all known and undisputed debts, liabilities and obligations of the Corporation. After the payment of such debts, liabilities and obligations, the Corporation shall establish the contingency reserve described in Paragraph 6 of this Plan. As soon as practicable following the filing of the Notice of Intent to Dissolve, the Corporation shall notify all known creditors and those asserting claims against the Corporation, whether such claims are fixed, contingent, conditional, or unmatured. When publishing the Notice of Intent to Dissolve, the Corporation shall request in the publication that all persons with claims against the Corporation present such claims to the Corporation in a written notice containing specified information.

6. *Contingency Reserve.* Following adoption of the Plan by shareholders of the Corporation, the Board may, to the extent deemed advisable by the Board, establish a contingency reserve (the *Contingency Reserve*) and set aside into the Contingency Reserve such amounts of cash or property of the Corporation as the Board, in its discretion, determines are sufficient to account for unknown claims, contingencies and expenses incurred in connection with the collection and defense of the Corporation's property and assets and the liquidation and dissolution in accordance with this Plan, including claims that are likely to arise or become known after the filing of the Articles of Dissolution described in Paragraph 9 of this Plan. Following the payment, satisfaction, or other resolution of all such claims, contingencies and

Table of Contents

expenses, any amounts remaining in the Contingency Reserve shall be distributed in accordance with this Plan.

7. *Distributions.* Following the liquidation of its assets and property as described in Paragraph 4 of this Plan, payment of liabilities as described in Paragraph 5 of this Plan, and establishment of any contingency reserve as described in Paragraph 6 of this plan, the Corporation shall distribute an amount not to exceed \$.50 per share to its common shareholders. All remaining assets, if any, shall be distributed pursuant to the Plan of Distribution (as defined below).

8. *Plan of Distribution.* To the extent practicable, the Corporation shall pay or make provision to pay its liabilities and obligations in accordance with the Plan of Distribution attached to this Plan as Schedule A and hereby incorporated into this Plan (the Plan of Distribution). Each of the officers and directors are empowered, authorized and directed to enter into, execute, and deliver any agreements or other instruments with the Corporation s known creditors and preferred shareholders as he or she may deem necessary or desirable to carry out the purposes and effect of the Plan of Distribution.

9. *Abandonment.* Notwithstanding the adoption of this Plan by the shareholders of the Corporation, the Board may, in its discretion and without further action by the shareholders, abandon the Plan at any time and direct that no further steps be taken to carry the Plan into effect.

10. *Dissolution.* As soon as possible after the liquidation of the Corporation has been completed by distribution of the remaining assets to the shareholders, the Corporation shall execute Articles of Dissolution pursuant to Section 14-2-1408 of the Georgia Code and shall cause the Articles of Dissolution to be filed with the Secretary of State of the State of Georgia. Upon filing of the Articles of Dissolution with the Secretary of State, the Corporation shall cease to exist except for such purposes as are specified by the Georgia Code.

11. *Authority of Officers and Directors.* Each of the officers and directors of the Corporation is empowered, authorized and directed to approve such changes to the terms of any of the actions referred to herein, to enter into, execute, deliver and file any and all reports, returns, notices, agreements, documents or other instruments in the name of and on behalf of the Corporation or otherwise and under the seal of the Corporation or otherwise and to do any and all other things in the name and on behalf of the Corporation which he or she may deem necessary or desirable to carry out the provisions, purposes and intent of the Plan, including without limitation such actions as shall be necessary to conform with the provisions of Section 331 of the Code and with all applicable provisions of the laws of the State of Georgia. The Board shall have full authority to amend or modify the Plan without further approval of the shareholders of the Corporation, except as required by the Georgia Business Corporation Code.

12. *Cancellation of Stock.* Distributions to the Corporation s shareholders pursuant to this Plan, if any, shall be in complete redemption and cancellation of all of the outstanding capital stock of the Corporation; provided however, that if the Board anticipates making more than one distribution to shareholders, then the outstanding capital stock shall not be deemed to be cancelled until the Board has declared a final distribution. As a condition to any final distribution, the Board may require shareholders to surrender their certificates evidencing the stock to the Corporation or its agent for cancellation. If a shareholder s certificate for shares has been lost, stolen or destroyed, such shareholder may be required, as a condition to the disbursement of any distribution under this Plan, to furnish to the Corporation satisfactory evidence of the loss, theft or destruction thereof, together with a surety bond or other security or indemnity reasonably satisfactory to the Corporation.

13. *Liquidating Trust.* If advisable for any reason to complete the liquidation and distribution of the Corporation s assets to its shareholders, the Board may at any time establish a liquidating trust (the Trust). The Trust thereupon shall succeed to all of the then remaining assets of the Corporation, including all amounts in any Contingency Reserve, and any remaining liabilities and obligations of the Corporation. The sole purpose of the Trust shall be to prosecute and defend suits by or against the Corporation, to settle and close the business of the Corporation, to dispose of and convey the assets of the Corporation, to satisfy the remaining liabilities and obligations of the Corporation and to collect and

Table of Contents

distribute the remaining assets of the Corporation to its shareholders. Any distributions made from the Trust shall be made in accordance with the provisions of this Plan. The Board may appoint one or more of its members to act as trustees of the Trust and to cause the Corporation to enter into a liquidating trust agreement with such trustees on such terms and conditions as the Board determines. Approval of this Plan by the shareholders also will constitute the approval by the shareholders of any appointment of the trustees and of any liquidating trust agreement between the Corporation and such trustees.

14. *Compensation.* The Corporation may pay to its officers, directors, employees and agents or trustees, or any of them, compensation for services rendered in connection with the implementation of this Plan. Approval of this Plan by the shareholders of the Corporation shall constitute the approval of the shareholders of the payment of any such compensation referred to in this Article.

15. *Indemnification.* The Corporation shall continue to indemnify its officers, directors, employees, agents and trustees in accordance with its Articles of Incorporation, Bylaws and any contractual arrangements as therein or elsewhere provided, and such indemnification shall apply to acts or omissions of such persons in connection with the implementation of this Plan and the winding up of the affairs of the Corporation. The Corporation's obligation to indemnify such persons may be satisfied out of the Contingency Reserve or out of assets transferred to the Trust, if any. The Board and the trustees of any Trust are authorized to obtain and maintain insurance as may be necessary to cover the Corporation's indemnification obligations

16. *Costs.* The Corporation is authorized, empowered and directed to pay all legal, accounting, printing and other fees, costs and expenses for services rendered to the Corporation in connection with the preparation, adoption and implementation of this Plan, including, without limitation, any such fees and expenses incurred in connection with the preparation and distribution of a proxy statement for the meeting of shareholders to be held for the purpose, among others, of voting upon the approval of this Plan.

(C) Alters or abolishes a preemptive right of the holder of the shares to acquire shares or other securities;

(D) Excludes or limits the right of the shares to vote on any matter, or to cumulate votes, other than a limitation by dilution through issuance of shares or other securities with similar voting rights;

(b) A shareholder entitled to dissent and obtain payment for his shares under this article may not challenge the corporate action creating his entitlement unless the corporate action fails to comply with procedural requirements of this chapter or the articles of incorporation or bylaws of the corporation or the vote required to obtain approval of the corporate action was obtained by fraudulent and deceptive means, regardless of whether the shareholder has exercised dissenter's rights.

(c) Notwithstanding any other provision of this article, there shall be no right of dissent in favor of the holder of shares of any class or series which, at the record date fixed to determine the shareholders entitled to receive notice of and to vote at a meeting at which a plan of merger or share exchange or a sale or exchange of property or an amendment of the articles of incorporation is to be acted on, were either listed on a national securities exchange or held of record by more than 2,000 shareholders, unless:

(1) In the case of a plan of merger or share exchange, the holders of shares of the class or series are required under the plan of merger or share exchange to accept for their shares anything except shares of the surviving corporation or another publicly held corporation which at the effective date of the merger or share exchange are either listed on a national securities exchange or held of record by more than 2,000 shareholders, except for scrip or cash payments in lieu of fractional shares; or

(2) The articles of incorporation or a resolution of the board of directors approving the transaction provides otherwise. (Code 1981, § 14-2-1302, enacted by Ga. L. 1988, p. 1070, § 1; Ga. L. 1989, p. 946, § 58; Ga. L. 1999, p. 405, § 11.)
14-2-1303. *Dissent by nominees and beneficial owners.*

A record shareholder may assert dissenter's rights as to fewer than all the shares registered in his name only if he dissents with respect to all shares beneficially owned by any one beneficial shareholder and notifies the corporation in writing of the name and address of each person on whose behalf he asserts dissenter's rights. The rights of a partial dissenter under this Code section are determined as if the shares as to which he dissents and his other shares were registered in the names of different shareholders. (Code 1981, § 14-2-1303, enacted by Ga. L. 1988, p. 1070, § 1.)
